## HISTORY OF THE SENIOR PGA TOUR

The Senior PGA TOUR, called by many the most successful professional sports venture of the 1980s, sprang from 1979 discussions in which leading senior players expressed interest in playing several "senior" events, provided sponsors could be found and if the PGA TOUR would administer the tournaments. Prior to that time, only certain special events for tournament professionals over the age of 50 were held, most notably the Legends of Golf and the PGA Seniors' Championship.

A landmark meeting on January 16, 1980 laid the formal groundwork for the Senior PGA TOUR. Attending that meeting were Sam Snead, Gardner Dickinson, Bob Goalby, Don January and the late Dan Sikes and Julius Boros—all leaders on the All-Time Money List. Sikes was named chairman of what became known as the Senior Advisory Council, and Snead was named honorary chairman.

At that meeting, it was recognized that any senior tour would have to trade on the reputations and images made by PGA TOUR players over their long years of activity on that tournament circuit. Eligibility criteria therefore were centered around a player's position on the All-Time Money List and number of career victories.

It also was determined that such a senior tour could succeed only with a format emphasizing pro-am play. So the format for play was set with a field of 50 players (later expanded to 52) so that two rounds of pro-am play could be held, and one of those pro-am rounds could be made an official round of the tournament.

After approval of the new Senior PGA TOUR by the Tournament Policy Board of the PGA TOUR on January 22, 1980, work began on establishing events for Senior TOUR play. Two tournaments were conducted in 1980, one in Atlantic City, NJ (won by Don January) and the other in Melbourne, FL (won by Charlie Sifford).

The Senior TOUR grew steadily over the next few years, with five events in 1981, 11 in 1982 and 18 tournaments by 1983. Prize money offered for players on the 50-and-over circuit exceeded \$3 million for the 1983 season. Fellow Texans Miller Barber and Don January emerged as the dominant players. Each won two money titles in the first four years of the Senior TOUR; between them, they have won a total of 41 events. Among the other notable performers on the new circuit during that stretch was a five-time winner, Arnold Palmer.

Expansion and growth continued in 1984, with 24 tournaments worth more than \$5 million in prize money. That prompted January to state publicly, "If you'd have told me back in 1980 that we'd have this many events and be playing for this much money, I'd have said you were crazy."

By 1985, the Senior TOUR was large enough—27 events worth more than \$6 million—to merit its establishment as a division of the PGA TOUR. It became a distinct and separate operating and financial entity, with Senior TOUR net revenue going to fund a newly created Senior Player Retirement Plan. To help guide this fast-growing circuit, a Senior PGA TOUR Division Board was formed consisting of three Independent Directors, three Player Directors and the immediate Past President of the PGA of America. The Division Board later was expanded from seven to nine with the addition of another Independent Director and Player Director.

Of considerable note was the announcement prior to the 1985 season that a cable television package had been put together on ESPN, allowing seven events to enjoy national cable exposure. With the production costs partially funded by Mazda Motors of America, Mazda also helped create the Senior TOUR's first-ever, season-long bonus pool (\$300,000) and sponsored a \$1 million season-ending team event in conjunction with the LPGA.

While 1985 also saw a separate logo and licensing program developed for the Senior TOUR, on the playing front a different face dominated the scene. Australian Peter Thomson, a five-time British Open winner, won a record nine tournaments during the 1985 season and 10 events in a 12-month stretch. The last event of the year, however, was won by a new senior entry, Gary Player.

The following year, two-time Vardon Trophy winner Bruce Crampton took top honors, with seven Senior TOUR victories from the 28 tournaments on the schedule, while rookies Chi Chi Rodriguez and Dale Douglass finished second and third, respectively, on the final money list.

The start of the 1987 season marked the entry of another major corporate sponsor, as the Vantage brand of R.J. Reynolds Tobacco Company introduced its Vantage Program to the 35-event senior circuit. The Vantage involvement included a \$1 million, season-long team points competition called the Vantage Cup; sponsorship of the first \$1 million tournament on the Senior TOUR, called the Vantage Championship; sponsorship of a series of major Vantage tournaments; sponsorship of a Super Seniors competition for players 60 and older; and an advanced electronic scoreboard system.

The size of Senior TOUR tournament fields was expanded to 72 players in 1987 and, for the first

## HISTORY OF THE SENIOR TOUR

time, the pro-am portion and tournament portion of events were separated. For standard events, the two-day pro-am was held on Wednesday and Thursday, with pros only competing Friday through Sunday. That format remains in effect today.

The Senior TOUR grew to 37 events in 1988, and Vantage began sponsorship of the Senior TOUR's first-ever statistical program. Season-ending leaders in each of 10 stats categories received cash bonuses. Bob Charles, the most successful lefthander in golf history, enjoyed a record-setting year, establishing a single-season earnings mark on the Senior TOUR as he pocketed \$533,929.

Continued growth marked the 1989 season, as Senior TOUR tournament fields were increased to 78 players. R.J. Reynolds sponsored an expanded \$1.5 million championship, offered an additional \$750,000 in individual bonus money and yet another \$750,000 in bonuses to other Senior TOUR tournaments. With the RJR bonus money counting as official prize money, Charles again set the earnings pace with a record \$725,887.

In 1990, golf's "Big Four" were reunited on the senior scene. The arrival of Lee Trevino and Jack Nicklaus, together again with Palmer and Player, lifted the popularity of the Senior TOUR to unprecedented levels at the start of the new decade. The year also marked the introduction of Cadillac Motor Car Division as the umbrella sponsor for Senior TOUR cable telecasts.

Though five players surpassed the previous single-season earnings record, Trevino was the dominant 1990 performer, notching seven wins and finishing out of the top 10 only twice in 28 starts. His official earnings of \$1,190,518 not only made him the Senior TOUR's first "million-dollar man," but also the year's leading money-winner in all of golf.

The list of senior millionaires grew when Mike Hill became the second senior to top the magical seven-digit figure in 1991. Trevino did it again in 1992 and 1994. Dave Stockton and Bob Charles became the first two to earn more than \$1 million in official money in the same season, accomplishing that feat in 1993.

New faces became household names on the Senior TOUR in the early 1990s. Jim Albus, Larry Laoretti, Tom Wargo and Larry Gilbert, all former club professionals, proved they could compete with seasoned PGA TOUR veterans and pulled off surprising victories.

In 1991, PGA TOUR Productions introduced "Inside the Senior PGA TOUR" as a weekly show on ESPN and aired new programs for 39 consecutive weeks during the season.

Raymond Floyd added his own stories to the senior circuit in 1992, becoming the first player in golf history to claim a PGA TOUR and Senior TOUR event in the same season with victories in the Doral-Ryder Open and GTE North Classic.

When official prize money approached the \$30-million figure in 1994, a record six Senior TOUR players found their way over the \$1 million mark in single-season earnings. Trevino got there first, hitting the seven-figure level for an unprecedented third time in his career. Stockton followed, becoming the first to pocket more than \$1 million in back-to-back seasons. After Albus became the first former club pro to join the millionaire's club, Floyd, Wargo and Jim Colbert followed him into the elite group at the season-ending Senior TOUR Championship.

In 1995, a year that produced a record 25 different champions, Colbert earned his first Arnold Palmer Award with a single-season earnings mark of \$1,444,386. His year-long performance, keyed by a win at the season-ending Energizer SENIOR TOUR Championship, helped propel Colbert to Senior PGA TOUR Player of the Year honors, something he repeated in 1996, when he lifted the single-season earnings record to \$1,627,890. Colbert edged Hale Irwin, who made his Senior TOUR debut in 1995, by \$12,121 in becoming the first winner of consecutive Player of the Year awards.

All told, the 1996 season produced a record nine millionaires, with Stockton becoming the first on either the PGA TOUR or Senior TOUR to go over \$1 million four consecutive years.

Trevino, who became the all-time Senior TOUR victory leader with his 25th career win at the 1995 Northville Long Island Classic, increased his mark to 27 by winning the Emerald Coast Classic in 1996.

MasterCard became a major player on the Senior PGA TOUR in 1996 through sponsorship of scoreboard signage and the MasterCard Champions competition. Jimmy Powell, the first to win a Senior TOUR tournament and a 60-and-over event at the 1995 First of America Classic, repeated that performance at the Brickyard Crossing Championship. Powell was joined in 1996 by a pair of 60-year-old tournament winners, Dale Douglass at the Bell Atlantic Classic and Bob Charles, who successfully defended the title he won as a 59-year-old at the Hyatt Regency Maui Kaanapali Classic.

MasterCard also is title sponsor of the MasterCard Championship, the former Senior Tournament of Champions held for the first time in January at Hualalai, the first PGA TOUR Resort on the Big Island of Hawaii.

## THE SENIOR PGA TOUR DIVISION BOARD

The Senior PGA TOUR, formerly a department within the overall structure of the PGA TOUR, became an operating division of the PGA TOUR in October 1985. The restructuring, along with the naming of a nine-person Senior PGA TOUR Division Board, gave the Senior TOUR greater ability to deal with its particular policies, opportunities and issues.

The Senior TOUR Division Board is composed of the following:

- Four Player Directors elected by the Senior PGA TOUR membership.
- Four Independent Directors representing the public interest. One serves as Chairman of the Board.
- One PGA Director who is the Past President of the PGA of America.

