# WHO WE ARE

The FireWolves' brand identity reflects the organization's deep roots in the National Lacrosse League, pays tribute to lacrosse's Native American heritage, and represents the team's commitment to serving the community throughout the Albany area.

Lacrosse's history goes back 1,000s of years on the lands of the Six Nations of the Haudenosaunee Confederacy, which spanned from the Hudson River and the Mohawk Valley north into Quebec and Ontario in the Great Lakes region. The Albany area was originally inhabited by both Mohawk (Iroquois) and Mohican (Algonquin) tribes, and the roots of lacrosse began in what is now New York State and Canada as early as 1100AD. The Haudenosaunee (Iroquois for "People of the Longhouse") believe lacrosse, which they call Dehoñtjihgwa'és (translation: "they bump hips"), was a gift from The Creator. Also known as "The Medicine Game", lacrosse is believed to have healing powers and remains a central part of Native American communities throughout the Northeast.

The FireWolves are proud to call the Capital Region home and continue our lineage in the area that dates back to the National Lacrosse League runner-up Albany Attack in 2002. A through line beginning in the early 2000s, the wolf was part of the Attack's logo, while also being part of the logo and name of the New England Black Wolves that played in Connecticut from 2015 to 2020 before the franchise moved to Albany before the 2021-22 season. Native to the Adirondacks and also one of only three repeating clans throughout the Haudenosaunee Confederacy, the wolf embodies many of our organization's key values: courage, strength, loyalty and leadership. On and off the field.

While the "FireWolf" is a mystical creature, the use of fire in the name represents the symbolism of community and gathering for ceremony. The Mohican tribes who originally inhabited the Capital Region called it Pempotowwuthut-Muhhcanneuw, meaning "the fireplace of the Mohican nation". We believe strongly in the power of sports as a common-ground meeting place for the community, and the entire FireWolves organization is excited to celebrate competition at the highest level and honor lacrosse's deep roots in the Capital Region.

In summary, the FireWolves are fierce competitors, hunt together and are loyal to the pack. The Albany FireWolves organization holds the values of teamwork, competitive desire and community focus in the highest regard as we honor the heritage of lacrosse and the National Lacrosse League teams that came before us, while working to create a positive impact throughout the Capital Region.

## GAME 5 MATCHUP PREVIEW **FIREWOLVES vs RIPTIDE**

**The Albany FireWolves (2-2) return to the Capital Region this Saturday, January 21, at 7:00 p.m. for a matchup against the New York Riptide (0-4). Albany is coming off a massive overtime victory on the road against the Halifax Thunderbirds while New York is seeking its first win of the season. This weekend's game can be watched on My4 Albany or ESPN Plus.**

### **FireWolves Players to Watch:**

**John Piatelli** has found his groove early on in his debut season in the NLL. In last weekend's win over the Thunderbirds, the rookie accounted for three points on one goal and two assists. His second assist of the night came with 30 seconds to go in regulation when he connected with Ethan Walker who tied the game at 10 and forced overtime. Through three games, Piatelli has logged nine points on two goals and seven assists. His nine points ranks fifth on the Wolves, while he sits tied for fourth on the team in assists. Piatelli is making a name for himself early on in the season and has quickly become another weapon in the FireWolves' offensive arsenal.

**Patrick Kaschalk**, another rookie playing an important role on the FireWolves, has been exactly what the team hoped for when they selected him in the first round of last year's Entry Draft. Last week, his lone point came from an assist to Jackson Nishimura in transition after he made a defensive stop. On the season, the rookie defenseman is tied for the team lead with four blocked shots, ranks third on the team with 18 loose ball recoveries, and has five points to boot. As part of a strong defensive unit, look for Kaschalk's role to continue to grow as his debut season continues.

**Doug Jamieson** returned to the net last weekend after missing the previous game. Despite not playing the prior weekend, Jamieson came back in top form as he allowed just 10 goals and stopped 53 Halifax shots on goal. He was spectacular all night, holding the league's top goal-scoring team in check as the FireWolves secured a huge road win. Though the Riptide have yet to win a game this season, they certainly have dangerous offensive weapons. The FireWolves will continue to lean on the former Goaltender of the Year in this one as they look to make it two wins in a row heading into a week off.

