## GRAND CANYON COLLEGE

## Over 200 Wins...

Ben Lindsey will be starting his thirteenth year as head mentor over the Antelopes. During this period of time the Lopes have established themselves as a national powerhouse in small college basketball, highlighted by their winning of the 1975 NAIA NATIONAL BASKETBALL CHAMPIONSHIP.

Lindsey's overall career record as a college coach is 222-112 with his best efforts being the last four years when his teams attained a combined record of 105-17. In 1973-74 Lindsey's Lopes made a strong bid for an undefeated season when they won their first 24 games before losing their next to last regular season game. They then went on to win the District Championship and advanced to the NAIA Nationals where they were upset by one point in the second round, finishing with a 28-2 record.

In 1974-75, however, the Lopes were not to be denied as they went all the way, winning the NAIA NATIONAL CHAMPIONSHIP and finishing with a 30-3 record. In 1975-76 the Lopes again made it to the NATIONAL TOURNAMENT, but were stopped by a strong Newberry S.C. team before ending their season at 27-3. This also ended the sensational four year careers of first team ALL-AMERICANS Bayard Forrest and David Everett. Both were drafted in early rounds by the NBA. Forrest is presently playing with the Phoenix Suns.

Last season Lindsey was faced with a monumental task of rebuilding and came through admirably, leading the Lopes to a 20-9 season record and again qualifying for post-season play for the sixth year in a row. The Lopes failed to win the District Championship for the first time in five years, however, as an experienced team for Southern Utah State nipped the Lopes 66-64 and then went on to win the title.

In the nine years the Antelopes have been members of the NAIA, they have qualified seven times for post-season play, winning the District Championship four of those years and advancing to the NAIA National Tournament in Kansas City, Missouri. Coach Lindsey has been twice selected as NAIA District Coach of the Year, and in 1975 was selected by the National Association of Basketball Coaches as a candidate for National College Division Coach of the Year. The State of Arizona bestowed its highest honor in coaching on Coach Lindsey in 1975 by selecting him as ARIZONA'S COACH OF THE YEAR. Bayard Forrest, Lindsey's prize player, was also

## Dr. Victor Varner

Administrator  
Vice-President  
Student Affairs**

## Coach Ben Lindsey

**GRAND  
CANYON  
COLLEGE  
ANTELOPES**

honored as ARIZONA'S AMATEUR ATHLETE OF THE YEAR.

Coach Lindsey's teams have been characterized by solid team defense and a well-drilled offense. The Lopes, in recent years, have consistently been among the nation's top defensive teams. Lindsey's system of play and leadership have led Grand Canyon College to national recognition. On several occasions in recent years the Lopes were ranked in the top five college division teams in the nation by Associated Press and U.P.I. The Lopes were also featured in Sports Illustrated on two different occasions.

Coach is a native Arizonan, born in Glendale, AZ., and is an alumnus of Grand Canyon's class of '62. During this time "Big Ben", a sharpshooting forward, broke five school scoring records, three of which still stand. His most points in one season, 510, and most points per game, 23.2, were broken in 1966-67 by Wayne Bateman. His most points in a single game, 44, most points in a three year career, 1235, and most field goals in one game, 18, still remain on the books.

Since receiving a bachelors degree at Grand Canyon, Coach has earned a masters degree plus doing additional work at Arizona State University.

Coach's wife, Jerri, is also an alumnus of Grand Canyon and a school teacher. She specializes in Learning Disabilities and has earned a masters degree from Arizona State University. They have two sons, Yancy and Randall, and a daughter, Mandy

## **Dr. Dave Brazell**

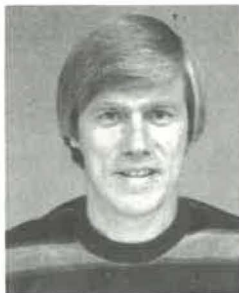

### **ATHLETIC DIRECTOR**

Coach Dave Brazell is in his 27th season at Grand Canyon College. A native of Arkansas, Coach is a graduate of Harrison H.S. in Arkansas, Univ. of Central Arkansas, and the Univ. of Arkansas. His doctoral work was completed at Arizona State University.

For 14 years Dr. Brazell coached the basketball team in addition to his job of Athletic Director and Baseball Coach. During this time, the Antelopes won 151 games while losing 134, including a 20-0 season in 1958-59.

Last year's baseball team was 39-24 against some of the toughest teams in the country. The local nine was ranked in the top ten in the nation in NAIA for almost the entire season. Over the past ten seasons, the Antelopes have averaged 40 wins against 15 losses. This next season promises to be another exciting one with the locals playing close to a 60 game schedule with about 48 of these on the home diamond.

Dr. Brazell is active in numerous professional organizations. He is past Chairman for the Men's Athletic Division of the Southwest District of the American Alliance for Health, Physical Education, and Recreation. Four years ago, the Arizona Coaches Association dedicated the State High School All-Star game to Dr. Brazell. After that he traveled to St. Joe, Missouri, where he was inducted into the NAIA Baseball Coaches Hall of Fame. Last year, Coach received a beautiful 25-year plaque from the American Association of College Baseball Coaches.

