ARIZONA UNITED — SC —

Arizona United Soccer Club was established in 2014 and is the only professional soccer team in the state of Arizona. Arizona jumped out to a strong start at the beginning of the 2015 season, winning its first three USL matches before suffering its first loss on April 18. The club is tied for second in the Western Conference standings and is led by second-year head coach Michael Dellorusso, forwards Long Tan and Dennis Chin, and Arizona native Rob Valentino, who serves as the club captain.

In February, Arizona United SC affiliated with Major League Soccer's FC Dallas. The partnership allows FC Dallas to send a minimum of four players from its first team to USL franchise Arizona United SC during the 2015 season. The affiliation is part of the 2013 landmark agreement between MLS and USL, which encourages collaboration between the two leagues to help further the development of professional soccer in the U.S. and Canada.

USL

Arizona United SC competes in the USL, which is the strongest, best operated and most experienced North American men's professional soccer league below MLS, both on and off the field.

USL has experienced a rapid expansion growing from 14 teams in 2014 to 24 teams at the start of the 2015 season. Eight Major League Soccer teams field teams that compete in the USL. The league is divided evenly into a 12 team Eastern and Western Conference that stretched from coast to coast.
