CONGRATULATIONS OZZIE NEWSOME

Pro Football Hall of Fame Class of 1999

Enshrinement: August 7, 1999
Election: January 30, 1999
Presenter: Calvin Hill, former Browns' teammate
Born: March 16, 1956; Muscle Shoals, AL
Class of 1999: Ozzie Newsome, Eric Dickerson,
Tom Mack, Billy Shaw, Lawrence Taylor

Ozzie Newsome's induction into the Hall of Fame salutes one of the NFL's greatest playing careers and embellishes his standing as an outstanding contributor to the game. Ozzie's transition from his playing career to his front office duties was handled with grace and professionalism. His outstanding track record over the last four seasons in Baltimore comes as no surprise to those who know him best.

One of the first decisions Art Modell made when he moved his franchise to Baltimore was to invite Ozzie Newsome to join him to become the vice president of player personnel. "I've known Ozzie for over 20 years," Modell said. "I knew him as great player, a Hall of Fame-type athlete. He had tremendous abilities as an athlete, but he worked hard to be the best."

When Newsome retired following the 1990 season, his 13th with the Cleveland Browns, Modell invited him to join the front office. Newsome has already gained induction into three other halls of fame - the National Football Foundation's College Hall of Fame (1994), the NCAA Hall of Fame (1994) and at his beloved University of Alabama (1995).

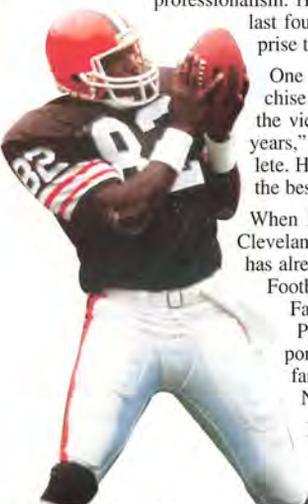

Placed prominently on the wall of Newsome's office is a sideline portrait of "Bear" Bryant. "Coach helped me grow up. He pushed me farther than I thought I could go, both on and off the field," Newsome said.

Newsome's pro career is the best of any tight end in NFL history. His 662 receptions (for 7,980 yards) are not only the most ever caught by a tight end, but the most in Browns' history. Ozzie ended his

career as the fourth leading NFL receiver of all-time. He earned three Pro Bowls (1981, 1984-85) and was a four-time winner of the Cleveland Touchdown Club's Offensive Player of the Year award (1978, 1981, 1983 and 1984). His consecutive game reception streak of 150 is the second longest in NFL history.

Newsome, who was named to the All-NFL team of the 1980's (2nd team), consistently received All-AFC and All-NFL honors throughout his career. Ozzie, 43, was a 1978 number one draft choice, along with Clay Matthews, and the two are among an elite group of Browns to play in three decades. The others are Gene Hickerson (1958-60, 62-73), Dick Schafrath (1959-71) and Don Cockroft (1968-80).

Winner of the 1990 Byron "Whizzer" White Award as the NFL's top community volunteer, Newsome is widely known for his willingness to help those in need. Ozzie, his wife, Gloria, and their son, Michael Ryan, live in Cockeysville, MD.

ART MODELL

- **Owner/CEO**
- **Born: June 23, 1925**
Brooklyn, NY
- **Purchased Cleveland Browns:**
March 21, 1961
- **Moved NFL Franchise to Baltimore**
February 9, 1996
- **39th Year in NFL**

Art Modell's franchise made news last January when Brian Billick, the former successful Vikings offensive coordinator, became the second head coach in Baltimore Ravens' history. The '99 season holds great expectations for improvement of the team under Billick's direction. "He's an impressive and intelligent man, who has prepared himself to be an NFL head coach," said Modell. "Everything we heard about Brian told us to wait for him. Everyone we talked to gave him 'two thumbs up.'"

"With the addition of Brian and his staff, we're confident we can become an annual playoff contender again," Modell explained.

At the age of 35, Modell bought the Cleveland Browns for what was then (March, 1961) an unheard of sum of \$4 million. In his 35 years of Browns' ownership, his teams played 20 playoff games, including winning the NFL Championship in 1964, plus appearances in three other NFL title contests and three AFC Championship games. Just a few weeks prior to announcing the move to Baltimore, Modell was once again one of the 60 finalists for the Pro Football Hall of Fame.

Art Modell is the person who brought the NFL back to Baltimore. It was not an easy move to make for the proud Modell. "I didn't get into this business to go bankrupt. I'm in it to win, and I couldn't continue to make the best effort to win in Cleveland with the Stadium situation we had. This is a game I love - my family loves - and we had to find a way to stay competitive."

Modell did not leave the fans of Cleveland empty handed. He left the name "Browns", the team colors and the great Browns' history. "It was important that the fans got to keep Jim Brown, Otto Graham, Leroy Kelly, Brian Sipe and the rest of that great history. That didn't happen in Baltimore with the Colts, in Brooklyn with the Dodgers, nor in other cities that have lost sports teams. It is great for the fans of the Browns and the NFL that those familiar orange helmets are back at a new Cleveland stadium."

The welcome to the Modell family by the fans of Baltimore has been overwhelming. "They instantly made us feel a part of their community, and they certainly responded to the team with their ticket commitments," Modell added. "For anyone who questioned whether Baltimore is a good NFL area, these fans answered in the two years we played at Memorial Stadium."

Art and his wife Pat (see inclusion) are the parents of John and David. John, who coordinated the installation and use of the innovative scoreboards at PSINet Stadium, is a composer/producer and president of Modular Entertainment, a music and multimedia production company. John also coordinates the Ravens' home game entertainment and schedule as the Vice President of Special Projects. He and his wife Tracy, an artist, live in Los Angeles with their son Dylan Scot (3/21/92) and daughter Isabella Sophia (4/28/98).

"Quotes"

"The first real hero I remember was in 1935, and he was a player with the Brooklyn Dodgers who played without a helmet - Roy 'Father' Lumpkin from Georgia Tech. I enjoyed all sports, but as a fan, I had a passion for football...I look back now at the NFL and marvel at the vision of George Halas, Dan Reeves, Art Rooney and the Mara family. And I have deep, deep regard and affection for the older players. Players who made this game what it is today...Players who played for the love of the sport. I'm proud to be a part of this game today."

-Art Modell on Football

WHAT OTHERS ARE SAYING

"The league has always had its share of special people. They have been the founders, owners, officials and coaches who have stayed the course over long periods of years, and who have made special contributions to the welfare of the League and its members...you are one of these special people."

—From fellow NFL owners at a special presentation in the spring of 1990

"According to the individuals who run the clubs, the NFL's most respected owner is Art Modell. Modell, they say, makes it a point to get along with the representatives of the league's many cliques and factions. He can be tough, but he plays fair. In a sense, they say Modell is the NFL."

—Los Angeles Times, Jan. 25, 1987

PATRICIA MODELL

After graduation from college (New Rochelle), Patricia Modell entered the acting profession. She soon appeared in three Broadway plays in her hometown of New York, where she also acted in over 200 live TV shows. The talented actress then moved to Los Angeles where she appeared in three series, including the long-running "People's Choice" and as Meg Baldwin in "General Hospital."

Patricia also acted in other TV shows and movies. She retired from show business in 1969, married Art Modell and moved to Cleveland with her two sons. Pat quickly became an important part of her new home, dedicating her time and energy to a variety of important projects. She co-chaired major fundraisers for the Hospice of the Western Reserve and the Diabetes Association of Greater Cleveland. She also helped raise funds for the Make-A-Wish Foundation, the Playhouse Square Foundation, the Cerebral Palsy Association, Ursuline College, the Cleveland Musical Arts Foundation and the Cleveland Ballet.

Since arriving in Baltimore, Patricia has joined the boards of the Kennedy Krieger Institute, the Walters Art Gallery and the Baltimore Symphony Orchestra, helped establish and direct the Ravens' Foundation for Families, and co-chaired (with Art) a major fundraiser for Cystic Fibrosis. Like her husband Art, and sons David and John, Patricia Modell believes in getting involved in the community.

DAVID MODELL

- President and Chief Operating Officer
- Born: August 16, 1961
Los Angeles, California
- 23rd Year NFL

Soon after being appointed president and chief operating officer, David Modell addressed Ravens' associates with the following: "Our number one goal is to win. This oversimplification cannot be restated often or loudly enough as it will shape every decision and action this organization takes."

One of David's organizational goals is to make the Ravens the best sports entertainment company in the country - on and off the field. "Our franchise's mission statement reads: 'We will set the standard for excellence in competition, excellence in business practices and excellence in customer satisfaction,'" the younger Modell explained. "Everybody in this organization should strive to meet that standard. We're working hard, and we'll keep getting after it."

"Just as Brian (Billick) and the team must pay attention to detail, so must all of our associates," said David. "You have to have a vision, but set realistic goals. You have to communicate effectively internally, as well as externally, and hold everyone accountable. This organization will continue to embody my father's philosophy of being first-class in every way."

The past year has been a busy one for David. He spearheaded the search to hire the Ravens' new head coach, Brian Billick. "I asked David and Ozzie Newsome (vice president of personnel) to find the best candidate, and they did the most thorough head coaching research I've seen," Art Modell said.

David was a key player in the innovative agreement with PSINet that set a new standard in the marriage of professional sports and a commercial entity. He coordinated the opening of PSINet Stadium in 1998, which included a three-day football festival in downtown Baltimore that attracted over 100,000 fans.

Since he arrived in Baltimore in 1996, David has been extremely active in the Baltimore community. From leading the effort to find the team name, colors and logos, to helping a number of important local groups raise money to better the area, Modell hit Baltimore running.

"Community involvement was a hallmark of Art Modell's franchise in Cleveland, and we're trying to do the same here. My father and mother (Pat) set the example. They not only recognize where they can help, they get things done. I'm fortunate to be able to follow their lead," David said.

Along with his family, the Ravens are the priority in David's life. "I love to go to work with these great associates at the Ravens. I love this organization, and that bond will grow as we share future victories. It's great to be part of something like this," David added.

When the team arrived in Baltimore in 1996, David coordinated a fan vote through *The Baltimore Sun* to select the team nickname - the Ravens. Working with staff, NFL Properties and Baltimore area focus groups, he directed the process to select the team colors and uniform design. "It was a collaborative effort. The fans got involved, my family, obviously Art, plus many members of the organization." Last Spring, David once again involved the fans in the vote for the new Ravens' logo.

No person in the Ravens' organization has more hands-on experience in as many different areas of the company as 38-year-old David Modell. Starting in Cleveland Stadium and game-day operations when he was 14, David has had experience in every phase of the team except playing and coaching. He worked in the team's ticket office, public relations department and started the marketing division in 1985.

As the Ravens' president and chief operating officer, he runs the club's daily operations and is involved in every aspect of the team from helping to hire Brian Billick, to negotiating player contracts, to writing guidelines for game-day help, and coordinating the grand opening of PSINet Stadium. David also serves on the NFL's Stadium and Expansion Committees.

David made his mark with the franchise and in league circles with the work he did marketing the Browns. The younger Modell started a marketing department in 1985 and developed a series of programs that enhanced the team's image and provided needed revenues. Other teams have copied some of David's innovations, including team television productions (weekly shows and preseason games produced by the team rather than selling those rights) and an elaborate training camp magazine that is distributed to fans. The team's original television ventures were both produced and sold by Modell.

"At a time when most teams were wondering whether they should have a marketing department, David had ours up and running and setting a pace that a number of franchises have since followed. I'm very proud of his production and creativity," Art Modell said.

Modell is an active member of five Baltimore boards of directors: the United Way of Central Maryland, the Port Discovery Children's Museum, Father Martin's Ashley, the University of Maryland Medical System's Shock Trauma and the Maryland Public Television Foundation. David is also the chairman of the Ravens Foundation for Families.

In Cleveland, Modell was President of the Diabetes Association of Greater Cleveland, and he headed its development fundraising. He was a member of the Board of Trustees for the Cleveland Urban League and the Convention and Visitors' Bureau. Modell also worked with the Lake County Boy Scouts Association and served on the Visiting Committee of the Athletic Department at Case Western Reserve University.

