## ABOUT THE COMMISSIONER

---

### Deane R. Beman

Born: April 22, 1938

Birthplace: Washington, DC

Family: Wife, Judy; five children

Entering his 12th year as Commissioner of the PGA TOUR, Deane R. Beman has overseen the most explosive period of growth in the TOUR's history, since succeeding Joseph C. Dey, Jr., on March 1, 1974.

During the Beman administration, the "business side" of the PGA TOUR has shown dramatic growth and now includes many heretofore uncharted paths, each designed to help encourage continued prosperity and to ensure the future of the game.

PGA TOUR Investments, Inc., though still in its relative infancy after just three years, has already grown to include 13 "Stadium Golf" facilities nationally. In addition to providing state-of-the-art tournament golf arenas, Tournament Players Clubs have been instrumental in the growth of PGA TOUR assets, which have climbed from \$730,000 to more than \$24 million during the Beman era.

PGA TOUR Properties, the joint marketing venture to the TOUR and PGA of America, continues to make steady progress in its quest to open new opportunities in golf for commercial sponsors and the TOUR's members.

PGA TOUR Productions, being introduced this year, is the TOUR's first-ever in-house TV/audio-visual production entity, the creative possibilities of which are nearly limitless. The long-range goals of Productions include the ability to produce the TOUR's non-network, live golf telecasts, though a prudent step-at-a-time approach is being followed in the start-up years.

Other important innovations introduced during the Beman administration include a professional Agronomy department, the Official Statistics program, electronic Vantage Scoreboards, and the Diversified Products physical conditioning facility.

Competitively, the Beman era has witnessed the birth of the Senior PGA TOUR and Tournament Players Series, which have increased playing opportunities for professional golfers from 45 events to more than 80. Prize money has increased from \$8.2 million in 1974 to nearly \$30 million this year. The Senior Tour starting in 1980 with two events, has grown to 28 tournaments for 1985, and over \$6.2 million in prize money.

The Player Retirement Plan, inaugurated in 1983, has already contributed \$2 million toward the future benefit of active Plan participants, and larger contributions are expected in future years.

Charity, easily the TOUR's leading money winner during the Beman era, continues to benefit at a yearly record pace. Contributions by American Golf Sponsors to charitable organizations rose to another unprecedented total of \$9.4 million in 1984, up more than 20 percent from the previous year alone.

During his active years as a player, Beman established an enviable slate of accomplishments, compiling one of the great amateur records of all time. He won United States Amateur titles in 1960 and 1963 and the British Amateur championship in 1959. As an amateur, Beman was a member of four Walker Cup teams, four World Amateur Cup teams and three U.S. Americas Cup squads.

At the age of 29, in 1967, he left a prosperous insurance brokerage firm in Bethesda, MD, to join the PGA TOUR as a full-time player. During his six-year professional career, he won the 1969 Texas Open, 1970 Greater Milwaukee Open, 1972 Quad Cities Open and 1973 Shrine-Robinson Classic.

**OTHER ACHIEVEMENTS:** Won 1966 British PGA title... Won Dutch, Danish and Yomiuri (Japan) Opens once each and Victoria Open four times... Represented Great Britain on two Walker Cup and Two Eisenhower Cup teams in 1950s.

In the early part of October, 1984, the Senior PGA TOUR lost one of its most well-liked members, Mr. Guy Wolstenholme. The affable Englishman died in Nottingham, England, from cancer. He was an outstanding amateur player in and for his native country, having played on two Walker Cup and Two Eisenhower Cup teams in the 1950s. With a sparkling professional record, he joined the Senior PGA TOUR in 1982, and played well enough in just over two years to earn over \$100,000. His best finish came in the 1983 season-opening Daytona Beach Senior Classic where he was runner-up to Gene Littler. In 1984, he was able to compete only in The Vintage Invitational and the Daytona Beach Seniors Classic before illness forced him off of the Senior TOUR. He wrote the following letter to his fellow competitors in August of last year:

Now that the sands of time are running out for me, it is appropriate for me to thank you for the many letters and messages of goodwill during my illness. To all those people connected with the Senior TOUR, I want to tell you how much I enjoyed my 18 months playing the TOUR. It was one of the happiest times of my career. Have a great tournament, and may the TOUR go from strength to strength.

Yours ever,  
Guy Wolstenholme

The Senior PGA TOUR will dearly miss Guy.

# PGA TOUR MEDIA REGULATIONS

## General Regulations

The following regulations are to be followed by *all* members of the Media:

1. Remain close up against gallery ropes in such a way as to appear to be a part of the gallery at all times. An ARM BAND is necessary.
2. Players are not to be distracted during play. DO NOT interview players or ask them to pose for photographs during their round.
3. DO NOT interview players or ask them to pose for photographs during their practice sessions prior to their round except by prior arrangement with the player.
4. Do not disturb players at their 18th green and/or scoring tent until after they have checked, signed and returned their scorecards.

## Working Press Regulations

To avoid embarrassment to you and distraction to the contestants:

1. Do not walk or stand in playing areas.
2. Follow directions of marshals and other officials.
3. Do not interview during play. The leading players each day — and others requested — will be interviewed following their rounds in the Press Room interview area.

## Tape Recorder Regulations

1. All tape recorder work should be done in the proximity of the Press Room and/or Clubhouse.
2. Tape recorders are *NOT* permitted in the locker room.
3. Tape recorders are *NOT* permitted within the playing area of the golf course.
4. If an interview is to be taped in the practice areas, either the range or the putting green, it must be done by prior arrangement with the player and up against the ropes and *NOT* in the middle of the areas where it could be distracting to other players.

---

# PHOTOGRAPHY REGULATIONS

This Tournament is essentially for the players and spectators. Fair play requires that there be no noise or other distractions. The interests of all others must be subordinated to the players interests. The result of any one shot could decide the Tournament.

Only accredited photographers for RECOGNIZED NEWS MEDIA will be permitted to take pictures during the Tournament. Photography will be restricted to news use. Commercial and personal photography is prohibited (except that spectators may take pictures on practice days and during a Pro-Am).

The following regulations apply to accredited news and television photographers and motion picture cameramen as a condition of the privilege of taking pictures:

## General — All Photographers

A photographer must not ask a player to pose during a round.

If a player or an official requests that no photographs be taken in a certain situation, the request must be honored immediately, without discussion.

A camera must not be pointed at a player about to make a stroke in any manner which might tend to disturb him or distract his attention.

At the 9th and the 18th greens, photographers must not approach, delay or distract a player until he has checked, signed and returned his scorecard to the proper official. Under the Rules of Golf, a player turning in an incorrect scorecard in stroke play may be disqualified.

Cameras are not permitted in the locker room.

# Photography Regulations (Cont'd)

## Still Photographers

Only still photographers to whom arm bands have been issued will be permitted inside gallery lines. They must station themselves immediately inside such lines, and not more than an ARM'S LENGTH FROM THE LINES, so as to blend into the gallery and appear to be part of the gallery. They must not take conspicuous positions in the open.

Any photographer who violates this regulation will forfeit the right to enter gallery lines and possibly to work at the tournament.

Close-up action shots are prohibited.

All pictures must be taken at appreciable distances, as far from the players as possible and from angles which are not acute to the line of play.

Pictures, even from a distance, may not be made until the player has completed his stroke. The photographer must not release his camera shutter until the shot is made.

## Motion Picture/Videotape Photographers

Motion or videotape pictures may be taken only from *outside gallery lines* or from areas designated by the PGA TOUR. Motion pictures or videotape may be taken from such locations during a stroke.
