NIKE TOUR COMES OF AGE WITH FIFTH BIRTHDAY

When Mike Springer won the first-ever NIKE TOUR event February 4, 1990 in Bakersfield, CA, many wondered if the upstart TOUR would stand the test of time. The NIKE TOUR now has completed its fifth year, and the primary goal of providing young players a place to refine their skills and prepare themselves for life on the PGA TOUR certainly has been achieved.

A total of 148 NIKE TOUR events were held from 1990-94, with 96 different players claiming victory. Forty-seven of those winners have playing privileges on the 1995 PGA TOUR (number in parenthesis indicates total PGA TOUR wins):

Tommy Armour III (1)	Keith Fergus (3)	Tom Lehman (1)	Charlie Rymer
Emlyn Aubrey	Jim Furyk	Tim Loutalot	Mike Springer (2)
Pat Bates	Buddy Gardner	Steve Lowery (1)	Dave Stockton Jr.
Mike Brisky	Kelly Gibson	Jeff Maggert (1)	Ron Streck (2)
Curt Byrum (1)	Paul Goydos	Doug Martin	Dicky Thompson
Jim Carter	Scott Gump	Dick Mast	Tommy Tolles
Brandel Chamblee	Jerry Haas	Gary McCord	Ted Tryba
Lennie Clements	Brian Henninger (1)	Jim McGovern (1)	Omar Uresti
Frank Conner	Lon Hinkle (3)	John Morse (1)	Stan Utley (1)
John Daly (3)	Ed Humenik	Chris Perry	Bruce Vaughan
Clark Dennis	Brian Kamm	Bill Porter	Jeff Woodland
David Duval	Skip Kendall	Don Reese	

The 1994 PGA TOUR schedule included 43 official events, and in 40 of those tournaments at least one NIKE TOUR alumnus finished in the top 10.

The 1994 Deposit Guaranty Golf Classic was won by Brian Henninger and had five additional alumni finish in the top 10, the most of any tournament last year.

In addition, seven NIKE TOUR alumni were victorious on the 1994 PGA TOUR: John Daly, Ernie Els, Mike Heinen, Brian Henninger, Tom Lehman, Steve Lowery and Mike Springer (see page 131 for more information).

The goal of all players on the NIKE TOUR is to finish in the top 10 on the year-end money list and win an automatic berth on the 1996 PGA TOUR. During the first two years, only five players were awarded PGA TOUR exemptions but due to the success of the graduates, the number was increased to 10 beginning in 1992.

In addition to the 10 1994 money-list graduates, 12 members of the 1994 NIKE TOUR earned their 1995 cards via the 1994 qualifying tournament for a total of 22 members of the 1994 NIKE TOUR now playing on the PGA TOUR.

The NIKE TOUR is a collective effort of the PGA TOUR, NIKE, local civic organizations and the PGA of America and its Sections. Initially known as the Ben Hogan Tour, NIKE became the title sponsor following the 1992 season.

The total purse for 1990 was \$3,050,000 and has grown to \$6,125,000 in 1995. The total dollars generated for charity by the NIKE TOUR since 1990 is more than \$6.7 million (see page 130 for more information).

A MESSAGE FROM NIKE

WE'RE EXCITED ABOUT YEAR THREE

The NIKE TOUR has been tremendously successful, thanks to positive responses and partnerships developed in our first two years. These partnerships include the PGA TOUR, NIKE TOUR players, golf fans from coast to coast, the media and local corporate sponsors. These partners have committed to revitalize the basic purpose of the TOUR when it was established:

1. Identify golf's "Next Generation of Champions."
2. Significantly benefit charities in those communities.
3. Bring PGA TOUR quality competitions to new cities.

Has it worked? We'll let you be the judge.

From a competitive viewpoint, the NIKE TOUR has reached new levels and the graduates continue to rise to the top of the money list on the PGA TOUR. In fact, during the five-week stretch from April 24 to May 22 on last year's PGA TOUR, all five winners were players who previously had seen action on the NIKE TOUR. They were Mike Springer, Mike Heinen, John Daly, Neal Lancaster and Tom Lehman. This has led many golf analysts to recognize the NIKE TOUR as golf's success story of the 1990's, just as the Senior PGA TOUR was golf's success story of the 1980's.

The players are not the only winners on the NIKE TOUR. NIKE TOUR Pro-Ams and special events helped raise more than \$1 million for charities last year, pushing donations to organizations such as the Boys & Girls Clubs of America and Special Olympics to more than \$6.5 million since the Tour's inception.

Local communities also have been big winners. NIKE TOUR events are played in parts of North America which otherwise might not get to see professional golf "up close and personal." Additionally, many of the best mid-sized cities in the country are able to generate deserved attention that goes along with hosting a major sporting event.