A Player Advisory Council consults with the Division Board.

## ABOUT THE COMMISSIONER

### Timothy W. Finchem

Commissioner

Timothy W. Finchem became the third Commissioner in PGA TOUR history on June 1, 1994.

Finchem, 49, succeeded Deane R. Beman, who had served as Commissioner for 20 years. The late Joseph C. Dey was the first Commissioner of the PGA TOUR, serving from 1969 until 1974.

A 4-handicapper, Finchem combines a love of the game and a respect for its traditions with a vision that will carry the PGA TOUR successfully into the future. In 1995, he oversaw a restructuring designed to prepare the TOUR to move forward into the 21st century and expand golf's international horizons. In 1996, he helped establish the PGA Tours International Federation, designed to create new international events.

A graduate of the University of Virginia School of Law, Finchem began his career as an associate of the Norfolk, VA law firm of Babalas & Ermlich in 1973 and became a partner in the firm of Croshaw, Finchem and Williams in Virginia Beach, VA in 1976.

Finchem served in the White House as the Deputy Advisor to the President for Economic Affairs in 1978 and 1979, then became National Staff Director of the Carter-Mondale Presidential Campaign in 1980.

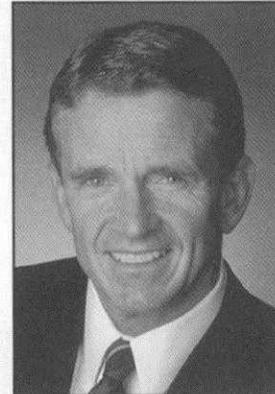

In 1981, Finchem became President of Beckel, Finchem, Torricelli and Associates before becoming co-founder of National Strategies and Marketing Group, a Washington, DC consulting and marketing firm, in 1984. He was a consultant to the PGA TOUR while with NSMG.

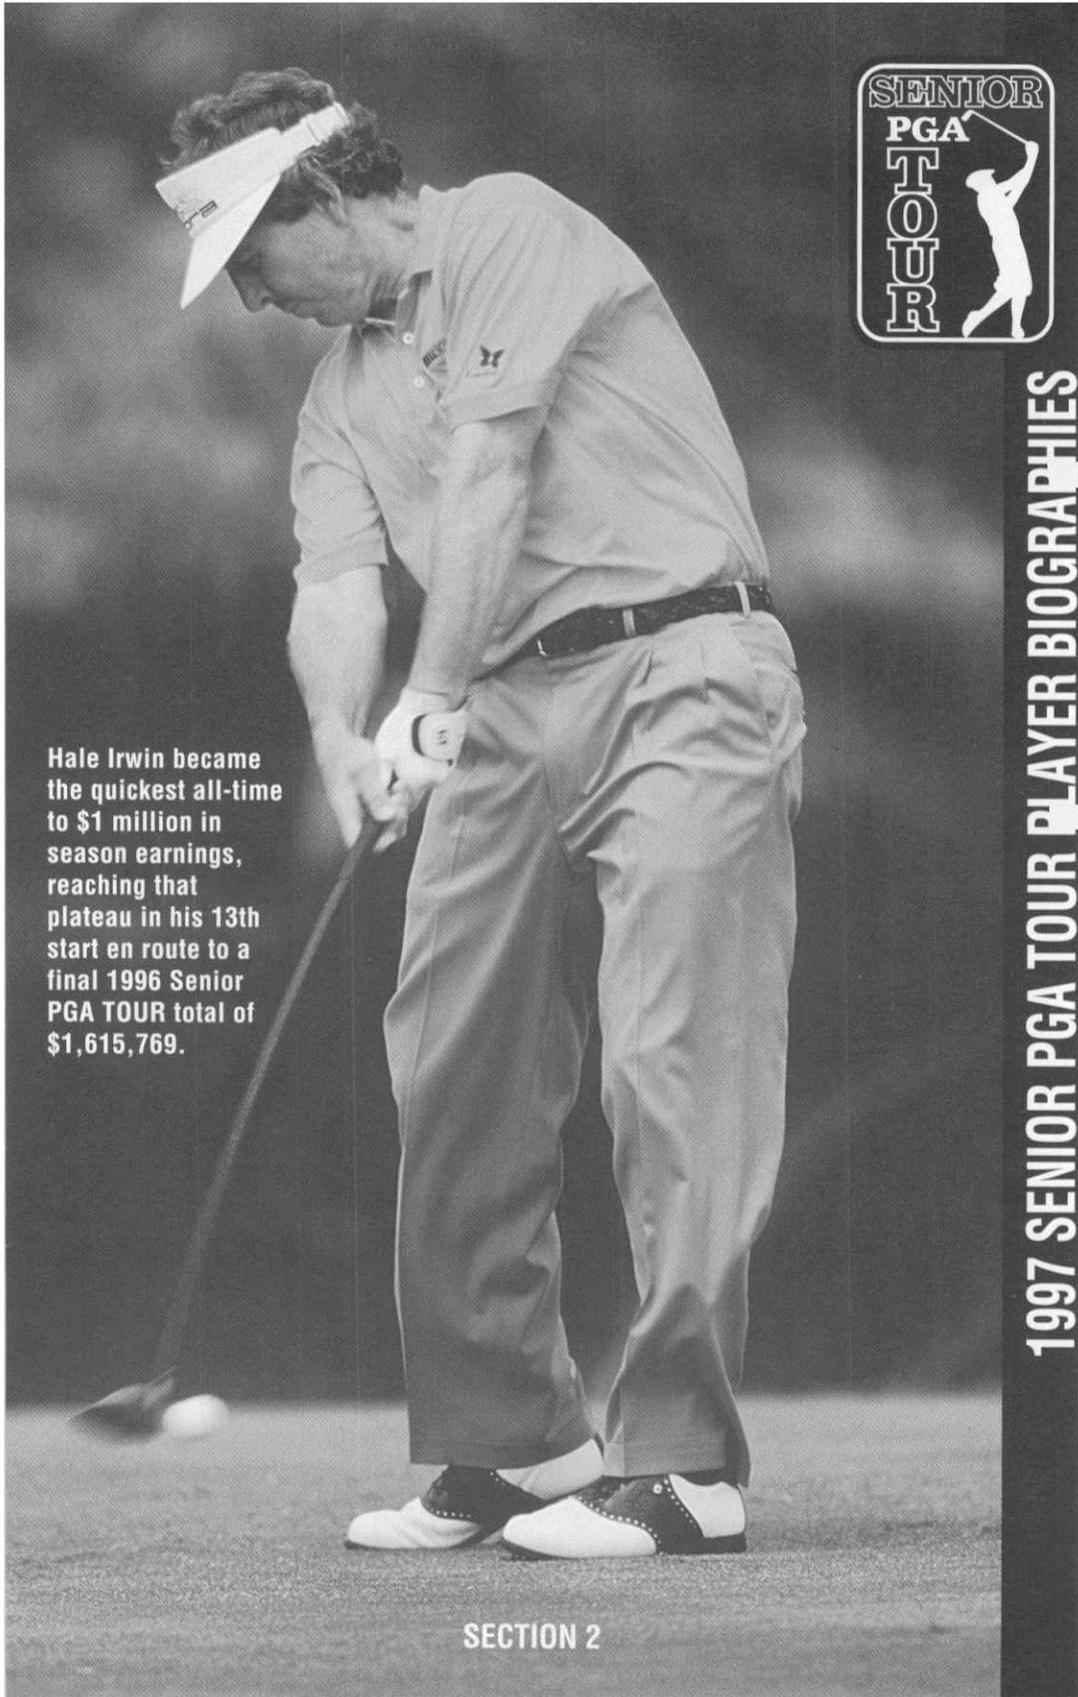

Finchem joined the TOUR staff as Vice President of Business Affairs in 1987 and became Deputy Commissioner and Chief Operating Officer in 1989.

Born in Ottawa, IL on April 19, 1947, Finchem was graduated from Princess Anne High School in Virginia Beach. He attended the University of Richmond on a debate scholarship and received his Bachelor of Arts degree from the school in 1969. He received his degree from the University of Virginia Law School in 1973.

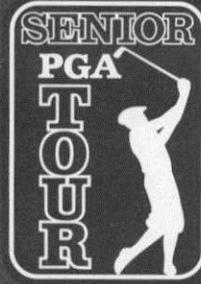

A physical fitness devotee, Finchem is a member of the President's Council on Physical Fitness.

Married to the former Holly Bachand, Finchem is the father of four. The Finchems live in Ponte Vedra Beach, FL.

Hale Irwin became the quickest all-time to \$1 million in season earnings, reaching that plateau in his 13th start en route to a final 1996 Senior PGA TOUR total of \$1,615,769.

## MASTERCARD CHAMPIONSHIP NOTES

This year's elite gathering of 1996 Senior TOUR champions features 24 players, the most ever to play in this event. In 1995, a record 25 players qualified for the season's opening tournament, but **Isao Aoki** and **Gary Player** were unable to play because of prior commitments.

**Don January, Al Geiberger** and **Jack Nicklaus** are the only three players to win the PGA TOUR's Tournament of Champions/Mercedes Championships and the MasterCard Championship in their careers.

The 1997 event will be played at Hualalai, a Jack Nicklaus-designed golf course on the Big Island of Hawaii. The facility is the first designated PGA TOUR Resort.

