INTENTIONALIST

Last season, OL Reign selected Intentionalist as its Nationwide Community Partner, an organization committed to intentional spending that supports small businesses and diverse local communities. Captain and defender Lu Barnes served as the designated player ambassador to champion the Nationwide Community Impact Award efforts with Intentionalist.

Thanks to the club's supporters on social media, Intentionalist was selected as the 2022 Nationwide Community Impact Award fan vote winner for receiving the most votes on social media, helping the organization secure \$5,000 to use towards supporting local businesses.

Beyond serving as a directory of local business, Intentionalist supports community connection through business profiles based on interviews with local business owners and meet-ups that provide the opportunity to meet them and learn about the stories behind their businesses.

OL Reign previously partnered with Intentionalist to promote #Spendlikeitmatters throughout the year. The Founder and CEO of Intentionalist, Laura Clise, was honored as an OL Reign Legend in 2021.

STARBUCKS LEGENDS

This past season, OL Reign continued its Legends Campaign, a partnership between OL Reign and Starbucks, which honors women for their extraordinary contributions to our community.

Prior to each home game throughout the season, the Reign had 14 Legends recognized, spotlighting each woman for the positive impact they continue to make in the Pacific Northwest and beyond.

The winner of the [#NationwideImpactAward](#) fan vote is [@OLReign](#)! Their fans won a \$5,000 donation for community partner, [@intentionalist_](#), who supports diverse small business.

Intentionalist has an online guide that makes it easy for people to find local restaurants, bars, gyms, shops, and more owned by women, people of color, veterans, LGBTQ, families and disabled people.

IN THE COMMUNITY

BLACK FUTURE CO-OP FUND

The Black Future Co-op Fund serves as critical catalyst for change, investing in areas that are underserved and unappreciated in an effort to elevate our community to a more equitable place.

During the transition of presenting partners in the 2021 season, OL Reign took advantage of the incredible opportunity to use the club's most valuable media asset to raise awareness for an organization that the club cares deeply about. After establishing a partnership with Black Future Co-op Fund in 2020, OL Reign has worn the organization's logo on the front of its kits for the last two seasons with the goal of helping them make a greater and more immediate impact within our community.

At the end of the 2021 season, it was announced that OL Reign and the Black Future Co-op Fund had won the inaugural Nationwide Community Impact award and secured the \$20,000 grand prize for the Black Future Co-op Fund, bringing Nationwide's total donation to \$25,000.

Black Future Co-op Fund is Washington's first Black-led philanthropy and has united people with a shared mission. The Fund has been able to grant \$1 million to 40 organizations that traditional philanthropy has discounted and left unsupported. These funds directly provide more resources, collective power and support to Black Washingtonians.

WELLSPRING FAMILY SERVICES

With over 86,000 children experiencing homelessness in Washington - enough children to fill every seat at Lumen Field - OL Reign partnered with Wellspring, a nonprofit organization on a mission to end family homelessness, for its Kids Day Match on August 7, 2022, allowing fans the opportunity to donate essential school supplies for children to have and feel prepared at the start of the school year.

Fans attending the match donated over 300 school supplies during the Wellspring Ready to Learn drive, including pencils, notebooks, paper, glue, backpacks, and more. Additionally, Wellspring received over \$1,600 in online donations from OL Reign fans in support of the drive.

OL Reign players continued to support Wellspring by donating team-issued training gear, including shirts, cleats, jackets, coats, and socks for local families in need of clothing supplies.

