ARIZONA'S COACH OF THE YEAR...

This past year the State of Arizona bestowed on Ben Lindsey its highest honor in coaching by selecting him, along with ASU's Frank Kush, as ARIZONA'S COACH OF THE YEAR. Bayard Forrest, Lindsey's prize player during the past four years, was also honored as the AMATEUR ATHLETE OF THE YEAR.

Ben Lindsey will be starting his twelfth year as head mentor over the Antelopes. During this period of time the Lopes have established themselves as a national powerhouse in small college basketball, highlighted by the winning of 1975's NAIA NATIONAL BASKETBALL CHAMPIONSHIP.

Lindsey's overall career record as a coach is 202-103 with his best efforts being the last three years when his charges attained a combined record of 85-8. In 1973-74 Lindsey's Lopes made a strong bid for an undefeated season when they won their first 24 games before losing their next to last regular season game. They then went on to win the District Championship and advanced to the NAIA Nationals where they were eventually upset, finishing with a 28-2 record. In 1974-75 the Lopes were not to be denied as they went all the way, winning the NAIA NATIONAL CHAMPIONSHIP and finishing with a 30-3 record. Last season the Lopes again put together a fantastic regular season record, but fell in the second round of the NAIA Nationals to Newberry S.C. 58-65. This ended their season record at 27-3.

Coach Lindsey's teams have been characterized by solid team defense and a well-drilled offense. In recent years the Lopes have consistently been among the nation's top defensive teams. The past four years have seen Lindsey's teams hold their opponents to a combined field goal percentage of .395, while their own machine like offense has clicked at a .473 rate.

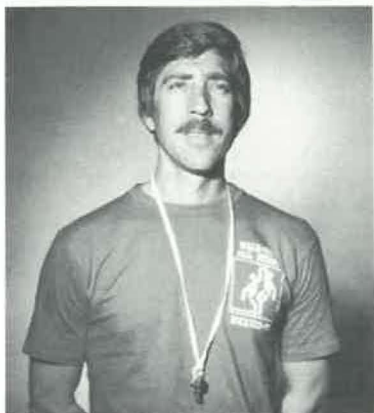

Lindsey's system of play has led the previously unknown school to national recognition. Over the past three years the Lopes have consistently been ranked in the top five college division teams in the nation by Associated Press and U.P.I. The Lopes have also been featured in Sports Illustrated on two different occasions.

Grand Canyon College, Arizona's only accredited church-related college, is a four year, liberal arts college with a current enrollment of 1200. The college is large enough to have a strong academic program along with athletic activities. At the same time, it is small enough for the faculty and staff to know each student and to give personal assistance to each one enrolled. The college is distinctly Christian and seeks to contribute to the spiritual, moral, and intellectual growth of each student. Grand Canyon College is justifiably proud of the record of its athletic teams and the services of its coaching staff.

Now beginning its twenty-eighth year of service, Grand Canyon College seeks to continue to improve and expand its program that it may make an increasingly significant contribution in the field of Christian higher education. Inquiries and suggestions from prospective students and interested friends are welcomed.

Coach Ben Lindsey

GRAND CANYON COLLEGE ANTELOPES

In the eight years the Antelopes have been members of the NAIA, they have qualified six times for post season play, winning the District Championship the last four years in a row and advancing to the NAIA National Tournament in Kansas City, Missouri. Coach Lindsey has been twice selected as NAIA District Coach of the Year, NAIA Area Coach of the Year, and in 1975 was selected by the National Association of Basketball Coaches as a candidate for Kodak's National College Division Coach of the Year.

Coach is a native Arizonan, born in Glendale, AZ., and is an alumnus of Grand Canyon's class of '62. During this time "Big Ben", a sharpshooting forward, broke four school scoring records, two of which still stand. His most points in one season, 510, and most points per game, 23.2, were broken in 1966-67 by Wayne Bateman. His most points in a single game, 44, and most points in a three year career, 1235, and most field goals in one game, 18, still remain on the books.

Since receiving a bachelors degree at Grand Canyon, Coach has earned a masters degree plus doing additional work at Arizona State University.

Coach's wife, Jerrí, is also a teacher. She is an alumnus of Grand Canyon and has also earned a masters degree from Arizona State University. They have two sons, Yancy and Randall, and a daughter, Mandy.

