CHATTANOOGA LOOKOUTS

DOUBLE-A AFFILIATE OF THE CINCINNATI REDS

Dear Lookouts Fans,

On behalf of our entire Lookouts family, I would like to welcome you to the 2022 season of Lookouts Baseball. We are proud to continue our affiliation with the Cincinnati Reds as their Double-A affiliate. The Reds have a long and storied history in Chattanooga that includes winning a Southern League Title in 1988, and with a top-rated farm system we can't wait to see what they bring to the field this season. Coming off two Southern League Championships in the last seven years, your Lookouts are ready to take the field as we offer you Chattanooga's most affordable family fun!

Since 1885, the Lookouts have been woven into the fabric of the Chattanooga community. Lookouts games are where families create memories, businesses picnic, church groups share fellowship and little leagues celebrate. Over the past five seasons, more than one million of our neighbors, friends and co-workers have come to enjoy time together at the ballpark.

As we enter our 22nd season at AT&T Field, we are continuing to improve our ballpark experience. Lookouts fans will once again be treated to exciting promotions and experiences all season long, including 14 postgame fireworks shows. We can't wait for our Negro League Appreciation Weekend May 27th and 28th as your Lookouts transform into the Chattanooga Choo-Choos for two nights.

Thursdays will once again be Thirsty Thursday at AT&T Field with drink specials starting at just \$2. Every Sunday game fans will be able to play catch on the field. 2022 will also mark the return of kids run the bases after every Lookouts home game presented by Great Clips.

When AT&T Field opened, we asked the community for support, and, over two decades later, we're still blown away by the response. The elected officials of the City of Chattanooga and Hamilton County have been unfailingly supportive of our efforts to keep and grow baseball in Chattanooga and their support has meant a great deal to us. Thank you.

There are many people who make Lookouts baseball great and we owe a great deal to our partners, our friends in the local media, our season ticket holders, and to others willing to help and support.

Finally, I would like to say a most sincere thank you to you and all the wonderful people of the greater Chattanooga area. When we said we'll build it if you'll come, you answered with a resounding "We'll be there!" Your support means the world to us and we come to the ballpark each day striving to exceed your expectations.

Sincerely,
Jason Freier
Managing Owner

MEET THE STAFF

Mark Curtis Ticket Partnership Manager

What did you do before working with the Lookouts? Before starting with the Lookouts, I worked in ticket sales for the Mocs at UTC.

Any advice for someone wanting to break into the industry? The best advice I could give someone trying to break into the industry is, do not be afraid to move.

What are some of your favorite things to do away from the baseball diamond? I enjoy playing golf (not well) and going bowling.

Favorite teams other than the Lookouts? My favorite teams other than the Lookouts are the Minnesota Vikings, the Anaheim Angels, the Anaheim Ducks, and the Chattanooga Mocs.

Who is your hero? My hero would have to be my mother. She made a lot of sacrifices for me growing up.

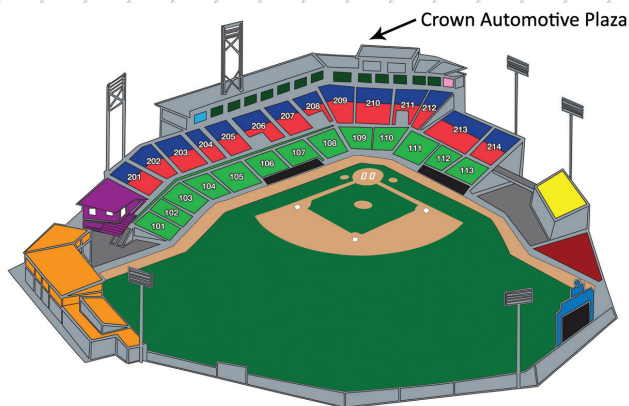

Favorite thing to do on your off days? On my off days, I enjoy spending time with my wife exploring Chattanooga.

Something you collect? I get a hat at every stadium I visit.

Mark & his wife, Jessica

ROOKIE

ARIZONA COMPLEX LEAGUE REDS

So you've made it out of Extended Spring Training, congratulations! Now it's time to show what you've got in the Reds Rookie-level team in Goodyear, Arizona. These are what we call "Short Season" teams, because they only play 76 games during their season that starts in June and ends in September.

SINGLE - A

DAYTONA TORTUGAS

You're on the Daytona Tortugas, the Low Single-A affiliate of the Reds. Most of the time the players on the Tortugas have a year or two of experience after high school. It might have been professional or in college, but the Tortugas normally don't get players right out of high school and players usually have not played a season this long.

Players in the Reds system make it or break at this level as most are given a chance to prove their value to the team.

DaytonaTortugas.com

ADVANCED - A

DAYTON DRAGONS

If you start with the Dragons (in Dayton, Ohio) it means that you were a high draft pick right out of college - ready to prove yourself right away. A player on the fast track to the Major Leagues spends a year per team.

DOUBLE-A

CHATTANOOGA LOOKOUTS

The prospects almost ready to make the jump to the big leagues are waiting with the Lookouts in Chattanooga, Tennessee. These players are polishing up their skills and working to eliminate weaknesses that are leaving them short of their ultimate goal. The defense is better, the batters hit harder, and the pitchers move faster.

A Major League team's hottest prospects are typically in Double-A, waiting for a chance at their shot to show what they can do.

TRIPLE - A

LOUISVILLE BATS

Triple-A players are only one notch below the big leaguers and you can see it with the Louisville Bats. With rosters full of players who have seen at least some action at the Major League level, this is where players try to make a comeback or are just one step short of being a complete player.

Well played baseball, with a lot of familiar names & faces, is paired with some of the largest Minor League ballparks in the country.

MLB

CINCINNATI REDS

Well, you made it to the "The Show!" You've made your dreams come true! Now, don't get lazy. You know that you still have to prove yourself every day - there are plenty of players in the Minors that want your job!

Notable players who have made it to Cincinnati from Chattanooga include Edwin Encarnacion, Joey Votto, Adam Dunn, Tyler Stephenson, and 2021 NL Rookie of the Year, Jonathan India.
