A Message to the Media

PGA TOUR

Bill Calfee
President
Nationwide Tour

Welcome to the 2010 Nationwide Tour season. Coming off last year's 20th-year celebration, the Nationwide Tour enters its third decade with a well-deserved reputation as the official proving ground of the PGA TOUR.

Last year's play on the Nationwide Tour was highlighted by Australian Michael Sim's record-smashing efforts and strong competition across the board that produced exciting finishes at almost every tournament. Sim leads 25 Nationwide Tour graduates who move on to the PGA TOUR in 2010 seeking to add to the already significant impact Tour players have had on golf's biggest stage.

As we continue to deal with the most challenging economic environment of our generation, the Nationwide Tour looks forward to a 2010 schedule that features events in the United States and six countries abroad. The Tour also continues to benefit from a terrific umbrella sponsor in Nationwide Insurance and an agreement that is in place through 2012.

The season-long quest for "The 25" PGA TOUR cards that will be awarded for 2011 begins in January and February, with events in New Zealand, Australia, Panama and Colombia before giving way to the spring, summer and fall run of tournaments in the U.S., Mexico and Canada. The season will once again conclude in October at the Daniel Island Club in Charleston, SC, with the drama and suspense that are synonymous with the Nationwide Tour Championship.

New to the Nationwide Tour schedule is the Pacific Rubiales Bogotá Open in March, the PGA TOUR's first official-money event in South America. There will also be two new domestic additions, the Mylan Classic outside Pittsburgh, which marks the Tour's first visit to golf-rich Western Pennsylvania since 1992, and the Winn-Dixie Jacksonville Open, to be played in October at PGA TOUR headquarters on the TPC Sawgrass' Dye's Valley course.

The Tour moves to new university venues for the Stadion Athens Classic at UGA (University of Georgia Golf Course) and the Melwood Prince George's County Open (University of Maryland Golf Course), joining the Nationwide Children's Hospital Invitational (Ohio State University's Scarlet Course).

GOLF CHANNEL will continue to follow the Nationwide Tour and tell the story of "The 25" in 2010, with 16 telecasts supported by many hours of coverage internationally and additional programming, including "Quest for the Card: Inside the Nationwide Tour," as will PGATOUR.COM.

Charity remains a critical piece of the Nationwide Tour's fabric, with thousands of volunteers donating their time to the events so organizations in their communities and states can benefit even in these difficult times. Last year, fundraising efforts were led by the Albertsons Boise Open (\$1,235,363), the Nationwide Children's Hospital Invitational (\$881,270), the Price Cutter Charity Championship (\$687,253) and the BMW Charity Pro-Am (\$651,829).

The Nationwide Tour communications team has great passion for this Tour and looks forward to serving your needs throughout the 2010 season. See you on Tour as we follow "The 25" action from January through October.

Sincerely,

Timothy W. Finchem
Commissioner, PGA TOUR

PGA TOUR Overview

The name of our organization is the PGA TOUR, a tax-exempt membership group of professional golfers that plays more than 100 official money tournaments on three Tours – the PGA TOUR, Champions Tour and Nationwide Tour. Our headquarters are located in Ponte Vedra Beach, FL, southeast of Jacksonville.

We should be referred to as the PGA TOUR or TOUR (on second reference), but not the PGA, as we are a different organization than the PGA of America.

The PGA is the Professional Golfers' Association of America, a membership organization for the nation's club professionals. The PGA runs the PGA Championship, Senior PGA Championship and Ryder Cup Matches, among other championships. The PGA headquarters are located in Palm Beach Gardens, FL.

The PGA TOUR and PGA of America were affiliated until 1968, when the tournament players, a small subset of the total PGA membership, broke away to form the Tournament Players Division and gain more control of their finances and tournament schedule. The Tournament Players Division was renamed the PGA TOUR in 1975.

Two other American golf organizations are involved in men's professional tournament play, independent of the TOUR but with their marquee events included on the TOUR schedule as non-TOUR co-sponsored tournaments. The United States Golf Association, with headquarters in Far Hills, NJ, oversees the national championships (U.S. Open, U.S. Senior Open, U.S. Amateur, U.S. Women's Amateur, etc.) and administers the Rules of Golf, among other duties. The Augusta (GA) National Golf Club plays host to the Masters Tournament. The Royal and Ancient Golf Club of St. Andrews, Scotland oversees the British Open and administers the world's golf rules jointly with the USGA.

The PGA TOUR is the world's foremost golf Tour, with official money events from January through November. This year is the fourth in a new era for the PGA TOUR with the continuation of the FedExCup, a season-long points competition culminating with the PGA TOUR Playoffs for the FedExCup.

"PGA TOUR Driven"

Overview

Founded (1990), owned and operated by the PGA TOUR, the Nationwide Tour identifies those players who are ready to compete and win on golf's biggest stage. As the official proving ground of the PGA TOUR, two out of three PGA TOUR members are Nationwide Tour alumni. Through 2009, Tour alumni had won 260 PGA TOUR titles, including 13 majors and three PLAYERS Championships. Twenty-five PGA TOUR cards will be at stake over the course of 28 events in 2010. Recognizing the Tour's growing stature, Nationwide Insurance has renewed its umbrella sponsorship of the Nationwide Tour through 2012. The PGA TOUR, through the efforts of its three tours and their tournaments, sponsors, players and volunteers, supports more than 2,000 local charities and has surpassed \$1.5 billion in

charitable giving. To learn more about the PGA TOUR and Nationwide Tour and to follow the season-long quest for a PGA TOUR card, visit PGATOUR.com.

History

1990 – 2010. The Tour enters its 21st season in 2010.

Annually, the Tour honors its Charity of the Year and Volunteer of the Year.

Features 28 events played in 17 states and six countries outside the U.S. (New Zealand, Australia, Panama, Colombia, Mexico and Canada).

Prize Money

\$17,825,099 over 28 events; the average purse is a \$636,610. In 2010, the Nationwide Tour will play for \$1 million at the Soboba Classic in Southern California and the Nationwide Tour Championship at Daniel Island in Charleston, SC.

Eligibility

Each Nationwide Tour player has a position on the priority ranking system that is used to determine full-field open tournaments. The complete priority ranking system may be found at the beginning of Section 2 (page 2-2) of the 2010 Official Nationwide Tour Guide or in the Nationwide Tour area of PGATOUR.COM. The majority of Nationwide Tour events have 144- or 156-player fields.

Membership

The Nationwide Tour's 240 members hail from around the globe. There are currently 63 international players with full or partial Tour exemptions, representing 19 countries outside the United States: - Argentina, Australia, Bermuda, Canada, Chile, Colombia, England, India, Ireland, Mexico, New Zealand, Paraguay, South Africa, South Korea, Sweden, Venezuela, Wales, Yugoslavia and Zambia. See page 2-60 of the Official Nationwide Tour Guide for a country-by-country breakdown of the international membership (as of December 2009).

2009 Graduates

25 players earned 2010 PGA TOUR cards based on their final position on the 2009 Nationwide Tour money list (they are in order of finish): 1-Michael Sim, 2-Chad Collins, 3-Blake Adams, 4-Derek Lamely, 5-Tom Gillis, 6-Chris Tidland, 7-Josh Teater, 8-Cameron Percy, 9-Roger Tambellini, 10-Matt Every, 11-Justin Bolli, 12-Garrett Willis, 13-Kevin Johnson, 14-Garth Mulroy, 15-Jerod Turner, 16-Alex Prugh, 17-Jeff Gove, 18-Henrik Bjornstad, 19-Chris Baryla, 20-Steve Wheatcroft, 21-Rich Barcelo, 22-Craig Bowden, 23-Vance Veazey, 24-Mathias Gronberg and 25-Fran Quinn.

Sim was named Player of the Year in a vote of his peers. As the Tour's leading money winner with a record \$644,142 in earnings, he receives an invitation to compete in the 2010 PLAYERS Championship.

"The 25" Program

Introduced in 2007, "The 25" program highlights the season-long quest to finish in the top 25 on the money list and earn a PGA TOUR card for the following season. A caddie bib program is one element of a broader marketing campaign that tells the story of "The 25" and spotlights the Nationwide Tour's ongoing connection and contributions to the PGA TOUR. Each week caddies of the top-25 players wear a gold caddie bib designating their player's current position on the money list.

PGA TOUR Impact

Every year, the impact of the Nationwide Tour on the PGA TOUR grows. Since 1990, 260 PGA TOUR tournaments had been won by players with Nationwide Tour roots, including all four major championships and three PLAYERS Championships (through 2009 season). Of the 46 official events on the 2010 PGA TOUR schedule, all but one (AT&T National) have been won by former Nationwide Tour players. Two out of three current PGA TOUR members, and nine who played in the 2009 Presidents Cup and five members of the 2008 U.S. Ryder Cup team, are Nationwide Tour alumni. In recognition of the Tour's growing stature and competitive impact, beginning in 2007 the PGA TOUR Policy Board increased the number of PGA TOUR cards available from 20 to 25.

Nationwide Tour Alumni

Since the Nationwide Tour's inception in 1990, it has graduated 308 players to the PGA TOUR, with hundreds of other PGA TOUR-bound players having also gained experience by way of the TOUR's official proving ground. Once on the PGA TOUR, these same players have produced 260 TOUR victories, including 13 majors and three PLAYERS Championships through 2009.

The following are just a handful of the many Nationwide Tour alumni who have achieved success on the PGA TOUR (with year last played on Tour in parentheses):

"The 25"

Founded, owned and operated by the PGA TOUR, the Nationwide Tour identifies those players who are ready to compete and win on golf's greatest stage. As the official proving ground of the PGA TOUR, its impact on the PGA TOUR is undeniable. Two out of every three PGA TOUR players have Nationwide Tour roots. Through 2009, Nationwide Tour alumni had amassed 260 PGA TOUR titles, including 13 major championships and three PLAYERS Championships. As the Tour's tag line implies, the Nationwide Tour, its tournaments and players are "PGA TOUR Driven."

The essence of the Nationwide Tour is "The 25" program, the season-long quest to earn a PGA TOUR card. Each year, the chase provides some of the most compelling drama in sports. "The 25" tracks the PGA TOUR cards that are at stake and the weekly player movement in and out of the top-25 places on the money list. Fans follow the action throughout the year as the caddies of "The 25" wear golf bibs designating a player's current position on the money list.

In 2010, the program will build to a conclusion at the season-ending Nationwide Tour Championship at Daniel Island in Charleston, SC, where 60 contenders with one shared dream of playing on the PGA TOUR will lay it all on the line. Media and fans can follow "The 25" and the season-long card quest on GOLF CHANNEL and PGATOUR.COM.

History of the Nationwide Tour (1990-2009)

Even the most optimistic person couldn't have foreseen the success the Nationwide Tour would have when it kicked off its inaugural season on Thursday, Feb. 2, 1990 at 7:30 a.m. PST at Bakersfield Country Club in Bakersfield, CA.

The Nationwide Tour began under corporate sponsorship of the Ben Hogan Company as the Ben Hogan Tour. The idea of former PGA TOUR Commissioner Deane R. Beman, the Nationwide Tour was designed as a proving ground for up-and coming golfers, as well as a place for PGA TOUR veterans to hone their skills as they prepared for the Champions Tour. It has become so much more than that.

For the first two years of the Tour, the top-five money winners were awarded PGA TOUR membership. Beginning in 1992, the PGA TOUR Policy Board voted that, due to the success graduating players were having on the PGA TOUR, the number of cards available would be increased to 10; and in 1997 the number was increased to 15. In 2003, 20 players earned their 2004 TOUR cards, and that number increased to 25 in 2007.

That first event in 1990 was won by Mike Springer, who went on to win two more times that year and finish fourth on the money list. He was joined in the first graduating class by Jim McGovern, Dick Mast, Ed Humenik and Jeff Maggert, who was leading money winner and Player of the Year.

However, the player who made the biggest impact on the PGA TOUR from the 1990 Tour was John Daly, winner of the only Ben Hogan Tour Qualifying Tournament. Daly won the 1991 PGA Championship as a rookie and went on to finish 17th on the PGA TOUR money list. Since then, he has added four more victories, including another major championship, the 1995 British Open.

Tom Lehman first established himself as a top-flight player on the Tour in 1991. After two nondescript years on the PGA TOUR in the early 1980s, Lehman won a tournament on Tour in 1990. But 1991 was the breakthrough season in his comeback. He won three times and was the circuit's leading money-winner. Californian John Flannery was the Player of the Year in 1992, winning three times and leading the Tour in earnings with \$164,114.