As a 14-year old student, David worked Browns' games as a member of the grounds crew. In the next few years, he spent time as a front office aide and training camp intern. After graduating from the The Gunnery School (Washington, CT) and attending Wittenberg University, Modell joined the Browns in a full-time capacity in the team's ticket office (1981-82). He then worked two years as the front office manager for the Fernwood Inn, a resort in the Pocono Mountains (1982-84) before returning to Cleveland in October of 1984.

Modell's wife Olwen, an attorney, serves on the board of the Ravens Foundation for Families and Baltimore's House of Ruth (homes for abused women). In Cleveland, she was a member of Youth Visions (formerly Big Brothers and Big Sisters) and Starting Point (child care referral). Olwen and David are parents of daughters Breslin Ebright (2/5/90), and Collier Honora (10/6/93), and sons Arthur Edward (11/23/91) and David Orrick Jr. (9/25/96). The Modells live in Owings Mills.

RAVENS FOUNDATION FOR FAMILIES

The Ravens believe that the health of families in this region ought to be better because of the team's presence.

Players and coaches donate their time to appear on behalf of charitable causes, as well as providing motivational mentoring for youth groups. The team donates autographed equipment for auctions to assist those helping youth, and the Ravens Foundation for Families (501c3) carefully places grants to organizations working to create opportunity for youth and strength for their families.

The Baltimore Ravens' players, coaches, staff and foundation are working for people. We invite you to join us.

JOHN MODELL

- Vice President of Special Projects
- Born: January 25, 1960
Los Angeles, California
- California Institute of the Arts

John Modell, who was named Vice President of Special Projects last February, spearheads the Ravens' mission to provide the best in-stadium game entertainment in professional sports. Modell, 39, is the eldest son of Art and Pat Modell and is president of Modular Entertainment, a music and multi-media production company in Los Angeles.

John was involved in the design and realization of the new SMARTVISION video boards at PSINet Stadium. The two high-resolution video screens are made up of over nine million LED's and measure 100' x 24' each - the largest in any sports venue. Incorporating graphics, scoring information and cutting-edge video into a multi-functional format, these screens were the first of their kind in the world.

"We've tapped into some of the finest talent from the video and film industry to create the bold visual look of the content seen on the SMARTVISION boards," said Modell. "Along with a great sound system, we provide premium in-stadium entertainment - that's what our fans deserve and have come to expect."

Also working to bring other kinds of entertainment to PSINet Stadium, John played a key role in securing the HFStival, a day-long concert last May featuring top modern rock acts. The concert was a sellout with over 75,000 tickets purchased in just 88 minutes, the most tickets ever sold by TicketMaster in that short of time.

Modell majored in music composition at the California Institute of the Arts (Cal Arts). Prior to that, John attended high school at University School in Cleveland, where he lettered at defensive tackle.

John, a composer and producer, is the author of the Ravens' Fight Song (see below). He and his wife, Tracy, an artist, are the parents of Dylan Scot (3/21/92) and Isabella Sophia (4/28/98).

RAVENS' FIGHT SONG

*Flying High,
Fierce pride in our eye -
The Ravens of Baltimore.*

*On dark wings we fly,
Honor bound for the sky -
Over Maryland we'll always soar.*

*For Glory we vie,
And our town will stand high -
To our foes we say, "nevermore!"*

*'Cause it's FIGHT, FIGHT
With all of our might -
For our old Baltimore!*

OZZIE NEWSOME

- Vice President of Player Personnel
- Born: March 16, 1956
Muscle Shoals, AL
- 9th Year Personnel
- 22nd Year NFL

Ozzie Newsome's induction into the Pro Football Hall of Fame with the Class of 1999 caps a brilliant playing career. His contributions to the game continue; the transition between a legendary playing career to front office administrator has been remarkable if viewed by an outsider. However, those familiar with his work ethic, regard for others and his intelligence for the game, can comprehend what he has accomplished. After the ceremonies in Canton are over in August, it is in the draft room and weaving through the intricacies of the NFL's salary cap where Ozzie will keep getting attention.

One of the first things Art Modell did when he moved his franchise to Baltimore was invite Ozzie Newsome to join him to become the vice president of player personnel. "I've known Ozzie for over 20 years," Modell said. "I knew him as a great player, a Hall of Fame-type athlete. He had tremendous abilities as an athlete, but he worked hard to be the best."

When Newsome retired following the 1990 season, his 13th with the Cleveland Browns, Modell invited him to join the front office as a special assignment scout. Two years later, "the Wizard" was promoted to assistant to the head coach/offense-pro personnel. "I had to find out what direction my career would go," Newsome said. "Art gave me the opportunity to work with the coaches, and I enjoyed that. At the same time, I increased my experience with the personnel department and decided that's where I wanted my career to head."

In 1994, Newsome was named the team's director of pro personnel. While he continued to help on the field, Newsome provided detailed studies on other NFL players and recommended players the team should try to acquire. "I've seen some former players who can't make the transition to the front office. That's not been the case with Ozzie. He attacks his job the same way he became a great player - by working harder than those around him and learning everything he needs to know to be successful," Modell added.

"Drafts are exciting," Newsome explained. "They remind me of getting ready for a big game, like the Steelers or a playoff game. We feel pretty good about the players we acquired over the last four drafts and through free agency." The first draft choice under Newsome's direction was Pro Bowl left tackle Jonathan Ogden, who headed a strong Ravens' group that included Pro Bowl middle linebacker Ray Lewis, cornerback DeRon Jenkins and return specialist/receiver Jermaine Lewis, who made his first Pro Bowl last season. In his second draft, Newsome picked linebackers Peter Boulware and Jamie Sharper, along with safety Kim Herring - and all three started all or parts of their rookie seasons. Boulware was a consensus choice for the NFL's 1997 Rookie of the Year.

A GLANCE AT OZZIE NEWSOME'S PLAYING CAREER

- The NFL's all-time leading pass catching tight end with 662 receptions for 7,980 yards.
- The Browns' all-time leader in receptions and receiving yardage, and is 12th on the Browns' all-time scoring list with 294 points (49 TDs: 47 receiving, two rushing).
- Holds the Browns' top three single-season reception marks (89 in both 1983 and 1984, and 69 in 1981).
- Ozzie never missed a game, and did not fumble in his last 557 attempts.
- A three-time Pro Bowler (1981, 1984-85).
- Ended his career in fourth place among the NFL's all-time receivers. Is 14th entering 1999.

In 1998, Newsome coordinated the selections of cornerback Duane Starks and receiver Patrick Johnson with the team's first two picks. Starks tied for the NFL's interception lead among rookies (equalling Charles Woodson's five thefts) and started eight games. Johnson showed flashes of his great speed, returning a kickoff a team-record 97 yards for a touchdown against the Vikings last December.

Following last season, the Ravens had six players selected to play in the Pro Bowl. Only the Super Bowl Champion Denver Broncos had more players chosen. The Pro Bowl players included Jonathan Ogden, Ray Lewis, Bennie Thompson, Michael McCrary, Jermaine Lewis and Peter Boulware. Four of them were Newsome's draft choices and McCrary was signed from Seattle as an unrestricted free agent in 1997.

This past draft saw Ozzie select Arizona CB Chris McAlister with the 10th pick in the first round. When the draft was over, the Ravens found themselves with a total of four college players, four NFL veterans and an extra first round pick in the 2000 NFL Draft. The Ravens did just about everything: standing pat, trading for a pick (Atlanta's first-round choice in 2000), trading for established veterans (QBs Scott Mitchell and Tony Banks, plus OL Everett Lindsay and TE Lovett Purnell) and using their final choice on a potential blue-chipper (S Anthony Poindexter, who was expected to be a first-round pick before an injury in his senior season at Virginia ended his collegiate career).

"I've received some credit for the players we've picked during our four years in Baltimore, but it is a collective effort. Phil (Savage, director of college scouting) and our scouts, James (Harris, director of pro personnel) and John (Wooten, assistant director of pro personnel) all have a voice and contribute in a significant way."

Newsome has already gained induction into three other halls of fame - the National Football Foundation's College Hall of Fame (1994), the NCAA Hall of Fame (1994) and his beloved University of Alabama (1995). Placed prominently on the wall of Newsome's office is a sideline portrait of Paul "Bear" Bryant. "Coach helped me grow up. He pushed me further than I thought I could go, both on and off the field," Newsome said.

Newsome's pro career is the best of any tight end in NFL history. His 662 receptions (for 7,980 yards) are not only the most ever caught by a tight end, but the most in Browns' history. Ozzie ended his career as the fourth leading NFL receiver of all-time. He earned three Pro Bowls (1981, 1984-85) and was a four-time winner of the Cleveland Touchdown Club's Offensive Player of the Year award (1978, 1981, 1983 and 1984). His consecutive game reception streak of 150 is the second longest in NFL history.

Newsome, who was named to the All-NFL team of the 1980's (2nd team), consistently received All-AFC and All-NFL honors throughout his career. Ozzie, 43, was a 1978 number one draft choice, along with Clay Matthews, and the two are among an elite group of Browns to play in three decades. The others are Gene Hickerson (1958-60, 62-73), Dick Schafrath (1959-71) and Don Cockroft (1968-80).

Winner of the 1990 Byron "Whizzer" White Award as the NFL's top community volunteer, Newsome is widely known for his willingness to help those in need. Ozzie, who still works out every day, his wife, Gloria, and their son, Michael Ryan, live in Cockeysville.

"Quotes"

"Aside from Ozzie's production on the field, the qualities that make a player so special are dependability and availability, and Ozzie Newsome was always there when the bell rang."

-Steelers' Head Coach Bill Cowher

"Over the years, there was no one better. I am thrilled for him, as he is exactly what the Hall of Fame stands for."

BRIAN BILLICK

- **Head Coach**
- **Born: February 28, 1954**
Fairborne, OH
- **1st Year w/Ravens**
- **21st Year Coaching**
- **8th Year NFL**
- **Brigham Young University**

Brian Billick became the second head coach in Baltimore Ravens' history last January when he accepted a six-year contract from owner Art Modell. Billick, the highly successful offensive coordinator for the Minnesota Vikings the last five years, directed a Vikings' attack that set a variety of NFL and team records.

"When we began our search, we couldn't talk with Brian because his team was in the playoffs," Modell said. "Instead, we talked with 28 people who had some direct association with Brian."

"Everything we heard about Coach Billick told us to wait for him," explained David Modell, the Ravens' president. The younger Modell and Ozzie Newsome, the Ravens' vice president of personnel, helped Art during the head-coaching search. "We talked with everybody from the person who introduced Brian to his wife Kim, to Dennis Green, to Tony Dungy, to Bill Walsh. All of these people painted a picture of a person and a coach ready to take the next step up in the NFL."

Billick believes he's ready for his new challenge: "I've prepared to be an NFL head coach, and I'm ready. I looked at the Baltimore situation and decided this would be the best for me. I like the ownership, Mr. Modell's history of winning and his commitment to win again. He's an icon in the league. I like the young talent on this team. I think Ozzie and his staff do a great job with personnel. Plus, I liked what I saw at the stadium when the Vikings played here last December. That facility is the best, and, despite the Ravens being out of the playoff hunt, the crowd was very supportive and into the game. You couldn't help but notice that."

"I was very fortunate," Billick added. "Usually there is one 'hot' coordinator and one job available. I had other opportunities, but I picked here."

Billick, 45, was the architect of a Minnesota offense that last season shattered the NFL record for most points scored in a season (556), breaking the old mark (541) set by the 1983 Washington Redskins. The '98 Vikings scored 53 of 56 times they were inside the 20. In their two playoff games, the Vikings scored 41 points against the Arizona Cardinals and 27 against Atlanta in the NFC Championship game. Minnesota tied for the NFL lead with 41 touchdown passes, shattering a team mark, and scored over 100 points in each quarter for the first time in team history. Minnesota ranked second in the NFL (behind San Francisco) with a team-record 6,262 total net yards and first in the league with 4,328 yards passing. QB Randall Cunningham, who signed with the Vikings on April 11, 1997, played in five games that season, and entered the '98 season as a backup to Brad Johnson (now a Redskin). But a broken leg suffered Sept. 13 sidelined Johnson, and Cunningham emerged as one of the league's great comeback stories. He led the NFL with a 106.0 QB rating and set a Vikings' record with 34 TD passes. Cunningham's favorite target was rookie WR Randy Moss, who burst onto the NFL scene with 17 TD receptions to earn Pro Bowl and All-Pro accolades. C Jeff Christy (first team), T Todd Steussie (second team) and WR Cris Carter (second team) also made the Pro Bowl. Christy and Steussie also earned second-team All Pro honors.

