# WHAT IS A TRASH PANDA?

The name was chosen in a name-the-team contest and is a reference to the area's association with the space industry and the determination and ingenuity of raccoons, aka trash pandas.

Trash Pandas, slang for raccoon, was included in the original 10 nominations following several Brandiose-led focus groups in Madison and Huntsville. The ballot descriptor read: Our community is known for engineering, and no creature in our galaxy is as smart, creative, determined and ingenious a problem solver - dedicated to the challenge at hand - as our local raccoons!

In July 2018, after the results from several focus groups in Madison and Huntsville, 10 names were selected, based on their uniqueness and how each name relates to the characteristics of the area: (Alphabetically) Army Ants, Comet Jockeys, GloWorms, Lunartics, Moon Possums, Puffy Head Bird Legs, Space Chimps, Space Sloths, ThunderSharks and Trash Pandas. The focus groups were led by San Diego-based Brandiose, the Minor League Baseball industry's premiere branding partner.

Over the next few weeks, two rounds of online voting took place. The first round narrowed the list to Comet Jockeys, Moon Possums, Space Chimps, ThunderSharks and Trash Pandas.

Trash Pandas won the final round with 44.75 percent of the vote to ThunderSharks 19.25 percent. Moon Possums was third (12.57 percent); Space Chimps fourth (12.05 percent); and Comet Jockeys fifth (11.38 percent).

By the way, Trash Pandas dominated both rounds.

More than 28,500 nominations and votes were recorded. According to Brandiose, this represented - by far - the largest community participation in a Name the Team contest in the history of Minor League Baseball. The team name was announced in a local microbrewery in September 2018 with nearly 1,500 fans on hand. Trash Pandas was nominated by Matthew Higley of Lacey's Spring, Ala. He received two box seats for the first five seasons and will throw out the ceremonial first pitch at a Trash Pandas home game.

The regional identifier was also chosen by the community. Out of 13,559 votes cast, 67.4 percent chose Rocket City over North Alabama (18.09 percent) and Madison (14.51 percent).

# EXECUTIVE LEADERSHIP

## **GARRETT FAHRMANN — EXECUTIVE VICE PRESIDENT AND GENERAL MANAGER**

After a stellar baseball career at Concord College in Athens, WV, Garrett Fahrmann coached for three years at his alma mater before leaving the field for the front office and his first stop as stadium operations manager for the Carolina League's Potomac Cannons.

Originally from Latimer, Iowa, Fahrmann earned a Master's in Sport Management from Slippery Rock University before climbing up the MiLB ranks. Fahrmann then went west to join the Fresno Grizzlies as Senior Vice President of Operations. At the time, the Grizzlies were the Triple-A affiliate of the San Francisco Giants.

Following nearly six years in Fresno, opportunity arose for Garrett, this time back East - another 3,000-mile trek across the country.

With the best wishes of the Grizzlies staff, Fahrmann was to take the reins as Director of Operations for the Lehigh Valley IronPigs. The IronPigs, whose logo was created by Brandiose - the creator of the Trash Pandas' logos, are the Philadelphia Phillies' Triple-A affiliate.

After four years in Lehigh Valley, Fahrmann went back out west for one season to Salt River Fields in Scottsdale, AZ, Spring Training home of the Colorado Rockies and Arizona Diamondbacks. From there, he headed back out west and was out of baseball, working as a real estate agent and for a property insurance company before the allure of the Trash Pandas got him back in the game. He began in Rocket City in July 2019 and was named General Manager in August.

With his strong baseball management background and outstanding business background, Garrett has the perfect combination to be the Trash Pandas first general manager. Garrett and his wife Natalie, make their home in Madison with daughters Riley (11) and Kinsley (9).

## **LINDSEY KNUPP — VICE PRESIDENT, MARKETING, PROMOTIONS AND ENTERTAINMENT**

To say Lindsey "brought home the bacon," is, well, the truth.

