In addition, the MLS NEXT Safety and Wellbeing Policy prohibits engaging in any conduct that amounts to unfair, adverse, or unequal treatment based on an individual’s Protected Status, including, without limitation, racism, or sexism. PDev is committed to maintaining an environment at all MLS NEXT Events that is free from all forms of Discrimination.

The MLS NEXT Safety and Wellbeing Policy is incorporated into all MLS NEXT Rules and Policies and can be found on the MLS NEXT Website. Failure of any MLS NEXT Participant to comply with the MLS NEXT Safety and Wellbeing Policy or the MLS NEXT Code of Conduct will subject the non-compliant MLS NEXT Club and/or MLS NEXT Participant to discipline in accordance with the MLS NEXT Disciplinary Code and the MLS NEXT Safety and Wellbeing Policy.

IV. GOVERNANCE AND ORGANIZATION

a. PDev’s Authority & Discretion

MLS NEXT is organized, managed, and administered by PDev. By signing the MLS NEXT Membership Agreement, Clubs agree that the decision-making and policy-setting of PDev, including, but not limited to, setting forth the MLS NEXT Rules and Policies, setting a competition schedule, and imposing a framework for issuing discipline, shall be made by PDev in its sole and absolute discretion.

b. Committee Structure

PDev believes that the input, collaboration, and expertise of its Clubs will enhance its success. Therefore, PDev will endeavor to receive input from committees (“Working Groups”) in areas such as: competition, environment, individual growth, Player identification, recruitment, commercial opportunities, and diversity, equity, and inclusion. In addition, PDev may create additional Working Groups during the course of the 2023–2024 MLS NEXT Season, or future seasons, to ensure engagement and collaboration with key soccer stakeholders in the U.S. and Canada. PDev shall have the sole and absolute authority to rotate the members of the Working Groups at any time and without cause. PDev should rotate the members of the Working Groups every two years.

The Working Groups provide a forum for MLS NEXT Participants to communicate their opinions, share their expertise, study issues, coordinate services, and develop recommendations. PDev will consider recommendations presented by the Working Groups but PDev retains exclusive final decision-making authority.

c. Discipline

Any and all Infractions may subject a Club or an MLS NEXT Participant to discipline under the MLS NEXT Disciplinary Code. Should a Club or MLS NEXT Participant be found in violation of any of the MLS NEXT Rules and Policies, penalties may vary based on the type and frequency of the Infraction and may result in fines, denied participation in MLS NEXT Competitions and MLS NEXT Events, expulsion from the Program, among other potential penalties in PDev's sole and absolute discretion. The Clubs may bear the financial costs of any training mandated as a result of any rule violation. For more information, please see the MLS NEXT Disciplinary Code.

V. MLS NEXT MEMBERSHIP

a. Consideration For Membership

Each Club that wishes to participate in MLS NEXT must submit a completed application prior to the application deadline determined by PDev to be considered for admission into the Program. The precise criteria that will be applied in assessing applicant clubs will be determined by PDev in its sole and absolute discretion. However, it is expected that the following factors, among others, may be considered, with the weight of each factor to be decided by PDev in its sole and absolute discretion:

- i. Club philosophy
- ii. Leadership and governance
- iii. History of elite player development
- iv. Strength of current and potential player pool
- v. Expertise and credentials of coaches and technical staff
- vi. Daily performance environment, including training, matches, facilities, staff support, non-soccer programs, etc.
- vii. Ability to reduce or eliminate costs for players
- viii. Geography
- ix. Disciplinary history
- x. History and support of diversity and inclusion

The MLS NEXT Program Staff will aim to review and evaluate each application every calendar year. Once the MLS NEXT Program Staff have reviewed the submitted applications, the MLS NEXT Program Staff will conduct live (virtual) interviews with clubs under consideration and gather feedback from local and national references.

PDev will make the final determination regarding which clubs are accepted and offered the opportunity to become Members of MLS NEXT. An accepted Club will not become a Member until the Club has agreed to abide by all MLS NEXT Rules and Policies, provided the required performance-bond payment to PDev, and entered into a fully-executed MLS NEXT Membership Agreement.

b. Maintaining Eligibility

To remain in good standing, Clubs must be in full compliance with the MLS NEXT Rules and Policies. In addition, PDev reserves the right to conduct evaluations of Clubs at any time; such evaluations may include review of both technical and administrative criteria (including as set forth above in Section V(a)), as determined by PDev in its sole discretion, as well as a review of the Club's compliance with the MLS NEXT Rules and Policies. Further, a Club must give PDev written notice if the Club wants to change ownership, merge with another Club, change the location of the Club, or change the structure of the Club. PDev reserves the right to deny the Club's request, conduct a review of the Club prior to any such change, or determine whether the Club will remain in good standing. If PDev determines that a Club is not in compliance with such criteria or any of the MLS NEXT Rules and Policies, the Club may be subject to discipline, up to and including removal from MLS NEXT.

c. Withdrawal of a Club

In the event a Club withdraws from MLS NEXT without finishing its scheduled MLS NEXT Season, the Club shall forfeit its Membership and performance bond, and the following will apply:

