## A Message to the Media

**O**n behalf of the Nationwide Tour, its players and staff, it is my pleasure to welcome you to the 2004 season.

This marks the second year Nationwide has been the Tour's umbrella sponsor. As one of the largest insurance and financial services companies in the world, Nationwide continues to strengthen the Tour with its enthusiasm and energy. We are pleased to have such a strong company part of the PGA TOUR family.

We are very grateful for the tremendous support you have shown this Tour since its inaugural season in 1990. We are sure you will again play a significant role in communicating to your readers, listeners and viewers the stories that will unfold during the Nationwide Tour's 15th season.

The Nationwide Tour offers not only world-class golf to the markets where it holds tournaments, but it provides the players with a competitive atmosphere where they can display their vast talents. Fourteen years of success by alums on the PGA TOUR is clear evidence that the Nationwide Tour has earned a place among the world's leading professional tours.

For the second consecutive year, the Nationwide Tour will see 20 of its players earn PGA TOUR playing privileges for 2005, reflecting the growing recognition of the quality of play on this Tour.

As the season begins, Nationwide Tour alumni have won 137 PGA TOUR titles. Among those 137 victories are 10 major championships.

This season, players will compete for prize money in excess of \$15.3 million, with 31 tournaments on the schedule—including three international events to open the season, in Panama, Australia and New Zealand. For the second consecutive year, the Tour will also play two events in Canada, with the remainder of the schedule in the United States. New events in Wisconsin and West Virginia will also enhance this year's schedule.

Thank you for your interest of the Nationwide Tour. As always, members of our Communications staff stand ready to assist you in your coverage of the Tour, both at tournament sites and from our headquarters in Florida. Please do not hesitate to call on any of them for assistance.

Sincerely,

Timothy W. Finchem  
Commissioner  
PGA TOUR

Senior Vice President and Chief of Operations

## We Are the PGA TOUR

The name of our organization is the PGA TOUR, a tax-exempt membership group of professional golfers that plays more than 100 official-money tournaments on three TOURs – the PGA TOUR, Champions Tour and Nationwide Tour. Our headquarters are located in Ponte Vedra Beach, FL, southeast of Jacksonville.

We should never be referred to as the PGA as we are a different organization than the PGA (of America). We are the PGA TOUR. On second reference, you can call us the TOUR.

The PGA is the Professional Golfers' Association of America, a membership organization for the nation's club professionals. The PGA runs the PGA Championship, Senior PGA Championship and Ryder Cup Matches, among other championships. The PGA headquarters are located in Palm Beach Gardens, FL.

The PGA TOUR and PGA of America were affiliated until 1968, when the tournament players, a small subset of the total PGA membership, broke away to form the Tournament Players Division and gain more control of their finances

and tournament schedule. The Tournament Players Division was renamed the PGA TOUR in 1975. While the two organizations still work closely together today, the PGA TOUR and PGA of America are separate entities.

Two other American golf organizations are involved in men's professional tournament play, independent of the PGA TOUR but with their marquee events included on the PGA TOUR schedule as non-PGA TOUR cosponsored tournaments. The United States Golf Association, with headquarters in Far Hills, NJ, oversees the national championships (U.S. Open, U.S. Senior Open, U.S. Amateur, U.S. Women's Amateur, etc.) and administers the Rules of Golf, among other duties. The Augusta (GA) National Golf Club plays host to the Masters Tournament.

The Champions Tour will continue to combine extremely competitive golf for champions of the game age 50 and older with a fan-friendly platform that promotes "inside the ropes" and game-improvement for its fans. The Nationwide Tour grows as a virtual extension of the PGA TOUR. Through 2003, 137 PGA TOUR tournaments have been won by former Nationwide Tour players.

## History of the Nationwide Tour

Even the most optimistic person couldn't have foreseen the success of the Nationwide Tour when it kicked off its inaugural season on Thursday, Feb. 2, 1990 at 7:30 a.m. PST at Bakersfield Country Club in Bakersfield, CA.

The Nationwide Tour began under corporate sponsorship of the Ben Hogan Company as the Ben Hogan Tour. The idea of former PGA TOUR Commissioner Deane R. Beman, the Nationwide Tour was designed as a proving ground for up-and-coming golfers, as well as a place for PGA TOUR veterans to hone their skills as they prepared for the Champions Tour. It has become so much more than that.

For the first two years of the Tour, the top five money winners were awarded PGA TOUR membership. Beginning in 1992, the PGA TOUR Tournament Policy Board voted that, due to the success graduating players had on the PGA TOUR, that number would be increased to 10; and in 1997 the number was increased to 15. In 2003, 20 players earned their 2004 TOUR cards.

That first event in 1990 was won by Mike Springer, who went on to win two more times that year and finish fourth on the money list. He was joined in the first graduating class by Jim McGovern, Dick Mast, Ed Humenik and Jeff Maggert, who was leading money-winner and Player of the Year.

However, the player who made the biggest impact on the PGA TOUR from the 1990 Tour was John Daly, winner of the only Ben Hogan Tour Qualifying Tournament. Daly won the PGA Championship as a rookie and went on to finish 17th on the 1991 PGA TOUR money list. Since then, he has added three more victories, including another major championship, the 1995 British Open.

Tom Lehman first established himself as a top-flight player on the 1991 Tour. After two nondescript years on the PGA TOUR in the early 1980s, Lehman won a tournament on the 1990 Tour. But 1991 was the breakthrough season in his comeback. He won three times that year and was the circuit's leading money-winner.

Californian John Flannery was the dominant player on the 1992 Tour, winning three times and leading the Tour in earnings with \$164,114. His successful campaign made him the Tour's third Player of the Year.

On August 26, 1992 Nike Inc., took over sponsorship of the Tour beginning with the 1993 season. Sean Murphy was the star of the 1993 Tour. He set records for wins in a season with four, career victories with five, and single-season earnings with \$166,293. He added a sixth title in 1995.

While Murphy was busy setting records, his fellow Tour alumni were busy making names for themselves on the PGA TOUR. Daly had already collected his second career win in the 1992 B.C. Open, and others were beginning to earn their own hardware. McGovern, Mike Standly and Maggert all collected PGA TOUR titles in 1993, while Springer and Greg Kraft grabbed a pair of unofficial wins.

The Tour Championship also was established in 1993 as a climax to the season. Rookie David Duval won the first Tour Championship, which featured only the top 50 money-winners during the year.

On the 1994 Tour, Chris Perry showed that consistency has its own rewards. Although six players collected multiple victories that year, Perry's lone title in the Utah Classic and his consistent strong play over the course of the season earned him Tour Player of the Year honors. He set a single-season earnings record with \$167,148 and collected 10 top-10 finishes. He made every cut that season.

*It's been 14 years since Mike Springer won the Bakersfield Open, the first Nationwide Tour event.*

The 1994 Tour season saw a number of firsts. In June, Tommy Armour III became the first player to win back-to-back tournaments—the Miami Valley Open and Cleveland Open. During the second round of the 1994 Shreveport Open, Omar Uresti set a record with nine consecutive birdies. That not only stands as the Nationwide Tour standard, it surpassed the records on the PGA TOUR, Champions Tour or European Tour.

In May, Vic Wilk became the first left-hander to win an event, the Knoxville Open. Jerry Kelly continued the trend of the leading money-winner setting an earnings record in 1995, when he earned \$188,878 to better Perry's year-old record. Besides winning twice, Kelly posted 15 top-10 finishes.

Celebrated amateur Allen Doyle played the Tour after turning professional in the spring. He won his second event, the Mississippi Gulf Coast Classic and added two more titles on his way to a second-place finish on the 1995 money list. In 1996, he was the oldest rookie in PGA TOUR history at age 47.

Stewart Cink was the top story of the 1996 Tour season. The 1995 college Player of the Year became the first player in Nationwide Tour history to earn more than \$200,000 in a single season with \$251,699. He won three times, including the season-ending Tour Championship, and collected 14 top-10 finishes in only 21 events.

