**MATCH DAY PROGRAM**  
**CHATTANOOGA FC vs BAY CITY FC**  
MAY 28TH · 7:30 PM · FINLEY STADIUM

# LETTER TO THE FANS

When invited to write a couple of paragraphs about the match this weekend, my heart swells with joy and excitement. For the past thirteen years we have hoped that match night was one of those special large gatherings - where the most broad and diverse group of people come together to be “pro” Chattanooga. We see these moments as real experiences that take intentional engagement from us all and in return we are inspired, grounded, unified, and ...reminded. With this weekend leading us to Memorial Day, may we all be reminded of those we know (and those we don't) who have sacrificed their lives for us. Personally, I will remember my granddad, Da, who fought in the Battle of the Bulge in WWII seventy-eight years ago. What is amazing is how many of us have the honor and privilege of remembering someone. I hope the match, having so many of us together, expands and deepens the significance of this Memorial Day.

Additionally, this weekend is special because we announce the offering of an official Chattanooga FC license plate for those living in Tennessee. We are excited for another tangible way to celebrate the fans, Men's team, Women's team, CFC Academy, and to support the Foundation. As the current director of the Chattanooga FC Foundation, I want to say that our hope is to be just that - a solid foundation for the club to grow.

Our “places” (Highland Park Commons & Montague Park) and our programs (Operation Get Active, Chattanooga Sports Ministries, StrongHER, Forge, Spark, & Chattanooga Football League) are set up to build relationships through soccer toward a more whole, healthy, right and beautiful Chattanooga. I love what we are doing and I love the way we all continue to become more integrated in our mission. I look forward to seeing you all this Saturday to experience the beautiful game and all it encompasses. Go CFC!

# FIRST TEAM UPDATES

## CFC DOMINATES EASTERN FOE ON THE ROAD SATURDAY NIGHT

BY JED HENDERSON

Chattanooga FC turned on the style with a 5-1 win over Flower City Union at Rochester Community Sports Complex. Hat-trick hero Markus Naglestad rose to the occasion as the Boys in Blue earned a second road win in a row to avenge the previous meeting between the two sides.

Chattanooga FC had a two week break before this match following a 2-1 win in a successful visit to the Maryland Bobcats. Flower City Union also notched a 2-1 win over Maryland last weekend for its first home win of the season.

Franky Martinez returned to the starting lineup, coming back after recovering from surgery to repair a fracture in his arm.

Flower City Union head coach Colton Bly made just one change to his starting eleven, resting forward Canas-Jarquin to start Lukas Fernandes, the lone goal scorer in FCU's visit to Finley Stadium last month.

Chattanooga FC wasted no time in taking control of the game. Flower City learned from Maryland's mistakes, leav-

ing little space behind the defense in a low, defensive block. Chattanooga was forced to play a skillful game between the lines of the Flower City defense, and the Boys in Blue were up for the task.

Chattanooga's biggest win of the season saw many more impressive individual performances. Franky Martinez played comfortably on his return from injury, pairing well with Colin Stripling to form a solid centerback pairing. Taylor Gray, Brett Jones, and the midfield three of Alex McGrath, Ian Cerro, and Chris Bermudez all contributed to the electric attacking display. Fullbacks Travis Ward and Tate Robertson put in a solid shift to nip Flower City's attack in the bud while adding to the attacking threat on the wings. Overall, this may have been the team's best performance of the year.

Chattanooga FC has made matches more inclusive and accessible for neurodivergent supporters. The club has made available a matchday checklist, which outlines a supporter's night - from getting to the stadium to the end of the match - to mitigate the unknown.

Changes to routine can be difficult for people who are neurodiverse, particularly if this change is an overwhelming sensory occasion, such as a soccer match. By mapping out the night ahead, the checklist establishes a routine. This checklist can help reduce anxiety, who otherwise might find the loud noises, sights, and even new smells, from things like food stalls, unnerving. We call the list a blueprint for the night, as it covers all angles, such as getting to the game, where you sit, and how the game goes. The checklist can make the difference between a neurodivergent person going to a match or avoiding such nights out.

Chattanooga FC believes it is the responsibility of the club that neurodivergent persons are not seen as others, but as simply people in the community. They're our sisters and brothers, and they are supporters!