On August 26, 1992 Nike, Inc., took over sponsorship of the Tour, beginning with the 1993 season. Sean Murphy was the star that year, setting records for wins in a season with four, career victories with five, and single-season earnings with \$166,293. He added a sixth title in 1995.

While Murphy was busy setting records, his fellow Tour alumni were busy making names for themselves on the PGA TOUR. Daly collected his second career win in the 1992 B.C. Open, and others were beginning to earn their own hardware. McGovern, Mike Standly and Maggert all collected PGA TOUR titles in 1993, while Springer and Greg Kraft grabbed unofficial wins. The Tour Championship also was established in 1993 as a climax to the season. Rookie David Duval won the first Tour Championship, which featured only the year's top-50 money winners.

In 1994, Chris Perry showed that consistency has its own rewards. Although six players collected multiple victories that year, Perry's lone title in the Utah Classic, 10 top-10 finishes and no missed cuts earned him Player of the Year honors. He set a single-season earnings record with \$167,148.

There were a number of firsts in 1994. In June, Tommy Armour III became the first player to win back-to-back tournaments—the Miami Valley Open and Cleveland

Ben Hogan

Open. During the second round of the 1994 Shreveport Open, Omar Uresti set a record with nine consecutive birdies, setting a standard not only for the Nationwide Tour but the PGA TOUR, Champions Tour and European Tour.

In May, Vic Wilk became the first left-hander to win an event, the Knoxville Open. Jerry Kelly continued the trend of the leading money-winner setting an earnings record in 1995 when he collected \$188,878 to better Perry's year-old mark. Besides winning twice, Kelly posted 15 top-10 finishes.

Stewart Cink was the top story in 1996. The 1995 College Player of the Year became the first player in Nationwide Tour history to earn more than \$200,000 in a single season with \$251,699. He won three times, including the season-ending Tour Championship, and collected 14 top-10 finishes in only 21 events.

The 1997 season marked the first year of the three-win promotion, which grants immediate PGA TOUR access to any player who wins three Nationwide Tour events in a season. Chris Smith was the first to do so winning that year's Upstate Classic as well as the Dakota Dunes Open and Omaha Classic in back-to-back weeks.

In October, Steve Flesch joined Wilk as the only left-handed champions. Flesch won the season-ending Tour Championship. That victory vaulted him from 24th on the money list to fourth, earning him 1998 PGA TOUR membership.

The 1998 season saw more of the kind of action for which the Nationwide Tour has become known. During a three-week period late in the spring, Notah Begay III and Doug Dunakey caught the attention of the golf world when each posted 59. Begay's 13-underpar 59 came in the second round of the Dominion Open. Dunakey could have had the record all to himself were it not for a three-putt bogey on his final hole.

Bob Burns was named 1998 Player of the Year after leading in earnings with \$178,664 and winning the Dominion Open and Tour Championship.

The 1999 season saw Carl Paulson establish a new record for consecutive starts with 83. The 83rd was particularly significant as Paulson recorded his first-ever Nationwide Tour victory at the Utah Classic. That win, and another two weeks later in Boise, ID, vaulted Paulson to the top of the money list. His peers would later vote him Player of the Year. Seven players won twice on the Tour in 1999, and a record 22 earned more than \$100,000.

The season-ending Tour Championship featured a thrilling finale at the Robert Trent Jones Trail Highland Oaks Golf Club in Dothan, AL. Bob Heintz won his second event of the season defeating Marco Dawson in a playoff to take home the largest check in Tour history—\$72,000.

In late October, internet superstore Buy.com was announced as the new umbrella sponsor of the Tour. With Buy.com's financial commitment, purses rose to a record \$13.1 million in 2000, with the minimum purse jumping from \$225,000 to \$400,000. On the course, the 2000 season saw Spike McRoy earn Player of the Year honors after winning twice and earning a record \$300,638. He was one of 53 players to earn \$100,000 or more.

Tim Clark made history of his own in 2000 when he collected the first \$100,000 payday on Tour by winning the Boise Open. The 2000 season was also notable for the emergence of international players who captured nine titles and claimed four of the top-15 spots on the money list.

The 2001 season was memorable when, for the second time, three players earned three-win promotions in one season. Heath Slocum was the first to do so, followed by Chad Campbell and Pat Bates, who won back-to-back tournaments to end the year. Todd Barranger tied the scoring mark by winning the Dayton Open with a 26-under-par effort, while Campbell set a single-season earnings record with \$394,552 to capture Player of the Year. He also finished second at the PGA TOUR's season-ending Southern Farm Bureau Classic.

In 2002, the Tour added tournaments in Australia and New Zealand for the first time. In addition, tournaments were allowed to sell individual title sponsorships for the first time. Patrick Moore won three times and was named Player of the Year. A record 12 players earned \$200,000 or more, and alums continued to excel winning a single-season record 21 times on the PGA TOUR.

The season ended on a high note with the announcement of a new umbrella sponsor in Nationwide Insurance. The five-year agreement would start with the 2003 season and coincided with an increase in PGA TOUR cards awarded to 20.

History of the Nationwide Tour (cont.)

The 2003 season featured 30 events, with purses exceeding \$14.7 million. Tom Carter became only the sixth player to earn a three-win promotion to the PGA TOUR, yet did not win Player of the Year. That honor went to Zach Johnson, who set a Tour record for earnings with \$494,882. He had two wins and nine top-three finishes in 20 starts while setting a new Tour scoring record of 68.97.

Jimmy Walker was the 2004 Player of the Year and leading money winner, as well as one of five multiple winners during the season. Alums continued to excel, winning a record 22 PGA TOUR titles, while the Class of 2003 made history with five members winning on TOUR, with seven earning at least \$1 million and eight finishing in the top 125.

In May, Daniel Chopra set a Tour record when he shot 30-under at the Henrico County Open. Tyler Williamson and Chris Nallen each fired 60s during the year, one shot off the Tour record.

Jason Gore was the lead story in 2005 when he captured the hearts of golf fans everywhere at the U.S. Open. He followed that performance with a record-setting three straight wins on the Nationwide Tour and shot 59 in capturing the last one. He completed his season with a September victory on the PGA TOUR and was named Nationwide Tour Player of the Year. Any other year, Troy Matteson would have walked off with that honor as he won twice, finished in the top 10 a dozen times and set a new single-season earnings record of \$495,009.

The 2006 season featured a slate of 31 tournaments and \$17 million. Ken Duke and Johnson Wagner battled throughout the year for top honors, with Duke emerging as the leading money winner and Player of the Year.

Five players won twice—Wagner, Tripp Isenhour, Craig Kanada, Brandt Snedeker and Kevin Stadler—with a record 10 players earning more than \$300,000 and 22 collecting \$200,000 or more.

The Class of 2005 made its mark on the PGA TOUR in 2006 with 12 of the 21 graduates finishing among the top 125 on the money list. Chris Couch, Eric Axley and Troy Matteson each won on TOUR. They were among among eight 2005 graduates whose earnings exceeded \$1 million.

On-course success was exceeded only by the good news that Nationwide and the PGA TOUR had reached a new five-year extension of Nationwide's umbrella sponsorship of the Tour through 2012.

In 2007, the Tour played for a record \$18 million in prize money and a record 25 PGA TOUR cards were awarded at season's end. Australia's Nick Flanagan earned a three-win promotion to the PGA TOUR in August and later earned Player of the Year honors. Richard Johnson won the season-ending Nationwide Tour Championship at Barona Creek to capture the money title. Another Aussie, Jason Day, 19, became the youngest winner in Nationwide Tour history when he won in Cleveland in July. Five of the top-seven money winners were international members, and eight players surpassed \$300,000 in earnings. Brandt Snedeker, a 2006 graduate, was voted PGA TOUR Rookie of the Year. Zach Johnson, the 2003 Player of the Year, won the Masters.

The 2008 season featured record prize money of nearly \$19 million. Brendon de Jonge of Zimbabwe earned Player of the Year honors. Matt Bettencourt finished the year with a flurry to capture the money title. Bettencourt and three other players, Jarrod Lyle, Scott Piercy and Colt Knost, won two events. The Tour added an event in Mexico and one in Canada featuring hockey legend Wayne Gretzky, and played its first two \$1-million events, the Nationwide Tour Players Cup in West Virginia and the Nationwide Tour Championship.

The Nationwide Tour celebrated its 20th year in 2009. Four cities, which have hosted tournaments every year since 1990 (Boise, Knoxville, Springfield and Wichita), were highlighted. Despite facing the most challenging economic time in decades, the Nationwide Tour maintained a strong foundation, playing 29 tournaments—in the U.S. and in five countries abroad. Australian Michael Sim was the year's headliner as he rewrote the Tour's record book, earning a battlefield promotion to the PGA TOUR by August and pocketing \$644,142. Alumni on the PGA TOUR racked up a record 23 titles, including majors by Lucas Glover (U.S. Open) and Cink (British Open), upping the TOUR alumni win total to 260 at season's end since the Tour's inception.

It's been 21 years since Mike Springer won the Bakersfield Open, the first Nationwide Tour event.

About the Commissioner

Tim Finchem
PGA TOUR Commissioner

Tim Finchem began his 16th year as commissioner of the PGA TOUR in June 2009. From the time Finchem joined the TOUR management team, he has played a key role in strengthening the PGA TOUR's position as one of the most successful, well-respected sports organizations in the world, and his leadership has helped foster the growth of the game, both domestically and internationally.

During his tenure, Finchem has greatly expanded the earnings opportunities for PGA TOUR players. The TOUR, through its tournaments and sponsors, has dramatically escalated tournament purses and grown total revenues at an unprecedented rate. Since Finchem became commissioner in 1994, the PGA TOUR and its tournaments have raised more than \$1 billion for charitable organizations.

Under Finchem's leadership, The Presidents Cup was created in 1994, bringing together the world's best non-European players in team match-play competition against their American counterparts. After eight stagings, The Presidents Cup has grown to be one of the most highly anticipated events on golf's calendar, and the 2011 event is scheduled for Royal Melbourne in Australia.

Finchem has also been instrumental in the formation of the International Federation of PGA Tours and the World Golf Foundation. His personal dedication to the success of the World Golf Foundation's The First Tee initiative has meant that, in just more than 10 years, The First Tee has grown to include more than 200 chapters that reach more than 2.2 million young people.

An additional accomplishment during Finchem's tenure has been the development and introduction of the FedExCup, a season-long points com-

petition that culminates with the PGA TOUR Playoffs for the FedExCup. From 2007-2009, the FedExCup brought an unparalleled level of late-season focus to and interest in the TOUR, as indicated by significant increases in television and online audiences, tournament attendance, sponsor activation and media coverage.

Born in Ottawa, IL, on April 19, 1947, Finchem graduated from Princess Anne High School in Virginia Beach, VA. He attended the University of Richmond on a debate scholarship, receiving his Bachelor of Arts degree in 1969. He graduated from the University of Virginia Law School in 1973. After practicing law in Virginia Beach for three years, Finchem served in the White House as Deputy Advisor to the President in the Office of Economic Affairs in 1978 and 1979. In the early 1980s, Finchem co-founded the National Strategies and Marketing Group in Washington, D.C.

Finchem is the recipient of the Golf Course Superintendents Association of America's Old Tom Morris Award for 2001 and the PGA of America's Distinguished Service Award for 2002. He was awarded the Dick Schaap Lifetime Achievement in Sports Award in 2005.

