Coaches

DAVE BRAZELL is beginning his tenth year as coach of the Antelopes of Grand Canyon College.

Coach attended high school at Harrison, Arkansas, where he made all-conference in football and all-conference and all-district in basketball. He entered the service between his junior and senior year and finished his high school education while in the Marines.

Coach Brazell was discharged in 1946 and immediately entered Arkansas State Teacher's College, Conway, Arkansas. Here he was a three year letterman on the Teacher's College football team. That isn't bad considering it took him only 2½ years to receive his Bachelor of Science Degree. Coach then transferred to the University of Arkansas where he received his Master's Degree.

Coach Brazell coached football, basketball, and baseball at Bentonville High School in Arkansas before moving to Arizona.

MR. DON REED of Sweetwater, Texas, has been appointed Acting Coach of basketball and baseball for the 1960-61 season.

Mr. Reed was active in athletics while a student at Wayland College. He played on both the basketball and baseball teams. He has been active in the operation of a college physical education intra-mural program. He served as coach at one of the boys' clubs in the Fort Worth area.

During his college days he was elected to Who's Who Among Colleges and Universities, Campus Who's Who and the American College Student Leaders of 1953. He was also student body president, most outstanding senior and class favorite while attending college.

DAVE ANFINSON

6'6" center from Glendale High School. Dave lettered his freshman year playing both a reserve center and forward. Seems determined to make his sophomore year a good one. Dave has good jumping ability and is a rugged rebounder.

LLOYD AYCOCK

This 6'2" lad is a real surprise this year. Always a hustler, Lloyd has added the scoring punch necessary to be a top player this year. A graduate of North Phoenix and a junior this year.

JERRY CONNERS

6'3" freshman from Casa Grande, a big rugged boy who plays out front. Jerry is expected to really push for a starting position. Considered one of the best defensive men on the squad.

TOM EMBRY

At 5'8", Tom is the shortest man on the squad, but determined not to let this be a handicap. A constant hustler and a real good team man, Tom adds a lot of spark to the team.

NOEL FRANK

6'4" junior transfer from Eastern Arizona Junior College, a graduate from Camelback High School in Phoenix. Noel is expected to add much needed rebound strength to the Antelopes this season. Has been starting at forward in pre-season scrimmages.

GARY GILLIAM

This 6'3" freshman from Washington High School is a real prospect. Was the leading scorer on a real good H.S. team last year. Jumps well and a real ball handler.

STEVE KNIGHT

A 6'0" sophomore from Sunnyslope High, Steve has attended GCC for the last two years, but has been unable to participate in either basketball or baseball due to his work schedule. Could be a very valuable asset to the Antelope five.

BENNY LINDSEY

6'3" junior and a graduate of Phoenix Christian High School, Benny was the team's leading rebounder and leading scorer last year. Has one of the best jump shots on the team. Much depends on this fellow if the team is to be successful.

HARRY MARTIN

At 5'9", Harry is one of the smaller men on the team. Coaches wish they had a whole team with the shooting eye of this young fellow. Will probably be used mostly as a spot player.

GARY MATTSON

6'5½", the only senior on the squad. Gary has been a starter the past two years and is the only hold over from the undefeated squad of two years ago. Has a real good long shot.

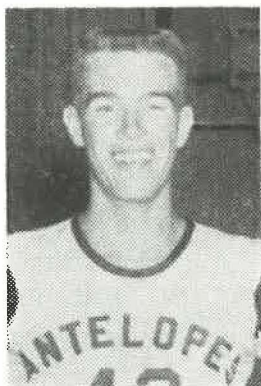

EVERETT MILLER

Hails from the mining community of Morenci where he played in all sports for his alma mater there. A real good defensive man and could see considerable action trying to stop the opponents best scorers.

PAUL NIX

Entered school at mid-term last year and was a pitcher on baseball team. Paul is giving basketball a real try this fall and with his determination may come through.

ORRIN THOMPSON

This big fellow has missed the last two years of basketball because of a leg injury. Could be a real asset if he can get that 6'6" frame moving as he once could.

MAYNARD TIDMORE

At 6'7½", Maynard is the tallest boy on the team. Was a starter at center last year where he enjoyed a very successful season. An awful lot depends on this guy the next two years. His deadly hook shot is as good as you'll see.

This is the first year for the Grand Canyon College Invitational Basketball Tournament. It is hoped this tournament can become an annual event, attracting real good teams to the Valley of The Sun.

1959-60 Season Statistics

Name	Games	FGA	FGM	PCT	FTA	FTM	PCT	TP	Per Game Av.
