# OUR COACH

Coach Dave Brazell is beginning his ninth year as coach of the Antelopes of Grand Canyon College.

**DAVE BRAZELL**

This year may be a new experience for our coach as each previous year's record has been better than the year before. The first year Coach Brazell came to be cage mentor, which was the third year of the college, the record was 5 wins and 15 losses. From that time the fortunes of the Antelopes have improved steadily with the mighty climax of last year's 20 and 0 record. The Antelopes have not had a losing season since 1953-54.

Coach attended high school at Harrison, Arkansas, where he made all-conference in football and all-conference and all-district in basketball. He entered the service between his junior and senior year and finished his high school education while in the Marines. In the Marines Mr. Brazell was a member of the First Marines and went ashore at Okinawa on "D" Day. He received the Purple Heart during this campaign. After the war the regiment moved on to Tientsen, China.

Coach Brazell was discharged in 1946 and immediately entered Arkansas State Teacher's College, Conway, Arkansas. Here he was a three year letterman on the Teacher's College football team. That isn't bad considering it took him only 2½ years to receive his Bachelor of Science Degree. Coach then transferred to the University of Arkansas where he received his Master's Degree.

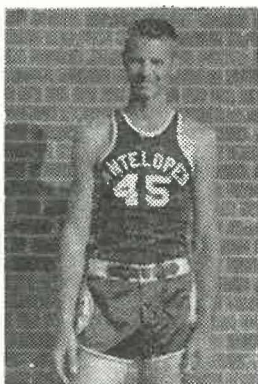

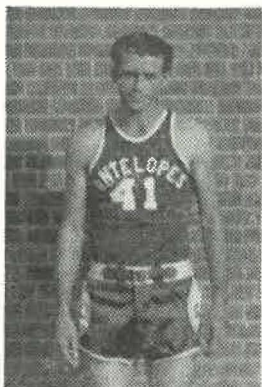

Coach Brazell coached football, basketball, and baseball at Bentonville High School in Arkansas before moving to Arizona.

This will be a building year, according to Coach, with the possibility of a real good team the next two years.

Good luck, Antelopes!

## JIM ACTON

6'0 guard-forward, a graduate of Tucson High School and Eastern Arizona Junior College. Jim is one of the best all around players ever to attend Eastern Arizona. He has been in the service the last two years and will not start playing until the second semester. With his jumping and shooting ability, Jim is expected to break into the starting line-up when he starts playing.

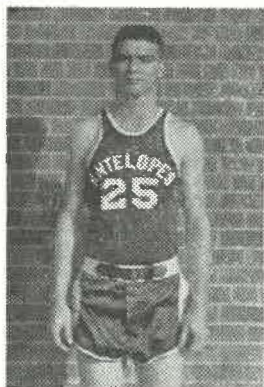

## DAVE ANFINSON

6'6 center from Glendale High School. Dave is a real hard worker, a boy who is always striving to improve himself. He is expected to be one of the big men in the Antelope attack this season.

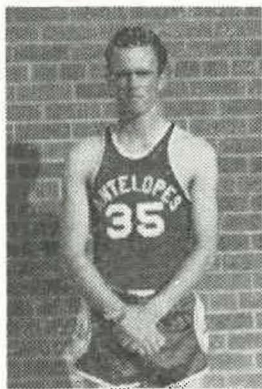

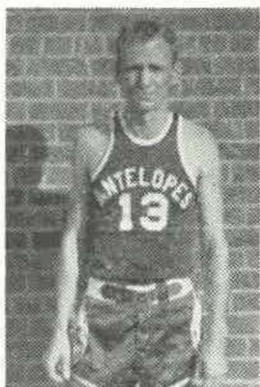

## LLOYD AYCOCK

6'11½ forward who graduated from North High in Phoenix two years ago. He has been going to Phoenix College, but did not go out for college sports. He was an outstanding player in high school in football, basketball and baseball.

## JACK BLAKE

5'10 guard. Jack graduated from Sunnyslope High School three years ago, attended Arizona State University for one year and was a standout on the freshman team. Jack attended Grand Canyon College last year but had to work instead of playing basketball and baseball.

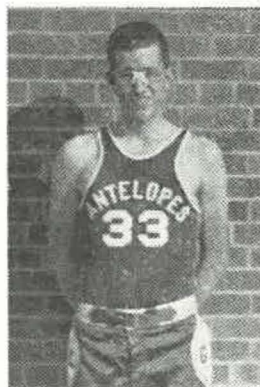

## DAVE BONHAM

6'0 guard, a graduate of Phoenix Christian High School. Dave has spent the last two years at Phoenix College where he was an outstanding pitcher on their baseball team. Dave was a real good basketball player in high school and is continuing both sports at Grand Canyon College.

Canyon College.

