SECTION 1: INTRODUCTION

The National Premier Soccer League (NPSL) is the successor to the Men's Premier Soccer League which was formed in 2002. The NPSL is sanctioned by the United States Adult Soccer Association (USASA) as an affiliate of the United States Soccer Federation (US Soccer). Competition is organized in four distinct Regions: Northeast, South, Midwest and West.

The NPSL aspires to provide the highest level of men's soccer and strives to continuously raise the overall standard of play. The NPSL is registered as an amateur league; however teams may elect to register amateur or professional players within the rules and regulations of USASA and the United States Soccer Federation (USSF). Teams operate with respect and adherence to NCAA and other college association eligibility requirements. The NPSL provides an excellent showcase opportunity for those players who aspire to move to the professional level.

Since the 2014 NPSL season, the Referee Program has been serviced by US Soccer (USSF). Officiating assignments are made through a network of US Soccer-supervised National Assignors (NAs), and the NPSL Office of Officiating Services is directed by Paul Scott.

SECTION 4 NPSL PRE-GAME

Assignments

All assignments will be made by US Soccer and NAs which will appear on the US Soccer assignment web page <http://ussoccer.gameofficials.net> Assignments are typically made one month in advance and should be checked and accepted or declined in a timely manner. Officials need to be cognizant of the possibility of back to back assignments (consecutive home, road or chronological dates or assignments with the same team in different competitions made by different assignors) and avoid their acceptance. Officials should keep their availability up to date on the assignment web page.

Pre-Game Contact

Contact must be made between all officials days prior to the game. Whether by e-mail or by phone; the following items must be discussed: Uniform color, mode of transportation (shared when possible), transportation to and from the stadium, arrival time (1 hour 45 minutes prior to the match), and travel attire (dress slacks and polo, no warm ups or shorts) and time and place of the pre-game meeting.

Game Day Necessities

The following officiating necessities must be brought to the game by the officials: Current FIFA Laws of the Game book, NPSL Referee Handbook, , AR flags (electronic preferred) Official Sports Uniforms of various colors, current US Soccer or FPF Officiating publications, and radio communication devices if possible.

Certified Trainer

The Referee must confirm the presence of a certified athletic trainer or physician at the match at least one-half hour prior to the match. The Referee **shall not** start the match without this confirmation. The Referee shall delay the start of the match for a maximum of one hour and shall abandon the match with the resultant forfeit score of 3-0 for the visiting team should the presence of a certified trainer or physician not be confirmed. The Director of Officials, or another league official (see contact list) must be notified during this process. It is also recommended that the name of the certified trainer and/or physician present be recorded on the Referee Game Report.

Teams may NOT agree amongst themselves to play the game without a trainer. If there is a no trainer available, and there is an opportunity have a physician on site, this is acceptable only if 1) the physician has credentials and certifies in writing that he or she can make assessments on player safety and continued play based on injury, particularly concussion situations, AND 2) approval by either the Director of Officials, NPSL League Staff or an Executive Board Member (Chairman, Secretary or Treasurer) AND 3) this arrangement is in place before the one hour waiting period expires.

Home Team Referee Liaison (RL)

The Referee Liaison is provided by the home team. This person shall assist the officials with pre-match, halftime and post-match duties, needs, requests and reports. He/she shall be in a position during the match that is easily accessible to the Fourth Official. The RL duties are to include the following: confirm inspection of the field and equipment meeting all standards and make fixes as necessary. Proper placement of the Fourth Officials table, availability and access to the substitution numbers or board, coordination of the teams' various forms, and other game-related items the referee crew may need for assistance. It is recommended that this person not be an owner or a member of the coaching staff.

Timeline

90 minutes prior to kick-off: The referees will inspect the field, including all game necessary equipment such as goals, nets, corner flags, and field markings. The home team field manager must be notified to correct any problems relating to the field and/or equipment.