Before arriving in the Rocket City, Knupp oversaw what many observers call the best in-game experience in Minor League Baseball. Through her efforts, the Lehigh Valley IronPigs won the 2019 Larry MacPhail Award, recognizing the top promotional effort in the sport. No stranger to personal accolades herself, she was the 2015 recipient of the Rawlings Women Executive of the Year award, which is presented annually by Minor League Baseball to the female who has made outstanding contributions to her club, league, or the sport in general.

A graduate from Shippensburg (PA) University where she was also a two-time All-American in field hockey, Knupp is the caretaker of the Trash Pandas' public image, heading the team's marketing, game promotions, giveaways, and all entertainment in Toyota Field, ensuring the experience in the ballpark is second to none.

In fact, her title could very well be Vice President of Fun.

That "title" followed her from Lehigh Valley where she came up with the idea of a cap with a strip of bacon on the front. "Bacon?" her skeptics asked. It turned out to be the team's best merchandising campaign. Since then, the IronPigs honored other foods such as cheesesteaks and more.

And, because of ideas such as those over her 12 years with the IronPigs, the team won five Golden Bobblehead Awards for its promotions, more than any other Minor League Baseball team. The awards include: Best Non-Game Day Event (2011), Best In-Game Promotion (2013), Best Theme Night (2016), Best Digital Campaign (2018) and Best Overall Promotion or Event (2018).

Her promotions have been noticed by the likes of The Wall Street Journal, USA Today, Sports Illustrated and ESPN, where sports business analyst Darren Rovell said Lindsey is among the "Best Marketers in Minor League Baseball."

Prior to joining Rocket City in November 2019, Knupp was the Director of Sales and Marketing for the Lehigh Valley Zoo. She also worked for the Reading Phillies for three seasons before joining the IronPigs in 2007.

# 2021 INDIVIDUAL HITTING NOTES

**ORLANDO ALL OVER:** Outfielder Orlando Martinez went through many ups and downs during his Double-A debut for the Trash Pandas in 2021. He started decently by hitting .253 in May with seven multi-hit games out of his first 22. He was white-hot in June, as he hit .293 to raise his seasonal average to .271. However, July brought Orlando back to earth as he hit only .207 (18-87) for the month with four multi-hit games out of 23 to bring his average back to .250. In August, Martinez started 7-17 then went into an 0-31 spiral. After that, he hit .345 (30-87) since 8/15 to end the season. During the series against Chattanooga from 8/17-22, he went 11-24 to earn Double-A South Player of the Week honors. He ended the season among the Double-A South leaders in games (8th, 102), at-bats (T-3rd, 400), runs (6th, 58), hits (5th, 103), doubles (2nd, 23), home runs (11th, 16), RBI (T-9th, 54), and batting average (T-10th, .258).

**RETURN OF THE MAC:** In late May, first baseman David MacKinnon returned to the Trash Pandas lineup after resting for a week to recover from an injury. Once he returned, MacKinnon made his mark as Rocket City's most consistent hitter over the course of the season, batting .285 to lead the team and finish sixth in Double-A South. Not a noted home run hitter, one of MacKinnon's blasts was especially memorable. On 5/16 vs. Tennessee, he crushed a walk-off grand slam to end a 13-inning marathon for the first walk-off in franchise history. MacKinnon also produced the longest hitting streak in franchise history, a 12-game streak from 5/14-6/3. He led Double-A South in doubles (30) and RBI (65) while ranking among the league leaders in runs (T-9th, 53), hits (4th, 104), walks (6th, 52), OBP (3rd, .380), and SLG (6th, .474).

**AVILES AMAZES AT HOME:** Luis Aviles Jr. was on a tear over his first homestand at Toyota Field. From 7/6-10 against the Biscuits, he hit .400 (8-20) with six home runs, two doubles, 11 RBI, seven runs scored, a .520 OBP, and a 1.400 SLG. Two of those six home runs were leadoff shots, first on 7/6 and again on 7/8. In his home debut, he homered twice and nearly tied the game with a third home run in the bottom of the ninth, but settled for a double off the left field wall. On July 8, he led off the game with a solo home run and ended the game with a walk-off three-run blast. The bookend home runs led the Trash Pandas to a 7-4 win. On July 9, he hit a two-run blast in the second inning before later drawing a walk and stealing his third base of the season. His home run streak came to an end on July 10, but he was named Double-A South Player of the Week for his efforts.

