## Assignment Protocol

Professional Referees Organization (PRO) will assign all Center Referees & Assistant Referees for 2017 regular season NASL matches in the domestic United States. US Soccer Federation will assign all 4<sup>th</sup> Officials. Canadian Soccer Association (CSA) will assign Center Referees, Assistant Referees & 4<sup>th</sup> Officials for all home matches of FC Edmonton. CONCACAF will assign all officials for matches in Puerto Rico.

The 2017 postseason (those 3 matches comprising the NASL Championship) will be assigned by PRO, CONCACAF, or CSA, depending on where the match(es) is/are played.

## Travel – PRO & CSA Assigned Matches

### Air Travel

For all matches assigned by CSA and for those bargaining unit officials assigned by PRO, air travel bookings will be handled by PRO (US-based matches) or CSA (Canada-based matches). Generally, NASL Referees (or ARs and/or 4<sup>th</sup> officials, if applicable) travelling by air and thru more than one time zone from their home to an assignment will be allowed to arrive in the match venue the day before match day and leave the day after the match depending on kickoff times and airline schedules with the final decision left up to PRO/CSA. Generally, Referees travelling to assignments within the same time zone and with flights lasting less than 2 1/2 hours (airline schedules permitting) should arrive in venue on the same day as their match and no later than 4 hours before kickoff. Again, all travel questions should be addressed to PRO, Sportscorp or the CSA.

All NASL Match Officials are also encouraged NOT to book air travel or expect to leave the match venue within 4 hours of the expected end of any NASL match so as to account for any in-match unforeseen circumstances (i.e. weather; or a serious player injury that causes a delay in play) that might occur and therefore might delay an official from leaving the match venue post-match.

In addition, all NASL Match Officials who drive to their assignment are encouraged NOT to expect to leave the match venue earlier than 2 hours after the expected end of any regular season match so as to account for any in-match unforeseen circumstances (i.e. a serious weather issue; preparation of post match reports or a serious player injury that causes a delay in play) and therefore might delay an official from leaving the match venue post match. This applies to both PRO and CSA assigned match officials.

U.S. match officials will have their flights booked through Sportscorp (contact info on page 5), based on the following:

- Coach or economy class is the standard fare class for all officials flying to any NASL match.
- The choice of airline is based the least expensive 'reasonable' option, provided officials shall fly on airlines that are considered 'standard' carriers such as American, Southwest, United, Delta, Virgin, JetBlue & Alaska Airlines. Officials are required to choose an option with up to 1 connection if that option is the least expensive option.

### Hotels

Sportscorp will make arrangements for Officials assigned by PRO (for those bargaining unit officials) in the US for any hotels needed for any match official who might arrive into the match venue the day before the match day and departs either on match day night (if the match is an afternoon kickoff) or on the day following the match day. This hotel information will appear on the Match Notice (see more on NASL League generated Match Notices further on in this Handbook) along with known hotel reservation details.

### Ground Transportation & Parking

The NASL requests that each assigned Referee Crew discusses and also confirms amongst its crew members as part of its pre-match email/phone communications exactly how they each individually and collectively are getting to and from the stadium on Match Day and/or to and from the airport and hotel on travel days if they are coming to the match via air or driving from a long distance. The League requests that this travel be done as efficiently as possible for all concerned and as outlined previously in this 2017 Handbook while utilizing any travel guidelines outlined in the previously published PRO or CSA travel policy manual.

Only NASL Match officials assigned to the match by PRO, USSF or the CSA will be provided secured complimentary parking on the day of match by the individual host team either thru the use of a physical pass or by having the name of the official(s) driving on a parking list at the parking lot entry gate. This is also coordinated thru the home team Operations Director or the home team Referee Liaison.

## NASL Travel Policy 2017 (for non-bargaining unit officials)

## **Match Procedures (NASL Operations Manual Sections listed below)**

### **Field Regulations (Section 5.0)**

Each Team must comply with field standards established by FIFA, along with any adjustments made by the NASL. To assist Teams with field standards, a sample guide to a Team's stadium field dimensions is provided in [Exhibit A](#). No changes must be made to the Stadium Field Plan unless approved by the League Office in writing. A representative from the Home Team must meet with the Referee at least SIXTY (60) minutes prior to the Game to assure the field is properly marked and in proper condition, the goals are in place and secure, the nets are properly fastened, the corner flags are in place, and the balls are properly inflated. **Each Team must work with its stadium to keep the color & width of soccer lines, grass conditions and equipment within FIFA specifications, according to Law 1.**

### **Fourth Officials' Equipment (Section 5.4)**

The Home Team must provide a six-foot table and THREE (3) chairs (to be positioned at midfield between the Team benches) for the Fourth Official. The Home Team must also provide a substitution board or manual substitution paddles for use by the Referees.