## Opposing Players to Watch:

**Jeff Teat** took the league by storm last year as rookie, and has picked up right where he left off. The young superstar leads the Riptide in total points (25) and assists (19) and sits tied for second on the team in goals scored (6). Despite the team dropping their fourth game in a row to begin the season last weekend, Teat assisted on five of the team's eight goals in the contest. He certainly has the ability to light the scoreboard up in any given game, but so far on the season, it has been Teat's ability to set up teammates for scoring opportunities that has made him most dangerous.

**Reilly O'Connor** is a name FireWolves fans already know as he was one of the team's top five scorers last year. Both sides made out in the offseason deal that sent O'Connor to New York, as Albany acquired Kieran McArdle, who currently leads the team in points, goals and assists, in return. O'Connor has had himself a strong start to the season with the Riptide, ranking second on the team in total points (16), goals (6), and assists (10). The forward is coming off a three-point outing a week ago and it's all but certain that he will try to light up the scoreboard in his return to the Capital Region.

**Steve Orleman** has had a tough start to the season, as one could expect considering the team is searching for their first win. Through the first four games, the goaltender has allowed 48 goals. Orleman is coming off a decent performance in last weekend's loss, surrendering just 11 goals to the undefeated Knighthawks. You can't pin the team's winless start solely on the goaltender play, as the offense has garnered the second fewest goals scored in the league with just 40. There will be opportunities for the FireWolves to get points on the board in this one as they look for another win heading into a bye week.

# GROW THE GAME

**WANT TO KNOW MORE ABOUT THE FUN GAME OF LACROSSE?**

Lacrosse is a team sport played with a lacrosse stick and a lacrosse ball. It is the oldest organized sport in North America, with its origins with the indigenous people of North America as early as the 12th century.

The Albany Firewolves Lacrosse Club is looking to provide fun and engaging workshops in schools for students in Kindergarten to Grade 7.

Our Training Academy will provide a FREE 40 minute workshop to introduce the game of Lacrosse. The clinic will include a brief history and its connection with the indigenous peoples followed by a fun skills session and modified game with a member from the Albany Firewolves Lacrosse Club.

Sticks and balls will be provided for all students to use during our workshops.

Full lacrosse unit lesson plans for teachers to use in their Phys.ed classes if they wish!

## Glenn Clark

### General Manager / Head Coach

Head Coach Glenn Clark brings over two decades of NLL experience as both a player and a coach with him to the Capital Region. He began his professional box lacrosse career in 1998 when he was drafted by the Ontario Raiders. One year later, the team moved to Toronto and became the Toronto Rock. Clark spent the majority of his playing career in Toronto, helping lead the Rock to five NLL championships. After the 2005 season, Clark signed with the Philadelphia Wings where he was named to the All-Star team for the third time in his career.

Clark wasted no time transitioning into coaching as he was named head coach of the Toronto Rock following the 2006 season. The Rock reached the playoffs before being defeated by the eventual champion, Rochester Knighthawks. Clark was at the helm of the Rock until the team's 2009 season.

Following his coaching stint in Toronto, Clark spent the next five years coaching at various levels including minors, Junior A Lacrosse, CLAX, and the Canadian national team. Clark returned to the NLL in 2015, being named head coach of the New England Black Wolves. In just his first season with the Black Wolves, Clark led the team to a six win improvement from the season prior, and won a playoff game. During his five seasons as head coach of the Black Wolves, the team successfully made the playoffs in each of them. The team found itself in first place in 2020 before the season came to a halt due to COVID-19.

Clark now resides in the Capital Region and is eager to start the 2022-23 season and work towards bringing Albany FireWolves fans a championship!

## Clem D'Orazio

### Assistant General Manager / Assistant Coach

Coach Clem D'Orazio is no stranger to the Capital Region and looks forward to bringing professional box lacrosse to the area. Now entering his 10th year as a Lacrosse Director and Vice Principal of Everest Academy in Vaughan, Ontario, D'Orazio has traveled to the region many times for games with his teams having played at UAlbany, Union College, and other surrounding areas.

D'Orazio brings championship experience with him to Albany, having won five National Championships as a player for Brock University. Following his collegiate career, D'Orazio joined the Brock coaching staff where he helped lead the team to three more National Championships finals, winning one of them.