Over his five full seasons, Billick guided the Vikings into the top five in the NFL in yards per game, passing yards per game, completions and third down conversions. Under Billick's guidance, the Vikings recorded their top three offensive seasons (1998, 1995 and 1994), and five of the top 10 offensive seasons in team history. Most importantly, the Vikings advanced to the playoffs all but one season (1995) during Billick's tenure. Minnesota played postseason games in 1993-94 and 1996-98.

"He's not an overnight success," said Vikings' head coach Dennis Green. "We were a consistent team for a long time. We've been in the top five or six in offense for a long time. We've dealt with a lot of different quarterbacks and injuries. We've had to break in new coaches to our system. He's been very consistent over a long haul." Billick joined the Vikings in 1992 as tight ends coach. "When he came here, Brian was the only guy with a computer, and now all the coaches use them," said Green.

Brian was named offensive coordinator three games into the 1993 season, and Minnesota's production increased dramatically: the Vikings went from 264.8 yards per game over the first six weeks of the season to a 323.3-yard average over the final 10 games. During a three-game winning streak that propelled the Vikings into the playoffs, the offense averaged over 21 points and 351 yards per game. In Billick's first full season as offensive coordinator in 1994, the Vikings finished second in the NFL in passing yards (4,324) – now the third-most in team annals. Minnesota won the NFC Central Division title, but lost to the Bears in the first round of the playoffs.

In 1995, the Vikings failed to qualify for the postseason, but the offense scored a then-team record 412 points and gained 5,938 yards. WR Cris Carter set a Vikings' record with 17 TD receptions (recently tied by Randy Moss). QB Warren Moon set a then-team mark with 33 TD passes (most recently snapped by Randall Cunningham's 34). The 1996 Minnesota team qualified for a Wild Card berth with a 9-7 mark, as Cris Carter grabbed 96 passes and Jake Reed placed second in the NFL with 1,320 receiving yards. Brad Johnson established himself as one of the game's top quarterbacks as he finished third in the NFL with an 89.4 QB rating. Johnson threw 17 TD passes in only eight starts. The Vikings once again made the playoffs in 1997, qualifying as a Wild Card with a 9-7 record. The Vikings lost starting quarterback Brad Johnson and center Jeff Christy in the middle of the season. Johnson finished fourth in the NFC with an 84.5 QB rating and threw 20 TD passes despite missing three games. RB Robert Smith set team records for rushing yards in a season (1,266), 100-yard games (six) and finished third on the team with 37 receptions. Minnesota's rushing attack finished second in the NFC with 2,041 rushing yards. They defeated the Giants 23-22 in the Wild Card round, before dropping a 38-22 game at San Francisco in the Divisional Playoffs.

Prior to his appointment with the Vikings, Brian was a Stanford assistant from 1989-91 under Green. He helped in the development of wide receivers Ed McCaffrey, Chris Walsh and tight ends Ryan Wetnight and Jim Price. All four went on to NFL careers. Prior to Stanford, Billick spent three seasons as offensive coordinator at Utah State (1986-88). Brian helped develop QB Brent Snyder, who set school passing marks with 2,887 yards in 1987 and 3,218 yards in 1988. When he arrived at Utah State, the team was ranked 107th out of 108 NCAA Division I-A teams offensively. In his final two seasons as coordinator, the Aggies ranked in the top 10 in total offense.

Brian coached receivers, tight ends and quarterbacks at San Diego State from 1981-85 and held the added responsibility as recruiting coordinator. Aztec QB Todd Santos set all-time NCAA passing records during Billick's tenure. Brian also coached current Ravens' WR Webster Slaughter and TE Rob Awalt (the NFL's rookie of the year in 1987). "San Diego State gave me a great chance to learn from a good offensive mind like Doug Scovil, to learn what it meant to coach, to be a professional," Billick said. "Doug wasn't particularly interested in doing a lot of administrative things, so I absorbed a lot of those and continued to learn what an organization needs to do to function."

Brian began his coaching career as an assistant at the University of the Redlands in 1977, while helping coach a local high school team at the same time. He spent the following year (1978) as a graduate assistant at Brigham Young University. At BYU, he worked with tight ends and the offensive line. Following that season, Brian was assistant director of public relations for the San Francisco 49ers in 1979-80. Two years earlier (1977), Billick had been drafted by the 49ers in the 11th round, was released and had a brief stint with the Dallas Cowboys. Brian earned All-Western Athletic Conference honors and honorable mention All-America in 1976 as a tight end at Brigham Young University. In 1976, he caught 20 passes for 338 yards and a touchdown. Brian played linebacker at Air Force as a freshman before transferring to BYU.

Since arriving in Baltimore, Billick has made an abundance of appearances to help the community, including presentations for the United Way, the Baltimore Teachers' Association and the Maryland Coaches' Association. Billick was born in Fairborne, OH on Feb. 28, 1954, but grew up in Redlands, CA. He is the fourth of five children. Billick earned three letters in both football and basketball at Redlands High School. He was a Helms Scholar-Athlete as a senior. Brian earned a B.A. in communications from BYU, where he also pursued a master's in communication. He and his wife Kim (who used to work as an assistant to Tex Shramm of the Dallas Cowboys) have two daughters: Aubree (3/5/84) and Keegan (6/26/89).

MARVIN LEWIS

- **Defensive Coordinator**
- **Born: September 23, 1958**
McDonald, PA
- **4th Year w/Ravens**
- **19th Year Coaching**
- **Idaho State**

Marvin Lewis is in his fourth year with the Ravens as defensive coordinator. The Ravens' young defense has steadily improved during Marvin's tenure. Last season, the defense permitted 20 or fewer points in nine games and 17 or less in eight games. Lewis was the only coach retained from last year's staff by new head coach Brian Billick.

Marvin has helped mold defensive stars LB Ray Lewis (a Pro Bowl choice last season), LB Peter Boulware (a Pro Bowl "need" player and first alternate), DE Michael McCrary (a Pro Bowl starter who set a team and personal mark with 14.5 QB sacks last season) and CB Duane Starks (Baltimore's first round choice in the 1998 draft).

The steady improvement has seen the Ravens improve in points-allowed-per-game in each of Marvin's three seasons as coordinator. Last year, they ranked 16th in the NFL by allowing an average of 20.9 points per game. In 1997, Baltimore ranked 18th (21.6) and in 1996, the Ravens were 29th (27.6).

Lewis spent four seasons with the Pittsburgh Steelers (1992-95) coaching some of the best linebackers in the NFL, including Pro Bowlers Kevin Greene, Chad Brown, Levon Kirkland and Greg Lloyd. From 1993-95, the Steelers' defense ranked among the top three in the NFL each season. Of Pittsburgh's 97 sacks in two seasons ('94-95), the linebackers made 63.5, including 37.5 of a team record 55 sacks in '94.

Lewis, 41, is in his 19th year in coaching. He began his career coaching linebackers at his alma mater, Idaho State (1981-84). The Bengals finished 12-1 in Marvin's first season and won the NCAA

Division I-AA championship. Lewis spent two years (1985-86) at Long Beach State before taking a post at New Mexico (1987-89), where he tutored inside linebackers the first two years and moved to the outside in '89. In 1990, he accepted a position coaching outside linebackers at Pittsburgh (1990-91).

Marvin received his bachelor's degree in physical education from Idaho State in 1981 and his master's in athletic administration in 1982. He earned All-Big Sky Conference honors (1978, '79, '80) as a linebacker and also played quarterback and free safety during his college career.

Lewis attended Fort Cherry H. S. in McDonald (PA), where he was an all-conference quarterback and safety, and earned letters in wrestling and baseball. He and his wife, Peggy, have two children: daughter Whitney (14) and son Marcus (9). They reside in Finksburg.

COACHING BACKGROUND: 1981-84 (Idaho State); 1985-86 (Long Beach State); 1987-89 (New Mexico); 1990-91 (Pittsburgh); 1992-95 (Pittsburgh Steelers); 1996-98 (Baltimore Ravens).

"Quotes"

"We need to be an efficient unit that doesn't make many mistakes. This team reminds me of 1993 in Minnesota. We were second in the NFL in rushing in 1992, but we lost three offensive linemen. Then Terry Allen went down. And Robert Smith had every ailment known to mankind. But we continued to evolve."

- USC

Jack Del Rio joins the Ravens as linebackers' coach after spending the last two seasons with the New Orleans Saints, 1998 as linebackers' coach and 1997 as assistant strength and conditioning coach.

Del Rio tutors a position regarded by many to be an area of strength, with Pro Bowl MLB Ray Lewis, Pro Bowl alternate and 1998 Defensive Rookie of the Year Peter Boulware, Jamie Sharper, Tyrus McCloud and Cornell Brown.

An 11-year NFL veteran, Jack was a third-round choice of the Saints in 1985. He earned the Saints' Rookie of the Year honors in 1985 and was named to the PFWA All-Rookie team. Jack and his wife, Linda, have four children: Lauren, Hope, Aubrey and Luke.

"I worked with Jack when he was a player for the Vikings, and he'll bring the unique perspective of playing 11 years as an NFL linebacker to our relatively young group," said Billick. "I think that background will be an invaluable resource for players like Ray Lewis, Peter Boulware and Jamie Sharper, along with our other young veterans."

JEFF FRIDAY

- Strength and Conditioning
- Born: October 11, 1966

Jeff Friday takes charge of the Ravens' weight room and conditioning program after spending the last three seasons as the Minnesota Vikings' assistant strength and conditioning coach.

"Jeff knows the system we want to use," said Ravens' head coach Brian Billick. "If you look at the Vikings' teams in recent years, you see that they were in outstanding condition, they were strong, and they were relatively healthy late in the season."

Friday joined the Vikings as assistant strength coach in 1996 after four years in the same capacity at Northwestern University. While with the Wildcats, Jeff worked primarily with the men's and women's basketball teams, although he helped develop the football squad that won the Big Ten title in 1995.

Jeff spent two years as the assistant strength and conditioning coach at Illinois State while he worked on his master's degree in exercise science. He earned a bachelor's degree in physical education from the University of Wisconsin-Milwaukee.

PHIL SAVAGE

- Director of College Scouting
- Born: April 7, 1965
Mobile, AL
- 9th Year NFL
- University of the South

Phil Savage is in his fourth season as director of college scouting and ninth year with Art Modell's franchise. Phil's promotion from the scouting ranks came with the team's move to Baltimore. Savage manages the team's college scouting department and, with his staff, coordinates the evaluation of hundreds of college prospects across the country.

The 1999 NFL draft saw Savage and the scouting department solidify an already improved secondary. For the second year in a row, the Ravens selected a cornerback, Chris McAlister of Arizona, with the 10th pick of the first round. After a flurry of pre-draft and draft day trades, the team made three more selections: OL Edwin Mulitalo of Arizona, WR Brandon Stokley of SW Louisiana and SS Anthony Poindexter of Virginia.

Under the direction of Vice President of Player Personnel Ozzie Newsome, Savage and his staff held highly successful drafts in '96, '97 and '98. Four players the team has drafted since moving to Baltimore earned trips to last year's Pro Bowl: T Jonathan Ogden (D1a '96, UCLA), LB Ray Lewis (D1b '96, Miami), WR/KR Jermaine Lewis (D5 '96) and 1997 Defensive Rookie of the Year, LB Peter Boulware (D1 '97, Florida State). 1998 first round pick, Duane Starks tied for the NFL rookie interception lead (5) with the Raiders' Charles Woodson.

Phil joined Cleveland in '91, after a month-long stint as tight ends/running backs' coach for the San Antonio Riders of the World League. His first three years with the Browns' coaching staff were spent as an assistant to former defensive coordinator Nick Saban (now head coach at Michigan State). The following year, Phil took on added duties in the personnel area when he began scouting college players, while continuing to break down coaching film and compiling scouting reports on upcoming opponents.

Savage, 34, launched his coaching career at the age of 21, when he served as a graduate assistant at Alabama under Bill Curry in 1987. From 1988-89, he coordinated the projects of other Alabama graduate assistants, plus coached the tight ends. In 1990, Savage followed Alabama offensive coordinator Homer Smith to UCLA, where he coached tight ends, analyzed opponent game video and helped with administrative duties for the Bruins' offense.