**HOT HITTING HUNTER:** Outfielder Torii Hunter Jr. ended his season on a high note. Hitting as high as .265 this season, Hunter was 4-49 (.082) in the 16 games leading into a six-game set at Birmingham on 9/7. That week against the Barons, Hunter was 9-18 (.500) with five doubles and four runs scored. The son of MLB All-Star Torii Hunter Sr., the former Notre Dame football receiver saw his average go up from .219 to .234 over the series. He was named the Trash Pandas' Player of the Month for September after batting .333 (14-42) in his final 12 games of the season.

# 2021 INDIVIDUAL HITTING NOTES

**DETMERS DEBUTS IN THE SHOW:** On 8/1, LHP Reid Detmers became the first former Rocket City Trash Pandas player to reach the Major Leagues when he made his MLB debut against the Oakland A's. Named the first Opening Day starter in Trash Pandas history, Detmers made 12 starts for Rocket City and went 2-4 with a 3.50 ERA (21 ER/54.0 IP) along with 18 walks and 97 strikeouts. At the time of his promotion to Triple-A Salt Lake on 7/22, his 97 strikeouts led Double-A South and were the most among all Angels farmhands. In his Triple-A debut on July 24 against Las Vegas, he tossed six scoreless innings with one walk and nine strikeouts to earn the win. He was promoted to the big leagues after just the one Triple-A start. Detmers took the loss against Oakland in his debut but rebounded for his first win two starts later on 8/14, giving up one run over six innings with six strikeouts. He ended the season with the Angels, going 1-3 with a 7.40 ERA (11 BB/19 SO) over five starts for Los Angeles.

**JUNK MAKES THE JUMP:** At the trade deadline on 7/30, the Angels aquired the aptly named Janson Junk from the New York Yankees and assigned him to the Trash Pandas. Junk made his Double-A debut for Somerset in 2021 and went 4-1 with a 1.78 ERA (13 ER/65.2 IP) over 14 appearances (12 starts) with 20 walks and 68 strikeouts. His 1.78 ERA led Double-A and ranked second in all of Minor League Baseball at the time of the trade. In June, Junk went 3-1 with a 1.33 ERA (4 ER/27.0 IP) in five appearances (four starts) earn Double-A Northeast Pitcher of the Month. He also was named Double-A Northeast Pitcher of the Week on June 20. Although he lost two of his first three starts, he rattled off back-to-back wins at the end of August to end his time at Double-A. In his last start, Junk tossed the game of his life at Biloxi on 8/27, throwing eight perfect innings at MGM Park before a leadoff single ended his perfect game bid. He would up the winner as Rocket City prevailed 4-3. A week later, Junk made the jump straight from Rocket City to Los Angeles for his MLB debut and he ended the season with the Angels, going 0-1 with a 3.86 ERA in four starts.

Double-A South League Rank

# 2021 TRASH PANDAS NOTES

**BASEBALL RETURNS:** The Rocket City home opener on May 11, 2021 marked the first professional baseball game in North Alabama since May 25, 2015, when the Biloxi Shuckers temporarily called Joe Davis Stadium home while their new stadium was being built. That day, the Shuckers beat the Birmingham Barons 7-2. Previously, the Huntsville Stars called Joe Davis Stadium home from 1985-2014 and finished with an overall record of 2,112-2,099 (.502). The Trash Pandas were originally scheduled to begin play in April 2020, but the season was cancelled due to the pandemic. May 11, 2021 was also 978 days since the name Rocket City Trash Pandas was unveiled to the public on September 5, 2018.