D'Orazio continued his coaching career within the Junior B and Senior A league's for four years before joining Coach Clark in 2015 with the Toronto Beaches in Junior A where he served as the GM for the past six years. Sticking with Clark, D'Orazio joined the staff of the New England Black Wolves that same year. After two years as Video Coordinator and Head Scout, D'Orazio was promoted to Defensive Coach. Last year, D'Orazio was named Assistant GM of the team.

D'Orazio keeps busy and wears many hats on the job, but is excited to return to the Capital Region and play in front of a packed arena at the Times Union Center!

## **Darryl Gibson** **Assistant Coach**

Now entering his fourth season with Glenn Clark, Coach Darryl Gibson might be a familiar face to some Capital Region lacrosse fans. He began his NLL career right here in Albany as a member of the expansion team Albany Attack. Gibson spent two seasons with the Attack before joining the Toronto Rock in 2002, playing alongside Coach Clark for three seasons. In his first season with the Rock, Gibson returned to Albany where he led his team to a championship over the Attack, 13-12. Gibson scored the game-tying and game-winning goals of that game, both of which were assisted by Coach Clark.

After three seasons in Toronto, Gibson bounced around between a handful of other teams before retiring in 2012. Through 12 seasons, Gibson won two NLL Championships and was named to the 2006 All-Star team.

Following his successful career as a player, Gibson got his first experience on an NLL coaching staff as an intern with the Minnesota Swarm. After coaching in CLAX and Major Series Lacrosse, Gibson got the call from Coach Clark to join the New England Black Wolves as the team's Offensive Coordinator.

## **Kevin Montgomery** **Athletic Trainer**

Kevin Montgomery, a Toronto native, is another member of the Albany staff that he been around Coach Clark and the organization for a handful of years. Playing a variety of sports through his school years, Montgomery enjoys being part of a professional team while being able to continue his passion within the medical field.

He began his journey into sports working as an athletic trainer for Canadian junior hockey teams and a private sports rehabilitation clinic. Montgomery then spent two years with the Toronto FC academy which serves as the development system of Toronto FC of the Canadian Major League Soccer club. Montgomery then transitioned into lacrosse where he teamed up with Coach Clark as a member of the Toronto Beaches in the Junior A League. Sticking with Clark, Montgomery joined the New England BlackWolves in 2016 and has been the organization's head athletic trainer ever since. Simultaneously, Montgomery also serves as the Head Therapist of the Track and Field program for York University in Toronto.

## **Mike McKay** **Goalie Coach/Video Coordinator**

Mike McKay is yet another member of the team's coaching staff with a connection to the Capital Region. As a player, McKay was drafted by the Albany Attack, though he never actually played a game for the team. McKay then signed with Anaheim where he played his lone season as a player in the NLL.

Following his playing career, McKay quickly transitioned into coaching where he joined Coach D'Orazio in the Senior A Canadian Summer League. McKay then paired up with Coach Clark shortly after, serving as the Defensive Coordinator for the Toronto Beaches in the Junior A League. McKay joined the New England BlackWolves staff in 2017 under his current title, Goalie Coach and Video Coordinator. In 2019, McKay won a gold medal as the Video Coach for Team Canada at the World Indoor Lacrosse Championship alongside Clark.

As the Video Coordinator for the team, McKay handles team scouting, video breakdowns, in-game breakdowns, and a whole lot more. The Ontario, Canada native is enthusiastic about coming to Albany and sees a lot of potential in what he called an "untapped market with good lacrosse roots."

## **Mike Kettell** **Equipment Manager**

Mike Kettell has been working hard behind the scenes in the NLL for the past 13 years and counting. A Philadelphia native, Kettell got his first work experience in sports working as a Student Manager for the Temple Owls football team.

It was with his time at Temple where he connected with the Equipment Manager of the Philadelphia Wings and began his journey in professional sports. What began as an internship in 2008, Kettell spent the next six years working with the Wings. Kettell then made the transition to Connecticut as a member of the New England BlackWolves in 2015.

**MIKE  
BYRNE**

Mike Byrne returns to the organization for his fourth season in the league. Though he did not appear in many games throughout his first two years, last season with the FireWolves, Byrne played in 15 games and caused 14 turnovers and recovered 68 loose balls. The defenseman also added four points to his season line on one goal and three assists.