Michael Christie also was dominant in 1996, collecting three wins. In his win in Greenville, SC, he matched the Tour record for lowest score in a 72-hole tournament. He matched the 54-hole tournament record, as well, when he won the Utah Classic.

The 1997 season began with the announcement that the PGA TOUR Policy Board had increased the number of TOUR exemptions onto the PGA TOUR from 10 to 15, further enhancing the Tour's reputation as a proving ground for the next generation of PGA TOUR champions.

The 1997 season also marked the first year of the "Battlefield Promotion," which grants immediate access to the PGA TOUR for any player who wins three Nationwide Tour events in a season. Chris Smith was the first player to earn this promotion. On the Nationwide Tour, Smith had a record-breaking season. He won at the Upstate Classic, and captured the Dakota Dunes Open and Omaha Classic in back-to-back weeks. With the wins at Dakota Dunes and Omaha, he joined Armour and Jerry Haas as the only players to win consecutive tournaments. He also became the first player to win the same tournament twice, having won the Dakota Dunes Open in 1995.

Smith's victory in Omaha was a record-setting affair. His 26-under-par 258 total was the record for most strokes under par and low total. His 11-stroke margin of victory is also the Tour record.

In October, Steve Flesch joined Wilk as the only left-handed champions. Flesch won the season-ending Tour Championship. That victory vaulted him from 24th on the money list to fourth, earning him 1998 PGA TOUR membership.

The 1998 season saw more of the kind of action for which the Nationwide

*Jim Furyk won his first major championship last year with his win at the U.S. Open.*

## History of the Nationwide Tour

Tour has become known. During a three-week period late in the spring, Notah Begay III and Doug Dunakey caught the attention of the golf world when each recorded a 59 in competition. Begay's 13-under-par 59 came in the second round of the Dominion Open and was highlighted by a five-hole stretch that saw him go birdie, birdie, eagle, birdie, eagle (ace). He shot a 9-under-par 27 on his incoming nine to ensure his place in the record books. Three weeks later, Dunakey turned his own 27, this one 8-under-par, into a place in the record book alongside Begay. Amazingly, Dunakey could have had the record on his own, with only a three-putt bogey on his final hole keeping him from posting an incredible 58.

Bob Burns was named 1998 Player of the Year after leading in earnings with \$178,664 and winning at the Dominion Open and Tour Championship.

The 1999 season saw Carl Paulson establish a new record for consecutive starts with 83. The 83rd start was a significant one as Paulson recorded his first-ever Nationwide Tour victory at the Utah Classic. That win, and another two weeks later at the Boise Open, vaulted Paulson to the top of the money list. His efforts were rewarded when his peers selected him as the Player of the Year. Seven players won twice on the Tour in 1999, and a record 22 players earned more than \$100,000.

The season-ending Tour Championship was a thrilling affair played at the Robert Trent Jones Trail Highland Oaks Golf Club in Dothan, AL. Bob Heintz won his second event of the season in a playoff with Dawson to take home the largest first-place prize in Tour history—\$72,000.

In late October, internet superstore Buy.com was announced as the new umbrella sponsor of the Tour. With Buy.com's financial contribution, purses rose to a record \$13.1 million in 2000, with the minimum weekly purses jumping from \$225,000 to \$400,000. On the course, the 2000 season saw Spike McRoy earn Player of the Year honors after winning twice and earning a record \$300,638. He was one of 53 players to earn \$100,000 or more.

*Shaun Micheel, the 2003 PGA Championship winner, won the 1999 Greensboro Open on the Nationwide Tour.*

Along the way, Tim Clark made a little history of his own when he collected the first \$100,000 payday on the Tour by winning the Boise Open. The 2000 season was also notable for the emergence of international players who captured nine titles and claimed four of the top 15 spots on the money list.

The 2001 season was an historic one for the Tour. For only the second time, a player earned a promotion to the PGA TOUR by winning three times in one season. Heath Slocum's third win made him the first player since Smith (1997) to earn an automatic promotion to the TOUR.

Once the field was shown the way, others followed. First, Chad Campbell earned his third win and moved on, and then Pat Bates won back-to-back tournaments to end the year and became the third player in 2001 to jump to the PGA TOUR. Slocum set a Tour record by going 106 consecutive holes without making a bogey, while Todd Barranger tied the scoring mark by winning the Dayton Open with a 26-under-par effort. Along the way, Campbell set a single-season earnings record with \$394,552 to earn Player of the Year honors. He also finished second at the PGA TOUR's season-ending Southern Farm Bureau Classic.

The 2001 season also saw the Tour move to Canada for the first time with the Samsung Canadian PGA Championship in suburban Toronto.

In 2002, the Tour added tournaments in Australia and New Zealand for the first time. In addition, tournaments were allowed to sell individual title sponsorships for the first time.

Patrick Moore won three times and earned Player of the Year honors. A record 12 players earned \$200,000 or more. Alums continued to excel winning a one-season record 21 times in 2002.

The season ended on a high note with the announcement of a new umbrella sponsor, Nationwide. The five-year agreement started with the 2003 season, and the Tour not only sported a new name and logo but it awarded 20 PGA TOUR cards to its graduates.

The 2003 season featured 30 events, with purses in excess of \$14.7 million. New events were staged in Canada (Calgary), Chattanooga, TN, and Miami, FL.

Tom Carter became only the sixth player to earn a three-win promotion to the PGA TOUR, but to show the strength of the Tour he wasn't even the Player of the Year. Zach Johnson won that honor after setting a new Tour record for earnings, with \$494,882. He had two wins and nine top-three finishes in his 20 starts while setting a new Tour scoring record, as well. He finished with a 68.97 average.

The 2004 season will offer 31 tournaments, including the first-ever in Central America, the BellSouth Panama Championship. Other new events will be staged in the Twin Cities area of Minnesota, the Tom Lehman-run Scholarship America Showdown, and in West Virginia at the Pete Dye Golf Club. Purses will reach \$15.3 million, and all indications are that this ever-growing Tour will have its finest season to date.

## About the Commissioner

**Timothy W. Finchem**  
Commissioner

Timothy W. Finchem, 56, is the third Commissioner of the PGA TOUR. Finchem succeeded Deane R. Beman as Commissioner on June 1, 1994. Beman had served for 20 years, replacing the late Joseph C. Dey, who had been the TOUR's Commissioner in its first five years, 1969-74.

Finchem, Deputy Commissioner and Chief Operating Officer of the TOUR under Beman since 1989, joined the TOUR staff as Vice President of Business Affairs in 1987.

As Commissioner, Finchem has greatly expanded the earnings opportunities for PGA TOUR players domestically and internationally. He also has taken leadership roles in the formation of the International Federation of PGA Tours and the World Golf Foundation, Inc.

His personal dedication to the success of the World Golf Foundation's First Tee initiative has helped that program achieve its initial objectives in developing facilities that will have an impact on the game for years to come.

"Our primary purpose as a membership organization is to create outstanding playing and earnings opportunities for our players," Finchem says,

"and we are proud of what our tournaments do for charity (more than \$700 million raised) and the active role we have been able to take as an organization in growing the game for future generations."

Born in Ottawa, IL, on April 19, 1947, Finchem graduated from Princess Anne High School in Virginia Beach, VA. He attended the University of Richmond on a debate scholarship, receiving his Bachelor of Arts degree in 1969. He graduated from the University of Virginia Law School in 1973.

After practicing law in Virginia Beach for three years, Finchem served in the White House as Deputy Advisor to the President in the Office of Economic Affairs in 1978 and 1979. In the early 1980s, Finchem co-founded the National Marketing and Strategies Group in Washington, D.C.

Finchem is recipient of the Golf Course Superintendents Association of America's Old Tom Morris Award for 2001 and the PGA of America's Distinguished Service Award for 2002.

Married to the former Holly Bachand, Finchem is a father of four. The Finchems live in Ponte Vedra Beach, FL.

In 2003, **Zach Johnson** established a new Nationwide Tour record for single-season earnings while earning Player of the Year honors.

