### PLAYOFFS

Two teams in each division with the greatest winning percentage at the conclusion of the regular season will qualify for the playoffs. Both first-round playoff series will be best-of-five, with the higher seed choosing to host either games 1-2 or 3-5. The semifinal winners will meet in a best-of-five series for the league championship.

### ROSTER RULES

The roster limit for a American Association club is 23 players. An additional one player may be on the disabled list during the regular season. Of those 23 players, a maximum of five may be veterans and minimum of five must be rookies. The remaining players will be designated limited service players and of those LS players only six (6) may be LS-4.

During the pre-season, a maximum of 28 players may be under contract at any one time without regard to classification. The 23 active player roster must be met two days before the start of the regular season.

### Definitions

**Year of Service:** A year of service for American Association players is 75 official at bats or more in a National Association or independent league or leagues, or 30 innings or more pitched in a National Association or independent league or leagues, in any season prior to the present calendar year. For independent and short season/rookie league service, the first two years of service equals one National Association year. For foreign players, the classification and salary level will be determined by the league office.

**Rookie:** A player with less than one year of service.

**LS-1:** A player with fewer than two years of service.

**LS-2:** A player with fewer than three years of service.

**LS-3:** A player with fewer than four years of service.

**LS-4:** A player with fewer than five years of service. Two of the LS-4 players may have LS-5 status.

**LS-5:** A player with less than 6 years of service.

**Veteran:** A player with six or more years of service. If a player has six or more years of service but has not reached the age of 27 by September 1 of that season, he will be considered an LS-4. If he has not reached the age of 25 by September 1 of that season, he will be considered an LS-3.

## FIELD MANAGER - BRENT CLEVLIN

Former major-leaguer Brent Clevlen returns to the Railroaders after leading the club to a 23.5-game improvement in 2019, third-best in league history.

The Austin, Texas, native spent 16 seasons as a professional player, rapping over 1,700 career hits. He spent six of his last seven professional seasons as a player with the Wingnuts, becoming the franchise's career leader in virtually every offensive category. In 398 games, Clevlen amassed 513 hits, including 131 doubles and 71 home runs, driving in 312 runs while scoring 315 of his own. Each mark tops the Wingnuts' all-time leaderboard.

Clevlen was originally drafted out of high school by the Detroit Tigers in the 2nd round of the 2002 MLB draft. He spent four years in the Tigers' minor-league system before making his MLB debut in 2006, homering twice in his third game with Detroit. The outfielder ultimately appeared in 59 major league games, recording 18 total hits for the Tigers and the Atlanta Braves.

**FIELD MANAGER - JAMES FRISBIE**

A veteran of the independent baseball coaching and managing ranks, James Frisbie enters his first season as the Saltdogs' skipper. In 2018, Frisbie was the field manager for the Southern Maryland Blue Crabs in the independent Atlantic League, assuming the role after a season as the club's pitching coach.

No stranger to the American Association, the Roseburg, Ore., native managed the Texas AirHogs in 2016 and was the pitching coach for Sioux City in 2012; for Fort Worth from 2008-10, where he helped to lead the Cats to two playoff appearances; and for Coastal Bend in 2006.

Frisbie gained his first managerial experience with the Rio Grande Valley White-Wings of the Central League in 2003, after serving as the club's pitching coach in 2002.

As a player, Frisbie spent parts of four seasons pitching in the Texas-Louisiana League. He played collegiately at Abilene Christian (Texas) University.
