## A BRIEF HISTORY OF THE PGA TOUR

It is not always easy to discover the exact beginning of something. So it is with the PGA TOUR. Certainly there were professionals who competed against each other from the earliest days of the game.

In 1895, 10 professional golfers and one amateur played in the first U.S. Open in Newport, RI. Shortly thereafter, tournaments began to pop up across the country. There was the Western Open in 1899. But this was not "tour" golf. The events lacked continuity.

Interest in the game, however, continued to grow. American professionals were rapidly improving. And when John McDermott became the first American-born player to win the U.S. Open, enthusiasm for the game blossomed.

Adding to this growth was a commercially backed exhibition by Englishmen Harry Vardon and Ted Ray. The duo travelled across the country and attracted good crowds wherever they stopped during the warmer months of 1913. A 20-year-old, Francis Ouimet, defeated the pair in a playoff for the United States Open Championship at Brookline, MA. Suddenly golf became front page news and a game for everyone.

In the early '20s, the PGA TOUR saw its first development. Tournaments were held on the West Coast, Texas and Florida. These events were held in the winter, and the golfers played their way east and up to Pinehurst in the spring. By the middle of the decade, the TOUR was doing relatively well—offering \$77,000 in total prize money.

The TOUR became more structured following World War II and exploded in the late 1950s and early '60s. Flip through the **Facts and Figures** section of this book and look at such areas as leading money-winners and rising tournament purses to witness the continuing growth.

When television became a player in the game, the eyes of the world were on golf. This exposure inspired millions to try the game and, at the same time, TV rights fees sent purses soaring. The bulk of these rights fees, which are distributed by the PGA TOUR to all co-sponsors, have gone back into the purses, accounting for the tripling of prize money in the last decade.

The touring professionals began to gain control of the TOUR in late 1968. Joseph C. Dey was the first Commissioner of what was then called the Tournament Players Division. He served from early 1969 through February 28, 1974, and was succeeded by Deane R. Beman, who took office March 1, 1974.

During Beman's administration, the value of tournament purses escalated at an unprecedented rate: PGA TOUR assets grew from \$730,000 in 1974 to over \$200 million, and total revenues increased from \$3.9 million to \$229 million in 1993.

Timothy W. Finchem, previously the TOUR's Deputy Commissioner and Chief Operating Officer, became third Commissioner on June 1, 1994. In 1995, Finchem undertook a restructuring program designed to strengthen the PGA TOUR's core business, which is its competitions; expand the TOUR's international scope and prepare it to enter the 21st Century.

Since 1938, PGA TOUR events have made donations approaching \$300 million to charity. Of that total, more than \$134 million has been raised in the 1990s. The 1994 season produced a one-year record \$24,701,631 for charity; in 1995, the total was yet another record: \$25.2 million.

The competitive scope of the PGA TOUR also is much broader today. The Senior PGA TOUR is considered by many the sports success story of the 1980s. In 1996, the NIKE TOUR will enjoy its seventh season as a proving ground for professionals, taking golf to 30 additional markets and paving the way for the future John Dalys, Jeff Maggerts, Tom Lehmans and David Duvals of the PGA TOUR.

Also continuing to grow is the Tournament Players Club Network. When the PGA TOUR opened the Tournament Players Club at Sawgrass in 1980, it introduced the era of Stadium Golf and record-breaking attendance. Owned and operated by the TOUR, the concept means these courses are the only major league sports arenas owned by the players themselves.

The TPC Network now includes facilities in Japan, Thailand and China as well as the United States. In November 1995, the TPC at Mission Hills, near Shenzhen, served as the venue for the 41st World Cup of Golf, the first major international golf competition held in the People's Republic of China.

## ABOUT THE COMMISSIONER

### Timothy W. Finchem

Commissioner

Timothy W. Finchem became the third Commissioner in the 25-year history of the PGA TOUR on June 1, 1994.

Finchem, 48, succeeded Deane R. Beman, who had served as Commissioner for 20 years. The late Joseph C. Dey was the first Commissioner of the PGA TOUR, serving from 1969 until 1974.

A 4-handicapper, Finchem combines a love of the game and a respect for its traditions with a vision that will carry the PGA TOUR successfully into the future. In 1995, he oversaw a restructuring designed to prepare the TOUR to move forward into the 21st century and expand golf's international horizons.

A graduate of the University of Virginia School of Law, Finchem began his career as an associate of the Norfolk, VA law firm of Babalas & Ermlich in 1973 and became a partner in the firm of Croshaw, Finchem and Williams in Virginia Beach, VA in 1976.

Finchem served in the White House as the Deputy Advisor to the President for Economic Affairs in 1978 and 1979, then became National Staff Director of the Carter-Mondale Presidential Campaign in 1980.

In 1981, Finchem became President of Beckel, Finchem, Torricelli and Associates before becoming co-founder of National Strategies and Marketing Group, a Washington, DC consulting and marketing firm, in 1984. He was a consultant to the PGA TOUR while with NSMG.

Finchem joined the TOUR staff as Vice President of Business Affairs in 1987 and became Deputy Commissioner and Chief Operating Officer in 1989.

Born in Ottawa, IL on April 19, 1947, Finchem was graduated from Princess Anne High School in Virginia Beach. He attended the University of Richmond on a debate scholarship and received his Bachelor of Arts degree from the school in 1969. He received his degree from the University of Virginia Law School in 1973.

A physical fitness devotee, Finchem is a member of the President's Council on Physical Fitness.

Married to the former Holly Bachand, Finchem is the father of four. The Finchems live in Ponte Vedra Beach, FL.

