Changes for the 2012 U.S. Open Cup Tournament

The following list highlights the changes made for the 2012 Lamar Hunt U.S. Open Cup Tournament:

- Home teams starting with the First Round until the Quarterfinal Round will be determined by random selection from among those clubs who have applied to host and meet the minimum venue requirements (see page 8). This method replaces the sealed bid process.
- The method for determining Hosting Fees from the First Round until the Quarterfinal Round has changed (see the Home Game Revenue Report Form on page 34). Fees for each match will now be set at 15 percent of the gross gate above \$100,000 plus \$12,000 for Third Round games, \$18,000 for Fourth Round matches and \$25,000 for Quarterfinal contests.
- First Round matches will be determined by pairing teams geographically (see page 6).
- The tournament hosts the largest field of teams (64) in the competition's modern era (1995 to present), eclipsing the previous record of 42 (set in 2005 and 2006). See page 5 for the allocation of slots among the various divisions and a list of participating teams.
 - All Division I, II and III professional clubs will participate in the tournament proper for the first time in the competition's modern era, resulting in the largest field of professional teams (32) over this same period (surpassing the previous record of 28 set in 2000 and 2001).
 - The expansion also results in the largest number of amateur teams (32) in the tournament proper in the modern era, exceeding the previous record of 21 set last year.
 - The 24-team overall expansion from 2011 is the largest single-year increase in the modern era.
- Minimum standards for home venues will now be enforced starting with the First Round (moving up from the Third Round... see page 21).
- The First Round of the tournament will take place May 15, four weeks earlier than the traditional mid-June start of the last decade.
- The Final will be held either August 7 or 8, the earliest date for the Final since 1994 (the last year before modern-day professional teams entered the competition). The earlier conclusion is meant to help teams also competing in the 2012-13 CONCACAF Champions League avoid overloaded schedules.

2012 U.S. Open Cup Competition Format

The 2012 U.S. Open Cup Competition will be conducted on a single-elimination, one-game-knockout basis utilizing a tiered-bracket format (63 games—see the tournament bracket on the following page).

Each team will be matched with an opponent according to the following provisions:

- First Round (32 Adult Council category teams): Teams will be paired geographically with the restriction that teams from the same qualifying pool (e.g. USASA regional qualifiers, PDL, NPSL, etc.) cannot be paired with each other. In the event that three or more teams are from the same proximity, pairings for these teams will be made by random selection.
- Second Round (16 First Round winners vs. Division II/III clubs): After each First Round pairing has been determined, each team entering in the Second Round (Division II/III clubs) will be matched on a geographic basis to play the winner of a specific First Round pairing. Instances where a logical geographic fit doesn't exist will be resolved by random selection.
- Third Round (16 Second Round winners vs. Division I [MLS] clubs): After each Second Round pairing has been determined, each team entering in the Third Round (MLS clubs) will be matched on a geographic basis to play the winner of a specific Second Round pairing. Instances where a logical geographic fit doesn't exist will be resolved by random selection.
- Fourth Round (16 Third Round winners face each other): After each Third Round pairing has been determined, each Third Round pair will be matched on a geographic basis with another Third Round pair to determine the Fourth Round possibilities. Instances where a logical geographic fit doesn't exist will be resolved by random selection.
- Quarterfinal (Fifth) Round: After each Fourth Round pairing has been determined, each Fourth Round pair will be matched on a geographic basis with another Fourth Round pair to determine the Quarterfinal Round possibilities. Instances where a logical geographic fit doesn't exist will be resolved by random selection.
- Semifinal Round: After each Quarterfinal Round pairing has been determined, each Quarterfinal Round pair will be matched on a geographic basis with another Quarterfinal Round pair to determine the Semifinal Round possibilities.
- General Provision: Pairings will be arranged to prevent the possibility of a lower division team playing a parent club (e.g. Chicago Fire PDL [PDL] will not be pitted against the Chicago Fire [MLS], should both teams be in the competition in the same round) except for the Championship Game.