IN THE COMMUNITY

BOEING SCHOLARSHIP PROGRAM

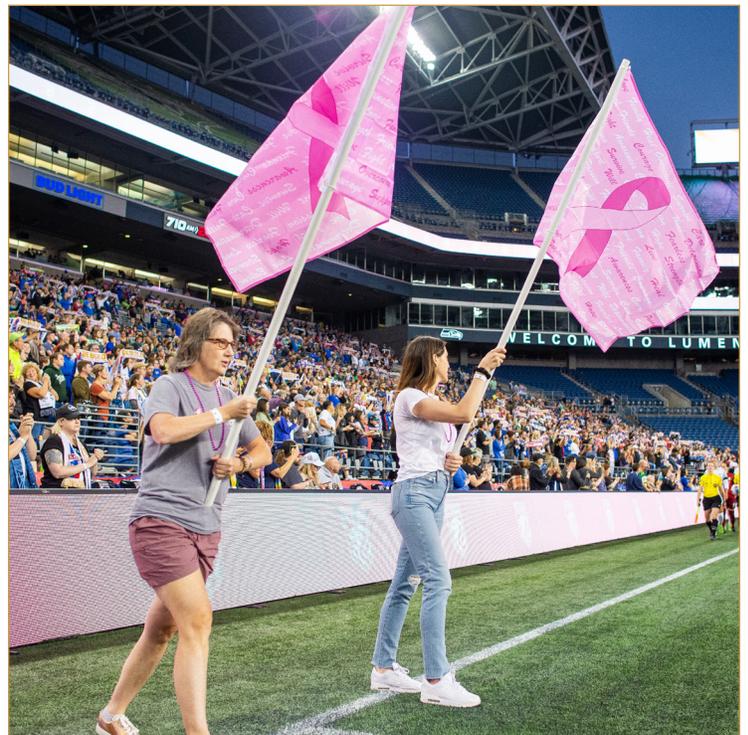

The Boeing Scholarship for young players of color, which was first unveiled on September 25, was developed as an effort to begin addressing the underrepresentation of girls of color in youth soccer. In partnership with Boeing, the program helps families cover the full cost of participation fees in OL Reign Academy.

KICK BREAST CANCER

On October 1, 2022, OL Reign had a Kick Breast Cancer themed match, which turned Lumen Field pink. Prior to the game, breast cancer survivors and physicians were honored with on-field experiences.

OL Reign players signed limited-edition Kick Breast Cancer shirts, which were auctioned off to raise funds for the non-profit Come Walk With Me as a part of a month-long fundraising effort in October with proceeds going to the MultiCare Good Samaritan Foundation to directly support access to programs and services for those battling breast cancer. With the generosity of Reign fans, over \$3,000 was raised from the auction for Come Walk With Me.

IN THE COMMUNITY

PRIDE

OL Reign takes great joy in supporting Pride each and every day. From individual player efforts to organization-wide efforts, unwavering support for LGBTQ+ rights is ingrained in OL Reign's DNA.

One of the highlights of OL Reign's support is the annual Pride Match. Each year, the team puts on a themed match dedicated to celebrating and supporting the LGBTQ+ community. In a show of solidarity at each Pride match, OL Reign wears jerseys that feature rainbow numbers on the back.

"I think the Pride Match is huge. We take it for granted a little bit. Our environment is very inclusive; the club has always been very inclusive, and we live in a place that's very inclusive. So, I think we do sometimes take that for granted, but I think when you hear the stories of other people's lives and how difficult it has been for them and even people within our locker room have that story, I think it makes it feel even more important and I hope everyone can come out and support it," said OL Reign head coach Laura Harvey.

These jerseys are then auctioned off to raise money for a cause that supports the LGBTQ+ community. In 2020 and 2021, OL Reign chose Tacoma's Rainbow Center, an organization that expands resources and provides a safe space for the lesbian, gay, bisexual, transgender, queer, questioning, two-spirit and allied community through education, advocacy, and celebration. In addition, the sponsor of the Pride match makes a charitable contribution to the organization.

In 2022, OL Reign auctioned the player-worn and autographed jerseys from our Pride Match, as well as player-worn and autographed Protect Trans Kids t-shirts. Proceeds from this auction supported Equality Texas and Associated Students of Seattle Pacific (ASSP).

- **\$2,422.98** donated by ACH to Equality Texas (PTK auction)
- **\$10,073** donated by CC on 8/5 to SPU ASSP GoFundMe for the Pride Jersey auction

IN THE COMMUNITY

Throughout the 2022 season OL Reign wore “Protect Trans Kids” warm up shirts before most matches. These shirts were also available for fans to purchase online, with proceeds going to the ACH to Human Rights Campaign.

• **In total, \$17,178.50 donated by ACH to Human Rights Campaign from online shirt sales**

Off the field, OL Reign strives to work with inclusive organizations that support LGBTQ+ communities. In recent years, the team has partnered with Intentionalist to support LGBTQ+ owned businesses and announced its public support for the Washington Interscholastic Activities Association (WIAA) and its gender-inclusive toolkit for leaders who interact with youth athletes across the state.

On a daily basis, OL Reign’s goal is to make the LGBTQ+ community feel seen, heard, valued and loved. Whether it’s walking in the Seattle Pride Parade or creating videos of support, it is paramount to the organization’s mission that our support is impactful and clear.