Made the cut in 18 of 32 PGA TOUR starts last year and finished No. 147 on the money list. . . Best effort of the 2003 season came in first start of the year, a T15 finish at the Sony Open in Hawaii. Held a share of the first-round lead with J.J. Henry at Reno-Tahoe Open after a 6-under-par 66. Finished T39. Posted back-to-back top 20 finishes in September, with T16 at the 84 Lumber Classic of Pennsylvania and T17 at the Valero Texas Open. . . In 2002, finished in the top 125 for third consecutive year on TOUR, despite missing five of six cuts down the stretch. . . Hospitalized in January for three days with viral meningitis. In late February father, Ned, underwent triple-bypass surgery. Missed first four cuts of his season during this period. . . Solo 54-hole leader by one over eventual champion Craig Perks at THE PLAYERS Championship after third consecutive 69. Second top-five of season came at the Greater Greensboro Chrysler Classic, where he finished T5. . . The \$72,600 paycheck vaulted him 18 spots on the money list to 99th. . . Appeared to be in danger of losing his full exempt status as the 2000 PGA TOUR headed into July. Had earned \$140,000 in first 18 starts and was 140th on the money list. However, a T9 at the Advil Western Open sparked a run in which he jumped to 64th on the TOUR money list and completed his best season on TOUR. . . Following ninth at Advil Western Open, earned a T6 at the Buick Open. . . At Buick Challenge in October, gained a solo fourth-place showing. . . Three weeks later, worked his way into position to capture his first PGA TOUR title. At the Tampa Bay Classic, trailed by two strokes after opening with 66. A second-round 66 earned a two-stroke lead and his third-round 70 helped main-

tain a two-stroke advantage. However, a final-round 72 against champion John Huston's 65 dropped him to solo second—a career-best on the TOUR. . . Earned fully-exempt status on the 2000 PGA TOUR by finishing No. 1 on the 1999 Nationwide Tour money list, with \$223,051. Set a Nationwide Tour record for consecutive starts when he teed it up at the Omaha Classic, his 79th straight tournament. . . Captured his first career victory at the \$375,000 Utah Classic. His five-stroke, 54-hole lead and six-stroke margin of victory were the largest on Tour that year. Collected \$67,500 for his first win. . . Took a week off following his win then returned a week later and won again, this time at the \$325,000 Boise Open, adding another \$58,500 to his earnings. Was a combined 40-under par for the two weeks. His two-week earnings totaled \$126,000 and vaulted him to the No. 1 spot on the money list. Fired a final-round 66 to come from two strokes off the pace and win by four in Idaho. Was selected as the Nationwide Tour Player of the Year at the conclusion of the season. . . Medalist at the 1995 PGA TOUR National Qualifying Tournament to re-gain card. Made 14 cuts in 30 starts on PGA TOUR but finished 155th on money list. . . ## Nationwide Tour Graduates

*For the first time in Nationwide Tour history, 20 players graduated to the PGA TOUR based on their season-long performances. They will all be exempt to play on the 2004 PGA TOUR.*

The largest class of graduates in the history of the Nationwide Tour, 20, have moved on and will compete on the 2004 PGA TOUR.

The number of graduates guaranteed spots on the PGA TOUR has grown from five to 10 to 15 and now 20 in recognition of not only the outstanding caliber of competition on the Nationwide Tour but in recognition for the success graduates have enjoyed on the PGA TOUR. Statistics prove that graduates of the Nationwide Tour enjoy a higher success rate on the PGA TOUR than graduates of the TOUR's Qualifying Tournament.

The Class of 2003 is headed by Nationwide Tour Player of the Year Zach Johnson. The Iowa native rewrote the record book last season, winning nearly \$500,000 and setting a new scoring standard with his 68.97 scoring average.

He will be fully exempt on the PGA TOUR this year as will three-time 2003 Nationwide Tour winner Tom Carter. Carter became only the sixth player in Tour history to earn the automatic three-win promotion to the TOUR.

The remaining 18 players will be alternated in eligibility ranking with the most recent graduates of the PGA TOUR Qualifying Tournament.

How did last year's class do? Pretty well. Of the 15 players who graduated to the PGA TOUR following the 2002 Nationwide Tour season, six finished among the Top 125. That figure is a little misleading, as well, since two of the 15 were unable to play complete seasons due to injury. The 2002 Nationwide Tour Player of the Year, Patrick Moore, and Tag Ridings will each get their shots to compete on the PGA TOUR this year after being awarded medical exemptions.

## Glossary of Statistics

### Total Driving

Total Driving is computed by totaling a player's rank in driving distance and driving accuracy.

### Driving Distance\*

The average number of yards per measured drive. Driving distance is measured on two holes per round. Care is taken to select holes which face in opposite directions to counteract the effects of wind. Drives are measured to the point they come to rest, regardless of whether they are in the fairway or not.

### Driving Accuracy

The percentage of time a player is able to hit the fairway with his tee shot.

### Greens in Regulation

The percentage of time a player was able to hit the green in regulation (greens hit in regulation/holes played). Note: A green is considered hit in regulation if any part of the ball is touching the putting surface and the number of strokes taken is two or less than par.

### Putting Average

Measures putting performance on greens hit in regulation. For each green hit in regulation, the total number of putts is divided by the number of greens hit in regulation. By using greens hit in regulation, we are able to eliminate the affects of chipping close and one-putting in the computation.

### Sand Saves Percentage

The percentage of time a player is able to get up and down once in a greenside sand bunker. Note: This up and down is computed regardless of score on the hole.

### Eagles (holes per)

The average number of holes between each eagle.

### Birdie Leaders

The average number of birdies made per round played.

### All Around

This statistic is computed by totaling a player's rank in each of the following statistics: Scoring Leaders, Putting Leaders, Eagle Leaders, Birdie Leaders, Sand Saves, Greens in Regulation, Driving Distance and Driving Accuracy.

## Charity: Giving Back... The Heart of the PGA TOUR

Success on the PGA TOUR can be seen in the true mission of the organization: Giving back in the communities where we play.

This is evidenced by the efforts of tournaments, volunteers and players in raising money and awareness for charitable giving which has benefited countless people and programs.

The beneficiaries come from programs such as Children's Healthcare of Atlanta (BellSouth Classic) and the Boys and Girls Club of Assabet Valley (FleetBoston

Classic), the 2002 PGA TOUR and Champions Tour Charities of the Year, respectively.

Children's Healthcare of Atlanta, one of the largest pediatric healthcare systems in the country, has received in excess of \$10 million from the BellSouth Classic since 1981. The Boys and Girls Club of Assabet Valley serves over 600 youth in the Concord, MA, area, an average of 90 children per day between the ages of 5 and 18, and thrives just nine years after closing.

The impact is also made by volunteers such as Dick Searle at the AT&T Pebble Beach National Pro-Am and Mary Wright at the Kroger Classic, the 2002 PGA TOUR and Champions Tour Volunteers of the Year, respectively. Searle has served at the Pebble Beach tournament for almost 60 years, following in his father's footsteps as a volunteer. Wright has donated her efforts for more than 20 years coordinating volunteers at professional golf events in the Cincinnati

area, including the Kroger Classic since its 1990 inception.

Tournaments make a great contribution in this area also, led by the EDS Byron Nelson Championship on the PGA TOUR, the BMW Charity Pro-Am at The Cliffs on the Nationwide Tour and the Toshiba Senior Classic and 3M Championship on the Champions Tour, which provided the largest donations to charity in 2003.

"Giving back to the communities in which our events are held is at the heart of the PGA TOUR," PGA TOUR Commissioner Tim Finchem said. "It reflects directly on a number of entities, namely tournaments, sponsors, players, volunteers and communities, all working together toward a common goal. Charity is what drives and motivates those involved to make the commitments and sacrifices they do.

"In addition, the individual players add charity dollars at their own charity events and contribute significantly to the overall mix." Players enthusiastically reach out to help the needy through charitable efforts in their own home communities.