The 1976 MONY Tournament of Champions was **Don January's** last of 10 victories on the PGA TOUR. Ironically, the senior version of that event in 1987 also was the last of his 22 titles on the 50-and-over circuit.

The par-4 18th hole at Crandon Park Golf Course is one of the toughest finishing holes on the Senior TOUR. It ranked as the fourth hardest final hole in 1996 (4.426) after being first in 1995 (4.474) and third in 1994 (4.397).

## LG CHAMPIONSHIP NOTES

Since making his first start in Naples in 1989, two-time winner **Mike Hill** has played sub-par golf in 19 of his 22 official rounds in the southwest Florida city.

**Al Geiberger's** victory at last year's event was his first since the 1993 GTE West Classic. It also marked the first time since the 1992 Infiniti Senior Tournament of Champions that Geiberger held the lead going into the final round of a tournament and won.

This year marks the tournament's 10th anniversary, and for the fourth time in its history the event will be played at a new venue: Bay Colony Golf Club, designed by Robert von Hagge.

## GTE CLASSIC NOTES

The TPC of Tampa Bay was the second toughest course on the Senior TOUR last season, playing to an average of 3.130 strokes over par. The 78-player field averaged 77.3 on the par-71 layout, and for the first time since the 1984 Daytona Beach Seniors Golf Classic, no player broke par for an opening round.

**Jack Nicklaus** recorded his first victory in a 54-hole Senior TOUR event at last year's tournament, rallying from five shots behind on the last day. His opening-round 76 was the highest start by a winner since **Miller Barber** recorded the same score at the 1985 Sunrise Senior Classic at the TPC of Monte Carlo in Ft. Pierce, FL.

No player has won the GTE Classic without posting a round in the 70s. However, four players have recorded three consecutive rounds in the 60s and come up short. **George Archer** (2) and **Bobby Nichols** (3) did so in 1992, while **Bob Charles** (T2) and **J.C. Snead** (T2) did likewise in 1995.

The TPC of Tampa Bay's 15th hole was the toughest on the Senior TOUR in 1996. The 425-yard, par-4 averaged 4.599 in the tournament, and the 78-man field made just 19 birdies there over 54 holes.

### AMERICAN EXPRESS INVITATIONAL NOTES

The TPC at Prestancia hosted three different Senior PGA TOUR events. It was the site for the 1987 and 1988 Senior TOUR National Qualifying Tournaments, as well as eight Chrysler Cup competitions (1987-1994) and last year's 54-hole Senior TOUR event.

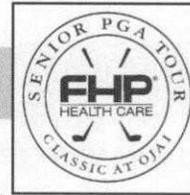

Look for good scoring at this year's tournament. Of 231 rounds at last year's inaugural, 137 were below par and 74 were below 70. **Hale Irwin's** 19-under 197 total was the lowest winning score on the Senior TOUR in 1996. Irwin also played all 54 holes without a bogey.

With his first TOUR victory in Florida since the 1982 Honda Inverrary Classic, **Hale Irwin** became the quickest to win \$1 million in his Senior TOUR career, topping that plateau in just 16 events.

### TOSHIBA SENIOR CLASSIC NOTES

**Jim Colbert's** 14th Senior TOUR victory at Newport Beach Country Club was his first official title in the state of California. Colbert went on to win again at the Raley's Gold Rush Classic near Sacramento later in the season.

Newport Beach Country Club originally was known as the Irvine Coast Country Club and served as the host site for several "Little Crosby" mini-tour events in the past.

The Toshiba Senior Classic is the first of seven Senior TOUR events in California this year. After playing in Newport Beach, the TOUR moves to La Quinta for the Liberty Mutual Legends of Golf before returning in October for The Transamerica (Napa), Raley's Gold Rush Classic (Sacramento) and Ralphs Senior Classic (Los Angeles). The 1997 slate ends with the Diners Club Matches and the Lexus Challenge (La Quinta).

**George Archer**, the tournament's first champion in 1995, has five Senior TOUR wins to his credit in his native California. The San Francisco product claimed four of his 12 PGA TOUR titles in the Golden State, including the 1965 Lucky International, his first professional win.

## SOUTHWESTERN BELL DOMINION NOTES

**Jim Colbert** made his Senior TOUR debut at this tournament in 1991, but he certainly was no stranger to San Antonio. Colbert made his initial PGA TOUR start in the same south Texas city in 1966 and won the last of his eight TOUR titles at the 1983 Texas Open.

**Chi Chi Rodriguez** began his record run of four consecutive Senior PGA TOUR victories at Dominion Country Club in 1987. Rodriguez ended that campaign with seven official titles, the second highest single-season total in Senior TOUR history.

### THE TRADITION NOTES

Last year's victory was **Jack Nicklaus'** 100th professional win and made him the first player in Senior TOUR annals to capture the same tournament four times (also 1990, 1991 and 1995).

The Tradition is the first of the Senior TOUR's four major championships. Each year's winner earns a spot in the Senior Slam at Los Cabos, Mexico.

A tournament known for its exciting finishes, four of the first five events were decided by a single stroke and two of the last three had playoffs to decide a winner.

At the 1990 Tradition, **Jack Nicklaus** became the most recent of four players to win in his Senior TOUR debut, joining **Arnold Palmer**, **Gary Player** and **George Archer**.

In 1992, **Lee Trevino** won The Tradition but saw his record streak of 11 consecutive sub-70 scores come to an end with a final-round 70.

The TPC at The Canyons, designed by **Raymond Floyd** and **PGA TOUR Design Services, Inc.**, will play host to this year's event.

The winning score in the 11-year history of this tournament has never been higher than nine under par or lower than 13 under. Four times the event has been won with a 12-under 204 total.

**Bob Charles** has never won this event but has been ever so close. He's finished out of the top five only twice in 10 appearances, posting three seconds and three thirds. Charles' scoring average for 30 rounds in Las Vegas is 69.40.

### WORLD SENIORS INVITATIONAL NOTES

*The World Seniors Invitational remains the only Senior TOUR event cancelled due to bad weather. The 1989 tournament was scrubbed when Hurricane Hugo hit the Charlotte area on the eve of the opening round.*

*Since the tournament became an official event in 1983, close finishes have been the norm. No one has won the tournament by more than two strokes. Ten of the 13 events have been decided by a single shot, including **Gary Player's** victory in 1987, the lone playoff in event history.*

*Both **Dave** and **Mike Hill** have claimed a victory in this tournament. Dave won in 1988 while Mike was victorious in 1993. Mike's win marked the second time the brothers had captured the same Senior TOUR event. Each won at the Fairfield Barnett Senior Classic in Melbourne, FL, Dave in 1987 and Mike in 1990.*

## NATIONWIDE CHAMPIONSHIP NOTES

*Isao Aoki's* victory at the rain-shortened 1992 tournament was his first on the Senior TOUR and made him the first Japanese player to win a Senior TOUR and PGA TOUR event (1983 Hawaiian Open).

The only hole-in-one in tournament history came in 1994, when **Charles Coody** accomplished the feat at the Country Club of the South.

Leading after the first or second round doesn't always guarantee success at this tournament. In six years, the first-round leader never has been crowned champion on Sunday, and only two second-round leaders have gone on to claim the top prize.

**Lee Trevino's** final-round 73 at the 1993 tournament was the highest finish by a winner on the Senior TOUR that year.

Dave Stockton was one shot behind after matching Murphy's 62. Aaron was three strokes behind the leaders.

Del Greco bested Baltimore Ravens tight end Brian Kinchen and Denver Broncos quarterback John Elway by three strokes. Del Greco donated \$30,000 and a 1996 Cadillac to Magic Moments in Birmingham, AL.

### PITTSBURGH SENIOR CLASSIC NOTES

**Tom Weiskopf's** victory at Quicksilver last year, coupled with his win earlier in the season at San Antonio, made him a multiple champion for the first time since 1975, when he won the Greater Greensboro Open and Canadian Open. Weiskopf's Pittsburgh Senior Classic title made him the second of only three players to post a wire-to-wire victory in 1996.

**Dave Eichelberger** claimed the first of his two Senior TOUR victories at the 1994 tournament, and in three trips to western Pennsylvania he's earned \$265,300.

Prior to becoming a regular stop on the Senior TOUR, Quicksilver Golf Club hosted the Quicksilver Open from 1990-1992 on the old Ben Hogan Tour, now the NIKE TOUR.

**Dave Stockton's** \$165,000 first-place check for winning the 1995 event marked the third of four times in his career when Stockton won more in a single Senior TOUR event than he did in his best year on the PGA TOUR (1974, with \$155,105).

**Graham Marsh's** seven birdies in a row during the second round of last year's tournament were a Senior TOUR best for 1996 and just one shy of the all-time record.

## BELL ATLANTIC CLASSIC NOTES

Only six golfers have finished under par in the Bell Atlantic Classic's 12-year history, and only **Dale Douglass** (1996) and **Gary Player** (1990) have put together three consecutive rounds in the 60s.

**Dale Douglass** became the second player to "double dip," winning the MasterCard Champions on Saturday and the overall event in a three-way playoff on Sunday. He also was the fourth 60-plus player to win a senior tournament.

Four of the five players with 20 or more Senior TOUR titles have won this tournament. The list includes **Lee Trevino**, **Bob Charles**, **Don January** and **Chi Chi Rodriguez**. Only **Miller Barber** hasn't claimed a title in Philadelphia.