Dr. Dave Brazell

Athletic
Director

GRAND CANYON COLLEGE

Coach Dave Brazell is in his 26th season at Grand Canyon College. A native of Arkansas, Coach is a graduate of Harrison High School in Arkansas, University of Central Arkansas, and the University of Arkansas. His doctoral work was completed at Arizona State University.

For 14 years Dr. Brazell coached the basketball team in addition to his job of Athletic Director and Baseball Coach. During this time, the Antelopes won 151 games while losing 134. The best record was 1958-59 when the hardwood crew was undefeated, winning all 20 games.

Last year's baseball team was 44 and 18 against some of the toughest teams in the country. The local nine was ranked in the top ten in the nation in the college division for almost the entire season. The Antelopes again qualified for the District Tournament; a feat they have accomplished every year since becoming eligible for the playoffs. In a three of five series, the Antelopes captured three of four from Southern Utah to advance to the Area Tournament. In the area tournament the local crew lost in the finals to St. Mary's of Texas.

Over the past five seasons, the Antelopes are 208-85. This next season promises to be another exciting one with the locals playing close to a 60 game schedule with about 48 of these on the home diamond.

Dr. Brazell is active in numerous professional organizations. He is past Chairman for the Men's Athletic Division of the Southwest District of the American Association for Health, Physical Education, and Recreation. Three years ago, the Arizona Coaches Association dedicated the State High School game to Dr. Brazell. After that he traveled to St. Joe, Missouri, where he was inducted into the NAIA Baseball Coaches Hall-of-Fame.

SEASONS OUTLOOK

To say that the Antelopes of Grand Canyon College are in the midst of a rebuilding year is a gross understatement. With the loss of first team all-Americans Bayard Forrest and David Everett (Forrest was drafted in the 2nd round by Seattle and Everett in the 4th by Portland) plus the likes of Bob Stout, Steve Pappas, and Dan Schmidt, the chore of holding together one of the most powerful small college programs in the nation could be a monumental task. All the Lopes have done during the last four years is win four straight District Championships, one National Championship, attain an AP national ranking of 2nd, and win 104 games while losing only 18. --- Not to mention the setting of numerous individual, team, and school records.

Coach Ben Lindsey is not one to live in the past, however, and this year's edition of the Antelopes promises to be more than just another rebuilt model. Several new players have been added to the handful of returnees and the new talent appears to have the ability to keep the Lopes on the winning trail.

Principal players returning from last year's 27-3 squad are 6'3" Mike Osborne, 6'5" George Holm, and 6'6" Jon Forrest. Osborne was a starting guard while Holm and Forrest shared starting duties at the forward spot. 6'0" guard Richard Bacon, 6'5" Wayne Harrison, and 6'3" forward Duane Poole also return as does redshirts Chuck Moorner, a 5'9" guard and Dan Martin a 6'5" forward.

Three former all-conference players from the Arizona JUCO league head the list of new players and they should give the Lopes some much-needed help. They are George Hall, 6'7" center, and Ed Dawson, 6'0" guard, both from Mesa Community College, and 6'3" swingman Nate Stokes from Central Arizona J.C.

1975-76 SEASON

<u>NAME</u>	<u>FGM-FGA</u>	<u>PCT</u>	<u>FTM-FTA</u>
Forrest, B.	222-410	.541	104-151
Stout, B.	152-272	.558	55-67
Forrest, J.	78-192	.406	13-17
Everett, D.	173-354	.488	83-114
Pappas, S.	17-33	.515	20-28
Schmidt, D.	18-54	.333	11-20
Tripp, H.	9-20	.450	2-3
Holm, G.	56-120	.466	32-43

Forrest, T.	9-24	.375	8-9
Osborne, M.	74-170	.435	33-46
Harrison, W.	3-9	.333	2-5
Craig, L.	6-15	.400	0-0
Poole, D.	9-21	.428	0-2
GRAND CANYON	869-1811	.479	383-538
OPPONENTS	771-1847	.417	290-423

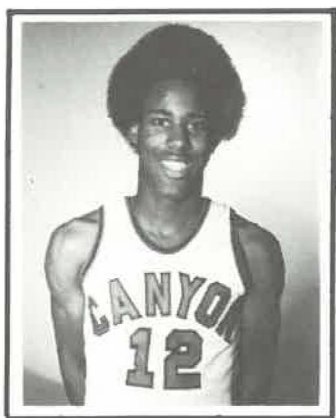

Bill Price, a 6'5" freshman from Martinsville, Virginia, should see lots of action as could other fresh recruits Don Shikles, Jeff Churchill, and Dennis Miller.