2012 U.S. Open Cup Process for Determining Home Teams

General Steps and Provisions:

- A team interested in hosting must name its possible home venues (limited to two) by submitting a Venue Declaration Form by the published deadline. The form is based on the stadium requirements set forth in the U.S. Open Cup Policy Manual.
- After receiving the list of possible venues, the Open Cup Commissioner makes a determination on the ability for venues to meet the requirements.
- If the team originally designated as the home team cannot host for whatever reason, the game will automatically revert to the opponent's home.
- Unless for reasons of force majeure, if the team originally designated as the home team cannot host after declaring that they could, they will be declared ineligible for the visiting team travel reimbursement from U.S. Soccer.
- Teams will be given until 5 p.m. CT one week prior to the date of the previous round of the tournament to come to any agreement (and provide signed documentation to U.S. Soccer) to switch the home site of a game from one team to the other in the event that the two are to meet. (Example: Winner of Team A vs. Team B is to play winner of Team C vs. Team D in the Quarterfinals, with A vs. B winner pre-selected to host. Team C may negotiate a contingency agreement with Team A, Team B or both to have the Quarterfinal venue switched to its stadium, should Team C advance. Team C, however, has until one week prior to the Round of 16 to finalize such an agreement.)

First through Quarterfinal Rounds:

- Prior to the published deadline, each team who might compete in the First and/or Second Rounds declares whether they desire to host in each of these rounds using the Home Game Application Form (First and Second Round Games Only). Through this form, the applicant names a specific home venue for each game. The venue must be confirmed to be available for the match date in question and available for the following date in the event a rescheduled match is required. Similarly, each team who might compete in the Third, Fourth and/or Quarterfinal Rounds declares their desire to host by using the Home Game Application Form (Third, Fourth and Quarterfinal Round Games Only), due prior to First Round.
- First Round matches and Second Round possibilities will be determined shortly after the qualifying deadline. Third Round possibilities will be set after the First Round has taken place (i.e. once Second Round matches are fixed), Fourth Round possibilities will be identified after the Second Round has taken place (i.e. after Third Round games are finalized), and so on.

First through Quarterfinal Rounds (Continued):

- Initially with the first two rounds, the Commissioner will conduct a random draw or coin flip to determine the host for each game if: a) both clubs in a match have submitted a Home Game Application Form by the deadline; and b) their respective venues have both been deemed suitable to host. This process will be repeated as possible matches are determined for succeeding rounds up to the Quarterfinals.
- Hosts for the First Round and Second Round possibilities will be named through the Initial Pairings Announcement (see competition calendar for planned announcement date). Possible hosts for subsequent rounds will be announced once they become known.
- Hosting Fees: Each home team is obligated to complete and submit a Home Game Revenue Report Form (found elsewhere in this Handbook). The form, along with any resulting Hosting Fee, is due within seven (7) days following each match hosted. Any team that does not submit payment and/or required documentation in a timely fashion may incur sanctions and/or other penalties imposed by the Commissioner, including a possible ban on hosting future matches until accounts are current.

Semifinals and Final:

- For the Semifinals and Final, U.S. Soccer will distribute Requests For Proposal midway through the tournament to teams still in contention wishing to host at their home venue and to other parties interested in hosting at neutral venues.

2012 U.S. Open Cup Awards & Prize Money

U.S. Open Cup Champion	\$100,000.00
U.S. Open Cup Finalist	\$50,000.00
Division II team* that advances the furthest	\$10,000.00
Division III team* that advances the furthest	\$10,000.00
Amateur team* that advances the furthest	\$10,000.00

The U.S. Open Cup champion will be awarded a 2012 Championship Trophy for its trophy case at the conclusion of the final match. Additionally, the champion will have its team name added to the Dewar Challenge Trophy, competed for annually since 1912 and symbolic of the U.S. Open Cup champion since 1914. The players from the winning team and the runners-up will be presented with gold and silver 2012 Open Cup medals, respectively. U.S. Soccer may elect to award players from the winning team with championship t-shirts which are to be worn during the trophy presentation.