**READY FOR LAUNCH:** The Trash Pandas lived up to the Rocket City moniker by launching 152 home runs in 2021, which led Double-A South and tied for sixth in all of Double-A. 13 of those dingers came in the 7/20-7/26 series against Tennessee, which is the most in any series. Earlier in the year, Rocket City lifted 12 long balls against the Smokies in the 5/11-5/16 series, including two grand slams in the series finale on 5/16. Another 12 came in the series against Montgomery (7/6-7/10) with six provided by infielder Luis Aviles Jr. Rocket City also hit 12 during the Chattanooga series 8/17-8/22. Third baseman Mitch Nay led with way with 23, which tied for the league lead with Montgomery's Peyton Burdick. Right fielder Izzy Wilson (right) was close behind with 21 big flies to rank fourth in Double-A South. Six Trash Pandas finished with at least 10 homers in 2021, while 17 different players homered over the course of the season. Rocket City became the first Double-A team to hit 100 homers in 2021 on 7/21 when Brendon Davis slung a solo homer over the elevator shaft in left field in the seventh inning.

**GETTING K'S:** Trash Pandas pitchers racked up the strikeouts against opposing hitters in their inaugural season, whiffing 1,112 batters over the 110-game season to rank second in Double-A South. That total is just two behind Montgomery at 1,114, despite the fact that the Biscuits played seven more games than the Trash Pandas in 2021. The most the Trash Pandas struck out in a game was 19, which occurred on 6/26 against Chattanooga when Reid Detmers set the single-game franchise record with 16 strikeouts over six innings. Ryan Clark followed with three more strikeouts in relief. Rocket City nearly matched the mark on 7/22 with 18 strikeouts against Tennessee. The Trash Pandas also struck out 16 on a pair of occasions. Despite a promotion to Triple-A in July, Detmers still finished as the Trash Pandas strikeout leader with 97, a total that ranked him sixth in Double-A South at the end of the season.

**PANDAS POUNCE AT HOME:** Toyota Field was quite the launching pad for the Trash Pandas. Of the 152 homers hit, Rocket City has blasted 91 of them at home. After hitting 12 in the first series against Tennessee, the Trash Pandas hit 18 dingers during an 11-game homestand against Chattanooga and Birmingham. In fact, the home team had at least one homer in 10 of the 11 games. Rocket City tied the 12-homer mark with a dozen in the series against Montgomery, six of which were hit by Luis Aviles Jr. The Trash Pandas' high-water mark came in the 7/20-7/26 series against the Smokies as they blasted 13 homers over five games.

**ROCKET CITY REWRITES RECORD BOOKS:** The Trash Pandas scored an incredible 26 runs on 8/8 at Chattanooga to set a new record for the Southern League/Double-A South. Memphis had the previous mark with 25 runs vs. Nashville in a 1993 game. Rocket City also collected 15 extra base hits with 10 doubles and five dingers. This set a new record with four other clubs recording 13 extra base hits through the years. The 10 doubles shattered the previous team record of five, which was set several times with the latest coming on 8/7 in a 14-2 win over the Lookouts. Izzy Wilson collected six hits, which tied a league record set by 14 other players with the last one coming in 2010.

**ALL THE WAY NAY:** Third baseman Mitch Nay was named to the Double-A South Post-Season All-Star Team, becoming the first All-Star in Trash Pandas franchise history. The former first round pick of the Toronto Blue Jays finished with 23 home runs to tie for the league lead and also ranked among the Double-A South leaders in games (T-4th, 106), at-bats (8th, 367), runs (3rd, 61), hits (10th, 87), doubles (T-6th, 20), RBI (T-9th, 54), walks (4th, 59), and SLG (5th, .480).