Tom Watson served as a great example in 2003, helping to raise approximately \$3 million to support friend and caddie Bruce Edwards in his fight against ALS, including donating the \$1-million annuity from winning the Champions Tour's Charles Schwab Cup to the cause. Watson also was honored with the Card Walker Award, which recognizes a player's contribution to junior golf, for his work with young golfers in his hometown of Kansas City.

Since the first donation of \$10,000 by the Palm Beach Invitational in 1938, the combined charitable effort from all three Tours has reached more than \$800 million. All three Tours contributed in excess of \$70 million to charity in 2003.

*In the communities where tournaments take place, giving back remains at the heart of the PGA TOUR.*

## Golf 20/20: Vision For the Future

In November 2000, senior members of the golf industry came together at World Golf Village for a conference called Golf 20/20: Vision for the Future, and embarked on an unprecedented collaborative effort to enhance the future of the game. The spirit of unity was so strong, and the commitment to make a difference so universal, that the decision was made to address some very specific issues and to make GOLF 20/20 an ongoing industry effort.

Golf 20/20 is a World Golf Foundation initiative that was started with the following stated mission: To align the golf industry behind a plan that addresses the future of golf in a strategic manner, with an emphasis on accelerating growth and participation, and creating new avenues of access into the game. The focus of the conference was not only on participation but also on interest, and three major targets were established with the goal of fulfilling them by the year 2020:

- Golf would be at a level of popularity in the United States equal to the National Football League.
- There would be 55 million participants in golf in the U.S.
- There would be one billion rounds of golf played each year.

Over the past several years a number of research projects have been undertaken, several communications initiatives started, and a variety of programs tested or implemented. The main areas of focus for GOLF 20/20 include the following:

**Adult Player Development**—The industry accepts research that demonstrates great interest in learning the game from adults who haven't done so. Link Up 2 Golf is a program dedicated to reaching those people. It was tested in the Raleigh-Durham area of North Carolina in 2001, expanded to seven markets in 2002, and a business plan for national expansion is in the works. The PGA of America and National Golf Course Owners Association oversee the program, and more information is available at [www.linkup2golf.com](http://www.linkup2golf.com).

**Junior Golf**—The USGA and its Foundation have overseen GOLF 20/20's efforts in junior golf, most notably the establishment of the ultimate junior golf Web site, [juniorlinks.com](http://juniorlinks.com), which includes a database of junior programs around the country. The Web site is a resource for youngsters, their parents and for junior golf program administrators. In 2003, GOLF 20/20 focused on developing

a National School Golf Program, which will be tested in 150 elementary schools in eight locations during the 2003-2004 school year. The program engages the physical education teachers in introducing golf and its positive values to kids in an environment that is both safe and fun.

**Communication**—In 2002 an industry Web site was established at [www.golf2020.com](http://www.golf2020.com); it houses all 20/20 research, reports and databases. Also this past year, GOLF 20/20 presented its first Industry Report, an global look at the state of the game.

**Research**—The supplement existing information GOLF 20/20 commissioned in 2001 an unprecedented study of segments within the game, information that was instrumental in formulating strategies. In 2002, two other studies were commissioned. The first revealed that golf is responsible for more than 3.2 billion dollars being generated for charities in the U.S. Each year. The second estimated the total golf economy in this country to be more than \$60 billion annually.

In its first two years the GOLF 20/20 Executive Board consisted of seven people, six of them representing associations. In an effort to bring more business diversity to the Board, it has been expanded to include 15 members. The new Executive Board includes:

- Jim Awtrey**, CEO, PGA of America
- Joe Louis Barrow**, Executive Director, The First Tee
- Bob Dedman, Jr.**, Chairman and CEO, ClubCorp
- Ron Drapeau**, CEO, Callaway
- David Fay**, Executive Director, United States Golf Association
- Tim Finchem**, Commissioner, PGA TOUR
- Michael Hughes**, Executive Director, National Golf Course Owners Association
- Sara Hume**, Executive Director, Executive Women's Golf Association
- David Manougian**, COO, The Golf Channel
- Steve Mona**, CEO, Golf Course Superintendents Association of America
- Jim Nugent**, Vice President and Publisher, GolfWeek
- David Pillsbury**, President, American Golf Company
- Phil Trailies**, CEO, Club Car
- Wally Uihlein**, President and CEO, Acushnet
- Ty Votaw**, Commissioner, LPGA

## The First Tee

The First Tee is a World Golf Foundation initiative introduced in November of 1997 for the purpose of providing affordable golf access to everyone, especially children, who otherwise may not have the opportunity to play the game.

Over the past six years, The First Tee has evolved into a credible youth initiative where participants are positively influenced through exposure to important values and life skills while learning and playing the game of golf.

The First Tee Life Skills & Golf Experience is a program based on a set of Nine Core Values and developed around a curriculum that seamlessly incorporates life skills, such as goal setting, self discipline and self awareness, into each session. Children learn about themselves and others through exercises that teach lessons and skills that can be used both on and off the golf course.

Much of The First Tee's success is directly attributed to the support and guidance of five leading golf institutions in America that are The First Tee Founding Partners—the PGA TOUR, PGA of America, Ladies Professional Golf Association, United States Golf Association and Augusta National Golf Club. The support of these organizations, along with various individuals, associations, corporations, cities, counties and states, has helped The First Tee to develop facilities and programs where The First Tee Life Skills & Golf Experience can be delivered in communities across the country.

Building upon the accomplishment of achieving its initial goal of over 100 facilities in development by the end of the year 2000, The First Tee has set out to fulfill several new objectives by the end of 2005, which include:

- Introducing the game of golf and its values to 500,000 young people
- Expanding the number of dedicated The First Tee facilities to 250 that are either open or in development
- Establishing 500 affiliate relationships with existing golf courses or other golf facilities that will provide access to The First Tee Experience.

The First Tee is well on its way to achieving these objectives and looking forward to the next phase of a very bright and exciting future. The First Tee is grateful for the extraordinary commitment of the Chapter volunteers and staff combined with the local businesses and political leaders in each community who have embraced it.

## Regulations – Media

The following regulations are to be followed by all members of the media:

1. A daily decal is necessary to walk inside the gallery ropes. All members of the media with such decal must remain not more than an arm's length from the ropes, so as to blend into the gallery and appear to be a part of the gallery at all times.
2. Players are not to be distracted during play. Do not interview players or ask them to pose for photographs during their rounds.
3. Do not interview players or ask them to pose for photographs during their practice sessions before a round, except by prior arrangement with the player.
4. If an interview is to be conducted in the practice areas, either the range or the putting green, it must be done by prior arrangement with the player, up against the ropes and not in the middle of the areas where it could be distracting to other players.
5. Do not disturb players at their 18th green and/or scoring tent until after they have checked, signed and returned their scorecards. Media are not allowed in the scoring tent.

### Working Press Regulations

To avoid embarrassment to you and distraction to the contestants:

1. Do not walk or stand in playing areas.
2. Follow directions of marshals and other officials.
3. Do not interview during play. The leading players each day — and others requested — will be interviewed following their rounds in the Press Room interview area.

### Tape Recorder Regulations

1. All tape recorder and/or video recorder work should be done in the proximity of the Press Room and/or clubhouse.

2. Tape recorders and/or video recorders are not permitted in the locker room.
3. Tape recorders and/or video recorders are not permitted within the playing area of the golf course unless written permission has been granted from PGA TOUR.

### Weather Delay Guidelines

1. During weather-delay situations, no one other than players and essential staff will be permitted in the locker room. This means the media are not permitted in the locker room in such situations. However, whenever possible, arrangements will be made to provide players for interviews during such situations.
2. Fully accredited members of the news media will be welcome in the locker room at all other times to carry out their assigned duties. (Note: Cameras and tape recorders are not permitted in the locker room.)