- i. If at least half of the full schedule of MLS NEXT Matches for the Club in question has been played, all resulting scores stand as validated by PDev;
- ii. If less than half of the full schedule of MLS NEXT Matches for the Club in question has been played, these completed Matches will be deleted from the standings; and
- iii. In the sole and absolute discretion of PDev, any remaining MLS NEXT Matches shall either be recorded as a Forfeit victory for the opponent and/or rescheduled, as may be appropriate.

d. Termination

Pursuant to the MLS NEXT Membership Agreement, PDev reserves the right to terminate any Club's MLS NEXT Membership at any time for failure to meet MLS NEXT Technical Standards, violation of any of the MLS NEXT Rules and Policies, or taking or failing to stop any action that

frustrates the purpose or intent of any MLS NEXT Rules and Policies, in each case such determination shall be in accordance with the MLS NEXT Disciplinary Code.

VI. CLUB NON-FINANCIAL RESPONSIBILITIES

a. Compliance with MLS NEXT Rules and Policies

All Clubs and MLS NEXT Participants are required to comply with the MLS NEXT Rules and Policies. In order to comply, Clubs must adopt the MLS NEXT Rules and Policies on behalf of their employees and all other Club Representatives. PDev reserves the right to decide how to enforce the MLS NEXT Rules and Policies, in its sole and absolute discretion. Should a Club or any MLS NEXT Participant associated with that Club be found in violation of any of the MLS NEXT Rules and Policies, the Club's standing and Membership in MLS NEXT, or the individual's participation in MLS NEXT, may be jeopardized, as further described below. In addition, the MLS NEXT Rules and Policies are subject to change from time to time. Although PDev makes every effort not to modify the MLS NEXT Rules and Policies mid-season, PDev reserves the right, in its sole and absolute discretion, to amend or enact new policies at any time, particularly to the extent required by applicable law, the U.S. Olympic and Paralympic Committee, or the Center, or otherwise where PDev believes it is in the best interest of MLS NEXT and/or the safety of its Players. In the event of a change of these MLS NEXT Rules and Policies, PDev will make best efforts to provide Clubs with advance notice.

Subject to any applicable laws, PDev may use any information in determining disqualifications for participation in MLS NEXT in PDev's absolute discretion. Such information may include, without limitation, conviction of any felony, gross misdemeanors, violation of MLS NEXT Rules and Policies, or driving offenses, including, but not limited to: loss of license, reckless driving, impaired driving, or a DUI.

Any person accused of physical or sexual misconduct or otherwise violating the MLS NEXT Safety and Wellbeing Policy may be terminated, suspended, or placed in an alternate position by PDev until the matter is resolved. A person who is accused, but later cleared, of charges/allegations may apply to be reinstated in MLS NEXT, which decision shall be in PDev's sole and absolute discretion. Reinstatement is not a right, and no guarantee is made that they will be reinstated to their former position or any other position within the MLS NEXT ecosystem.

b. Reporting Obligations

All Clubs and Covered Persons (as defined in the MLS NEXT Safety and Wellbeing Policy to mean any individual age eighteen or older ("Adult") that is an MLS NEXT Participant who has Regular Contact (which means, recurring, repeated or periodic contact between an Adult and anyone under the lesser of (1) the age of 18, or (2) the age of majority in the applicable state or province ("Minor"), or a person with supervisory or decision-making authority over an Adult who has recurring, repeated or periodic contact with Minors, including but not limited to overseeing, supervising, chaperoning, or otherwise interacting) with any Player or Match Official, who is a Minor, in connection with Covered Programs (as defined in the Safety and Wellbeing Policy)) must comply with all reporting obligations set forth in the MLS NEXT Rules and Policies. Failure

by Clubs or Covered Persons to promptly report violations of the MLS NEXT Safety and Wellbeing Policy and SafeSport Code constitutes a violation of the MLS NEXT Rules and Policies. Clubs, Covered Persons, and all MLS NEXT Participants should report pertinent situations that appear to be in non-compliance with the MLS NEXT Rules and Policies to PDev. Reporting non-compliance on the part of other Clubs should not be viewed as a negative, but rather as a positive attempt to maintain consistent standards that ensure professionalism, safety, and fairness, both on and off the field.

c. Conduct

Each Club must, upon PDev’s renewal of a Club’s membership in MLS NEXT, execute and deliver its annual Membership Agreement to PDev prior to the start of the upcoming season. In the event a Club does not renew its MLS NEXT Membership by executing the annual Membership Agreement and paying the performance bond as directed by PDev, such Club will not be permitted to participate in MLS NEXT Events for that year. In the event a Club does not provide adequate notice (at least thirty (30) days) of such non-renewal, the Club will forfeit its performance bond. Each Club shall be responsible for the conduct of all its MLS NEXT Participants, including, but not limited to, its Club Representatives, Players, parents, volunteers, and spectators.

d. Development

i. Heading:

1. Players aged 10 and younger are prohibited from heading the ball regardless of the age group in which they play.
2. Players who are 11, 12, and 13, regardless of the age group in which they play, may head the ball during Matches; however, these players must limit heading practice to a maximum of 30 minutes per week with no more than 15–20 headers per player, per week.