LAURA HARVEY

HEAD COACH

EXPERIENCE

 10	 8
--	---

LAURA HARVEY was named the head coach of OL Reign on July 15, 2021, after previously serving as the club's first-ever head coach for five consecutive seasons (2013-2017).

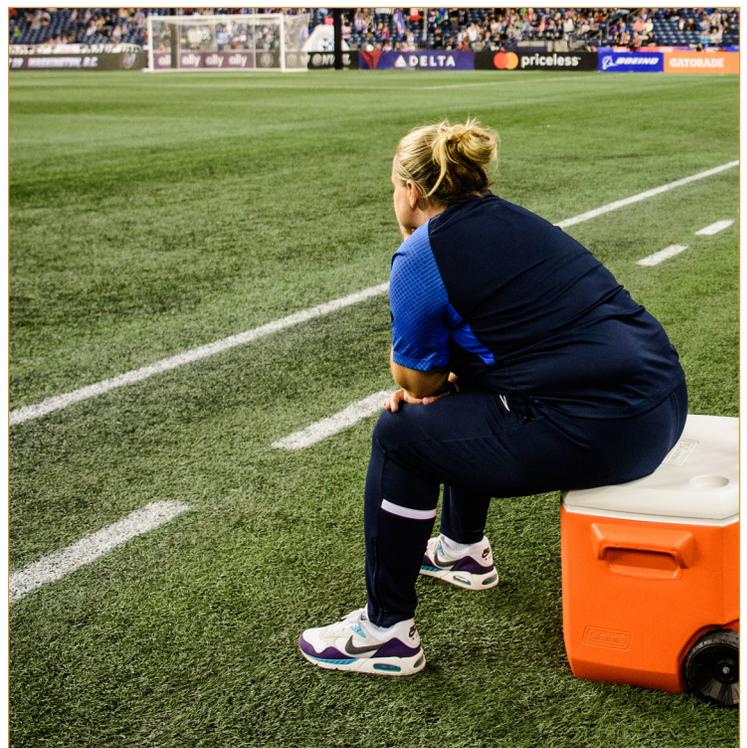

Established as the winningest head coach in NWSL history after defeating NJ/NY Gotham FC on August 14, 2022, Harvey has led the Reign to three NWSL Shields, which is also an all-time record among NWSL head coaches. Harvey holds an all-time NWSL record of 87 wins, 56 losses and 47 draws in the regular season.

Another addition to her list of records, Harvey holds the league record for the most NWSL Coach of the Year selections as a three-time winner (2014-2015, 2021). Harvey is also the first NWSL head coach to win the title on back-to-back occasions. The eighth-year Reign head coach has led the club to four appearances in the playoffs (2014-2015, 2021-2022) and two appearances in the NWSL Championship (2014-2015).

The Reign finished the 2022 regular season on a seven-game unbeaten streak, including three consecutive games on the road that all resulted in wins, which helped the Reign finish the season with a league-best 40 points. Harvey was named a finalist for NWSL Coach of the Year, her second-consecutive nomination. Throughout the 22-game regular season, Harvey listed 21 different starting XIs as she balanced a busy and challenging schedule that featured up to a league-high nine players being called up for international duty on several occasions and an appearance in The Women's Cup. On August 20, 2022, OL Reign claimed the second-ever Women's Cup title after defeating Club

América in the semifinals and Racing Louisville FC, the defending champions of the tournament, in the final, thanks to Harvey strategically utilizing the club's depth throughout the tournament.

Joining OL Reign midway through the 2021 season, Harvey managed the club to an eight-game unbeaten streak spanning from August 21 to October 16, allowing the Reign to host a playoff match for the first time since 2015. For all her work throughout the 2021 season, Harvey was named the 2021 NWSL Coach of the Year.

Prior to re-joining the Reign and the NWSL, Harvey signed with U.S. Soccer as the Under-20 Women's National Team head coach in January 2020, where she led the U-20s through a seven-game unbeaten run at the 2020 Concacaf Women's U-20 Championship in the Dominican Republic to capture the title. Harvey also served as an assistant coach for the U.S Women's National Team during the 2020 Olympic Games in Tokyo.

On November 17, 2017, the Utah Royals, an NWSL expansion club, announced Harvey as the club's first-ever head coach, where she took on a new challenge and fulfilled the role for the inaugural season in 2018 and the following season in 2019. Harvey worked closely in Utah with Scott Parkinson, OL Reign's newest head assistant coach as of the 2023 season, where he served as an assistant coach under Harvey.

