The Fourth Official or Assistant Referee shall make note of the substitution on the UWS Game Day Roster by indicating by the players photos time in and time out. The substitute may not enter the field without the permission of the referee. Any player re-entering the game will be deemed an Ineligible Player. Any player that enters the game after the substitution allotment has been used will be deemed ineligible.

TIME

Official time will be kept on the field by the referee. Game ends after two regulation halves plus any extra time added by the referee. There is no overtime in regular season UWS matches. The stadium clock shall never be stopped except at the 45:00 and 90:00 minute marks respectively. The home team shall ensure that the scoreboard horn is muted.

3. GAMEDAY PRE-GAME TIMELINE

Referee, Assistant Referee, and Fourth Official are expected to be at the field of play one hour and thirty minutes prior to game time. The required dress for arrival and departure is dress slacks and polo type shirt.

One hour prior to kickoff, the game officials shall inspect the playing field and equipment, including the playing surface, goals, netting, match balls, corner flags and markings. In the event any problems are identified, the referee shall notify the home team field manager, who shall be responsible for correcting any problems.

After the field inspection, the Fourth Official obtains and inspects the game balls. The home team must provide at least five (5) game balls. The Referee shall return all game balls to the home team upon completion of the game.

Referee, Assistant Referees, and Fourth Official discuss any special expectations, unusual field or match conditions, special rules of competition, and any special procedures.

Fourth Official collects all game day paper work.

Thirty minutes before kickoff, one Assistant Referee collects the Game Day Roster Sheet from the home team. The other Assistant Referee collects the Game Day Roster Sheet from the visiting team. Referee inspects the Game Day Roster Sheets. If a problem is identified he shall bring it to the attention of the coach.

Thirty minutes prior to kick off or as soon thereafter as practical, the Referee, Assistant Referees and Fourth Official shall check the player's eligibility on the Game Day Roster Sheet and identify the starters and captain, inspect player equipment. Any special instructions by the referee relating to mechanics of the game should be given at this time.

PRIOR TO KICK OFF

Referee, Assistant Referees and Fourth Official and starting teams enter the field together and move to the center spot at the time specified for introductions and the National Anthem. Referee carries the match ball and Assistant referees have flags furled.

Coaches and reserve players shall enter the field and walk along the sidelines to their team benches.

Introduce officiating team to captains and conduct coin toss. (This can also be done prior to introductions if more convenient).

Assistant Referees perform final check of nets and move to touch line to take offside position and unfurl flags and hold them straight down to signal readiness to start.

Fourth Official goes to sideline and checks benches for only authorized persons on the bench.

Referee signals play to start.

DURING PLAY

During play it shall be the responsibility of the Fourth Official to record for the UWS Scoresheet the following:

Player who scored a goal and the time of the goal

Player credited with the assist

Player who received a caution and time

Player who is sent off and time

Player substitutions indicating Time In and Time Out

The Fourth Official has the responsibility of maintaining proper decorum of the players on the bench, bench personnel and particularly the coaches. However, recognize that during any match emotions can run high. This responsibility is often more difficult than refereeing the match since you must demand conformity with the league rules but must do so in a professional and non-abusive manner. The manner in which bench or coach misconduct will be dealt with should be covered very carefully in your pre-game discussion with the referee. If you feel it is necessary, file a report with the League and allow the League to impose the appropriate discipline.

If during play the Referee becomes incapacitated and cannot continue to officiate the match, the Senior Assistant Referee shall become the Referee and the Fourth Official shall become the Second Assistant Referee.

If a substitution occurs, the Fourth Official shall:

Inspects substitute's equipment

Inform nearest Assistant Referee of substitution

Display number of players to be substituted (optional)

Prevents substitute from entering field until player being substituted has left the field

The amount of extra time left in each half shall will be conveyed by the Referee to the Fourth Official. The Fourth Official will then communicate the appropriate time left in the match.

4. POST-GAME REPORTING

The Referee is required to make the following reports:

- The Official UWS Score Sheet and Game Day Roster Sheet shall be verified and signed by the Referee and returned to the home team.
- The Referee Stat Report shall be completed and returned to the home team; home team will email completed referee report to joe@uwssoccer.com
- Any supplemental USSF Referee Report that may result from any incident in a match should be emailed to joe@uwssoccer.com within 24 hours of the match. within 24 hours of the completion of the match.

5. MATCH CANCELLATIONS

AUTHORITY TO DELAY OR POSTPONE A MATCH

Once in progress, a match may be delayed or postponed due to unfavorable weather and/or other adverse conditions beyond the control of the participating teams which would make the playing of the match impractical or dangerous. Only the referee and either the League Commissioner have the authority to delay or postpone a scheduled match. The referee has final word on delays due to weather.

If the match needs to be terminated and the first half has been completed, the match will count as a complete and official match.

If a match is terminated prior to completion of the first half, the teams must contact the League Commissioner to discuss a reschedule date.

GRACE PERIOD BEFORE ABANDONING A MATCH

Because of the cost and difficulty of rescheduling a UWS match, every attempt should be made to continue the match.

Unless both teams and the referee agree to an alternate plan, teams must wait at least one hour before abandoning a match that has been delayed. The one hour grace period may be extended if there is a likelihood of resuming the match that day.

6. REFEREE FEES/OTHER REFEREE ITEMS

Referees shall be paid the following amounts:

- Referee: \$90.00
- Assistant Referee: \$60.00
- Fourth Official: \$40.00

UWS or its member teams are not responsible for travel costs incurred by the referees unless expressly approved by the league office in writing.