The media person set forth below and the News Agency set forth below shall jointly and severally indemnify, defend and hold the Event, its host organizations and PGA TOUR and their respective officers, agents, representatives, successors and assigns harmless from and against any and all expenses, lawsuits, damages, costs and liabilities (including reasonable attorney's fees and expenses) incurred by, arising from, or in connection with, any actions of the media person set forth below.

The credentialed entity assumes all risk and danger incidental to the game of golf and releases PGA TOUR, Inc.-sanctioned tournaments and competitions and their host sites, title sponsors, host organizations, PGA TOUR, Inc., participating players, and all agents thereof from any and all liabilities resulting from such cases. The holders of the media credential grant permission to PGA TOUR, Inc., to utilize the holders' images or likenesses incidental to any live or recorded television or other transmission or reproduction in whole or in part of any PGA TOUR event they attend.

PGA TOUR MAY REVOKE CREDENTIALS AT ANY TIME FOR ANY REASON INCLUDING VIOLATIONS OF ANY OF THE FOREGOING REGULATIONS.

## Regulations – On-Line Services

Media credentials will be issued only to personnel on assignment from recognized golf or legitimate news Internet sites, as determined by PGA TOUR in its sole discretion. Coverage obtained in accordance with these regulations can only be used on the credentialed website. Individuals representing multiple interests (such as a recognized golf magazine and an internet site) must agree to be bound by all applicable media regulations.

PGA TOUR retains exclusive media rights (including but not limited to network, cable, Internet, home video) to all events on the PGA TOUR, Champions Tour and Nationwide Tour. No audio or video coverage of any event is permitted without the prior written consent of PGA TOUR. Scores and statistics may be distributed only in accordance with these regulations.

1. Coverage must be part of the news portion of the Internet site identified below (the "Credentialed Site") and must not purport to be live, play-by-play or real-time coverage from the course.
2. Scoring and statistical information may only appear in the editorial news portion of the Credentialed Site and may be provided no sooner than 30 minutes after the actual occurrence of the shots, or after the time such information is legally available as public information if sooner than thirty minutes after the actual occurrence of the shots. No scoring or statistical information may be used by, sold, given, distributed or otherwise transferred to any party other than the Credentialed Site in any manner whatsoever, without the prior written consent of PGA TOUR.
3. Photographic images of PGA TOUR, Champions Tour and Nationwide Tour players may be used on the Credentialed Site for legitimate news coverage

only, and may be used together with news stories during the day's play, so long as such photographs are not used with other real-time or near-real-time information to create a "shot-by-shot" account of the day's play. Commercial exploitation of these images without written consent of the players and PGA TOUR is prohibited.

4. The Credentialed Site has rights only with respect to website media and has no rights with respect to any other media (including, without limitation, cellular or wireless devices) without the prior approval of the PGA TOUR.

## Tournament Players Clubs

### Tournament Players Club

The PGA TOUR's Tournament Players Club network has maintained a reputation for operating high-quality clubs since its inception 24 years ago. The TPC network continues to grow, with more than 30 facilities currently open or under construction, including several overseas.

TPCs encompass all forms of golf-related operations—resort facilities, corporate/private membership clubs and daily fee courses—and, as such, PGA TOUR Golf Course Properties, Inc. is able to match the type of facility with the demands of each market in which a club operates.

The network represents the highest standard in the golf course industry, commensurate with the members of the organization it represents, the players of the PGA TOUR. Each Tournament Players Club embodies the trademark of excellence first established with the flagship TPC at Sawgrass, which opened its world-famous Stadium Course in the fall of 1980 in Ponte Vedra Beach, FL. This commitment to overall excellence serves as the foundation for the network's overall success.

The TPC network was born through former PGA TOUR Commissioner Deane Beman's desire to provide TOUR players with quality golf courses that also would offer spectators enhanced viewing areas. Beman also reasoned that development of quality facilities would alleviate the TOUR's dependency

on the television dollar, while providing rent-free venues for tournaments. The savings in rent, in turn, would generate both increased purses and greater charitable contributions by the tournaments held at TPCs.

The TPC at Sawgrass was the first Tournament Players Club to hold a PGA TOUR event, becoming the permanent home of THE PLAYERS Championship in 1982. In 2003, 15 tournaments were conducted on TPC courses, bringing the total number of PGA TOUR, Champions Tour and Nationwide Tour events held at TPC facilities to 220.

Many of the top golf course architects are connected with Tournament Players Club projects, including Pete Dye, Tom Fazio, Arnold Palmer, Jack Nicklaus, Gary Player, Arthur Hills, Jay Morrish, Tom Weiskopf, Greg Norman, Bob Von Hagge and D.A. Weibring. The Tournament Players Club of Boston, which opened in 2002, was the fourth TPC course designed by Palmer Course Design Co. Weiskopf has designed his second TPC course for the new Tournament Players Club at Craig Ranch near Dallas, TX, scheduled to open in the summer of 2004.

Moreover, in recognizing the importance of player input for tournament courses, TOUR members have served as design consultants, working closely with the lead architect. Mark O'Meara, for instance, served as the player design consultant on the Tournament Players Club at Valencia (CA), which opened in June 2003, while Steve Elkington is the player consultant and Kelly Gibson the associate player consultant working with architect Pete Dye on the Tournament Players Club of Louisiana in New Orleans, scheduled to open in the spring.

## ShotLink

The PGA TOUR has collaborated with IBM, the TOUR's Official Worldwide Information Technology Partner, on the PGA TOUR ShotLink System. The ShotLink System is a revolutionary platform for collecting and disseminating scoring and statistical data on every shot by every player in real-time during every tournament round.

The development of ShotLink started in 1997 when the TOUR decided to update its current scoring system, which was based on 1987 technology. The TOUR, in conjunction with IBM, conducted an extensive review process to formulate its strategy for the development and implementation of ShotLink. Following an evaluation of more than 30 companies, additional technology and implementation partners were identified: Information and Display Systems (IDS), Palm, Electronic Arts, Daktronics and two mapping vendors: GeoGolf and Geodetic Services. IBM provided overall project management, consulting services and server and networking technologies. ShotLink was introduced during the 2001 Buick Classic and represents the TOUR's scoring system for the future.

The accumulation, packaging and presentation of expanded shot and course information provides the basis for numerous fan enhancements. Current uses of ShotLink data include:

- Enhanced graphics and statistics in television broadcasts

- Expanded information and statistics for use by media
- Powering on-site and PGATOUR.COM tournament leaderboards
- Providing on-site media and hospitality access to live tournament information through Tournament Tracker, developed by IBM
- Powering PGA TOUR Mobile Link, the PGA TOUR's wireless application for use on PDAs and cell phones (available on PGATOUR.COM)
- Powering the exclusive AT&T Wireless #121 golf service
- Powering the TOURCast application on PGATOUR.COM, which launched in 2003.

In addition to current uses, ShotLink provides unlimited potential to develop fan enhancements and products over the next several years, including:

- Enhanced and interactive television
- On-site wireless and kiosk applications for tournament patrons
- Internet, PC and console games

Besides fan enhancements, ShotLink creates an ongoing historical archive of statistical information. This information is available to players through the PGA TOUR Links program, also built by IBM.

The ShotLink data is collected by volunteers utilizing a combination of Palm handheld devices and laser range finders.

## Tour Wives Association

TOUR Wives Association, Inc. is a Florida not-for-profit corporation organized to render support for and provide assistance to needy children and their families through the means of charitable events. The Association is comprised of the wives of professional golfers on the PGA TOUR and Nationwide Tour, as well as individuals and corporations that support the TOUR Wives Association's many charitable endeavors.

Since its incorporation in 1988, the TOUR Wives Association has supported children's charities across the country by raising money for child-related charities and given much back to the game of golf through personal and monetary contributions. In addition to the funds that are raised, the wives visit different charities in the communities where golf tournaments are held, spending time and playing with children supported by the charities.

The TOUR Wives Association conducts numerous fundraisers to support its charities. These include tasting events, concerts, live and silent auctions and other activities.