80 minutes prior to kick-off: The referee crew will check at least three (3) game balls provided by the home team. These **MUST** be returned post-game. (Teams, please have the match balls waiting in the referees' locker room to facilitate the inspection.) The Fourth official will collect all necessary NPSL paper work and forms from the RL. A Team Roster Sheet must be collected from each team. This sheet contains the names of all players and team personnel and must be present with the Fourth Official in the Technical Area throughout the match, to know all persons that are allowed in the Technical Area. The NPSL Official Line up Sheet is to be double checked against the Team Roster Sheet. (This will change if rosters are electronic)

55 minutes Prior to Kick-Off: Game Day rosters are to be collected from the respective teams. Each roster is to be inspected by the Referee and confirm that the form has been signed by the coach. While teams may travel and dress 20 players for the match, only 18 may designated to participate in the

match. Teams are required to dress a minimum of 14 players. If less than 14 players are dressed the game shall be played and the Referee shall so indicate in the Supplemental Game Report.

45 minutes Prior to Kick-Off: Inspection of Players Equipment, Uniform numbers, and the identification of starters and the Captain cross checked against the Line-Up Sheet. Only the eleven starters and the seven substitutes all listed on the Line up Sheet shall be subject to inspection. The fourth Official MUST maintain possession of the Game Day Line-Up Sheet throughout the Match.

Teams may change the designated 18 players up to 5 minutes prior to the start of the match.

Player Check-in

Each player must be listed on the team's NPSL Game Day Roster. There shall be at least 14 players listed and no more than 18. If there are less than 14 players, a supplemental report is required.

Team Uniforms

Each team must travel with two sets of 26 identically numbered uniforms, one uniform of predominantly light color (shirt and socks) and the other uniform predominantly dark. Numbers must be only 2 digits. In the case of conflicting uniform colors, the visiting team MUST change. Tape on the socks must match the predominate color of the sock. Undergarments must be the same color as the uniform. No jewelry is permitted. The NPSL logo is required to appear on every player's uniform on the left sleeve.

MITRE Official Game Ball

MITRE has provided the NPSL Official Game Ball. The ball has the NPSL logo. This ball MUST be used in all games that NPSL teams host. Please report if the Official Ball is not available /used in the match.

Just Prior to Kick Off

7 minutes Prior to Kick-Off: Officials and starting team's line-up for the international walkout (Referees, take this time to inspect the players one last time.) Referee carries the game ball; AR flags are furled. Player introductions are made, the National Anthem (s) played and the coin toss conducted. ARs then proceed to check the goals and nets one last time before taking their position on the touch line.

Coaches, bench personnel and substitute players walk directly to their benches from the locker room.

Immediately before kick-off, the Fourth Official will check the benches and technical areas for the proper personnel. Except for the Referee Liaison and the trainer, who may vary from game to game, all bench personnel should be listed on the team roster. The following persons are permitted in the Technical Area: Seven (7) substitute players listed on the Line-up form, two (2) uniformed additional players not so listed and not eligible to play, three (3) coaches, a Manager (1) and a maximum of three (3) members of the medical staff. A Maximum of 16 bench personnel should be professionally attired for the match.

Referee signals for the start of the game.

SECTION 5 THE NPSL GAME

All games shall be conducted in accordance with the current FIFA Laws of the Game except for NPSL Rules of Competition Exceptions.

Substitutions

Each team is allowed a maximum of seven (7) substitutions which includes the goalkeeper. There shall be no re-entry. The NPSL Substitution Pass (7 per team) should be signed by the Referee prior to the match and given to the teams by the Fourth Official just prior to kick off.

Overtime

Regular season NPSL games may end in a tie. Games that require a winner shall be played per the FIFA Laws of the Game Kicks from the Penalty Mark after completion of two 15-minute overtime periods which result in the teams still being tied. There is no golden or silver goal rule.

Game Day Emergency

If an emergency arises relating to Referee crew availability; the Referee must immediately contact the NA responsible for the assignment and possible emergency replacement as well as the NPSL Director of Officials. A listing of the NAs responsible for assignments by State and Team may be obtained from the US Soccer Game Officials site.

