2005 NFL SCHEDULE ANNOUNCED

The NFL announced today its 17-week, 256-game regular-season schedule for 2005, which kicks off on Thursday night, September 8, and concludes on Sunday, January 1.

The season begins as it has the past three years with a prime-time game on Thursday night, September 8 on ABC (9:00 PM ET). The Oakland Raiders will visit the Super Bowl XXXIX champion New England Patriots for the first time since the teams' memorable 2001 AFC Divisional Playoff "blizzard" game.

In a format introduced last year, the Super Bowl champion now hosts the NFL Thursday night season kickoff the next year. This season, the 40th Super Bowl – under the season-long Super Bowl XL theme of "The Road to Forty" – will be played at Ford Field in Detroit, Michigan on February 5, 2006.

The 2005 NFL Kickoff Weekend schedule:

NFL KICKOFF 2005 WEEKEND

Thursday, September 8

| | <u>LOCAL</u> | <u>EASTERN</u> |
|---|---------------------|-----------------------|
| Oakland Raiders at New England Patriots | 9:00 PM ET | 9:00 PM |

Monday, September 12

| | | |
|--|------------|---------|
| Philadelphia Eagles at Atlanta Falcons | 9:00 PM ET | 9:00 PM |
|--|------------|---------|

ABC will carry two prime-time games on Kickoff Weekend (Thursday and Monday nights) for a season total of 17 prime-time games (the opening Thursday night kickoff and 16 *Monday Night Football* games). As a result, there will be no Monday night game on the final regular-season weekend (Week 17), enhancing the flexibility of scheduling the opening weekend of the NFL playoffs.

ABC's Kickoff Weekend Monday night game – Philadelphia at Atlanta (9:00 PM ET) -- is a rematch of last season's NFC Championship Game. There are two other nationally televised games on Kickoff Weekend. On FOX on Sunday, the national doubleheader game will feature Dallas at San Diego at 4:15 PM ET. The ESPN Sunday night opener will pit Indianapolis at Baltimore (8:30 PM ET). CBS, which has U.S. Open tennis in the late time slot in Week 1, will carry a lineup of early regional games. CBS will televise the NFL national doubleheader game in Week 2 (Cleveland at Green Bay, 4:15 PM ET).

This year, for the first time in NFL history, a regular-season game will be played outside the United States. On Sunday night, October 2, Arizona will host San Francisco in Mexico City, Mexico on ESPN at 8:30 PM ET.

The traditional Thanksgiving Day national doubleheader on Thursday, November 24 will match Atlanta at Detroit (FOX, 12:30 PM ET) and Denver at Dallas (CBS, 4:15 PM ET).

Week 15 will feature a Saturday national TV triple-header. On Saturday, December 17, Tampa Bay will play at New England at 1:30 PM ET on FOX. At 5:00 PM ET on CBS, Kansas City will visit the New York Giants, and at 8:30 PM ET on ESPN, Buffalo will host Denver.

In Week 16, 13 games will be played on Saturday afternoon, December 24. On Sunday, December 25, there will be a late-afternoon game (Chicago at Green Bay, FOX, 5:00 PM ET) and a prime-time game (Minnesota at Baltimore, ESPN, 8:30 PM ET). ABC will televise its final Monday night game of the year on December 26 when New England visits the New York Jets (9:00 PM ET).

The regular season will conclude on New Year's weekend. On Saturday, December 31, there will be two nationally televised matchups. At 4:30 PM ET on CBS, Denver will play at San Diego, and at 8:00 PM ET on ESPN, the New York Giants will visit Oakland.

Fourteen games on Sunday, January 1 will wrap up the regular season, concluding with St. Louis at Dallas in prime time (ESPN, 8:30 PM ET).

With the NFL's 32 teams each playing 16 games over 17 weeks, byes are scheduled for Weeks 3 through 10, with four different teams having byes in each of those weeks.

The 2005 playoffs will include four division winners and two wild cards from each conference. The playoffs begin with Wild Card Weekend on Saturday and Sunday, January 7-8. The two division winners with the best records in each conference will earn first-round byes.

Wild Card Weekend winners join the top four AFC and NFC division champions in the Divisional Playoffs on Saturday and Sunday, January 14-15. The AFC and NFC Championship Games will be played on Sunday, January 22. The winners meet two weeks later on Sunday, February 5 in Detroit, Michigan in Super Bowl XL. The postseason concludes with the AFC All-Stars vs. the NFC All-Stars in the Pro Bowl on Sunday, February 12 in Honolulu, Hawaii.

Fifty-eight regular-season games are designated for national television. CBS or FOX will televise a Sunday doubleheader game to most of the nation each week. This year, CBS will televise nine Sunday doubleheaders and FOX eight.

CBS will present the AFC, the AFC playoffs and the AFC Championship Game. FOX will carry NFC games, the NFC playoffs and the NFC Championship Game. The 64 AFC-NFC interconference games (excluding prime time) are carried by CBS when the AFC team is the visitor and by FOX when the NFC team is on the road. All postseason games are televised nationally.

In addition to its Monday night package, ABC will televise a Wild Card playoff doubleheader on Saturday, January 7 and Super Bowl XL on February 5.

ESPN concludes the NFL season with the Pro Bowl on February 12.

ESPN will televise 16 Sunday night games and two Saturday night games. By NFL policy, ESPN games also will be carried on free, over-the-air television in the city of the visiting team and in the city where the game is played if it is sold out 72 hours in advance of kickoff.

The NFL is the only sports league that carries all regular-season and postseason games on free, over-the-air television.