*If two or more teams advance to the same round, the following order of steps will be used to determine which single team will be awarded the prize money:

1. Team with the most victories against opponents from three divisions higher
2. Team with the most draws against opponents from three divisions higher
3. Team with the most victories against opponents from two divisions higher
4. Team with the most draws against opponents from two divisions higher
5. Team with the most victories against opponents from one division higher
6. Team with the most draws against opponents from one division higher
7. Team with the most victories against opponents from same division
8. Team with the most draws against opponents from same division
9. Team with the most overall victories
10. Prize money to be divided equally among the teams

For the purpose of this procedure, a game that ends with kicks from the penalty mark to determine the team advancing to the next round is recorded as a draw. Additionally, should a Division II, Division III or Amateur team advance to the final match, the Champion and Runner-Up prize money will be awarded in lieu of the \$10,000 divisional prize.

(a) The Open Cup shall have the following categories of competition: (1) Adult Council category; (2) Division III Outdoor Professional League Team category; (3) Division II Outdoor Professional League Team category; and (4) Division I Outdoor Professional League Team category. All professional outdoor teams registered and competing in a professional league shall be required to enter the Open Cup competition annually. A youth amateur team applying to compete shall compete through the Adult Council category.

(b) The Open Cup Committee shall determine procedures for competition within each category of competition and among the categories, the order of competition among the categories, the number of winning teams within each category that are to advance to the next round of competition, dates of Cup matches, and other matters, to provide for the fair and orderly determination of an Open Cup champion each year. The Committee may authorize the organization or organizations within a category of competition to establish procedures for determining the winners within that category of competition. If the Committee so authorizes, the organization or organizations must submit its procedures to the Committee by a deadline established by the Committee for prior approval by the Committee.

Section 202. Team eligibility

To enter the Open Cup, a team must be an outdoor soccer team of a club or league of an Organization Member of the Federation. The team must be playing in a regular club or league competition of at least 4 teams and the competition must consist of at least 10 matches each fiscal year.

Section 203. Player eligibility

(a) Teams entering the Open Cup shall use their official league roster as their Open Cup roster. Except as specified in this Policy or except as the result of discipline matters imposed by U.S. Soccer, all players on an official league roster will be eligible for Open Cup competition, regardless of any status (e.g. injured reserve) each player may have with regard to league competition. Players on loan from another team or league may not be included on an Open Cup roster, with the exception of the following: 1) Loaned players originating from teams competing in leagues that are not active participants in the Open Cup Tournament or qualifying process (professional indoor leagues, foreign clubs, etc.); or 2) players on loan from other US clubs for a period of greater than 90 days. A team may list up to 18 players on its game day roster. Professional teams may have no more than 5 foreign players listed. Amateur teams are not restricted as to the number of foreign players they may list. Foreign players shall be those players who are not protected individuals as defined in 8 U.S.C. § 1324b (e.g. U.S. Citizens, lawful permanent residents, asylees and refugees).

(b) Two weeks prior to the first Open Cup Round in which a team participates, that team shall submit to the Open Cup Commissioner its Open Cup roster, together with additional player information that has been requested by the Commissioner. A team's Open Cup roster shall not be frozen at any time during the competition. For Open Cup matches, a team may add players to or drop them from its league roster under the league rules currently in place. Any changes to a team's roster must be communicated to the Open Cup Commissioner and all clearances obtained, including approval from U.S. Soccer's player registration department, no later than 24 hours prior to any Open Cup match.

(c) Except as otherwise provided in subsection (d) of this section, any player who plays in any part of an Open Cup match for a team, may not be included in the Open Cup roster or play for any other team in the Open Cup competition for that year.

(d) A player of a team competing in the Open Cup Adult Council category that participated in any part of an Open Cup match for that team who is properly registered on, or transferred to, a team in the Open Cup Professional Division category, is eligible to be included on the Open Cup roster of that Professional Division team and play for that Professional Division team. In doing so, the amateur player that participates with a Professional Division team loses Open Cup eligibility with that Adult Council team for the remainder of that year's competition.