Billy Mayfair experienced the greatest one-season earnings gain in TOUR history, a jump of \$1,385,033 over 1994, with \$540,000 of that coming from his 1995 TOUR Championship victory. He also won the Motorola Western Open.

**NIKE TOUR VICTORIES (1):** 1990 Utah Classic.

**BEST 1995 FINISH:** 1 -- British Open.

**1995 SEASON:** A year with only one top-10 finish normally would not go down as one of John's best, except that the win came in the British Open at St. Andrews... held a share of the first- and second-round lead at the Old Course before a third-round 73 dropped him into a tie for fourth, four strokes behind Michael Campbell... a closing 71 would have been enough to win by one stroke if not for the miraculous 70-foot putt from off the green by Costantino Rocca, which forced a four-hole playoff... won the playoff handily with a birdie and three pars to Rocca's bogey-par-triple bogey 7- birdie... became the youngest active player on TOUR with two major victories to his credit... since World War II Nicklaus, Watson, Miller and Daly only Americans to win two majors before turning 30... made the cut in 15 of 23 tournaments... aside from the British Open win, best finish came in defending his BellSouth Classic title... led after two rounds of 67 at Atlanta CC... fell two strokes back after a third-round 71... a closing 72 left him T12... gave fans a thrill Sunday by driving 335-yard par-4 14th hole, narrowly missing hole-in-one... was tied for second after two rounds at MCI Classic, four strokes behind Tom Lehman... finished T13... second-round 65 at GTE Byron Nelson Golf Classic was his low round of 1995, when he finished T41... led the driving distance category on the PGA TOUR for the fourth time in last five years... his 289.0 average was the longest since record-keeping began in 1980.

**CAREER HIGHLIGHTS:** A crowd-pleaser each time he takes driver out of bag, delighted golf world with surprising victory at 1991 PGA Championship at Crooked Stick... as ninth and last alternate in field, saw Crooked Stick for first time during Round 1... opening 69 left him two strokes out of lead... added rounds of 67-69-71 for three-stroke win over Bruce Lietzke... completed rookie season with third-place finish in TOUR Championship at Pinehurst No. 2... named PGA TOUR Rookie of Year... won 1992 B.C. Open by six strokes... after serving a PGA TOUR suspension early in 1994, earned his third TOUR victory at 1994 BellSouth Classic... grabbed the lead with a second-round 64, then fought off challenges of Nolan Henke and Brian Henninger... played Ben Hogan Tour in 1990 after winning only Hogan Tour Qualifying Tournament... won 1990 Ben Hogan Utah Classic... finished ninth on money list with over \$64,000... won several events on South African Tour... winner 1987 Missouri Open.

**PERSONAL:** Served as non-paid assistant coach for University of Arkansas golf team during hiatus between 1994-95 TOUR seasons... started playing as youngster after father gave him full-sized set of clubs... experienced mid-year headaches in 1995 related to his on-going alcohol rehabilitation.

**BEST 1995 FINISHES:** T2 -- FedEx St. Jude Classic; 3 -- Quad City Classic

**1995 SEASON:** Recorded only three top-25 finishes, but two of those were a tie for second at FedEx St. Jude Classic and a third at Quad City Classic... moved into contention at FedEx after a second-round 63, his low round of the year, left him tied for fourth... was sixth after a third-round 69, but a closing 67 moved him into a tie for second with Ken Green, one stroke behind Jim Gallagher, Jr... shared the lead with Jonathan Kaye after a second-round 64 at the rain-shortened Quad City Classic... a final-round 67 left him alone in third behind Kaye and winner D.A. Weibring... leading up to his FedEx finish, Jay was suffering through a horrible slump, having made just 2 of 15 cuts worth \$8,437... the T2 at TPC at Southwind was the first of four consecutive cuts made... closed the year by making five of six cuts, including Quad City... first in that stretch was his other top 25 -- T24 at Bell Canadian Open.

**CAREER HIGHLIGHTS:** As slowly as Jay started in 1995, that's how quickly he started the year before... made 10 of his first 11 cuts in 1994, including a T7 at AT&T Pebble Beach and T8 at Nissan... went over \$200,000 three of four years 1990-1993 (exception 1991)... first T2 placing of 10-year career came at 1993 New England Classic, four strokes behind Paul Azinger... climbed hill steadily, but was unable to overcome 10-stroke deficit he faced after Round 1... closing 67 brought him \$88,000 payday... very next week carded course-record, 10-under-par 61 in final round at TPC at Southwind, vaulting into T8... earned \$121,000 for those two weeks... posted four top-10 finishes, including T4s Phoenix and Canadian Opens, solo fourth Hardee's Golf Classic, during 1992 campaign, his best to date.

**PERSONAL:** Father, Jim Delsing, who played for New York Yankees, Chicago White Sox, St. Louis Browns and Kansas City A's, was the pinchrunner for Eddie Gaedel, the midget Bill Veeck used as a pinchhitter in 1951... teammates at UCLA included Corey Pavin, Steve Pate and Duffy Waldorf... was two-time All-American at UCLA.

**TOUR VICTORIES (1):** 1995 Deposit Guaranty Golf Classic

**BEST 1995 FINISH:** 1 -- Deposit Guaranty Golf Classic

**1995 SEASON:** After finishing 157th on the 1994 money list, Ed lost his exempt status and was reclassified as a Veteran Member (with 150 or more career made cuts)...idled early in year by shoulder injured while lifting one of his vintage pinball machines...as a result, the Deposit Guaranty Classic in July was only his third start of 1995...after rounds of 68-68-70, he began the final round tied for seventh, three strokes behind Dicky Thompson...his final-round 66, which included a 32 on the second nine, earned a two-stroke victory over Gil Morgan...it was the first PGA TOUR win in his career, which began in 1975...was the oldest first-time winner since John Barnum captured the 1962 Cajun Classic at 51...the two-year exemption will take him past his 50th birthday...after the win, Dougherty resumed the schedule pace he had maintained in 1990-93 when he was among the busiest players on TOUR...wasn't able to regain the form he displayed in Mississippi and, in his final 12 starts, his best finish was a T33 at NEC World Series of Golf.