**BACK-TO-BACK ON BACK-TO-BACK:** Rocket City produced an eye-popping nine instances of back-to-back home runs in 2021. It began during the first Tennessee series (5/11-5/16) and ironically it happened on back-to-back days (5/14-5/15) and in the same inning (3rd). On 5/14 it was outfielders Torii Hunter Jr. and Orlando Martinez doing the job against the Smokies' Javier Assad. The next night, infielder Gavin Cecchini and outfielder Izzy Wilson went yard, first against starter Luis Lugo, then reliever Scott Effross. Rocket City went back-to-back for the third time when Wilson and Cecchini teamed up for the second time, this time against Chattanooga right-hander Randy Wynne on 6/5. It was then Wilson and Ibandel Isabel going yard in the fourth inning against Montgomery on 7/8. The shot by Isabel was measured at a mammoth 471 feet, the longest in Toyota Field's brief history. Rocket City blasted off by going back-to-back for the fifth time this season when Wilson and Mitch Nay teamed up on 7/23. The homers gave the teammates the Double-A South lead in round-trippers at the time with 16. The Trash Pandas upped that number to six when Aviles and Brendon Davis went back-to-back in the fourth inning on 7/28 against Birmingham. The first six back-to-back blasts all occurred at Toyota Field. Rocket City went back-to-back for the first time on the road this year when Davis and MacKinnon did the trick at Tennessee on 8/13. It was then MacKinnon and Wilson who gave Rocket City eight back-to-backs when they did it against Chattanooga at Toyota Field on 8/19. Number nine came just two days later when Wilson and Nay did the trick in the fifth inning against Chattanooga.

# SOUTHERN LEAGUE INFORMATION

## THE SOUTHERN LEAGUE IS BACK!

Press Release From Minor League Baseball - March 16, 2022

Minor League Baseball today announced the return of the historical names for the 11 leagues that comprise the player development system for Major League Baseball's 30 Clubs. During the 2021 season, the leagues had regional names (Triple-A East, Triple-A West, etc.) while the rights to the use of the historic league names were in the process of being acquired by MLB.

"Major League Baseball is pleased to restore the historic names for each of the minor leagues that our fans are familiar with," said Peter Woodfork, Major League Baseball's Senior Vice President of Minor League Operations and Development. "We are excited for what the future holds for each of these leagues and the communities that make up Minor League Baseball."

As part of ongoing fan communications and feedback, MLB formally updated the initial classification levels to Triple-A, Double-A, High-A and Single-A.

The Southern League was originally founded in 1885 and returns as one of the oldest and most historic leagues in Minor League Baseball.

North Alabama's team has been a part of the Southern League for decades. Most recently, the Mobile BayBears franchise relocated and became the Rocket City Trash Pandas ahead of the 2020 season.

The Mobile franchise was a Southern League member from 1997-2019 and won four Southern League championships while producing Major League stars such as Paul Goldschmidt, Max Scherzer, and Jake Peavy.

First, the Huntsville Stars were members of the Southern League from 1985-2014. Beginning as the Double-A affiliate of the Oakland A's, the Stars soared to a Southern League Championship in their first season in 1985 behind Southern League MVP Jose Canseco.

The Stars went on to win two more Southern League titles as millions of fans attended games at Joe W. Davis Stadium to watch future Major League legends including Ryan Braun, Tim Hudson, Nelson Cruz, Mark McGwire, and more.

## 2022 SOUTHERN LEAGUE PLAYOFF PROCEDURES

The Southern League Championship season will be played as a split season (i.e., the season will be divided into two halves). For a season consisting of 138 games (Double-A), the final game of the first half is the originally scheduled game #69 and the first game of the second half is the originally scheduled game #70. Any game that is suspended or postponed during the first half must be completed or made up prior to the first date of the second half, otherwise such game shall be cancelled. Win-loss records will be reset at the beginning of the second half. For the Trash Pandas, the first half will end on Sunday, June 26 at Birmingham and the second half will begin on Tuesday, June 28 at Tennessee.