Added his second top-10 with a T7 at the Nationwide Tour Players Cup. Payday in Canada vaulted him to No. 21 on the money list... Was T10 at the Price Cutter Charity Championship. Split time between the Nationwide Tour and PGA TOUR after making his 150th career PGA TOUR cut, at the Buick Open in early August, where he T57... Made six cuts, with a T23 at the Zurich Classic of New Orleans his best showing. In 2007, limited to 16 events due to a left-wrist injury suffered at the PODS Championship, forcing a withdrawal. After the PODS Championship, did not play for nearly four months due to rest and rehabilitation. The solo third-place finish topped his two career T3s for his best finish on TOUR in his 219th start. Collected a career-best \$346,800. After years of nagging injuries, was finally healthy in 2005. Played out of the Major Medical Extension category the majority of the year and earned top-125 status on the strength of nine top-25s. Lone top-10 was T8 at the Buick Open, aided by three rounds in the 60s. Posted four rounds in the 60s to finish T8 at the 2004 Sony Open in Hawaii, lone top-10 of the season. Entered the season's final full-field event, the Chrysler Championship, No. 126 on the money list but missed the cut to finish No. 128. Re-gained TOUR card for 2005 via Qualifying Tournament. Got off to a late start in 2002 due to hip and shoulder surgery in fall of 2001 to finish just in top 125 to secure TOUR card for 2003. Withdrew from first event back from surgery at The Honda Classic in March, where suspension of play would have forced 36 holes of play on Saturday. First top-10 came in August, when he finished T7 at The International. At the Air Canada Championship, a T3 matched best TOUR finish of T3 at the 1999 Buick Challenge. Finished T7 at Tampa Bay Classic, boosting official earnings inside top 125 (120th, \$486,288) for the first time all season. Never fell out of top 125 for the rest of the season, despite missing cuts in three of final four events. Only top-10 in 2001 came at AT&T Pebble Beach National Pro-Am. Best effort of the 2000 season came at the Tampa Bay Classic where he finished T10. After finishing 137th on the money list, successfully completed Qualifying Tournament. Successful sophomore season on TOUR in 1999, with a T4 at the Compaq Classic and a T3 late in the year at the Buick Challenge. PROFESSIONAL CAREER:

In 2009, made the cut in just four of 25 starts and failed to record a top-25 finish for the first time since joining the TOUR in 2002. . . Struggled during the 2008 season, finishing No. 185 in FedExCup standings and No. 195 on the official money list (his worst showing since joining the TOUR in 2002). Did not crack the top-10 in 18 starts, with a T20 at the Masters Tournament his best outing. Collected his first PGA TOUR win at the 2007 Buick Open and surpassed the \$1-million mark in earnings for the first time in his career. Competed in the first three events in the PGA TOUR Playoffs for the FedExCup, finishing 67th. Became the first player to capture his first PGA TOUR win at the Buick Open since Tom Pernice, Jr. in 1999. First-round 7-under 65 set the pace for the win, culminating with a 12-foot birdie putt on the 72nd hole to avoid a four-man playoff. Got up and down for pars on 16 and 17 before the birdie. Prior to the win, referred to himself as a "Q-School veteran" having been there nearly 10 times. Most exciting part about the win, he said, was a trip to Augusta, GA for the 2008 Masters, which Bateman has dreamed about since he was a kid. In fifth full season on TOUR in 2006, finished just outside the top 125 (No. 128). Improved 2007 status with T29 finish at PGA TOUR Qualifying Tournament, his fifth consecutive successful trip to Q-School finals. Collected his only top-10 of the 2006 season with a career-best third-place finish at the Deutsche Bank Championship. Closed with a 5-under 66 to move into the top-10. Collected career-best payday of \$374,000. It was his third career top-10 and his first since he finished T7 at the 2004 HP Classic of New Orleans. Made 18 cuts in 32 PGA TOUR starts in 2005 and finished 141st on the money list. Best effort of 2005 was a T14 at the Ford Championship at Doral. Finished in the top 125 for the first time in his three-year PGA TOUR career in 2004. Year included his first two top-10s on TOUR and a career-high six top-25s. Finished third at The Honda Classic for first career top-10 in his 66th career start. Louisiana native and LSU graduate posted four rounds in the 60s to finish T7 at the HP Classic of New Orleans. Made 10 cuts in 26 starts in 2003, with one top-25, a T11 in New Orleans. Rookie in 2002, making just over half of his cuts and posting four top-25s. Member of Nationwide Tour from 1997-2001. Finished 58th on 2001 Nationwide Tour money list. Best season came in 1998 when he finished 20th on the money list with \$107,590 in earnings. PROFESSIONAL CAREER:

Member of the Nationwide Tour in 1999 and 2006-09. Ended the 2009 Nationwide Tour season No. 42 on the money list after making the cut in 12 of his 21 starts and had a half-dozen top-25 finishes. Enjoyed a bogey-free weekend, posting scores of 63-64 to finish at 15-under par 265 and tied with Mathias Gronberg, who also carded 64 in Sunday's final round at Elmhurst CC. Christian and Gronberg tied the Nationwide Tour record for the longest playoff when they needed nine holes to determine a winner. The two repeated the uphill, par-4, 18th hole each time in the overtime session. The first eight holes of the playoff were halved with two-putt pars before Gronberg missed a par putt from 20 feet on the ninth extra hole. Christian, who hit driver-6 iron all nine times in the playoff, then rolled in a 5-foot birdie putt to end matters. The win was worth \$94,500 for the Englishman and jumped him to No. 23 on the money list at the time. Made the cut in only two of six starts following his win. Finished the year No. 3 in Greens in Regulation. Had a pair of top-10 finishes among his 17 cuts made in 2008. Earned his first top-10 in nearly a year with a T7 effort at the Melwood Prince George's County Open. Payday helped him jump 25 places on the money list to No. 47. Weekend of 9-under earned him a T6 at the Cox Classic, his best performance of the season. Closed the year by making seven straight cuts but just barely failed to crack the top-60 (No. 63) on the money list. Made the cut in 17 of 27 starts on the 2007 Nationwide Tour, with seven top-25 finishes. Was No. 54 on the money list, with \$116,570. Capped his top-10 finishes with a T5 at the Rochester Area Charities Showdown at Somerby. Ended the season ranked fourth in Greens in Regulation (73.67 percent). Made the cut in 12 of 24 starts on Tour in 2006, tallying three top-10 finishes. Ended the season No. 58 on the money list, with \$110,875. Making his 35th career start on the Nationwide Tour, collected his first top-10 finish with an impressive runner-up showing at the Knoxville Open. Finished the tournament at 14-under 274, five strokes behind champion Hunter Haas. Collected a career-best \$41,800 for his play. Three starts later posted a T8 at the Scholarship America Showdown at Somerby. Solidified his spot in the Nationwide Tour Championship with solid showings in his last two starts—a T18 at the PalmettoPride Classic and a T10 at the Miccosukee Championship. The latter was set after he took the opening-round lead with a 7-under 64. Shared the lead after the first round of the Nationwide Tour Championship before eventually finishing T22. Made the cut in 11 of 24 starts during his rookie year in 1999, tallying

In 2008, had the best season of his professional career, with four top-10s and 10 top-25s on the PGA TOUR. Finished T6 at the Arnold Palmer Invitational, thanks to a closing, 2-under 68, his first start in the event. It was his best finish since a runner-up to Nick Watney at the 2007 Zurich Classic of New Orleans. Recorded his second top-10 of the season with a T4 at the Buick Open. Eagled the par-4 14th Sunday to vault into contention before falling two strokes shy of eventual winner Kenny Perry. Shared the first-round lead at the John Deere Classic with a 7-under 64. Best finish was a second at the Zurich Classic of New Orleans where he began the final round two shots off Watney's 12-under lead. Shot 70 in the final round to claim his best career TOUR finish. Also earned his biggest paycheck to date, \$658,800. Added a fifth top-10 at the Ginn sur Mer Classic at Tesoro, his home course in Port St. Lucie, FL. Position made him fully exempt for the 2007 PGA TOUR and also earned entry into the 2007 PLAYERS Championship. Tied for first on the Nationwide Tour with nine top-10s (with Boo Weekley), including four top-three finishes. Among those top-threes was his first Nationwide Tour win at the BMW Charity Pro-Am at The Cliffs in April. Birdied Nos. 1-6 in the first round of the ING New Zealand PGA Championship, representing the Tour's second-best birdie streak of the season. After missing four consecutive cuts following his play in Louisiana, came back with a T3 finish at the Henrico County Open,

finishing three strokes behind champion Chad Collins. Equaled his best career finish on Tour with a runner-up showing at the Canadian PGA Championship. BEST 2009 PGA TOUR FINISHES: T17—Valero Texas Open; T21—FBR Open; T22—The Honda Classic.

PROFESSIONAL CAREER:

Has battled injuries recently the past few seasons, making the cut in 14 of 32 starts since the 2007 season. Five top-25 finishes during that stretch, including two in 2008 (T11 at the U.S. Bank Championship and T18 at the 2008 U.S. Open) and three in 2009 (T17 at the Valero Texas Open, T21 at the FBR Open and T22 at the Honda Classic)... In 2006, made 19 cuts in 28 events with two top-10s. Finished in the top 125 for the sixth time in his nine-year TOUR career. Shared the first-round lead with Thomas Levet and held second-round lead at Buick Invitational. Closed with 2-over 74. Finished three strokes out of a three-man playoff won by Tiger Woods. Collected second top-10 of the season with a T4 finish at the Memorial Tournament. Was two back of eventual winner Carl Pettersson through 36 holes... In 2005, playing on a Major Medical Extension, enjoyed career season, with first appearance in THE TOUR Championship, thanks to six top-10s. First top-10 of the season came in his sixth start, a T2 at the weather-shortened, 54-hole BellSouth Classic. Birdied the last hole to get into a five-way playoff with winner Phil Mickelson, Arjun Atwal, Rich Beem and Jose Maria Olazabal. Eliminated on first extra hole when approach shot to the 18th hole found the water and he could not get up and down for par. The \$330,000 check gave him \$430,130 through six events, allowing him to remain in the Major Medical Extension category for the remainder of the season. Recorded third career runner-up finish at The International, one point behind Retief Goosen in the Modified Stableford scoring system format. Forced to play 36 holes Sunday, grabbed the 54-hole lead with 12 points in the first 18 holes. In the final 18 holes, came up short to finish with 31 points. Second-place finish was worth a career-best \$540,000. Closed with a 5-under 67 to finish T3 at Chrysler Classic of Greensboro... In 2004, limited to nine events due to lingering left-wrist problems after 2003 surgery. Received a Major Medical Extension for 2005. Missed five weeks after THE PLAYERS Championship due to a recurring injury to his left hand. Played two more events before ending season... In 2003, although he recorded just one top-10, finished in the top 100 on the money list for a second straight season. At the Bank of America Colonial,

a final-round 64 produced a fourth-place finish. Withdrew from the 100th Western Open with a shattered hook of left hamate bone (palm of hand). Did not play again until the Valero Texas Open in late September. In 2002, finished in the top 100 for the first time in his five-year career. Recorded a T2 finish at the Michelob Championship at Kingsmill, where he held a one-stroke lead over Billy Mayfair heading into Sunday. Final-round 72 left him two strokes behind winner Charles Howell III, tied with Scott Hoch for second... In 2001, for second consecutive year kept his card with a strong finish in the season-ending Southern Farm Bureau Classic. Rounds of 67-66 put him in a tie for first, but closed 69-78, which still earned \$14,960 and a T28 finish, that was enough to move him into the top 125. In 2000, in first full season on TOUR since 1991, retained fully-exempt playing privileges with strong finish to rank 120th on money list. At the Phoenix Open, posted his best final-round score of the year, 65, to finish T4... In 1999, joined PGA TOUR as Special Temporary Member in September. Had first two career top-20s in major championships, with T14 at Masters and T16 at PGA Championship. Qualified for the Masters by virtue of being in top 50 in Official World Golf Ranking. Played on the Japan Golf Tour from 1995-1999, with six victories and a pair of runner-up finishes. In 1998, was fourth on 1998 Japan Golf Tour order of merit with three victories. In 1990, played Canadian Tour where he won the British Columbia Open and finished first on the order of merit while compiling the low scoring average for the year.

AMATEUR CAREER:

Named All-American 1986-88, All Pac-10 Conference 1986-87. Member of 1988 NCAA Championship team while at UCLA.

BEST PGA TOUR CAREER FINISH: 7—2006 Valero Texas Open.

