A BRIEF HISTORY OF THE PGA TOUR

It is not always easy to discover the exact beginning of something. So it is with the PGA TOUR. Certainly there were professionals who competed against each other from the earliest days of the game.

In 1895, 10 professional golfers and one amateur played in the first U.S. Open in Newport, RI. Shortly thereafter, tournaments began to pop up across the country. There was the Western Open in 1899. But this was not "tour" golf. The events lacked continuity.

Interest in the game, however, continued to grow. American professionals were rapidly improving. And when John McDermott became the first American-born player to win the U.S. Open, enthusiasm for the game blossomed.

Adding to this growth was a commercially backed exhibition by Englishmen Harry Vardon and Ted Ray. The duo travelled across the country and attracted good crowds wherever they stopped during the warmer months of 1913. A 20-year-old, Francis Ouimet, defeated the pair in a playoff for the United States Open Championship at Brookline, MA. Suddenly golf became front page news and a game for everyone.

In the early '20s, the PGA TOUR saw its first development. Tournaments were held on the West Coast, Texas and Florida. These events were held in the winter, and the golfers played their way east and up to Pinehurst in the spring. By the middle of the decade, the TOUR was doing relatively well--offering \$77,000 in total prize money.

The TOUR became more structured following World War II and exploded in the late 1950s and early '60s. Flip through the **Facts and Figures** section of this book and look at such areas as leading money winners and rising tournament purses to witness the continuing growth.

When television became a player in the game, the eyes of the world were on golf. This exposure inspired millions to try the game and, at the same time, TV rights fees sent purses soaring. The bulk of these rights fees, which are distributed by the PGA TOUR to all co-sponsors, have gone back into the purses, accounting for the tripling of prize money in the last decade.

The touring professionals began to gain control of the TOUR in late 1968. Joseph C. Dey was the first Commissioner of what was then called the Tournament Players Division. He served from early 1969 through February 28, 1974, and was succeeded by Deane R. Beman, who took office March 1, 1974.

During Beman's administration, the value of tournament purses escalated at an unprecedented rate: PGA TOUR assets grew from \$730,000 in 1974 to over \$200 million, and total revenues increased from \$3.9 million to \$229 million in 1993.

Timothy W. Finchem, previously the TOUR's Deputy Commissioner and Chief Operating Officer, became third Commissioner on June 1, 1994.

Since 1938, PGA TOUR events have donated more than \$250 million dollars to charity. Of that total, \$109 million has been raised in the 1990s. The 1994 season produced a one-year record \$24,701,631 for charity.

The competitive scope of the PGA TOUR also is much broader today. The Senior PGA TOUR is considered by many the sports success story of the 1980s. In 1995, the NIKE TOUR will enjoy its sixth season as a proving ground for professionals, taking golf to 30 additional markets.

Also continuing to grow is the Tournament Players Club Network. When the PGA TOUR opened the Tournament Players Club at Sawgrass in 1980, it introduced the era of Stadium Golf and record-breaking attendance. Owned and operated by the TOUR, the concept means these courses are the only major league sports arenas owned by the players themselves. The TPC Network now includes facilities in Japan, Thailand and China as well as the United States.

TOURNAMENT POLICY BOARD

Richard J. Ferris

Richard J. Ferris of Northbrook, IL, was elected Chairman of the PGA TOUR's Tournament Policy Board in December 1993, succeeding E.M. (Del) de Windt, who had served in that position for 11 years.

1995 PGA TOUR CHARITY TEAM COMPETITION: Nissan Open

NATIONAL TEAMS: Presidents Cup, 1994.

1994 SEASON: Had tough sledding in early going and never did get untracked... after starting season with 16th-place finish in Mercedes Championships, missed four of next five cuts and withdrew from Nestle Invitational after opening with 82... wasn't until 23rd start that posted only top-10, in Bell Canadian Open in September... opened with back-to-back 69s at Glen Abbey to sit two strokes off Robin Freeman's 36-hole lead... closed 71-70 for T6 worth \$43,550... only other top-25 came in May, T13 in Shell Houston Open... as direct result, finished with lowest earnings total/money-list position since 1990... also earned \$685,201 less than career-year total in 1993... Captain's Choice for International Team in inaugural Presidents Cup Match, played week after Canadian Open... was 1-3 in foursome and four-ball matches, teaming with Mark McNulty to defeat Jim Gallagher, Jr.-John Huston in Saturday Four-Ball... halved Sunday singles match with Phil Mickelson.

CAREER HIGHLIGHTS: Tripled career victory total in 1993 by winning on two of the most storied courses on TOUR, Colonial and Firestone... outdueled Greg Norman for his second TOUR title, that of the Southwestern Bell Colonial... second-round 63 got him into contention, and closing 67 gave a one-stroke decision over Norman... that win got him into NEC World Series of Golf, where a blistering final-round 62 brought him the \$360,000 first-place check and 10-year TOUR exemption... in season reminiscent of 1994, struggled much of 1991 campaign--but broke through in final week for first victory in rescheduled Independent Insurance Agent Open... played last two rounds in 11-under-par to edge Billy Ray Brown, Mike Hulbert and Tom Kite by single stroke... had been No. 143 on money list going into IIAO, but with victory came two-year exemption... second-place finish in 1987 World Series brought him TOUR card without having to go to Qualifying Tournament... won 1988 Sun City Million Dollar Challenge... winner of 11 South African events and 15 worldwide.

PERSONAL: Started playing golf at age seven with encouragement from father... countryman Gary Player had large influence on him... had 18 second-place finishes before breaking through with first win on South African Tour.

1994 SEASON: After writing one of great comeback stories last half of campaign, almost saw everything go out window at Las Vegas Invitational... seemingly on verge of regaining playing privileges for first time since 1991, inadvertently played wrong ball on 16th hole of final round and was disqualified... when Jose Maria Olazabal decided not to join TOUR for 1995, 128th place (because of non-members Olazabal and Colin Montgomerie, and most of Mark McNulty's earnings coming from NEC World Series of Golf) became final slot in Top 125... missed cut in 12 of first 16 starts, earning just \$15,352 through Anheuser-Busch Golf Classic... T11 in Deposit Guaranty Golf Classic produced biggest payday, \$14,840, since T16 in 1992 Northern Telecom Open (\$15,431)... from that point forward was in money in seven of next nine starts, earning \$107,394... that stretch saw back-to-back top-10s in B.C. Open (T5) and Hardee's Golf Classic (T6), best finishes since T8 in 1991 USF&G Classic... missed cut in next-to-last start, Texas Open, before Las Vegas "drama" unfolded.