Savage played football and baseball at the University of the South (Sewanee, TN) and earned a B.A. in English. As a senior, he was selected as the school's Fellowship of Christian Athletes' Male Athlete of the Year. He received a master's in physical education from the University of Alabama. One of Phil's offseason projects includes holding a football skill camp for high school players in his hometown of Mobile, where Murphy H.S. (his alma mater) is located. One of Phil's graduates is Tennessee All-America QB Tee Martin. Phil, who is single, resides in Fairhope, AL.

JAMES HARRIS

- Pro Personnel Director
- Born: July 20, 1947
Monroe, LA
- 25th Year NFL
- Grambling

James Harris, named to the post of director of pro personnel in February of '97, is assigned the role of securing football talent from the pro ranks. Veterans added this past offseason through trades were QB's Scott Mitchell and Tony Banks, OL Everett Lindsay and TE Lovett Purnell. Free agent signings include RT Harry Swayne, WR Billy Davis, WR Webster Slaughter, RB/RS Eric Metcalf, FB Chuck Evans, RB/KR Steve Broussard and TE's Greg DeLong and Aaron Pierce. During his first two seasons with the Ravens, James brought DE Michael McCrary (1998 Pro Bowl), DT Tony Siragusa, CB Rod Woodson and RB Errict Rhett to Baltimore.

Harris spent his previous four years with the New York Jets (1993-96) as the assistant general manager and, prior to that stint, gained six years of scouting experience with the Tampa Bay Buccaneers (1987-92). At the Jets, Harris specialized in the free agent recruiting process and brought players like Neil O'Donnell, Jumbo Elliott, David Williams, Jeff Graham, Frank Reich, Matt Brock and Erik Howard to New York. His responsibilities included evaluating college and pro talent, free agent and draft preparation, scouting combines and player signings.

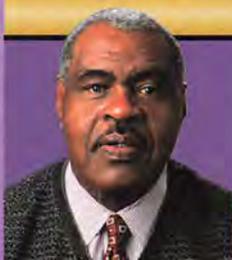

A former pro quarterback, James played for three NFL teams: Buffalo Bills (1969-71), L.A. Rams (1972-76) and San Diego Chargers (1977-81). He was drafted in the eighth round by the Buffalo Bills (1969) out of Grambling.

During his 12-year career in the NFL as a quarterback, James passed for 8,136 yards and 45 touchdowns. He led the NFL with an 89.8 pass rating in 1976 and was named MVP of the 1975 Pro Bowl, rallying the NFC to a 14-13 victory with two touchdown passes. His best day came against Miami in 1976 with 17 completions in 29 attempts for 436 yards and two touchdowns.

Harris was coached by college football's winningest coach, Grambling's Eddie Robinson. The Tigers won back-to-back SWAC titles in 1967 and 1968. James was named MVP of the 1967 Orange Blossom Classic. He earned a bachelor's degree in education and was subsequently nominated as a distinguished alumni for his contributions to American society during his NFL career. Harris was inducted into the SWAC Hall of Fame and the Grambling Athletic Hall of Fame. Last June, James was inducted into the Louisiana Sports Hall of Fame. Nicknamed "Shack," James attended Carroll (Monroe, LA) High School. He and his wife, Vicki, live in Owings Mills.

It's A Fact...

The 1999 draft will be remembered as the draft that included three black quarterbacks selected in the first round (Donovan McNabb, Akili Smith and Daunte Culpepper). In fact, that equals the number of black quarterbacks taken in all previous first rounds in NFL history. One of the NFL's first black quarterbacks is James Harris, who played for the Bills, Rams and Chargers, and now serves as the Ravens' Pro Personnel Director. Harris played for the legendary Eddie Robinson at Grambling. He was drafted in the eighth round by Buffalo, and then went on to beat out five other QBs. "It used to be, if there were 10 great black quarterbacks coming out of high school, six would be switched (to another position), two weren't good enough and the two others would play in option offenses," said Harris. "They didn't get four years of making decisions in a pro-style offense. They hadn't developed their skills because the systems they were in didn't call on those skills. But the colleges are developing more prospects now. Now, there are guys ready to play. I'm excited about the possibility of that."

JOHN WOOTEN

- Assistant Director of Pro Personnel
- Born: December 5, 1936
Clarksville, TX
- 36th Year NFL
- Colorado

John Wooten, a 36-year veteran of the NFL, joined the Ravens in 1998 and has had valuable input regarding both the NFL College Draft and free agent evaluations over the past two seasons. He has assisted Ozzie Newsome, James Harris and Phil Savage in grading NFL and college talent during that time. Wooten began his career as a guard for the Cleveland Browns, moved into scouting, and eventually became one of the top personnel executives in the league. Sandwiched in between NFL careers was a four-year stint as a players' agent (1970-74) for athletes of three major league sports.

Prior to joining the Ravens, Wooten served six seasons with the Philadelphia Eagles (1992-97) in various capacities, including director of college scouting and director of pro personnel. While the Birds' director of college scouting, Wooten's 1995-96 drafts produced a trio of NFL All-Rookie Team selections—CB Bobby Taylor, TE Jason Dunn and FS Brian Dawkins. In '91, Wooten, with the support of Art Modell, created the NFL player programs.

John spent 17 years with the Dallas Cowboys (1975-91), in various capacities, and is widely credited with helping to rebuild the Cowboys into Super Bowl winners through key drafts and trades. During his tenure, Wooten drafted QB Troy Aikman, C Mark Stepnoski, FB Daryl Johnson and T Erik Williams. Then-head coach Jimmy Johnson credited Wooten for orchestrating trades that enabled Dallas to draft DT Russell Maryland and RB Emmitt Smith.

Wooten's stint with the Cowboys followed 10 years in the NFL as a player (1959-68). He was drafted by Cleveland in the fifth round and played nine seasons with the Browns as a starting guard. John was named to the Browns' All-Time Team by Cleveland fans in 1979. He was a member of Art Modell's star-studded 1964 World Champion team.

At Colorado, Wooten was named to the all-century team after an All-American career. He lettered in football and basketball at Carlsbad (NM) H.S.

John and his wife, Beverly, reside in Owings Mills, MD. They have two daughters: Gina and Lynette, and one son, John David.

Cleveland, OH
- 21st Year NFL

One of the key front office personnel for the Ravens, Kevin Byrne has been an integral part of the Modell organization for the last 18 years. Kevin was one of the important Cleveland Browns' employees Ravens' owner Art Modell invited to join his franchise in Baltimore. "Kevin has earned respect around the league and among the reporters who cover the NFL. Keeping him with the franchise was important," Modell said.

Originally from Cleveland, Byrne currently directs the Ravens' public relations, marketing, sales, ticketing and broadcasting departments. He has negotiated a number of the team's preseason television and radio contracts through the years.

Byrne coordinated with David Modell to start the team's television productions in Cleveland. The Browns were the first NFL team to produce their own preseason games and weekly TV shows. When they left Cleveland, the team was producing five weekly TV shows, including "Browns' Insider", which was nominated for a local "Emmy" for "best sports programming" three of five years (1990-94). Byrne wrote most of the Browns' television shows over a six-year span.

In 1977, his first year in the NFL, Byrne was named the league's youngest public relations director at that time for the St. Louis Cardinals. Two years later, he became the Director of Public Affairs for Trans World Airline (1979-80).

Prior to the NFL, from 1974-77, Byrne was sports information director at his alma mater, Marquette University. He worked with Al McGuire and the Warriors' 1977 NCAA basketball champions. Byrne's first job after graduation was Sports Information Director at the University of Missouri-St. Louis.

PAT MORIARTY

- Vice President of Administration
- Born: May 19, 1955
Cleveland, OH
- 7th Year NFL
- Georgia Tech

Pat Moriarty knows the inside and outside of the football business. As a former NFL player, he understands the joy of making a team, the disappointment of getting released and the importance of teamwork. Moriarty is the team's top contract negotiator and main liaison with the NFL Management Council and Players' Association.

When Art Modell moved his franchise to Baltimore, Pat became the team's chief financial officer after serving as the Browns' director of business operations. At that time, his new responsibilities included negotiating contracts and coordinating the signing of all players. "I think my background as a player, although my career was very short, plus my history in banking, helped me prepare for negotiating player contracts," Moriarty said. "I respect what the player has to go through to play at this level and his need to maximize his earnings. At the same time, I understand the organization's need to treat each player fairly and within reason."

Moriarty, who first earned a reputation in the Cleveland area for his high school athletic achievements, is a former running back for the Browns. He made the team as a free agent rookie in 1979, scoring two touchdowns and playing special teams. "I feel very proud that I played in the NFL, especially in my hometown," Moriarty said.

Moriarty is the Ravens' "capologist" - responsible for the management and strategic planning of the Ravens' salary cap. He works closely with Ozzie Newsome, helping coordinate budgets related to the franchise's football operations.

After earning all state honors in both football and track at Cleveland's Benedictine High School, Pat earned a football scholarship to Georgia Tech, where one of his coaches was Jerry Glanville. In the Tech backfield, Moriarty shared time with Eddie Lee Ivory and David Sims. He earned a degree in industrial management from Tech, and later earned his MBA at John Carroll University.

Following his graduation, Moriarty joined the banking business with Society National Bank in Cleveland. His duties included two years as a commercial credit analyst and five years as a commercial loan officer.

Pat, who serves on the advisory board for the National Aquarium (located in Baltimore), and his wife, Lynn, are the parents of three children: Kevin, 11, Laura, 8, and Katherine, 5. The family lives in Hunt Valley.

San Bernardino, CA
- **30th Year NFL**

When the Ravens began playing at PSINet Stadium in 1998, a priority was to create a first-class, fan-friendly environment. Coordinating that task, plus the opening of the facility, was Chuck Cusick, the team's facility manager.

Entering his 30th NFL season, Cusick holds the longest tenure with Art Modell's franchise, having joined the organization in 1970. As facilities manager, a position he has held since 1990, Cusick serves as liaison with the various agencies that staff PSINet Stadium, including security. Chuck also directs the upkeep of the Ravens' training facility in Owings Mills.

Prior to being named facilities manager in 1990, Cusick served as the Browns' equipment manager. Cusick replaced Morrie Kono, a pioneer in the football equipment business, as equipment manager in 1974. He was equipment chief for 16 seasons. Chuck and his staff coordinated the transport of the club's gear to London, England in 1989 after a trip to Canada in 1988. Head Certified Athletic Trainer Bill Tessendorf is in his 27th season with Art Modell's franchise. Bill and his assistants, Mark Smith (who has been with the club since 1986), and Jeremy Sykes, have earned a reputation as one of the top training staffs in the league.

Under Kent State coach Don James, Bill was a graduate assistant for a year, then took a job as an elementary school teacher in the DeKalb (IL) Public School District in 1972.

RAVENS

On Friday, March 29, 1996, Baltimore's NFL team became the Ravens.

It was only after extensive research, exhaustive panel discussions, focus groups and fan polling that the name Ravens prevailed. In the end, though, it was none other than the exuberant Baltimore football fans who voiced their opinions and named the team after a mythical bird in a famous poem.

"In there stepped a stately Raven of the
saintly days of yore;
Not the least obeisance made he; not a
minute stopped or stayed he;
...Quoth the Raven, 'Nevermore.'"

— Edgar Allan Poe, 1845

According to *The Baltimore Sun*, a record-breaking 33,748 callers telephoned their vote to Sundial, a popular feature of the local newspaper where readers can interact with the medium and express opinions by telephone. The fan poll began one day prior to the naming of the team and closed at 10 a.m. on the day of the event—a mere two hours before team officials gathered with local VIPs and fans at the Amphitheater at Harborplace to announce the results.

"The name tested very well with the people of Baltimore in all of the studies we conducted and those polls done before we came here," David Modell, assistant to the president, explained. "It gives us a strong nickname that is not common to teams at any level, and it gives us one that means something historically to this community."

The raven is a large (22-27 inches long), powerful bird known for its sleek black feathers that look almost purple in certain lighting. It's been described in various encyclopedias as a "strong, soaring flier able to perform acrobatics," and a "bird that is mentioned in myths and legends as magical" and a "soaring bird that can be taught to speak."

The three finalists in *The Sun* poll included the Ravens, Americans and Marauders. The tally was Ravens—22,463; Americans—5,635 and Marauders—5,650. The previous Sundial record of 14,249 calls was set in 1993, over a three-day period, when readers were asked to name a potential expansion NFL team and chose the name Ravens.