For NIKE, the opportunity to become part of the fabric of both the game of golf and the communities which play host to the NIKE TOUR was a key factor going into the sponsorship and continues as a key objective.

According to NIKE Chairman and CEO Philip H. Knight, "the typical benefits of sponsorship are much less important to NIKE than the chance to be associated with what the game is all about. Over the years, we have found that our business has performed better when we have been closely involved on an emotional level with the fabric of a particular sport."

Overall, the NIKE TOUR has experienced unprecedented success in NIKE's first two years of involvement. At NIKE, we would like to thank the communities, players, corporate sponsors and media for making it so successful. With your help, 1995 will be full of new milestones.

1994 NIKE TOUR FULL OF EXCITEMENT

The NIKE TOUR celebrated its fifth birthday in 1994, and one would be hard pressed to select the most memorable moment from a year packed with excitement.

Chris Perry was selected the Player of the Year after leading the TOUR with a record-setting \$167,148 in earnings and an even more impressive record of not missing a cut in any of his 24 events last year.

Nine players joined Perry in graduating to the 1995 PGA TOUR on the basis of finishing in the top-10 on the 1994 NIKE TOUR money list. The 1994 graduating class includes:

1. CHRIS PERRY - winner NIKE Utah Classic and posted lowest scoring average for the year--69.77.
2. SCOTT GUMP - winner NIKE Monterrey Open and NIKE Greater Greenville Classic
3. PAT BATES - winner NIKE Dakota Dunes Open
4. JIM CARTER - winner NIKE New Mexico Charity Classic
5. SKIP KENDALL - winner NIKE Inland Empire Open and NIKE Carolina Classic
6. BRUCE VAUGHAN - winner NIKE Pensacola Classic and NIKE Permian Basin Open
7. TOMMY ARMOUR III - winner NIKE Miami Valley Open and NIKE Cleveland Open (consecutive events)
8. DAVID DUVAL - established mark for most earnings in season (\$126,430) without posting victory (four top-three finishes and 10 top-10 performances)
9. JERRY HAAS - season-high three victories, NIKE Greater Ozarks Open and consecutive wins at NIKE Tri-Cities Open and NIKE Sonoma County Open
10. EMLYN AUBREY - T2 finish at NIKE TOUR Championship allowed him to move into final spot despite playing in only 19 events during year; did not miss cut and had eight top-10 finishes

A record 15 players had winnings of more than \$100,000; with Sonny Skinner, Lee Rinker, Keith Fergus, Bill Murchison and Clark Burroughs joining the graduates in the \$100,000-plus club.

The events all were very competitive with playoffs required to win six of the 28 tournaments.

Jerry Haas' three wins in 1994 certainly was a big story last year. Haas was contemplating giving up professional play after missing the cut in 11 consecutive events early in the season. His brother Jay, a PGA TOUR veteran, suggested that Jerry change to the Bernard Langer--style of putting grip and two weeks later he won the NIKE Ozarks Open. He later added wins at the NIKE Tri-Cities and NIKE Sonoma County Opens in consecutive weeks.

Tommy Armour III managed to win consecutive events earlier in the year to become the first player in the five-year history of the TOUR to accomplish that feat.

Vic Wilk became the first left-handed golfer in NIKE TOUR history to win with a one-stroke victory at the NIKE Knoxville Open.

Omar Uresti also found a place in not only the NIKE TOUR record book in 1994, but also all of professional golf, with an amazing streak of nine consecutive birdies during the third round of the NIKE Shreveport Open. The mark on both the PGA TOUR (Bob Goalby, Fuzzy Zoeller and Dewey Arnette) and Senior PGA TOUR (Chi Chi Rodriguez) is eight.

Uresti won that tournament; but it took him six grueling playoff holes-- the longest playoff on the 1994 NIKE TOUR, before he could defeat Pat Bates and secure the win.

Individual accomplishments also were plentiful in 1994. Three players scored rounds of 61 last year: Craig Kanada (10-under-par in second round of NIKE Miami Valley Open); J.P. Hayes (10-under-par in second round of NIKE Boise Open) and Woody Austin (10-under-par in third round of NIKE Boise Open). Austin also set the course record at NIKE Ozarks Open (9-under-par 63).