VII. OUTSIDE COMPETITION

a. Permissible Outside Competition

Subject to approval by PDev (and in the event of international tournament participation, additional PDev, USSF, and/or Canada Soccer approvals may be required), Clubs may participate in elite tournaments outside of the MLS NEXT Program. Clubs will only be permitted to participate in approved competitions and events that follow the MLS NEXT Technical Standards (*see* Section XVI below) and are in compliance with the standards outlined in the MLS NEXT Outside Competition Standards (available in the Outside Competition Form in Kitman Labs). Clubs must receive prior approval from PDev for all elite tournaments outside of the MLS NEXT Program each season. Club participation in outside competition without prior approval may result in discipline.

To request permission, the Club must submit to PDev an MLS NEXT Outside Competition Application, including a roster and all necessary background information, to PDev no later than

eight (8) weeks before the event. In the event the Team plans to travel internationally, the Club must also submit the appropriate documentation to the USSF (if the Club is based in the U.S.) or CSA (if the Club is based in Canada).

The MLS NEXT Safety and Wellbeing Policy and the prevention policies therein remain applicable to any Club traveling internationally.

b. Player Participation in Outside Competitions

Players must meet all attendance and participation requirements under the MLS NEXT Rules and Policies and under any individual Club requirements with respect to training and MLS NEXT Matches for their Club during the MLS NEXT Season. Absent extenuating circumstances (to be determined by PDev and the Club), the failure to meet those requirements should result in the Player's removal from the Club. PDev strongly encourages Clubs to ensure that Players meet the attendance and participation requirements—Clubs that do not take appropriate action to ensure that such attendance and participation requirements are met may be subject to Sanctions.

Clubs may not permit any Primary Player to participate in non-MLS NEXT soccer activities during the MLS NEXT Season, except as set forth in this Section and in connection with a Player's National Team duty and/or Youth National Team Identification Center participation. Clubs will be held accountable for the actions of their Players and Club Representatives, as well as the Club's parents, spectators, and volunteers. Players will be subject to discipline by both their own Club and PDev.

Future Players are able to participate in outside soccer leagues, as long as they are participating with their MLS NEXT Club. Future Players cannot participate in outside soccer leagues with any other club.

c. Player Participation in Middle and High School Soccer

Primary players must agree to forgo participating simultaneously in both (1) MLS NEXT and (2) high school or middle school soccer. Future Players can simultaneously participate in both (1) MLS NEXT and (2) high school or middle school soccer.

Except as set forth herein, players who participate in high/middle school soccer are ineligible to participate in MLS NEXT Events.

Only Players who have been granted a waiver by PDev will be allowed to remain on their Club's Roster during the high school soccer season (waivers are not available for middle school). This waiver must be granted by PDev before September 9, 2023, to be considered for the Roster exemption for the 2023–2024 MLS NEXT Season. The waiver eligibility guidelines are as follows and further information may be found in the MLS NEXT High School Waiver:

- i. The Player received or will receive financial aid dependent on high school soccer participation; and/or

- ii. The Player has been accepted into a private high school based on soccer participation.

Although Clubs are not limited to a specific number of waivers, the number is naturally self-limiting to field a full Team throughout the MLS NEXT Season.

Primary Players registered with a Club who do not meet waiver eligibility and choose to play with their high school team will not be allowed to re-enter the Program during the same MLS NEXT Season after participating in the high school season with their current or a different Club. Clubs found to permit such violations willingly may be subject to discipline.

If a waiver is granted, the Player must comply with the disclosure requirement and secure a full injury and disciplinary report from their high school team to provide to their MLS NEXT Team.

d. College Camps

Players will be permitted to attend winter college camp, provided that the Coach has approved attendance in advance. The following guidelines are in place for college camps:

- i. The camp must be hosted by an NCAA institution in accordance with NCAA regulations;
- ii. The camp may be no longer than three (3) days in length;
- iii. The Player may only attend one (1) camp per school per year; and
- iv. The Player may not attend a camp if it falls during the competitive MLS NEXT Season or is equal to or less than one (1) week prior to the start of the competitive MLS NEXT Season.

Summer college camps that fall outside of the MLS NEXT Season do not apply and Players may attend such camps without needing to request a waiver.

No insurance coverage provided by PDev will cover any occurrences arising out of attendance in Non-MLS NEXT activities, including, but not limited to, winter or summer college camps, tryouts, or other competitions.

VIII. EXPECTATIONS OF CLUBS

a. Training and Match Expectations

- xi. All Clubs are required to complete their entire MLS NEXT Regular Season schedule, and to attend all MLS NEXT Events scheduled for their age groups unless such training or match participation would be a violation of local government directives or recommendations related to COVID-19 (“COVID-19 Directives”) or if a Club believes in good faith that holding the match would pose a health and safety risk to its MLS NEXT Participants

due to COVID-19. As further detailed in the MLS NEXT Membership Agreement, failure to field a Team for a scheduled MLS NEXT Match resulting in a Forfeit will cause the Club to be fined. All Forfeits are subject to additional fines and disciplinary action at PDev's sole and absolute discretion. Any Club forfeiting an MLS NEXT Match due to failing to field a Team during its membership in MLS NEXT may be removed from the Program in PDev's sole and absolute discretion.