CAREER HIGHLIGHTS: Was at top of game in 1989, when went over \$200,000 for third consecutive year and captured Hardee's Golf Classic title in July... that victory, coupled with brother Tom's Kemper Open win seven weeks earlier, made Byrums first brothers to win in same year since Dave and Mike Hill in 1972... fell first to No. 129 and then 148 during two seasons under victory exemption... plunge continued in 1992, with elbow trouble finally leading to Dec. surgery... opted for NIKE TOUR route to regain playing privileges, which did with No. 10 finish in 1993... Hardee's tournament provided sponsors exemption in 1986 after loss of TOUR membership previous year... held two-stroke lead over Mark Wiebe entering final round... although finished second to Wiebe, accompanying \$43,200 paycheck earned special membership and full exemption for 1987... went over \$200,000 for first time in '87... teamed with Bobby Nichols to win 1986 Show-down Classic at Jeremy Ranch, a PGA TOUR/Senior PGA TOUR event.

1994 SEASON: Fell off somewhat from career year in 1993, still finished with fourth-best earnings campaign of 13 on TOUR...withdrew from season-opening Mercedes Championship, missed cut in defense of Northern Telecom Open title two weeks later, then finished no better than T40 in next three starts...underwent arthroscopic surgery March 8 for left knee pain first encountered at 1993 Walt Disney World/Oldsobile Classic...was back in action one week later, finishing surprising fifth at Nestle Invitational...top finish solo third at Masters, site of greatest victory in 1987...returned to TOUR next week with T9 in MCI Heritage Classic, fashioned by final-round 65...although missed cut in U.S. Open, enjoyed success in all other majors: T11 British Open, T15 PGA Championship...final of four top-10s came in Buick Southern Open (T7), near hometown of Columbus, GA.

1994 SUMMARY: Tournaments entered--6; in money--1; top ten finishes--0.

NATIONAL TEAMS: Ryder Cup, 1985; World Cup, 1978.

1994 SEASON: Medical problems continued to plague man who already has had six knee surgeries, four operations to remove skin cancers from nose and left cheek, right elbow bone spurs, shoulder injury and nagging neck pain...knee trouble persisted, limiting play once again...did appear in two more events than 1993, when off-season knee surgery delayed first appearance to June...only cut came at The Memorial, where finished T64...best round came at Brown Deer Park Golf Course, new Greater Milwaukee Open facility he helped redesign...opened GMO with 77, after which considered not playing next day due to physical limitations...did play and posted 5-under-par 66, one of day's best rounds but three strokes shy of making cut...continued to focus on and expand career as golf reporter for ESPN.

CAREER HIGHLIGHTS: Because of injuries (what else?), made fewest starts of career (four) in 1993...winner of two U.S. Open Championships, one of only 16 golfers with more than one Open win...first came at Cherry Hills in Denver in 1978, second at Oakland Hills in Birmingham, MI in 1985...at Cherry Hills had four-stroke lead with five holes to play...by time reached 18 needed bogey to win, and that's what he got for victory over Dave Stockton and J.C. Snead...at Oakland Hills, 279 total was one stroke better than international runner-up trio of T.C. Chen of Taiwan, Dave Barr of Canada and Denis Watson of Zimbabwe...only other victory in injury-plagued career was 1977 Westchester Classic...winner 1969 Wisconsin State Amateur, 1971 Western Amateur...three-time All-America University of Florida...member 1978 World Cup and 1985 Ryder Cup teams.

PERSONAL: Turned to golf in seventh grade because bone in knee stopped growing and was disintegrating, causing him to give up football and basketball...later returned to basketball, earning all-state honors...spent a few years assisting University of Wisconsin football staff.

1995 PGA TOUR CHARITY TEAM COMPETITION: Memorial Tournament

NATIONAL TEAMS: World Cup, 1992

1994 HIGHLIGHTS: Certainly knows how to hit the big early jackpots ...for second year in row, or since gregarious Aussie took PGA TOUR by storm in 1993, early-season winner of a big check...carded back-to-back 66s starting United Airlines Hawaiian Open to trail Davis Love III by four strokes after two rounds (Love had fired course-record 60 in Round 2)...narrowed margin to two after three rounds...closed with 68 to edge Love by one stroke and post second TOUR victory, worth \$216,000...had opened season with T11 in Mercedes Championships, worth \$28,250...earnings for first two weeks \$244,250...after that made just \$40,245 for 19 subsequent starts...withdrew due to illness after three rounds of Northern Telecom Open, third event of year...proceeded to miss next five cuts in a row...best later finish T22 at Kmart Greater Greensboro Open, only other top-25 placing of campaign...finished second to Robert Allenby in Australian Open in November.

CAREER HIGHLIGHTS: Had top-10 finishes in two of first four starts of 1993, one of which was three-stroke victory in AT&T Pebble Beach National Pro-Am...win was worth \$225,000, largest check of two-year career...began '93 campaign with T4 in United Airlines Hawaiian Open, then three weeks later had first TOUR win...opened with back-to-back 68s at Pebble Beach and Poppy Hills, closed with three-stroke decision over Billy Ray Brown...qualified for TOUR as one of five co-medalists from 1992 Qualifying Tournament...from that group, was only one to retain playing privileges for 1994...qualified for 1991 NEC World Series of Golf by winning 1990 Australian PGA Championship...voiced at that time his strong desire to play PGA TOUR...finished T25 at Firestone CC, earning \$10,175.

PERSONAL: Adopted at three weeks, a fact he talks freely about...was introduced to golf at 13-14...his "gift for gab" made him instant favorite among TOUR galleries...trying to overcome putting woes which very nearly drove him from game, has tried every way imaginable: conventional, cross handed, Langer style, long putter...because of his height and rail-thin frame, is a self-described "one iron with ears."

