## ABOUT THIS GUIDE

The University of Akron Athletics is visually represented by a series of closely related logos, the sum of these marks comprise the Akron Zips Athletics brand identity. This guide is intended as a resource for both internal departments and external vendors who apply the University's athletic brand identity. It was created to ensure consistent use of the athletic department's logos, symbols, color and typography across a wide variety of applications. The following pages are official policy of the University as it pertains to the reproduction of its athletic identity.

All logos and artwork depicted within this guide are trademarks of the University of Akron. Any use without consent of the University, or its licensing agent is strictly prohibited.

For additional information regarding the UA athletic brand identity or for questions regarding specific use, please contact:

## LICENSING

The University of Akron trademark licensing program strives to promote, enhance and elevate the image of the University by authorizing the use of our marks on high-quality, socially-responsible, tasteful merchandise and apparel. The program is administered in partnership with the Collegiate Licensing Company (CLC).

Any person, organization or corporation wishing to manufacture a product bearing or containing any of the marks of the University, or to provide a service that will use the marks, must enter into a licensing agreement that authorizes such use. Those wishing to become licensed can obtain an application at https://clc.com/home/get-licensed/. All vendor questions regarding the application and approval process should be directed to CLC.

## COLOR INFORMATION

The official colors of the University of Akron are Blue and Gold.

The color standards that apply to the athletics visual identity are shown here. Color specifications must never be altered under any circumstance.
NOTE: Due to the inconsistent nature of computer display and smartphone screens, the colors depicted within this guide may not match the actual PANTONE® colors. When specifying colors please refer to the PANTONE® number for accurate color reproduction.
