ABOUT

Representing New Jersey and New York, Gotham FC plays its National Women's Soccer League home matches at Red Bull Arena in Harrison, New Jersey.

Founded in 2007, Gotham FC originally debuted as Jersey Sky Blue and played in the United Soccer League's W-League. Later that year, it was selected to represent the New Jersey/New York metropolitan area in the newly founded Women's Professional Soccer (WPS) League set to begin operations in 2009. The Club rebranded as Sky Blue FC and won its first trophy in the inaugural WPS Championship in 2009.

Sky Blue FC was one of eight teams to join the National Women's Soccer League (NWSL) in 2012 following the disbandment of the WPS. It won its first NWSL playoff match since 2013 during the 2020 NWSL Challenge Cup. In April 2021, the Club underwent a major rebrand and officially changed its name to NJ/NY Gotham FC. The name, logo and colors were selected after extensive fan involvement and will guide the club into the future with bold international ambitions.

Most recently, Gotham FC played in the 2021 Challenge Cup Final against the Portland Thorns, the Club's first ever championship appearance in a NWSL competition. Gotham also reached the postseason for the first time since 2013 after a fifth-place regular season finish in 2021.