Clubs are responsible for fielding teams that provide meaningful competition for other Members. In the event a Club is not able to field consistently competitive teams in MLS NEXT, PDev will notify the Club of the concern and work in good faith on solutions and timelines to improve the Club's competitiveness. In the event the Club is unable to become more competitive, such that the Club is providing meaningful Matches for other Members, the Club may be subject to removal from the Program.

- xii. Clubs are responsible for adhering to all Match Day policies and procedures outlined and explained in the MLS NEXT Match Day Guide. Clubs should make efforts to acquire the best facilities possible as outlined below. Clubs must train and play home MLS NEXT Matches within reasonable geographic proximity to their Club's home location unless approved by PDev. If a Club is unable to provide a home field that meets MLS NEXT minimum standards (minimum of 70 x 110 yards for U15 and older; minimum of 64 x 105 yards for U13 and U14), the Club may be asked to relocate to an alternate location or may lose the right to host MLS NEXT Matches.

b. Diversity, Equity, and Inclusion

MLS NEXT is an Anti-Racist, inclusive, and non-discriminatory Program. MLS NEXT recognizes that racism consists of principles and practices that cause and justify an inequitable distribution of rights, opportunities, and experiences across racial groups. Because of this reality, MLS NEXT is committed to actively address these issues through engagement, reflection, and listening, and is further committed to making attempts to unlearn behaviors and assumptions. MLS NEXT does not and will not tolerate any racist or inappropriately exclusive behavior by any MLS NEXT Participant, including any Club.

MLS NEXT has set out to create an equitable, diverse, and inclusive development environment. To that end, Clubs shall make all efforts to establish a positive and safe environment for all MLS NEXT Participants, without regard to race, ethnicity, income level, culture, sexual orientation, and gender identity and expression. As outlined in the MLS NEXT Safety and Wellbeing Policy, each Club is required to provide and mandate comprehensive diversity, equity, and awareness training for its MLS NEXT Participants. e. Registration Costs

All Players and Club Representatives who will be allowed on any Team's Technical Area during an MLS NEXT Match must register with PDev to participate in MLS NEXT. As detailed in the MLS NEXT Membership Agreement, registration fees for the upcoming season shall be \$50 per participating individual. Coaches and Club Representatives do not need to pay more if coaching across different age groups or serving in multiple roles, each individual only needs to be accounted for once. Fees are subject to change in PDev's sole and absolute discretion upon reasonable notice to Clubs. Clubs must pay registration fees for all players and staff members before PDev will approve them for participation in MLS NEXT.

f. Equipment Costs

Other than match balls and any other equipment that MLS NEXT elects to provide in its sole discretion, all costs associated with equipment are the responsibility of the individual Club.

g. Facility Costs

X. FINANCIAL SUPPORT PROVIDED BY PDEV

a. Secondary Player Medical Insurance

PDev provides secondary medical insurance for each Player. This medical insurance is secondary to (i.e., excess over) the Player's personal health insurance and only covers injuries occurring during MLS NEXT Matches, MLS NEXT training, MLS NEXT tryouts, and MLS NEXT tournaments. For the avoidance of doubt, this medical insurance does not cover Coaches, other staff, or spectators. Further, PDev will not cover health insurance for Players that drop their primary health insurance after joining PDev for the purpose of making this insurance the Player's primary medical insurance policy. Sublimits, deductibles, coinsurance, and other conditions may apply.

ii. Club Representative Registration

All Club Representatives seeking to work with any Player, including, without limitation, any Covered Person as defined in the Safety and Wellbeing Policy, registered Health Care Professionals (“HCP”), and Certified Athletic Trainers (“ATC”) at any practice, MLS NEXT Match, or other MLS NEXT Event must be fully registered. Names and photos are created digitally through the MLS NEXT registration software and will be used to check in Club Representatives who will be in the Club’s technical area via the Match Day Roster. A maximum of five (5) Coaches/staff members (not including HCP/ATC, video analyst, videographer, Club Sporting Director, or Club General Manager) from a Club may be in the technical area during an MLS NEXT Match and all must have a photo within the Match Day Roster.

To request approval, all Club Representatives must complete the online Registration process through PDev’s platform by:

- Completing the PDev-mandated background check (and for new hires a reference check conducted by the Club as well);

All Coaches and Club directors are required to complete annual diversity, equity, and inclusion training, as directed by PDev.

All individuals seeking to play for an MLS NEXT Club must be fully registered. Names and photos are created digitally through the MLS NEXT registration software and will be used to check in Players who will be in the Club's technical area via the Match Day Roster.

All Players must complete the online registration process through PDev via the designated registration platform, including the following:

- Complete mandated SafeSport training, if applicable.

d. Compliance with MLS NEXT Registration Process

- MLS NEXT may disapprove, deny registration to, and/or disqualify any individual, and/or deny Membership to or otherwise discipline any Club,

which employs or utilizes any individual who either fails to comply with the registration procedures, falsifies information, violates the MLS NEXT Rules and Policies, or as a result of such procedures is determined by MLS NEXT to be unfit to continue in their current position.