## Did You Know?

*Hal Sutton's closing 61 to win the B.C. Open was the lowest final-round score posted by a winner on TOUR since Johnny Miller shot a final-round 61 in winning the 1975 Dean Martin Tucson Open. One big difference, however -- Miller won by nine strokes, Sutton won by one.*

## JOHN MORSE...continued

**1995 SEASON:** Ended any talk of sophomore jinx in season's first week, when he won the United Airlines Hawaiian Open...after an opening 71, shot back-to-back 65s to take a two-stroke lead after 54 holes...closed with 68 for a three-stroke victory at \$216,000...took advantage of par-5s at Waialae CC, playing them in 18 under par, including eagle on final hole... T18 at Phoenix Open two weeks later...in next 15 starts, posted no better than T56 and failed to cash in 10 tournaments...recovered by making final six cuts of year and nearly returning to winner's circle at Buick Challenge...with rounds of 71-68-67 was T3, one stroke behind Fred Funk and Steve Stricker...final-round 67 not enough to catch Funk as he finished T2, one stroke behind...in final official start, shot 70-69-71-70 for T3 at LaCantera Texas Open, one of only four golfers to better par each day.

**CAREER HIGHLIGHTS:** Qualified for TOUR in 1994 by finishing fifth on 1993 NIKE TOUR money list...in rookie season, retained card for 1995 with quick start which included T14 at United Airlines Hawaiian Open, T12 at Freeport-McMoRan Classic and T6 at Kmart Greater Greensboro Open...winner of '93 NIKE New England Classic...year also featured pair of consecutive T2 finishes (New Mexico and Wichita), followed by T3 at Texarkana last three weeks of August...also had T3 at Hawkeye Open...played Australasian Tour from 1989-92...returned to Australia following conclusion of '93 NIKE TOUR for select events...winner of 1990 Australian Open in playoff with Craig Parry...that victory provided spot in 1991 NEC World Series of Golf, where T27 brought check for \$9,116 (only PGA TOUR payday prior to 1994)...former Big 10 champion.

**PERSONAL:** Very much enjoyed Australian experience...decision to play 1993 NIKE TOUR rather than in Australia based on birth of daughter Christina...failed six times to earn playing card at Qualifying Tournament...all-conference high school basketball selection.

**1995 HIGHLIGHTS:** His first year without a victory was still one of his most consistent on TOUR...earned best finish with fourth at the Northern Telecom Open...started third round one stroke behind eventual winner Phil Mickelson...a 68 tied Jim Gallagher, Jr., and Mickelson for 54-hole lead...final-round 70 left him two strokes behind Mickelson...earned second and last top-10 finish in Shell Houston Open, where placed T6...followed Houston with three top-25 finishes in next four starts: 14 BellSouth Classic, T15 Colonial, T21 Memorial...put together a string of four top-25 finishes from mid-June through July: T21 U.S. Open, T14 FedEx St. Jude Classic, T13 Motorola Western Open, T11 British Open...was in contention through three rounds of Motorola Western Open and 54-hole co-leader with Steve Lowery before Sunday 74 dropped him four strokes behind winner Billy Mayfair...last top 25 finish was 25th in Sprint International...in unusual early-season incident, was forced to withdraw from United Airlines Hawaiian Open when his club shattered against a tree during a second-round shot attempt, striking him below the left eye...sunglasses may have saved him from serious injury...suffered only a bruise and arm cut, then rebounded the next week with Northern Telecom T4.

**CAREER HIGHLIGHTS:** Has proven himself to be a force in early-season events...had top-10 finishes in two of first four starts in 1993, including three-stroke victory in AT&T Pebble Beach National Pro-Am...opened with back-to-back 68s at Pebble Beach and Poppy Hills, closed with three-stroke decision over Billy Ray Brown...carded back-to-back 66s and a 69 in 1994 United Airlines Hawaiian Open to trail Davis Love III, who posted a second-round course-record 60, by two strokes after three rounds...closed with 68 to edge Love by one stroke and post second TOUR victory...victory in Hawaii, combined with T11 in Mercedes Championships, produced earnings of \$244,250 in first two events of '94, over 80% of his total earnings for the year...qualified for TOUR as one of five co-medalists from 1992 Qualifying Tournament...of that group, was only one to retain playing privileges for 1994...qualified for 1991 NEC World Series of Golf by winning 1990 Australian PGA Championship...voiced at that time his strong desire to play PGA TOUR.

**PERSONAL:** Adopted at three weeks, a fact he talks about freely...was introduced to golf just after reaching his teens...his "gift for gab" has made him a gallery favorite...putting woes very nearly drove him from game...has tried putting every way imaginable: conventional, cross-handed, Langer-style and currently the long putter...because of his height and rail-thin frame, is a self-described "1-iron with ears"...as to his penchant for staying in inexpensive hotels, once said: "Maybe I'm a miser, but all I need is a toilet, bed and a TV."

Challenge (with Joey Sindelar)...winner 1971 World Junior Championship, 1973 U.S. Amateur at Inverness...two-time All-American at USC (1974-75)...member 1975 Walker Cup team.

