**DEAR** FC Cincinnati Fans,

In the last half of the USL regular season, we look back at what has been an exciting inaugural year. Your overwhelming support has been felt in and out of Nippert Stadium and we continue to build the program for you, our supporters.

The atmosphere felt on game day has been amazing to witness. Our supporters are among the best in the country and we are consistently impressed by both the number of people attending games and the passion felt from those in attendance.

Much effort was placed on filling a roster with talented individuals who could help us perform this year while creating a solid foundation for the club to build on in the future. Led by John Harkes, a Hall of Fame inductee and U.S. National Team star, and outfitted with USL stand-outs and MLS veterans, we have done just that. We look forward to more exciting moments throughout the balance of the regular season and as we seek to contend for a league championship.

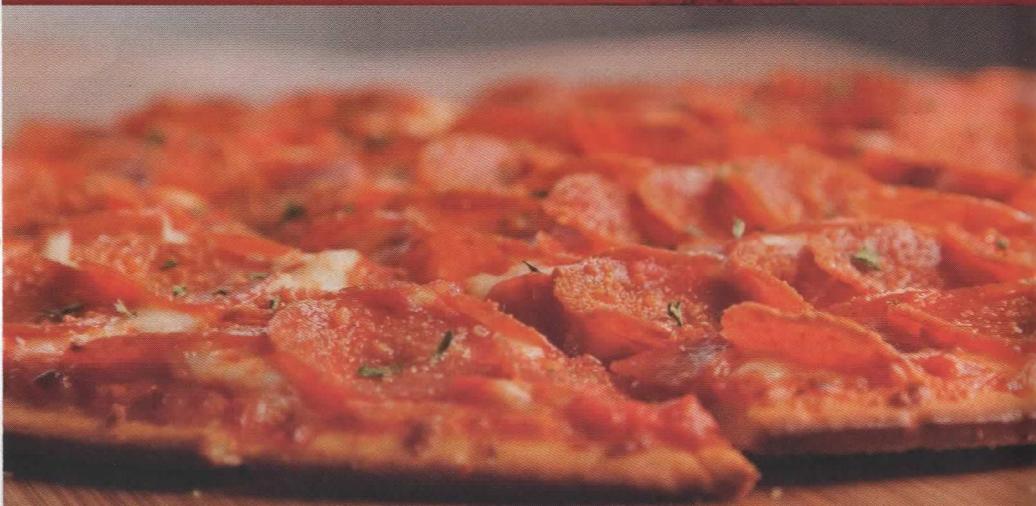

I would like to thank all of our supporters and partners for joining FC Cincinnati from the beginning. I look forward to enjoying the remainder of the season with you.

Thank you,

Carl H. Lindner III  
Chief Executive Officer

## HEAD COACH

### JOHN HARKES — HEAD COACH

National Soccer Hall of Famer John Harkes is one of the most well-known names in the American soccer scene. Thanks to his time playing for the U.S. Men's National Team, in MLS and Europe, Harkes has an immense wealth of knowledge of the beautiful game.

After a prestigious collegiate career at national power University of Virginia — where he was awarded the Hermann Trophy in 1987 as the national collegiate player of the year. Harkes launched his professional career in 1989 with the Albany Capitals in the now defunct APSL.

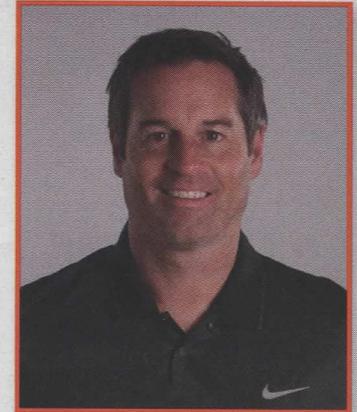

A year later, Harkes joined Sheffield Wednesday, where he became the first-ever American to play in the English Premier League and in the UEFA Europa League. In all, Harkes made 82 appearances and scored seven goals for Wednesday, which included a long-range blast in his debut season that earned "Goal of the Year" honors. In 1993, he moved to Derby County where he logged another 67 appearances and five goals. A short loan to West Ham United followed, where he made a further seven appearances.