### **Match Ball**

The 2017 NASL Match Ball is provided by Under Armour. The Home Team will provide 10 new/like new match balls and have them ready for inspection by the Referee 90 minutes before each match.

### **Team Uniform Colors**

Team colors listed on the Match Notice should be followed without deviation with only the Match Referee empowered to change specific team related colors from what is listed on the Match Notice should the referee feel the change is absolutely necessary to avoid color conflicts between teams. Reasons for the match day change of uniform color(s) –especially if it delays a team procession or kickoff etc. should be noted on the Referee Game Report form.

Home Teams should have their change uniform colors available at the venue and should be asked first to make any changes required, followed then by asking the visiting team to change. Both teams are required to travel with at least two different sets of goalkeeper shirt colors. (Note: Both the starting GK and the reserve GK should wear the same color shirts). The Referee is requested to verify the colors to be worn by both teams at least 75 minutes before kickoff either by going himself directly and personally (or by having a member of his crew) go directly to visually check with each team OR by having the Home Team Director of Operations or the Referee Liaison bring BOTH sets of home and visiting team uniforms (including both starting & reserve goalkeeper colors scheduled to be used for the game) to the Referee Dressing Room pre-game.

### **Referee Uniforms**

All NASL match must wear assigned referee clothing for all 2017 NASL matches in the United States. The match officials assigned to specific games should check the Game Notice for the suggested Referee colors (Green/Red/Gold/Black or Blue Shirts) to be worn for their game. Referee shorts and sock colors will always be Black.

It is recommended that referee crew communicate amongst themselves in advance of travelling to the match city and game day to ensure that all four match officials wear the same shirt color and that they bring at least three different color alternate non-conflicting referee shirts to the stadium on match day. CSA officials should be governed by this same suggested approach to their choice in game uniform colors. Travel and day of game attire for all NASL referee crews should be governed by rules outlined by PRO or the CSA when their game officials travel to professional games. Sample uniforms are listed below.

## Professional Referee Organization/United States Soccer Federation

## Canadian Soccer Association

## CONCACAF

## **4<sup>th</sup> Officials**

4<sup>th</sup> Officials can wear an official PRO or official CSA branded (or non-branded i.e. PRO or CSA logoed) black windbreaker jacket and/or black windbreaker-type long pants over their referee shorts on cold or inclement days. No other commercial identification is permitted. No patches or insignia bearing any mark besides PRO, U.S. Soccer, CSA or FIFA are allowed (ie MLS).

### **Substitution Numbers**

The Home Team will provide for the match officials in the locker room before the match a set of substitution numbers in different colors; one set usually outlined in red for the player leaving the match and one set outlined in green for the player entering the match. The set of two numbers will likely be a manual set and is not required to be an electronic sub board, although it may be.

### **Time of Day**

All members of the match official's crew are encouraged to set their own time of day watches to the correct time of day via their own computer at [www.time.gov](http://www.time.gov) or by calling 1-303/499-7111 before arrival at the match stadium. Either the Home Team Director of Operations or the Home Team Referee Liaison (if applicable) will do a time 'hack' before kickoff and after the match officials arrive at the stadium match day and that time of day setting should be considered official. Day of Game timelines will be provided in advance. Please check PRE-MATCH with the home team operations or referee liaison to be clear on all pre- and post-game referee and player introductions/ceremonies procedures as well as pre- and post-match field entry/exit paths as part of the referee crew's conversation with home team operations.

Up to SEVEN (7) Game Day roster Players from which THREE (3) substitutions may be made may sit on the Team Bench. The Ball Kids must be stationed around the playing field as such: TWO (2) behind each goal and TWO (2) on each sideline. It is imperative that the Director of Operations assigns an individual supervisor to constantly oversee the performance and general comportment of the Ball Kids. Referees shall monitor the situation and report any difficulties.