# CAUSE OF THE NIGHT

## LEARN MORE ABOUT FRIENDS OF THE TROOPS

Friends Of The Troops is a 501c3 non-profit organization that was founded to support, encourage, and honor Veterans and members of the United States Armed Forces in times of need. Their mission is to support troops and Veterans who, for any reason, slip through the cracks of other organizations. They send cards and care packages to deployed troops serving overseas, and they send cards and other items of support to stateside troops, Veterans and their families as needed. They also provide food, household, and hygiene items and toys for children throughout the year and at the Holidays.

### Mission of Friends of the Troops

They are headquartered in Chattanooga, Tennessee, and they have a volunteer network that spans over 30 states nationwide. They have sent tens of thousands of cards and care packages to those who have little to no family support or need extra encouragement. During the 2020 COVID-19 Pandemic, they sent care packages and other support to the Navy Nurses aboard the USNS Mercy hospital ship and to those deployed to work in NYC hospitals. Thanks to their generous donors and corporate partners, they were able to donate pallets of much-needed disinfectants, hand sanitizers, and PPE including over 28,000 surgical masks to facilities serving many Veterans. They recently supported a unit out of Cleveland, Tennessee during their overseas deployment and also supported soldiers with the 10th

Mountain Division out of Fort Drum, New York and troops with the 82nd Airborne out of Fort Bragg. They currently support deployed troops in Iraq, Jordan, Kuwait, Djibouti, Somalia, South Korea, Italy, Japan, and aboard Navy ships at sea.

### Learn More Today

They are always looking for volunteers wishing to join their team who would like to adopt and sponsor a deployed service member with monthly care packages. They would also love to partner with other businesses and organizations in their community to be able to meet their growing support requests. Learn more about Friends of the Troops and how to help by visiting their website today.

# WOMENS TEAM UPDATES

## VW “Women in Motion” design new CFC warmup jersey

Chattanooga Football Club is thrilled to release the special edition pregame jersey for the Women’s team in 2022, designed locally by the VW Women in Motion mentorship program in Chattanooga.

“This pregame jersey signifies the strength of our athletes and the strength of the VW partnership with our Club,” said Jeremy Alumbaugh, CEO of Chattanooga Football Club.

This jersey was one of many excellent entries from local workers at VW.

“This one truly embodies the focus of electrifying soccer and highlighting the StrongHER program which is a focal point of increasing involvement of women and girls in soccer,” added Alumbaugh.

“We applaud the Chattanooga Football Club’s addition of a women’s team,” said Burkhard Ulrich, senior vice president of human resources at Volkswagen Chattanooga.

“For Volkswagen,

diversity in the workforce is a strength that we aim to continue building and fostering. Just as Volkswagen is the People’s Car, soccer is the people’s sport; it’s a natural fit for us.”

The collaboration between CFC and VW is structured around three pillars: Electrifying soccer, Diversity and Inclusion, and Sustainability. The Scenic City will soon become the “Home of the ID.4,” as VW builds out their plant to produce the all electric ID.4.

## ORDERS AVAILABLE NOW

A very limited number of jerseys will also be available at the CFC Store inside Finley Stadium for our June 11th match. If you want to guarantee your jersey, please order online.

## EXCLUSIVE WARM-UP JERSEY PRESALE

## CHATTANOOGA FOOTBALL LEAGUE

Our desire is that this league will continue the CFC legacy of unifying the cultures of the world in Chattanooga by drawing us back to our humanity and the love of the game. These leagues are structured creatively to foster a competitive environment for all skill levels, with a high value placed on sportsmanship, relationship, and fun.

## CHATTANOOGA SPORTS MINISTRY

Founded in 2005, Chattanooga Sports Ministries (CSM), has grown and expanded over the years. We envision Chattanooga's inner city transformed by providing safe, supportive, and healthy environments for our children, where every child has access to nutritious food, safe activities, an active and intentional support system, and are fully prepared to enter into adulthood.

## OPERATION GET ACTIVE

Operation Get Active uses the game of soccer to encourage young people in Chattanooga and beyond to live active, healthy lifestyles. We are currently working in a variety of public elementary schools, City of Chattanooga recreation centers, and private community centers and have reached thousands of kids since we launched in the spring 2016.