**PERSONAL:** One of game's most colorful personalities and gallery favorites...nickname "Walrus" needs no explanation...gained revenge on "Stadler Tree" at Torrey Pines in 1995, when he cut down diseased tree with a chainsaw...tournament officials thought him perfect for the job, since he was disqualified for "building a stance" under the tree when he knelt on a towel to hit a ball from underneath it in 1987.

Robert Trent Jones Golf Club,  
site of a United States victory in  
the inaugural Presidents Cup  
Match, will be the venue for the  
1996 Presidents Cup Sept. 13-15  
on Lake Manassas in Prince  
William County, VA.

**SPECIAL EVENTS**

## THE PRESIDENTS CUP

The Presidents Cup Match was conceived as a means of giving many of the world's best (non-European) players an opportunity to compete in international team match play competition. A biennial event played in non-Ryder Cup years, the second Presidents Cup will be held this year, September 13-15, at Robert Trent Jones Golf Club on Lake Manassas in Prince William County, VA.

The first Presidents Cup Match was contested September 16-18, 1994 at Robert Trent Jones GC. The United States Team, captained by Hale Irwin, defeated the International side of David Graham, 20-12. Graham returns as captain of the Internationals in September. Arnold Palmer, no stranger to high-level international competition, succeeds Irwin as captain of the U.S. Team.

Members of the U.S. squad will be selected based on official earnings from the start of the 1995 season through the 1996 NEC World Series of Golf. All 1996 money is doubled. International Team players are chosen on the basis of Sony World Rankings at the conclusion of the 1996 NEC World Series of Golf. International Teams do not include any players eligible for the European Ryder Cup team.

The rankings are used for selection of 10 members of each squad. Two captain's choices apiece round out the 12-man teams.

The Presidents Cup competition consists of 10 matches (five foursomes and five four-ball matches) each of the first two days. Each member of the two 12-man squads must play each day.

There are 12 singles matches involving all players on the final Sunday, which this year is September 15. All singles matches will be played to conclusion. No singles matches will be halved, or tied. All matches are worth one point each, for a total of 32 points.

If, at any time, a Presidents Cup Match is deadlocked at the end of singles play, there will be a sudden-death playoff between two players designated in advance by the respective captains.

As is the case with virtually all activity involving the PGA TOUR, charity is the ultimate winner at the Presidents Cup.

There is no purse for the players. Net revenues are divided into 26 equal shares, which the players and captains designate for charities or golf-related projects of their choice. Contributions in their names are made through PGA TOUR Charities, Inc.

Former President Gerald R. Ford presided over the first Presidents Cup Match as Honorary Chairman. Former President George H.W. Bush, like Ford an avid golfer, will serve as Honorary Chairman of this year's Presidents Cup Match.

Members of the Presidents Cup Committee include, among others, representatives of the PGA Tour of Australasia, PGA of South Africa, Asia-Pacific Golf Confederation and the Royal and Ancient Golf Club of St. Andrews.

## RYDER CUP MATCHES

The Ryder Cup Matches developed from a match played between representatives of the American and British Professional Golfers' Association in England in 1926. That unofficial match, incidentally, was won by the British 13 1/2 to 1 1/2.

Following this highly successful exhibition, Samuel A. Ryder, a wealthy British seed merchant, offered to donate a solid gold trophy bearing his name to be competed for in a series of matches between professionals of the two nations.

From the start of the series through the 1959 Ryder Cup matches, the competition was comprised of four foursome matches one day and eight singles matches the other day, each at 36 holes.

In 1961, the format was changed to provide for four 18-hole foursomes the morning of the first day and four more that afternoon, then for eight 18-hole singles the morning of the second day and eight more that afternoon. As in the past, one point was at stake in each match, so the total number of points was doubled.

In 1963, for the first time, a day of four-ball matches augmented the program to add new interest to the overall competition. This brought the total number of points to 32.

In 1977, the format was altered once again. This time there were five foursomes on the opening day, five four-ball matches on the second day, and 10 singles matches on the final day. This reduced the total number of points to 20.

For 1979, eligibility for the Great Britain-Ireland side was expanded to include all British PGA/European TPD members who are residents of European nations.

The 1997 Ryder Cup Matches will be played September 26-28, 1997, at Valderrama, Costa del Sol, Spain.

## THE RYDER CUP

The 1995 U.S. Ryder Cup Team was selected by way of Ryder Cup points earned from the beginning of 1994 through the 1995 PGA Championship. The top 10 point-getters qualified for the 12-man team. U.S. Captain Lanny Wadkins selected Fred Couples and Curtis Strange to complete the team.

Points were awarded to the first 10 positions in each PGA TOUR event on the following basis, with points weighted toward the 1995 season:

PGA Championship, U.S. Open, Masters Tournament and the British Open (1994/1995): 1st—225/300; 2nd—135/180; 3rd—120/160; 4th—105/140; 5th—90/120; 6th—75/100; 7th—60/80; 8th—45/60; 9th—30/40; 10th—15/20.

All other PGA TOUR events (1994/1995): 1st—75/150; 2nd—45/90; 3rd—40/80; 4th—35/70; 5th—30/60; 6th—25/50; 7th—20/40; 8th—15/30; 9th—10/20; 10th—5/10.

If a player who was ineligible finished in one of those positions, no points were awarded for that position. In order to be eligible, a player must be a U.S. citizen and a member of the PGA of America.

## WORLD CUP OF GOLF

Fred Couples and Davis Love III were part of history and made history at the 41st World Cup of Golf, played at the TPC at Mission Hills in Shenzhen, China in November 1995.

The competition among 32 teams from around the world was the first major international golf competition in the People's Republic of China. And with their 14-stroke victory over Robert Allenby and Brett Ogle of Australia, Couples and Love became the first team to win four consecutive World Cups, extending their own record. They also equaled Jack Nicklaus and Arnold Palmer's record of four team victories; Palmer and Nicklaus won the World Cup in 1963-64 and 1966-67.