1995 PGA TOUR CHARITY TEAM COMPETITION: Texas Open

1994 SEASON: Having rediscovered his game in 1993, continued the upward trend in '94...earnings total second-best of 12 years on TOUR...missed \$200,000 plateau for second time by just \$801...best round of year was unofficial, a Texas Open pro-am 60 (his best ever) which featured a front-nine 26 that included a hole-in-one on the ninth hole...best he could do for real at Oak Hills a third-round 65 en route to eventual T15...began year with T8 in United Airlines Hawaiian Open, one of two top-10s...second came in GTE Byron Nelson, where he was part of TOUR record six-man playoff won by Neal Lancaster...opened with 64 in what became known as "Half Nelson," good for one-stroke lead over Mark Carnvevale...second-place finish was third of career...after missing seven cuts in first 12 starts, missed only four in final 17.

CAREER HIGHLIGHTS: Finest season came in 1989, when earned \$234,196 and finished second in rain-shortened Hawaiian Open...career seemingly on upswing at that juncture, but failed to keep card after No. 167 money list placing in 1990...reached low ebb with just \$8,024 in 1991...rebounded slightly in 1992 en route to solid finish in 1993...lost 1985 St. Jude Classic playoff to Hal Sutton birdie on first extra hole...did record unofficial victory in 1987 Deposit Guaranty Golf Classic, edging Nick Faldo by one stroke at Hattiesburg Country Club...money won (\$36,000), fashioned by closing 64, was official...made it through Qualifying Tournament on fourth try in 1982, then made it through successfully again 10 years later...winner 1975 Illinois State High School Championship, 1980 Illinois State Open, 1988 Peru Open...winner three collegiate events, including Harvey Penick Invitational...winner 1989 Chrysler Team Championship with Ted Schulz.

PERSONAL: The ultimate Chicago Cubs fan, so much so that named fourth child/first son "Clark Addison" for two streets adjoining Wrigley Field...golf won out over dream of becoming switch-hitting catcher...father put saved off golf club in his hands at age of two.

1994 SEASON: Truly had "Greater" season, winning both Kmart Greater Greensboro Open and Greater Milwaukee Open... final earnings total more than first three years combined... GGO win, first on TOUR, a wire-to-wire effort (one of three such in 1994, Greg Norman/PLAYERS Championship, Bob Estes/Texas Open the others)... held four-stroke lead after both 36 and 54 holes, finished three in front of Ed Humenik, Hale Irwin and Brad Bryant... at one juncture Irwin did narrow margin to single stroke, but was unable to climb any closer... win was worth \$270,000... GMO victory took different form, since didn't taste lead until late on final day... began Sunday three strokes behind Bob Estes, closed one in front of Loren Roberts after final-round 67... got into position to challenge for lead with third-round 65... year began with back-to-back top-10s in second and third outings, Northern Telecom Open (T9) and Phoenix Open (T3)... later had T4 in Freeport-McMoRan Classic... concluded campaign with T17 in TOUR Championship.

CAREER HIGHLIGHTS: Battled left elbow and wrist problems virtually entire 1993 season, missing 16 cuts and failing to either finish or even start 14 of final 19 tournaments... diagnosis: elbow and wrist out of alignment, for which had periodic chiropractic adjustment... still managed to finish 79th on money list... best placing T3 in Phoenix Open... T2 in 1992 Kemper Open, one shot behind winner Bill Glasson... trailed only John Daly, Jeff Maggert and Scott Gump in 1991 rookie earnings with \$178,587... finished third in '91 BellSouth Atlanta Classic, missing eagle putt on final hole to finish stroke out of Corey Pavin-Steve Pate playoff... earned TOUR membership by finishing fourth on 1990 Ben Hogan Tour money list... won first-ever Hogan Tour event at Bakersfield, closed inaugural campaign by winning two of final three tournaments--Reno and El Paso Opens--to finish in top five.

PERSONAL: 1986-88 Second-Team All-America selection at University of Arizona... Arizona teammates included Robert Gamez... winner John Burns Invitational, Fresno State Classic, 1986 California State Amateur.

1995 PGA TOUR CHARITY TEAM COMPETITION: Buick Southern Open

1994 SEASON: Although undone by final-round 74, came close to winning Kemper Open, which would have been first victory in 20th year on TOUR...playing under sponsor's exemption, ran second to Mark Brooks through first two rounds at TPC at Avenel, then took lead by two strokes over Brooks with third-round 65...lost ball and triple-bogey eight on sixth hole of final 18 led to his undoing...closing-round disappointment left him tied with D.A. Weibring for second at 10-under-par 274, three behind Brooks...\$114,400 payday lifted earnings total to \$136,780, virtually assuring playing privileges for 1995...final total of \$208,358 best campaign since career year of 1987...continues as TOUR's all-time leader in earnings without win...relinquished that distinction to Loren Roberts in Oct. 1993, but then Roberts won Nestle Invitational in March '94...commented after Kemper loss that while runnerup paycheck was nice, would have given it all back for win...later had T7 at Buick Southern Open, first of three top-25 finishes to complete season...also had top-25 (T20) in weather-shortened Deposit Guaranty Golf Classic.

CAREER HIGHLIGHTS: 1994 Kemper T2 matched career bests in 1979 IVB-Philadelphia Classic and 1985 Sea Pines Heritage Classic...playoff loser in each instance, to Lou Graham in '79 and Bernhard Langer in '85...Kemper finish also helped prove has come back from April 1992 neck surgery (herniated disc), which limited play that year to just 15 events, none from May to August...surgery occurred Tuesday after '92 Kmart Greater Greensboro Open, last cut made that year...returned to action for Canadian Open, missing cuts in final five starts...played under special medical extension for 1993, when on-going rehab delayed start until May...best finish that year T25 in Memorial...although has not won on TOUR, has three victories overseas: 1978 European Open in Surrey, England and two Dunlop Phoenix titles in Japan (1979 and '86)...prior to 1992 had streak of 14 consecutive years (1978-91) among top 100 money winners.

PERSONAL: Winner 1971 Virginia State Amateur, 1981-82 Virginia State Open...1972-73 NCAA All-America at East Tennessee State...attended University of Houston for year...along with older brother Lanny kept Richmond, VA city junior title in family six straight years (Lanny 4, Bobby 2).