(e) If any team plays an ineligible player in an Open Cup match, that team is subject to fines or other penalties, including game forfeiture, as determined by the Adjudication and Discipline Panel.

Section 204. Entering the Cup

(a) To compete in the Open Cup, a team must apply each year, on a form provided by the Federation, and pay an entry fee with the application for each year the team enters the competition. The entry fee shall be paid by cashier's check or money order made payable to "USSF". The application and entry fee must be submitted to the Federation by the deadline established by the Open Cup Committee. The Committee may establish different entry deadlines for different categories of competition.

Section 204. Entering the Cup (cont.)

- (b) The annual Open Cup application fee shall be as follows:
- | | |
|--|-------|
| (1) Each Adult Council team | \$200 |
| (2) Each Division III Outdoor Professional League team | \$350 |
| (3) Each Division II Outdoor Professional League team | \$550 |
| (4) Each Division I Outdoor Professional League team | \$650 |

PART III — PLAYING RULES

Section 301. FIFA Laws of the Game

FIFA Laws of the Game apply to Open Cup competition matches. If changes to the Laws are adopted in a year to be effective after matches are first played between the Adult Council and Division III Outdoor Professional League teams, those changes will apply to the Open Cup competition for that year beginning on the day after FIFA gives permission to apply those changes to the competition or beginning with the matches between the Adult Council and Division III Outdoor Professional League teams, whichever is later.

Section 302. Player uniforms

(a) When the uniforms of 2 competing teams are similar, as determined by the referee, the visiting team shall change its uniform.

(b) A clear visible number, at least 8 inches high, must be worn on the back of each player's jersey. Each player on a team must wear a number different from the numbers of the other players on the same team.

Section 303. Match play

(a) Each team will be allowed to select not more than 18 players from its official league roster who shall be designated for its match day roster. No later than 60 minutes prior to the start of the match, each team will provide to the referee and the other team a match day roster designating not more than 11 starting players and the other players (not more than 7) as the pool of players from which substitutions may be made. A team may use not more than 3 substitutes from its match day roster. Once a player leaves the match and is replaced by a substitute, the player leaving may not re-enter the match. A player originally selected for the match day roster of up to 18 who is deemed not able to play may be replaced prior to kickoff by another player on the team's official league roster with the consent of the referee and will not be eligible to compete in the match in which he was replaced. The replacement of such a player (if originally listed as a starting player) shall not reduce the number of substitutions available to his team. The referee shall communicate any such change to the opposing team.

Section 303. Match play (cont.)

(b) Each match shall be comprised of two 45-minute halves, with a halftime interval not to exceed 15 minutes. If the match is tied at the end of the second half, there will be a five-minute break followed by two 15-minute overtime periods, with a one-minute interval between periods for teams to change ends of the field. If the match is still tied at the end of the two overtime periods, the winner will be decided by kicks from the penalty mark as described in the FIFA Laws of the Game. If, in the opinion of the Match Commissioner, there may not be sufficient light to safely complete both overtime periods and kicks from the penalty mark, the Match Commissioner (in consultation with the referee) may shorten the overtime periods by equal amounts, shorten the break between regulation and overtime periods, and/or cancel the overtime periods entirely. Such a decision must be made and communicated to the teams no later than the start of the first overtime period.

(c) The referee will keep the official time of the match. However, the scoreboard shall count up from 00:00 to 45:00, if possible.

(d) The team or the Federation hosting the match shall provide the ball for the match. In the event that the game is to be televised, the Federation may elect to provide the ball.

(e) Each team shall have no more than 7 players and 7 coaches or team officials in its Technical Area. The name of each coach and team official shall be included on the roster sheet provided to the referee before the match.

Section 304. Match officials

The Federation will assign all match officials, and determine the amounts of compensation for them, for all Open Cup matches except Adult Council matches held before Adult Council regional Open Cup competition.