The format for the Southern League Postseason will consist of four teams per participating in a best-of-three Division Series, followed by a best-of-three Championship Series. The four playoff participants will be the winners of each division from both halves based on the best winning percentage of each half. In the event the same Club wins both halves, the Club with the next best full season winning percentage in that division will advance. In the event of any ties, the following tiebreakers will apply in the order below:

1. Head-to-head record (if three or more Clubs, best winning percentage in games among the Clubs).
2. If the Clubs remain tied, best overall winning percentage over the last 20 games.
3. If the Clubs remain tied, best overall winning percentage over an additional game (i.e., the last 21 games, the last 22 games, etc.) until one emerges with a better winning percentage in that span of games.

The winners of the first half in each division will host game two and, if necessary, game three of the Division Series. The winners of the second half in each division will host game one of the Division Series. The winner of the Division Series from the North division will host game two and, if necessary, game three of the Championship Series; the other Division Series winner will host game one.

## MINOR LEAGUE BASEBALL RULE CHANGES FOR 2022 SEASON

*Press Release From Major League Baseball - March 14, 2022*

Major League Baseball announced a variety of experimental playing rules that have been approved by the Competition Committee and the Playing Rules Committee for use during the 2022 Minor League season. Consistent with the preferences of fans, these rules are designed to improve the pace of play, create more action on the field, and reduce player injuries.

Many experimental rules were first tested on a limited basis in 2021. The use of the most promising rules has been expanded to additional levels of play, providing more players and fans with exposure to the rules and allowing the Competition Committee to better evaluate the impact of each on game play. Below is a summary of the experimental rules that will be tested during the 2022 Minor League season:

**PITCH TIMER:** On-field timers will be used at all full-season affiliates to enforce regulations designed to create a crisp pace of play, with batters required to be ready to hit and pitchers required to deliver the pitch within allotted periods of time. With runners on base, pitchers will have additional allotted time for each pitch but will risk automatic baserunner advancement if a third pick-off attempt or step-off within the same plate appearance is made without recording an out. These rules were used in tandem in the Low-A West and in the Arizona Fall League in 2021 and led to a significant improvement in pace of play and a reduction in average game time of more than 20 minutes.

**LARGER BASES:** The size of first, second and third base will be increased from 15 inches square to 18 inches square at all full-season affiliates to reduce player injuries. Bigger bases were used in 2021 at the Triple-A level and in the Arizona Fall League, and were associated with a decrease in the severity of base-related injuries. In addition, the reduction in distance between bases led to a modest increase in the rate of successful stolen base attempts.

**DEFENSIVE POSITIONING:** In Double-A, High-A and Low-A, the defensive team must have a minimum of four players on the infield, with at least two infielders completely on either side of second base. These restrictions on defensive positioning are intended to allow infielders to better showcase their athleticism, to increase batting average on balls in play, and to restore a more traditional set of aesthetics and outcomes on batted balls.

The Shuckers began play in 2015 after the Huntsville Stars were sold to Biloxi Baseball in 2014 and franchise moved to Biloxi the next season ... Due to delays in construction at MGM Park, the Shuckers played the first 54 games of their inaugural 2015 season on the road, including 15 games played at Joe W. Davis Stadium in Huntsville ... MGM Park finally opened on June 6, 2015 and the Shuckers beat the Mobile BayBears 4-3 in 14 innings ... The 2015 Shuckers won the First Half South Division title despite the long road trip before falling to Chattanooga in the Southern League Championship Series ... Four pitchers combined for the club's first no-hitter in the second game of a doubleheader on August 14, 2017 ... In 2019, Biloxi won both halves of the season and finished with a club record 82 wins, but fell to Jackson in five games in the Championship Series.

### BARONS NOTES

The Barons are one of the oldest clubs in Minor League Baseball, with teams having played using the Barons (or Coal Barons) name since 1885 ... From 1910-1987, the Barons played at Rickwood Field while the Black Barons of the Negro Leagues took the same field on alternating weeks from 1920-1960 ... Since 1996, the Barons have returned to Rickwood Field for one game each season in the Annual Rickwood Classic, a throwback game to honor Barons teams of seasons' past ... In 1994, NBA legend Michael Jordan played for the Barons in his lone season of professional baseball, hitting .202 (88-436) with three home runs, 51 RBI, and 30 stolen bases in 127 games.