THE PRESIDENTS CUP

The Presidents Cup Match, conceived as a means of giving some of the world's best (non-European) players an opportunity to compete in international team match play competition, is a biennial event played in non-Ryder Cup years.

The first Presidents Cup Match was contested September 16-18, 1994 at Robert Trent Jones Golf Club on Lake Manassas in Prince William County, VA. The United States Team, captained by Hale Irwin, defeated the International side of David Graham, 20-12. Irwin, who qualified as a player for his own squad, had as his non-playing co-captain Paul Azinger, who at that time was continuing his recovery from lymphoma.

Members of the U.S. team for the inaugural Presidents Cup were selected from rankings based on official money won from the end of the 1993 NEC World Series of Golf through the 1994 NEC World Series of Golf. International Team players were chosen on the basis of Sony World Rankings at the conclusion of the 1994 NEC World Series of Golf. International Teams will not include any players eligible for the European Ryder Cup team.

The rankings were used for selection of 10 members of each squad. Two captain's choices apiece rounded out the 12-man teams.

The Presidents Cup competition consists of 10 matches (five foursomes and five four-ball matches) each of the first two days. Each member of the two 12-man squads must play each day.

There are 12 singles matches involving all players on the final Sunday, all of which are to be played to conclusion. No singles matches will be halved, or tied. All matches are worth one point each, for a total of 32 points.

If, at any time, a Presidents Cup Match is deadlocked at the end of singles play, there is to be a sudden-death playoff between two players designated in advance by the respective captains.

As is the case with virtually all activity involving the PGA TOUR, charity is the ultimate winner at the Presidents Cup.

There is no purse for the players. Net revenues from the inaugural match were divided into 26 equal shares, which the players and captains designated for charities or golf-related projects of their choice. Contributions in their names were made through PGA TOUR Charities, Inc.

Former President Gerald R. Ford presided over the first Presidents Cup Match as Honorary Chairman. Members of the Presidents Cup Committee include, among others, representatives of the PGA Tour of Australasia, PGA of South Africa, Asia-Pacific Golf Confederation and the Royal and Ancient Golf Club of St. Andrews.

The next Presidents Cup competition will be staged in 1996, also at Robert Trent Jones GC.

Results of the 1994 Presidents Cup Match are on page 250

RYDER CUP MATCHES

The Ryder Cup Matches developed from a match played between representatives of the American and British Professional Golfers' Association in England in 1926. That unofficial match, incidentally, was won by the British 13 $\frac{1}{2}$ to 1 $\frac{1}{2}$.

Following this highly successful exhibition, Samuel A. Ryder, a wealthy British seed merchant, offered to donate a solid gold trophy bearing his name to be competed for in a series of matches between professionals of the two nations.

From the start of the series through the 1959 Ryder Cup matches, the competition was comprised of four foursome matches one day and eight singles matches the other day, each at 36 holes.

In 1961, the format was changed to provide for four 18-hole foursomes the morning of the first day and four more that afternoon, then for eight 18-hole singles the morning of the second day and eight more that afternoon. As in the past, one point was at stake in each match, so the total number of points was doubled.

In 1963, for the first time, a day of four-ball matches augmented the program to add new interest to the overall competition. This brought the total number of points to 32.

In 1977, the format was altered once again. This time there were five foursomes on the opening day, five four-ball matches on the second day, and ten singles matches on the final day. This reduced the total number of points to 20.

For 1979, eligibility for the Great Britain-Ireland side was expanded to include all British PGA/European TPD members who are residents of European nations.

The 1995 Ryder Cup Matches will be played September 21-24, 1995, at Oak Hill CC, Rochester, NY.

THE RYDER CUP

The 1995 U.S. Ryder Cup Team will be selected by way of Ryder Cup points earned from the beginning of 1994 through the 1995 PGA Championship. The top ten point-getters qualify for the 12-man team. Then the U.S. Captain will select the final two players to complete the team.

Points are awarded to the first ten positions in each PGA TOUR event on the following basis with points being weighted towards the 1995 season:

PGA Championship, U.S. Open, Masters Tournament and the British Open (1994/1995): 1st-225/300; 2nd-135/180; 3rd-120/160; 4th-105/140; 5th-90/120; 6th-75/100; 7th-60/80; 8th-45/60; 9th-30/40; 10th-15/20.

All other PGA TOUR events (1994/1995): 1st-75/150; 2nd-45/90; 3rd-40/80; 4th-35/70; 5th-30/60; 6th-25/50; 7th-20/40; 8th-15/30; 9th-10/20; 10th-5/10.

If a player who is ineligible finishes in one of those positions, no points are awarded for that position. In order to be eligible, a player must be a U.S. citizen and a member of the PGA of America.

Andersen Consulting World Championship of Golf

On October 19, 1994, plans were announced for an international match-play competition designed to determine "the best professional golfer in the world," the Andersen Consulting World Championship of Golf. The competition will be conducted on courses in the United States, Japan, England and Spain throughout 1995, with the champion to be crowned Dec. 31 at Grayhawk Golf Club in Scottsdale, AZ.

The event is sanctioned by all five of the world's major tours -- the PGA TOUR, the PGA European Tour, the Japan PGA Tour, the PGA Tour of Australasia and the FNB Tour in South Africa.

Eight players from each of four regions -- the United States, Europe, Japan and "the Rest of the World" -- comprise the 32-man field. Seven players from each region were invited based on the Sony World Rankings as of December 31, 1994. The eighth competitor from each region is a sponsor's invitation.

The four regional champions will compete in 18-hole semifinals on Dec. 30 at Grayhawk. The highest ranked semifinalist, based on the Sony World Rankings, will face the lowest ranked semifinalist in this round. No. 2 will meet No. 3.

A 36-hole final on Dec. 31 will determine the "World Champion," who will earn \$1 million from a total purse of \$3.65 million. The runner-up will receive \$500,000. The semifinal losers will compete in an 18-hole third-place match on Dec. 31, with the winner earning \$350,000 and the loser \$300,000.