But it was in 1996 that Harkes returned to play professionally in the U.S., becoming the first ever player for D.C. United at the birth of Major League Soccer. He went on to lead the team to a double, winning both the inaugural MLS Cup and the U.S. Open Cup. Over the next two years, Harkes made 83 appearances and contributed 14 goals for D.C., helping the team win five championships in his three years as captain. Harkes briefly went back to England's Nottingham Forest before returning to MLS to make 55 appearances and score two goals for the New England Revolution.

His final move came in 2001, where Harkes made his first foray into Ohio while playing for the Columbus Crew. In his second season with the club, he helped them lift their first ever trophy, the U.S. Open Cup. Unfortunately, injuries limited him to just 29 appearances in two seasons, and Harkes announced his retirement in 2003.

Throughout his professional career, Harkes was a U.S. Men's National Team mainstay. His time with the national team yielded 90 appearances, six goals, two World Cup appearances (1990 and 1994) and a co-MVP award during the 1995 Copa América. He also featured for the 1988 U.S. Olympic team.

Since retirement, Harkes has spent time as an analyst and color commentator for FOX, ESPN and ABC. He also served as an assistant coach for the New York Red Bulls from 2006-2007.

We get FC Cincinnati fans back to life.

## ASST. COACHES

### RYAN MARTIN — ASSISTANT COACH

A Columbus native, Ryan Martin possesses extensive knowledge of the game and proven experience as a coach. A passion for soccer and coaching runs in Martin's family. His father, Jay Martin, has spent four decades at Division III national power Ohio Wesleyan University and is the winningest soccer coach in NCAA history.

Martin himself starred at Ohio Wesleyan, racking up 45 goals and 32 assists and earning 2005 NCAA All-American honors. He was also a first team All Great Lakes three times during a career that amassed an astounding 73-13-3 record during his four years playing for the Battling Bishops. After graduating, Martin spent one year with Real Salt Lake in the MLS before returning to his alma mater to coach for one year.

In 2007, Martin joined the coaching staff at Wake Forest University and helped the team win their first ever national title in the history of the program. The next year, Wake's offense led the country in scoring and broke a 25-year-old school record with 81 goals in a season. By 2009, the team made its fourth straight College Cup appearance and had a stellar winning record of 17-4-3. He spent last season leading the Columbus Crew Under-23's.

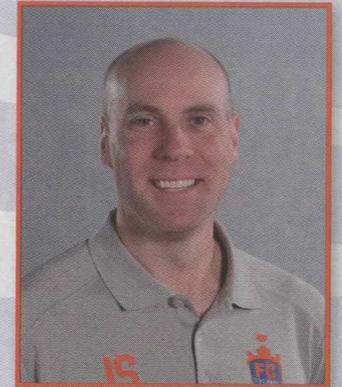

### JAMIE STARR — GOALKEEPER COACH

With a reputation for producing results with the players he trains, Jamie Starr will bring a wealth of experience to the FC Cincinnati coaching staff.

Jamie spent his playing days at the University of South Carolina. Upon graduating in 1998, he was a four-year letter-winner and helped lead the team to the NCAA Tournament three times — one of which was as a No. 1 seed during his sophomore year.

Starr would then go on to serve as head coach at Heathwood Hall Episcopal High School in South Carolina before moving to the University of Tulsa for the 2000 season. Starr has since spent the last seven seasons with Xavier University as an assistant coach. He also worked as an assistant coach for NPSL's Cincinnati Saints after featuring for the team in the previous season.

Over his career, Starr has trained multiple award-winning players such as Chicago Fire MLS Cup MVP keeper Henry Ring, Big East Goalkeeper of the Year Dallas Jaye and Big East Goalkeeper of the Year Eric Osswald. Starr has helped lead XU to multiple NCAA Tournament trips, including reaching one of the Sweet 16 spots in 2014 for the first time in programs history.