The Lopes appear to be strong at the guard position with a great deal of depth. Inside the Lopes will be smaller than they have been in several years, but could offset this with quickness and jumping ability. Experience will be the biggest obstacle to overcome, however, as only four players have seen any appreciable varsity action. According to head coach Ben Lindsey, the early season games will be critical in developing the maturity and leadership necessary if the Lopes hope to capture their fifth District title in a row and another trip to Kansas City.

RICHARD BACON

**Guard
6'0"
Freshman**

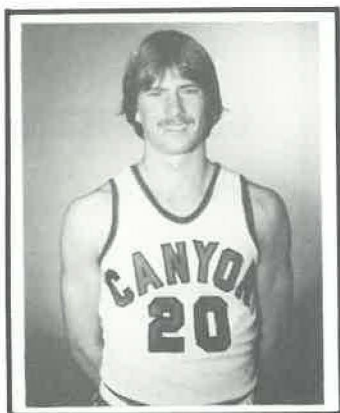

Last year as a freshman Rich saw considerable action, coming off the bench on numerous occasions and doing an outstanding job. A returning letterman, Rich's main strengths are his quickness and outside shooting. Rich has continued to improve and is making a strong bid to nail down a starting spot at guard.

JEFF CHURCHILL

**Forward
6'5"
Freshman**

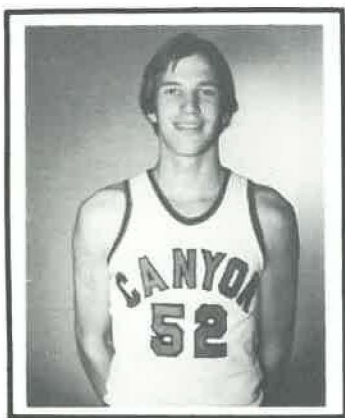

Jeff is an outstanding recruit from Big Bear, California where he led his team to a two year record of 55-4 and runnerup in the C.I.F. Championships. A very aggressive and rugged player, Jeff also has a fine shooting touch. Most action should be at the forward spot. Averaged 19.5 PPG and 14.0 RPG his senior year in high school.

**ED
DAWSON**

**Guard
6'0"
Junior**

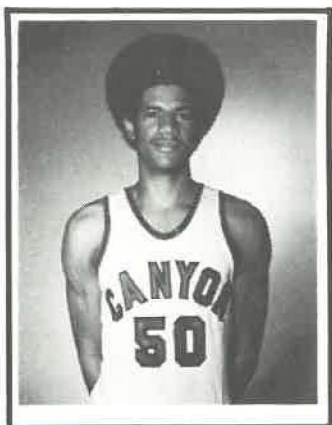

A second team all-conference pick from Mesa Community College, Ed is sure to see a lot of playing time for the Antelopes. Although not extremely quick, Ed, nevertheless, plays excellent defense and thinks well on the floor. An outstanding shooter, this welcome addition is a strong contender for a starting berth at guard. Ed averaged 14.8 PPG his last year in J.C.

**JON
FORREST**

**Forward
6'6"
Senior**

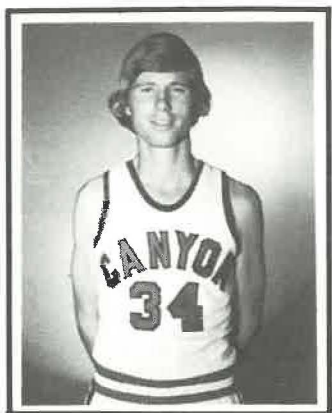

Jon is back for his fourth year with the Lopes and should finish his college career with a fine senior year. The youngest and last of the three Forrest brothers, Jon will lend much leadership and maturity to a young and inexperienced ball club. "Jonas" is an excellent shooter and saw action in several games last year as a starting forward.

