FC | **CINCINNATI**

Dear FC Cincinnati Fans,

Reflecting on the first half of the season, it has been filled with some fantastic moments. We nearly doubled the number of season ticketholders and your continued support for FC Cincinnati has been tremendous.

However, we were blown away by another record-breaking crowd against Columbus Crew SC in our fourth-round Lamar Hunt U.S. Open Cup match. Your fervent support provided the perfect backdrop for our first official match against a team from Major League Soccer and propelled our team to pull off the upset!

As we look towards the remainder of the season, there are several events we are excited to celebrate with you. We look forward to welcoming La Liga's Valencia in July, a team from one of the top leagues in the world. Personally, our international friendly last year against English Premier League team Crystal Palace was one of my proudest moments in our club's short history, and I hope that we can once again send an international message that support for soccer in Cincinnati rivals that of other clubs around the country.

The team is working hard to capture a home playoff spot to propel us to postseason success. The changes to the roster have been made to fulfill our promise to you that we would field a team that could capitalize on the renovations to Nippert Stadium with an up-tempo, exciting brand of soccer, one that can contend for a USL title.

Much of the conversation this year has surrounded Major League Soccer's interest in FC Cincinnati. You have been part of our movement and the effort to bring MLS to Cincinnati will continue to be an emphasis for us. We are confident that by continuing to bring national attention to the Queen City through your passionate support for FCC, we will succeed in proving that Cincinnati is deserving of a major-league soccer franchise.

Thank you for your support and for being part of our FC Cincinnati family.

Sincerely,

Jeff Berding
President & General Manager

HEAD COACH

ALAN KOCH — HEAD COACH

Alan Koch joined FC Cincinnati as the Director of Scouting and Analytics and Assistant Coach in December 2016, before being named the club's second Head Coach in February 2017.

Koch spent two seasons as the head coach of Vancouver Whitecaps FC 2, taking the team from 8 wins in 2015 to 12 victories last season with a sixth-place finish in the standings. In 2016 VWFC2 won their first-ever playoff match against Colorado Springs Switchbacks FC, logging a come-from-behind 2-1 decision and then posted a 3-2 win over Oklahoma City Energy FC to advance to the Western Conference final before falling to USL Cup finalists, Swope Park Rangers.

Koch is originally from Durban, South Africa and matriculated from Westville Boys High School. Prior to joining the Whitecaps he coached at Simon Fraser University (SFU) for seven seasons, compiling a record of 126-21-7 and becoming the quickest coach in program history to reach 100 victories. During his tenure at SFU, his teams won four Great Northwest Athletic Conference (GNAC) championships, two Division II regional titles and advanced to the NCAA Division II Final Four twice. He was voted the Conference Coach of the Year six consecutive years and led his team to a NCAA Top 10 ranking every year.

An All-American at SFU, Koch played professionally in the South African first division with Reservoir Hills United. He also signed with Preussen Krefeld in the German fourth division, adding a stint with Limerick FC in Ireland's first division. Before beginning his professional career, Koch was a member of the South African Olympic Team and captained the South African Schoolboys team.

Koch graduated with his bachelor's degree from SFU in 2000 and completed his master's degree in human resources from Midwestern State University in 2005. Koch and his wife, Amy, and daughter, Aurora, currently reside in Cincinnati.

Koch holds an NSCAA Premier Diploma with distinction, a Canadian "B" license, various South African licenses, a UEFA "B" badge and is recently completed both his UEFA "A" through the Irish Football Association, and the Canadian "A" license.

LENGTH OF A MATCH: There are two 45-minute halves during the regular season. Extra time is added at the referee's discretion at the end of each half. Overtime and penalty kicks won't come into play during regular season games, but you may see games enter overtime and/or penalty kicks during the USL playoffs and tournaments.

STARTING AND RESTARTING PLAY: Kick-off is determined by a coin toss with the winning team choosing to start with the ball or which goal they would like to attack. Kick-offs occur at the start of each half, and after each goal scored. If a team scores a goal, the opposing team is given the kick-off to restart the match.

OFFSIDE: When an offensive player receives the ball while on his opponents half, he must be even with or behind the second to last defender (the last typically being the goalkeeper).

FREE KICK: This is broken into two categories, direct and indirect. A direct kick can be shot directly into the opponent's goal without touching another player. An indirect free kick is indicated by the referee raising his hand during the kick. An indirect kick can only go into the goal if it has subsequently been touched by another player before it enters the goal. The ball must be stationary for both types of kicks.

DIRECT FREE KICKS are awarded when a player kicks, trips, jumps, charges, strikes, pushes, tackles, holds or spits at an opponent, attempts to do these things, or handles the ball deliberately.

INDIRECT FREE KICKS are awarded if a player plays in a dangerous manner, impedes the progress of an opponent, prevents the goalkeeper from releasing the ball from his hands or commits any other unmentioned offense.

YELLOW CARDS are awarded as a caution or warning to a player and can be issued for unsporting behavior, dissent by word or action, persistent infringement of the Laws of the Game, delaying the restart of play, failure to respect the required distance when play is restarted with a corner kick, free kick, or throw-in, entering or re-entering the field of play without the referee's permission, or deliberately leaving the field of play without the referee's permission.

RED CARDS are used to send a player off the field, and can be issued for serious foul play, violent conduct, spitting at an opponent or any other person, denying the opposing team a goal or an obvious goal-scoring opportunity by deliberately handling the ball (the goalkeeper being an exception), denying an obvious goal-scoring opportunity to an opponent moving towards the player's goal by an offense punishable by a free kick or a penalty kick, using offensive or abusive language and/or gestures or receiving a second caution (yellow card) in the same match.

THE PENALTY KICK: If any of the aforementioned fouls or a defensive player commits a handball in his team's penalty box, a penalty kick is awarded at the penalty spot and all players on both teams must remain outside the penalty box during the shot. They may enter the box immediately after the shot is taken. The goalkeeper may move horizontally along the goal line before the shot is taken, but he may not come off the line until the ball is struck.

THROW-IN: A throw-in is awarded when the possessing team plays the ball out of bounds over the touchline.

GOAL KICK: A goal kick is awarded when the offensive team plays the ball out of bounds over the defensive team's goal line. After the ball is out of play, the defender or goalkeeper may place the ball anywhere within the six-yard goal box and kick the ball back into play.

THE CORNER KICK: A corner kick is awarded to the offensive team when the defensive team plays the ball out of bounds over its goal line. The ball is placed within the corner area and is kicked back into play by the offensive team. Players can score directly off a corner kick.