The schedule for matches is as follows:

Date	Round	Site
March 3-4	Japan -- 1st Round	Golden Palm Golf Club Kagoshima, Japan
April 10-11	U.S. & Rest of World -- 1st Rounds	Reynolds Plantation (Great Waters Course) Lake Oconee, GA
May 22-23	Europe -- 1st Round	La Moraleja Golf Club Madrid, Spain
June 26	Japan Championship	Cypress Golf Club Osaka, Japan
July 24-25	Europe & Rest of World Championships	The Oxfordshire Golf Club Thame, England
July 31- Aug. 1	U.S. Championship	Blackwolf Run (River Course) Kohler, WI
Dec. 30-31	World Semifinals & Final	Grayhawk Golf Club Scottsdale, AZ

Fifty-two hours of U.S. television coverage and more than 30 hours of international telecasts of the event are scheduled. ESPN will provide same-day, prime-time coverage of early-round matches and will televise the semifinals. ABC will provide live coverage of the championship match, as well as a two-hour highlight package leading into it.

VARDON TROPHY

The Vardon Trophy is awarded each year by the PGA of America to the PGA TOUR player who posts the season's best scoring average. The system was amended in 1988 to allow all TOUR members to compete for the prestigious award provided they have played in 60 rounds. The new system also uses an "adjusted" score for purposes of computing the scoring average. The adjusted score is computed based upon the average score of the field at each tournament. As a result, a player's adjusted score may be higher or lower than his actual score. For example, a player shoots 70 each day at a tournament while the field average was 73. His 280 total would then be adjusted to 268 since he actually played 12 shots better than the field did during the tournament. The Vardon Trophy is a bronze-colored plaque measuring 39" by 27".

ANHEUSER-BUSCH

One of golf's most enduring corporate supporters, Anheuser-Busch, is one of the PGA TOUR's leading sponsors.

Through the years, Michelob, which is brewed by Anheuser-Busch, has sponsored thousands of local golf tournaments, a host of touring pros and a long list of professional tournaments.

Primary features of the Michelob/PGA TOUR relationship include Michelob as the "Official Sponsor of the PGA TOUR's 19th hole," a unique interactive display, and presenting sponsor for THE TOUR Championship, as well as media-driven national sweepstakes and extensive participation in ESPN's TOUR coverage.

In addition, O'Doul's TOUR program includes network television advertising, national point-of-sale promotions and tournament sampling opportunities.

O'Doul's is the official non-alcoholic beer of the PGA TOUR and Senior PGA TOUR.

AT&T

AT&T has been the title sponsor of the AT&T Pebble Beach National Pro-Am since 1986. In addition to this successful sponsorship, AT&T has entered into an agreement as the "Official Telecommunications Company of the PGA TOUR and the Senior PGA TOUR." As part of this agreement, AT&T provides phones and video phones for player use in locker rooms at PGA TOUR and Senior PGA TOUR events. Players also are offered special rates on AT&T telecommunications equipment.

BAYER ASPIRIN

Bayer Aspirin is the "Official Pain Reliever of the PGA TOUR and Senior PGA TOUR" and is provided to players via the Centinela Fitness Training Facilities. Bayer, a longtime industry leader for pain relief and prevention, conducts consumer sampling at a number of tournaments and advertises in such TOUR media products as *ON TOUR Magazine* and "Inside the Senior PGA TOUR."

BUICK

Buick Motor Division is a longtime marketing partner of the PGA TOUR. The relationship between the TOUR and Buick over the last 30 years has led to sponsorship of PGA TOUR tournaments across the country.

It all began with the Buick Open, now the PGA TOUR event with the longest continuing sponsorship. The tournament is played in Flint, Mich., Buick's "hometown." Each year, countless Buick employees use their vacation time to volunteer at the event, which they consider their own.

Buick's partnership with the PGA TOUR includes the sponsorship of four tournaments: the Buick Open (Flint, MI); Buick Southern Open (Callaway Gardens, GA); the Buick Invitational of California (San Diego, CA); and the Buick Classic (Rye, NY).

To enhance fans' awareness of Buick tournaments, the company has set up a nationwide sweepstakes that encourages fans to test drive and register to win a Buick. The company has said its golf-related promotions are the most successful it has ever run.

COCA-COLA

Coca-Cola is entering its fourth year of sponsorship as the "Official Soft Drink of the PGA TOUR." Coca-Cola Scoreboards will travel to 39 PGA TOUR tournaments in 1995, providing up-to-the-minute scores, weather warnings and other important information for golf fans.

The Coca-Cola classic Clinics, scheduled at 38 tournaments in 1995, provide an opportunity for children in the community to receive tips from PGA TOUR professionals. They also have a chance to win a "Coca-Cola classic Behind the Scenes VIP TOUR" of the tournament. The winner has an opportunity to meet some TOUR players and visit the media room, the Scoreboard trailer and the TV compound.

Coca-Cola utilizes its relationship with the PGA TOUR as an entertainment opportunity for its clients, as well as in promotional programs at retail. In 1995, 41 PGA TOUR tournaments will serve Coca-Cola products.

DELTA

Delta Air Lines is the "Official Airline of the PGA TOUR, Senior PGA TOUR and NIKE TOUR." Delta offers PGA TOUR players preferred rates on air travel and awards tournament winners with Frequent Flyer mileage. Delta is involved with over 65 tournaments on the three tours through advertising or hospitality.

Delta prints PGA TOUR, Senior PGA TOUR and NIKE TOUR schedules in its timetables and includes PGA TOUR stories in Sky Magazine. Delta rewards its most frequent flyers with Sweepstakes programs featuring a chance to win trips to TOUR events and program spots.

IBM

In one of the most appropriate sports collaborations ever, IBM entered into an agreement with the PGA TOUR to develop the IBM Scoring System. This is an agreement which benefits everyone, from the players to the media to the television viewers to the spectators at each PGA TOUR event.

The IBM Scoring System is so fast that scoring updates are seen just seconds after a player completes a hole. Players and galleries on the course know where the field stands at all times. Remote computers keep fans informed at other locations, such as hospitality areas, host hotels, etc.

The PGA TOUR's agreement with IBM as the "Official Scoring System of the PGA TOUR" runs through 1998.