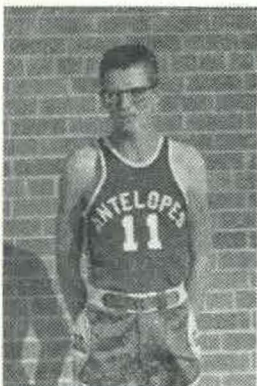

## KEN LEACH

6'2 forward-guard. Ken is a graduate of West High but did not play basketball in high school; however, he has an amazing eye for the basketball and will be hard to keep out of the game because of his shooting ability.

## BENNY LINDSEY

6'3 forward. Benny is another graduate of Phoenix Christian High School. His senior year he led the city in scoring. He has spent the past two years at Pasadena College; however, he played only his freshman year. Coach Brazell expects this lad to really help the Antelopes' causes.

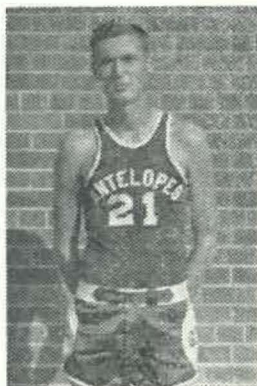

## HARRY MARTIN

5'9 guard. Harry, who hails from New Haven, Mississippi, is the smallest man on the Antelope team. With a letter from last year, Harry's main asset is his shooting and ball handling. He is expected to add strength to a large group trying for the guard positions.

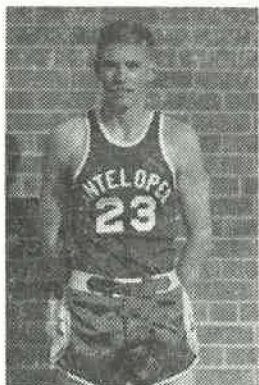

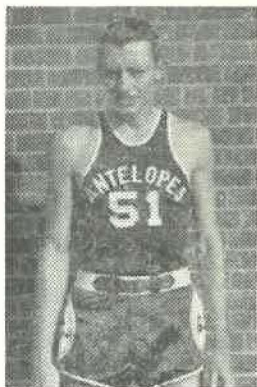

## GARY MATTSON

6'5½ forward, a graduate of West High. Gary developed into a real fine player after graduating from high school. His shooting eye is one of the best. He was one of the starters on last year's undefeated five.

## ED SHIPP

6'5 center-forward, a graduate of Camelback High School in Phoenix. Ed is a two year letterman who did not play high school ball. He can jump higher than anyone on the team. Coach Brazell expects this to be Ed's year.

## KEN THOMAS

5'11 guard from Boulder, Nevada. Ken has been moved to guard this year and has greatly improved in shooting. These two factors have put him right in the middle of a big fight for one of the starting positions. "Shifty", as he is called, is very fast and hustles constantly.

stantly.

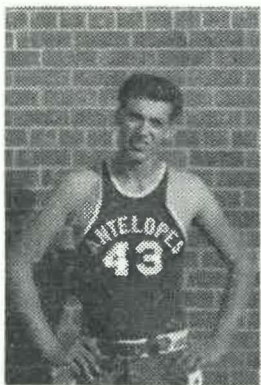

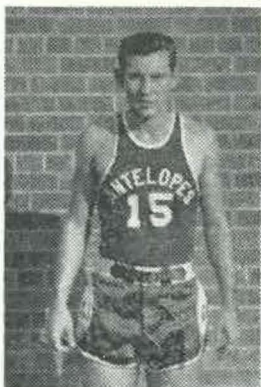

## MAYNARD TIDMORE

6'7½ center graduated from Tolleson High School and attended West Texas and Tyler Junior College last year. He has been hampered in practice by a painful callus on the ball of his foot. Maynard is expected to develop into one of the best centers around. He has an exceptionally soft hook shot.

## DOUG TURNER

5'10 senior. Doug played on the undefeated team last year where he split the starting time with the departed Ron Tackett. Doug was an outstanding guard at Cisco Junior College before coming to Phoenix. He has good hustle and a good shot from the outside. He is expected to be a starter this season.

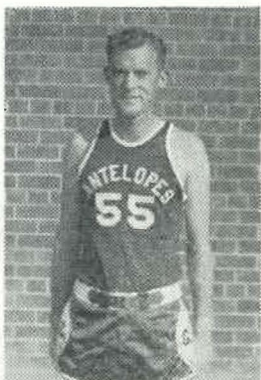

## COY WILEY

6'3½ forward from Ajo High School. Coy was an outstanding center last year and is expected to develop into a real rugged rebounder and all around player. He will not start playing until second semester.

## DAVE WILLIAMS

6'4 forward. Dave comes to the Purple and White via Phoenix College. His height will add much needed rebound strength to the Antelopes, who have need of a couple of strong rebounders.

# 1958-59 SEASON STATISTICS