**Lee Trevino's** record streak of 27 consecutive par-or-better rounds came to an end in the second round of the 1992 event. Ironically, **Isao Aoki's** streak of 22 straight par-or-better rounds, a 1996 Senior TOUR best, came to an end after the first round last year.

### *KROGER SENIOR CLASSIC NOTES*

No player has won this tournament with a score in the 70s, and all past champions have posted a 5-under 66 in at least one round. **Al Geiberger** (1991), **Gibby Gilbert** (1992) and **Jim Colbert** (1994) had theirs on the first day, while **Jim Dent** (1990), **Simon Hobday** (1993) and **Isao Aoki** (1996) shot 66 on the final day. **Mike Hill**, the 1995 winner, carded back-to-back 66s on Saturday and Sunday.

**Bob Brue** established Senior TOUR records for fewest putts over nine and 18 holes during his Saturday round at the 1994 Kroger Senior Classic. Brue used just 10 putts on the front nine and a mere seven on the back side, holing four shots from off the green at Kings Island.

**Isao Aoki's** five-stroke margin of victory last year was the largest in tournament history. Prior to 1996, the tournament never had been decided by more than two strokes.

## U.S. SENIOR OPEN NOTES

This year's tournament will be held at Olympia Fields Country Club, just outside Chicago. Olympia Fields served as host for the U.S. Open in 1928, when **Johnny Farrell** beat **Bobby Jones** in a 36-hole playoff.

What do **Orville Moody**, **Gary Player**, **Billy Casper**, **Arnold Palmer**, **Jack Nicklaus** and **Lee Trevino** have in common? Each won both the U.S. Open and the U.S. Senior Open in his career.

**Miller Barber** is the event's only three-time winner, and he and **Gary Player** are the only players in Senior Open history to repeat as champion.

**Dave Stockton's** Senior Open victory last year at Canterbury was his 12th title in four-and-a-half years on the Senior TOUR, one more than he claimed in his entire 27-year PGA TOUR career.

**Hale Irwin's** second-place finish in the 1996 U.S. Senior Open made him the quickest over \$1 million in single-season earnings (13 events).

**Dave Stockton's** 1994 victory in Coon Rapids was a significant moment in Senior TOUR history. It made him the first player over the age of 50 to pocket \$1 million in back-to-back seasons.

## AMERITECH SENIOR OPEN NOTES

**Hale Irwin's** initial triumph on the Senior TOUR in 1995 made him the first to claim a tournament on each TOUR in the metropolitan Chicago area. Irwin won the 1975 Western Open at Butler National and the 1990 U.S. Open at Medinah.

**Walter Morgan** claimed the last of three wire-to-wire wins on the Senior TOUR in 1996 at Kemper Lakes. He was up by five strokes after the opening round, thanks to a course-record 63.

**Joe Jimenez** carded the lowest round ever shot on the Senior TOUR by a 69-year-old when he fired a sizzling 62 at Stonebridge Country Club during the 1995 tournament. His 10-under score was a 1995 best in relation to par and broke the course record by two shots.

In addition to hosting the Ameritech Senior Open, Kemper Lakes was the site of the 1989 PGA Championship and also has served as the venue for several Grand Slam of Golf events and the 1992 U.S. Women's Amateur.

**Raymond Floyd's** \$59,400 check in 1996 pushed his combined PGA TOUR and Senior TOUR earnings to \$10,057,705, making him the first senior over the \$10 million barrier in all-time money.

### SAINT LUKE'S CLASSIC NOTES

**Dave Eichelberger's** \$135,000 paycheck in Kansas City last year more than doubled what he had made in 23 previous events in 1996.

If there are "horses for courses," then **Jim Colbert** and Loch Lloyd Country Club are made for each other. Colbert, who grew up in the Kansas City area, claimed the 1991 tournament and repeated again in 1994. He finished second in 1992, 1995 and 1996.

**Gibby Gilbert's** nine-stroke victory in 1992 tied the Senior TOUR record for largest margin over 54 holes. Gilbert's 17-under 193 total that year also equaled the numerical record for lowest 54-hole score in Senior TOUR history.

Four current members of the Senior TOUR recorded their first wins at this event. **Bobby Nichols'** lone senior triumph came in 1989, and **Jimmy Powell's** initial title came a year later when the tournament was played in Oklahoma City. Since the move to Loch Lloyd, **Jim Colbert** (1991) and **Gibby Gilbert** (1992) have earned their first titles at this event.

## NORTHVILLE LONG ISLAND CLASSIC NOTES

Three players in Senior TOUR history have won a tournament three years in a row. **George Archer** was the last of the trio to accomplish that feat, winning the Northville Long Island Classic from 1990-1992. Archer tied for 11th in his bid for a fourth consecutive title in 1993.

**Lee Trevino's** second consecutive victory at the 1995 tournament was the 25th of his career and broke a tie with **Miller Barber** for first place on the all-time wins list.

The ninth hole at the Meadow Brook Club consistently has ranked as one of the most difficult on the Senior TOUR. From 1990-95, the 417-yard par-4 ranked among the top-10 hardest. Last year, it finished the season as the 14th most difficult, yielding just 15 birdies and playing to an average of .421 strokes over par.

### BANKBOSTON SENIOR CLASSIC NOTES

**Don January, Chi Chi Rodriguez and Bob Charles** successfully defended titles at this event. January was the only one of the three to win at two different golf courses, claiming his first title in 1983 at Marlboro Country Club and winning the next year at Nashawtuc Country Club. Rodriguez won three consecutive years (1986-1988) at Nashawtuc, while Charles followed at the same venue in 1989-90.

*Nashawtuc is an American Indian term meaning "between two rivers," because the layout runs halfway between the Sudbury and Concord Rivers.*

***Kermit Zarley** made the second of three double-eagles on the Senior TOUR in 1996 during his Saturday round. In 1994, the Senior TOUR had four, the most ever in a single season.*

***Gibby Gilbert's** win at the inaugural event last year not only was his first Senior TOUR victory since 1993, but also gave him two senior wins in the state of Missouri. Gilbert picked up the first of his five career titles at the 1992 Southwestern Bell Classic near Kansas City.*

## BANK ONE CLASSIC NOTES

**Gary Player** won at Kearney Hill Links in 1993 and 1995. His affinity for the Bluegrass State dates back to his first PGA TOUR victory, the Kentucky Derby Open in 1958.

**Mike Hill's** 18th career Senior TOUR title last year in Lexington extended to seven the number of consecutive years he has won at least once on the Senior TOUR.

Four of the 12 champions at this tournament captured their first Senior TOUR victories in Lexington. Of a group that includes **Gay Brewer** (1984), **Rives McBee** (1989), **DeWitt Weaver** (1991) and **Terry Dill** (1992), only McBee has gone on to win again, successfully defending his Bank One title a year later.

### COMFORT CLASSIC NOTES

Four of the nine tournaments have been won by international players. **Gary Player** captured the first two (1988-89), while **Isao Aoki** claimed the rain-shortened 1994 event and **Simon Hobday** prevailed in 1995.

**Raymond Floyd** made golf history at the 1992 tournament by becoming the first player to win a Senior TOUR and PGA TOUR event in the same year. Floyd had captured his third Doral-Ryder Open crown in Miami earlier in that season.

When was the last time a player won consecutive titles on the Senior TOUR? In 1994, **Isao Aoki** claimed the Bank One Classic and then repeated a week later at the rain-shortened Brickyard Crossing Championship.

Like the world-famous race held next door at the Indianapolis Motor Speedway, the Comfort Classic has had its share of fast finishes over the years. The highest final-round score by a winner has been 68, and the margin of victory never has been greater than two strokes.

**Lee Trevino** was in familiar territory when he won the 1993 Vantage Championship. He had bested **Jack Nicklaus** at Tanglewood Park for the 1974 PGA Championship crown.

Four of the seven Cadillac Series winners also have won at Tanglewood that same year. **Charles Coody** was the first to do so in 1990. **Jim Colbert** claimed both in 1991 and again in 1996, while Lee Trevino clinched his second Cadillac Series with a win in 1993.

Wake Forest alumnus and 21-time PGA TOUR winner **Lanny Wadkins** earned his initial playing privileges on TOUR at the Fall 1971 Q-School at nearby Tanglewood. Wadkins carded a course-record, 10-under 62 on the Championship Course during the qualifying competition.

## RALPHS SENIOR CLASSIC NOTES

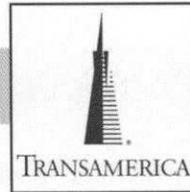

**Gil Morgan** became the Senior TOUR's youngest winner ever (50 years, 11 days) last year at Wilshire Country Club. However, he certainly was no stranger to winning in Los Angeles. Morgan captured both the 1978 and 1983 Glen Campbell-Los Angeles Opens on the PGA TOUR.

Low scores were the norm rather than the exception during the tournament's first five years at Rancho Park. The field scoring average for the 1993 event was 69.517, the lowest ever for an event. A year later, the circuit averaged 69.312 on Saturday, the record low for a second round.

Since the tournament began in 1990, there have been two playoffs and four of the other five events have been won by a single shot. The only "runaway" came in 1992, when **Raymond Floyd** was a three-stroke winner over **Isao Aoki**.

