STAFF & PLAYERS

Columbia Fireflies Field Staff Manager Tony Peña Jr.

Peña Jr. hails from Santiago, Dominican Republic and had a four-year major league career, including three seasons with the Kansas City Royals. Peña Jr. retired from playing internationally in 2017 after signing with both the Kansas City Royals and Olmecas de Tabasco of the Mexican League during that season.

It didn't take long for the former player to follow in his father's footsteps and start managing games. In 2019, Peña Jr. was named the manager of the Arizona League Royals. Prior to the pandemic-lost season, he was named the bench coach of the Omaha Storm Chasers and in 2021 he joined the big-league Royals' staff as a coach. His father, Tony Peña Sr., had an 18-year Major League career with the Pirates, Cardinals, Red Sox, Indians, White Sox and Astros from 1980-1997 before managing the Royals from 2002-05.

Fireflies 2021 Season Recap

After an extra year of waiting, the fifth season of Columbia Fireflies baseball was filled with Fun for All. Looking back at it all, what stands out the most are the plethora of team records and franchise firsts that were accomplished throughout the season.

While it's hard to say which achievements were the biggest or the most impactful to the team, we can start with the new single-season records that individual members of the 2021 roster set.

Both Tyler Tolbert and Juan Carlos Negret set new Fireflies records during the same game. After reaching safely on an error July 10, Tolbert stole his 29th base of the season to become the Fireflies single-season record holder. The University of Alabama Birmingham product would go on to steal 49 total bases on the year, demolishing the previously held stolen bases record for Columbia.

A few innings later, Negret hit his 14th homer of the season to put himself in the record book for most single-season homers in Fireflies

history. He finished the season with 23 homers, just two shy of Dash Wingham's all-time Fireflies record, which he accomplished across the 2016 and 2017 seasons.

There were plenty of individual game successes throughout the season as well. Just two days prior to the night where Negret and Tolbert set season

marks, Negret had a seven-RBI night, breaking the club's single-game record of six, which Negret and Scott Manea had both done. It came in a 20-1 victory over the Charleston RiverDogs. The 20 runs were the most scored in a single game by the Fireflies. That mark didn't stand long though. August 10 the Fireflies outmuscled the Fay-

etteville Woodpeckers 21-5 to set a new single-game record.

On top of that, the Fireflies hit their first walk-off home run in franchise history in front of a roaring June 26 crowd. Darryl Collins sent the ball beyond the right field picnic tables for his first career grand slam in the bottom of the 10th inning to secure a 6-2 victory for Columbia.

Despite finishing the season 48-71, the Fireflies hopped out of the gates quickly, earning a 15-9 record across the month of May. The team's success saw some key players promoted such as starter A.J. Block and outfielder Tucker Bradley. Not long after the start of June, another pair of key players, pitcher Christian Cosby and third baseman Jake Means moved up to Quad Cities. Two days after Means moved up, the Fireflies ended a

stretch where they ended the day in first place in the division 23 of 25 days.

After that, the team saw diminishing returns in the win column as talented prospects were called up to reinforce Quad Cities and Northwest Arkansas on their runs to championships in their respective leagues.

The Fireflies dropped 15 of their last 16 games and 21 of their final 23 contests to close out the season.

In 2022, the team has a fresh start though, with plenty of talent drafted by the Royals in 2021 and waiting in the wings of the Dominican Summer League and the Arizona Complex League to augment the roster. The new journey starts at Segra Park April 8. For tickets and more information, visit ColumbiaFireflies.com.