PROFESSIONAL CAREER:

Member of the Nationwide Tour in 2001, 2003-05, 2007-09. Member of the PGA TOUR in 2006. Had a steady but unspectacular 2009 Nationwide Tour season, making the cut in 18 of 25 starts but enjoyed only two top-10 finishes. Wound up No. 50 on the money list. Made 14 cuts in a row at one point and climbed as high as No. 36 in earnings but was just two for six in cuts made down the stretch and did not crack the top 35 in those two made cuts. Held the 36- and 54-hole lead at the Knoxville Open, where he fired an even-par 72 on the final day and finished T3, missing a playoff by a stroke. Added a T5 finish at the Northeast Pennsylvania Classic. . . Finished 2008 No. 72 on the Nationwide Tour money list, with \$96,049. He made 15 cuts in 28 starts. Notched the 21st top-10 finish of his career with a T9 effort at the rain-shortened HSBC New Zealand PGA Championship. Missed the cut in six out of his next eight starts before finishing T5 at the Bank of America Open. Was in a three-way tie for the lead after 54 holes, but a final-round, even-par 72 left him four strokes behind champion Kris Blanks. Finished seventh in the Australian Masters to cap his 2008 season. . . Made the cut in 17 of 29 Nationwide Tour events in 2007, including 12 top-25 finishes. Finished the year with \$194,656, good for the 27th spot on the money list. Finished the season strong, with a runner-up finish at the Chattanooga Classic (ending one stroke behind Ron Whittaker) and a T16 at the Miccosukee Championship. Entered the season-ending Nationwide Tour Championship at Barona Creek in 23rd place on the money list but failed to finish among the 25 Tour graduates. Entered the final round of the Nationwide Children's Hospital Invitational in a share of the lead with Jason Day but eventually finished five strokes behind the 19-year-old in a T5. Other top-10 finishes were posted at the Xerox Classic (T4), Preferred Health Systems Wichita Open (T7), The Rex Hospital Open (T9) and the Nationwide Children's Hospital Invitational (T10). . . In 13th start of his rookie season on the 2006 PGA TOUR, posted his first top-10, a T9 at the Buick Championship. One of just four players to record four rounds in the 60s. Held a four-way share of the 18-hole lead at the Cialis Western Open with a 5-under 66 and finished T40. Recorded a career-best seventh at the Valero Texas Open, thanks to four rounds in the 60s. He was one of three rookies to finish among the top-10 in San Antonio. . . Rookie on the PGA TOUR after finishing 11th on the 2005 Nationwide Tour money list. Earned fist career Nationwide Tour victory at the Gila River Golf Classic. Birdied the last two holes for the one-stroke victory over Jon Mills. Also added a couple of T3s at the Xerox Classic and the Alberta Classic. . . Finished 23rd on the 2004 Nationwide Tour, including seven top-25s. Recorded a T2 at the Australian Masters in Melbourne in December, losing to Australian lefty Richard Green on the first hole of a playoff that included fellow 2005 Nationwide Tour graduate Greg Chalmers. Held the 54-hole lead in that event but dropped into the playoff after an even-par 72 in the final round. Rookie on the Nationwide Tour in 2001, making the cut in nine of 17 appearances. Made cut in only PGA TOUR event, a T51 at the 1998 Bell Canadian Open. . . Member of the Australasian Tour since 1992, with six top-10s to his credit. Joined the Canadian Tour in 1997. Finished 10th on the order of merit in 2003 and 12th in 2002. Won \$10,000 for a hole-in-one during the final round of the 1998 BC TEL Open.

PERSONAL:

Got his start in golf from his grandfather. . . Previously worked as a bank teller and would probably be working as a stock trader if he weren't playing professional golf.

PGA TOUR VICTORIES (5): 1991 Doral-Ryder Open. 1993 Kmart Greater Greensboro Open. 1999 Phoenix Open. 2000 Buick Open. 2002 Greater Greensboro Chrysler Classic.

BEST 2009 PGA TOUR FINISHES: T9—Legends Reno-Tahoe Open.

PROFESSIONAL CAREER:

Made 18 of 22 cuts on the PGA TOUR, but finished 145th on the money list in 2009. Earned only top-10 of the season with a T9 at the Legends Reno-Tahoe Open, where he used a putter borrowed from Matt Bettencourt. In 2008, posted two top-10 finishes among his 16 made cuts on the season. Surpassed \$1 million in earnings for the sixth time in his career. First top-10 of the season was a T6 finish at the Memorial Tournament, thanks to a closing 3-under 69. It was his best finish since a second at the 2007 Arnold Palmer Invitational and his first top-10 in 16 starts at Muirfield Village GC. His previous top-10 on TOUR was a T8 at the 2007 AT&T National. In a bid to become the oldest U.S. Open champion at age 45, lost in a playoff to Tiger Woods at Torrey Pines GC in La Jolla, CA. Finished regulation at 1-under-par 283 and held the clubhouse lead as Woods and Lee Westwood, both one stroke back, played the par-5 18th hole. Woods made birdie to force an 18-hole playoff. In the Monday playoff, made three consecutive back-nine birdies to take a one-stroke lead to the last hole. Woods made birdie to tie and force sudden death as both players shot even-par 71s. Woods parred the par-4 seventh hole, the first sudden-death hole, as Mediate made bogey after driving in a fairway bunker and missing a 20-foot par putt. In 2007, had best season since 2003, with a runner-up finish, three top-10s and more than \$1 million in earnings. After early season duty as a walking commentator for GOLF CHANNEL, posted T9 in third start of the season at the Nissan Open. Led by three strokes through 36 holes of the Arnold Palmer Invitational after opening 66-65. Rebounded from third-round 76 with a 67 to finish solo second, his best finish since he was runner-up at the 2003 Deutsche Bank Championship—a span of 74 events. Collected \$594,000 for his efforts at Bay Hill. Playing the year on a Minor Medical Extension, had 10 events to earn \$514,999, equaling No. 125 on the 2006 money list. With his \$750,650 in total earnings in just six tournaments, was elevated to the Major Medical Extension category for the rest of the season. Finished T8 at the AT&T National thanks to a closing 4-under 66. He moved over the \$1-million mark in season earnings for the first time since 2003. In 2006, was limited to 18 events as he battled long-time back injury. Was granted Minor Medical Extension for 2007. In contention at the Masters Tournament, as he sat T4 through 54 holes. Back problem flared up in final round, when he posted an 8-over-par 80 to finish T36. Not able to play for one month. Resumed play at the Wachovia Championship. Playing on one-time exemption as a top-50 all-time money winner in 2005, rebounded from subpar 2004 season to finish in the top 125. Rallied down the stretch, with 12 made cuts in final 14 starts. Recorded lone top-10 of the season at the U.S. Open (T6). It was his third top-10 in a major and his second at the U.S. Open (fourth in 2001). Shared the first-round lead at Pinehurst No. 2 after a 3-under 67. Earned a spot into the 2006 Masters with his top-10 effort. In 2004, finished outside the 125 on the TOUR money list for the fourth time in his 19-year career and for the first time since he finished No. 155 in 1995. Did not post a top-10 for the first time since 1989 as back problems persisted. In 2003, finished 31st on money list and was bounced from the field for season-ending TOUR Championship after missing cut in final full-field event, the Chrysler Championship. Began season with two top-fives in first three events. Switched to conventional putter for season-opening Mercedes Championships, and finished T2 with K.J. Choi. Tied Jonathan Byrd for low final round, a 10-under 63. Best finish was a second, four shots behind Adam Scott, at the inaugural Deutsche Bank Championship. In 2002, earned more than \$2 million for the first time in his career and had best finish on the money list (22) since finishing 16th in 1993. Picked up first victory since the 2000 Buick Open with win at the Greater Greensboro Chrysler Classic. Had two-stroke lead over Mark Calcavecchia through 54 holes. Final-round 71 gained a three-stroke win over Calcavecchia and earned a career-high \$684,000 paycheck. Finished third at THE PLAYERS Championship. Sixth at the PGA was his second top-10 in a major. First was a solo fourth at the 2001 U.S. Open. In 2001, shot 20-under 264 to finish second to Mark Calcavecchia's record-setting 28-under 256 at Phoenix Open. Finished 1-T2-2 at Phoenix Open over three-year stretch (1999-2001). Finished T2 at Marconi Pennsylvania Classic. Grew up about 20 miles from the Laurel Valley course. In 2000, earned his fourth career victory the way he won his first TOUR title—with a birdie on the final hole at the Buick Open. It was the first time he had led the Buick Open all week. Birdied two of final three holes for one-stroke victory over 54-hole leader Chris Perry. Victory lifted him over \$1-million mark in a single season for first time in his career. Earlier in season, fell one stroke short of his defense of 1999 Phoenix Open with rounds of 67-70-67-67 and finished T2. Following his victory, went to PGA Championship with high

hopes but chair he was sitting in on clubhouse patio collapsed, he hit his head on a railing and wrenched his shoulder, neck and wrist in the fall. He withdrew after opening 77. In 1999, made clear comeback from 1994 back surgery with victory at the Phoenix Open in only his second start of the season. Held season-best 54-hole lead of six strokes. Final-round 71 earned him two-stroke victory over Justin Leonard. In 1997, made eight consecutive cuts near end of the year to retain full exempt status. Returned to TOUR in 1996 under special medical extension and tied for sixth at Phoenix Open to earn \$42,088 and regain full playing privileges. Had three other top-10s, including T4 at THE PLAYERS Championship, where he became the first player to birdie the final six holes at the TPC Sawgrass on his way to a final-round 66. Missed most of 1994 season with ruptured disk, for which he underwent surgery in July. In 1993, second TOUR win came in playoff at Kmart GGO, where he birdied fourth playoff hole to defeat Steve Elkington. Earned first TOUR title in 1991 in sixth season at Doral-Ryder Open. Sank 10-foot birdie putts on 71st and 72nd holes, forcing playoff with Curtis Strange. In Monday playoff, birdied first extra hole from 5 feet. Victory was one of six top-10s in his first seven starts of the year. In 1990, final-round 66 jumped him into a T2 at the Canon Greater Hartford Open, two strokes back of Wayne Levi. In 1987, finished T2, one stroke behind John Inman, at the Provident Classic.

PERSONAL:

Gained interest in golf in high school after years of playing baseball. With help from former Champions Tour member Jim Ferree during college, began to construct his swing. At Florida Southern, coach Charlie Matlock became large influence on his game. Started using long putter to save his back and became the first player to win on TOUR using a long putter when he won the 1991 Doral-Ryder Open. Finished 600th out of 5,619 players in his first appearance at the 2005 World Series of Poker's Main Event. Began playing poker in 2004.

BEST 2009 PGA TOUR FINISHES: T4—U.S. Bank Championship in Milwaukee.

PROFESSIONAL CAREER:

Made the cut in five of 10 starts on the PGA TOUR in 2009, recording one top-10 finish. Did not make a cut in eight starts on the Nationwide Tour in 2009. On the week of his 40th birthday, finished T4 at the U.S. Bank Championship, his best finish on TOUR since a T4 at the 2007 Ginn sur Mer Classic. Third-round 63 matched the low round of the week. Split time in 2008 between the PGA TOUR and the Nationwide Tour. First top-10 of the season was T8 at the Viking Classic. It was his first top-10 since finishing fourth at the 2007 Ginn sur Mer Classic at Tesoro. Recorded a hole-in-one on the par-3 second hole with a 4-iron from 204 yards in the second round and was only one stroke back after 36 holes. It was his 13th start at Annandale Golf Club and his fourth top-10 at the event. Played in 13 tournaments on the Nationwide Tour and made 11 cuts, with a season-best T7 at the Livermore Valley Wine Country Championship. Competed in 25 tournaments on the PGA TOUR in 2007 and recorded one top-10 finish, 4th, at the inaugural Ginn sur Mer Classic. Marked his best finish on TOUR since a T3 effort at the 1996 Canon Greater Hartford Open. Failed to retain his card at the TOUR's Qualifying Tournament in the fall and played on Past Champion status in 2008. Regained PGA TOUR card for 2007 with a T29 finish at 2006 Qualifying Tournament, his fifth successful trip to the finals. Split 2006 season between TOUR (made six of nine cuts) and Nationwide Tour (13-19) earning one top-10, a T9 at the TOUR's U.S. Bank Championship in Milwaukee. Playing with partial status on TOUR in 2005, concen-

trated primarily on the Nationwide Tour. Made the cut in 13 of 25 starts on the Nationwide Tour, with four top-10s. Ended the year 37th on the money list with \$131,757. Notched a career-best finish on the Nationwide Tour with a T3 at the Henrico County Open. Fired a final-round, 10-under-par 62, which represented his career-low round on either Tour. Finished 184th on 2004 TOUR money list. Only top-10 of the season came in October, a T5 at the Michelin Championship at Las Vegas. It was his best finish on TOUR since a fifth at the 1999 Motorola Western Open. Split time on the PGA TOUR and Nationwide Tour in 2003. Played in 23 TOUR events made 14 cuts and finished in the top 20 six times. Held the first-round lead at the Chrysler Classic of Tucson, finished T34. It was just the second time in his career he lead in a TOUR event. The other time came at the 1994 FedEx St. Jude Classic, his only TOUR victory. The last time he led after a round on TOUR was the second round of the 2001 Bell Canadian Open. Secured first top-10 finish since 2001 Southern Farm Bureau Classic with a T10 at the Reno-Tahoe Open, a span of 28 events between top 10s. Missed four months of the 2002 season due to an attack of gallstones and pancreatitis. Had to be fed through a tube for 27 months and had his gallbladder removed. After T25 finish at the Touchstone Energy Tucson Open in late February, did not play again until late June at the Canon Greater Hartford Open. Won 1994 Federal Express St. Jude Classic in rookie season. A 20-foot putt on 72nd hole earned spot in playoff with Hal Sutton and Gene Sauers. Holed 25-foot birdie putt on first extra hole to win. Early in 1994, rescheduled his wedding day so it wouldn't conflict with Qualifying Tournament. That year's victory at Federal Express St. Jude Classic made qualifying unnecessary. Later that season won a Buick for soon-to-be wife Kim with a hole-in-one at Buick Challenge.