## NICK CHAYKOWSKY

After beginning in minor lacrosse leagues, Chaykowski was drafted into the Jr. A league by the Barrie Lakeshores. After four and a half years with the Lakeshores, Chaykowski was traded to the New Westminster Salmonbellies. He then broke into the NLL and was drafted by the New England Black Wolves. Oddly enough, Chaykowski was drafted on September 17, as the 17th overall pick, in 2017... it also happened to be his birthday.

Chaykowski spent his first season on the Black Wolves' practice squad before working his way into the team's regular lineup. He appeared in 16 regular season games with the FireWolves last year, recording 85 loose balls and 10 caused turnovers.

## GREG DOWNING

Greg Downing is another mainstay of the NLL and returns to the FireWolves for his second season. Originally from not far away Auburn, NY, Downing played collegiately at Fairfield University where he was a three-time All-American. He was named to the Tewaaraton Trophy watch list ahead of both his junior and senior season, while finishing his career with 141 total points on 101 goals and 40 assists.

Downing broke into the professional ranks after being drafted by the Los Angeles Riptide of the MLL in 2007. During his time in the MLL, Downing was a two-time All-Star and two-time Champion. Downing was also drafted into NLL by the Boston Blazers in the 2007 Expansion Draft. After stops in Minnesota and Colorado, Downing joined the organization in 2019 and has been a key piece of Coach Clark's defense ever since. Last year, Downing played in 14 regular season games for the FireWolves and recovered 77 loose balls, caused 18 turnovers, and added nine assists.

### DOUG JAMIESON

Regarded as one of the best goaltenders in the game, Jamieson has been with the organization for the entirety of his first five years in the NLL. During the shortened 2020 season, Jamieson was named Goaltender of the Year as the Black Wolves sat in first place thanks to his impressive 8.77 GAA. Last season with the FireWolves, the goalie boasted a .787 save percentage and was one of the league's save leaders with 675.

Kaschalk was selected 16th overall in the first round of the 2021 NLL Entry Draft by the FireWolves. Kaschalk might be a name that Capital Region lacrosse fans are familiar with as he frequently played against the UAlbany Great Danes as a member of the Stony Brook Seawolves. He finished his Stony Brook career with 47 total points on 36 goals and 11 assists.

Kaschalk played a fifth year as a graduate student with Lindenwood University where he racked up 78 points on 62 goals and 16 assists. He is no stranger to the indoor game as Kaschalk played for the Windsor Clippers and the Burlington Chiefs in the Ontario Junior League during a seven-year span from 2013-2019.

## CHARLIE KITCHEN

A New Jersey native, Charlie Kitchen played his collegiate career at the University of Delaware. A five-year player, Kitchen is one of two players in program history ranked inside of the top-10 in goals, assists, and points. The forward also currently holds the school record for consecutive games with a goal, scoring in 39-straight. Throughout his five seasons with the Blue Hens, Kitchen was a three-time all CAA honoree, one-time CAA Player of the Year, and was named Team MVP four times.

Kitchen got his first experience playing box lacrosse with the Toronto Beaches of the Ontario Junior A Lacrosse League under current FireWolves Coaches, Glenn Clark and Clem D'Orazio. In one season with the Beaches, Kitchen racked up 41 points in just 17 games. This will be Kitchen's second season with the FireWolves after logging 22 points on 14 goals and eight assists in his rookie year.

## CYBER SECURITY

THE WORLD IS A SCARY PLACE. ENSURE COMPLIANCE AND PROTECT YOUR COMPANY & CUSTOMER DATA.

A well-informed organization is a well prepared and secured organization. When people talk about security, they generally talk about anti-virus protection, firewalls and strong passwords. Anti-virus software has clear-cut cost savings in its reduction of needed interventions by IT personnel. Firewalls are your network's first line of defense against unwanted traffic. Encryption reduces costs by reducing the risks associated with a data breach and enables collaboration with third parties. While these are all integral components of a good security program, they are just part of the overall picture.

A cyber security program is the process of incorporating all areas of security and compliance into a company-wide practice to defend against potentially devastating data loss, theft, or attacks. Our collaborative methodology of assess, address, and maintain comprehensively integrates security best practices to secure user access to company resources, protect data from outsiders, provide a layered approach to perimeter and core firewall defenses, and educate users.