Wilshire Country Club's finishing hole ranked as the 17th hardest on the Senior TOUR last year. At 444 yards, the par-4 yielded just nine birdies in the tournament and played to an average of .394 over par.

## THE TRANSAMERICA NOTES

**Kermit Zarley** owned the 512-yard, par-5 ninth hole at Silverado during last year's tournament. He eagled the hole all three rounds of *The Transamerica*.

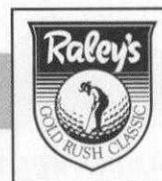

**John Bland's** \$105,000 first-place check last year pushed him past **Lee Trevino** (1990) for most money won in a season by a rookie.

Hole No. 8 at Silverado's South Course traditionally has ranked as one of the 50 hardest on the Senior TOUR. In 1996, the 422-yard par-4 ranked as the 34th hardest with an average score of .328 over par.

**Lee Trevino** tied for seventh last year and became the third professional golfer to go over \$10 million in all-time earnings (PGA TOUR and Senior TOUR combined), joining **Greg Norman** and **Raymond Floyd**.

Silverado Country Club hosted the Kaiser International/Anheuser Busch Golf Classic on the PGA TOUR from 1968-1980. **Miller Barber** won twice at that venue (1969, 1977), while **Kermit Zarley** (1968) and **Ed Sneed** (1973) claimed their first PGA TOUR titles there. Local resident **Johnny Miller** won back-to-back tournaments in Napa in 1974-75.

### RALEY'S GOLD RUSH CLASSIC NOTES

**Bob Murphy** won the only playoff in tournament history in 1994. It also was his first playoff victory in more than 26 years. Murphy defeated **Labron Harris** in extra holes to claim his first PGA TOUR title at the 1968 Philadelphia Golf Classic.

Seven players have played in all 10 Senior TOUR events in Sacramento. But of the group that includes **Butch Baird, Gay Brewer, Bob Charles, Charles Coody, Bruce Crampton, Dale Douglass** and **Chi Chi Rodriguez**, only Charles has gone on to claim the event, winning in 1988 and again in 1992.

Only three Senior TOUR players have won the same tournament three times on two different occasions. **George Archer** joined **Miller Barber** in that exclusive club with his third Raley's Gold Rush Classic victory in 1993 after first winning three consecutive Northville Long Island Classics. **Bob Charles**, the winner of three Sunwest Bank/Charley Pride Classics, joined that duo in 1996 with a third victory at Kaanapali.

## HYATT REGENCY MAUI KAA NAPALI CLASSIC NOTES

**Bob Charles** picked up the 23rd victory of his Senior TOUR career and moved into third place on the all-time wins list. He also became the tournament's only three-time champion and was the last of three players (**Jim Colbert**, Las Vegas Senior Classic; **Jack Nicklaus**, The Tradition) to successfully defend a title in 1996.

**Lee Trevino** and **Dave Stockton** made their initial appearance on the Senior TOUR at this event. Trevino made his debut at the rain-shortened 1989 tournament and tied for seventh, while Stockton began his senior career two years later and placed 12th after three sub-70 rounds.

**Rocky Thompson** recorded one of the rarest feats in golf during the final round of the 1992 Kaanapali Classic. Thompson eagled all three par-5s en route to shooting a 65. Only two other players have made three eagles in a round on the Senior TOUR: **Don January** and **Jimmy Powell** in 1985.

### EMERALD COAST CLASSIC NOTES

Nine of **Raymond Floyd's** 35 TOUR wins have come in his adopted home state of Florida. The last of those Florida victories came in a playoff at the inaugural event in 1995. Ironically, the Emerald Coast Classic title was Floyd's 12th on the Senior TOUR. His 12th on the PGA TOUR also came in Florida at the 1980 Doral Eastern Open.

In just two years, The Moors has established a reputation as one of the sternest tests on the Senior TOUR. In 1995 the course was the seventh hardest, while it ranked sixth most difficult in 1996, playing to an average of 2.172 strokes over par.

**Jim Colbert** (1969), **Lee Elder** (1974) and **Jerry McGee** (1975) all scored their first PGA TOUR victories in Pensacola, while **Homero Blancas** claimed his last TOUR title (1973) there.

**Lee Trevino's** playoff victory last year kept alive a streak of winning at least one tournament every year in the 1990s. Trevino also notched his 27th Senior TOUR title, the most by any player.

Prior to the arrival of the Senior TOUR, Pensacola hosted the NIKE TOUR's Pensacola Classic from 1990-1992 and again in 1994.

## ENERGIZER SENIOR TOUR CHAMPIONSHIP NOTES

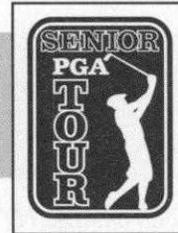

A \$1.7-million purse makes this event the richest on the Senior TOUR. Last year, **Jay Sigel** won the biggest first-place check in Senior TOUR history, \$280,000, with a two-stroke win over **Kermit Zarley**.

No one in the field of 30 competitors in the 1995 event shot par or better for all four rounds, while four players were able to do so in 1996.

**Raymond Floyd**, the only player to win this event at two different venues, also holds a large lead in the tournament's all-time winnings. In five starts, Floyd has pocketed \$669,000. Second on the Energizer money list is **Jim Colbert**, the 1995 champion, with \$555,750.

After going six years without a hole-in-one, the tournament had two aces during the 1996 event. **Bob Murphy** made the first in the opening round when he holed a 5-iron shot on the Dunes Club's 176-yard 12th hole. **Jay Sigel**, the eventual winner last year, made a hole-in-one during the third round, using a 6-iron from 173 yards on the par-3 fifth hole.

## PGA TOUR LICENSING

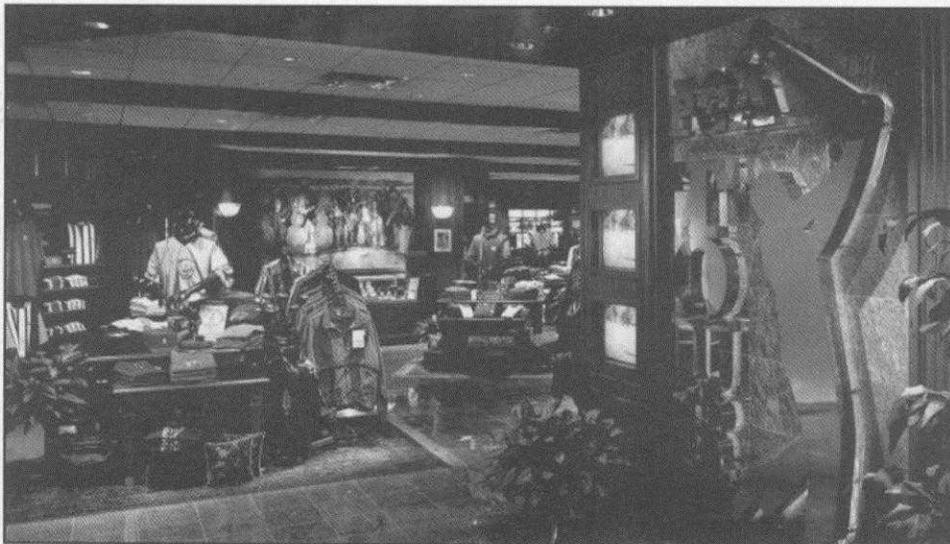

Beginning in 1995, the PGA TOUR embarked on a comprehensive licensing program to further expand the presence of the organization.

On the domestic side, a joint venture between **Battle Enterprises** and **The Paradies Shops** resulted in the creation of PGA TOUR Licensing. The goal of PGA TOUR Licensing is to further expand the American public's awareness of the PGA TOUR and to establish the TOUR as a leading golf brand of consumer products.

The 1996 season marked the introduction of merchandise from the PGA TOUR family of licensees, including the debut of PGA TOUR Apparel in conjunction with the 1996 Presidents Cup. PGA TOUR Apparel, manufactured by **Russell Corporation**, was the official uniform supplier for the international competition. Other licensees to come on-line in 1996 included **Fownes, Burton, Team Effort, Sun Mountain, Fort, Mark-It** and **on in two Publications**. Additional licensees for 1997 include **Solargenics, Kingport Luggage** and the launch of the PGA TOUR merchandise catalog.

Correlated to the expansion of the TOUR's licensing activity is the continued growth of the PGA TOUR Shops. Operated by The Paradies Shops, there are now 23 PGA TOUR Shops across the United States, including the flagship location in the Jacksonville (FL) International Airport.

International licensing efforts are in the embryonic stages as the TOUR seeks to capitalize on the appeal of PGA TOUR golf in the international arena. The licensing direction will be specific to each individual international market to assure that the quality image of the TOUR, its tournaments and players is properly communicated. Initial steps have been to expand PGA TOUR Shops into international markets, with further expansion in 1997 of both the shops and consumer products into Europe, the Pacific Rim and South Africa.

As a title sponsor of the Michelob Championship at Kingsmill and presenting sponsor of the season-ending TOUR Championship, Michelob truly has emphasized its commitment to golf. # CADILLAC AND THE SENIOR PGA TOUR: A PARTNERSHIP

Since becoming the umbrella sponsor and official car of the Senior PGA TOUR in 1990, Cadillac, through its golf marketing program, has helped raise more than \$20 million for many worthwhile charities. It also has helped generate additional sales for dealers throughout the country.