The Association's favorite (and longest-running) fundraiser is the biannual TOUR Wives Golf Classic, a nine-hole tournament where the wives play golf and their husbands caddie. The TOUR Wives Golf Classic, first played in 1987, has been held at different courses around the country.

The TOUR Wives Association is currently selling its cookbook, Taste of the TOUR. The cookbook is a compilation of recipes from your favorite golfers and consists of 144 pages of recipes submitted by the families of players on TOUR, from their homes and their favorite restaurants at tournament sites. From simple to gourmet, the cookbook contains recipes for appetizers, soups and salads, breads and muffins, poultry and meat dishes, seafood, vegetables, rice and pasta dishes and desserts. This project is providing a continuing source of funds for its charities.

While its membership varies from year to year, the commitment of the TOUR Wives Association to making a difference in the lives of needy children stands strong. The Association's dedicated members, past and present, have reached deep into their resources to balance the demands of family, work and travel and have given generously of themselves to realize their ideals.

For information regarding the TOUR Wives Association, please contact Sara Moores at the PGA TOUR.

## Weather Guidelines

Every effort will be made to finish each round as scheduled by Sunday. The first priority is always the competition and completion of 72 holes.

In an effort to achieve this objective by Sunday, 36 holes may be played on Sunday following a reduction of the field to the score which has the closest number of professionals to 60. If an equal number of professionals are at scores above and below the 60th position, the higher score will be used.

If conditions exist which prevent 72 holes from being completed by Sunday, play will always be extended to Monday if golf course conditions and the weather forecast permit. Play on Monday could include 36 holes.

If conditions exist which make the completion of 72 holes impossible, the next priority is to complete 54 holes; thereby the winner is credited with an official victory. Again, play in this situation will always be extended to Monday if conditions and weather permit.

If conditions exist which make the completion of 54 holes impossible, the next priority is to complete 36 holes; thereby players receive official money, although the winner is credited with an unofficial victory. Again, play in this situation may be extended to Monday.

In making decisions to extend play beyond Sunday or to reduce the tournament to fewer than 72 holes due to inclement weather, the on-site Tournament Director discusses the situation and conditions with a number of parties, including the host organization, title sponsor, host site (general manager and/or golf course superintendent), on-site weather forecaster, television representatives and the other members of the Rules Committee. Players typically have not been included in these discussions as the TOUR believes it is inappropriate for the Rules Committee to discuss matters directly affecting the competition with contestants.

## World Golf Foundation

### WORLD GOLF FOUNDATION

World Golf Foundation, a not-for-profit, 501(c)3 organization, was created in 1994 to unite the golf industry and those who love the game.

The board supports initiatives that promote, enhance the growth of, and provide access to the game of golf, while preserving golf's traditional values and passing them on to others.

There are four initiatives under the umbrella of the World Golf Foundation: the World Golf Hall of Fame, The First Tee, GOLF 20/20: Vision for the Future and the National Minority Golf Foundation. Each initiative has its own mission to enhance the game of golf's history, present and future.

**World Golf Hall of Fame**—Conceptualized in the late 1980s and open since 1998, it is committed to preserving golf's rich heritage, honoring the great players and contributors to the sport and setting the stage for future generations to learn about and enjoy the game. Members are honored in the 75,000 square-foot museum located at World Golf Village in St. Augustine, FL.

**The First Tee**—Announced in November of 1997, The First Tee is dedicated to providing affordable access to golf and strives to instill in young people life-

enhancing values such as honesty, integrity, sportsmanship and respect. These values are seamlessly taught through The First Tee Life Skills & Golf Experience, one of the unique features that differentiates The First Tee from many other successful junior golf programs. The intent is to offer opportunities for improvement in the quality of life and create a platform where children can increase their potential for success. The First Tee partners with local not-for-profit entities and municipalities to form The First Tee Chapters, which are responsible for developing The First Tee golf learning facilities. Currently, there are more than 135 open facilities spanning 40 states and two continents, including programs in Canada and Singapore.

**GOLF 20/20: Vision for the Future**—Initiated in 1999, it is devoted to aligning the golf industry behind a plan that addresses the future of golf in a strategic manner, with an emphasis on accelerating growth and participation and creating new avenues of access into the game.

**National Minority Golf Program**—Coming under the World Golf Foundation umbrella in 2001, it is primarily focused on developing career opportunities in golf for minorities.

## World Golf Hall of Fame

Open since 1998, the World Golf Hall of Fame is the ultimate destination for the celebration and recognition of golf's greatest players and contributors and serves as an inspiration to golfers and golf fans worldwide. Supported by all of the world's leading golf organizations, the Hall of Fame honors its members through a creative, interactive and compelling guest experience. The World Golf Hall of Fame is located at World Golf Village in St. Augustine, FL.

### The Members

The 71 players and contributors inducted into the former Hall of Fame in Pinehurst, NC, and the LPGA Hall of Fame were "grandfathered" into the World Golf Hall of Fame at the first induction ceremony held at World Golf Village in May 1998.

Nick Faldo and Johnny Miller were the first new players to be inducted into the World Golf Hall of Fame, and Amy Alcott, Seve Ballesteros and Lloyd Mangrum entered in 1999. Beth Daniel, Juli Inkster and Judy Rankin were inducted as part of the 2000 induction ceremony, along with Deane Beman, Sir Michael Bonallack, Jack Burke Jr., John Jacobs and Neil Coles. Donna Caponi, Karsten Solheim, Judy Bell, Allan Robertson, Payne Stewart and Greg Norman were inducted in 2001 and were followed by Tommy Bolt, Ben Crenshaw, Marlene Hagge, Tony Jacklin, Bernhard Langer and Harvey Penick in 2002. In 2003, Leo Diegel, Hisako "Chako" Higuchi, Nick Price and Annika Sorenstam were brought in, pushing the total number of inductees to 100.

**Jack Peter**  
Vice President and  
Chief Operating Officer  
World Golf Hall of Fame

### The Museum

The World Golf Hall of Fame includes memorabilia from its members as well as interactive exhibits and historical artifacts. In October of 2003, four new exhibits were unveiled to pay tribute to the Class of 2003, including the PGA TOUR's Nick Price. The exhibits follow the lives and careers of the most recent inductees through memorabilia and photos.

The museum also includes a life-size replica of the famous Swilcan Burn Bridge, an artificial 1880s-style putting green, with a hickory-shafted putter and gutta-percha ball from the era, and a state-of-the-art golf simulator, which allows guests to experience any one of more than 40 famous courses found around the world. The experience is never the same, with the museum's Wachovia Gallery featuring a new exhibit each year.

Guests visiting the Hall of Fame have the opportunity to take a fascinating one-hour behind-the-scenes tour with one of its knowledgeable volunteers. Visitors wishing to tour at their own pace can use a hand-held Acoustiguide®, with self-guided tours available in five languages.

### Education

As part of its mission to be an inspiration to golfers and fans throughout the world, the World Golf Hall of Fame offers several initiatives to educate and connect children with the game. Three programs, sponsored by Shell Oil Company, are offered to teach children about various principles involved in the game: "Science of Golf," "Great Scot! Who Thought Up This Game Anyway?" and "The Grass is Always Greener on the Other Side." The fourth program, "Community Field Trip Fund," was established to provide area schools and children's charities the opportunity to see educational films at the World Golf Hall of Fame's IMAX® Theater.

As sole founding partner of World Golf Hall of Fame, Shell Oil Company provides financial support to the World Golf Foundation and supports its charitable initiatives aimed at introducing golf to young people, thereby promoting scholastic achievement, community service and those values intrinsic to the game of golf.

## World Golf Hall of Fame PGA TOUR Pioneers/Members

### Willie Anderson (1975)

The son of a Scottish greenskeeper, Anderson emigrated to the U.S. at age 15 and became the first dominant player in America. He won the U.S. Open four times before age 27, including three consecutively from 1903 to 1905. Anderson finished in the top five 11 of the 14 times that he competed in the national championship.