AMATEUR CAREER:

Despite not playing golf as a freshman at Alabama, and not seeing any action as a sophomore walk-on, went on to become a two-time All-Southeastern Conference choice at Alabama... Semifinalist at the 1991 U.S. Amateur.

PROFESSIONAL CAREER:

Member of the PGA TOUR from 2003-06 and 2008. Member of the Nationwide Tour in 1997, 2001-02, 2007 and 2009. Split time on the PGA TOUR and Nationwide Tour in 2009. Made the cut in 10 of 15 starts on TOUR, with two top-25 finishes: T13 at the Puerto Rico Open and T17 at the Valero Texas Open. Ended the season at No. 34 on the 2009 Nationwide Tour money list, with a victory and seven top-25 finishes in just 13 starts. Earned his second career win with a playoff victory over Michael Sim at the Athens Regional Foundation Classic, his third Nationwide Tour start of the year. Shared the first-round lead and held the second-round lead at Jennings Mill CC. Entered the final round trailing 54-hole leader Bob Burns by two strokes. Survived an up-and-down final day that saw him take the lead with four birdies through 12 holes, suffer bogeys on two of the next three to fall back and then birdie Nos. 16 and 18 to force a playoff with Sim, who had posted a 9-under 63 to charge from the back of the pack. He won the playoff with a 22-foot birdie putt on the first hole. Made the cut in eight of his next nine events but did not post another top-10 until a T9 at the Miccosukee Championship, the final full-field event of the year. Ranked No. 4 in Final Round Scoring Average for the season. Made the cut in 27 of 35 starts on the 2008 PGA TOUR with a pair of top-10 finishes. Was solo sixth at the Mayakoba Golf Classic and T6 at the U.S. Bank Championship in Milwaukee. Fell out of the top-125 on the money list the final two weeks of the season, ending the campaign No. 128. Made the cut in 23 of 30 starts during the 2007 Nationwide Tour season, including a career-high 14 top-25 finishes. Concluded the year No. 9 on the money list, with \$281,523. Posted the second runner-up showing of his career when he finished second at the season-opening Movistar Panama Championship. Held the 36-hole lead at 7-under 133 before Miguel Carballo passed him on the weekend. He ultimately finished two shots back. Compiled top-10 finishes in back-to-back starts at the Fort Smith Classic (T8) and the BMW Charity Pro-Am at The Cliffs (T7). Posted T5 finishes at the Showdown at Somerby and the Nationwide Children's Hospital Invitational, with the latter including a course-record-tying 5-under 66. Posted another top-10 finish at the Northeast Pennsylvania Classic, where he once again finished runner-up, this time by one stroke to Justin Bolli. Despite coming up short, the \$44,000 payday moved him to No. 7 on the money list, guaranteeing a return trip to the PGA TOUR in 2008. Had a hole-in-one on the second hole in Pennsylvania on his way to a 69. Closed out the regular season in strong fashion with back-to-back top-10 finishes at the Chattanooga Classic (T3) and the Miccosukee Championship (T6). Finished the 2006 PGA TOUR season ranked No. 165 on the money list, with \$386,797. Recorded a hole-in-one on the par-3 fifth hole during Friday's second round of the Buick Championship. He used a 3-iron from 212 yards to post the 20th ace since the tournament moved to the TPC River Highlands in 1984 and in doing so won a Rolex watch. Not only did he dunk his first ace on the PGA TOUR, he also holed out from 164 yards on the 17th to save par after incurring a penalty stroke for stepping on his ball and one for taking a drop after he thought his tee shot had gone into a hazard. Continued strong summer play with a T7 at the John Deere Classic. Finished five strokes behind champion John Senden. Finished in the top 125 for third consecutive season on TOUR in 2005, despite just one top-10. In his ninth start of the season, posted a T5 at the Bay Hill Invitational. Posted career-low, 8-under-par 62 to hold the first-round lead the Bank of America Colonial. Used only 20 putts en route to posting 11 birdies on the day. Finished T71 after finishing 72-75-76. Had a career year in just his second season as a full-time TOUR member in 2004. Made over \$1 million and had three top-10s, including a runner-up finish. Notched his first top-10 of his career in his 46th TOUR start with a T3 at the MCI Heritage. Next top-10 came three months later, with a T4 at the U.S. Bank Championship in Milwaukee. Shared first-round lead with seven others, tying a TOUR record for players sharing the lead through 18 holes (2000 Honda Classic). Shared third-round lead with Carlos Franco and fellow Rhode Islander Brett Quigley prior to finishing three strokes behind Franco. Recorded career-best runner-up finish to Bart Bryant at the Valero Texas Open, with four rounds in the 60s. Challenged Bryant until three-putt bogey on 15th hole derailed title hopes. Finished three strokes behind Bryant. Earned a career-best \$378,000 to surpass \$1

million for the season for the first time in his career. The 2002 graduate of the Nationwide Tour finished 104th on the money list, with \$618,019 during his rookie season on the PGA TOUR in 2003, on the strength of seven top-25 finishes. One of six out of 15 Nationwide Tour graduates to finish among the top 125. Earned his first PGA TOUR card by placing 12th (\$201,231) on the 2002 Nationwide Tour money list. FLANAGAN, Nick

FULL NAME: Nicholas John Flanagan **BIRTHDATE:** June 13, 1984 **BIRTHPLACE:** Newcastle, Australia **RESIDENCE:** New South Wales, Australia; plays out of Concord GC **HEIGHT:** 5-10 **WEIGHT:** 145 **FAMILY:** Single **SPECIAL INTERESTS:** Surfing, music, cars **TURNED PROFESSIONAL:** 2004 **OTHER INFORMATION:** Made just four cuts in 13 starts during the 2009 Nationwide Tour season with his best effort a T6 at the Stonebrae Classic. Made the cut in 16 of 29 starts during his rookie season on the 2008 PGA TOUR. Recorded his first top-10, a T9 at the Mayakoba Golf Classic, thanks to a final-round 64. Held a share of the 36- and 54-hole leads, including a second-round, career-low 63, at the U.S. Bank Championship. Finished with an even-par 70 to T11. Made the cut in 12 of 17 starts during the 2007 Nationwide Tour season, with six top-25 finishes. Finished the season No. 3 on the money list, with \$369,951. Opened the year with a T8 at the Jacob's Creek Open Championship and a T16 at the New Zealand PGA Championship, but otherwise had a sluggish start to the season. Finished in a four-way tie with Bryn Parry, Roland Thatcher and Chris Baryla at the Henrico County Open. Went on to birdie the third extra hole for his first Tour victory, making him the 50th international winner in Tour history and the 19th from Australia. Collected \$81,000 to move into the top 10 on the money list—a position he wouldn't relinquish the rest of the year. Came back in his next start to win the BMW Charity Pro-Am at The Cliffs, making him the first player since Jason Gore in 2005 to win in back-to-back starts. The \$117,000 first-place check moved him into the top money-list spot on Tour. The win also came with a new BMW X5 Sports Activity Vehicle, the first car owned by Flanagan and the first given to the winner of a Nationwide Tour event. Played solid the following week as well, finishing T5 at the Melwood Prince George's County Open. A planned two-week summer break to Australia turned into a month hiatus, thanks to an unscheduled hernia operation. Made the cut in his first five events upon his return, culminating with a final-round, 7-under 63 and a seven-stroke comeback in the final round to win the Xerox Classic, giving him three come-from-behind wins in 2007 and making him the eighth player in Tour history to earn the Three-Win Promotion to the PGA TOUR. Earned \$108,000 with the victory, moving into second on the Tour money list. Two-time winner of the Tour's Player of the Month award, doing so in May and sharing the honor with Justin Bolli in August. Made the cut in nine of 24 starts during his rookie season on the 2006 Nationwide Tour, with two top-10 finishes. Completed the season No. 32 on the money list, with \$169,812. Played well in both events Down Under, placing third at the Jacob's Creek Open Championship, followed by a T21 at the ING New Zealand PGA Championship. Posted a career-best runner-up finish at the Price Cutter Charity Championship, where rounds of 69-63-64-67 led to a 25-under total, two strokes behind champion Doug LaBelle II. Final 54-hole score of 22-under 194 equaled the best of the season to that point. Posted seven consecutive birdies on Nos. 2-8 during the third round, just one shy of the season-best set by Tim Wilkinson. Was T34 at the 2005 Lake Erie Charity Classic in his only made cut in two career starts prior to 2006. Member of the Australasian Tour from 2004-06. Winner of the 2003 U.S. Amateur at Oakmont CC, becoming the first Australian in 100 years and first international player in 32 years to win the prestigious tournament. Defeated Casey Wittenberg in 37 holes to join fellow Aussie U.S. Amateur winner Walter Travis. At age 19, the only players younger to win the title were Tiger Woods and Danny Lee, who both were 18. Received a telegram wishing him luck from Greg Norman prior to the start of the final round and then a congratulatory phone call following his victory. Home base in the United States is in Scottsdale, where he stays at fellow Aussie Michael Sim's home.

NOTES

Alistair Presnell birdied the final hole to beat veteran **Peter O'Malley** and earn his first career title. The 29-year old Presnell, who grew up in Melbourne, Australia, shot a final-round 68 to edge O'Malley. He was in the group behind Presnell and missed a 15-foot birdie putt that would have forced a playoff.

Former U.S. Amateur champion **Danny Lee** of New Zealand made his Nationwide Tour debut. Lee, who had recently become the youngest tournament winner in European Tour history, posted scores of 74-75 and missed the cut.

Alistair Presnell, Peter O'Malley and **Michael Sim** made it a 1-2-3 sweep for the Aussies. Americans **Skip Kendall** and **Daniel Summerhays** shared fourth place.

Fran Quinn opened the second round with six consecutive birdies, one shy of the Nationwide Tour record of seven set by **Rocky Walcher** at the 2000 Wichita Open

Skip Kendall played the final 54 holes in 10-under par but failed to challenge for the win after starting with a 5-over 77 in Thursday's opener.

NOTES

Alex Prugh carded a final-round 64 to finish at 19-under par and earn his first career title. Prugh, a 24-year old from Spokane, WA, won by three strokes and led an American contingent to a 1-2-3 sweep at the inaugural event. Texas rookie **Martin Piller** was second, and Ohio native **Jim Herman** was third.

Richard Johnson became only the second player in Tour history to record a par-4 hole-in-one when he aced the 347-yard, 15 during Sunday's final round. He used a driver. Johnson won a pallet of beer from tournament sponsor Heineken, or 1,500 bottles. The beer was shipped to Johnson's home in Fort Smith, AR.

A total of 11 countries were represented in last year's event, led by Australia with 62 players, 59 from the United States and 21 from New Zealand.

New Zealand's **Bob Charles** became the oldest player to play in a Nationwide Tour event when he teed off in the opening round two days shy of his 73rd birthday. Charles carded rounds of 73-79 and missed the cut.

Alex Prugh became the first American to win the New Zealand Open Championship since **Corey Pavin** captured back-to-back titles in 1984-85.

Jeff Gove set the course record with a 9-under 63 in the second round. Gove shared the lead after 36 holes and went on to tie for fourth.

NOTES

Australian **Michael Sim** earned the first of his three 2009 wins when he won the inaugural event at TPC San Francisco Bay. Sim started the final round with a one-shot lead and promptly birdied five of his first six holes to pull away from the field. Sim posted a final-day 64 and coasted to a six-stroke win, which matched the largest on Tour last year.

Michael Sim collected a check for \$108,000 and assumed the No. 1 spot on the money list, a position he would go on to hold for 24 consecutive weeks.

The par-71 TPC at San Francisco Bay layout played to an opening-round scoring average of 74.161. Only two holes, both par-5s, played below par on the difficult

first day, which featured steady winds at 15 and 20 mph and gusts between 30 and 40 mph.