Duties and Responsibilities of the Fourth Official

While the duties and responsibilities of the Fourth Official are clearly delineated in the FIFA Laws of the Game, it is important to reiterate the Fourth Official's responsibility for bench decorum and a familiarity with the US Soccer guidance of "Ask, Tell, Dismiss". Occupancy of the NPSL Technical Area by sixteen (16) individuals per team and a seven (7) substitute per team policy will test the Fourth Officials ability to assist the Referee in control of the match. In addition, accurate record keeping of goal scorers and time as well as assists and the record of cautions, substitutions and sendoffs is necessary.

Regarding substitutions, a substitute shall not enter the field of play until the player he is replacing has left the field. The substitute's equipment, number, substitution pass and eligibility must be confirmed. The substitution paddles or electronic board shall be used to indicate the player coming off the field and the player entering as a substitute. The board or paddle should also be used to indicate the amount of added time in each half or over time period as directed by the Referee.

NPSL Concussion / Head Injury Policy

Any player who loses consciousness during a match and exhibits signs, symptoms or behavior consistent with a concussion or head injury shall be removed from the contest and shall not return to play in that match. The home team trainer or physician is the only person who may identify concussive signs, symptoms or behavior. If the visiting team traveled with a trainer, the home team trainer is the decision maker. The home team trainer MUST provide a report to OFFICIALS@NPSLsoccer.net within four (4) hours of

the conclusion of the game, with a copy to the visiting team (if applicable) for follow up. The referee shall also file a supplemental report in such cases.

Referees are advised to stop the game and immediately call the respective trainer and/or doctor onto the field when there has been a collision of heads, an elbow, foot or knee to the head of a player and that player goes down or otherwise shows any sign of a potential head injury.

SECTION 6 AUTHORITY TO DELAY OR POSTPONE A MATCH

The Referee has the authority to delay the start of a match or suspend play once the match is in progress when the delay is caused by adverse weather, field conditions or conditions beyond the control of the teams which would make the playing of the match impractical or dangerous. Although the Referee has complete authority in this regard, it is important to immediately contact the Director of Officials (Paul Scott) or League Director (Cindy Spera) if the match is to be postponed. If neither of these people can be reached, then contact Staff members Robin Shacket or Dina Case (see contact list).

Should a match be terminated prior to the completion of the first half, it shall be rescheduled, if possible. A match terminated after the completion of the first half is considered to be an official match.

Grace period Before the Suspension of Play or Postponement of a Match

Unless both teams, the Referee, and League Management agree to an alternate plan, teams must wait a minimum of one (1) hour before abandoning a game that has been delayed regardless of circumstances. This is not an aggregate time for multiple delays but rather one (1) hour from the time of the most recent delay. The Home Team, in the presence of the Referee, must immediately notify the League Director via phone, of any postponement issues. The one-hour grace period may be extended, up to a maximum of three (3) hours from the time the match is delayed if there is a likelihood of resuming the match that day. Given the difficulty and cost of rescheduling, every attempt should be made to continue the game. The Director of Officials or appointed League staff has the final say on the length of the extended grace period due to weather (It is a minimum standard violation if the game is abandoned before contact is made). If the Director of Officials or other NPSL designated decision maker is unavailable (see contact list), the Referee shall be the final authority. No match will be continued after any continuous 3-hour waiting period without the approval of the Director of Officials.

To summarize, the minimum waiting period after a delay is one hour. Officials and Teams are expected to wait up to three hours, if there is a reasonable chance the game can be played.

If the first game of a doubleheader has been delayed, the feasibility of completing the second game will be considered when determining an extended grace period.

If a suspension of play has duration of longer than 30 minutes, the teams shall have the opportunity for a 10-minute warm-up period.

SECTION 7 REFEREE TEAM POST GAME REPORTING DUTIES AND RESPONSIBILITIES

The NPSL requires TWO reporting elements after the match. 1) Game Report and 2) Minimum Standards Checklist.