### SMOKIES NOTES

Professional baseball in the Knoxville area dates back to the late 19th century ... The name Smokies refers to the nearby Great Smoky Mountains and was first used in 1925 and remained until 1967 ... The Smokies name returned in 1993 and has remained since ... In 2009, Hall of Famer Ryne Sandberg was named manager and led the Smokies to the Southern League Championship Series where they fell in four games to the Jacksonville Suns ... Tennessee reached the Championship Series in three consecutive seasons from 2009-11, but the Smokies were defeated on all three occasions and have only made the playoffs once since ... The Smokies will soon return to Knoxville with a new ballpark scheduled to open for the 2024 season.

## Mobile BayBears (1997-2019)

The Mobile BayBears began play in the Southern League in 1997 (when the Port City Roosters moved to Mobile). They became an Arizona Diamondbacks affiliate following the 2006 season after having been a farm team of the San Diego Padres for their entire existence. In 2017, they switched affiliations to the Los Angeles Angels of Anaheim.

The BayBears won the Southern League title in 1998. They were co-champs in 2004, and league champions again in 2011 and 2012.

In November 2017, BallCorps LLC closed on the purchase of the BayBears with the intention of moving to Madison after the 2019 season. The team played its final game in Hank Aaron Stadium on Sept. 2, 2019, in a 5-4 loss to the Tennessee Smokies before a crowd of 1,554. Many famous faces played for the BayBears over their 23 year history including All-Stars Paul Goldschmidt, Ender Inciarte, and Carlos Gonzalez as well as Cy Young Award winners Trevor Bauer, Jake Peavy, and Max Scherzer.

The franchise relocated to Madison as the Rocket City Trash Pandas for the 2020 season before the COVID-19 pandemic cancelled the inaugural year. The Trash Pandas began as the Angels' Double-A affiliate in 2021.

## Huntsville Stars (1985-2014)

In 1984, Larry Schmittou brought baseball to Huntsville in a series of transactions that moved the then Double-A Nashville Sounds up to Triple-A, and resulted in the forming of the Huntsville Stars. The team began play at Joe W. Davis Municipal Stadium in 1985.

Beginning their tenure as the Double-A affiliate of the Oakland Athletics, the Stars got off to a hot start in 1985. Led by a Southern League MVP Award from Jose Canseco, the Stars won the first half title to clinch a playoff spot. In the playoffs, they beat the Knoxville Blue Jays and Charlotte O's to take home the Southern League crown in their inaugural season.

The next season, the Southern League All-Star Game came to Huntsville as the Southern League All-Stars were defeated by the Triple-A Nashville Sounds 4-2. Future Hall of Famer Tom Glavine started the game for the All-Stars and future MLB All-Star catcher Terry Steinbach took home the MVP award after hitting a home run. Before winning a World Series for the A's in 1989, stars such as Steinbach, Canseco, Mark McGwire, and Walt Weiss called Huntsville home on their way to the show.

The Stars made the playoffs in four of their first five seasons. But they wouldn't capture another title until 1994, when they posted a .587 winning percentage (81-57) before beating Chattanooga and Carolina in the playoffs to win their second title.

After becoming a Milwaukee Brewers affiliate in 1999, the Stars won what proved to be their final title in 2001. That season, they won the first half title before beating Birmingham in the first round of the playoffs. However, the Southern League Championship series was canceled due to the September 11 attacks, ending with Huntsville and Jacksonville being declared co-champions.

The Stars remained a Brewers affiliate at Joe Davis Stadium until 2014 before moving to Biloxi in 2015 to become the Shuckers. Due to construction delays in Biloxi, the Shuckers played 15 home games at Joe Davis Stadium in 2015, with the final game being a 7-2 Biloxi win over Birmingham on May 25, 2015.