## BENEFITS

- Fewer outbreaks of worms, viruses, and malware – resulting in less system damage, repair, replacement, and downtime
- No negative publicity due to a security breach
- Lower liability
- Increase compliance
- Streamline and clearly define roles and responsibilities, making information flow more quickly through an organization
- Provide checks and balances that reduce internal risks, thus saving money

One of the most tenured guys on the roster, Brett Manney returns to the organization where he has been since 2014. He played his collegiate lacrosse at the University of Delaware and was a captain of the Blue Hens while leading the team to two NCAA tournaments, including a visit to the Final Four during his junior year. Following his time at Delaware, Manney was drafted by the Washington Bayhawks of the MLL in 2008. Despite never playing box lacrosse before, Manney signed as an undrafted free agent to the San Jose Stealth of the NLL that same year and has been a staple in the league ever since. Manney was a member of the 2010 championship team with the Stealth before taking his talents to Philadelphia where he played through the 2013 season. The captain played in 16 regular season games for the FireWolves last year, recording 30 loose balls and causing 9 turnovers.

### **FIREWOLVES OPEN UP NEW SEASON WITH A ROAD VICTORY IN BUFFALO**

**Albany Defeated the Bandits, 11-10, in the First Game of the 2022-23 Season**

The Albany FireWolves (1-0) defeated the Buffalo Bandits (0-1), 11-10, at the KeyBank Center in Buffalo, New York on Saturday evening. The Bandits struck first in the contest, but Albany's new look offense fired back with four unanswered goals and maintained control throughout the game. Doug Jamieson remained stout in net for Albany, stopping 44 Buffalo shots on the night.

Buffalo controlled the game's opening faceoff but came up empty on their first possession as Jamieson stuffed Tehoka Nanticoke at the net. After multiple empty trips by both teams, Nanticoke opened the scoring by putting a shot just outside of Jamieson's left leg. Minutes later following a timeout, Tanner Thomson knotted the game back at one as he sniped one into the back of the net from deep. On the ensuing possession, newly acquired forward Connor Kelly dove across the crease and went over the left shoulder of Matt Vinc to give the FireWolves their first lead of the night. Wasting no time, another new member of the FireWolves, Ethan Walker, fired one into the net to grow Albany's early lead. Buffalo was unable to score in the final seconds of the quarter and Albany took a 3-1 lead into the second.

The Bandits won the initial faceoff of the new quarter and quickly had a good look on net, but Nanticoke was rejected once again by Jamieson. Following a delay of game penalty on Buffalo, Albany scored seconds later as Kelly notched his second of the contest. Less than a minute later, the Bandits were hit with another penalty, but were able to kill off the FireWolves power play. After a Josh Byrne shot bounced off Jamieson high into the air, Ian MacKay caught the rebound and shot on an open net to get one back for the Bandits. After multiple shot opportunities on the ensuing Bandits possession, Byrne bested Jamieson to close the gap to 4-3 halfway through the second period. About a minute later, Walker buried his second of the night to get one back for Albany. Coming out of a television timeout, Kyle Buchanan netted one after a nice feed from Buffalo's Dhane Smith. The FireWolves came up empty with the final possession of the second quarter but carried a 5-4 lead into the halftime break.

<b>Buffalo Bandits</b>	<b>55</b>	<b>10-25</b>	<b>1-1</b>	<b>16</b>

After two scoreless minutes to open the second half, Albany was penalized with a five-minute goalie interference major as Walker crashed into Vinc. Despite being a man down, Charlie Kitchen was able to muscle his way through two defenders and find John Piatelli for a shorthanded goal – the rookie’s first of his career. With 30 seconds left on the major penalty, Albany was hit with minor, extending Buffalo’s man-up advantage for two additional minutes. Soon after, Byrne rolled one into the net for his second goal of the night. With six minutes to play in the third quarter, Hiana Thompson soared from behind the net and squeaked in his first goal with the FireWolves. Seconds later, another Albany newcomer, Kieran McArdle, fired a sidearm shot past Vinc to extend the lead to 8-5. Keeping their foot on the gas, Thomson buried a high shot for Albany’s third goal in less than two minutes. Buffalo was finally able to stop the bleeding as Nanticoke beat Jamieson for the second time in the game on a nifty shot with a minute to go in the quarter. Thirty seconds later, Chris Cloutier went airborne and scored another for the Bandits. Albany could not get a shot on net and maintained a 9-7 lead after three quarters of play.