1) Game Report

The NPSL does not use individual player passes. Prior to the match, each team submits a Game Day Roster which has the player pictures and is formatted to record stats. These rosters also serve as the official game reports and must be kept by the officials after the match. Teams may request to take a picture of the report. The referee leaves the field with the report, it is not left with the home team.

After the match, each team must initial both rosters / match reports and each member of the referee crew should review these documents for accuracy. All parties should verify the **score, goals, assists, misconducts, and estimated attendance.**

The referee will then log into Game Officials, go to the match just completed and click on the Match Report in the AFTER GAMES section. Once there, the referee is responsible for completing the following fields: Score, Goals scored (and minute), misconducts, starters, substitutions, and the player's minutes of play. Additionally, the referee is responsible for uploading both teams' documents in the upload section at the bottom of the Bonzi report.

Please note that there is no electronic recording of assists and attendance, but these fields should be filled out on the actual report that will be uploaded.

Accuracy Check List for Game Report

- Box Score
- Scorer information: team, first and last name, and uniform number
- Yellow and Red Card documentation: team, first and last name, uniform number, time of offence, and offence.
- Spelling is correct and matches the line-up form,
- All critical aspects above are legible

Supplemental Reporting

If a Supplemental Report is needed, the referee will use the reporting tool in Game Officials in the After Games section. Only red cards and other incidents should be reported here. Do not report cautions, those would have been reported by the method previously reviewed.

Officials are requested to contact Paul Scott, NPSL Director of Officials to report any send offs, expulsions, unusual incidents by e-mail at officials@NPSLsoccer.net or in emergency at 918-230-3325.

If there is an instance of Referee Abuse or Assault, this report must be filed within 4 hours of the conclusion of the game to via the Game Officials reporting tool. They must also email Paul Scott (officials@NPSLsoccer.net), Derek Trammell DTrammell@USSoccer.org, with US Soccer, and their National Assignor.

2) Minimum Standards Checklist - NEW FOR 2018

To upgrade the quality of the league, the NPSL has initiated reporting of the compliance to Minimum Standards. After the match, officials are asked to go to the link below and fill out the form pictured. Please note and include estimated attendance. If the home team knows / announces attendance, please make a note of it or contact the team the next day.

Coaches and team staff shall not approach game officials prior to the game, at the end of the half, on the way to or from the locker room to lobby for a certain call, discuss the approach to the game, or to criticize a Game Official's performance. No one may enter the referees' dressing room without permission. It is strongly recommended that someone stand at the officials' dressing room door as security. The Referee shall report all such incidents in the Referee Game Report, and offending individuals shall be subject to a League fine and/or suspension. The Coach's Evaluation of Referees is the proper vehicle to express opinions on a Game Official's performance.

Entering the Field - A Player, Coach or other Team Staff member entering the playing field during a NSPL game when not authorized to do so shall be fined and / or suspended by the League.

NPSL Ejected Players & Coaches Removal Policy - Players and coaches sent off from the field of play shall be met at the sideline at midfield by home team security and escorted to the locker room, and are not permitted to watch the game. They must remain in the locker room for the remainder of the match. Additionally, coaches are not permitted to communicate with their team staff or players during the remainder of the game, and are not allowed to remain in the locker room during half time. The type of communication prohibited would include: cellular, 2-way radios, electronic / digital, written or verbal. Players or coaches returning to the field of play or stands during or directly following the match are subject to additional sanctions. Security personnel should only enter the field at the Referee's request.

Host Team responsibilities and requirements

Complimentary Tickets - The home team must provide two (2) complimentary tickets per referee crew member including the assessor if assigned.

Stadium parking - The home team must provide a complimentary parking pass on day of game for each crew member including the assessor if assigned. This pass must be provided through the use of a physical pass or by including the name of the official(s) on a parking list at the parking lot entry gate.