- ii. Anyone who forges a document or falsifies an authentic document or uses a forged or falsified document to deceive may be Sanctioned.

XII. PLAYER ELIGIBILITY AND ROSTERING

a. Eligible Players

To be considered an eligible Player, any Player listed on any Club Roster must meet the age requirement for their Club, have completed the registration process outlined in Section XI(c), have paid the registration fee, and must not be subject to a Suspension (to serve a suspension, a Player is required to sit for the entire subsequent match day; the Player is not eligible to play with an older age group on the day the Player serves the suspension).

Players can only be approved and made eligible by PDev.

Players not listed on a Club's Roster or any Player listed on a Club's Roster but not eligible to play, due to reasons such as missing MLS NEXT registration forms, awaiting international clearance, serving a suspension, or not being listed on the official Match Day Roster and line-up sheet, shall be considered an ineligible Player. A Club using an ineligible Player during an MLS NEXT Competition may be subject to a Sanction as determined by MLS NEXT and/or a Forfeit (by a 0-3 margin) of any MLS NEXT Matches in which the ineligible Player participated.

Each participating Club shall ensure the following when selecting its Players for each age group in an MLS NEXT Competition:

- i. All Players remain subject to PDev jurisdiction;
- ii. All Players shall be eligible for participation in accordance with the relevant MLS NEXT and FIFA regulations; and
- iii. All Players shall meet the applicable age requirements:

<u>Age Group</u>	<u>Born on or After</u>
U13	January 1, 2011
U14	January 1, 2010
U15	January 1, 2009
U16	January 1, 2008
U17	January 1, 2007
U19	January 1, 2005

Players who have participated or are participating in any college program at any level (Division I, Junior College, etc.) are not permitted to participate in any MLS NEXT Events unless the MLS NEXT Club seeking to register such a Player is granted approval by MLS NEXT following the Club's submission of an MLS NEXT Player Reinstatement Form. As further described in the MLS NEXT Player Reinstatement Form, examples in which MLS NEXT may allow such Players to participate in MLS NEXT include, but are not limited to, the following:

- A college player who is either enrolled and not actively Rostered, or a player who has been enrolled in university and withdrawn, who prefers to use MLS NEXT full time as the avenue to further his/her/their development.
- A college player who is currently enrolled but has not appeared on a roster for an officially sanctioned match (NCAA, NAIA, NJCAA) and can commit to MLS NEXT on a full-time basis for training and Match purposes.
- The following is a list of requirements that approved college players must adhere to in order to be eligible for MLS NEXT and MLS NEXT Competitions.
 - The player must be registered before Roster Freeze
 - The player must be age eligible for MLS NEXT
 - The player must have appeared in 25% of MLS NEXT Regular Season Matches in the fall (League, Flex, Other) in order to be eligible for MLS NEXT Flex or MLS NEXT Playoffs.

If a Player takes part in an official Match despite being ineligible, the Club may be Sanctioned by forfeiting the Match. Additional Sanctions may be imposed by PDev against the Player or the Club.

b. MLS NEXT Club Roster

i. Match Day Rosters:

Each Team must create and submit via a digital form a Match Day Roster to the referee prior to an MLS NEXT Match. Each Match Day Roster must include all Players and Match Day Club Representatives. Clubs are responsible for verifying the accuracy of Match Day Rosters and signing a completed copy from the Match Officials after the match. PDev will update the MLS NEXT Rosters weekly on the MLS NEXT Registration website to reflect any suspensions, additions or drops, or other eligibility issues.

ii. General:

The date by which each Club must provide an initial MLS NEXT Roster for the 2023–2024 season is August 18, 2023. Each Club’s Roster may average no more than twenty-four (24) Players across each age group based on the minimum of 14 Primary Players. Roster maximums can vary from one age group to another so long as the Primary Players minimum limits for number of Teams are followed. There is no limit to the number of Rostered Players that do not have United States citizenship.

iii. Primary Player Adds:

Clubs will have one period during the season (August 18, 2023, through May 24, 2024) at which time Players may be added as Primary Player (either adding a new Primary Player or moving a Future Player to Primary Player status).

The Club will have a total of six (6) Primary Player Adds per MLS NEXT Team with the discretion to allocate the Player Adds across their MLS NEXT Teams as they see fit. The total number of Primary Player adds should not exceed the number of MLS NEXT Teams multiplied by six (6) and can only be utilized during this window. For example, an MLS NEXT Club with only U15 and U17 teams can add up to, but not exceed, twelve (12) total Players across the two teams.

Clubs that pass a Player on to a Club with an MLS professional pathway will not be charged with using a Player Add to replace that individual. In addition, Clubs that promote a Player on to an MLS professional team in that Club’s pathway in good faith will not be charged with using a Player Add to replace that individual and will be permitted an extra roster spot in the event that the promoted Player returns to the MLS NEXT Team.