Matt Every had back-to-back eagles, including a hole-in-one, en route to a second-round 63, giving him the 36-hole lead. Every carded an 8-under 28 on the first nine holes and then birdied the 10th hole. His round was stalled by four consecutive bogeys, starting at No. 11.

Matt Every's 28 in the second round matched the lowest nine-hole score on Tour last year.

NOTES

Patrick Sheehan won for the second time in his career when he rolled in a birdie putt on the first playoff hole and beat **Michael Sim**. Sheehan birdied two of his final three holes, including the par-5, 18th to tie Sim and force the playoff. Sim tied the course record with a 9-under 63 and waited nearly 90 minutes to see if anyone would match his 14-under total.

Patrick Sheehan tied for fourth in Fairways Hit and was second in Greens in Regulation.

Brendon Todd became the first player in Nationwide Tour history to ace the same hole twice in the same tournament. Todd used a 7-iron for his hole-in-one at the 157-yard, 17th hole in Thursday's opening round. He came back on Friday morning and aced it again, this time using an 8-iron for the hole that measured 147 yards. The last player to ace the same hole twice in the same tournament was **Graham Marsh** at the 2004 Senior British Open.

NOTES

Garth Mulroy earned his first Tour title, with a one-stroke victory over **Chris Tidland**. Mulroy birdied three of his first four holes in the final round to establish the lead and reach 14-under par. No other player would get to that number on the last day. Mulroy's birdie at No. 16 gave him a comfortable three-shot lead, which he ultimately needed when he double-bogeyed the final hole to reduce his winning margin.

Chris Tidland's runner-up finish was the fifth second-place showing of his career. He later lost a playoff at the Fort Smith Classic to give him six runners-up. **Chris Smith**, who tied for fourth, holds the Nationwide Tour for most second-place finishes, with nine.

Garth Mulroy and **Chris Tidland** finished first and second in putting last year.

Garth Mulroy finished second in Driving Distance for the week, with an average of 321.4 yards.

Keegan Bradley, nephew of LPGA Hall of Famer Pat Bradley, was a Monday qualifier and tied for 56th in his first career Nationwide Tour start.

NOTES

Kevin Johnson defeated **Jeff Gallagher** in a playoff to win for the fifth time in his career. Gallagher carded a 7-under 64 on the final day to reach 18-under par. Johnson rolled in a 5-foot birdie putt on the final hole of regulation to force a playoff, which Johnson won with a short birdie putt on the first extra hole.

Scott Gardiner had a rollercoaster week while tying for 14th. Gardiner was one off the course record with an 8-under 63 in the second round, which gave him a share of the 36-hole lead. His third-round 76 bounced him all the way to a tie for 53rd. He then rallied with a 64 on the last day to make it into the top 15.

Chris Baryla reeled off six consecutive birdies during the third round en route to a career-best 63. Baryla's run started at No. 8 and set the mark for most birdies in a row in tournament history.

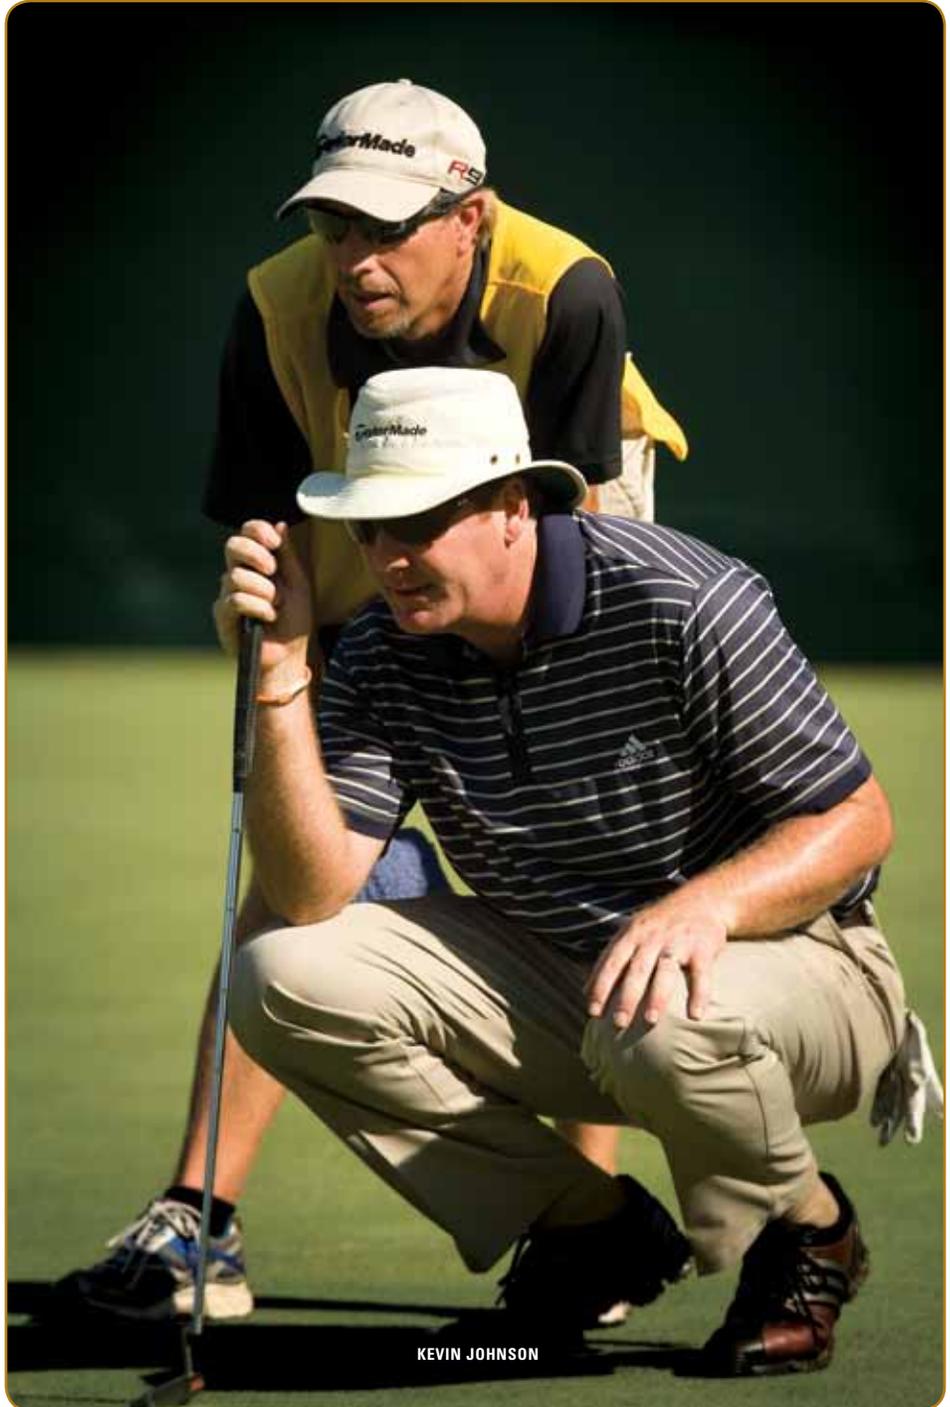

CHRIS BARYLA

Apex NC High School junior **Andrew Knox** earned a spot in the field by winning the Junior Invitational at TPC Wakefield Plantation. Knox posted rounds of 73-69 but missed the cut by three strokes.

NOTES

Mathias Gronberg, making only his second Nationwide Tour start of the year, distanced the field with a six-stroke win, his first on Tour. Gronberg, a conditional member of the PGA TOUR, did not make it into that week's stop at the Memorial Tournament. Five players were within one stroke of the leading heading into the final day, but Gronberg pulled away from the field with five birdies in his first 10 holes.

Last year's event was plagued by bad weather. Rain suspended play Thursday, and no golf was played Friday. The first round was not completed until Saturday morning. The final two rounds were played Sunday, and the groups were not re-paired due to time constraints.

Mathias Gronberg's winning margin of six strokes matched the largest on Tour last year. **Michael Sim**, at the Stonebrae Classic, also won by six.

NOTES

Kevin Johnson earned his second playoff win in three weeks when he birdied the second extra hole to defeat **Bradley Iles** for the title at Fox Den Country Club. Iles had grabbed the clubhouse lead with a 9-under 63 in the final round. Johnson began the day three shots back of leader **David McKenzie**, who three-putted the final green and missed joining the playoff by a stroke.

Kevin Johnson's win in Knoxville was the sixth of his career, which tied him with **Sean Murphy**, **Matt Gogel** and **Jason Gore** for the most wins in Nationwide Tour history.

Last year's playoff was the seventh in tournament history, which matches the most playoffs for any event in Tour history. The Henrico County Open in Virginia also had seven playoffs.

Blake Adams finished off a rain-delayed 63 in the opening round on Friday. Adams was 7-under through 14 holes when play was halted Thursday. Adams came back to finish at 9-under par and tie the Fox Den Country Club course record.

Justin Smith made the 36-hole cut on the number after finishing the second round with an eagle-par-birdie finish to get to 5-under. Smith's eagle was an ace at the 190-yard, 16th hole, and it came on the final swing of the day to conclude the Nationwide Tour's first "Live@" event, with streaming video available on PGATOUR.COM.

Sundays' scoring average of 69.349 was the lowest single-day scoring average since the tournament moved to Fox Den Country Club in 1999.

The scoring average for the week was 70.251, the lowest in Knoxville since 1993 when the tournament was played at Willow Creek Country Club.

NOTES

Matt Hansen tied a Nationwide Tour record for most birdies in a row to finish a round. Hansen reeled off six consecutive to close out his second round while shooting 66. Hansen is the fourth player in Tour history to make six straight to end a round. The last was **Jay Don Blake** at the 2005 Preferred Health Systems Wichita Open.

Sunday's final-round scoring average was 74.155, the highest single-round average in the tournament's six-year history. Only 14 players carded sub-par scores on the last day.

Players, caddies and officials wore black ribbons during the week in memory of Beth Smith, wife of **Chris Smith**, and Shirley Kendall, mother of **Skip Kendall**. Both were victims of car accidents and passed away the previous weekend.

NOTES

Roger Tambellini earned his third career win with a four-stroke win over **Blake Adams**. Tambellini held a three-shot lead at the halfway point and was up ahead by two strokes after 54 holes. The former Southern California standout saw his lead dwindle when he played the first 10 holes in 1-over par. He rallied with birdies on three of his next five holes to retake the lead and cruise to a victory.

Kyle Reifers' 11-under par 61 set a course record at the Raven Golf Club at Lora Bay. It was also matched the lowest score of the year.

Kyle Reifers set a Nationwide Tour record with a 10-under birdie-and-eagle streak during the opening round at Raven Golf Club at Lora Bay. Reifers had six birdies and two eagles starting at the fourth hole. His 10-under stretch bettered the previous streak of 9-under par set by **Ahmad Bateman** at the 1996 Utah Classic.

NOTES

Derek Lamely began the final round at the Ohio State University Scarlet Course a distant eight shots back of 54-hole leader **Dave Schultz**. Lamely charged up the leaderboard with a bogey-free, 6-under-par 65, which matched the course record. His comeback was the biggest on Tour since **Jim Rutledge** rallied from nine strokes down at the 2006 ING New Zealand PGA Championship.

Rickie Fowler was one of eight first-team All-Americans who were given sponsor exemptions into last year's tournament. Fowler had just completed his

sophomore season at Oklahoma State. Fowler was attempting to join **Daniel Summerhays** of Brigham Young University as the only amateurs to win on the Nationwide Tour. Summerhays won the Nationwide Children's Hospital Invitational in 2007.

The OSU Scarlet Course featured a pair of par-5s that did not give up a single eagle over four days of play. The fourth and sixth holes, measuring 586 yards and 618 yards, respectively, both ranked in the top-15 of the toughest par-5s on Tour last year.

NOTES

Chris Tidland fired a final-round 65 to overcome a six-stroke deficit and earn his second career title. Tidland rolled in a 20-foot eagle putt on the 18th hole to reach the clubhouse at 16-under par and then waited to see if anyone would catch him. Tidland was one of only three players to eagle the 520-yard finishing hole on the last day. **Dave Schultz** and **Chad Collins** both birdied the closing hole to tie for second place.

Chris Tidland, who had been runner-up twice earlier in the year, earned \$99,000 for the victory and moved to No. 2 on the money list. His season total of \$293,680 was more than enough to guarantee him a return trip to the PGA TOUR in 2010.

Tour rookie **Jhonattan Vegas**, a native of Venezuela, shared the first-round lead and held both the 36- and 54-hole leads before a 3-over 74 on Sunday dropped him into a tie for fourth.

