Through his first three seasons at the helm in San Antonio, Marcina sports a 48-16-18 record, including the 2022 USL Championship title and three-straight postseason appearances for the first time in club history.

The 2022 regular season saw Marcina double his career win total with SAFC, going 24-5-5 after a 24-11-13 mark through two seasons. The win total equaled a league record for single-season wins, with the 77 points sitting at the second-most ever. The team's 13 road wins also equaled a league record, earning the team home-field advantage throughout the playoffs as well as the Regular Season Title. The regular season featured the same lineup used only once, as Marcina led 33 different starting lineups in 34 matches.

In the playoffs, SAFC went 3-0-0 with a +7 goal differential in a dominant run to the title, with Marcina being named a Coach of the Year finalist for the first time in his career.

2021 saw Marcina guide the team to at the time, the best season in club history. After a 14-8-10 regular season record was good for a second-place finish in the Mountain Division. In the postseason, SAFC advanced to the USL Championship Western Conference Final for the first time in club history. The club would fall to the eventual champion Orange County SC in penalty kicks.

In 2020, after being named the second head coach in team history, Marcina led the club to a 10-3-3 record and a first place finish in Group D, earning the second playoff berth in team history. The club's 11-game unbeaten streak to start the season is the second-longest in team history, and Marcina earned USL Championship Coach of the Month honors for August of 2020.

While Marcina was with the first team as an assistant coach in 2019, the players scored a club-record 62 goals and compiled a 9-2-6 home record.

Following his time with the Scorpions, Marcina spent part of the 2016 season as the head coach of Rayo OKC (NASL), compiling a 6-5-5 record in 16 league matches. Marcina then spent the 2018 season with the Des Moines Menace (USL League 2), during which he led the club to a regular season title with an unbeaten 13-0-1 record. Overall, Marcina has compiled a 58-39-24 record as a head coach in all competitions.

In addition to his head coaching experience, Marcina spent the 2012 and part of the 2013 NASL seasons as an assistant coach with the Scorpions under Tim Hankinson, helping to lead the team to a first-place finish in the regular season in 2012 before bowing out of the playoffs in the semifinals. Marcina took over as interim head coach in 2013 before taking over full-time prior to the start of the 2014 season.

Prior to his time as a coach, Marcina enjoyed a successful playing career in which he featured for 13 clubs across seven countries in the span of seven years, scoring 73 goals in 185 professional appearances. Playing as a striker, Marcina began his career with the Ottawa Wizards (CPSL) in 2002

ACADEMY**

SAFC PRO ACADEMY

In April of 2016, San Antonio FC launched the SAFC Pro Academy - a youth development program for the area's elite boys players which started with a 2004 birth-year team this season. In June of 2016, the club named Nick Evans as the first SAFC Pro Academy Director in team history. The academy has expanded to five teams at the U-12, U-13, U-14, U-15 and U-17 levels. The academy teams compete in MLS Next.

In 2018-19, The SAFC Pro Academy coaching staff was named the U.S. Soccer Development Academy (DA) Central Conference Boys Coaching Staff of the Year. SAFC was honored alongside NYCFC and LAFC of Major League Soccer

In February of 2019, San Antonio FC signed its first full-time academy product to a first-year contract when midfielder Leo Torres signed a professional deal.

The objective of the San Antonio FC Development Academy program is to identify and train the best players in the San Antonio market on a pathway to become a homegrown player for the SAFC professional team, national teams, and/or opportunities in college soccer. In addition to developing skilled and dynamic soccer players, key components of the program include each player displaying excellent personal character, becoming actively involved in community activities, and focusing on academic performance. The SAFC Pro Academy is structured to be a collaborative initiative between all local youth clubs and organizations in the San Antonio community by the opportunity to be an active part of the player identification process, as well as providing recognition and benefits to such participating clubs.

SAFC Pro Academy teams are fully-funded at no cost to players selected. This program is part of the professional club's strategic plan of establishing a nationally-respected youth academy.
