LIVE BAND PERFORMANCE

A MESSAGE FROM OUR PRESIDENT

Houston, we have playoffs! And with the recent news from the MLR, we now have a home playoff game!! We will host the first round on Sunday, June 12 at 7:30 PM. Make sure you get your tickets when they go on sale tomorrow morning at 10 AM.

But first we have our last regular season game of the year. We welcome in Austin for the final match of the Lonestar Championship presented by Karbach. The winning team of the season total between the three Texas teams will receive a locker room full of cold Karbach beer.

It's been a great regular season! We've set a franchise record with nine wins, qualified for the postseason for the first time and have played many exciting games both here and on the road. The team has really come together and is a great group. Another great thing about this team is the amount of impactful minutes we've had from Rugby HTX alumni. If you don't know, Rugby HTX is our academy program and has produced players like Alec McDonell, Will Crawford and Jax Hidalgo. They each played a huge role in getting us to where we are today. That's a great sign for us and for the future of American Rugby.

Enjoy the game tonight, and make sure to get those playoff tickets. We need everyone here to support us on our quest for the shield.

Go Cats!

JT Onyett

SCORING POINTS

TRY (5 POINTS): A player scores a try by grounding the ball in his opponents' in goal.

CONVERSION KICK (2 POINTS): After scoring a try, the scoring team attempts to kick the ball through the uprights from any point on an imaginary line that runs the length of the field through where the ball was touched down.

PENALTY KICK (3 POINTS): After a penalty, a team may attempt to score by kicking the ball through the goal posts.

DROP GOAL (3 POINTS): A drop goal can be scored at any time during a game by simply kicking the ball through the uprights after it has been drop kicked.

MOVING THE BALL

RUNNING: One way to advance the ball is to run with it. However, the opposing team is free to tackle the player with the ball. If this happens, his team may lose possession. (See "RUCK")

PASSING: A team may pass the ball as many times as they like. However, they may not pass the ball forwards.

KICKING: A team may kick the ball to gain territory or a tactical advantage.