Eleven course records were established last year. In addition to the three players mentioned above, other players to accomplish the feat were:

--Keith Fergus (8-under-par 64 at NIKE Panama City Beach Classic)--Chris Hunsucker (10-under-par 62 at NIKE Monterrey Open)--Ron Philo (9-under par-62 at NIKE Pensacola Classic)--Tom Carr (8-under par-64 at NIKE South Carolina Classic)--Barry Fabyan (9-under-par 63 at NIKE Dominion Open)--Scott Gump (5-under-par 67 at NIKE Gateway Classic)--Gary Webb (8-under-par 64 at NIKE Dakota Dunes Open)

In terms of NIKE TOUR history, perhaps the biggest story of the year was the season-ending NIKE TOUR Championship appearing on ESPN, ESPN2 and ESPN International. That marked the first time that a NIKE TOUR event received national and international television exposure. (The 1995 NIKE TOUR Championship will again be televised on ESPN; plus seven other events will be seen live via The Golf Channel.)

The final chapter for the 1994 NIKE TOUR was written at the 1994 PGA TOUR Qualifying Tournament at Grenelefe Resort in Haines City, FL. The grueling six-round event sends the top-40 scorers and ties to next year's PGA TOUR.

Of the 46 players who advanced to the 1995 PGA TOUR in that tournament, 12 were members of the 1994 NIKE TOUR. Woody Austin was the medalist with a four-shot victory.

The other NIKE TOUR players advancing to the PGA TOUR were Tray Tyner, Bill Porter, Charlie Rymer, Omar Uresti, Lee Rinker, Tommy Tolles, J.P. Hayes, Keith Fergus, Tim Loutalot, Clark Burroughs and Mike Smith.

Along with the 10 graduates from the money list, the total of 1994 NIKE TOUR players on the PGA TOUR in 1995 is 22. They will be joining an ever-growing list of players who have advanced to the PGA TOUR.

Tom Lehman, winner of the 1994 Memorial and Hogan Tour Player of the Year in 1991, attended the 1994 NIKE Wichita Open for a celebrity shoot-out. Lehman's first professional victory came in 1990 at that tournament, then known as the Reflection Ridge Open.

When asked about the growth of the NIKE TOUR since he played the TOUR in 1990-91, Lehman said: **"I'm convinced that 10 years from when the Hogan Tour started (1990), you are going to see the PGA TOUR filled with Hogan and NIKE TOUR players. IN 15 years, the alumni from this TOUR are going to be the dominant players on our (PGA) TOUR."**

NIKE TOUR'S TOTAL CHARITABLE DONATIONS EXCEED \$6.7 MILLION

The NIKE TOUR has generated \$6,767,890 for charity since Mike Springer won the first-ever event in Bakersfield, CA. Feb. 4, 1990.

The overall contribution from the PGA TOUR, the Senior PGA TOUR and the NIKE TOUR events now is in excess of \$250 million since the first contribution of \$10,000 was made following the 1938 Palm Beach Invitational.

The PGA TOUR produced a record contribution to charity of \$24,701,631 in 1994 and the Senior PGA TOUR and NIKE TOUR contributions for 1994 should push the PGA TOUR total to more than \$30 million for 1994.

"The announcement of a new charity record on the PGA TOUR is a highlight of the season," said Commissioner Finchem.

"This record is a tribute to our players, tournament sponsors and, of course the thousands of volunteers who make the PGA TOUR possible. This announcement is recognition of a lot of hard work and dedication," Finchem added.

More than 900 charities benefit from PGA TOUR events across the United States, Canada and Mexico.

Six players first collected wins on the PGA TOUR before winning on the NIKE TOUR. Those players, and their PGA TOUR wins, are Tommy Armour III (1990 Phoenix Open), Curt Byrum (1989 Hardee's Golf Classic), Keith Fergus (1981 Memorial, 1982 Georgia-Pacific Atlanta Classic, 1983 Bob Hope Desert Classic), Lon Hinkle (1978 New Orleans Open, 1979 Bing Crosby National Pro-Am, 1979 World Series of Golf), Ron Streck (1978 San Antonio-Texas Open, 1981 Michelob-Houston Open) and Stan Uley (1988 Chattanooga Classic).

Seven NIKE TOUR alumni were victorious on the 1994 PGA TOUR. From left, Mike Springer, Mike Heinen, Steve Lowery, John Daly, Tom Lehman, Brian Henninger. Not pictured: Ernie Els.

NIKE TOUR TRUCK CREATES TOURNAMENT ATMOSPHERE

A major task of the 30 sites hosting 1995 NIKE TOUR events is to create an environment for players and fans that is remarkably similar to that found at a PGA TOUR event.

Leading the way in this effort is the tournament operations truck, which is operated by the PGA TOUR Tournament Operations staff.

A customized 18-wheel tractor-trailer truck is provided by Ryder Systems to carry equipment to each of the tournament sites. The truck was prepared by the Winston-Salem, NC-based J.D. Bruhn Special Event Productions.