Before making the move to Utah, the three-time NWSL Coach of the Year was the Reign's first-ever head coach and led the club for five consecutive seasons (2013-2017). From 2013 to 2017, Harvey finished with a regular season record of 51 wins, 33 losses and 26 draws with a .464 winning percentage over 110 regular-season games with the Reign. She led the club to consecutive NWSL Shields and NWSL Championship appearances in 2014 and 2015, becoming the first NWSL head coach to reach 100 matches coached, as well as the first to notch 50 wins.

Despite a difficult first season in 2013 for the club on the field, Harvey was building a culture of leadership, hard work, and positivity, which quickly began to show and translate to on-field success.

In 2014, the Reign finished with a league-high 54 points, which is currently the second-most points recorded in a single season and the biggest turnaround between seasons in NWSL history, as the club finished with 36 more points than they tallied in 2013. The immediate turnaround helped the club reach its first-ever NWSL Championship appearance and earned Harvey her first selection as NWSL Coach of the Year. The following season (2015), the club picked up where it left off by recording a league-high 43 points, winning back-to-back NWSL Shields and appearing in back-to-back NWSL Championships. Despite not making the NWSL playoffs in 2016 and 2017, the club finished fifth in the league in both seasons, falling short of the playoffs by one position.

Harvey also coached defender Lu Barnes when she earned the award for NWSL Defender of the Year in 2016.

Harvey was born on May 15, 1980 and is originally from Bulkington, a village in Warwickshire, England. She attended George Eliot School in Nuneaton and played football for the Coventry City L.F.C. She began her coaching career after tearing her ACL while playing for Birmingham City L.F.C at twenty-two years old. Harvey holds a USSF A Coaching License and a UEFA A Coaching License. She earned her BA in Sports Studies at the University of Wolverhampton in 2001 and her BTEC (Business and Technology Education Council) National Diploma in Sport from Henley College in 1998.

OFF THE FIELD

FOOTBALL FOR HER: Barnes dedicates her time to work closely with Football For Her, a nonprofit organization built to create a safe space for those who identify as female or nonbinary, offering mentorship and professional resources that may not otherwise be available.

The organization educates, motivates and develops confidence on and off the field; helping youth participants reach their goals regardless of their economic standing.

During this past offseason, Barnes spent time in California to help coach and mentor the youth at Football For Her, along with teammate Alana Cook.

COMMON GOAL: Barnes recently partnered with Common Goal, an organization that also works closely with Football For Her. The organization aims to inspire everyone in football to collaborate towards an equal and sustainable future for all. Members of Common Goal pledge a minimum of 1% of all revenues to progress in these goals. The organization has over 220 professional players and managers and 187 community organizations.

M.A.D. TRAVEL KIT: Make A Difference (MAD) Travel Kits was created by Barnes as a continuation of her sustainability efforts in the NWSL. All kits are exclusively stocked by companies that have a proven track record of sustainable production and aim to promote the use of responsibly-sourced goods. During the 2020 NWSL Challenge Cup, Lauren extensively tracked her own carbon footprint in the league's "bubble" and developed the idea for a way to spread sustainable practices throughout the league as a whole. These travel kits were put together to achieve the goal of making sustainable practice more accessible to the average athlete.

OCEAN RECOVERY GROUP: Ocean Recovery Group (ORG) is working to solve the planet's ocean-bound-plastic crisis in the Western Hemisphere. This past offseason, Barnes traveled overseas to the Dominican Republic to recover plastics for the global supply chain. On this trip in December 2022, the group, which included the Players for the Planet organization and 175 volunteers, collected over 2.5 tons of marine debris from Playa Montesinos and Fuerto San Gil.

PLAYERS FOR THE PLANET: Barnes is also an ambassador for the nonprofit organization Players for the Planet, focusing on the importance of reuse and repurpose.

GENERAL INFORMATION

OL REIGN CLUB HISTORY

One of the eight inaugural members of the National Women's Soccer League, OL Reign was founded in 2012 as Seattle Reign FC by owners Bill and Teresa Predmore. The club played its first season at Starfire Stadium in Tukwila, Washington, before moving to Memorial Stadium in Seattle in 2014. The club won consecutive NWSL Shields in 2014 and 2015, finishing at the top of the table both seasons. Head coach Laura Harvey was named the NWSL Coach of the Year for the 2014 and 2015 seasons. The club missed the playoffs in 2016 and 2017, before returning in 2018 in its first season under head coach Vlatko Andonovski.