Locker Rooms - The home team must provide a locker room for the officials, separate from each of the teams. The locker room shall contain at the minimum towels and water. Absolutely no one is permitted in the Official's Locker Room outside of the officiating crew, the assigned US Soccer/FPF official assessor, the NPSL League Office Staff, and the Director of Officials. SECTION 9 GAME OFFICIAL FEES AND TRAVEL POLICY

Regular Season and Early Playoff Game Fees: Referee: \$125, Assistant Referees \$95, Fourth Official \$65

Regional Semi Finals AND Regional Finals: 150/100/100/75

National Semi Finals: 175/125/125/100

Championship Match: 200/150/150/125

Travel Expenses: There is no travel expense policy for travel inside of 100 miles round trip. Travel shall be reimbursed at the following levels for the Referee: 101-200 miles round trip \$40, 201+ miles round trip \$70. Assistant Referees: 101-200 miles round trip \$20, 201+ miles round trip \$35

There is no travel reimbursement for the Fourth Official.

Officials must contact the home team a minimum of **three (3) days** in advance of the match to notify the need to pay travel expenses and the amount due. In this way, clubs will have advanced notice of the need to pay travel and facilitate the writing of checks of the proper amount and officials being paid correct amounts in a timely manner. If you fail to do this, please do not contact the teams requesting the travel. The exception is if you were assigned within three days of the game. In that case, include your NA on the email requesting travel and explain your circumstances. Any travel that requires an official to be on the road after mid-night following a game is eligible for a hotel for one night, available by request to the home team with a copy to the Director of Officials no less than **ten (10) days** prior to the match. Unless you were assigned within 10 days of the game, please do not request a hotel. If you were a last minute replacement, please also include your NA in the email request.

Where at all possible; game officials should travel together to minimize travel expenses. Mileage between an Official's home and the game site should be confirmed via Google maps or Map Quest documentation. In addition, where a room is requested, officials should pair up and/or use a roll-a-way cot where possible to minimize hotel expense.

If this policy is not followed, particularly the three (3) and (10) day notice policy, the official is **not** entitled to travel reimbursement without proper pre-notification. Contact information for the teams can be found on NPSL.com. Please cc Robin Shacket at clubservices@NPSLsoccer.net on requests for travel expenses and hotel. Please escalate to Robin Shacket if there is no response / acknowledgement from the team within 24 hours.

Game fees are the responsibility of the home team and are paid at the end of the match - after referee's completion of a full examination of the Game Report and required corrections / clarifications. The Referee shall not release the Game Reports to the teams until the Game Fees and Expenses (if any) have been paid. It is important for officials to provide any travel expense request to the home team administrator upon arrival at the match so that the team has time to prepare the exact amount of reimbursement due to the officials at the end of the match.

Travel and game fees for the National Semi Finals and Championship match will be covered by the league office.

NPSL Handbook Addendum

Supplemental Match Reports

The supplemental match report is an important part of the referee crew's job. Without a complete description of send-offs and dismissals, the relevant governing committee cannot make informed decisions when it comes to suspensions and fines. To aid officials in the construction of the report, US Soccer has a summary of the important elements in their Advice to Referees. Section 5.13, which is included below, outlines items to address.

In the description of the event, it is vital to provide details so that the reader has a clear understanding of what transpired. As part of this then, it should describe the distances traveled, how long the action took place, what was said, visual actions of a player or bench personnel, and preventative actions taken by the officials.

Additionally, information is needed about the person who suffered the action leading to the opponent's misconduct. This includes: Who was the player? Where on their body was the impact? Did they suffer an injury? Did they receive treatment? Were they able to continue playing or did they leave the game then or later in the match due to the injury suffered?

For example:

In the 78th minute, John Smith, #99 of the Falcon's was sent-off for serious foul play. While attempting to challenge for the ball in front of his team's bench, he struck the Spirit's #8, Dave Davies with his cleats. Mr. Smith lunged from a distance of about three yards with a straight leg, catching Mr. Davies in the left thigh with his studs. A foul was immediately whistled and the referee and fourth official intervened to prevent mass confrontation by the players. A red card was shown and Mr. Smith left the field without incident. Mr. Davies received treatment from the trainer and continued playing. Approximately eight minutes later, Mr. Davies was substituted from the game due to this injury.