**GEORGE
HALL**

**Center
6'7"
Junior**

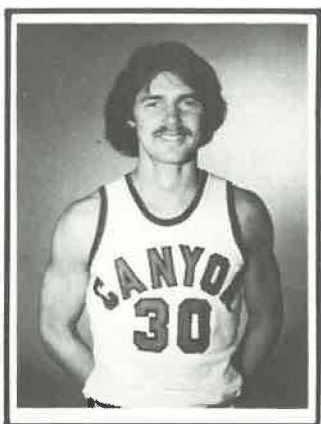

Another J.C. transfer from Mesa Community College, George brings impressive credentials to the Canyon. Selected as the captain of the AJCAC all-conference first team, George led his team to the conference title with a 20.4 scoring and a 13.2 rebounding average. Should be the starting center for the Lopes and will definitely be a player to watch.

**WAYNE
HARRISON**

**Forward
6'5"
Junior**

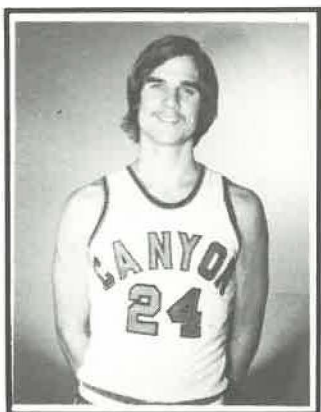

"Hap" is beginning his third year with the Antelopes and the smooth shooting forward has made steady improvement since his freshman year. Wayne has been used mainly as a reserve forward, but could see more action as he enters his last two years of college. Wayne played on Colorado's state championship team in high school.

**GEORGE
HOLM**

**Forward
6'5"
Senior**

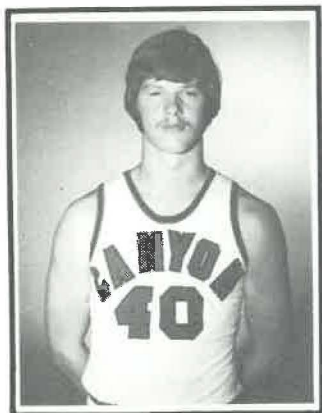

George was a JUCO transfer last year from Brandywine J.C. in Wilmington, Delaware. George came on strong at the end of last year and helped the Lopes through the District Championship as a starting forward. The finest pure shooter on the team, George will be relied on heavily as one of four returning lettermen and will be a top contender to start.

**DAN
MARTIN**

**Forward
6'5"
Senior**

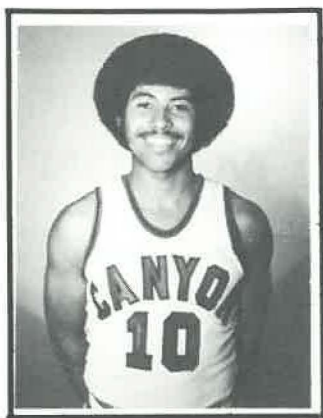

After playing two years at Mesa Community College under Coach Ed Van Winkle, Dan transferred to Chapman College where he spent one semester before returning to Phoenix and Grand Canyon College. Dan redshirted last spring semester and appears ready to go. A fine all-around player, Dan should give the Lopes a boost inside where they need it most.

DENNIS MILLER

**Guard
6'2"
Freshman**

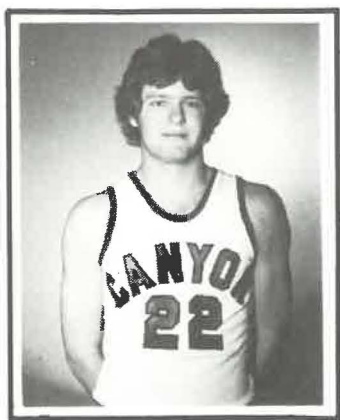

Dennis hails from New Castle, Indiana where he was an outstanding player for Tri High School. Gary Shafer, a former Lope player who now lives in Indiana, helped Dennis find his way to the Canyon and the 6'2" guard appears to have a good chance to see action. Dennis is strong on fundamentals and is starting to improve on defense and shooting.