## **J. C. Helton**

### **ASSISTANT COACH**

Coach J.C. Helton is a former Antelope himself having played for the Canyon in 1965-68. Since that time Coach Helton has been teaching and coaching at Issac Junior High School in Phoenix, where he has built powerhouses in all sports. His basketball teams have won over eighty percent of there games including the State Junior High School Championship and numerous other tournaments.

Mr. Helton will be assisting Coach Lindsey on a part-time basis while continuing his duties at Issac Junior High. He formerly helped in 1968-69 when he led the Lope freshman team to a 14-4 record.

His wife Elaine is employed by Westcor Inc. They have a daughter Sabrina and a son John.

# Seasons Outlook

Seven lettermen, including four starters, return from the Antelope's 1976-77 squad which went 20-9 on the season, qualifying them for post-season play for the sixth consecutive year. 6'7" center George Hall heads the list of returnees along with 6'4" forward Nate Stokes. Hall led the Lopes in both scoring and rebounding last season with 16.3 PPG and 9.2 RPG and was honored as a member on the All-District team. Stokes was second in scoring and rebounding with 12.0 and 7.0 respectively and appears to be headed for an even better senior year. Other returning starters are 6'3" Mike Osborne and 6'0" Richard Bacon. Osborne and Bacon were the Lope's starting guards last season and averaged 9.0 PPG and 9.2 PPG respectively. Other top returnees are 6'6" forward Bill Price, 5'9" guard Chuck Moorzer, 6'6" center-forward Jeff Churchill, and 6'0" guard Ed Dawson.

Four junior college transfers have joined the Lopes and should add a great deal of strength and depth to the team. Heading the list of J.C. transfers is Ray Arvizu, a 6'2" all-conference and all-district guard from Glendale Community College. Arvizu scored 18.2 PPG for the Gauchos last year. Willie Polk, a 6'5" swingman from Yavapai College and Hank Herrington, a 6'5" forward from Phoenix College, are also promising newcomers as is 5'10" Jim Pappas from Oakton J.C. in Illinois. Polk and Herrington averaged 15.0 PPG and 16.7 PPG respectively while garnering second team honors in the Arizona JuCo league. Other outstanding newcomers are 6'9" Ray Jackson who spent last year attending Phoenix College and Grace College of Indiana, and George Slade, a 6'5" forward who was all-everything in the greater Rochester, New York area. Slade averaged 25.0 PPG as a high school prep.

The Antelope's main strength this year should be their over-all experience, as is evidenced by six of their top seven players returning from last year's team. Depth

## 1976-77 Season

<u>NAME</u>	<u>FGM-FGA</u>	<u>PCT</u>	<u>FTM-FTA</u>
Hall, G.	212-415	.510	49-77
Stokes, N.	142-288	.493	65-99
Holm, G.	128-277	.462	66-76
Osborne, M.	95-224	.424	71-92
Dawson, E.	13-41	.317	8-12
Forrest, J.	47-117	.401	16-30
Price, B.	25-70	.357	18-25
Bacon, R.	105-234	.448	57-74
Moorzer, C.	44-131	.335	10-12
Martin, D.	63-31	.492	8-12
Poole, D.	11-17	.647	6-6
Churchill, J.	3-7	.428	2-2
Shikles, D.	14-24	.583	8-3
Harrison, W.	0-0	-	1-4
GRAND CANYON	870-1908	.455	380-528
OPPONENTS	824-1769	.465	316-479

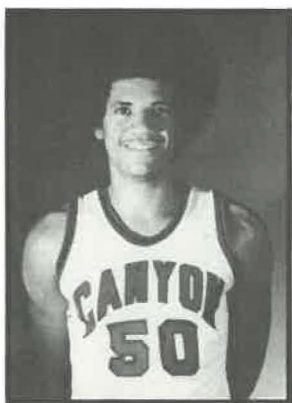

should also be a strength, especially at the guard spot. Bill Price appears to be much improved over last year and should bolster the inside strength along with Jeff Churchill. While the Antelopes are not blessed with abundant height, their rebounding, however, should be adequate.

Although it appears that the Lopes may be stronger than last year's team it will be difficult to match their 20-9 record. The Lopes will be facing a schedule of outstanding opponents headed by the University of Arizona whom the Lopes will be playing for the first time ever. Other traditionally strong opponents will be Northern Arizona, U of San Diego, UC-Riverside, Biola, Cal-Baptist, and the always tough NAIA District 7 schools. The Lopes who have a tradition of their own to live up to, including four District Championships (1972-76) plus a National Championship in 1975, appear to have the stuff to contend with their schedule, however, and if Coach Lindsey can again find the right combination, Lope fans should be able to enjoy another winning season of basketball.

**George  
Hall**  
**CENTER**  
**6' 7"**  
**SENIOR**

George had an outstanding season last year with the Lopes as he led in both scoring and rebounding with 16.2 and 9.2 respectively. George was captain of the AJCAC all-conference team while at Mesa Community College and has wasted no time in doing the same for Canyon as he made NAIA's all-district 7 team last year. A big reason the Lopes were 20-9 in a rebuilding year, George is a legitimate all-American candidate.