Cadillac's golf program includes sponsorship of the ever-expanding ESPN-televized Cadillac Series, top Senior TOUR players, PGA TOUR professional Fred Couples and the Masters Tournament.

The Cadillac Series, a season-long competition, began with 14 ESPN-televized events in 1990 and has grown to 21 tournaments in 1997. The player accumulating the most points at Cadillac Series events during the season will receive a Cadillac Seville Touring Sedan and a DeVille Concours. The second-place winner will win a DeVille Concours, and the third-place finisher will receive a DeVille. As part of its agreement with the Senior TOUR, Cadillac also contributes to each tournament's purse.

Jim Colbert could be called "Mr. Cadillac" after winning his eighth, ninth and 10th Cadillacs last year, along with his second consecutive and third overall Cadillac Series title.

For winning the 1996 Cadillac Series, Team Cadillac member Colbert received a 1997 Seville STS and 1997 DeVille Concours. He also won a 1997 DeVille for a hot-in-one on the designated Cadillac hole at The Transamerica Senior TOUR event in October 1996.

Hale Irwin finished second in the Cadillac Series and received a 1997 DeVille Concours, while Team Cadillac member Jay Sigel placed third and won a 1997 DeVille.

Past winners of the Cadillac Series are Charles Coody (1990), Colbert (1991, 1995-96), Lee Trevino (1992-93) and Raymond Floyd (1994).

Cadillac also sponsors a hole-in-one giveaway at each Cadillac Series event. During the pro-am, the first amateur to ace a predetermined hole is awarded a Cadillac merchandise certificate, and Cadillac donates a DeVille to the tournament charity in the amateur's name. If a professional makes an ace at a predetermined hole during the final round, he is awarded a DeVille. The hole-in-one car is displayed on the golf course throughout tournament weekend.

Cadillac's title sponsorship on the Senior TOUR, the Cadillac NFL Golf Classic at Upper Montclair Country Club in Clifton, NJ, pairs top senior golfers and National Football League stars in a unique tournament format. Since 1993, the event has generated more than \$750,000 for various local and national charities.

Another facet of Cadillac's golf program includes Team Cadillac, a group of top Senior TOUR and PGA TOUR players. Senior TOUR members Colbert, Trevino, Sigel, Arnold Palmer, Bob Murphy, Dave Stockton, Bob Charles and the PGA TOUR's Couples are a few members of 1997 Team Cadillac. They wear the Cadillac Wreath and Crest on their shirts during all TOUR events, participate in Cadillac advertising and represent Cadillac at various dealer functions and special events.

Cadillac's golf program also includes television sponsorship of the Masters Tournament. Cadillac has been one of two exclusive TV sponsors of the Masters for 28 years.

## MASTERCARD CHAMPIONS SCHEDULE FOR 1997

Twenty-four full-field Senior PGA TOUR events will hold MasterCard Champions competitions in 1997. All players 60 and older in the fields of those events are eligible to compete in these "tournaments within the tournament."

The MasterCard Champions competition concludes one round prior to the end of the overall tournament (i.e. after 36 holes in a typical 54-hole Senior TOUR event). And while Champions earnings are unofficial, the players collect prize money for their finish in the main tournament.

A player can win both the Champions competition and the overall tournament in the same week.

Jimmy Powell became the first player in Senior TOUR history to accomplish that feat when he won both titles at the 1995 First of America Classic. Powell repeated that performance at the Brickyard Crossing Championship last year, when he was joined by Dale Douglass (Bell Atlantic Classic) and Bob Charles (Hyatt Regency Maui Kaanapali Classic) as 60-and-over winners of the tournament and MasterCard Champions titles at the same event.

Charles captured the second MasterCard Champions Championship and its accompanying \$85,000 paycheck at last year's Energizer SENIOR TOUR Championship. Gay Brewer won the first MasterCard Championship in 1995.

The third MasterCard Champions Championship will be held Nov. 6-8 in conjunction with the 1997 Energizer SENIOR TOUR Championship at the Dunes Golf and Beach Club in Myrtle Beach, SC.

## CENTINELA FITNESS CENTER

The "Official Hospital of the PGA TOUR" since 1984, Centinela Hospital Medical Center in Inglewood, CA continues to sponsor the Centinela Hospital Player Fitness Center (CHPFC) on TOUR.

One of the TOUR's most popular innovations, the CHPFC is a mobile gymnasium that includes state-of-the-art exercise equipment, television, stereo, three treatment tables, various physical therapy modalities and a full line of vitamins.

Staffed by qualified physical therapists, the CHPFC travels to the vast majority of TOUR events across the country, providing both rehabilitative and preventive care for TOUR members.

During its 14 years on TOUR, the Centinela Hospital Player Fitness Center has attracted the interest of virtually every player, with at least 80 percent using the mobile unit on a regular basis. Housed in a 45-foot-long trailer (expandable to 24 feet wide when parked), the Centinela Hospital Player Fitness Center enables TOUR professionals to maintain peak levels of performance, at absolutely no cost to the individual players.

According to Dr. Frank Jobe, Medical Director of the PGA TOUR and team physician of the Los Angeles Dodgers, "Centinela Hospital Medical Center provides each player with a personal physical conditioning program based on that individual's current level of conditioning." Dr. Jobe works with Dr. Lewis Yocum, Assistant Medical Director of the PGA TOUR and orthopedic consultant for the California Angels.

The CHPFC has made its impact, with many players finding the center and available technicians an invaluable aid to their success on TOUR. In fact, many players have commented that they would have been unable to compete in some tournaments without the facility.

Centinela Hospital Medical Center's Biomechanics Laboratory has done research and testing on professional golfers' swings and, based on the results, developed scientific exercise programs that are available through books and videotapes. These programs, designed by Dr. Jobe and Dr. Yocum, have helped countless golfers stretch their potentials while minimizing the risk of injury. For more information, contact Centinela Hospital Medical Center.

**Bayer Aspirin** supports the Centinela Hospital Player Fitness Centers by providing players with one of the leading pain-relievers on the market. Bayer conducts consumer sampling at tournaments and explores new ways to provide better healthcare products for golfers. **ReSource**, "the Official Nutritional Drink of the PGA TOUR," also is available for players in the fitness center.

The products contributed by sponsors of the Centinela Hospital Player Fitness Centers have helped make the facility such a success that a similar fitness van has been operating on the Senior PGA TOUR since 1986.

The Centinela Hospital Player Fitness Center is on TOUR in 1997

## ARUBA ACES CHAMPIONSHIP

The second Aruba Aces Championship was held January 22 at Tierra del Sol Country Club on the island of Aruba, located 17 miles off the coast of Venezuela. The Aruba Aces program rewarded any senior player who made a hole-in-one during the 1996 season with \$2,000; the tournament at which he made the ace received \$1,000 for its designated charity.

An additional reward for each player making an ace was the opportunity to travel to Aruba to compete in the Aces Championship. Up for grabs in the 1996 Aruba Aces Championship was a purse of more than \$200,000, as well as the opportunity to win a \$1 million annuity by making another ace during the Championship.