Any unused Player Adds cannot be utilized beyond the deadline unless a Club is promoting a Future Player (added before the deadline) to Primary Player after the Player Add window and has an open Roster slot.

iv. Injured Players:

If a Club is operating at the Roster maximum, it may replace a Player with a serious injury (as supported by written documentation from a medical professional detailing the injury) with a new Player in their Roster spot. If the injured Player is medically cleared to return during the MLS

NEXT Season, the Club may allow him/her/them to replace the Player that took his/her/their Roster spot with no deduction of Player Adds.

v. Player Movement:

Please refer to MLS NEXT Player Movement Protocol.

vi. Future Players:

Clubs may add Future Players across all of a Club's age groups (U13 through U19), which will count against Roster totals, but will not count as a Primary Add.

A Future Player is a Player who is Rostered with a Club or its Affiliate who is not ready to contribute at the MLS NEXT level full time. A Future Player is not playing consistently and/or playing enough minutes in MLS NEXT Matches to fully develop; therefore, the Player is eligible to play matches outside of MLS NEXT. A Future Player, including a Future Player from an Affiliate, is required to train a minimum of 1x per week with the Club, in addition to his/her/their non-MLS NEXT team, and overall should consistently train 3-4 times per week (depending on the age group). For example, a Future Player may train 1-2x per week with his/her/their Club and 1-2x per week with his/her/their non-MLS NEXT team.

A Future Player can play in a maximum of 12 MLS NEXT Matches in an MLS NEXT Season. Note, at U13 and U14 age groups, any Future Player added to the Match Day Roster will count as having played in a Match. To supplement his/her/their MLS NEXT Match minutes, a Future Player is eligible to also play matches outside MLS NEXT with a non-MLS NEXT team within the Club or in an Affiliate/Partner Club as part of his/her/their individual development plan. A Future Player must still follow the MLS NEXT play-to-rest ratio.

A Future Player may not be registered as a Future Player with two different Clubs at the same time during the same MLS NEXT Season. A Future Player may only change his/her/their status to Primary once during the MLS NEXT Season and may not return to Future Player status in the same season. Furthermore, a Future Player does not automatically garner Primary Player status after participating in his/her/their twelfth (12th) match. The Club must complete a Designation Change to move the Future Player to Primary Player status. Players who have played in the maximum twelve (12) matches are not eligible to continue to play in MLS NEXT Matches unless the Club indicates the desire to move the Player to Primary Player status and the Player status has been updated to Primary Player. Continued usage of a Future Player after his/her/their twelfth (12th) match may cause a Club to forfeit matches due to the use of an ineligible Player. In addition, Future Players are eligible to participate in all MLS NEXT Events, without the Event matches counting towards the twelve (12) match total.

vii. Match Roster Size:

For U13 through U19 MLS NEXT Matches, only 18 Players from the Roster will be eligible to participate in each Match, and these Players must be placed on the Match Day Roster (showing Players that will start and Players eligible for substitution).

viii. Bench and Technical Area:

The bench and technical area are reserved for Players and Club Representatives listed on the Team's Match Day Roster (max 18 Players, including seven (7) subs on bench). In addition, a maximum of five (5) registered Club Representatives may sit in the technical area, not including a registered HCP or ATC. **Any person** in the technical area during an MLS NEXT Match must be registered with PDev as a Player or Club Representative and listed on the Match Day Roster, other than an HCP or ATC that is not employed by the Club. Any person in the technical area during an MLS NEXT Match that is not registered with PDev as a Player or Club Representative will be subject to sanctions.

c. Younger Players Playing Up

Players on the U13, U14, U15, U16 and U17 MLS NEXT Teams may be selected for the U14, U15, U16, U17 and U19 Match Day Rosters, respectively. The 25% start recommendation and 50% minutes played for U13 age group is inclusive of all MLS NEXT Matches started in any MLS NEXT age group. Players playing up can only compete in cumulative minutes equaling one full match (i.e., 90 minutes for U17 and U19 Players) per day split across two (2) MLS NEXT Matches.

d. Late Registration

Any registration requests received after Thursday at 5:00 pm Eastern Time for the upcoming weekend Fixtures may not be approved in time for the upcoming Fixture. Further, any registration requests are subject to PDev's approval in its sole discretion.

e. International Clearance

Per FIFA's Regulations on the Status and Transfer of Players, as it may be amended or restated from time to time, the international clearance process is required when any foreign-born Player over the age of 10 attempts to register with an affiliated club in the United States, regardless of that Player's ability or citizenship.² FIFA regulations require PDev to obtain appropriate clearances on behalf of these Players before they can register and participate in MLS NEXT.

² According to FIFA, these Regulations serve an important function in protecting minors: "Young footballers are vulnerable to potential exploitation and abuse when they are in a foreign country without proper controls. While international transfers might, in specific cases, be favourable to a young player's sporting career, they are likely to be contrary to the best interests of the vast majority of players as minors. For FIFA, protecting the appropriate and stable development of a minor as a whole should prevail over purely sporting interests. In the past, the trafficking of young players to clubs, mainly in Europe, by unscrupulous persons led to some minors, whose talent may not have met the expectations of the respective clubs, being virtually abandoned on the streets in foreign countries. In these cases, minor players often do not know the language or culture and have no means to return to their home countries. It is also necessary to mention that, in some cases, what is questioned is not necessarily the quality of the training and overall education provided to the minors by this or that club, but the methods used to bring the minors into the club. Today, although FIFA's approach may appear harsh in an individual case, it is