"Quotes"

"Eric will compete with Steve Broussard as our third-sown back. We'll put him in the mix at wide receiver, too. He's been an outstanding, big-play player at three different positions: running back, receiver and return specialist."

"Quotes"

"I believe in my ability, that I can come in and make an impact. There are people in this organization who still believe in me and that's good to know. It's A Fact...

The Baltimore Ravens' new primary logo was completed last June. The profiled head of an attacking Raven, selected by a fan vote through the Baltimore Sun over a frontal view of a Raven's head and a shield, is the new logo on the Ravens' helmets and other team gear and publications.

"The profile of the Raven's head is truly reflective of our name," team president David Modell said. "We've added some red to the eyes to give it a more menacing look. Plus, it was important for us to have the letter 'B' blended into the logo, because we are a Baltimore team and proud of that."

“Quotes”

“Chris rated as one of the five best players on our board.”

-Ravens' Head Coach Brian Billick on McAlister

“McAlister was the highest-rated defensive player on our draft board, and he was one of the seven players we hoped would still be there when we selected at the 10th spot. We all felt like if one of those blue-chippers was there, we were going to take him. He is a bigger, more physical corner who will pair up nicely with Duane Starks. When Ozzie is excited, he has a little bit of a glint in his eye, and he had it for McAlister for quite some time. He was willing to trade up to eight to get him.”

(1) Sunday, Sept. 6
Pittsburgh 20, Baltimore 13
(68,847) at Camden Yards

The Ravens lost their 1998 opener, 20-13, to the defending AFC Central champion Pittsburgh Steelers. The loss dampened the opening of Baltimore's new NFL stadium, witnessed by 68,847 fans. Missed opportunities haunted the Ravens in the loss, including three missed field goals, an errant snap on a punt that led to a Pittsburgh touchdown and dropped passes. Kordell Stewart (14 of 27 for 173 yards, one TD, two INTs) led Pittsburgh on a 12-play, 51-yard opening drive capped by Norm Johnson's 27-yard field goal. Matt Stover booted a 41-yard three-pointer to knot the game, 3-3, a score that held until halftime after a scoreless second quarter. Two interceptions (by Duane Starks and Ralph Staten) netted nothing for the Ravens, as Stover missed two 42-yard attempts. The Ravens opened the second half by driving to the Steelers' 27-yard line, but Stover's third miss kept the score tied at three. Johnson's 49-yard field goal gave Pittsburgh a 6-3 lead, and then an errant snap on a Kyle Richardson punt gave Pittsburgh a first-and-goal at Baltimore's five-yard line. Three plays later, Kordell Stewart dove over the goal line for a 13-3 Pittsburgh cushion late in the third quarter. Stewart threw a 20-yard TD pass to Charles Johnson for a 20-3 lead, but the Ravens scored 10 unanswered points (a 25-yard field goal and a 64-yard TD from Eric Zeier to Jermaine Lewis) to close the gap to 20-13 with 2:41 remaining. With no timeouts remaining, Baltimore forced a Pittsburgh punt, and Josh Miller boomed a 68-yarder that was downed at the Ravens' four with 27 seconds remaining. The game ended on a Floyd Turner 45-yard reception on Pittsburgh's 36-yard line. Starting QB Jim Harbaugh (four of seven for 33 yards) left the game midway through the second quarter with a hyperextension of his right ring finger. Eric Zeier threw for 240 yards, while completing 16 of 27 attempts. The Ravens permitted only one QB sack. Michael Jackson led all receivers with six catches for 51 yards. Erric Rhett led all rushers with 72 yards on 16 carries, while the Ravens held Jerome Bettis to 41 yards on 23 carries (1.8-yard avg.).

(2) Sunday, Sept. 13
 Baltimore 24, New York Jets 10
 (70,063) Giants Stadium

The Ravens traveled to the Meadowlands and defeated the New York Jets, 24-10, to even their record at 1-1. A valiant goal-line stand followed by a 99-yard scoring drive, a Jermaine Lewis 69-yard punt return and a Rod Woodson 60-yard interception return for a touchdown highlighted the victory. It was Baltimore's third trip to Giants stadium in five weeks (including preseason) and the Ravens finished 3-0. The Ravens jumped to a 7-0 lead when Jermaine Lewis raced 69 yards for a touchdown midway through the first quarter. It was Jermaine's third career punt return for a score (and his third in his last five games). The Jets countered with a Glenn Foley to Keyshawn Johnson four-yard TD pass to cap an 83-yard, 11-play drive at the end of the first quarter. New York drove from their own nine to the Ravens' three-yard line, facing first-and-goal. Four consecutive Curtis Martin runs, including a fourth-and-inches, were stuffed by the Ravens' defense. QB Eric Zeier then entered the game for Jim Harbaugh, who was suffering from an opening day finger injury and tendinitis, and led the Ravens on a 99-yard drive, ending with an Eric Green 20-yard TD catch to give the Ravens a 14-7 lead with 16 seconds left in the first half. Matt Stover kicked a 29-yard field goal for a 17-7 lead, but New York countered with a 20-yard John Hall field goal to make the score 17-10 at the end of the third quarter. With 8:44 remaining in the fourth quarter, CB Rod Woodson picked off a Foley pass and sprinted 60 yards for a TD and a 24-10 lead. It was Woodson's second interception on the day and his sixth career interception for a TD. CB DeRon Jenkins picked Foley off in the endzone on a pass intended for Johnson to stop a final New York threat. That was Baltimore's third second-half interception. Zeier finished with 173 yards passing, one TD, no INTs, while completing 13 of 20 passes. The Ravens converted eight of 17 third-down attempts and compiled 331 yards of offense, while limiting New York to 276 yards. The offensive line did not allow a sack, while the defense sacked Foley four times.

(3) Sunday, Sept. 20
Jacksonville 24, Baltimore 10
(67,069) at Alltel Stadium

The Ravens dropped a 24-10 game at Jacksonville to fall to 1-2 on the season. The Jaguars exploded for 519 yards of offense - 376 yards passing by Mark Brunell (the most-ever vs. the Ravens). Brunell completed 25 of 34 passes and was sacked three times. Jacksonville's rookie RB Fred Taylor set a Jaguar mark with 128 yards rushing after replacing the injured James Stewart early in the first quarter.

Brunell set the tone when he hit WR Jimmy Smith on a 44-yard pass play on Jacksonville's first offensive play from scrimmage. But on the next play, LB Ray Lewis popped the ball out of James Stewart's grasp, and the Ravens recovered. Lewis later left the game with a dislocated elbow, and was replaced by Tyrus McCloud. Stewart's injury on Jacksonville's next possession put the rookie Taylor in the game, and he responded with a 52-yard TD rush one play later to give the Jaguars a 7-0 lead. The Ravens countered with a Matt Stover 25-yard field goal, set up by Eric Green's 56-yard reception from Jim Harbaugh (who finished four of nine for 54 yards before being replaced by Eric Zeier).

The Ravens took a 10-7 lead when Zeier (13 of 25 for 189 yards, one TD and one INT) found Jermaine Lewis on a 56-yard scoring play. But the Jaguars' Mike Hollis kicked a 34-yard field goal just before the half to tie the game at 10 after two quarters. That three-pointer was set up after a 48-yard punt return by Reggie Barlow.

The Jaguars scored two third-quarter touchdowns on Brunell passes, a 72-yarder to open the second half when S Corey Harris played the ball and gambled on an interception. Smith caught the Brunell sideline pass, then turned and raced untouched to the endzone for a 17-10 lead. After a Baltimore punt, the Jaguars drove 80 yards on 14 plays, capped by a Brunell to TE Damon Jones one-yard TD pass. The closest either team came to scoring after that was a Hollis 25-yard field goal attempt that was blocked by Rod Woodson, and a pair of Zeier-to-Floyd Turner passes attempted at Jacksonville's three-yard line that fell incomplete. The loss was the Ravens' fifth in as many tries against Jacksonville.

(4) Sunday, September 27
 Baltimore 31, Cincinnati 24
 (68,154) at Camden Yards

Big plays punctuated the Ravens' 31-24 win over Cincinnati in a nationally televised Sunday night special. The victory was the Ravens' first-ever in the new stadium and evened their record at 2-2. The game featured five touchdowns over 40 yards, four over 65 and the smashing debut of running back Priest Holmes. Holmes, making his first NFL start, rushed for 173 yards and two TDs against the Bengals to win the AFC's Offensive Player of the Week Award. His yardage total was three shy of the team record, and his two rushing TDs tied a team mark. The Ravens jumped to a quick 14-0 lead in the first quarter behind Priest's three and 15-yard TD runs. Holmes gained 88 yards on the first two scoring drives. QB Eric Zeier (15 of 20 for 254 yards, one TD and no INTs for a 133.3 QB rating) connected with Jermaine Lewis on a 73-yard TD pass to give the Ravens a 21-0 second-quarter lead. It was Jermaine's longest career reception. The Bengals clawed their way to 10 unanswered points, three on Doug Pelfrey's 48-yard field goal. Michael Bankston recovered a Zeier fumble on the Ravens' 34, and six plays later, Neil O'Donnell (13 of 19 for 100 yards) found Carl Pickens in the back of the endzone on a one-yard TD pass to make the score 21-10 at the half. The game tightened when Tremain Mack returned the second-half kickoff 97 yards (tying the longest KOR ever against the Ravens), cutting the Ravens' lead to 21-17. Two series later, Lewis returned Lee Johnson's punt 87 yards for a touchdown, Jermaine's second TD of the day, his second punt return for a score this season, and the fourth in his career. Lewis won the AFC's Special Teams' Player of the Week Award for his effort. DE Michael McCrary recorded consecutive QB sacks late in the third quarter, the first one knocking O'Donnell out of the game with bruised ribs. His replacement, Jeff Blake, found Carl Pickens on the near sideline wide open for a 67-yard TD play, and the score was 28-24, Baltimore. The Ravens countered with a Matt Stover 46-yard field goal, set up with a Zeier to Michael Jackson 40-yard pass play on a third-down and seven play from Baltimore's 22. Cincinnati's potential game-tying drive stalled when CB Rod Woodson knocked down a Blake pass intended for Pickens on a fourth-and-one play from Baltimore's 32. The Ravens gained a season-high 411 net yards and allowed Cincinnati only 275 yards despite being without MLB Ray Lewis (elbow) and FS Kim Herring (shoulder). Jermaine Lewis accounted for 236 combined yards, his fifth career game over 200 yards. Pickens (7-120, 2 TDs) became the Bengals' all-time leader in receptions (419) and TD catches (54).

(5) Sunday, October 11
Tennessee 12, Baltimore 8
(68,561) at Camden Yards

The Ravens fell to 2-3 with a 12-8 loss to the Tennessee Oilers at Camden Yards. The 20 combined points scored tied a team record for the fewest points scored by the Ravens and an opponent (11/16/97 vs. Phil., a 10-10 overtime tie). Baltimore converted only one of 15 third down plays and rushed for a franchise-low 36 yards in the loss. And despite that, the Ravens had a chance to win the game on the final drive of the game, but fell short when the potential game-winning drive ended on a Blaine Bishop interception at the two-yard line.

The Ravens opened the scoring when DE Rob Burnett sacked Tennessee QB Steve McNair in the endzone for a safety in the first series of the game. McNair, who completed 17 of 29 passes for 207 yards, with no TDs and one INT for a 66.3 QB rating, raced 40 yards for a TD late in the first quarter to put the Oilers ahead, 6-2. An Eddie George two-point conversion attempt failed. Al Del Greco kicked a 26-yard field goal to make the score 9-2, a score that held until halftime.

Del Greco booted a 29-yard three pointer for a 12-2 Tennessee lead in the third quarter, but Baltimore's Matt Stover kicked a 21-yard field goal to cut the lead to 12-5. Stover hit his second field goal of the day early in the fourth quarter to make the score 12-8. After exchanging possessions throughout the fourth quarter, the Ravens got the ball with 2:02 left in the game at their own 11. Eric Zeier (25 of 44 for 249 yards, no TDs, one INT, 63.5 rating), working with no timeouts, moved the Ravens to the Oilers' 35 with 42 seconds left, but after two short passes over the middle to RB Priest Holmes, his pass with two seconds left was intercepted by Bishop at the two to end the game.