JHONATTAN VEGAS

Crestview Country Club played to a scoring average of 70.741 last year, the second-toughest year for scoring since the tournament moved there nine years ago.

NOTES

Chad Collins' 16-under par was the lowest opening 36-hole score on Tour last year.

Dave Schultz was 17-under par for the second and third rounds, the lowest 36-hole score on Tour in 2009.

Dave Schultz ran off a season-best seven birdies in row during the second round last year. The Nationwide Tour record is nine straight, set by **Omar Uresti** at the 1994 Shreveport Open.

Justin Bolli fired a 6-under 66 on the final day to overcome a three-stroke deficit and earn his third career title. Bolli's run to victory was stalled by an afternoon thunderstorm that delayed play for nearly 90 minutes. Bolli was 19-under after 15 holes when the storm hit. He promptly birdied Nos. 16 and 17 to take the lead for good.

Third-round, co-leader **Chad Collins** eagled the final hole last year to move into a second-place tie with **Derek Lamely**. For Collins, it was his second straight runner-up finish on Tour. He would go on to finish second a third time in 2009 before finally breaking through with a win at the Miccosukee Championship.

Drew Laning posted an 8-under-par 28 during the second round last year. His score matched the lowest nine-hole score on Tour in 2009 and was one shot off the all-time low of 27 first set by **Notah Begay III** at the 1998 Dominion Open.

Dave Schultz ran off seven birdies in row during the second round. Schultz started his run at No. 13, closing out his opening nine holes with a 7-under 29. He then added another on the par-5, first hole on his way to a 9-under 63. The Nationwide Tour record for consecutive birdies is nine, set by **Omar Uresti** at the 1994 Shreveport Open.

NOTES

Michael Sim collected his third win of the season at last year's inaugural Christmas in October Classic. The 24-year old Australian finished off a mistake-free weekend with a 4-under 67 to win by two strokes over **Josh Teater**.

Kentucky's **Josh Teater** established the course record at the Nicklaus Golf Club at LionsGate with an 8-under-par 63 in the third round. Teater's big day moved him into a tie for second after 54 holes. **Michael Clark II** matched the course record in the final round.

Last year's field consisted of the top-11 money-winners and 21 of the top 22.

Michael Sim's winning check for \$112,500 pushed his season total to \$527,079 and broke the Tour's single-season money record of \$495,009 set by **Troy Matteson** in 2005. Even more impressive was the fact the Sim accomplished the feat in just 12 starts.

Michael Sim became the ninth player in Tour history to earn a "battlefield promotion" to the PGA TOUR by virtue of three wins in a single season. The last player to earn such a promotion was fellow Australian, and roommate **Nick Flanagan** in 2007.

NOTES

Nationwide Tour rookie **Troy Merritt** earned his first Nationwide Tour title with a playoff win over Australian **Adam Bland**. Both players finished regulation play at 15-under 273. Merritt rolled in a 20-foot birdie putt on the first extra hole to collect the \$117,000 first-place check.

Troy Merritt began the tournament last year with four consecutive bogeys to open play Thursday. Merritt regrouped during the first round, eventually finishing with a 3-under 69.

Adam Bland established the course record at El Bosque Country Club with an 8-under-par 64 during the final round. Bland's score was also a career-best.

Last year's event was plagued by heavy rains and daily threats of lightning. None of the first three rounds was completed on time. The El Bosque Country Club course was saturated with more than four inches of rain during the week and lift, clean and place conditions were in effect for the second, third and fourth rounds.

Steve Taylor had a hole-in-one during the final round. Taylor's ace was the first on Tour since the Fort Smith Classic in mid-June.

Australia's **Steven Bowditch** finished solo sixth at last year's tournament and earned \$23,400, which was more than he had collected in his previous 42 starts.

NOTES

Fran Quinn birdied the final hole of play to edge **Blake Adams** for the title. Adams held the out-right lead after each of the first three rounds but managed a 2-over 73 on the last day to leave the door open for Quinn, who hit an 8-iron to within 4 feet on the closing hole. It was the first and only time Quinn was in front all week.

Fran Quinn captured his third career title last year, but it was his first since the 2000 Florida Classic, a span of 236 starts. The gap between his wins—9 years, 6 months, 14 days—is the fifth-longest in Nationwide Tour history.

Blake Adams was trying to become the first wire-to-wire winner in tournament history, and his four-stroke lead after 36 holes was the largest on Tour last year.

Fran Quinn's winning check of \$130,500 was the largest of his career and pushed his career earnings over the \$1-million mark. He became the 13th player in Tour history to top that total.

Last year's final-round scoring average of 72.581 was the third-highest in the tournament's 20-year history and the highest of any final round.

The field last year included 24 of the top-25 money-winners and 47 of the top 50 on the Nationwide Tour. A total of 31 exempt PGA TOUR players were also in the field.

Heralded Oklahoma State amateur **Rickie Fowler** made his professional debut at last year's event.

Sam Saunders, grandson of Arnold Palmer, also made his first Tour start a year ago. The two were paired together for the first two rounds. Neither made the 36-hole cut.

2009 WNB Golf Classic

NOTES

Garrett Willis shot a 4-under 68 to edge **Chad Collins** by a stroke and earn his second career win. Willis, the 54-hole leader, trailed early in the round when Collins posted a course-record, 10-under-par 62 to take the clubhouse lead. Willis moved ahead by two, with birdies at Nos. 12 and 13, and went on to win despite a bogey at No. 17.

Garrett Willis and **Chad Collins** both earned enough money at last year's event to move enough up on the money list to assure spots among "The 25" graduates at the end of the 2009 season.

John Kimbell birdied eight holes in a nine-hole stretch during Sunday's final round. Kimbell started his run at No. 4 and went on to post a 64 and move into a tie for seventh place.

JOHN KIMBELL

Jin Park's tie for third was a career-best.

Keoke Cotner continued his hot play at the Midland Country Club. He tied for fifth last year and was runner-up the year before.

Veteran **Billy Mayfair** made his Nationwide Tour debut at last year's tournament. Mayfair had won five times and made 643 PGA TOUR starts in 21 years before teeing it up at Midland Country Club. After missing the FedExCup Playoffs, Mayfair was using the event to prepare for the TOUR's Fall Series.

Jeff Gove missed the cut last year, bringing an end to his season-best streak of 16 consecutive cuts made.

Last year's cut of 4-under was the lowest total since the tournament moved to Midland Country Club in 2002.

NOTES

Jerod Turner earned his first career win in just his ninth career start. It came in his seventh of the 2009 season.

Turner fired a 2-under 69 on the final day to overtake the leaders and win by two strokes. The victory was worth \$180,000 to the 34-year old Texas rookie and vaulted him from No. 150 on the money list to No. 17 with just three events left on the 2009 schedule. Turner rolled in early birdies at Nos. 2 and 5 to take the outright lead, which he would not relinquish the rest of the day.

The 504-yard, 16th hole played to a scoring average of 4.466 last year—giving it the distinction of being the most-difficult hole on the Nationwide Tour in 2009.

The 226-yard, 15th hole played to a scoring average of 3.309 last year, making it the hardest par-3 on the Nationwide Tour.

Derek Lamely established the course record with a 9-under 62 in the third round a year ago. Lamely hit only eight fairways in the round that featured seven birdies and a chip-in eagle on a par-4. His score moved him into a share of the 54-hole lead.

Sunday's final round scoring average of 72.836 was nearly three-and-a-half strokes higher than Saturday's average of 69.410. Only 11 players in the field posted sub-70 scores on the par-71 layout. **Chris Tidland's** 4-under 67 was the low round of the day.

Two local favorites were in last year's field, **Rickie Fowler** of Murrieta and **Brendan Steele** of Idlywild. Steele, whose high school golf team at Hemet used The Country Club at Soboba Springs for its home course, tied for eighth. Fowler, meanwhile, playing in his second event as a professional, tied for 31st.

NOTES

Chris Baryla earned his first career title with a one stroke win over **Troy Kelly**. Baryla held a two-stroke lead after 54 holes at Black Creek Club and needed only a 2-under 70 to secure the win. Baryla's payday of \$90,000 moved him from No. 57 to No. 20 on the season money list. He would eventually end the year No. 19 on the list and move onto the PGA TOUR in 2010.

Kyle Reifers birdied his first six holes during the second round last year. The most consecutive birdies to start a round is seven, by **Rocky Walcher** at the 2000 Wichita Open.

Chris Baryla was one of 14 first-time winners on Tour in 2009.

NOTES

Chad Collins earned his second career win with a two-stroke victory. Collins shared the lead at 9-under par with Monday qualifier **Justin Smith** when the day's last group stepped to the final tee Sunday. Smith stumbled with a bogey, leaving Collins needing only two putts from 30 feet for the win. Collins rolled in the putt, giving him the victory over Smith, **Won Joon Lee** and **Brian Smock**.

The top-four finishers struggled down the stretch last year. **Chad Collins**, **Won Joon Lee**, **Brian Smock** and **Justin Smith** each bogeyed two of the final three holes.

Won Joon Lee matched his career-best finish with a tie for second. Lee was the only player of the top four to birdie the final hole, which helped him earn enough money to move from No. 73 to No. 47 and qualify for the season-ending Nationwide Tour Championship the following week.

2009	Troy Merritt.....	25.....	1,320.....	170	108 holes after 19 Regionals	Bear Lakes CC (Lakes and Links Courses) West Palm Beach, FL

Key: ~ Tournament shortened to 90 holes because of continuing rain and unplayable course conditions.

NOTE: The American Professional Golfers also held a School in the fall of 1968, graduating 21. The 144-hole competition was played at Doral CC. The medalist was Martin Roesink.

Finishing in the top five in both Putts Per Round and Driving Distance in 2009 went a long way in explaining **Derek Lamely's** fourth-place finish on the money list.

Charity: "Together, anything's possible"

Together, anything's possible.

Making a positive impact on the communities where PGA TOUR tournaments are held and players live has become an even larger focus in the golf organization's charitable mission with the "Together, anything's possible" campaign.

The charitable effort was celebrated in late 2005 when the PGA TOUR and its tournaments reached the "Drive to a Billion" milestone. That cumulative effect, since the first donation in 1938, has reached approximately \$1.5 billion entering 2010 – including \$1 billion in

the last 15 years – and is the cornerstone of the "Together, anything's possible" campaign. The forecast is for the second billion-dollar mark to be reached within approximately the next five years.

During THE PLAYERS Championship in May 2009, the TOUR unveiled its renewed commitment to charitable efforts aimed at further energizing and engaging all players, tournaments, sponsors, charities, volunteers and fans.

"The PGA TOUR has done a lot for charity over the years but only because of the passion for giving back shared by our players, tournaments, sponsors, charities, volunteers and fans," PGA TOUR Commissioner Tim Finchem said. "When we say, 'Together, anything's possible,' we mean that by rallying behind the common cause of charitable giving, we can create greater awareness and elevate our overall impact, which is so important in these difficult economic times."

A full-scale launch of "Together, anything's possible" is scheduled for 2010.

PGA TOUR, Champions Tour and Nationwide Tour events annually benefit more than 2,000 charities and countless individuals worldwide. Research shows that the majority of the funds raised each year are directly funneled back into the local market, so while there is not an "official charity of the PGA TOUR," there are many who benefit from the TOUR's one goal of "Giving Back."

Structure

Unlike any other professional sports organization, the PGA TOUR relies on more than 80,000 volunteers a year to run its events, and most of the 100-plus tournaments are structured as non-profit organizations designed to donate 100 percent of net proceeds to local charities. Beneficiaries include hospitals, youth-development organizations, growth-of-the-game programs and food banks. In addition, military support and fundraising for natural disaster relief are apparent.

"Together, anything's possible" aims to organize the beneficiaries into a national network. The TOUR and its sanctioned tournaments will connect with each of these charities to begin communicating details of this platform.

"Our relationship with the Valero Texas Open and the PGA TOUR goes way beyond that of a charitable recipient ... more so, it is a friendship," said Bert Pfister, President and CEO of Respite Care of San Antonio, a beneficiary of the Valero Texas Open. "The Valero Texas Open provides children in need of our specialized care an opportunity to participate in activities during the tournament, offering them an inclusive environment where they enjoy the fun atmosphere alongside typical children. A strong partnership has developed because the tournament understands how vital the funds are to children in our care, and we – in turn – put our support and resources behind ensuring everyone understands how vital the Valero Texas Open is to our community. The phrase, 'Together, anything's possible' certainly illustrates our relationship with the Valero Texas Open, and we're so delighted to be a part of the TOUR's charitable mission."