### Tommy Armour (1976)

A native of Edinburgh, the "Silver Scot" won the 1927 U.S. Western Open, the 1930 PGA Championship and the 1931 British Open. One of golf's most respected instructors, Armour excelled despite injuries suffered in World War I that left him with one eye and with metal plates in his head and arm.

### Jim Barnes (1989)

An assistant pro in England at age 15, Barnes came to America at 19, and between 1916 and 1925 won all the major tournaments of his day: the Western Open in 1914, 1917 and 1919; the first two PGA Championships in 1916 and 1919; the 1921 U.S. Open; and the 1925 British Open.

### Deane Beman (2000)

Commissioner of the PGA TOUR from 1974-1994, he created the Champions Tour, the Nationwide Tour and developed the "stadium golf" concept. As a player, Beman won the 1959 British Amateur, the 1960 and 1963 U.S. Amateurs, competed on four U.S. Walker Cup Teams and captured four PGA TOUR titles.

### Tommy Bolt (2002)

Bolt was best known for his impeccable ball striking, colorful personality, stylish clothes and occasional temper tantrums. He did not join the U.S. tour until 1950 when he was 32. Bolt won the U.S. Open at age 40 and captured 15 TOUR titles. He was a founding member of the Champions Tour.

### Julius Boros (1982)

An accountant by trade, Boros turned professional at age 30. Just two years later, in 1952, he won the U.S. Open and was named PGA Player of the Year. He claimed a second U.S. Open in 1963 at The Country Club in Brookline, MA, and in 1968 captured the PGA Championship at age 48.

### Jack Burke, Jr. (2000)

A member of five U.S. Ryder Cup teams, serving as captain twice, Burke captured 15 PGA TOUR titles, including the 1956 Masters Tournament and 1956 PGA Championship. He won four consecutive tournaments in 1952. Burke is co-founder and president of the Champions Club in Houston, TX.

### Billy Casper (1978)

A brilliant putter, Casper won the Vardon Trophy for lowest scoring average five times and was a member of eight Ryder Cup teams. Of his 60 career victories, three were major championships, including the 1966 U.S. Open, when he came from seven strokes back with nine holes to play to tie Arnold Palmer, then won their playoff.

### Harry Cooper (1992)

Known as "Lighthorse Harry" for the speed at which he played, Cooper won more than 30 professional tournaments between 1926 and 1942. He was never able to capture a major championship, finishing second on three occasions. In 1937, he won nine tournaments and was the first winner of the Vardon Trophy for lowest scoring average.

### Fred Corcoran (1975)

As tournament manager of the PGA of America from 1936 to 1947, Corcoran more than doubled the number of tour events. Working with Babe Zaharias and Patty Berg, and with financial support from Wilson, he was instrumental in forming the LPGA Tour in 1949. Also a promoter and agent, he founded the Golf Writers Association of America in 1946.

### Ben Crenshaw (2002)

With one of the best putting strokes of all time, Crenshaw won 19 times on the PGA TOUR, including the Masters twice. He was on the 1971 and 1972 NCAA championship teams at the University of Texas and won three straight individual NCAA crowns. Crenshaw also has participated on four Ryder Cup teams and in 1999 captained the U.S. Ryder Cup team.

### Jimmy Demaret (1983)

With a personality as colorful as his wardrobe, Demaret was one of golf's most popular figures for four decades. The Texas native once quit professional golf to become a nightclub singer but returned in 1938 and won the 1940 Masters. After serving in the Navy during World War II, he won the Masters in 1947 and 1950.

### Roberto De Vincenzo (1989)

De Vincenzo, a native of Argentina, turned professional in 1938 at age 15. He joined the PGA TOUR in 1947 and collected nine victories. A truly international champion, he won more than 200 tournaments worldwide, most notably the 1967 British Open. In 1980 at Winged Foot, De Vincenzo won the inaugural U.S. Senior Open.

### Joseph C. Dey (1975)

Golf's most respected administrator, Dey was named Executive Secretary of the USGA in 1934, a position he held for 34 years. As the first commissioner of what became the PGA TOUR, he guided the tournament players in their split from the PGA of America. In 1975 he became the second American to captain the Royal and Ancient.

### Leo Diegel (2003)

A native of Detroit, MI, Diegel won consecutive PGA Championships in 1928 and 1929. In total, he won 31 PGA TOUR events during his career, including four Canadian Opens. Diegel was a member of the first four U.S. Ryder Cup teams between 1927 and 1933. After retiring in 1935 due to a hand injury, Diegel became a respected teacher.

### Nick Faldo (1997)

In 20 years, Faldo has won more than 40 tournaments worldwide, including three British Opens and three Masters Tournaments, and competed on 11 European Ryder Cup Teams. In 1990, Faldo was the first international player to be named PGA of America Player of the Year.

### Raymond Floyd (1989)

With the 1969 and 1982 PGA Championships and the 1976 Masters Tournament to his credit, Floyd was already a player of renown when he won his fourth major championship title. In 1986, at age 43, he captured the U.S. Open at Shinnecock Hills. His steely competitiveness carried over to a successful career on the Champions Tour.

### Ralph Guldahl (1981)

In 1938, Guldahl quit tournament golf in frustration to sell cars in Dallas. He returned one year later and, with victories at Oakland Hills in 1937 and Cherry Hills in 1938, became one of the few players to capture consecutive U.S. Open titles. He also won three consecutive Western Opens and the 1939 Masters Tournament.

### Walter Hagen (1974)

Flamboyant and charismatic, Hagen was the first professional to make a living playing golf, rather than teaching it. Wild off the tee, but superb at recovery, his fame mirrored his lifestyle. Captain of the first six American Ryder Cup teams, he won two U.S. Opens, four British Opens and five PGA Championships, including four consecutively.

### Bob Harlow (1988)

An All-American in golf and All-Conference in football at the University of Colorado, Irwin won the 1967 NCAA Golf Championship. ### Tony Jacklin (2002)

In 1969, Tony Jacklin became the first British player in 18 years to win the British Open. He followed that with the 1970 U.S. Open title, the first victory in that tournament by a British player in 50 years. Jacklin may be best remembered as Captain of the victorious European Ryder Cup teams in 1985, 1987 and 1989.

### Bernhard Langer (2002)

Langer is the most accomplished golfer in German history. He accumulated more than 50 worldwide victories and won the Masters twice. Langer competed for Europe in 10 Ryder Cup competitions and amassed one of the best records for the European Team.

### Lawson Little (1980)

Stocky and powerful, but renowned for his short game, Little's greatest achievements came as an amateur. In 1934 and 1935, he captured the "Little Slam," winning both the U.S. and British Amateur Championships. After turning professional in 1936, he won seven events, most notably the 1940 U.S. Open in a playoff with Gene Sarazen.

### Gene Littler (1990)

Littler's first PGA TOUR win came in 1954 as an amateur. His last was in 1977 at age 47. He won the U.S. Amateur in 1953 and the U.S. Open in 1961, but lost both the Masters Tournament and the PGA Championship in playoffs. Littler amassed a total of 29 career PGA TOUR victories.

### Lloyd Mangrum (1998)

Known as a tough competitor with an aggressive style of play, Mangrum competed in an era that also included Hall of Famers Ben Hogan, Byron Nelson, Jimmy Demaret and Sam Snead. He counted the 1946 U.S. Open among his 36 career victories.

### Cary Middlecoff (1986)

After becoming the first amateur to win the North and South Open, Dr. Middlecoff abandoned a career in dentistry and turned professional in 1947. A brilliant analyst of the game and the golf swing, he won the U.S. Open in 1949 and 1956 and the Masters Tournament in 1955. He retired with 37 career victories.

### Johnny Miller (1996)

Miller dominated international golf in the early 1970s, winning 20 tournaments in six years. A remarkable 63 in the final round secured his victory in the 1973 U.S. Open at Oakmont. Winner of the 1976 British Open at Royal Birkdale, Miller gained renown as a television commentator.