MERRILL LYNCH

Merrill Lynch sponsors the popular Merrill Lynch Shoot-Outs at PGA TOUR, Senior PGA TOUR and NIKE TOUR events. The 10-man, nine-hole elimination competitions culminate at year-end finals. The Shoot-Outs are crowd pleasers wherever they are played. ABC will televise the Shoot-Out Final for the PGA TOUR; ESPN will air the Senior PGA TOUR Shoot-Out final. Results from the 1994 Merrill Lynch Shoot-Out Series on the PGA TOUR can be found on page 389.

PGA TOUR PARTNERS

The PGA TOUR Partners Program, which Jack Nicklaus serves as chairman, gives golf fans an opportunity to become involved with the PGA TOUR, to learn more about the TOUR itself, its players, tournaments and benefitting charities.

The Partners Program, established in 1991, is designed to help golfers and golf fans get closer to the PGA TOUR. The program's objective is to make Partners feel like a valuable part of the TOUR, for the PGA TOUR is the people who support it. There were 87,000 Partners in 1994, an all-time high; the goal is 300,000 members within the next two years.

For an annual membership fee of \$38, a Partner receives numerous benefits, including:

- The Official PGA TOUR Media Guide
- An annual subscription to ON TOUR Magazine
- A free ticket to the PGA TOUR event of his/her choice
- An opportunity to be part of the Partners Team Competition

The latter, according to the Partners themselves, is one of the most appreciated benefits. In the Team Competition, each Partner selects four players to represent him/her throughout the year. Money won by those players in each week's tournament determines the team's standing against all other Partners.

As a direct result, Partners around the country pore through their sports pages each Monday to see how their players did. The reason? The Partners Team Competition offers the chance to win a number of exciting prizes, with the Grand Prize being an all-expenses paid trip to THE TOUR Championship, replete with a berth in the Wednesday Pro-Am.

ON TOUR Magazine, rated as another particularly valuable benefit, is a monthly publication exclusively for Partners which goes behind the scenes of the PGA TOUR. It offers, among a wide variety of features, "up close and personal" articles about players, stories on the TOUR, golf tips, a monthly calendar of events, and items about "the real winners" (through charities supported by PGA TOUR events). The Partners Program, in fact, provides the funds the individual tournaments donate to charity through their own PGA TOUR Charity Team Competition.

PGA TOUR Partners Golf Classics allow Partners to travel to exciting golf destinations and play in TOUR-style tournaments on some of the finest resort courses: all in all, an excellent opportunity for Partners to play--at great value--courses the professionals play.

Research done in 1994 focused on how to improve the program. Among the suggestions: expand the Partners Classics to give members greater variety and more access to top courses.

Three tiers of membership also will be offered in 1995, and Senior PGA events will be included in the tournament pass aspect of the program. All of this is in keeping with improvements in customer service and fulfillment with new vendors.

The Partners Program is administered by the PGA TOUR Marketing Department under the direction of Tom Wade, Vice President, Consumer Marketing. Barry Hyde is Account Manager, Consumer Marketing.

MERRILL LYNCH SHOOT-OUT SERIES

A 10-man competition covering nine holes of play, the Merrill Lynch Shoot-Out Series, now in its eighth season, will be held at 18 different PGA TOUR events in 1995 with the weekly winners collecting \$5,000 from the \$15,100 purse.

What is a Shoot-Out? The format is easy to understand and a pleasure to watch. Ten players begin. On each hole, the player with the highest score is dropped from the field. If there is a tie, those players participate in a sudden-death playoff where a pitch shot, a chip or a long putt is executed to eliminate the player farthest from the hole.

Weekly Shoot-Outs: The 1995 Merrill Lynch Shoot-Out Series Competitions will be held on Tuesday of tournament week. The field for each Shoot-Out consists of that tournament's defending champion, the six leading money winners entered into that tournament and three sponsor selections.

Shoot-Out Championship: The field for the final competition consists of the top three money winners on the 1995 PGA TOUR Official Money List and seven sponsor selections. Ten players will vie for \$500,000 in prize money, with \$130,000 going to the winner. Corey Pavin won the title in 1994 at the Mid Ocean Club in Tucker's Town, Bermuda. The 1995 Merrill Lynch Shoot-Out Championship will return to the Mid Ocean Club.

CENTINELA FITNESS CENTER

The "Official Hospital of the PGA TOUR" since 1984, Centinela Hospital Medical Center in Inglewood, CA, again will sponsor the Centinela Hospital Fitness Center (CHFC) on TOUR in 1994.

One of the most popular innovations on the circuit, the CHFC is a mobile gymnasium that includes state-of-the-art exercise equipment, television, stereo, three treatment tables, various physical therapy modalities, and a full line of vitamins.

Staffed by qualified physical therapists, the CHFC travels to the vast majority of TOUR events across the country providing both rehabilitative and preventative care.

Through its first nine years on the TOUR, the Centinela Hospital Fitness Center has attracted the interest of virtually every player with at least 80 percent using the mobile unit on a regular basis. Housed in a 45-foot long trailer (expandable to 24' wide when parked), the Centinela Hospital Fitness Center enables TOUR pros to maintain peak levels of performance at absolutely no cost to the individual player.

According to Dr. Frank Jobe, Medical Director of the PGA TOUR and team physician to the Los Angeles Dodgers, "Centinela Hospital Medical Center provides each player with a personal physical conditioning program based on that individual's current level of conditioning." Dr. Jobe is assisted by Dr. Lewis Yocum, his associate and orthopedic consultant to the California Angels.

The CHFC has made its impact with many players finding the center and available technicians an invaluable aid to their success on the TOUR. In fact, many players have commented that they would have been unable to compete in some tournaments without the facility.

"If they had this setup several years ago," Fuzzy Zoeller said, "It might have saved me from having back surgery."

"If it wasn't for Centinela Hospital's Fitness Center," said Curtis Strange, "I wouldn't be here."

Centinela Hospital's Biomechanics Laboratory has done research and testing on professional golfers' swings and, based on the results, developed scientific exercise programs which are available through books and videotapes. These programs, designed by Dr. Jobe and Dr. Yocum, have helped countless golfers stretch their potential while minimizing their risk of injury. For more information, contact Centinela Hospital.

