MOLSON CANADIAN CUP AWARDS

Molson's is pleased to inaugurate an awards program to honour outstanding performances by Blizzard players during the 1979 season. Selecting and acknowledging superior individual achievement is a longstanding tradition in sport in Canada and Molson's is happy to continue this tradition on behalf of the Blizzard.

Player-of-the-game. Based on his play and contribution to the team, a Blizzard player will be selected by the media as the **PLAYER-OF-THE-GAME** for each home date.

Player-of-the-year. The Blizzard **PLAYER-OF-THE-YEAR** will be chosen by the media at the end of the regular season schedule. Selection of the winning player will reflect his consistency, dedication, and overall contribution in all of the team's games.

The Blizzard **PLAYER-OF-THE-YEAR** will receive the **MOLSON CANADIAN CUP** in recognition of his achievement.