XIII. COMPETITION

a. Overview

PDev will place Clubs into geographically-based divisions and conferences and set a schedule. PDev reserves the right to adjust MLS NEXT Match scheduling.

b. Schedule

PDev will create and manage the MLS NEXT competition schedule, which typically will be held from September until mid-July each year (inclusive of the MLS NEXT Post-Season). The MLS NEXT Cup Playoffs typically will be held at the end of the Regular Season. If a Club would like to change a Fixture date, it must contact PDev four (4) weeks in advance of the Fixture date. All changes are subject to the approval of PDev.

c. Venue/Kick-off Times/Turnaround Time

PDev shall set the dates of all MLS NEXT Competitions. The venues and specific kick-off times of the MLS NEXT Matches shall be proposed by the home Team, subject to the approval of PDev. The home Team shall submit venues and specific kick-off times to MLS NEXT for all MLS NEXT Matches by a date determined each year by MLS NEXT Program Staff, so visiting Teams can make the appropriate arrangements or offer objections for PDev's consideration. All Clubs must provide a turf or synthetic alternative in the event of inclement weather. Evening MLS NEXT Matches may only be played at venues with appropriate lighting installations.

- i. Double Fixture weekends may be played; however, a minimum of eighteen hours must be provided between both kick-off times to allow for necessary travel and recovery.
 1. For instance, if a Saturday Fixture kick-off is 6:00 pm local time, the Sunday Fixture may not kick-off earlier than 12:00 pm local time unless authorized by PDev.
- ii. Clubs may not request to schedule three (3) MLS NEXT Matches in four (4) days during MLS NEXT Regular Season competition.
- iii. Matches may not kick-off earlier than 9:00 am local time without permission from MLS NEXT Program Staff.

only by enforcing the rules consistently and strictly that the abuses of the past can be avoided, and a proper and safe development of minor players secured.”

- iv. When scheduling home Matches, Clubs should adhere to the following guidelines with regard to kick-off times and order of Matches:
 1. The home Team determines kick-off order.
 2. PDev recommends that matches be played from oldest to youngest when possible.
 3. When scheduling multiple matches on the same field, please allow for at least thirty (30) minutes of warm-up time prior to each kickoff.
 4. Less than thirty (30) minutes between each match is permitted if there is adequate warm-up space on an adjacent field.
- v. Moving a Fixture venue or kick-off time for any reason within fourteen (14) days of the scheduled Fixture may result in fines and/or Sanctions that will be levied in accordance with the MLS NEXT Disciplinary Code.

d. Facility Set-Up

The home Team shall be responsible for setting up its venue to include the appropriate lines, goals, nets, corner flags, benches, and water set up for both Teams and ensuring a clean and well-maintained field in accordance with the MLS NEXT Safety and Wellbeing Policy. The home Team will also provide the official adidas match balls provided by PDev.

e. Abandonment

If a Club refuses to play a Match or to continue playing one that it has begun, and there is no rationale under the MLS NEXT Rules and Policies detailing why this action would be permissible, it may be Sanctioned by forfeiting the MLS NEXT Match. Additional Sanctions may be imposed against the Club in PDev's sole discretion. In serious cases, the Club may also be disqualified from the MLS NEXT Competition in progress and its MLS NEXT Membership may be revoked.

f. Postponement

All postponements and cancellations for any reason other than the health and safety of MLS NEXT Participants must be approved by PDev. A Club may postpone any Match in the event the Club believes in good faith that proceeding with an MLS NEXT Match would pose a significant risk to the health and safety of any MLS NEXT Participants.

g. Rescheduling a Postponed Match

Provided the postponement is approved by PDev or is made in accordance with the exceptions provided for herein, the Clubs in question are given the first opportunity to arrange a reschedule date for a postponed MLS NEXT Match. If there is no rescheduled date within seven (7) days after the postponed Fixture, PDev will choose the date, location, and time for the rescheduled Match

and each Club will be required to participate, subject to any health and safety guidelines released by PDev. Fees associated with that date will be the responsibility of the involved Club(s).

h. Rescheduling Considerations

U13 Matches must reach the 55th minute to be considered a completed Match. U14 and U15 Matches must reach the 60th minute to be considered a completed Match. U16, U17, and U19 Matches must reach the 75th minute to be considered a completed Match. If a Match does not reach the designated threshold, PDev at its sole discretion shall have the authority to review all of the facts (including fault on the part of either Team, unavoidable conditions, expense for both Teams, and requests by a Team to take a particular action in the best interests of MLS NEXT, the MLS NEXT Clubs, and the Club's teams) in determining whether and when a Match should be rescheduled, who should bear the financial burden as a result of cancellation or rescheduling, whether the Match should be forfeited or cancelled permanently, or whether other fines should be levied. Unless the Sanction or remedy is set forth specifically in any MLS NEXT Rules and Policies, PDev shall decide what action to take, and PDev's decision shall be final (subject to the MLS NEXT Disciplinary Code).

i. Schedule Completion

Every Team must play every Match on its schedule. Teams that fail to play every Match may face a 0-3 Forfeit or may be subject to a fine. Further, PDev at its sole discretion may exclude any Club/Team from playoff participation for failure to play every scheduled Match.

j. Facility Clearances

Once a Club has submitted its venues and kick-off times, PDev assumes that a Team's home Facility is available for all dates on its schedule. If the home Facility is not available, an alternative location must be provided by the home Team. For the avoidance of doubt, all facilities remain subject to approval by PDev and must comply with all MLS NEXT Rules and Policies. PDev reserves the right to reject approval for any facility at PDev's sole and reasonable discretion.

k. Standings

PDev assumes the responsibility of posting the official MLS NEXT league standings on the MLS NEXT Website. The official MLS NEXT league standings include wins, losses, ties, goals scored for, goals scored against, points per match, and total league points.