The truck contains an air-conditioned room for the innovative IBM computerized scoring system and serves as the office for the on-site Tournament Operations staff. In addition, the truck houses a storage area for many items required to host a first-class professional event: leaderboards, standards for walking scorers, quiet signs, caddie bibs, flagsticks, radios and other equipment.

The on-site Tournament Operations staff is responsible for integrating all this equipment and also supervising the training of the hundreds of volunteers who are so important to the overall success of each tournament.

Jack White is the Tournament Operations General Manager and Gerald Goodman serves as Field Manager. Matt Delaney and Todd Morton, along with a third staffer to be named, will be the on-site Tournament Operations staff members for the NIKE TOUR.

The NIKE TOUR tournament operations truck will cover approximately 20,000 miles over the course of the 1995 schedule.

MEDIA REGULATIONS

GENERAL REGULATIONS

The following regulations are to be followed by *all* members of the media:

1. An armband is necessary to walk inside the gallery ropes. Remain not more than an arm's length from the ropes, so as to blend into the gallery and appear to be a part of the gallery at all times.
2. Players are not to be distracted during play. Do not interview players or ask them to pose for photographs during their rounds.
3. Do not interview players or ask them to pose for photographs during their practice sessions before a round, except by prior arrangement with the player.
4. If an interview is to be conducted in the practice areas, either the range or the putting green, it must be done by prior arrangement with the player, up against the ropes and not in the middle of the areas where it could be distracting to other players.
5. Do not disturb players at their 18th green and/or scoring tent until after they have checked, signed and returned their scorecards. Media are not allowed in the scoring tent.

WORKING PRESS REGULATIONS

To avoid embarrassment to you and distraction to the contestants:

1. Do not walk or stand in playing areas.
2. Follow directions of marshals and other officials.
3. Do not interview during play. The leading players each day -- and others requested -- will be interviewed following their rounds in the Press Room interview area.

TAPE RECORDER REGULATIONS

1. All tape recorder work should be done in the proximity of the Press Room and/or clubhouse.
2. Tape recorders are not permitted in the locker room.
3. Tape recorders are not permitted within the playing area of the golf course unless written permission has been granted from PGA TOUR.

WEATHER DELAY GUIDELINES

During weather delay situations, no one other than players and essential staff will be permitted in the locker room. This means the media is not permitted in the locker room in such situations. However, whenever possible, arrangements will be made to provide players for interviews during such situations.

LOCKER ROOM ACCESS (Non-rain delay)

Fully accredited members of the news media will be welcome in the locker room at all other times to carry out their assigned duties. (Note: Cameras and tape recorders are not permitted in the locker room.)

PHOTOGRAPHY REGULATIONS

Photo credentials will be issued only to personnel on assignment from recognized and accredited publications or news services. Requests for credentials must be made by the appropriate news agency, not by the photographer.

Photographic likenesses of PGA TOUR, Senior PGA TOUR and NIKE TOUR players may be used only for legitimate newspaper and magazine coverage of the events in which they are competing.

Commercial exploitation of these likenesses without written consent of the players and PGA TOUR is prohibited.

A limited number of photo armbands (or photo bibs), which permit the wearer access inside the gallery ropes, may be issued. Photographers who do not have armbands or bibs must stay outside the gallery ropes. Photographic assistants will not be issued armbands.

Cameras may be used only by accredited media representatives who have been assigned photo credentials, and such use is subject to the following conditions:

1. Photographers with photo armbands must stay within one arm's length of the ropes at all times. Photographers without armbands are not permitted inside the ropes at any time.
2. The use of golf carts is prohibited at all times.
3. Photographers must not position themselves in the line of play. If requested to move by a player, his caddie or an official, the photographer will do so without delay or discussion.
4. No photograph shall be taken until a player has completed his stroke.
5. Players should not be asked to pose during a round.
6. Noise-free equipment must be used at all times.
7. Cameras are not permitted in the scoring tent or in the locker rooms.

The Photographer shall indemnify, defend and hold the Tournament and the PGA TOUR and their respective officers, agents, representatives, successors and assigns harmless from and against any and all expenses, lawsuits, damages, costs and liabilities (including reasonable attorney's fees and expenses) incurred by, arising from, or in connection with (1) the unauthorized use of photographs taken by the Photographer, whether such unauthorized use is by the Photographer, the company designating the Photographer to use the credential on its behalf, or some third party to whom the photographs are distributed; (2) any injuries resulting from acts or omissions by the Photographer or some third party to whom the Photographer directly or indirectly distributed the material; (3) any cameras, wires, cables or other equipment brought to the premises by the Photographer, or (4) the use of any photographs of any matter other than coverage of the Tournament.