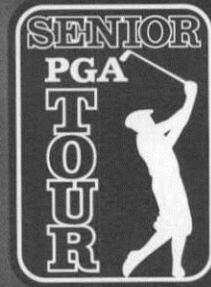

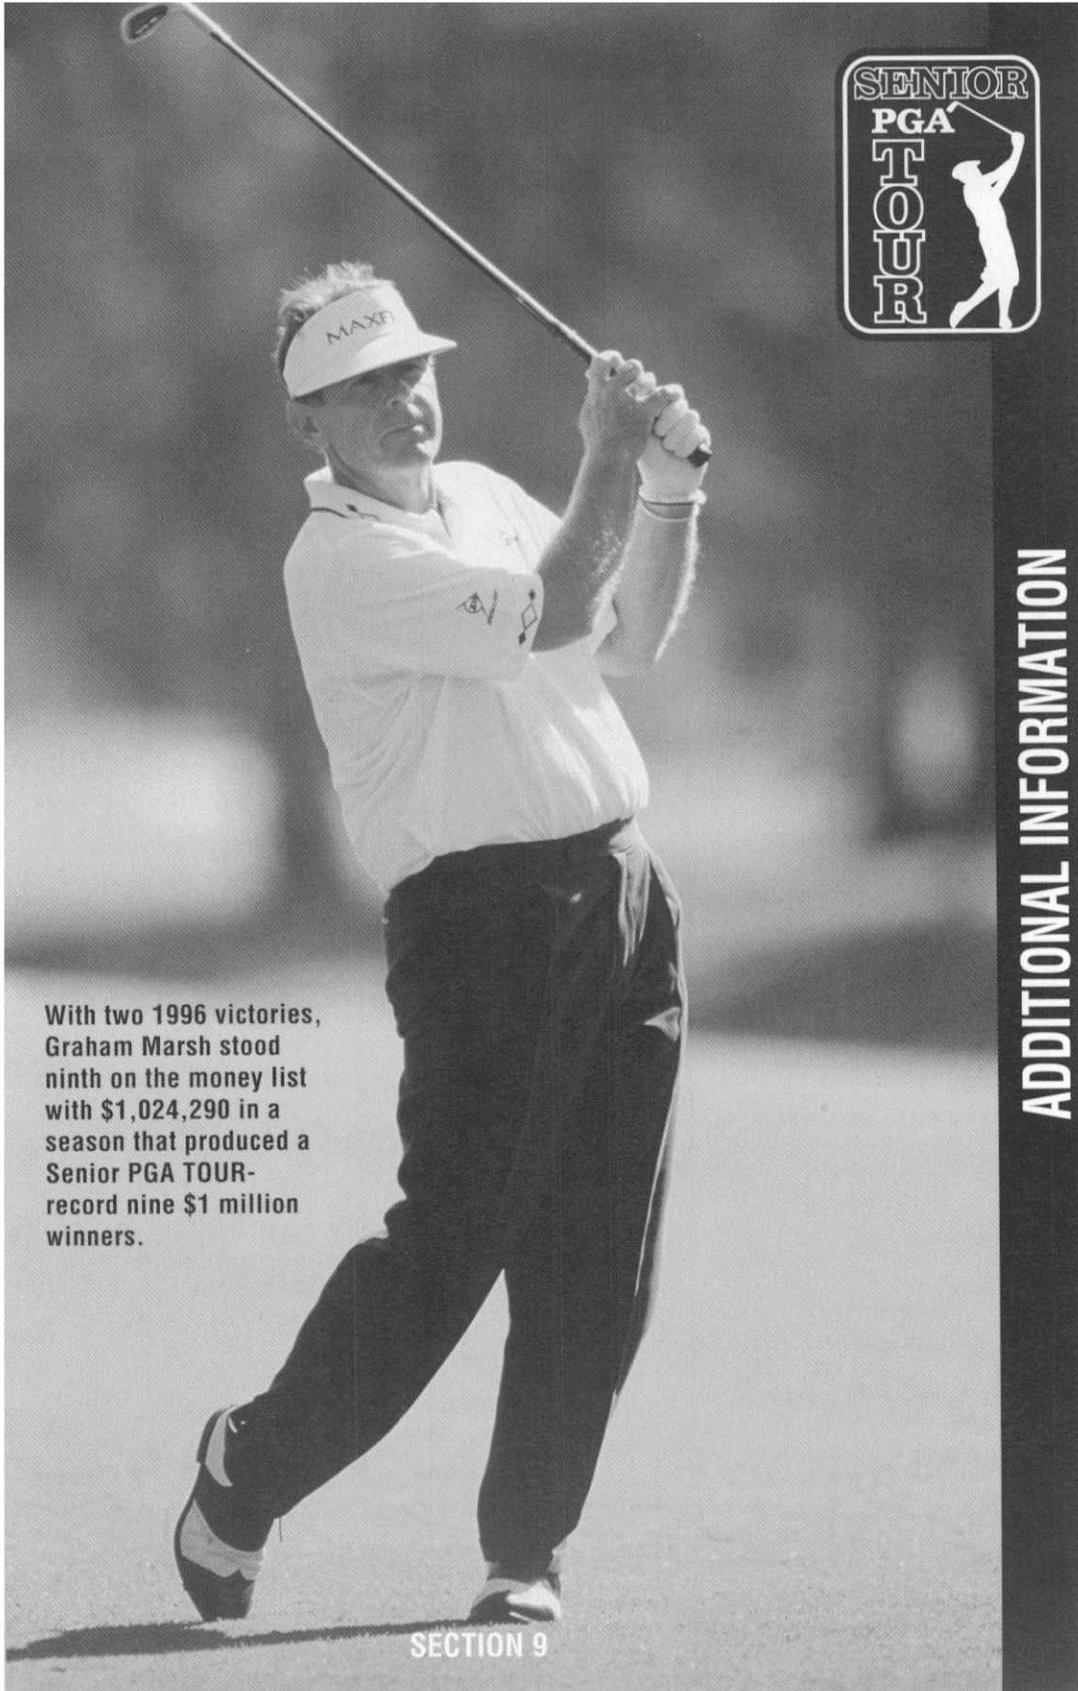

Tierra del Sol was set up into nine par-3s, and each player attempted one shot on every hole. The player with the lowest cumulative distance over the nine holes was the Aruba Aces Championship winner.

Walter Morgan was the winner of the 1996 Aruba Aces Championship.

## TOURNAMENT PLAYERS CLUBS

### Tournament Players Club

The PGA TOUR's Tournament Players Club Network represents a commitment to service and excellence unsurpassed in the golf industry.

Owned, operated or licensed by TOUR subsidiary PGA TOUR Golf Course Properties, Inc., the TPC Network continues to grow domestically and overseas, with nearly 25 facilities open and more on the way.

Throughout its brief history, the TPC Network has maintained the high standards that set it apart from other golf facilities. Whether private, daily fee or resort, each Tournament Players Club embodies the traits that have been a trademark since the TPC at Sawgrass opened its world-renowned Stadium Course in the fall of 1980.

As the flagship facility, the TPC at Sawgrass still is recognized as a creative landmark in both concept and design, offering the highest standards not only for tournament golf, but also member and guest services.

The TPC at Sawgrass has remained a leader in operational and environmental achievement, evidenced by the number of awards it receives annually. The subsequent TPCs have followed that lead, regularly earning state and national recognition.

This commitment to excellence serves as the foundation for the Network's overall success. It is reflected not only in the member clubs, which are owned and/or operated by PGA TOUR Golf Course Properties, but also in the three domestic licensed courses (TPC at PGA West, TPC at Las Colinas and TPC at The Woodlands) and licensed facilities overseas. Licensing arrangements provide TPC members with varying degrees of playing privileges, although PGA TOUR Golf Course Properties does not own or operate these facilities.

It was all part of former Commissioner Deane Beman's vision to provide PGA TOUR players with quality golf courses that also would offer the ultimate in viewing pleasure with spectator mounds and grass "bleachers."

Moreover, Beman reasoned, development of quality facilities would alleviate the TOUR's dependency on the television dollar while providing rent-free venues for tournaments. The savings in rent, in turn, would generate greater charitable contributions by the tournaments held at TPCs.

The TPC at Sawgrass became the first Tournament Players Club to hold a PGA TOUR event, becoming the permanent home of THE PLAYERS Championship in 1982. Others soon followed.

Fifteen tournaments on either the PGA TOUR or Senior PGA TOUR were held on TPC courses in 1996. And history was made in November 1995, when the TPC at Mission Hills near Shenzhen became the first facility to play host to a major golf competition in the People's Republic of China, the 41st World Cup of Golf.

Some of the top architects in the business have lent their talents to the design of these facilities, including Pete Dye, Arnold Palmer, Jack Nicklaus, Arthur Hills, Jay Morrish, Tom Weiskopf and Bob Von Hagge. And they continue to do so. Tom Fazio is designing the TPC at Myrtle Beach, future home for the Energizer SENIOR TOUR Championship, and Greg Norman's first solo signature course in the U.S. is the TPC at Sugarloaf, new home for the BellSouth Classic.

Recognizing the importance of player input for tournament courses, TOUR members serve as consultants. Ben Crenshaw, Fuzzy Zoeller, Chi Chi Rodriguez, Ed Sneed, Hubert Green, Craig Stadler and Al Geiberger have contributed their insight. Most recently, Raymond Floyd served as design consultant for the TPC at The Canyons, new home for the Las Vegas Senior Classic. And Lanny Wadkins is teaming with Fazio at the TPC at Myrtle Beach.

The success of the concept continues as more opportunities arise for Tournament Players Clubs.

## HUALALAI: FIRST PGA TOUR RESORT

### A PGA TOUR RESORT

A designated PGA TOUR Resort provides the highest quality in a total resort facility: five-star accommodations, a championship golf course capable of holding a TOUR event and other outstanding amenities, such as tennis facilities, health spa and beach.

A PGA TOUR Resort will receive special promotion by the TOUR and be utilized as a destination for certain TOUR business functions.

The first facility to be designated a PGA TOUR Resort, Hualalai on the Big Island of Hawaii embodies the absolute quality and character that has become synonymous with the TOUR.

Hualalai is as unique as it is exclusive, an oceanside resort that provides the total vacation experience. Featuring a five-star Four Seasons hotel, its amenities include an outstanding Jack Nicklaus-designed golf course carved from the dramatic lava landscape, a tennis facility with eight championship courts, a health and wellness center and white-sand beach. Complementing the quality of facilities is the quality of service, preserving the warm ambiance of "Old Hawaii."

The exclusivity of Hualalai is consistent with the very nature of the MasterCard Championship, the tournament that will call it home for years to come. This Senior PGA TOUR tournament, held for the first time at Hualalai in January 1997, is an elite gathering of Senior TOUR champions from the previous season.

Hualalai features a beautiful Jack Nicklaus-designed golf course.

## WORLD GOLF VILLAGE

The unified effort to establish an international shrine for golf moves closer to reality with ongoing construction of the World Golf Village and World Golf Hall of Fame in St. Johns County, FL.

Located on 240 acres along Interstate 95, 22 miles south of Jacksonville and eight miles northwest of St. Augustine, this ambitious project promises to have a major impact on several fronts when it opens in the spring of 1998.

The World Golf Village will become a premier tourism, business and golf destination. But its significance extends far beyond state lines. The World Golf Hall of Fame represents the first time in the game's history that all major golf organizations from around the world have joined together to honor the game's great players and contributors.