Bayer Aspirin supports the Centinela Hospital Fitness Training Centers by providing players with one of the leading pain-relievers on the market. Bayer also conducts consumer sampling at tournaments and explores new ways to provide better healthcare products for golfers.

The products contributed by each sponsor of the Centinela Hospital Fitness Training Centers have helped make the facility such a success that a similar Fitness Van was introduced on the Senior TOUR in late 1986.

The Centinela Hospital Fitness Training Centers will be out on TOUR again in 1995.

PGA TOUR AND AGS DONATE RECORD \$24.7 MILLION TO CHARITY IN 1994

PGA TOUR events produced a record contribution to charity of \$24,701,631 in 1994. "The announcement of a new charity record is a highlight of the season," said Commissioner Tim Finchem.

"This record is a tribute to our players, tournament sponsors and, of course the thousands of volunteers who make the PGA TOUR possible. This announcement is recognition of a lot of hard work and dedication."

Charity dollars raised by Senior PGA TOUR and NIKE TOUR events should push the PGA TOUR total for the year to more than \$30 million.

The \$24.7 million on the PGA TOUR tops the one-season record of \$22.8 million raised for charity in 1993.

"The efforts put forth by all the volunteers and tournament sponsors continue to produce fantastic results, as evidenced by this new mark for charitable giving," said AGS President Tommy Wulff. "Hopefully, we will be able to build on these efforts and establish an even higher level in 1995."

Since the AGS began keeping records in 1977, contributions have increased each year except one. Charity dollars have grown significantly in this decade, with more than \$109 million raised in the 1990s alone.

The overall contribution from PGA TOUR events now is in excess of \$250 million since the first donation in 1938.

More than 900 charities benefit from PGA TOUR events across the United States and Canada.

TOURNAMENT PLAYERS CLUBS

An original concept of the PGA TOUR, Tournament Players Clubs have gone from a dream to a network that now encompasses 14 courses in 10 states and, with the addition of International TPCs, three foreign countries.

It was the TOUR's view that the spectator had been left out in golf course design throughout the years. When it came time for the PGA TOUR to build its own course, the opportunity presented itself to design a course that not only challenged the players but also allowed spectators to see the action as never before.

It's called "Stadium Golf"-- and once you've viewed a tournament on a Stadium Golf Course, you'll understand why the network has grown in such a short period of time.

Spectator mounds abound that afford fans unrestricted views, whether on tee shots, fairway shots or on the greens. In fact, the 18th hole at the original TPC at Sawgrass can accommodate crowds of some 30,000 people--all with a clear view of the action. You won't see any periscopes at an event on a Tournament Players Club golf course.

The network began in 1980 with the TPC at Sawgrass, which annually is host to THE PLAYERS Championship, and quickly grew into the present number of 14. All TPCs are designed to play host PGA TOUR or Senior PGA TOUR events, and to date the clubs have been designed by some of the top architects in the business--Pete Dye, Arnold Palmer, Arthur Hills, Jay Morrish, Bob Von Hagge and Jack Nicklaus, to name just a few.

In addition, one of the things that adds a bit of spice to all TPCs is that a PGA TOUR player (or, in some cases, two) is assigned to serve as consultant to the designer. To date, Ed Sneed, Tom Weiskopf, Fuzzy Zoeller, Hubert Green, Craig Stadler, Ben Crenshaw, Al Geiberger and Chi Chi Rodriguez have been among those lending their expertise to the TPC Network.

In reality a nationwide country club, a premium membership at one TPC affords the member a chance to play at any of the other clubs across the country and an opportunity to view the greatest players in the world in action on his own course once a year.

Since the Tournament Players Club at Sawgrass opened, the TPC Network has now truly become "the best set of clubs in America."

WORLD GOLF VILLAGE

Florida's First Coast, home of the PGA TOUR since 1979, will soon welcome one of the most exciting projects in the history of the game of golf: the World Golf Village.

Situated on Interstate 95 in St. Johns County, just 22 miles south of Jacksonville and eight miles northwest of St. Augustine, the World Golf Village will offer year-round golf and resort facilities, not to mention the new 75,000 square-foot Golf Hall of Fame. Additional amenities will include a major hotel and conference center, a clubhouse and 36 holes of golf, a PGA TOUR Golf Academy, the new home for PGA TOUR Productions, and a sports medicine branch of the Mayo Clinic. The first phase of the Village is scheduled to open in late 1996.

The exhibits in the new Golf Hall of Fame are being designed by Ralph Applebaum Associates of New York, which has received considerable acclaim for creating the exhibits at the United States Memorial Holocaust Museum. Their work is being overseen by an Advisory Board including representatives of all the major golf organizations, among them the PGA TOUR, LPGA, PGA of America, USGA, Augusta National, Royal & Ancient, National Golf Foundation and the PGA Tours of Europe, South Africa and Australasia.

"This endeavor represents the first time that all the major entities in the game have united behind a project of this magnitude," says World Golf Village Executive Director Ruffin Beckwith. "We believe it is destined to become something very special for the game of golf, for its great players, and for all its fans and supporters."

The Hall of Fame itself will combine traditional exhibits on the history of the game with a new generation of interactive and technology based exhibits. "The philosophy behind the design is to make the experience appealing to kids as well as adults, and novices as well as avid golfers," says Beckwith. "Hopefully every visitor will leave the facility feeling they have been entertained as well as enlightened."

The World Golf Village is part of a 6,300-acre development called St. Johns which will also include 7,200 residences and more than six million square feet of office, commercial and industrial space.

MEDIA REGULATIONS

GENERAL REGULATIONS

The following regulations are to be followed by *all* members of the media:

1. An armband is necessary to walk inside the gallery ropes. Remain not more than an arm's length from the ropes, so as to blend into the gallery and appear to be a part of the gallery at all times.
2. Players are not to be distracted during play. Do not interview players or ask them to pose for photographs during their rounds.
3. Do not interview players or ask them to pose for photographs during their practice sessions before a round, except by prior arrangement with the player.
4. If an interview is to be conducted in the practice areas, either the range or the putting green, it must be done by prior arrangement with the player, up against the ropes and not in the middle of the areas where it could be distracting to other players.
5. Do not disturb players at their 18th green and/or scoring tent until after they have checked, signed and returned their scorecards. Media are not allowed in the scoring tent.

