**** Supporters Section seating is general admission seating for Phoenix FC's most intense and passionate fans. You can expect fans in this section to be chanting, singing, dancing, jumping, playing drums and other instruments, and waving banners, flags and scarves to create the passion that supporters' groups around the world create at soccer matches.**

Supporters in this section usual stand for the whole match and take part in singing and chants some may not find suitable for our younger fans. If you want to join this passionate group of fans, then buy your tickets, get yourself a flag or banner and we will see you at the pitch.

If this section is not for you, we encourage you to explore our options available in the stadium to suit all tastes. We want everyone to enjoy the excitement of a Phoenix FC match.