The 42nd World Cup of Golf will be staged this year at the Erinvale Golf Club near Cape Town, South Africa. Dates of the competition are November 21-24.

## Andersen Consulting World Championship of Golf

On October 19, 1994, plans were announced for the Andersen Consulting World Championship of Golf, an international match-play competition designed to determine "the best professional golfer in the world." First-round and regional finals competition produced four regional champions.

The four — Mark McCumber (United States), David Frost (Rest of the World), Barry Lane (Europe) and Massy Kuramoto (Japan) — met at Grayhawk Golf Club in Scottsdale, AZ December 30-31, 1995 to determine the first "World Champion." That first winner earned \$1 million from the total purse of \$3.65 million, as will the 1996 champion.

But whereas finalists for that first championship were determined through play at two sites each (except for Japan) over a period of months, all regional competition (first-round, semifinals and championship) in the Andersen Consulting World Championship of Golf will take place at one site over two days.

Eight players from each of the four regions ("Rest of the World" is now known as International) comprise the 32-man field. Seven players from each region are invited based on the Sony World Rankings. The eighth competitor is a sponsor's invitation and seeded eighth.

The Andersen Consulting World Championship of Golf is sanctioned by all five of the world's major tours — the PGA TOUR, the PGA European Tour, the Japan PGA Tour, the PGA Tour of Australasia and the FNB Tour in South Africa.

The schedule of matches for 1996 is as follows:

Date	Championship	Site
March 2-3	Japan Championship	Kagoshima, Japan
April 22-23	U.S. Championship (Great Waters Course) Lake Oconee, GA	Reynolds Plantation
May 20-21	European Championship	London, England
July 29-30	International Championship (River Course) Kohler, WI	Blackwolf Run
Jan. 4-5, 1997	World Championship Scottsdale, AZ	Grayhawk Golf Club

ESPN will provide 38 hours of coverage of the 1996 tournament, with same-day, prime-time coverage of the April 22 U.S. matches and both days of the International competition. The World Championship semifinals will be aired live on January 4, 1997. The World Championship match will be broadcast live by ABC Sports.

There also will be same-day coverage of Day 2 of the U.S. competition and the European matches; the Japan Championship will air in June. ESPN also will air two preview shows, one on April 19 and a World Championship Preview on January 5, 1997.

## VARDON TROPHY

The Vardon Trophy, named in honor of famed British golfer Harry Vardon, was placed in competition among American professionals in 1937. It was the successor to the Harry E. Radix Trophy, which had been awarded annually to the professional having the finest tournament record in the U.S. The Vardon Trophy is a bronze-colored plaque measuring 39" by 27" and features sculpted hands replicating Vardon's famed overlapping grip. From 1947 to 1987, the Vardon Trophy was awarded to the professional golfer with the lowest scoring average. In 1988, the criteria was adjusted to award the Vardon Trophy to the touring professional with the lowest adjusted scoring average. It is based on a minimum of 60 official rounds in events cosponsored or approved by the PGA TOUR, with no incomplete rounds (i.e. stipulated rounds as defined by the Rules of Golf, as approved by the USGA and the Royal & Ancient Golf Club of St. Andrews, Scotland). The adjusted score is computed from the average score of the field at each tournament. As a result, a player's adjusted score may be higher or lower than his actual score. For example, a player shoots 70 each day at a tournament while the field average was 73. His 280 total would then be adjusted to 268, since he actually played 12 shots better than the field during the tournament. Any player with an incomplete round will be ineligible to win the Vardon Trophy.

# MERRILL LYNCH SHOOT-OUT SERIES

A 10-man competition covering nine holes of play, the Merrill Lynch Shoot-Out Series, now in its ninth season, will be held at 18 different PGA TOUR events in 1996, with the weekly winners collecting \$5,000 from the \$15,100 purse.

What is a Shoot-Out? The format is easy to understand and a pleasure to watch. Ten players begin. On each hole, the player with the highest score is dropped from the field. If there is a tie, those players participate in a sudden-death playoff where a pitch shot, a chip or a long putt is executed to eliminate the player farthest from the hole.

**Weekly Shoot-Outs:** The 1996 Merrill Lynch Shoot-Out Series competitions will be held on Tuesday of tournament week. The field for each Shoot-Out consists of that tournament's defending champion, the six leading money winners entered in that tournament and three sponsor selections.

**Shoot-Out Championship:** The field for the final competition consists of the top three money winners on the 1996 PGA TOUR Official Money List and seven sponsor selections. Ten players will vie for \$600,000 in prize money, with \$150,000 going to the winner. Curtis Strange won the title in 1995 at the Mid Ocean Club in Tucker's Town, Bermuda. The Merrill Lynch Shoot-Out Championship returns to Bermuda for the third year on October 15, 1996.

## CENTINELA FITNESS CENTER

The "Official Hospital of the PGA TOUR" since 1984, Centinela Hospital Medical Center in Inglewood, CA again will sponsor the Centinela Hospital Player Fitness Center (CHPFC) on TOUR in 1996.

One of the TOUR's most popular innovations, the CHPFC is a mobile gymnasium that includes state-of-the-art exercise equipment, television, stereo, three treatment tables, various physical therapy modalities and a full line of vitamins.

Staffed by qualified physical therapists, the CHPFC travels to the vast majority of TOUR events across the country, providing both rehabilitative and preventive care for TOUR members.