Section 305. Player and team official match discipline

(a) In addition to red and yellow cards the referee may issue to players and substitutes at a match, the referee may also warn coaches and other team officials for inappropriate behavior and may dismiss them from the area of the field. Each caution or send-off of a player or substitute and each warning or dismissal of a coach or other team official shall be included in the referee's game report. For purposes of this policy, a warning to a coach or team official shall be equivalent to a caution and a dismissal equivalent to a send-off.

(b) If any individual referred to in subsection (a) is issued--

- (1) a red card, including a red card as the result of being issued 2 yellow cards in the same match, the individual shall be suspended for at least one Open Cup competition match; and
- (2) each multiple of 3 yellow cards in Open Cup competition in one year (excluding 2 yellow cards received in the same match resulting in a red card), the individual shall be suspended for at least one Open Cup match.

Section 305. Player and team official match discipline (cont.)

(c) A suspension shall be served by the individual at the next Cup match or matches of the team of that individual. If the individual has no remaining Cup matches during the year, the suspension shall be served at the following year's Open Cup competition's matches first played.

(d) The Open Cup Commissioner shall review the circumstances concerning all red and yellow cards issued. If the Commissioner believes that the actions of the individual receiving the card or cards should be further reviewed to determine if a greater penalty than the minimum penalty should be imposed, the Commissioner will refer the matter to the Adjudication and Discipline Panel for further consideration. The Panel shall review a card matter referred to it and may impose a longer suspension period or impose a fine, or both.

Section 306. Protests and General Discipline

(a) A protest related to an Open Cup match must be filed in writing with the Open Cup Commissioner not later than 5:00 p.m., CT, the day after the match, (faxed to 312-808-9295). A cashier's check or money order for \$500 made payable to "USSF" must be received by the second business day after the match. The Commissioner shall immediately refer the protest to the Adjudication and Discipline Panel for decision.

(b) Anyone may file a complaint with the Panel about an action or inaction of an Open Cup team, individual, or group or organization participating in the Open Cup competition. The Panel shall determine if the conduct complained of is or would be contrary to the good of the game. The Panel shall take action it considers appropriate in regard to anyone involved in the complaint as provided by subsection (c) of this section.

(c) Except for overturning match results, the Panel may take any action it considers appropriate, including suspension or fine, or both, for any matter considered by it under this policy. The Panel may only consider mandating a replay of a game or advancing a team that lost if a protest has been filed. The Panel may also consider dismissing a team advancing to the next round of competition and awarding a victory via forfeit to the dismissed team's scheduled opponent if either a protest or a complaint has been filed. The Panel may exercise discretion in cases where a team submits a protest to the Commissioner after the deadline has expired in the event that circumstances regarding the availability of information after the deadline warrant this discretion.

(d) A decision of the Panel under this policy is final and binding unless appealed to the Open Cup Committee. An appeal of a decision of the Panel must be filed in writing with the Open Cup Commissioner not later than 5:00 p.m., CT, of the day after receiving the decision of the Panel, accompanied by a check or money order of \$500 made payable to "USSF". The record on appeal is limited to the record before the Panel. A decision of the Committee about the appeal is final and binding.

(e) A party subject to a decision of the Panel or the Committee under this policy may not resort to the courts or other means for relief or restitution from the Federation. As a condition to entering or otherwise participating in the Open Cup, teams, players, and other individuals agree not to seek resort to the courts or other means for relief or restitution from the Federation.

Section 306. Protests and General Discipline (cont.)

(f) Where the matches are played solely under the auspices of, and delegated to the Adult Council and/or an Outdoor Professional League team, such as in any qualifying matches prior to Round 1 of the Open Cup, the protest or grievance shall be referred to the appropriate Council or Member's Competition Authority and shall be determined according to the Competition Authority's, Bylaws, Rules, Policies and Procedures then in effect.

Section 307. Forfeiture or failure to appear

If a team forfeits or fails to appear timely for a match, the team forfeits the match and must pay a fine that is at least equal to 3 times the entry fee of that team. The Adjudication and Discipline Panel shall determine the amount of the fine.