WORKING PRESS REGULATIONS

To avoid embarrassment to you and distraction to the contestants:

1. Do not walk or stand in playing areas.
2. Follow directions of marshals and other officials.
3. Do not interview during play. The leading players each day -- and others requested -- will be interviewed following their rounds in the Press Room interview area.

TAPE RECORDER REGULATIONS

1. All tape recorder work should be done in the proximity of the Press Room and/or clubhouse.
2. Tape recorders are not permitted in the locker room.
3. Tape recorders are not permitted within the playing area of the golf course unless written permission has been granted from PGA TOUR.

WEATHER DELAY GUIDELINES

1. During weather delay situations, no one other than players and essential staff will be permitted in the locker room. This means the media are not permitted in the locker room in such situations. However, whenever possible, arrangements will be made to provide players for interviews during such situations.
2. Fully accredited members of the news media will be welcome in the locker room at all other times to carry out their assigned duties. (Note: Cameras and tape recorders are not permitted in the locker room.)

PHOTOGRAPHY REGULATIONS

Photo credentials will be issued only to personnel on assignment from recognized and accredited publications or news services. Requests for credentials must be made by the appropriate news agency, not by the photographer.

Photographic likenesses of PGA TOUR, Senior PGA TOUR and NIKE TOUR players may be used only for legitimate newspaper and magazine coverage of the events in which they are competing.

Commercial exploitation of these likenesses without written consent of the players and PGA TOUR is prohibited.

A limited number of photo armbands (or photo bibs), which permit the wearer access inside the gallery ropes, may be issued. Photographers and photographic assistants who do not have armbands or bibs must stay outside the gallery ropes. Photographic assistants will not be issued armbands.

Cameras may be used only by accredited media representatives who have been assigned photo credentials, and such use is subject to the following conditions:

1. Photographers with photo armbands must stay within one arm's length of the ropes at all times. Photographers without armbands are not permitted inside the ropes at any time.
2. The use of golf carts is prohibited at all times.
3. Photographers must not position themselves in the line of play. If requested to move by a player, his caddie or an official, the photographer will do so without delay or discussion.
4. No photograph shall be taken until a player has completed his stroke.
5. Players should not be asked to pose during a round.
6. Noise-free equipment must be used at all times.
7. Cameras are not permitted in the scoring tent or in the locker rooms.

The Photographer shall indemnify, defend and hold the Tournament and the PGA TOUR and their respective officers, agents, representatives, successors and assigns harmless from and against any and all expenses, lawsuits, damages, costs and liabilities (including reasonable attorney's fees and expenses) incurred by, arising from, or in connection with (1) the unauthorized use of photographs taken by the Photographer, whether such unauthorized use is by the Photographer, the company designating the Photographer to use the credential on its behalf, or some third party to whom the photographs are distributed; (2) any injuries resulting from acts or omissions by the Photographer or some third party to whom the Photographer directly or indirectly distributed the material; (3) any cameras, wires, cables or other equipment brought to the premises by the Photographer, or (4) the use of any photographs of any matter other than coverage of the Tournament.

SONY RANKING

Originally formulated in 1986, and approved by the PGA TOUR's Tournament Policy Board since 1990, the Sony Ranking is a computerized system which provides a reference source to the relative performances of the world's leading professional golfers.

The Sony Ranking is issued every Monday, following the completion of the previous week's tournaments from around the world. The official events from all the world's golf tours are taken into account. Points are awarded according to the players' finishing positions and the number and ranking of the players in the respective tournament fields.

The Masters Tournament, United States Open, British Open, PGA Championship and THE PLAYERS Championship are rated separately to reflect the higher quality of the events and the stronger fields participating.

The Sony Ranking is based on a three-year "rolling" period weighted in favor of the more recent results. Points accumulated in the most recent 52-week period are multiplied by four, points earned over the previous 52-week period are doubled and points from the first 52-week period are simply added to the total.

Each player is then ranked according to his average points per tournament, which is determined by dividing his total number of points by the number of tournaments he has played over that three-year period. There is a minimum requirement of 20 tournaments for each 52-week period.

For example, if a player were in 32 tournaments in the most recent 52 weeks, 15 tournaments in the previous 52 weeks, and eight tournaments in the first 52 weeks, his divisor would be 72 (32 plus 20 plus 20). A player who was in 32 tournaments in each of the three 52-week periods would have a divisor of 96 (32 plus 32 plus 32).

The winners of the Masters, U.S. Open, British Open and PGA Championship are awarded 50 points (x4) and the winner of THE PLAYERS Championship is awarded 40 points (x4), which also is the most points possible to be earned from winning any other tournament in the world. The winner of a tournament with a strong field probably would receive approximately 25-30 points (x4).

Minimum points for the winners of official tour events have been set at six points for Asia and South Africa, eight points for Australia/New Zealand and Japan, and 10 points for Europe and the PGA TOUR. In addition, the PGA Championship in Europe has a minimum of 32 points (x4) for the winner, and the Open Championships of Australia and Japan have a minimum of 16 points (x4) for the winner.

Points are reduced proportionately for tournaments curtailed for 36 or 54 holes because of inclement weather or other reasons.

The Sony Ranking Advisory Committee, and an international panel which includes a representative from the PGA TOUR, meets periodically to review and monitor the Sony Ranking system in order to recommend refinements or modifications for the consideration of the Championship Committee of the Royal and Ancient Golf Club of St. Andrews, the sanctioning body of the Sony Ranking.

The Sony Ranking is available each week at PGA TOUR sites. The top 20 as of Dec. 5, 1994, follows.

50TH ANNIVERSARY OF BYRON NELSON'S AMAZING 1945

This year marks the 50th anniversary of Byron Nelson's incredible 1945 season, in which "Lord Byron" posted 11 consecutive victories from the Miami Four-Ball in March through the Canadian Open in August. Additionally, Nelson won seven other events that year for yet another single-season record: 18 victories.

All told, Nelson played in 30 tournaments in 1945 – and finished in the top 10 in each and every one! He placed first, second or third in 26 of the 30.