### Byron Nelson (1974)

"Lord Byron" won two Masters Tournaments, two PGA Championships and the 1939 U.S. Open. He is best remembered for his 1945 season, when he won 19 tournaments, including 11 consecutively, finished second seven times and compiled a remarkable stroke average of 68.33. In 1947, at age 34, Nelson retired to his ranch in Texas.

### Jack Nicklaus (1974)

The legendary Bobby Jones said of him: "He plays a game with which I am not familiar." In his monumental career, Nicklaus amassed 18 professional major championship victories, far surpassing any golfer before or since. With more than 100 victories around the world, "The Golden Bear" is arguably the best golfer of the modern era.

### Greg Norman (2001)

The "Great White Shark" won the 1986 and 1993 British Opens in a professional career that has produced some 90 victories worldwide, including 20 PGA TOUR titles. He captured the Arnold Palmer Award as the TOUR's leading money-winner in 1986, 1990 and 1995. He won the 1994 PLAYERS Championship with a record 24-under-par total.

### Arnold Palmer (1974)

The most charismatic player in history, Palmer's emergence in the late 1950s coincided with televised golf to generate unprecedented interest in the game. Palmer won the U.S. Amateur in 1954 and the U.S. Open in 1960. Also among the more than 80 professional victories he collected were four Masters Tournaments, two British Opens and five major championships on the Champions Tour.

### Gary Player (1974)

This South African made up for his diminutive size with a rigorous schedule of fitness training and persistent practice unequaled in golf. His career victories numbered more than 120 worldwide and included all four major championships. Player found later success as a dominant force on the Champions Tour.

### Nick Price (2003)

One of the more dominant players of the 1990s, winning two PGA Championships (1992, 1994) and a British Open (1994) among his 16 victories in that decade and 18 total. The South African, winner of more than 40 titles worldwide, is also a two-time PGA TOUR Player of the Year (1993, 1994) and a two-time Vardon Trophy winner (1993, 1997).

### Chi Chi Rodriguez (1992)

His pro-am tournament helped fund the Children's Hospital in his native Puerto Rico, and his Youth Foundation has raised millions for disadvantaged children in Florida.

### Paul Runyan (1990)

Although one of the shortest hitters of his time, Runyan won more than 50 professional tournaments. After joining the tour in 1933, he captured 16 events in two years and was leading money-winner in 1933 and 1934. A highly regarded short game and putting instructor, he won the PGA Championship twice, in 1934 and 1938.

### Gene Sarazen (1974)

Sarazen was the first golfer to win all four major championships. He won the U.S. Open in 1922 and 1932: the PGA in 1922, 1923, and 1933; and the British Open in 1932. But his victory in the 1935 Masters Tournament is best remembered for a remarkable final-round double-eagle on the 15th hole at Augusta National.

### Horton Smith (1990)

In 1929, at age 21, Smith played in 19 professional events, winning eight and finishing second four times. He remained a top professional throughout the 1930s, winning the first and third Masters Tournaments in 1934 and 1936. His last tournament win came in 1941, the year before he left golf to join the army.

### Sam Snead (1974)

"Slammin' Sam" is renowned for his classical swing and the longevity of his career. The winner of three PGA Championships, three Masters Tournaments and the British Open, he made eight Ryder Cup appearances and was captain of the U.S. Team three times. Snead recorded 82 TOUR victories, his last in 1965 at age 52.

### Payne Stewart (2001)

Before his tragic death in a 1999 plane crash, Stewart had won 18 tournaments around the world, including three major championship titles: 1989 PGA Championship, 1991 and 1999 U.S. Open. While known for his trademark knickers and tam o'shanter cap, his love for the game and passion with which he played made him one of the most respected players of his time.

### Peter Thomson (1988)

One of the most intriguing players the game has known, the Australian-born Thomson captured five British Open titles between 1954 and 1965, including three consecutively from 1954 to 1956. With wide interests that ranged from politics to music, Thomson maintained successful careers as a writer and golf course architect outside of competition.

## World Golf Hall of Fame PGA TOUR Pioneers/Members (cont.)

### Lee Trevino (1981)

The ultimate self-made champion, Trevino made the transition from assistant professional at a Texas driving range to U.S. Open champion. He captured that title twice, in 1968 and 1971. With two British Opens, two PGA Championships and six Ryder Cup appearances to his credit, he later had a dominant career on the Champions Tour.

### Tom Watson (1988)

Watson's major championship victories include five British Opens and two Masters Tournaments. His victory in the 1982 U.S. Open featured a dramatic chip-in on the 17th hole at Pebble Beach. Arguably the most consistent player for a decade, he was the PGA TOUR's leading money-winner and Player of the Year four consecutive times from 1977 to 1980.

## World Golf Village

World Golf Village is a 6,300-acre golf resort and residential community located 10 minutes northwest of historic St. Augustine, FL, and 30 minutes south of Jacksonville. Named one of the "Top 75 Golf Resorts" in the United States by Golf Digest, World Golf Village draws guests from all over the United States and from around the world, offering a wide variety of recreational, entertainment, corporate meeting and residential options.

The centerpiece of the Village is the World Golf Hall of Fame, a sports museum that pays tribute to the greatest players and contributors of the game. The

World Golf Hall of Fame features memorabilia from its members, as well as historical and interactive exhibits that enable visitors to see and experience some of golf's most exciting elements from the sport's infancy in Scotland to the present day.

Adjacent to the museum is the World Golf Hall of Fame IMAX® Theater, offering a variety of films that are both educational and entertaining on an 80-foot-wide-by-6-story-high screen. Along the Hall of Fame's Walk of Champions, a half-mile track built with more than 100,000 bricks that may be purchased by visitors through the Commemorative Brick Program, guests can attempt to hit a ball 132 yards to the Challenge Hole's island green or play a round on the 18-hole, real-grass putting course.

Encompassing nearly 400 acres, the World Golf Village championship golf courses include the King & Bear, the first course co-designed by World Golf Hall of Fame members Arnold Palmer and Jack Nicklaus, and the Slammer & Squire, built by Bobby Weed, with design consultants and World Golf Hall of Fame members Sam Snead and Gene Sarazen. Both courses, which have hosted 10 nationally televised broadcasts, combine challenging obstacles with playability for all levels of golfers.

The PGA TOUR Golf Academy opened in January 2002. Top-rated instructors, including Director of Instruction Scott Sackett, a Golf top 100 teacher, and resident PGA TOUR instructor Calvin Peete, a 12-time PGA TOUR winner, incorporate three teaching and video analysis systems into the lessons.

Set to open in the winter of 2004 and 2005 will be the first-ever PGA TOUR Spa. The world-class, full-service spa will be located in the King & Bear at World Golf Village as part of the Lterra resort community.

Dining options include the Murray brothers' Caddyshack, the flagship restaurant of actor-golfer Bill Murray and his five brothers, and Sam Snead's Tavern, loaded with memorabilia from Snead's life.

A view of the World Golf Hall of Fame at World Golf Village.

PGA TOUR STOP, one of the largest golf stores in the country, anchors the retail area of World Golf Village.

Accommodations at World Golf Village include the World Golf Village Renaissance Resort, a 10-story resort that features 301 guest rooms and the adjacent St. Johns County Convention Center. Comfort Suites offers an additional 162 suites.

PGA TOUR Productions and The First Tee® national headquarters are located on the Walk of Champions, as is The Learning Curve, where visitors can learn more about The First Tee program and how it impacts the lives of kids.

The Neighborhoods of World Golf Village is a distinctive residential community that blends world-class amenities with the convenience of shopping, healthcare, entertainment, first-rate schools and incredible golf. Each neighborhood offers individual amenities, such as pools and recreational facilities.

As sole founding partner of World Golf Village, Shell Oil Company provides financial support to the World Golf Foundation and supports its charitable initiatives aimed at introducing golf to young people, thereby promoting scholastic achievement, community service and those values intrinsic to the game of golf.

Playing only his second Nationwide Tour event, **Ryan Palmer** won the Clearwater Classic, a victory that helped him earn the sixth position on the Tour's money list.