During its 13 years on TOUR, the Centinela Hospital Player Fitness Center has attracted the interest of virtually every player, with at least 80 percent using the mobile unit on a regular basis. Housed in a 45-foot-long trailer (expandable to 24 feet wide when parked), the Centinela Hospital Player Fitness Center enables TOUR pros to maintain peak levels of performance at absolutely no cost to the individual players.

According to Dr. Frank Jobe, Medical Director of the PGA TOUR and team physician of the Los Angeles Dodgers, "Centinela Hospital Medical Center provides each player with a personal physical conditioning program based on that individual's current level of conditioning." Dr. Jobe works with Dr. Lewis Yocum, Assistant Medical Director of the PGA TOUR and orthopedic consultant for the California Angels.

The CHPFC has made its impact, with many players finding the center and available technicians an invaluable aid to their success on TOUR. In fact, many players have commented that they would have been unable to compete in some tournaments without the facility.

"If they'd had this setup several years ago," Fuzzy Zoeller said, "it might have saved me from having back surgery."

"If it wasn't for the Centinela Hospital Player Fitness Center," said Curtis Strange, "I wouldn't be here."

Centinela Hospital Medical Center's Biomechanics Laboratory has done research and testing on professional golfers' swings and, based on the results, developed scientific exercise programs that are available through books and videotapes. These programs, designed by Dr. Jobe and Dr. Yocum, have helped countless golfers stretch their potentials while minimizing the risk of injury. For more information, contact Centinela Hospital Medical Center.

**Bayer Aspirin** supports the Centinela Hospital Player Fitness Centers by providing players with one of the leading pain-relievers on the market. Bayer also conducts consumer sampling at tournaments and explores new ways to provide better healthcare products for golfers.

The products contributed by sponsors of the Centinela Hospital Player Fitness Centers have helped make the facility such a success that a similar fitness van has been operating on the Senior PGA TOUR since 1986.

The Centinela Hospital Player Fitness Centers are out on TOUR in 1996.

Jim Gallagher, Jr., with victories at the Greater Greensboro Open and FedEx St. Jude Classic, went over \$1 million for the second time in his career in 1995.

CHARITY AND THE TOUR

## PGA TOUR EVENTS RAISED \$25.2 MILLION FOR CHARITY IN '95

Charity, as the old line goes, begins at home.

That was certainly true on the PGA TOUR in 1995, when TOUR events raised \$25.2 million for charities in tournament hometowns.

"We are very proud that our events have such a positive impact on the communities in which they are played every year," said TOUR Commissioner Timothy W. Finchem. "Providing the very best playing opportunities for our members while contributing to charities are at the heart of everything we do.

"The American Golf Sponsors and the thousands of volunteers who work at our events deserve a great deal of credit for what they accomplish in their communities week in and week out," Finchem noted.

The \$25.2 million total surpassed the previous one-year record of \$24.7 million, set in 1994. Charity dollars from the Senior PGA TOUR and NIKE TOUR will push the total 1995 PGA TOUR contributions to charity well over the \$30 million mark for the second year in a row.

Since the first charity donation tournament in 1938, more than \$275 million has been raised by the events on the three tours operated by the PGA TOUR. The \$300 million barrier will fall sometime during the 1996 season.

## TOURNAMENT PLAYERS CLUBS

An original concept of the PGA TOUR, Tournament Players Clubs have gone from a dream to a Network that now encompasses 15 courses in 10 states and, with the addition of Non-Domestic TPCs, three foreign countries. Last November, the TPC at Mission Hills near Shenzhen became the first facility to serve as host for a major golf competition in the People's Republic of China when it was the venue for the 41st World Cup of Golf.

It was the TOUR's view that the spectator had been left out in golf course design throughout the years. When it came time for the PGA TOUR to build its own course, the opportunity presented itself to design a course that not only challenged the players but also allowed spectators to see the action as never before.

It's called "Stadium Golf"—and once you've viewed a tournament on a Stadium Golf Course, you'll understand why the network has grown in such a short period of time.

Spectator mounds afford fans unrestricted views, whether on tee shots, fairway shots or on the greens. In fact, the 18th hole at the original TPC at Sawgrass can accommodate crowds of some 30,000 people--all with a clear view of the action. You won't see any periscopes at an event on a Tournament Players Club golf course.

The Network began in 1980 with the TPC at Sawgrass, which annually is host to THE PLAYERS Championship, and quickly grew into the present number of 15. All TPCs are designed to serve as host sites for PGA TOUR or Senior PGA TOUR events, and the clubs have been designed by some of the top architects in the business — Pete Dye, Arnold Palmer, Arthur Hills, Jay Morrish, Mark McCumber, Tom Weiskopf, Bob Von Hagge and Jack Nicklaus, to name just a few.

In addition, one of the things that adds a bit of spice to all TPCs is that a PGA TOUR player (or, in some cases, two) is assigned to serve as consultant to the designer. Ed Sneed, Fuzzy Zoeller, Hubert Green, Craig Stadler, Ben Crenshaw, Al Geiberger and Chi Chi Rodriguez have been among those lending their expertise to the TPC Network.

The Network, in reality, is a nationwide country club. A premium membership at one TPC affords the member a chance to play at any of the other clubs across the country and an opportunity to view the greatest players in the world in action on his own course once a year.

Since the Tournament Players Club at Sawgrass opened, the TPC Network truly has become "the best set of clubs in America."

## PGA TOUR PRODUCTIONS

PGA TOUR Productions is the television, film and video production company of the PGA TOUR.

Most people know PGA TOUR Productions by its award-winning "Inside the PGA TOUR" and "Inside the Senior PGA TOUR" programs, which are broadcast each week on ESPN and are celebrating their 12th and sixth seasons, respectively.