## SOCCER RULES

**LENGTH OF A MATCH:** There are two 45-minute halves during the regular season. Extra time is added at the referee's discretion at the end of each half. Overtime and penalty kicks won't come into play during regular season games, but you may see games enter overtime and/or penalty kicks during the USL playoffs and tournaments.

**STARTING AND RESTARTING PLAY:** Kick-off is determined by a coin toss with the winning team choosing to start with the ball or which goal they would like to attack. Kick-offs occur at the start of each half, and after each goal scored. If a team scores a goal, the opposing team is given the kick-off to restart the match.

**OFFSIDE:** When an offensive player receives the ball while on his opponents half, he must be even with or behind the second to last defender (the last typically being the goalkeeper).

**FREE KICK:** This is broken into two categories, direct and indirect. A direct kick can be shot directly into the opponent's goal without touching another player. An indirect free kick is indicated by the referee raising his hand during the kick. An indirect kick can only go into the goal if it has subsequently been touched by another player before it enters the goal. The ball must be stationary for both types of kicks.

**A DIRECT FREE KICK** is awarded when a player kicks, trips, jumps, charges, strikes, pushes, tackles, holds or spits at an opponent, attempts to do these things, or handles the ball deliberately.

**INDIRECT FREE KICKS** are awarded if a player plays in a dangerous manner, impedes the progress of an opponent, prevents the goalkeeper from releasing the ball from his hands or commits any other unmentioned offense.

**YELLOW CARDS** are awarded as a caution or warning to a player and can be issued for unsporting behavior, dissent by word or action, persistent infringement of the Laws of the Game, delaying the restart of play, failure to respect the required distance when play is restarted with a corner kick, free kick, or throw-in, entering or re-entering the field of play without the referee's permission, or deliberately leaving the field of play without the referee's permission.

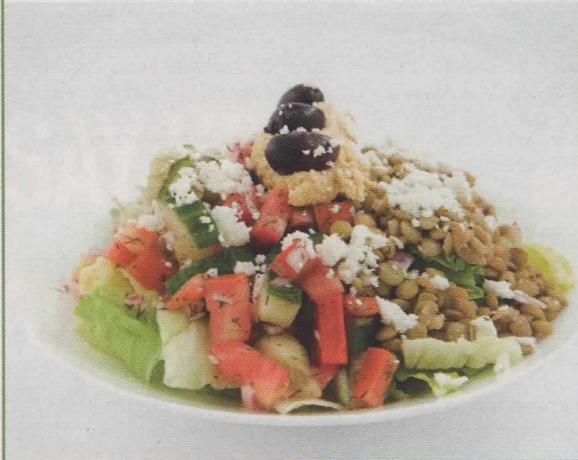

**RED CARDS** are used to send a player off the field, and can be issued for serious foul play, violent conduct, spitting at an opponent or any other person, denying the opposing team a goal or an obvious goal-scoring opportunity by deliberately handling the ball (the goalkeeper being an exception), denying an obvious goal-scoring opportunity to an opponent moving towards the player's goal by an offense punishable by a free kick or a penalty kick, using offensive or abusive language and/or gestures or receiving a second caution (yellow card) in the same match.

**THE PENALTY KICK:** If any of the aforementioned fouls or a defensive player commits a handball in his team's penalty box, a penalty kick is awarded at the penalty spot and all players on both teams must remain outside the penalty box during the shot. They may enter the box immediately after the shot is taken. The goalkeeper may move horizontally along the goal line before the shot is taken, but he may not come off the line until the ball is struck.

**THROW-IN:** A throw-in is awarded when the possessing team plays the ball out of bounds over the touchline.

**GOAL KICK:** A goal kick is awarded when the offensive team plays the ball out of bounds over the defensive team's goal line. After the ball is out of play, the defender or goalkeeper may place the ball anywhere within the six-yard goal box and kick the ball back into play.

**THE CORNER KICK:** A corner kick is awarded to the offensive team when the defensive team plays the ball out of bounds over its goal line. The ball is placed within the corner area and is kicked back into play by the offensive team. Players can score directly off a corner kick.