Pittsburgh 16, Baltimore 6
58,620 at Three Rivers Stadium

The Ravens lost a hard-fought defensive game at Three Rivers Stadium, 16-6, to the Pittsburgh Steelers. The loss was Baltimore's second in a row and their third defeat in three trips to Pittsburgh. The loss also extended the offense's touchdown-less streak to 10 quarters, and dropped the Ravens' record to 2-4.

RB Priest Holmes fumbled on the Ravens' second play from scrimmage after a hit by NT Joel Steed. S Lee Flowers recovered the ball on the Ravens' 40, but the Ravens' defense held Pittsburgh to a 41-yard Norm Johnson field goal. Matt Stover countered with a 41-yard field goal to knot the score, 3-3, in the first quarter. Tony Siragusa forced a Richard Huntley fumble midway through the second quarter and James Jones recovered on the Steelers' 35, setting up Stover's second field goal and giving Baltimore a 6-3 lead at halftime.

The Steelers struck fast to open the second half, as Charles Johnson turned rookie CB Duane Starks around and was wide open for a 55-yard TD reception from Kordell Stewart to give the Pittsburgh a 10-6 lead. Two series later, Eric Zeier marched the Ravens 56 yards down to the Steelers' 14, but his pass intended for WR Michael Jackson was intercepted by CB Dewayne Washington at the four-yard line and returned 43 yards to the 47. The Steelers then drove to the Ravens' 25-yard line, but Duane Starks picked off Stewart at the Ravens' 17 to end the Steelers' scoring threat.

QB Jim Harbaugh entered the game at that point, replacing Eric Zeier (17 of 26 for 173 yards, one INT). Harbaugh had little success against the Pittsburgh defense, as the Ravens went three-and-out, were intercepted and then went four-and-out. Norm Johnson kicked a 42-yard field goal to put Pittsburgh up by seven, 13-6, with 4:09 remaining. On the ensuing kickoff, Jermaine Lewis fumbled, giving Pittsburgh a first down on Baltimore's 19. Five plays later, Johnson put the game out of reach with a 40-yard field goal and a 16-6 Pittsburgh lead.

The Ravens' defense limited the Steelers to 241 total net yards, including 79 yards rushing, and sacked Kordell Stewart five times. But the Ravens' offense was equally ineffective, netting just 230 yards, 96 rushing, and committing five turnovers (one of those on special teams).

Green Bay 28, Baltimore 10
(59,860) at Lambeau Field

The Ravens faced the defending NFC Champion Green Bay Packers in Lambeau Field and dropped a 28-10 game to fall to 2-5. QB Brett Favre threw for two TDs and ran for another to lead Green Bay to the win. The Packers jumped to a quick 7-0 lead when Roell Preston returned a punt 71 yards for a touchdown on the fourth play of the game. It was the first-ever punt return for a TD against the Ravens. Later in the first quarter, Favre drove the Packers 69 yards in 13 plays and threw a four-yard TD pass to Baltimore native Antonio Freeman. After a scoreless second quarter, Favre threw a 28-yard TD strike to WR Robert Brooks on the first drive of the second half to increase the Packers' lead to 21-0. Matt Stover put the Ravens on the board with a 38-yard field goal on the subsequent possession to make the score 21-3.

After Leroy Butler intercepted a Jim Harbaugh pass at the Ravens' 27, the Packers moved 28 yards in four plays, the last four yards on a four-yard QB-keeper by Favre to make the score 28-3. Midway through the fourth quarter, Harbaugh threw a 46-yard bomb to WR Jermaine Lewis to make the score 28-10.

Baltimore managed only 11 first downs and 233 yards of offense (39 in the first half). Jim Harbaugh replaced an ineffective Eric Zeier in the second half. WR Jermaine Lewis scored his sixth TD of the season and led Baltimore with six catches for 79 yards. Rod Woodson recorded his 45th career interception and fourth of the season. The loss dropped the Ravens to 2-5 and was their third setback in a row.

(8) Sunday, November 1
Jaguars 45, Ravens 19
(68,915) at Camden Yards

The Jacksonville Jaguars scored 42 first-half points in a 45-19 thrashing of the Ravens before 68,915 fans in Baltimore. The Ravens lost a team-record four fumbles, three leading to Jacksonville TDs, and suffered a blocked punt for a TD. The defeat left the Ravens at 2-6 at the season's midpoint, while the Jaguars improved to a division-leading 6-2. Jaguars' QB Mark Brunell (13 of 20 for 237 yards, two TDs and one INT) marched Jacksonville 76 yards in six plays, capped by a 37-yard scoring strike to WR Jimmy Smith to take a 7-0 first-quarter lead. The Ravens countered with a 73-yard drive and a Jim Harbaugh to Jermaine Lewis six-yard TD pass to tie the score, 7-7. On the Jaguars next play, Brunell found rookie RB Fred Taylor on a 78-yard bomb, the longest play from scrimmage ever against the Ravens and the longest in Jacksonville history. On the Ravens' next play, TE Eric Green fumbled after a five-yard reception, and Brunell drove the Jaguars 25 yards for a TD, a Taylor one-yard rush. On Baltimore's next possession, Roosevelt Potts fumbled, setting up a Daimon Shelton two-yard rush and a 28-7 Jacksonville lead. On the Ravens' next possession, WR Alvis Whitted blocked a Kyle Richardson punt and returned the ball 24 yards for a score and a 35-7 lead. Harbaugh then hit Floyd Turner on a five-yard TD pass to complete a 74-yard drive at the end of the first half to make the score 42-13 (the two-point try failed). The scoring held until the fourth quarter, when Mike Hollis kicked a 33-yard field goal, and Harbaugh threw his third TD of the game, a three-yarder to Patrick Johnson to make the final score 45-19. The 45 points scored by Jacksonville tied for the second-most ever allowed by the Ravens, and it set a Jaguars' team record. The 42 first-half points scored by Jacksonville were seven shy of the NFL record of 49. Jim Harbaugh completed 27 of 34 passes, a team record 79.4% of his passes, three TDs and one INT for a 113.6 QB rating. Brunell's QB rating was 118.1. Jermaine Lewis scored a TD against the Jaguars for the fourth straight game. Fred Taylor scored his second and third TDs against the Ravens in the two games. LB Ray Lewis surpassed the career 400-tackle mark in only his third season. The Ravens fell to 0-6 lifetime against the Jaguars.

(9) Sunday, Nov. 8
Baltimore 13, Oakland 10
 (69,037) at Camden Yards

The Ravens snapped a four-game losing streak by defeating the visiting Oakland Raiders, 13-10. Oakland entered the contest with a five-game winning streak. Baltimore's defense limited Oakland to 10 points and scored the Ravens' only touchdown on an 18-yard interception for a score by Rod Woodson. The defense recorded five sacks, including four by DE Michael McCrary.

Woodson's interception for a TD occurred with 3:08 left in the first quarter. It was his second TD of the season, the seventh of his career, and his team-leading fifth interception of the season. QB Donald Hollas (who replaced Jeff George in the first quarter after George suffered a groin injury) led Oakland on a 12-play, 80-yard drive that ended in a Greg Davis 23-yard field goal. The drive featured a goal-line stand by Baltimore's defense (Oakland had a first-and-goal from the Baltimore three). Matt Stover countered with a 30-yard field goal at the end of the first half to give the Ravens a 10-3 halftime lead.

The Raiders tied the game early in the fourth quarter when Hollas threw a five-yard touchdown to TE Rickey Dudley. Dudley caught six passes for 105 yards and a TD. On the Ravens' next possession, Jim Harbaugh (10 of 17 for 102 yards) marched the offense 62 yards in eight plays but had to settle for Stover's second 30-yard field goal for the winning score. Oakland's final drive of the game ended when Hollis' "Hail Mary" pass into the endzone as time expired was intercepted by rookie CB Duane Starks, who was making his first NFL start.

McCrary's four QB sacks on the game set a Ravens' team record and tied his single-game high (set in 1996 vs. Oakland). McCrary ended the day with 12-1/2 QB sacks for the season. The Ravens, behind the effort of RB Priest Holmes (27 carries for 99 yards) gained more yards rushing (126) than passing (87) for the first time since 11/16/87 vs. Philadelphia (a 10-10 tie). The win was the first-ever in November for the Ravens.

The Raiders were penalized 14 times for 98 yards, including two roughing the passer penalties. "Some of my best plays today were the one I took to my jaw - that was a 15-yard penalty," said a smiling Jim Harbaugh after the game. "The one I took to my knee - that was another 15 yards. And my interception set up Woodson's touchdown. Those were my three best plays of the day."

(10) Sunday, Nov. 15
San Diego 14, Baltimore 13
 (54,388) at Qualcomm Stadium

The Ravens lost a sloppy 14-13 game at San Diego against the Chargers. The two teams combined for 30 penalties, 14 by the Ravens. The two starting quarterbacks, Jim Harbaugh and Craig Whelihan, were a combined 27 for 75 for 322 yards, and the two teams combined for only 97 rushing yards. The loss dropped Baltimore's record to 3-7, while the Chargers improved to 4-6. After a scoreless first quarter that featured a combined 23 yards of offense, Matt Stover kicked a 42-yard field goal to give the Ravens a 3-0 lead early in the second period. Whelihan, who completed 15 of 42 passes for 172 yards, threw a 47-yard TD pass to WR Charlie Jones to put San Diego ahead, 7-3, at halftime.

Harbaugh, who finished 12 of 33 for 150 yards, found Jermaine Lewis down the far sideline for a 58-yard third-quarter TD and a 10-7 Ravens' lead. The TD was Jermaine's eighth score of the season, his sixth over 50 yards (including two punt returns), his sixth TD reception of the season. Late in the third quarter, John Carney kicked an apparent game-tying field goal, but the Ravens were called for an unsportsmanlike conduct penalty when Jamie Sharper was flagged for a "leverage" penalty. The rarely called penalty gave San Diego a first down from the Ravens' 13-yard line. The Ravens' defense forced the Chargers to attempt another field goal four plays later, but Michael McCrary was flagged for the same "leverage" penalty to set up first and goal. RB Terrell Fletcher, filling in for an injured Natrone Means (fractured foot), scored from three yards out on the next play, giving the Chargers a 14-10 lead early in the fourth quarter.

With just over six minutes left in the game, Jermaine Lewis fielded a Darren Bennett punt at the 10, and raced upfield with only Bennett to beat, but the Australian-born punter was called for a tripping penalty, negating a 90-yard touchdown on the return. Seven plays later, Stover kicked his second field goal to close the gap to 14-13, San Diego. The Ravens were unable to get into field goal position on their final drive as Harbaugh's final two passes fell incomplete.

 Baltimore 20, Cincinnati 13
 (52,571) at Cinergy Field

Priest Holmes rushed for a Ravens' record 227 yards (36 carries) to propel Baltimore to a 20-13 victory in Cincinnati over the Bengals. The win was the first for the Ravens at Cinergy Field and was their second triumph in their last three games. Holmes, who rushed for a then-career-high 173 yards in a week four win vs. the Bengals, set the NFL's single-season high with his 227 yards, eclipsing Terrell Davis' 208 yards on Oct. 11 at Seattle. For the two Cincinnati games, Holmes rushed for 400 yards and three touchdowns. The Ravens' defense complimented Holmes' effort by holding the Bengals to 242 total yards, including only 58 on the ground. LB Ray Lewis had a career-high two interceptions, plus a QB sack. The Ravens scored first when QB Jim Harbaugh threw a 12-yard TD pass to FB Roosevelt Potts, capping a four-play, 73-yard drive that featured a 56-yard run by Holmes, the longest rush in team history. Ray Lewis intercepted his first pass later in the first quarter, and Harbaugh marched the offense 62 yards in 14 plays, capped by a Matt Stover 34-yard field goal for a 10-0 lead. Doug Pelfrey countered with a 40-yard field goal to put Cincinnati on the board. Holmes dove one yard for a touchdown with 11 seconds left in the first half to stake the Ravens to 17-3 lead at halftime. Holmes set up that score with a 38-yard jaunt to the Bengals' three, and he had 142 yards by halftime. The Bengals scored 10 unanswered third quarter points on Pelfrey's second field goal and a Brandon Bennett two-yard TD. Lewis' second INT at the end of the quarter led to Matt Stover's 23-yard field goal and a 20-13 lead. The Ravens ran out the final 8:27 of the game with a 16-play drive, 11 of those runs by Holmes, who churned out 53 yards to kill the clock.