Section 308. Cancelled and Terminated Matches

(a) Only the Match Commissioner may declare a match cancellation. The Match Commissioner must consult with the teams' General Managers, the referees and a U.S. Soccer representative before any game may be cancelled.

(b) Every attempt shall be made to play the match irrespective of how long the delay. Postponements shall be considered only in extreme situations, such as those that are beyond the control of the participating teams or could endanger the safety of the participants and spectators.

(c) If a match is cancelled because of weather or other act of God, the match must be rescheduled for the next day unless mitigating circumstances prevent this. In the event that the game cannot be rescheduled for the next day and the teams involved cannot within 24 hours of cancellation reach agreement on a new match date that is within 7 days of the originally scheduled date, the Commissioner will set the date.

(d) If a match is terminated after the end of the first half of a match, but before the end of the second half with one of the teams winning, and the termination is not due to the conduct of one of the teams, the match is considered complete, and the team winning at the time of the termination shall be the winner.

(e) If a match is terminated prior to the end of the first half or is otherwise tied at the time of termination, and the termination is not due to the conduct of one of the teams, the match shall be replayed in its entirety on the rescheduled date.

(f) If a match is abandoned because of the conduct of a team in the match, the other team shall automatically be awarded a win and the team engaging in the misconduct shall be awarded a loss. If a game must be abandoned due to the misconduct of both teams, the referee will file a complete report and the status of the game will be decided by the Open Cup Commissioner. The Commissioner will immediately refer the matter to the Adjudication and Discipline Panel for a recommendation before issuing a decision.

Teams who apply to host implicitly agree to fulfill the staffing and operational requirements for hosting as detailed in this section of the Handbook. **If your league has declared your team or facility exempt from any of the minimum standards for regular season play, this does not mean that the team or facility is exempt for Open Cup matches.** The Open Cup Commissioner has the authority to waive or modify the stadium requirements for good cause, or may place additional requirements for hosting an Open Cup game. **Teams that violate these minimum requirements will be subject to fines and/or match forfeiture.** U.S. Soccer match commissioners, appointed by U.S. Soccer to observe and inspect the activities of a particular match, will enforce these requirements.

The fee and a report (see form on page 34) detailing the fee's calculation will be due within seven (7) days following the event, regardless of any circumstances (e.g. stadium has not yet settled with home team). PLEASE FAX COMPLETED FORM TO 312-808-9295 or SCAN/E-MAIL TO opencup@ussoccer.org

DEADLINE: MONDAY, APRIL 30, at 11 a.m. Central Time

OVERVIEW:

Any team who may participate in the First and/or Second Rounds who wishes to host must complete and submit this Home Game Application Form by the deadline listed in the instructions. For each round applied for, the applicant must nominate a specific venue whose availability on the scheduled match date and the following date (in the event a rescheduled match is required) has been previously confirmed. A team may only choose from among those venues named on the team's Venue Declaration Form.

CONSIDERATION FOR ALTERNATE DATES:

For the Second Round, a team can petition U.S. Soccer to request a change of match dates upon mutual consent of the participating teams. Only for exceptional circumstances will U.S. Soccer consider a request for a new match date that is later than the date already established for the round. Date change requests must include documentation from each of the participating teams agreeing to the date change. Any incremental costs incurred to accommodate the change of dates (i.e. incremental travel costs for the referee crew or Match Commissioner, etc.) must be covered by the team that initially proposes the request.

Teams requesting a date change for the Second Round must do so no later than 48 hours prior to the start of the previous match. U.S. Soccer strongly encourages such agreements between the participating teams be arranged as early as a week prior to the previous match, with the formal request sent to U.S. Soccer at that time. (We suggest separate contingency agreements with each possible opponent). This would allow for the maximum amount of time to arrange logistics and market the event.

U.S. Soccer will make best efforts to approve date change requests. All documentation should be faxed to **312-808-9295**.