With a description containing such details, the NPSL disciplinary committee can contact the Spirit's team to inquire as to Mr. Davies' health and then come to an informed decision upon the length of suspension for Mr. Smith.

The NPSL has our own match report that the teams must submit after being signed by the coaches and center referee. This report reflects the rosters, score, misconducts, substitutions among other data. Both this report and the referee's match report should be reviewed by all members of the referee team. By signing and submitting the reports, the referees state that the information is correct. Each of these documents serves a purpose so detail and accuracy is imperative.

US Soccer Advice to Referees - 5.13 Match Reports and Misconduct

Although all aspects of the referee's match report must meet high standards of clarity, accuracy, brevity, and pertinence, those sections involving misconduct require special attention, and reporting on acts of misconduct leading to a send-off merit the highest concern. In order for disciplinary committees to evaluate serious misconduct, match reports must start with:

- The name of (and additional identifying information for) the player who was sent off.
- The time of the send-off, and
- The specific reason in the Laws of the Game for the send-off (Law 12). In addition, however, the referee must supply sufficient detail regarding the circumstances of the misconduct to aid in evaluating its level of seriousness. Among the factors that should be addressed, where relevant, are:
 - Whether the action occurred during a challenge for the ball.
 - Whether the misconduct occurred at a stoppage of play or during play.
 - If anyone was injured as a consequence of the misconduct.
 - Whether there was any prior incident that may have led to the player's actions.
- The demeanor of the player during the send-off (including any difficulties in implementing the player's removal from the field).
- The location of the action in relation to the goal line and penalty area being attacked at the time.
- The subsequent intrusion of any other players (teammates or opponents) during the time the referee is managing the send-off.
- The specific words or gestures which were determined to be insulting, offensive, or abusive.
- The identity of the opponent or official toward whom the misconduct was directed.
- A summary of the prior misconduct (or a reference to the section of the report which detailed the prior caution) preceding the second caution for which the player was sent off.
- The identity of the assistant referee, fourth official, or reserve assistant referee who provided independently observed facts to the referee regarding the misconduct.
- All other details of the action which materially shaped the decision to send the player off.

Match reports provided independently by assistant referees or fourth officials should follow these guidelines as well.

When a player commits more than one form of misconduct at the same time (e.g., dissent and abusive language, denial of an obvious goal scoring opportunity and serious foul play, delaying the restart of play and failure to respect the required distance), the referee can use only one as the official reason for the caution or send off.

The reason given should reflect whichever act of misconduct is considered the most serious. However, all misconduct committed by a player must be noted in the referee's report, including any behavior in addition to the official reason for the caution or send off.

1. **Score:** Goals must be assigned to a player to be added to the final score. Goals and “Own” goals scored by the opposing team will be added to the total goals count for a team. The final score consists of goals, “own” goals from the opposing team, and penalty kicks.
2. **Player Attendance Check-In:** You must mark players as “attending” the game for those who have participated in order to add game stats. You can check and uncheck all player as “attended” using the “Select All as Attended” checkbox, or check the box for each player individually to the far right of the player’s listing.
3. **Player Game Stats:** To add stats to a player, click on their name to expand the details below. This will allow you to add the player’s:
 - a. Roster Status
 - b. Minutes Played
 - c. Substitution – Minute In
 - d. Substitution – Minute Out
 - e. Cautions
 - f. Send Offs
 - g. Goals – including Penalty Kicks and Own Goals

These game stats will display in the row for each player, so as you expand and collapse player details, you’ll always be able to track the information you’ve added to the Game Report.

4. **Adding Game Day Players:** To add players not listed on the roster, click the **Add new game day player** link below the roster list. Please **search** for the name of an approved existing NPSL player. Upon finding the player, click the blue plus sign to add the player to the Game Report.