### **Roster Collection (Section 9.4)**

The Home Team must designate a Referee Liaison to work with the Game Officials at each Home Game. The Referee Liaison must contact the Referee no later than THREE (3) days prior to the Game to confirm arrival and departure times, arrange transportation, and answer questions. If requested by the Referee, the Referee Liaison must ensure the Referees are at the stadium TWO (2) hours before kick-off.

**Field Equipment & Safety Check (Section 9.9)**

At least SIXTY (60) minutes prior to kickoff, the Game Officials must complete an inspection of the playing field and equipment, including the field itself, goals, netting, official Match Balls, corner flags, and field markings. In the event any problem areas are identified, including loose or torn nets, out of place goals, improperly covered drainage, missing or incorrect markings, etc., the Referee must notify the Field Manager immediately. The Field Manager must be responsible for promptly correcting any problems. The Referee should report any and all field equipment problems accordingly. However, every consideration and effort must be made to start the Game as scheduled.

**Protection of Game Officials (Section 9.12)**

Each Home Team must provide a separate dressing room with showers at its Home stadium for the exclusive use of Game Officials, and must take the necessary precautions to ensure that no person, without the permission of the Game Officials, gains access to this dressing room. Each Team must provide adequate security for all Game Officials they are at the stadium. Game Officials must report any breach of these provisions to the League Office. All reasonable efforts will be made to provide separate and equal dressing rooms for male and female officials.

**NASL Complimentary Ticket Policy (Section 9.14)**

The Home Team shall provide each Game Official with TWO (2) complimentary tickets to the Game upon arrival at the stadium. A 3<sup>rd</sup> ticket will be made available to each official upon request.

**Suspended Players & Coaches (Section 10.2.4)**

Suspended players are only allowed to stay in a designated area, specified by each Team's Stadium/Field Plan, during the Game in which they are serving a suspension. Furthermore, suspended players are not permitted on the field of play for pre-game warm ups or during halftime. Suspended players are not permitted on the Team bench during the Game; however, suspended players are permitted access to their respective Team locker room during halftime.

**Discipline and Infractions (NASL Operations Manual Section listed below)**

**Entering the Field (Section 12.3 D)** A Player, Coach, or Team staff member entering the playing field during an NASL Game when not authorized to do so may be fined and/or suspended by the League Office. All relevant contact information shall be listed on each Game Notice. A match may be suspended or delayed by the referee during the "run of play" if conditions warrant; in no case, however, may decisions be made regarding further delays or suspensions without the input and authority of the League Designee, as listed on that particular match notice.

**Authority to delay, interrupt, postpone or abandon a game (Section 13.2)** A League Game may only be delayed, interrupted, abandoned or postponed by the Referee or the League Designee as set forth herein. The Home Team Director of Operations shall immediately communicate knowledge of any circumstance that could justify a Game delay, interruption, abandonment or postponement to the League Designee. The Referee shall have the authority to delay or interrupt a Game for purposes of inclement weather and/or other adverse conditions exist that are beyond the control of the participating Teams and which would jeopardize the safety of the Players, Game Officials or spectators.

**Restart after Interruption (Section 13.4)** In the event of any Game interruption, the Referee shall restart play after deemed safe to do so or permitted to do so by the League Designee. The Referee shall allow for the following warmup times which may be reduced upon agreement by the head coach of the Away Team and the Home Team:

For Game interruptions between 15 and 30 minutes, a 5-minute warmup period shall be provided;

For Game interruptions between 30 and 60 minutes, a 10-minute warmup period shall be provided; and

For Game interruptions exceeding 60 minutes, a 20-minute warmup period shall be provided

When resuming a Game that has been interrupted, play must continue at the exact time at which it was stopped and Referees must utilize the appropriate restart. If the Game is stopped at a dead-ball situation, it must resume by allowing the appropriate Team to take the restart they were awarded before play was interrupted (e.g., throw-in, goal kick, etc.). If the Game is stopped during the run of play, it must resume with a dropped ball at the location on the field where the ball was positioned when the Game was interrupted.

## **Post-Game Procedures (NASL Operations Manual Section listed below)**

### **Referee Evaluation Form (Section 9.17)**

Before leaving the stadium, the Home Team Director of Operations must scan the Referee Game Report and the two Team official roster forms (on one sheet of paper) and email it to individual(s) as indicated on the form. A copy of the Referee Game Report form is included in Exhibit C.