On January 30, 2019, OL Reign announced that it would begin playing its home matches at Cheney Stadium in Tacoma, Washington. The club reached the NWSL semifinals for a second consecutive season in 2019, before Andonovski departed the club to accept the head coaching position with the U.S. Women's National Team.

In November of 2019, it was announced that Bill and Teresa Predmore had entered into exclusive negotiations to sell the club to OL Groupe, the parent company of Olympique Lyonnais. The sale was announced on December 19, 2019, with OL Groupe becoming 89.5% owners, Bill and Teresa Predmore retaining a 7.5% stake, and four-time NBA champion Tony Parker holding a 3.0% stake. In March 2020, the club officially unveiled its new name and crest ahead of the 2020 season.

In 2021, OL Reign played its first game at Lumen Field in Seattle, Washington, as part of a first-of-its-kind doubleheader event in partnership with Seattle Sounders FC. Following that event and an inspiring comeback season led by head coach Laura Harvey and assistant coach Sam Laity, the team finished in second place in the NWSL standings and competed in an NWSL semifinal match. It was then announced in December 2021 that the team would be making Lumen Field its new home stadium beginning in 2022. Club founders Bill and Teresa Predmore announced prior to the start of the 2022 NWSL season that they would be stepping away from the club in an operating capacity and former Chief Operating Officer, Vincent Berthillot, was appointed CEO.

OL Reign played its first-ever regular-season home game at Lumen Field on May 8, 2022. The club went on to break its attendance record on four different occasions throughout the 2022 season, setting the new record at 21,491 fans during the NWSL semifinal against the Kansas City Current on October 23, 2022. In the regular season, the club reached an attendance record of 10,746 fans during its final match of the regular season on October 1 - the same match OL Reign secured its third NWSL Shield all-time for finishing first in the league.

At the end of the 2022 NWSL season, OL Reign announced Starfire Sports Complex in Tukwila, WA as its new training facility, just 12 miles away from where the club plays its home games at Lumen Field.

LUMEN FIELD

Lumen Field sits in the heart of Seattle and currently uses turf as the field surface. The stadium first opened in 2002 and in December 2021, OL Reign announced the world-class venue as its new home, joining MLS' Seattle Sounders FC and the NFL's Seattle Seahawks. In the club's first year at Lumen, OL Reign set a new club attendance record in four of the 12 matches played throughout the 2022 NWSL season and went unbeaten in 10 of the 11 regular season home games. The current club attendance record is 21,419 and was set at the first-ever NWSL playoff match to take place at Lumen Field.

Lumen Field is designed with a 68,740 seat capacity, with 5,000 additional seats available for special events, and 1,400 seats for fans with disabilities. With a roof covering 70 percent of the seating area, fans will enjoy wide, comfortable seats with sideline seating a mere 52 feet from the playing field and seats behind the goals just 40 feet from the action.

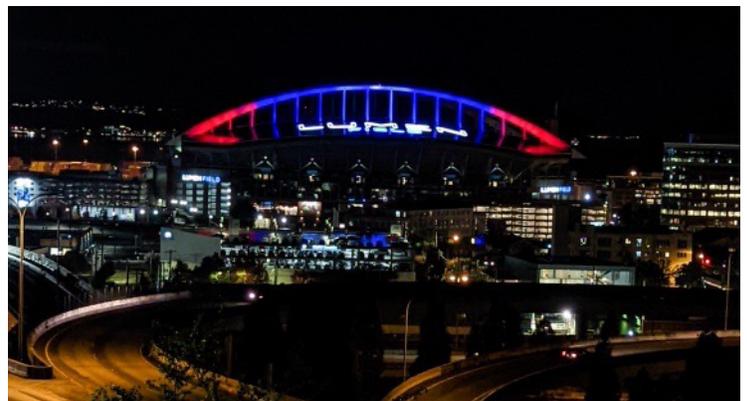

SUSTAINABILITY AT LUMEN FIELD:

In January 2018, Lumen Field received a "Waste Wise" award from the Environmental Protection Agency for its waste prevention and reduction activities and an international "Sustainability and Community" award at the Stadium Business Summit in London.

In 2019, Lumen Field received the "Community Impact Gold Award for Sustainability" from Seattle Business Magazine and "Environment Protection Agency Very Large Business Partner of the Year Award" in April 2020.