 Baltimore 38, Indianapolis 31
 (68,898) at Camden Yards

Baltimore won a wild 38-31 game over the visiting Indianapolis Colts by scoring 25 second-half points and overcoming two 14-point deficits, tying a Ravens' team record. QB Jim Harbaugh engineered his 13th career fourth-quarter comeback as the Ravens outscored the Colts 17-0 in the final quarter. RB Priest Holmes gained 103 yards on 22 carries and scored two touchdowns, while Indianapolis RB Marshall Faulk rushed for 192 yards on only 17 carries (11.3-yard average) and caught seven passes for 75 yards. Faulk scored the Colts' first two touchdowns on a 34-yard reception and a 68-yard run. Colts' QB Peyton Manning threw for a career high 357 yards and three touchdowns. After exchanging field goals to open the game, Faulk staked the Colts to a 17-3 lead when he caught a 34-yard Manning pass and then raced 68 yards for a score. Faulk gained 131 all-purpose yards in the first quarter and a Colts' record 267 for the game. Jim Harbaugh (16 of 25 for 198 yards and two TDs) found seldom-used WR James Roe for a 15-yard TD to make the score 17-10 midway through the second quarter, but Manning hit WR Torrance Small for a 24-yard TD to give the Colts a 24-10 lead. Matt Stover kicked the second of his three field goals at the end of the second quarter to make the half-time score 24-13. Holmes scored his first TD midway through the third quarter on a two-yard leap, a play that was set up by a Harbaugh to Jermaine Lewis 53-yard bomb to the Colts' two. Lewis injured his ankle on the play and did not return. But Manning threw a five-yard TD pass to Jerome Pathon to complete a 12-play, 81-yard drive, giving the Colts a 31-21 lead near the end of the third quarter. Corey Harris, who had kickoff returns of 55, 19, 23, 49 and 47 yards (the last giving the Ravens possession at the Colts' 49-yard line), helped set up Harbaugh's 22-yard TD pass to another ex-Colt, WR Floyd Turner at the start of the fourth quarter. After forcing Indy out on three plays, Holmes raced 36 yards for his second touchdown and gave the Ravens a 35-31 advantage, their first lead of the game. Baltimore forced an Indianapolis punt, and Stover booted his third field goal for a 38-31 lead. On the Colts' potential game-tying drive, Manning drove the Colts down to the Ravens' 24 with 1:13 remaining, but his second down pass intended for Marshall Faulk was tipped and intercepted by Ralph Staten to seal the win. The victory was the Ravens' second straight and third in their last four games.

Tennessee 16, Baltimore 14
(31,124) at Vanderbilt Stadium

The Ravens dropped to 5-8 after a 16-14 loss to the Tennessee Oilers at Vanderbilt Stadium. The Ravens never had a lead in a game that was marred by skirmishes and penalties. Baltimore outscored the Oilers 14-3 in the second half but was unable to overcome a 13-0 first-half deficit. The Ravens limited Oilers' RB Eddie George to 63 yards on 27 carries, including a two-yard TD run that gave the Oilers a 10-0 first-quarter lead. Al Del Greco then kicked his second field goal to stake Tennessee to a 13-0 lead at intermission. The Ravens were able to generate just 42 net yards in the first half, while Tennessee managed to score on its first three possessions. The Ravens were forced to play the game without starting wide receivers Jermaine Lewis (ankle) and Michael Jackson (ankle). Starting C Wally Williams was forced to leave the game in the first quarter with a cervical sprain, and G Jeff Blackshear (groin), OT Jonathan Ogden (ankle) and Orlando Brown (ankle) were injured during the game. QB Jim Harbaugh hit WR Floyd Turner on a 66-yard scoring play on the Ravens' first second-half possession to pull Baltimore within six, 13-7. Midway through the fourth quarter, Kyle Richardson fielded a low snap and got off a 21-yard punt to give the Oilers possession on the Ravens' 36-yard line. Tennessee had to settle for Del Greco's third field goal of the day and a 16-7 lead. Harbaugh (15 of 28 for 214 yards) then engineered his most effective drive of the game, as the Ravens drove 80 yards in seven plays, including Floyd Turner's second TD reception of the half. Turner gained 42 of his game-high 108 yards on that drive. Baltimore then used all of its timeouts and forced the Oilers to punt after three plays, and gained possession on their own 18 with 1:18 remaining. After an eight-yard pass play, Harbaugh's pass intended for Floyd Turner was intercepted by Steve Jackson at Tennessee's 37, ending the potential game-winning drive. Harbaugh finished as Baltimore's leading rusher, gaining 31 yards on three carries. Turner (four catches for 108 yards and two TDs) recorded his fifth career 100-yard game (third with the Ravens) and his seventh multiple TD game. Tennessee improved its mark to 7-7 and completed a sweep of the Ravens, whose division record fell to 2-6.

**(14) Sunday, December 13
Minnesota 38, Baltimore 28
(69,074) at Camden Yards**

The Ravens turned the ball over six times, leading to 26 Minnesota points in a 38-28 loss to the 13-1 Vikings. The turnovers overshadowed an explosive first quarter that featured an NFL record three kickoff returns for touchdowns, two by the Ravens. Baltimore entered the game with a patchwork offensive line that was missing three starters (tackles Orlando Brown, Jonathan Ogden and center Wally Williams), yet the line did not permit a sack. Priest Holmes fumbled on the Ravens' first possession to set up a Gary Anderson 43-yard field goal, but Corey Harris raced 95 yards for a touchdown on the ensuing kickoff to give the Ravens a 7-3 lead. Anderson booted a 31-yarder later in the first quarter, but Patrick Johnson then raced 97 yards on the ensuing kickoff to stake Baltimore to a 14-6 advantage. On the Ravens' kickoff, David Palmer scored on an 88-yard return to make the score 14-12 (the two point attempt failed). The three kickoff returns for touchdowns set an NFL record, and the two by the Ravens tied an NFL mark. They were the first two touchdowns on kickoff returns in team history. Anderson, who set an NFL record by connecting on 34 consecutive field goals (including six in this game), put the Vikings ahead for good with a 45-yarder for a 15-14 lead. Harris fumbled the ensuing kickoff, and it took two plays for Randall Cunningham to find rookie Randy Moss for a 17-yard TD and a 22-14 lead. Cunningham completed 32 of 55 passes for 345 yards, two TDs and an INT. His attempts and completions were the most-ever against the Ravens. Another fumble (an errant snap from center) set up an Anderson 24-yard field goal to give the Vikings a 25-14 lead at halftime. The Ravens opened the second half with turnovers on each of their first two plays from scrimmage. Holmes fumbled on the first play of the second half to set up yet another Anderson field goal, and then Jim Harbaugh threw an interception to set up a Cunningham to Cris Carter 11-yard TD pass and a 35-14 Vikings' lead. The Ravens drove to the Vikings' three on their next possession, but a fourth-down pass fell incomplete to thwart the scoring threat. Harbaugh then found Floyd Turner for a 42-yard TD pass, Anderson kicked his sixth three-pointer, and Holmes scored from two yards out to complete the scoring. Turner ended with 10 receptions for 147 yards.

(15) Sunday, December 20
Chicago 24, Baltimore 3
(40,853) at Soldier Field

The Ravens lost their third straight game, 24-3, at Chicago, snapping the Bears' six-game losing streak. Three of the Ravens' starting offensive linemen (Jonathan Ogden, Orlando Brown and Wally Williams) could not play due to injuries. The Ravens rushed for a franchise-low 22 yards and managed just 176 net yards. The Bears rolled-up 189 rushing yards, including 163 by first-year running back James Allen. Allen set up two Chicago touchdowns in the second quarter with runs of 57 and 54 yards. Baltimore's first drive of the game saw a Jim Harbaugh pass intended for Michael Jackson tipped into the air and intercepted by DE John Thierry, setting up a Jeff Jaeger 20-yard field goal. The Ravens then drove to Chicago's 27, but Matt Stover's 45-yard field goal attempt was blocked by James Williams. On Chicago's next possession, Allen scampered 57 yards to the Ravens' one, and then scored on the next play to put Chicago on top, 10-3. Midway through the second quarter, Allen again broke free, racing 54 yards to set-up a Steve Stenstrom to Curtis Conway 16-yard TD pass. The 17-0 lead was increased just before the half when FB Robert Chancey capped an 11-play, 82-yard drive with a four-yard TD run. Allen finished the half with 131 yards and the Bears took a 24-0 lead into the locker room at intermission. The Ravens' opening drive in the third quarter resulted in a 27-yard Stover field goal. Three plays earlier, Harbaugh threw an apparent touchdown pass to WR Michael Jackson, but was ruled beyond the line of scrimmage and penalized for an illegal forward pass. Neither team scored in the final quarter and a half. The Bears dominated the fourth quarter time of possession, 11:40 to 3:20. The loss was the sixth on the road for the Ravens in 1998 and their third defeat vs. the NFC Central. Jim Harbaugh played at Soldier Field for the first time since 1993 and completed 20 of 35 passes for 185 yards. Michael Jackson caught a game-high seven passes for 72 yards.

 Baltimore 19, Detroit 10
 (68,045) at Camden Yards

The Ravens concluded their 1998 season with a 19-10 win over the visiting Detroit Lions to finish 6-10. Priest Holmes rushed for 132 yards on 28 carries and became the Ravens' first rusher to gain over 1,000 yards in a season. Holmes, who started 13 games, finished the year with 1,008 yards on 233 rushes and seven touchdowns. His 132 rushing yards marked his fourth 100-yard game (all victories) and set a Ravens' single-season 100-yard game record. The Ravens' defense set the tone early when Detroit left tackle Ray Roberts was called for holding Michael McCrary in the endzone, resulting in a team safety. On Detroit's next possession, rookie DL Lionel Dalton forced a Barry Sanders fumble at the Lions' one, which Tony Siragusa recovered at Detroit's two. Three plays later, Holmes scored from one-yard out for a 9-0 Ravens' lead. Early in the second quarter, QB Jim Harbaugh (17 of 27 for 141 yards and one TD) connected with FB Roosevelt Potts on an 11-yard pass play and a 16-0 Ravens' lead. That touchdown culminated a 97-yard, 13-play drive. The Lions' Jason Hanson kicked a 39-yard field goal with 36 seconds left in the first half to make the score 16-3 at intermission. After a scoreless third quarter, Lions' QB Frank Reich (18 of 29 for 195 yards and one TD) found FB Cory Schlesinger on an eight-yard pass play to make the score 16-10. Midway through the final quarter, Matt Stover kicked a 30-yard field goal to complete the scoring. The Ravens limited RB Barry Sanders to 41 yards rushing on 19 carries and a fumble. Detroit WR Herman Moore caught 10 passes for 120 yards. The victory evened the Ravens' home record at 4-4 and was the final game for coach Ted Marchibroda and his staff.

BALTIMORE PRO FOOTBALL RECORDS

Note: The following records reflect the performances of players on two professional football teams in Baltimore's past, plus the current NFL Ravens: The Baltimore Colts of the NFL, a team that played in Memorial Stadium from 1953-83; and the initial Colts franchise, which played in the All-American Football Conference from 1947-49, and then in the NFL in 1950. This franchise existed in 1950, but disbanded following that season. This set of statistics is not officially recognized by the National Football League, but is meant to honor and salute the players and teams who represented the citizens of Baltimore for so many years; plus, give a historical perspective to Baltimore pro football history.

Nestled just south of Oriole Park at Camden Yards, PSINet Stadium offers Ravens' fans the latest in technology, including state-of-the-art SMARTVISION video boards, combined with fabulous amenities. With a capacity of 69,084, including 108 suites and 7,900 club seats, the stadium was completed in just over two years at an estimated cost of \$220 million. Designed by the architectural firm HOK, which also designed Oriole Park at Camden Yards, PSINet Stadium was funded through a combination of proceeds generated from the sale of tax-exempt revenue bonds, debt service being paid by lottery proceeds and the Ravens.