Three minutes into the fourth, Buchanan took a shot from the deep center of the turf that bounced into the net. Buffalo then quickly tied it at nine goals apiece as Nanticoke collided with Jamieson, but only after he completed his hat trick. Nanticoke was ejected from the game for crashing into Jamieson with 11 minutes to go, giving Albany another power play opportunity. Albany was able to capitalize on the man-up advantage as McArdle scored his second goal of the contest with over a minute remaining on the power play. Back at even strength, Colton Watkinson entered his name into the score book with a transition goal that gave Albany a two-score lead with five minutes to go. After an interference infraction on Albany, Cloutier took the ball in transition and brought Buffalo back within a goal. The FireWolves were able to run out the clock securing their first win of the young season on the road in Buffalo. The FireWolves will meet the Bandits one more time this year in the regular season finale in Albany.

## FIREWOLVES DROP HOME OPENER TO KNIGHTHAWKS

Albany Was Defeated by Rochester, 14-13

The Albany FireWolves (1-1) were defeated by the Rochester Knighthawks (3-0), 14-13, at the MVP Arena in Albany, New York on Saturday evening. Albany controlled the game's first half, but a strong third period by Rochester swung the momentum in their favor as they held on for the win on the road.

Rochester won the game's opening faceoff but were shut down by Doug Jamieson on their first possession. After another defensive stand, Albany ran out in transition and got on the board first as John LaFontaine gave Albany an early lead. Fresh out of a television timeout, the FireWolves added to their lead as Tanner Thomson fired one in as the shot clock was expiring. With five minutes to play in the opening period, Hiana Thompson soared across the crease and scored the third goal in a row for Albany. Less than 15 seconds later, Rochester notched their first of the night as Turner Evans beat Jamieson. Wasting no time, Albany got the goal back as Justin Scott bounced one past Ryan Hartley. With under two minutes to go, the Knighthawks netted their second of the contest as Ryan Smith collected a rebound and put one past the downed Jamieson. Rochester came up empty on their final possession of the quarter as Albany held onto a 4-2 lead after the first.

The FireWolves kept their foot on the gas as Connor Kelly buried his first of the night with Albany's initial possession of the second period. Following a Rochester penalty, Albany took advantage of the power play opportunity as Ethan Walker netted his first of the contest. The Knighthawks finally stopped the bleeding as UAlbany alum Connor Fields scored his first of the night as the shot clock was winding down. Following a foul on the FireWolves, Matt Gilray took a long pass and found the back of the net to cut the Albany lead down to two goals about halfway through the second quarter. The FireWolves quickly got a goal back as Thompson scored just outside the crease after a nice feed from Kelly. With just under six minutes to go in the half, Charlie Kitchen caught a pass in transition and weaved his way through multiple defenders before burying an acrobatic shot to push the FireWolves lead to 8-4. The Knighthawks had an extended next possession thanks to multiple rebounds before Thomas Hoggarth rolled one in from deep.

Neither team was able to score in the remaining four minutes and the FireWolves took an 8-5 lead into the halftime break.

Rochester continued their dominance from the dot, controlling the first faceoff of the second half, and immediately scored off the stick of Holden Cattoni. The Knighthawks continued their run as Curtis Knight added another, narrowing the Albany lead to just one goal. Keeping the momentum, Rochester tied the game halfway through the third quarter as Cattoni found the back of the net for the second time in the half. Just seconds later, the Knighthawks took their first lead of the game as Smith put one past Jamieson's right foot. Despite smothering defense, Fields was able to maintain control and roll one into the net for Rochester's fifth goal in a row. Following the goal, the Knighthawks were hit with a penalty, giving Albany their second power play chance of the night. The FireWolves were unable to convert on the man-up advantage, and soon after gave Rochester a power play try on an interference penalty. Being a man down did not matter as Colton Watkinson shrugged off a defender on a runout and netted Albany's first goal of the half. The Knighthawks quickly got the goal back as Smith completed his hat trick with just a minute left in the period. The scoring continued as Albany's Aaron Forster fired one in from deep. The FireWolves then forced a turnover on their side of the floor and Thompson rocketed one past Hartley to cap of his hat trick with less than a second to go in the period to knot the game at 11 apiece.