Over the course of 30 seasons and 4,211 regular season games, the Stars posted a record of 2,112-2,099 with 14 postseason appearances, 10 division titles, and three Southern League Championships.

## **JOSH CARAY - DIRECTOR OF BROADCASTING AND BASEBALL INFORMATION**

Josh's baseball roots stretch from Atlanta to St. Louis to Chicago to Cooperstown.

You see, he's one of the latest in the Caray line to get behind the microphone and broadcast baseball games.

Josh's grandfather is Hall of Fame broadcaster Harry Caray who called games for the St. Louis Cardinals, St. Louis Browns, Oakland Athletics, Chicago White Sox and Chicago Cubs over a legendary 50-plus-year career. His dad is the late Skip Caray, Atlanta Braves Hall of Famer, who called games for Turner Sports' coverage of the Braves, NBA, and NFL. His half-brother Chip is the Braves' current TV broadcaster. Josh's nephews, identical twins Chris and Stefan Caray, have taken over as broadcasters for the Amarillo Sod Poodles, Double-A affiliate of the Arizona Diamondbacks, heading into the 2022 season.

But Josh has developed a pedigree of his own, broadcasting NCAA and professional sports. Most recently, he was the football and men's basketball play-by-play voice at Stony Brook University on Long Island, and the Hudson Valley Renegades, then the Class-A Short-Season affiliate of the Tampa Bay Rays.

He also has the Braves in his own background, spending a season as the Gwinnett Braves TV broadcaster and two years as the radio broadcaster for the Rome Braves.

Rounding out his NCAA resume, Josh was a football broadcaster for Birmingham-Southern, studio host at IMG for Tulane University football and basketball, as well as UNLV basketball.

## ITEMS OF INTEREST

**Batting Average:** Divide the number of hits by the number of at-bats.

**Consecutive Game Hitting Streaks:** A consecutive game hitting streak keeps going as long as a player keeps hitting. If he makes it through an entire game without a hit, there's still one chance to keep the streak alive: If he does not get an official at-bat. Simply put, if all the at-bats in a game result in a walk, getting hit by a pitch, reaching on defensive interference or laying down a sacrifice bunt, the streak is alive. There is a hitch: Sacrifice Flies do not count.

**Consecutive Games Played Streak:** A playing streak shall be extended if the player plays one half inning on defense, or if he completes a time at bat by reaching base or being put out. A pinch running appearance shall not extend the streak. If a player is ejected from a game before he can comply with the requirements of this rule, his streak shall continue.

**Earned Run Average (ERA):** Multiply the number of earned runs by nine and divide that total by the number of innings pitched.

**Fielding Percentage:** Divide the total of putouts and assists by the total of putouts, assists and errors.

**Hold Rule:** The hold is not an official statistic, but it was created as a way to credit middle relief pitchers for a successful outing. If a reliever comes into a game to protect a lead, gets at least one out and leaves without giving up that lead, he is credited with a hold. You cannot get a save and a hold in the same game.

**Magic Number:** Add one to the number of games left in the season, then subtract the number of games ahead in the loss column of the closest team.

**On-Base Percentage:** Add hits, walks, hit by pitches, then divide by at-bats plus walks, hit by pitches and sacrifice flies.

**Player Limits:** The Trash Pandas roster can have 28 active players for the 2022 season.

**Quality Start:** Defined as a start when a pitcher lasts six or more innings and gives up three or fewer earned runs.

**Saves:** A pitcher earns a save by meeting all three of the following criteria: 1) he is the last pitcher in a game won by his club; 2) he is not the winning pitcher; 3) he qualifies under one of the following conditions: a) he enters the game with a lead of no more than three runs and pitches at least one inning, or b) he enters the game with the potential tying run either on base, at-bat or on deck, or c) he pitches effectively for at least three innings.

**Slugging Percentage:** Divide the total bases of all hits by the total times at-bat (at-bats do not include walks, sacrifices, hit by pitches or times awarded first base on interference or obstruction).