SEATING:

- ❑ With a seating capacity of 69,084, PSINet Stadium is substantially larger than its sister baseball stadium to the north. At 1.6 million square feet, it is nearly double Oriole Park's size.
- ❑ There are 7,900 club seats at PSINet Stadium, featuring extra-wide seating, VIP parking and access to the club lounges that provide specialty foods, fully-staffed bars, a concierge and scenic views of downtown.
- ❑ Each of the 108 suites at PSINet Stadium can hold between 20-24 persons, and feature three televisions, a private restroom, VIP parking, personal wait service, as well as many other amenities.

VIDEO BOARDS:

- ❑ The two SACO SMARTVISION video boards located in each endzone, measuring 100 feet by 24 feet, are the largest permanent display boards located in any sports venue in the entire world. In essence, these boards are giant computer screens.
- ❑ Operated by a crew of up to 20 people each game day, the boards feature network pregame shows, live video of games from around the league, instant replays, highlights and up-to-date statistics.
- ❑ Each screen, which can be divided into as many as 16 different sections, is augmented by over 1,894 custom-built speakers that produce crystal-clear sound, producing breathtaking special effects.

SIGHTLINES:

- ❑ Front-row seating in the lower level is six feet above the playing field, high enough to eliminate obstructed views in that area. In addition, the front row of seats are only 50 feet from the playing field on the sidelines and 20 feet from the back of the endzones.
- ❑ The distinct upper seating area includes open notches in each corner of the stadium, creating scenic views of the city of Baltimore for fans to enjoy. This feature also enables upper-level endzone seating to be moved closer to the field.

AMENITIES:

- ❑ Extra-wide concourses (between 44 and 64 feet) make for easier navigating in PSINet Stadium. Seven public elevators (four handicapped accessible) and two escalators (to club level) also assist fans maneuvering about the stadium.
- ❑ There are 55 concession stands located throughout the upper level, lower level and club level featuring both standard football fare and various Baltimore specialties.
- ❑ In addition, there are several Ravens' team stores located in PSINet Stadium where fans are able to purchase all the latest Ravens' merchandise, plus six Provident Bank ATMs scattered throughout the facility.
- ❑ Fully ADA compliant, PSINet Stadium allows disabled fans to access areas throughout the facility via ramps and elevators. Handicapped seating also exists in every PSL (permanent seat license) zone in the new NFL stadium.

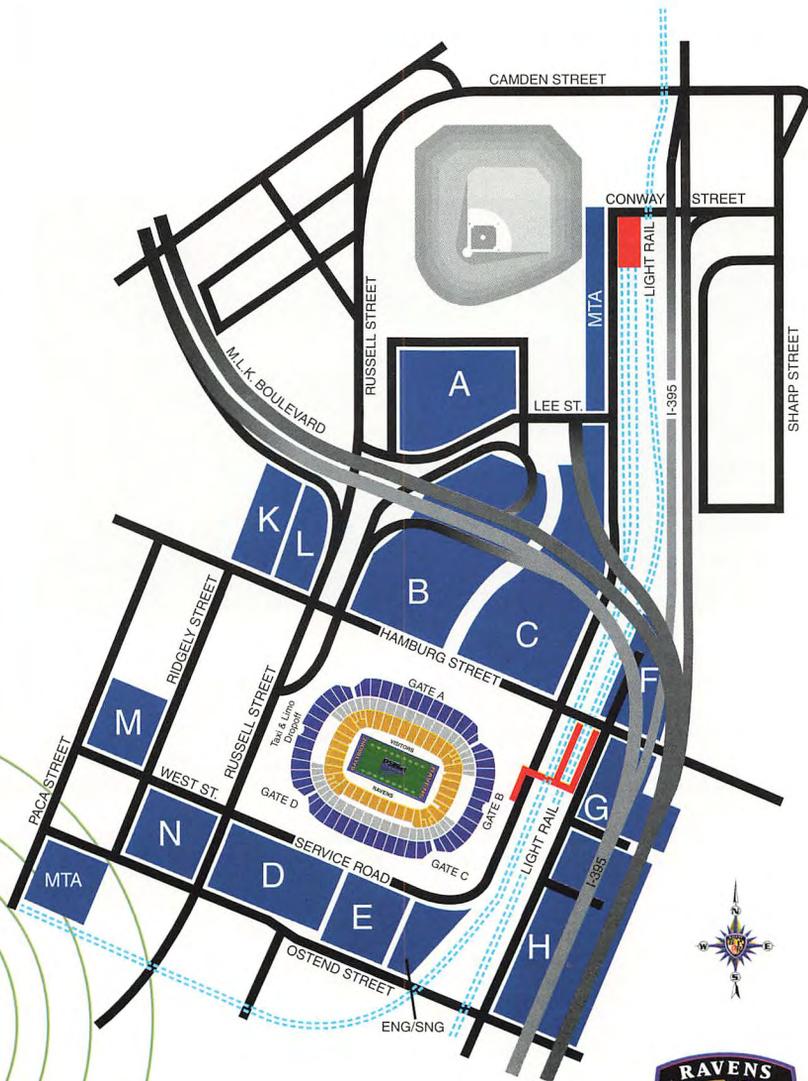

TRANSPORTATION:

- ❑ Located at 1101 Russell St., PSINet Stadium is surrounded on all sides by the following elevated roadways: I-95 and the Hamburg St. bridge to the north; I-95 and I-395 (plus Light Rail line) to the east; the Ostend St. bridge to the south; and the Russell St. viaduct to the west.
- ❑ Fans can also easily access the new stadium using Mass Transit. The Light Rail has a drop-off point located directly outside of Gate B, and Park-and-Ride shuttles are available from various locations around the greater Baltimore area.
- ❑ Parking in stadium lots, administered by AMPCO Systems Parking, is limited, but numerous downtown lots are available for game-day parking just a short walk away.

QUICK FACTS:

- ❑ PSINet Stadium is 185 feet tall, making it 35 feet taller than Oriole Park at Camden Yards.
- ❑ The SportGrass playing surface rated among the league's best in a survey of NFL players.
- ❑ The two SMARTVISION video boards located in each endzone generate 16 million colors, and at peak output, consume up to 80,000 watts of electrical power.
- ❑ Besides Ravens' football, PSINet Stadium features various other forms of entertainment, including concerts and other sporting events. In fact, two college football games were played there last season. The HFStival, which sold out in under 90 minutes, featured 15 bands and attracted over 90,000 fans. The Army-Navy football game is slated for Dec. 1, 2000.
- ❑ In recognition of the Knaabe Piano factory, which was once located on the site of PSINet Stadium, a plaza in the shape of a piano was erected in the southwest corner of the facility. Interestingly, the paving pattern of the plaza was designed to look like piano keys.

ON THE SIDELINES

One of the major elements of the gameday experience at PSINet stadium is the festive atmosphere provided by the Baltimore Ravens' Cheerleaders, Baltimore's Marching Ravens and the three mascots, Edgar, Allan and Poe.

The Baltimore Ravens' cheerleading squad has 24 members on the dance team and 29 members on the stunt team, 13 women and 16 men. The cheerleader director is Tina Simijoski, who also heads the University of Maryland Cheerleaders. Contact Tina for tryout information (held each spring) and for cheerleader appearances at 410-547-8100.

Baltimore's Marching Ravens are comprised of 250 musicians and 50 flagline performers. BMR's purple and white uniforms are military-style with brass buttons. Call John Ziemann at 410-557-8335 for band information.

The Ravens' mascots hatched on Aug. 24, 1998, and feature three similar, but distinct, characters, Edgar, Allan, and Poe. The mascot coordinator is Greg Black.

Groups or organizations that would like to schedule the Baltimore Ravens' Cheerleaders, Baltimore's Marching Ravens or any of the three mascots should call 410-547-8100.

1999 NFL INSTANT REPLAY SYSTEM

IN THE BOOTH

The **"technician"** in front of the live-feed monitor cues up the live play by pressing the "make play" button on his console as the ball is snapped. The monitor can accommodate six replay angles of a single play.

The **"replay assistant"** is positioned in front of the touch-screen monitor. This person decides which replays will be relayed to the field monitor for review by the referee after a coach's challenge is issued, and whether an official's time-out will be called for a play review in the final two minutes of each half and overtime.

The **"video operator,"** at the instruction of the replay assistant, will tap the touch-screen monitor (similar to a bank's automatic teller machine that prompts commands by the tapping of its screen) to transfer one of the replays to the booth's third monitor that is positioned between him and the replay assistant. The video on this monitor is what the referee on the field will see.

The **"communicator"** is the replay booth's "eyes to the field." While the technician, replay assistant and video operator are doing their jobs, the communicator, stationed in back of the other three, is watching the field. He will advise the replay assistant - who is busy viewing the monitor - that "they're in the huddle," "they're on the line" and "the ball is snapped" so the replay assistant will know that the next play has started, negating the possibility of a replay. He will also report to the replay assistant if an official ruling (e.g. holding, illegal procedure, etc.) has been made on the field following a play that might eliminate the need for a replay.

The communicator also is the timer of the 90 seconds allocated to the referee to make a decision on a replay. Once 90 seconds are reached, the communicator will hit a red button on the console in front of the replay assistant that will automatically shut off the field-level monitor, signaling to the referee that the 90 seconds has expired and the review is over. The referee must then announce his decision.

1999 RULES OF REPLAY

If needed, the communicator will also explain a referee's ruling to the TV truck and to the teams' public relations directors in the press box for dissemination to the media.

A "**buzzer system**" will be utilized to signal the call for a replay. Before the final two minutes, the head coach will buzz the referee and replay booth that he challenges a play and wants a review. Within the final two minutes, the booth will buzz the referee, calling for a replay. The head coaches will wear a belt pack containing a buzzer. When pressed, the buzzer will simultaneously signal the referee, umpire and replay booth that a replay is being requested.

There will be three replay monitors at field level in open-air stadiums. Two will be positioned at opposite 20-yard lines near the sideline wall. A third will be in a runway, for use if there is inclement weather. Two monitors will be used in domed stadiums. As the referee approaches the monitor, his first replay will await him. His 90 seconds for a decision begins when he puts on the headphones that put him in contact with the replay booth.

COACHES CHALLENGE

Outside the final two minutes of each half, each team will be permitted two challenges per game that will initiate referee reviews. Each challenge will cost a team a time-out. If a challenge is upheld, the time-out will be restored, but the challenge will not. No challenges will be recognized from a team that has exhausted its time-outs.

FINAL TWO MINUTES OF EACH HALF

After the two-minute warning of each half, and throughout any overtime period, any referee review will be initiated by the replay assistant in the replay booth in the press box. He can initiate as many review requests as he thinks necessary, no matter how many time-outs the teams may have. No time-out will be charged for a review initiated from the replay booth.

REFEREE REVIEW

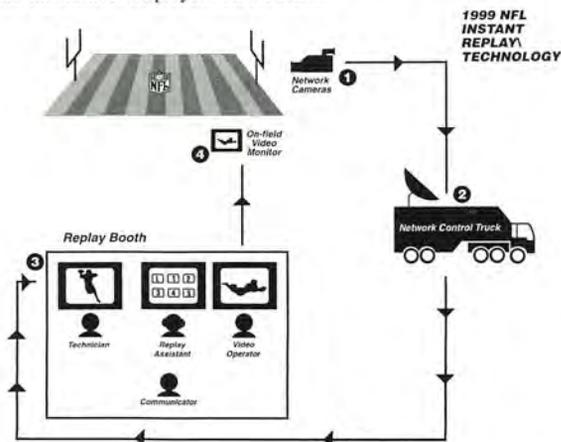

All replay reviews will be conducted by the referee on a field-level monitor after consultation with the other covering officials on the play. A decision will be reversed only when the referee has indisputable visual evidence that the call should be changed. The referee cannot initiate a replay in any instance.

TIME LIMIT

Reviews will be a maximum of 90 seconds, timed from when the referee puts on the head phones to the replay booth.

REVIEWABLE PLAYS

The instant replay system will cover a variety of plays in three main areas - 1) sideline, goal line, end zone, and end-line plays; 2) passing plays; and 3) other detectable infractions, such as a runner ruled down not by defensive contact, and the number of players on the field.

IT ROCKS IN A HARD PLACE.

To find out more about how solid a car can be, call 1-888-811-SOLID. And to see how Grand Am rocked the competition, cruise www.grandam.com.

The problem: Suddenly, the going gets tough. The solution: Rock on in the Grand Am SE with SolidForm Design. It's built with enough solid steel reinforcements to make Pittsburgh jealous. After all, you need the right kind of armor. Because the road can be a pretty rough place.