<u>Result</u>	<u>Points</u>
Win	3
Tie	1
Loss	0
Forfeit	0–3 loss

All standings are generated by the Match Report submitted online by the referee within twenty-four (24) hours of the completion of the Match. Teams have forty-eight (48) hours to verify their Match Results with PDev.

I. Division Tiebreakers

If two (2) or more Clubs finish the MLS NEXT Regular Season with an equal number of Points per Match the following procedure (in order of priority) will be used to break the tie and determine the final standings (“MLS NEXT Regular Season Tiebreaker”):

- i. Head-to-head (only applicable to tie of two (2) clubs).
- ii. Number of Wins per match.
- iii. Goal differential per Match.
- iv. Goals for per Match.
- v. Away goal differential per Match
- vi. Away goals for per Match
- vii. Home goal differential per Match
- viii. Home goals for per Match
- ix. Fewest Disciplinary points:
 1. One (1) point will be assessed for every Yellow Card received during the competition.
 2. Three (3) points will be assessed for every Red Card received during the competition.
 3. Five (5) points will be assessed for any ejections of staff or players from the technical area during the competition.
- x. Coin toss (tie of two (2) Clubs) or drawing of lots (tie of three (3) or more Clubs).

After the winner of the MLS NEXT Regular Season Tiebreaker advances, any remaining tied Clubs who did not advance from the first round MLS NEXT Regular Season Tiebreaker shall go through a second round MLS NEXT Regular Season Tiebreaker in order to determine the next advancing Club. The MLS NEXT Regular Season Tiebreaker system will continue until qualification/seeding has been determined.

m. Wildcard Tiebreakers

- i. The ranking of each Team in the Wildcard will be determined as follows:
 1. greatest points per match obtained in all Matches;
 2. greatest goal difference per match in all Matches; and
 3. greatest number of goals scored per match in all Matches.
- ii. If two (2) or more Teams are equal on the basis of the above three (3) criteria, rankings will be determined as follows:
 1. greatest number of points obtained in the Matches between the Teams concerned if only two (2) Teams are still equal;

 3. greater number of goals scored in the Matches between the Teams concerned if only two (2) Teams are still equal;

 5. Drawing of lots by MLS NEXT Staff if three (3) or more Teams are still equal.

XIV. MATCHES, LAWS OF THE GAME, DISCIPLINARY MATTERS, DISPUTES, PROTESTS, AND APPEALS

a. Laws of the Game

Unless otherwise provided in the MLS NEXT Rules and Policies, all Matches shall be played in accordance with the Laws of the Game in force at the time of the MLS NEXT Competition and as promulgated by the International Football Association Board, which can be found [here](#).³ In the case of any discrepancy in the interpretation of the Laws of the Game, the English version shall be authoritative.

b. Disciplinary Matters

- Incidents and events requiring disciplinary action are handled in compliance with the MLS NEXT Disciplinary Code. The Players and Clubs participating in MLS NEXT agree to comply with the Laws of the Game (as described above) and all MLS NEXT Rules and Policies. The Players, Coaches, Club Representatives, and Clubs agree to comply with all further directives set forth by PDev from time to time, including, without limitation, any health and safety requirements or protocols.
- Any Coach/Club Representative who has received a Match Suspension cannot be present at the Club facilities (including the soccer fields or Club offices) and cannot attend any Club approved activity including, but not limited to, MLS NEXT Match, MLS NEXT Tournament, or other MLS NEXT event during the pendency of the Sanction. Any suspended Coach/Club Representative who is found to have violated this prohibition will receive an additional Match Suspension of two (2) Fixtures.
- Reporting Egregious Fouls After the Fact

c. Protests of Officiating Decisions

- i. Time: Unless otherwise stipulated in this article, Protests shall be submitted in writing to PDev within 12 hours of the conclusion of the Match in question and followed up immediately with a full written report, including a copy of the original Protest, to be sent in writing to PDev; otherwise, they will be disregarded.
- ii. Eligibility: Protests regarding the eligibility of Matches shall be submitted in writing to MLS NEXT no later than 24 hours after the Match.
- iii. Field Conditions: Protests regarding the state of the field, its surroundings, markings, or accessory items (e.g., goals, flag posts, or soccer balls) shall be made to the referee before the start of the Match by the Coach or administrator lodging the Protest and should be included in the referee's post-Match Report. MLS NEXT must be notified in writing of the Protest prior to kick-off.