Productions is a diverse company delivering a wide range of creative services to an international clientele. Its film capacity has expanded to include production of the TOUR's "Anything's Possible" public service announcement (PSA) campaign, as well as numerous other commercials, tournament and pro-am highlight programs, corporate and promotional sales videos and home videos.

In addition to the "Inside" shows, Productions has developed an expertise in delivering live and live-to-tape golf events, including the Merrill Lynch Senior TOUR Shoot-Out Championship, the 1995 Remax North American Long Drive Championship and the Andersen Consulting World Championship of Golf.

PGA TOUR Productions also serves its worldwide clientele by producing, in conjunction with the networks, international live telecasts of select PGA TOUR events. More than 100 million viewers in more than 100 countries enjoy PGA TOUR events and programming enhanced by PGA TOUR Productions.

Along with the latest in television and communications technology, PGA TOUR Productions houses the world's most extensive library of golf footage. In the near future, PGA TOUR Productions will move its headquarters to the World Golf Hall of Fame complex located in Florida's St. Johns County.

## WORLD GOLF VILLAGE

Florida's First Coast, home of THE PLAYERS Championship since 1977 and the PGA TOUR since 1979, will soon welcome one of the most exciting projects in the history of the game of golf: the World Golf Village.

Situated on Interstate 95 in St. Johns County, just 22 miles south of Jacksonville and eight miles northwest of St. Augustine, the World Golf Village will offer year-round golf and resort facilities, anchored by the new 75,000-square-foot World Golf Hall of Fame. Additional amenities will include a major hotel and conference center, 54 holes of golf, a PGA TOUR Golf Academy, both corporate and vacation villas, an upscale festival shopping area, the International Golf Library and Resource Center, new video and television studios for PGA TOUR Productions, a Mayo Clinic Sports Medicine facility and more. The first phase of the World Golf Village is scheduled to open in late 1997.

The new Hall of Fame will contain a 325-seat, big-screen theater, along with 36,000 square feet of exhibits that balance the history and traditions of the game with more contemporary interactive exhibits. They are being designed by Ralph Applebaum Associates of New York, designers of the acclaimed Holocaust Museum, and the work is being overseen by an Advisory Board that includes representatives of all major golf organizations, among them the PGA TOUR, LPGA, PGA of America, USGA, Royal & Ancient, Augusta National, National Golf Foundation and the PGA Tours of Europe, South Africa, Australasia and Japan.

"This endeavor represents the first time that all the major entities in the game have united behind a project of this magnitude," says World Golf Village Executive Director Ruffin Beckwith. "We believe this is destined to become something very special for the game of golf, for its great players and for all its fans and supporters."

Also within the building will be exhibits honoring the members of the restructured World Golf Hall of Fame, which includes all inductees into the old World Golf Hall of Fame in Pinehurst, NC, as well as all members of the LPGA Hall of Fame. Details of the restructuring will be announced later this year, with the first elections under the new structure to occur shortly thereafter.

"Nothing is as important to the game as the great players and other individuals who have contributed to golf's traditions of honor, integrity and competitive excellence," Beckwith said. "More than anything, we hope this new facility is an appropriate tribute to their accomplishments."

The World Golf Village is part of a 6,300-acre development called St. Johns, which will also include 7,200 residences and more than six million square feet of office, commercial and industrial space.

## PGA TOUR MEDIA REGULATIONS

### **General Regulations:**

The following regulations are to be followed by *all* members of the media:

1. An armband is necessary to walk inside the gallery ropes. Remain not more than an arm's length from the ropes, so as to blend into the gallery and appear to be a part of the gallery at all times.
2. Players are not to be distracted during play. Do not interview players or ask them to pose for photographs during their rounds.
3. Do not interview players or ask them to pose for photographs during their practice sessions before a round, except by prior arrangement with the player.
4. If an interview is to be conducted in the practice areas, either the range or the putting green, it must be done by prior arrangement with the player, up against the ropes and not in the middle of the areas where it could be distracting to other players.
5. Do not disturb players at their 18th green and/or scoring tent until after they have checked, signed and returned their scorecards. Media are not allowed in the scoring tent.

### **Working Press Regulations:**

To avoid embarrassment to you and distraction to the contestants:

1. Do not walk or stand in playing areas.
2. Follow directions of marshals and other officials.
3. Do not interview during play. The leading players each day -- and others requested -- will be interviewed following their rounds in the Press Room interview area.

### **Tape Recorder Regulations:**

1. All tape recorder work should be done in the proximity of the Press Room and/or clubhouse.
2. Tape recorders are not permitted in the locker room.
3. Tape recorders are not permitted within the playing area of the golf course unless written permission has been granted from PGA TOUR.

### **Weather Delay Guidelines:**

1. During weather delay situations, no one other than players and essential staff will be permitted in the locker room. This means the media is not permitted in the locker room in such situations. However, whenever possible, arrangements will be made to provide players for interviews during such situations.
2. Fully accredited members of the news media will be welcome in the locker room at all other times to carry out their assigned duties. (Note: Cameras and tape recorders are not permitted in the locker room.)

## PGA TOUR PHOTOGRAPHY REGULATIONS

Photo credentials will be issued only to personnel on assignment from recognized and accredited publications or news services. Requests for credentials must be made by the appropriate news agency, not by the photographer.

Photographic likenesses of PGA TOUR, Senior PGA TOUR and NIKE TOUR players may be used only for legitimate newspaper and magazine coverage of the events in which they are competing.

Commercial exploitation of these likenesses without written consent of the players and PGA TOUR is prohibited.