"The World Golf Village and Hall of Fame will bond the entire golf community through a shrine that appropriately reflects their common love and respect for the game and its traditions," says World Golf Village Executive Director Ruffin Beckwith.

At the heart of the complex will be the 75,000-square-foot World Golf Hall of Fame building, which will be the ultimate in sports museums and halls of fame. Designed by E. Verner Johnson and Associates of Boston, it will house more than 70 separate exhibits, utilizing the latest in technology for an exciting interactive experience. The exhibit design partner is Ralph Appelbaum Associates of New York, the world's premier exhibit design firm.

The Hall of Fame building also will include a 300-seat IMAX theater and, of course, a tribute to all inductees. Individuals previously enshrined at the World Golf Hall of Fame in Pinehurst, NC will be grandfathered into the new facility.

Three other avenues have been established by which professionals can be enshrined in the World Golf Hall of Fame: the LPGA Hall of Fame and the newly created PGA TOUR Hall of Fame and International Ballot, which will conduct annual elections. Johnny Miller became the first player elected through the PGA TOUR ballot last fall.

In addition, a Special Distinction category has been established for amateurs and others making significant contributions to the game.

Annual induction ceremonies will commence once the facility opens, promising to bring together dignitaries from throughout the golf world.

Additional amenities at World Golf Village will include a major hotel and conference center, 54 holes of golf and PGA TOUR-licensed Golf Academy, corporate and vacation villas, an upscale shopping area, spa, the new headquarters for PGA TOUR Productions and a Mayo Clinic facility.

But the World Golf Village is intended to be as much an educational experience as it is an attraction. This theme will be conveyed further once the World Golf Library and Resource Center opens in 1999. It also will be evident through the work of the World Golf Foundation, the charitable branch of World Golf Village, Inc., which will receive all proceeds, after operational expenses and reserves.

The World Golf Foundation's charitable mission, on behalf of the supporting golf organizations, is to introduce youth and minorities to the game, and through the golf experience promote scholastic achievement, community service and the values of honesty, integrity and sportsmanship.

The vision is to establish model programs that can be established in locales throughout the world that have not had exposure to the game.

## CHARITABLE MISSION OF THE WORLD GOLF FOUNDATION

World Golf Village, Inc., is a non-profit organization that has received the support of all major golf organizations throughout the world. The World Golf Foundation is the charitable arm of World Golf Village that will receive all proceeds, after operational expenses and reserves.

The World Golf Foundation's charitable mission, on behalf of the supporting golf organizations, is to introduce youth and minorities to the game, and through the golf experience promote scholastic achievement, community service, and the values of honesty, integrity and sportsmanship.

The vision is to establish model programs that can be established in locales throughout the world that have not had exposure to the game.

"While there are many worthwhile programs addressing the issue of increased access for youth and minorities to golf, the World Golf Foundation holds the promise of making a lasting impact on the game by not only introducing people to golf, but by providing lifetime playing opportunities to those previously excluded from participating," said Tim Finchem, PGA TOUR Commissioner and Chairman of the World Golf Village Board of Directors.

The World Golf Foundation will review existing youth and minority golf programs to determine which models are most effective. It then will develop a menu of model programs that can be implemented in communities based on land availability, existing golf facilities, area needs and the level of support of municipalities and other youth programs.

"Through a fundraising effort, an endowment will be in place where we can add a certain number of these facilities every year and, over a period of time, begin to really impact youth and build in some educational components," explained Ruffin Beckwith, Executive Director of World Golf Village. "We hope to establish internships and scholarships whereby kids are rewarded, not necessarily for being a great player, but for academic commitment and exemplifying the values that golf represents."

### ELECTED THROUGH THE PGA TOUR HALL OF FAME:

- 1996 Johnny Miller

**pgatour.com**

(On the Internet at <http://www.pgatour.com>)

After more than a year of strategic and creative development, 1997 marks the debut of [pgatour.com](http://www.pgatour.com), official site of the PGA TOUR on the Internet's World Wide Web. The TOUR is committed to making this online home the most comprehensive golf site in the industry.

The TOUR's first foray into the world of "New Media" is an ambitious undertaking, one that brings the PGA TOUR even closer to its fans in the online world and provides new exposure for the tournaments, players and sponsors on all three TOURs.

Central to the strategy for [pgatour.com](http://www.pgatour.com) is that the web site should be a business opportunity that offers new sources of revenue while building the PGA TOUR brand, supporting tournament sponsors and enhancing the existing businesses of the PGA TOUR. With IBM and Anheuser-Busch as Foundation Sponsors of [pgatour.com](http://www.pgatour.com), the TOUR has launched a new business with guaranteed revenues.

Working in conjunction with Saltmine Creative and IBM, the TOUR has ensured that [pgatour.com](http://www.pgatour.com) is a site with high quality image that features ease-of-use and state-of-the-art technology. The site is the exclusive online home for true real-time scoring with a dynamic interface for all tournaments on the PGA TOUR and Senior PGA TOUR. It houses the official site for the tournaments from all three TOURs with in-depth information 52 weeks of the year.

There is detailed information and insight from the players, with photos, text, audio clips and video. Weekly features focus on everything from rising talent to international golf. An extensive database puts statistics at the disposal of fans and the media when and how they want it.

But [pgatour.com](http://www.pgatour.com) is not just information. It provides entertainment with games and contests. It provides service for individual tournaments and through PGA TOUR Travel. And fans are able to order PGA TOUR merchandise right from their home or office.

While the upscale demographics of the Internet dovetail with the TOUR's own following, the Internet also provides the TOUR with a new means of reaching a younger audience that represents the largest percentage of online users. Equally important, the Internet is a global medium that allows the PGA TOUR to have instant access to a worldwide audience of more than 50 million that is rapidly growing.

[pgatour.com](http://www.pgatour.com) is more than just a web site. It's a step toward putting the TOUR in position to take advantage of future developments in interactive media. In creating its own web site, the PGA TOUR can control its online destiny while working both with existing media partners and new companies to adapt to an ever-changing medium.

## **PGA TOUR RADIO NETWORK**

For the first time, the PGA TOUR has a weekly national radio presence.

Starting in March 1997, the PGA TOUR RADIO NETWORK is providing Saturday and Sunday play-by-play coverage of 20-25 tournaments. The PGA TOUR RADIO NETWORK also produces a national weekly one-hour magazine show that spotlights players, personalities and stories on the PGA TOUR, Senior PGA TOUR and NIKE TOUR. Tournament leader board updates also are included Thursday through Sunday for each TOUR event throughout the season.

A PGA TOUR RADIO NETWORK schedule can be found in local listings.

SECTION 10

## SENIOR PGA TOUR MEDIA REGULATIONS

### **General Regulations:**

The following regulations are to be followed by *all* members of the media:

1. An armband is necessary to walk inside the gallery ropes. Remain not more than an arm's length from the ropes, so as to blend into the gallery and appear to be a part of the gallery at all times.
2. Players are not to be distracted during play. Do not interview players or ask them to pose for photographs during their rounds.
3. Do not interview players or ask them to pose for photographs during their practice sessions before a round, except by prior arrangement with the player.
4. If an interview is to be conducted in the practice areas, either the range or the putting green, it must be done by prior arrangement with the player, up against the ropes and not in the middle of the areas where it could be distracting to other players.
5. Do not disturb players at their 18th green and/or scoring tent until after they have checked, signed and returned their scorecards. Media are not allowed in the scoring tent.

### **Working Press Regulations:**

To avoid embarrassment to you and distraction to the contestants:

1. Do not walk or stand in playing areas.
2. Follow directions of marshals and other officials.
3. Do not interview during play. The leading players each day—and others requested—will be interviewed following their rounds in the Press Room interview area.

### **Tape Recorder Regulations:**

1. All tape recorder work should be done in the proximity of the Press Room and/or clubhouse.
2. Tape recorders are not permitted in the locker room.
3. Tape recorders are not permitted within the playing area of the golf course unless written permission has been granted from the Senior PGA TOUR.

### **Weather Delay Guidelines:**

However, whenever possible, arrangements will be made to provide players for interviews during such situations.
2. Fully accredited members of the news media will be welcome in the locker room at all other times to carry out their assigned duties. (Note: Cameras and tape recorders are not permitted in the locker room.)

If you are not specifically credentialed for an on-line service, you may not use any information obtained for that service.

PGA TOUR retains exclusive broadcast rights (including but not limited to network, cable, internet, home video) to all events on the PGA TOUR, Senior PGA TOUR and NIKE TOUR. ## PGA TOUR TRAVEL

**Margaret Lewis**  
Director  
PGA TOUR Travel

PGA TOUR Travel was established, with one employee, in 1985. From the beginning, PGA TOUR Travel's function was to assist TOUR players and staff with their numerous travel needs.

Due to weekend demand, PGA TOUR Travel is open seven days a week to help facilitate players' travel needs.

While its primary goal is to serve players and staff, PGA TOUR Travel is a full-service agency open to anyone.

PGA TOUR Travel is located near PGA TOUR Headquarters in Ponte Vedra Beach, FL, in the Sawgrass Village complex. Its street address is 13000 Sawgrass Village Circle, Suite 3.

For service, call PGA TOUR Travel at 904-285-4001.

**PGA TOUR/SENIOR PGA TOUR STAFF**