After nearly seven full minutes of scoreless action to start the fourth quarter, Albany regained the lead as Scott fired a missile past Hartley. The Knighthawks quickly tied it up at 12 as Curtis Knight found the back of the net. Just seconds later, Fields reclaimed the lead for Rochester on his third of the contest. Keeping up the pace, Albany got the goal back after a successful challenge on a crease jumping goal by John Piatelli. Fields quickly notched his fourth of the night to sway the lead back once again in Rochester's favor, 14-13. Albany turned the ball over on their final possession and the Knighthawks were able to run out the clock, handing the FireWolves their first loss of the season.

## GEDDIE IMPRESSIVE IN NET FOR FIREWOLVES DEBUT

**Albany Fell Short at Home to Halifax, 14-11**

The Albany FireWolves (1-2) were defeated by the Halifax Thunderbirds (3-1), 14-11, at the MVP Arena in Albany, New York on Saturday evening. Justin Geddie had a solid night in net for his FireWolves debut, stopping 61 Halifax shots. The game was tight throughout, but the Thunderbirds were able to score the final four goals and come away with a win on the road.

Halifax secured the game's initial faceoff but were unable to get a shot on net. Following nearly 10 scoreless minutes to open the game, the floodgates opened. Each side playing with four on the floor after illegal substitution penalties, the scoring drought was broken as Charlie Kitchen bounced one into the back of the net. Halifax wasted no time answering as Chris Boushy caught a nice behind the back feed and scored from just outside the crease. The Thunderbirds quickly took over the lead as Boushy bounced his second goal past Geddie. The scoring continued as Hiana Thompson secured a nifty one-handed pass from Connor Kelly and notched his first goal of the contest. Less than a minute later, Kelly got one of his own as he regained the lead for Albany on a snipe from the center of the floor. With 25 seconds to go in the quarter, Ethan Walker found an opening coming off a screen and gave the FireWolves a two-score lead.

The pace continued into the second quarter as Halifax's point-leader Randy Staats buried his first of the contest while falling into the crease. Kelly got the goal back for the FireWolves as he notched his second of the night by bouncing one through Warren Hill's legs. Shortly after, Eric Fannell found space and bested Geddie for the team's fourth score of the night. Former FireWolf Ryan Benesch then tied the game at five on the ensuing possession firing one in from the right side. One possession later, Benesch found Boushy right in front of the net as he completed his hat trick to give Halifax the lead. Following a penalty on the Thunderbirds, Albany was able to capitalize as Kelly capped off a hat trick of his own while knotting the game at six with just under 10 minutes to play in the half. After nearly eight minutes without a goal, Austin Shanks broke the tie for Halifax. Despite a save by Geddie, Cody Jamieson was able to find the ball in the crease, and go around the back of the

net and bury a one-handed goal while diving. With just a second to go in the half, Patrick Kaschalk ran the length of the floor and fired one past Hill, cutting the deficit to one, 8-7, heading into the break.

Following five minutes of empty trips and multiple penalties on both sides, Kieran McArdle was able to tie the game on a deflected ball that found its way across the goal line. Albany wasted no time putting another goal on the board as McArdle fed Thompson in front of the net for his second goal of the night. Halifax finally scored their first goal of the second half as Fannell found an empty net while Geddie was scrambling for a loose ball to tie the game at nine goals apiece heading into the final period.

Just seconds into the fourth quarter, Albany was penalized for roughing. Geddie remained stout throughout the Thunderbirds' powerplay, and following a defensive stand, Colton Watkinson came out of the penalty box and was hit in stride on his way to giving the FireWolves a 10-9 lead. Halifax quickly answered as Fannell capped off his hat trick by bouncing one into the net. Shortly after, the FireWolves ran the floor and found Kelly on the offensive end who drilled his fourth of the game. Following another Albany penalty, Halifax was able to take advantage as Boushy cleaned up a missed shot and put one into the back of the net from a step outside the crease. With just under seven to play, Staats came around a screen and released from deep to give the Thunderbirds a 12-11 lead. After an Albany holding penalty, Halifax added to their late lead as Clarke Petterson got one past Geddie. Fannell added another to the Thunderbirds lead as he jumped through the crease and scored a one-handed goal, his fourth of the night. Albany was then penalized for a five-minute high sticking major and Halifax was able to run out the clock, securing a 14-11 win on the road. The two teams will meet again Friday, January 13 at 6:30 p.m. in Halifax.