INSTRUCTIONS:

1. Complete the team and contact information on the form (please PRINT or TYPE).
2. Indicate which round(s) of the competition the team wishes to host by nominating a venue for each stage. A team may only choose from among those sites named on the team's Venue Declaration Form.
3. Submit the form so that U.S. Soccer receives it by **MONDAY, APRIL 30, at 11 a.m. Central Time**. Form can be faxed to **312-808-9295** or scan/e-mailed to opencup@ussoccer.org. Each team submitting this form implicitly agrees to fulfill the responsibilities listed on pages 24-25 of this Handbook.
4. Each team who does not submit this form by the deadline will not be eligible to host games in the First or Second Rounds of the 2012 Open Cup.
5. In the event that the venue nominated does not meet ALL of the Stadium Requirements, the team should complete the form in the event that the opponent's stadium also does not meet some of these same requirements.
6. A team may adjust until the deadline any Home Game Application Form initially submitted.
7. **Each team submitting this form is obligated to complete and submit a Home Game Revenue Report Form (see page 34 of this Handbook) following each match hosted. The form, along with any resulting Hosting Fee, is due within seven (7) days following the event. Any team that does not submit payment and/or required documentation in a timely fashion may incur sanctions and/or other penalties imposed by the Commissioner, including a possible ban on hosting future matches until accounts are current.**
8. Any team that withdraws its Home Game Application Form after the deadline, unless for reasons of force majeure, will not be eligible for reimbursement of visiting team travel expenses.
9. Please include a correct e-mail address. Much of the tournament information will be sent via e-mail.

2012 U.S. Open Cup Travel Arrangement Policy

1. When your team has been designated as an “away” team and your opponent has been announced, it is your responsibility to coordinate all travel arrangements at the lowest cost possible. All teams must contact Anthony Travel to obtain a quote for airfare, should flights be required (Grace Heijman: phone 310-630-2264 or email graceheijman@anthonytravel.com; Amy Rogers: phone 310-630-2284 or email amyrogers@anthonytravel.com). The budget code for the 2012 competition is “S-31”. Air travel arranged through Anthony Travel will be billed directly to U.S. Soccer and is subject to approval by the Open Cup Commissioner.
2. Fax a complete itinerary and budget to U.S. Soccer (using the form on the following page) within two business days after the match has been arranged. The Open Cup Commissioner must approve the itinerary and all expenses in advance. Include flight information and fares, the hotel you will be staying at and the cost per room (including taxes), per diem, and ground transportation costs. Contact the home team, who can help identify and secure reasonably priced and adequate hotel accommodations and ground transportation, if necessary. Fax this information to 312-808-9295 or scan/e-mail the forms to opencup@ussoccer.org. U.S. Soccer will not reimburse anything over the allotted amount per round. **Any waivers of this policy or the reimbursement limits require the written approval of the Commissioner.**
3. After the match has been played, complete the 2012 U.S. Open Cup Travel Reimbursement Form, attach all **original** receipts, and mail it to U.S. Soccer, Attn: Open Cup. U.S. Soccer must receive the form and receipts within fourteen (14) days of the Open Cup match. Your expense report will be processed and you will receive a reimbursement check shortly after U.S. Soccer receives the monthly statement from Anthony Travel documenting any airfare expense arranged through them (this sometimes takes 30-60 days). **Teams that do not fulfill these requirements will experience reimbursement delays or loss of reimbursement.**
4. Teams expensing meals at the per-diem rate should submit to U.S. Soccer the original sheet containing the signatures of each member of the traveling party receiving per-diem money, the amount each receives and the time period covered.
5. Separate reimbursement forms must be used for each game.
6. A traveling team who initially applies to host its match and subsequently withdraws its application after the application deadline will not be reimbursed for travel expenses unless the withdrawal is due to reasons of force majeure.

2012 U.S. Open Cup Travel Reimbursement Limits

First Round through Semifinals: U.S. Soccer will reimburse airline, hotel, meals and ground transportation for the visiting team (if necessary) not to exceed \$8,000 per team (based on 20 people per team, 11 hotel rooms [including bus driver] not to exceed 2 nights, and meals not to exceed two days at \$35 a day for each person [\$8 breakfast, \$12 lunch, \$15 dinner]).