Beneficiaries include the Charities of the Year on all three Tours. The Arnold Palmer Medical Center, the primary charity of the Arnold Palmer Invitational presented by MasterCard, on the PGA TOUR and Returning Heroes Home, Inc., of Houston, a beneficiary of the AT&T Championship in San Antonio, TX, on the Champions Tour were the 2009 recipients. The Epilepsy Foundation of Southeast Tennessee and Via Christi Children's Miracle Network were honored as Co-Charities of the year by the Nationwide Tour in 2008.

A significant impact is also made by the Volunteers of the Year. Virginia Lane of the THE TOUR Championship presented by Coca-Cola in Atlanta on the PGA TOUR and Ron Keener of The Principal Charity Classic in West Des Moines, IA, on the Champions Tour are the 2009 Volunteers of the year. The Nationwide Tour recognized Gary Eastburn of the Albertsons Boise Open as its 2008 Volunteer of the Year.

In order to further support the impact of volunteerism, the TOUR has aligned with HandsOn Network, the largest volunteer and civic-action network in the nation. The goal of this partnership is to inspire others to serve and connect to volunteer opportunities through HandsOn Network's 250 affiliates and its network of 70,000 nonprofit organizations. For example, the TOUR will commit assets, such as public-service announcements and Web site coverage, inspiring and directing volunteers to HandsOn in times of crisis or disaster relief. HandsOn can mobilize and equip interested volunteers to assist with relief efforts.

As part of this partnership, HandsOn will assist select Championship Management events and the TPC Network of Clubs in the development of charitable initiatives and will provide volunteers for community projects and fundraising that fall outside a tournament week. In addition, HandsOn will be able to serve as a volunteer resource in other PGA TOUR, Champions Tour and Nationwide Tour event markets on an as-requested basis.

Tournaments

Tournaments provide the leadership. The Valero Texas Open on the PGA TOUR, the 3M Championship, Toshiba Classic and Walmart First Tee Open at Pebble Beach on the Champions Tour and the Albertsons Boise Open on the Nationwide Tour provided the largest donations to charity in 2009 on each Tour.

In the "Together, anything's possible" campaign, the TOUR will assist tournaments in maximizing their charitable impact. The TOUR will work with tournaments to benchmark specific charity initiatives where feasible and expand proven activities across all Tours.

"Every tournament has touched the lives of countless individuals in need through their dedication to charitable giving," said Ollie Nutt, chairman of the Tournament Advisory Council Board of Directors. "This is an opportunity to share successes and learn how we can grow everyone's impact. This is a one-plus-one-equals-10 type of situation, where we can do more good works if we band together than we have been doing separately."

In The Presidents Cup, there is no purse, yet revenues are divided into equal shares that the participating players and Captains designate for charities of their choice, totaling nearly \$22 million in the eight playings of the event through the 2009 event in San Francisco.

Players

Players reach out to help considerably through charitable efforts in their home communities and elsewhere.

Under the new "Together, anything's possible" platform, the TOUR will commit resources to further promote each player's charitable activities, whether through television, advertising, PGATOUR.COM and video or new media support that will enable fans to get involved in their favorite players' charities. The TOUR will offer assistance to both players, who are currently engaged in charitable activities, as well as those who are interested in getting started.

"I am very excited that the TOUR will be helping us all make a bigger impact on our communities," said David Toms. "Two days after Hurricane Katrina hit, I sent an email to about 200 people and asked if they would be interested in supporting the cause. I thought we would be able to raise a little money and help a few more families. The response to that simple email was overwhelming. We had to get volunteers to help answer the phones, and within hours of an interview I did during a PGA TOUR broadcast, over 1,000 online donations crashed our system. It wasn't long before we had raised over \$1.5 million. That is an example of how we, as players, can help our communities and charities in times of need. This new, elevated charity platform will be an asset to all players who want to pitch in and make a difference."

Support of the United States military has been quite evident. The AT&T National in Bethesda, MD, over the Fourth of July weekend honors the United States Armed Forces by offering free admission to all military personnel and holding various events around the tournament. Host Tiger Woods pays tribute to his late father, Earl, a Green Beret veteran, by focusing on those who serve our country through various activities.

Phil Mickelson began a "Birdies for the Brave" program in 2004 that continues to donate \$100 for each birdie and \$500 for each eagle he makes in competition and benefits "Homes for Our Troops" and "Special Operations Warrior Foundation." Numerous other players are affiliated with organizations that assist wounded veterans and their families.

Players support amateur golf in various capacities also. For nine years, Australia's Aaron Baddeley has sponsored the Aaron Baddeley International Junior Championship in China each December, with the winning boys and girls earning spots in the Australian men's and women's opens. Bubba Watson sponsors the Bubba Watson Invitational, a women's NCAA Division II golf tournament at his home course in Pace, FL. Fred Funk, who plays on both the PGA TOUR and Champions Tour, has assisted J.T. Townsend, a young man who was paralyzed in a 2004 Jacksonville, FL, high school football game. Funk, with assistance from the PGA TOUR and THE PLAYERS Championship, has spearheaded fund-raisers, including an annual golf tournament, and given a percentage of his earnings to help Townsend's family pay for a wheelchair-accessible home that includes other special amenities. The Townsend family moved into the home in late 2006.

The players' wives are also fully involved in giving back. The PGA TOUR Wives Association was a 2008 recipient of one of *Golf Magazine's* 10 Innovator Awards for its charitable nature and positive impact on tournament host cities. Since its incorporation in 1988, the PGA TOUR Wives Association has supported children's charities across the country by raising money and giving back much to the game of golf through personal time and monetary contributions.

Fans

The TOUR is in the process of developing a call-to-action plan that allows fans to rally behind charities supported by its players and tournaments, allowing them to enhance lives by giving of their time or making contributions.

While many tournaments already have an effective outreach to their fans, the TOUR will develop an overarching communications plan that will add support on a national level. The TOUR will build a charity-landing page at PGATOUR.COM that fans can use as a way to learn more about the charitable involvement of their favorite players, tournaments or charities. This site will enable fans to donate money and identify volunteer opportunities that directly benefit local charities. The TOUR will invest substantial internal resources, including an ad campaign, to promote the call to action.

Olympic Golf Approved For 2016

After an absence of more than a century, golf will return as an Olympic sport in 2016 along with rugby sevens following their approval by the International Olympic Committee (IOC) membership during the IOC's 121st Session on October 9, 2009 in Copenhagen, Denmark.

Both sports will be part of the Olympic Programme in Rio de Janeiro, Brazil, which was selected as the host city for 2016 Games by the IOC on October 2, 2009. Golf was last an Olympic sport at the 1904 Games in St. Louis, MO, when the United States and Canada were the only two competing countries.

"We are elated that the IOC membership has approved golf as an Olympic sport and look forward to seeing the world's best golfers compete for gold at the 2016 Olympic Games in Rio de Janeiro," said Ty Votaw, Executive Director of the International Golf Federation Olympic Golf Committee, which has coordinated golf's Olympic bid. "We thank the IOC for its support and also congratulate rugby sevens for its inclusion in the 2016 Games."

Votaw and Peter Dawson, Chief Executive of The R&A and joint secretary of the International Golf Federation, were accompanied by professionals Padraig Harrington of Ireland, Michelle Wie of the United States and Suzann Pettersen of Norway, as well as 2009 British Amateur champion Matteo Manassero, age 16, of Italy, for a final presentation to the IOC prior to the vote.

"We are extremely grateful that Padraig, Michelle, Suzann and Matteo were able to join us to help communicate the genuine interest world-class players of all ages share in golf becoming an Olympic sport," Dawson said.

Golf and rugby sevens were recommended for the Olympic Programme by the IOC Executive Board in August 2009 in Berlin, Germany, following an extensive review process involving seven sports that were vying to be added to the 2016 Olympic Games. Although they emerged as the finalists, both sports were still required to secure final approval by a majority of votes cast by the members of the IOC.

Based on player feedback, the IGF has proposed a format of 72-hole individual stroke play for both men and women. In case of a tie for either first, second or third place, a three-hole playoff is recommended to determine the medal winner(s).

The IGF also has recommended an Olympic field of 60 players for each of the men's and women's competitions, using the Official World Golf Ranking as a method of determining eligibility. The top-15 world-ranked players will be eligible for the Olympics, regardless of the number of players from a given country. Beyond the top 15, players will be eligible based on the world ranking, with a maximum of two eligible players from each country that does not already have two or more players among the top 15.

 - iii. The reporter must clearly ask a player, and a player must clearly grant permission, for an audio recording device to be used.
 - iv. The reporter is responsible for making other players in the vicinity aware that an interview is being recorded.
 - v. PGA TOUR staff may designate, depending upon need and availability, and area within the locker room for the purpose of conducting interviews that are recorded.
 - vi. Use of audio recorded interviews must be limited to the person being interviewed.
 - c. Audio recording devices and/or video recorders are not permitted within the playing area of the Tournament course unless express written permission has been granted by PGA TOUR.
7. **Weather Delay Guidelines.** During weather delay situations, media are not permitted in the locker room. If possible, PGA TOUR will make players available for interviews during weather delays in the designated interview area or other area(s) designated by PGA TOUR.
8. **Photographer Conduct Guidelines.** Having a media credential does not guarantee photo access.
 - a. At PGA TOUR's discretion, credentialed photographers may receive one of two types of photo credentials:
 - i. A limited number of "inside-the-ropes" photo credentials will be issued daily as determined by the PGA TOUR Media Official on site for practice and competition rounds and will permit the wearer access inside the ropes. Note that being issued an "inside the ropes" photo credential during practice rounds provides no guarantee of being issued a photo credential (inside or outside the ropes) during competition days.
 - ii. Photographers who do not have an inside the ropes photo credential must stay outside the gallery ropes but are still required to check in with the PGA TOUR Media Official and may receive an outside the ropes photo credential for competition rounds. Photographic assistants will not be issued photo credentials of any type.
 - b. Professional grade cameras and lenses and noise free equipment must be used at all times.
 - c. Photographers with inside-the-ropes credentials must stay within one arm's length of the ropes at all times. Photographers with outside the ropes credentials are not permitted inside the ropes at any time.
 - d. Photographers are not permitted on the teeing ground, unless expressed written permission has been granted by the PGA TOUR.
 - e. Photographers must not position themselves in the line of play. If requested to move by a player, his caddie or an official, the photographer will do so without delay or discussion.
 - f. No photograph shall be taken until a player completes his swing/stroke.
 - g. Players should not be asked to pose during a round.
 - h. Cameras are not permitted in the scoring tent or in the locker room.
9. **Assumption of Risk.** By entering onto the grounds of a Tournament, Bearer and Authorized Outlet assume all risk and danger incidental to the game of golf and release the Tournament and its host site, sponsors, host organization, PGA TOUR, Inc., participating players, and all agents thereof from any and all liabilities resulting from such cases to the full extent such release is permitted under applicable law.
10. **Indemnification.** Bearer and Authorized Outlet shall indemnify, defend and hold each Tournament and its host site, sponsors, host organization, PGA TOUR, Inc., participating players, and all agents thereof harmless from and against any and all liabilities, damages, injuries, claims, suits, judgments, causes of action, and expenses (including reasonable attorneys' fees, court costs and out-of-pocket expenses) suffered or incurred as a result of any breach of any obligation, negligence or misconduct of Bearer or Authorized Outlet hereunder and/or Bearer and Authorized Outlet's access to the Tournament.
11. **Use of Likeness.** The Bearer grants permission to PGA TOUR, Inc. to utilize the Bearer's image or likeness incidental to any live or recorded television or other transmission or reproduction in whole or in part of any Tournament attended by Bearer.
12. **Credit.** All uses of footage hereunder shall be made with a courtesy credit to PGA TOUR.
13. **Commercial Use.** Photographic images and footage of Tournaments may be available for use outside the scope of these Media Regulations (e.g., commercial, promotional, etc.) by contacting PGA TOUR.

THE TERMS AND CONDITIONS OF THESE MEDIA REGULATIONS ARE LIMITED TO THOSE CONTAINED ABOVE. ANY ADDITIONAL OR DIFFERENT TERMS OR CONDITIONS IN ANY FORM DELIVERED BY THE BEARER OR AUTHORIZED OUTLET ARE HEREBY DEEMED TO BE MATERIAL ALTERATIONS AND NOTICE OF OBJECTION TO AND REJECTION OF THEM IS HEREBY GIVEN.