### ALBANY WINS OVERTIME THRILLER IN HALIFAX, 11-10

#### McArdle Leads Wolves with Eight Points and Game-Winning Goal

The Albany FireWolves (2-2) defeated the Halifax Thunderbirds (3-2), 11-10, at the Scotiabank Centre in Halifax on Friday evening. The game was back and forth throughout, but the FireWolves were able to tie it late in the fourth and eventually win in sudden death overtime on Kieran McArdle's fourth goal of the night.

Halifax won the game's opening faceoff, and after empty trips by both sides, Warren Hill found Colton Armstrong in transition who ran the rest of the way before beating Doug Jamieson for the first goal of the night. Following an early unsportsmanlike conduct penalty on the Thunderbirds, Tanner Thomson flipped a behind-the-back pass to a cutting Ethan Walker who finished in front of the net to tie the game at one. Halifax was quickly hit with another penalty, but the Thunderbirds were able to score shorthanded as Wake:Riat Bowhunter fired one in from deep. After penalties on both sides, Jamieson stopped a Thunderbirds shot and found Colton Watkinson in transition who took advantage of a breakaway opportunity for Albany's second goal of the contest.

Albany wasted no time taking their first lead of the night early in the second quarter as Justin Scott ripped one in from deep in the center of the floor. The Thunderbirds quickly got the goal back as Chris Boushy caught a pass just outside the crease and was able to finish. Fresh out of a television timeout, John Piatelli came around a pick a landed a rocket in the back of the net to regain the lead for Albany.

After nearly 20 minutes of game time without a goal, Jackson Nishimura ended the drought as he ran out ahead of Halifax in transition and bounced one between Hill's legs to give Albany a 5-3 lead with just under seven minutes to go in the third quarter. Albany kept the momentum as McArdle scooped up a rebound in the center of the floor and added another for the FireWolves. The Thunderbirds finally scored their first goal of the half as Austin Shanks put one between Jamieson's legs to cut the Albany lead to 6-4. Seconds later, Eric Fannell got in close and buried a shot to bring Halifax within a goal. On a delayed penalty, Fannell scored again, this time from the center of the floor, to knot the game at six.

Halifax took the lead early in the fourth quarter as Boushy completed a one-timer just outside the crease. On the following possession, the Thunderbirds notched their fifth goal in a row as Clarke Petterson fired one in from the left side. Albany was able to stop the bleeding as Tanner Thomson found some space in the deep center of the floor and sniped in his first score of the night. The Thunderbirds quickly brought it back to a two-goal lead as Fannell dove across the crease and completed his hat trick. With just under five to play, Kitchen fed a cutting McArdle who bounced one in to cut the Halifax lead to one. The Thunderbirds quickly reclaimed the two-goal lead as Armstrong took a long rebound the length of the floor and finished the play for his second of the night. McArdle stayed hot and completed a hat trick of his own after a great pass from Nishimura. With under a minute left, Albany pulled Jamieson from the net and immediately capitalized as Walker tied the game at 10. Halifax was unable to score with the final possession and the game went into overtime. In less than two minutes, McArdle called game by burying his fourth goal of the night as Albany took an 11-10 victory on the road.

## **THE PACK GIVES BACK!**

The FireWolves Foundation will address and participate in philanthropic causes across the Capital Region. Our goal is to not only grow the game of lacrosse, but also to work with our community to promote primary pillars and initiatives such as health and wellness (both physical and mental health), education, and inclusion.

**THE FIREWOLVES FOUNDATION, THE  
PACK GIVES BACK, OFFERS SCHOLARSHIP  
OPPORTUNITIES FOR THOSE WHO MAY BE IN  
NEED OF FINANCIAL SUPPORT.**
