INTRODUCTION

This On Field Style Guide is one of a series

produced specifically for our On Field licensees

to use in manufacturing the home and away

jerseys, pants, socks, and helmets for the NFL

and its 32 member teams. The object is to maintain visual consistency in the reproduction

of all NFL team uniforms. This guide should be

used as a reference for size and placement of

uniform construction. Each guide also includes

actual color swatches to ensure that an exact

team marks and all graphics related to

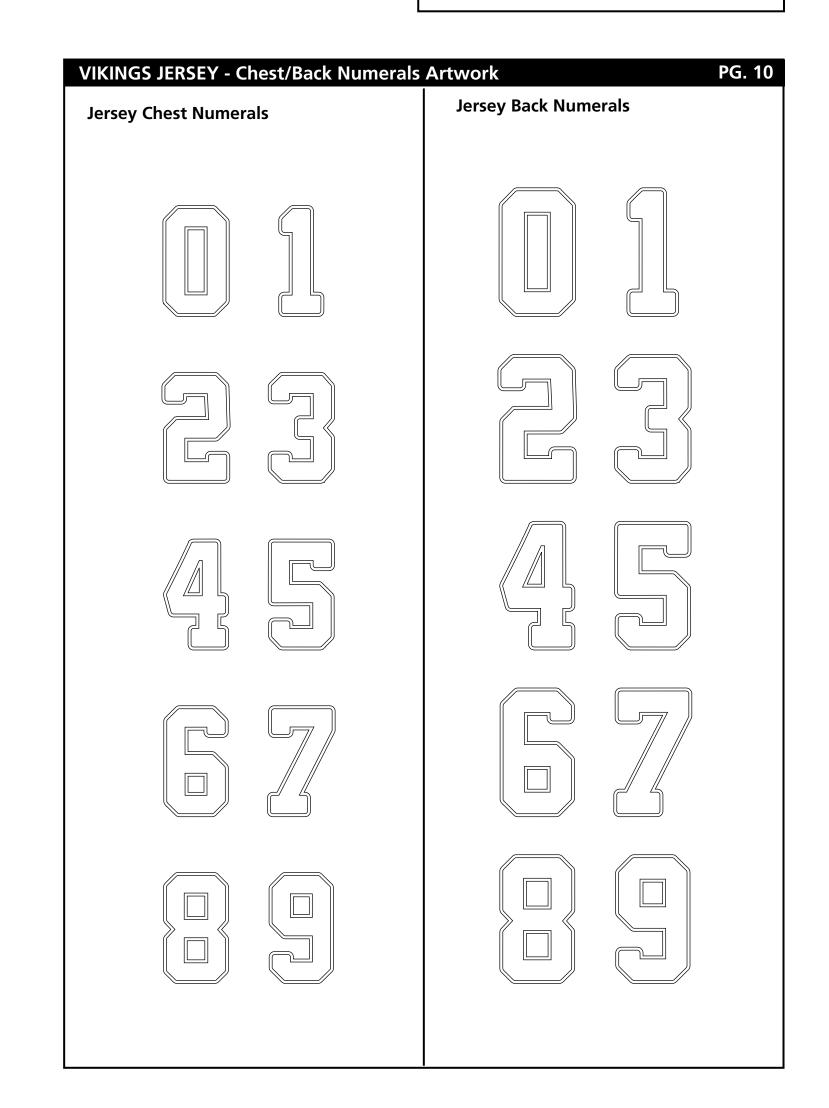

match will always be achieved.