CHUCK MOORER

**Guard
5'9"
Senior**

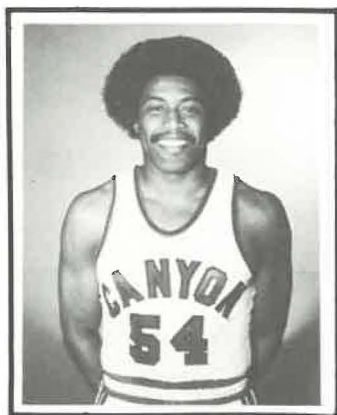

Chuck has redshirted on two different occasions with the Lopes and now appears to be ready to play. Chuck played two years at Detroit Institute of Technology before coming to Arizona. The smallest player on the team, Chuck's strengths are his quickness and excellent outside shooting touch. Should see lost of action and could end up be a starter.

**MIKE
OSBORNE**

**Guard
6'3"
Junior**

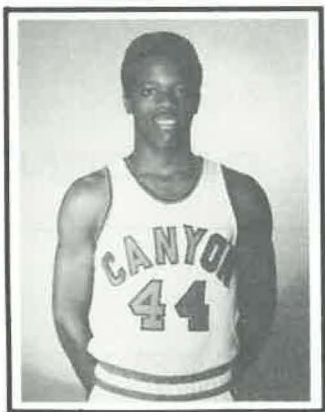

"Buffy" is the most experienced player from last year's team on which he held down a starting guard spot as a sophomore. A very strong defensive player, Mike can also score and is a surprisingly good rebounder. Mike appears to have improved greatly and this year should prove him to be one of the District's top guards. Played on Colorado's State high school championship team which was undefeated.

**DUANE
POOLE**

**Forward
6'3"
Senior**

Duane played his first year with the Lopes last year after transferring from Detroit Institute of Technology. A strong and physical player, Duane can also score with his accurate jumper and inside hook. Well-liked by all who know him, Duane has improved over last year and should be able to give the Lopes valuable help as a swingman.

BILL PRICE

**Forward
6'6"
Freshman**

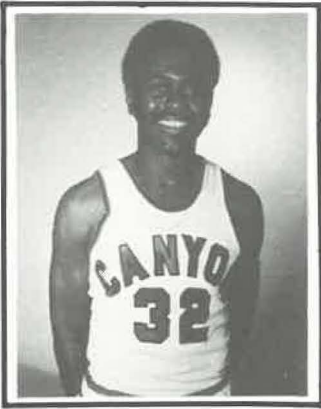

Bill played his prep ball at Martinsville, Virginia where he led his team to the State Championship with 14.0 PPG and 10.0 RPG. A good leaper, Bill rebounds well and has shown the ability to score inside and out. If his defense holds up this guy, although only a freshman, could be one of the starting forwards. A fine young man, Bill should be headed for a great career with the Lopes.

DON SHIKLES

**Guard
6'2"
Freshman**

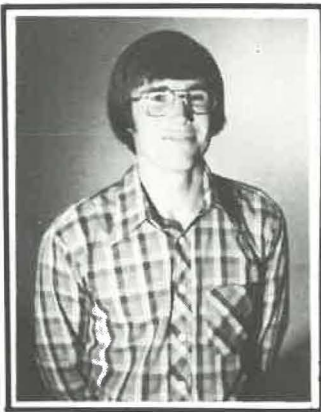

Arizona's leading high school scorer last season, Don comes to the Canyon via Washington High School in Phoenix. Don averaged 29.0 PPG his senior year and scored mainly with a deadly outside jumper. Don is already developing his defense and ballhandling and should have a fine freshman year as a backup guard.

NATE STOKES

**Co-Captain
Forward
6'4"
Junior**

Nate is a JUCO transfer from Coach Carlyle Dean's team at Central Arizona J.C. Nate averaged 19.3 PPG and 7.2 RPG and was selected to the first team all-conference as he led his team to the runner-up spot in the District playoffs. A super leaper, Nate can do it all. Excellent passer, strong rebounder, and fine shooter. Should start at forward, but can play outside too. Will definitely be one of the Lope's top players.

BILL PHILLIPS

**Team
Manager**

Bill graduated from Washington High School in Phoenix last year and is in his freshman year at Grand Canyon College. This will be the first year of managing for Bill as he performs the duties of equipment manager, trainer, and assistant coach. Very dependable and conscientious, Bill will be a big help to Coach Lindsey and the team.
