# MEET NATHAN

Dear GreenJackets Fans,

Welcome to the 2023 season at SRP Park. Last year, the GreenJackets welcomed the most fans of any team in Single-A, truly demonstrating the connections between fans in the CSRA and this organization. This year, the GreenJackets will feature some of the Braves' top prospects, including several recent first round picks. In 2021, Spencer Strider began the season in Augusta, but just months later he was pitching for the big-league club - you never know when a player on the SRP Park diamond might make that jump!

For fans who are not in the ballpark but who want to follow the action all season long, that's where I step in. I'm honored to follow in the footsteps of the broadcasters who came before me to bring you the radio broadcast of all 132 GreenJackets games this season.

This will be my second season in minor league baseball, having spent the 2021 season with the Double-A New Hampshire Fisher Cats (an affiliate of the Toronto Blue Jays). This past year was my first year since graduating college, and I worked as a broadcaster for my alma mater, the University of Massachusetts. This is my first time living outside of New England, so I have plenty to learn about the CSRA, but I'm thrilled to have the chance to broadcast the future stars of the Braves' organization this year.

For road games, the radio broadcast can be accessed through the GreenJackets website from the "Listen Live" link under "team." Additionally, the broadcasts can be streamed on your phone through the MLB First Pitch app. For home games, the radio call can be found at the same places, and you can watch the broadcast with video through MLB TV. We will also share the links to those streams on our Facebook and Twitter pages before every game.

I'm hopeful that there will be select times this year where I'll be able to broadcast the game from various locations around the park - the TaxSlayer Terrace, the Lawn Ace Lounge, or even just a seat in the stands! If you are planning on attending a game and would like to join me on the broadcast for an inning to talk GreenJackets, or if you have a kid who is interested in baseball or broadcasting and wants the experience of coming into the booth, just drop me a line. Baseball at its core is a community activity, and that is what draws me to it as a sport but also to the GreenJackets, whose fan support and connection is unmatched.

Hope to see you (or hear you) around SRP Park this coming year.

Go GreenJackets!

*Nathan Strauss*