A limited number of photo armbands (or photo bibs), which permit the wearer access inside the gallery ropes, may be issued. Photographers who do not have armbands or bibs must stay outside the gallery ropes. Photographic assistants will not be issued armbands or bibs.

Cameras may be used only by accredited media representatives who have been assigned photo credentials, and such use is subject to the following conditions:

1. Photographers with photo armbands must stay within one arm's length of the ropes at all times. Photographers without armbands are not permitted inside the ropes at any time.
2. The use of golf carts is prohibited at all times.
3. Photographers must not position themselves in the line of play. If requested to move by a player, his caddie or an official, the photographer will do so without delay or discussion.
4. No photograph shall be taken until a player has completed his stroke.
5. Players should not be asked to pose during a round.
6. Noise-free equipment must be used at all times.
7. Cameras are not permitted in the scoring tent or in the locker rooms.

The Photographer shall indemnify, defend and hold the Tournament and the PGA TOUR and their respective officers, agents, representatives, successors and assigns harmless from and against any and all expenses, lawsuits, damages, costs and liabilities (including reasonable attorney's fees and expenses) incurred by, arising from or in connection with (1) the unauthorized use of photographs taken by the Photographer, whether such unauthorized use is by the Photographer, the company designating the Photographer to use the credential on its behalf, or some third party to whom the photographs are distributed; (2) any injuries resulting from acts or omissions by the Photographer or some third party to whom the Photographer directly or indirectly distributed the material; (3) any cameras, wires, cables or other equipment brought to the premises by the Photographer, or (4) the use of any photographs of any matter other than coverage of the Tournament.

## PGA TOUR TELEVISION COVERAGE REGULATIONS

The PGA TOUR retains exclusive television rights (including but not limited to broadcast, cable, home video) to all events on the PGA TOUR, Senior PGA TOUR and NIKE TOUR. No live or tape-delayed broadcast of any portion of any PGA TOUR, Senior PGA TOUR or NIKE TOUR event is permitted without the prior written consent of the PGA TOUR.

In most cases, play-by-play television rights have been sold for network broadcast.

Stations or networks which have not purchased the rights to originate play-by-play coverage of events from the PGA TOUR are permitted to broadcast highlights coverage of such events only under the following conditions:

1. Televised coverage shall not be in excess of three minutes of highlights daily from each TOUR (and six minutes total for all three TOURS) and may not purport to be live, play-by-play coverage from the course. Requests for expanded coverage must be submitted in writing to the PGA TOUR.
2. All highlights coverage must be part of regularly scheduled news and/or sports programs.
3. Highlights from any day's play may not be broadcast or used for any other purpose after seven days from the conclusion of play each day.
4. No action footage of any day's play may be broadcast until that day's live or tape-delayed coverage by the television network is concluded.
5. No footage may be inserted into any commercial announcement or sold to any other broadcast entity or agency.
6. As the exclusive rights holder, PGA TOUR is the absolute owner of all footage shot at the tournament site (golf action or other footage) and may request copies of any footage shot at PGA TOUR, Senior PGA TOUR and NIKE TOUR events. Such footage will be provided to the TOUR at cost upon request.
7. The use of golf carts is prohibited at all times.
8. Only personnel with appropriate credentials will be allowed inside the gallery ropes, and they must stay within one arm's length of the ropes at all times. All support personnel must remain outside the ropes.

## SONY RANKING

Originally formulated in 1986, the Sony Ranking is a computerized system that provides a reference source to the relative performance of the world's leading professional golfers.

The Sony Ranking is issued every Monday, following completion of the previous week's tournaments from around the world. The official events from the world's leading tours are taken into account. Points are generally awarded according to the players' finishing positions and are related to the number and ranking of the players in the respective tournament fields. However, the Masters Tournament, U.S. Open, British Open, PGA Championship and THE PLAYERS Championship are rated separately to reflect the higher quality of the events and the stronger fields participating.

The Sony Ranking had previously been based on a three-year "rolling" period weighted in favor of the more recent results. But from December 31, 1995, the system was changed to a two-year "rolling" period, with the points accumulated in the most recent 52-week period doubled.

Each player is then ranked according to his average points per tournament, which is determined by dividing his total number of points by the number of tournaments he has played over that two-year period. There is a minimum requirement of 20 tournaments for each 52-week period.

For example, if a player were in 32 tournaments in the most recent 52 weeks and 15 events in the previous 52 weeks, his divisor would be 52 (32 plus 20). A player who was in 32 tournaments in each year would have a divisor of 64 (32 plus 32).

The winners of the Masters, U.S. Open, British Open and PGA Championship are awarded 50 points (doubled to 100 in current year). THE PLAYERS Championship is among several tournaments at the next level whose winner is awarded 40 points (80 in the current year). The winner of a tournament with a relatively strong field would receive approximately 25-30 points (50-60 in current year).

The Sony Ranking International Advisory Committee, a worldwide panel which includes a representative from the PGA TOUR, meets periodically to review and monitor the Sony Ranking system in order to recommend refinements or modifications for the consideration of the Championship Committee of the Royal and Ancient Golf Club of St. Andrews, the sanctioning body of the Sony Ranking.

The Sony Ranking is available each week at PGA TOUR sites. The top 20 as of December 3, 1995 (based on the new two-year system) was as follows:

POS.	PLAYER	AVERAGE	POS.	PLAYER	AVERAGE
1.	Greg Norman	13.76	11.	Jumbo Ozaki	7.10
2.	Nick Price	11.19	12.	Jose Maria Olazabal	6.34
3.	Ernie Els	10.38	13.	Loren Roberts	6.20

9.	Tom Lehman	7.31	19.	Davis Love III	4.89
10.	Fred Couples	7.22	20.	Ben Crenshaw	4.83