**Nate  
Stokes**  
**CO-CAPTAIN**  
**FORWARD**  
**6' 4"**  
**SENIOR**

A former all-conference junior college player, Nate had an outstanding year with the Antelopes last season finishing as the team's second leading scorer and rebounder with 12.0 PPG and 7.0 RPG. Nate has worked hard in the off-season and appears to be ready for a great senior year. Probably the most talented player on the team, Nate can do a little bit of everything. An exciting player to watch, Nate is a prime candidate for all-American.

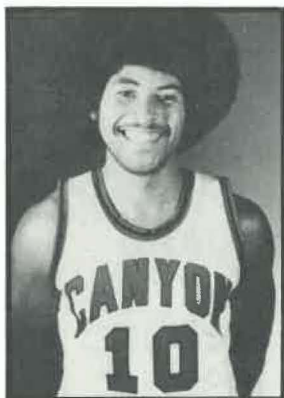

## **Ed Dawson**

**GUARD**

**6' 0"**

**SENIOR**

Ed came to Grand Canyon last year from Mesa Community College where he was second team all-conference. After a fine start last year, Ed was crippled by a chronic ankle sprain and never fully recovered. This year Ed's ankles appear to be in good shape and if everything goes right Ed could be in for a fine year. An excellent playmaker and passer, Ed can also score with his deadly outside shot.

## **Chuck Moorner**

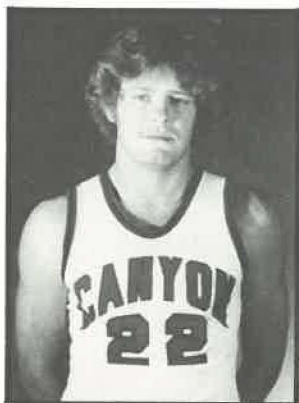

**GUARD**

**5' 9"**

**SENIOR**

Chuck played his first season for the Lopes last year after having redshirted the previous year. Playing mostly as a backup guard, Chuck began to see more and more action as the year progressed. Chuck's strengths are his quickness and outside shooting which enabled him to add 3.3 PPG in a supporting role. He should be headed for a fine senior year.

## **Mike Osborne**

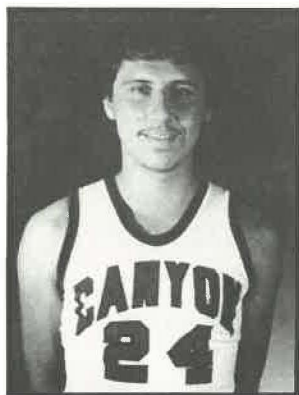

**CO-CAPTAIN**

**GUARD**

**6' 3"**

**SENIOR**

Mike has been a starter for the past two years and his maturity and experience will be heavily relied upon. A very strong defensive player, Mike can also score and is a surprisingly good rebounder. His senior year in H.S. Mike played on Colorado's undefeated State "AAA" Champs. He is the last player still with the Lopes who was a member of the 1975 NAIA Championship team. Mike averaged 9.0 PPG last year.

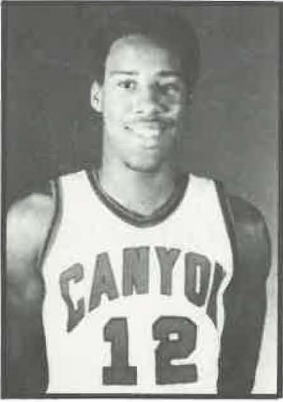

## **Ray Arvizu**

**GUARD**

**6' 3"**

**JUNIOR**

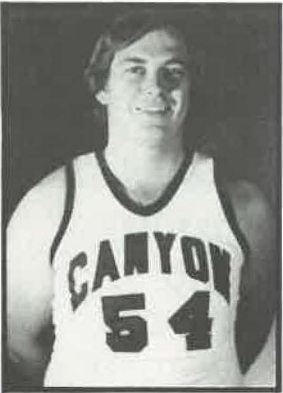

Ray is a J.C. transfer from Glendale Community College where he earned all-conference and all-district honors. Ray played his prep ball at St. Mary's H.S. in Phoenix before enrolling at Glendale. While at Glendale Ray averaged 18.2 PPG and was considered one of the premier guards in the league. Ray is a very intelligent player that can score with the outside jump shot, and should be a leading candidate to start.

## **Richard Bacon**

**GUARD  
6' 0"  
JUNIOR**

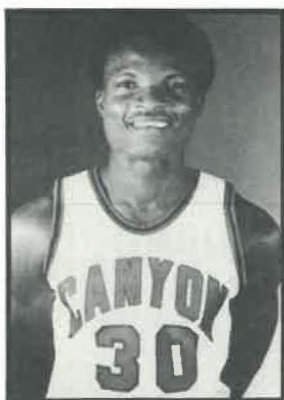

One of four returning starters from last year's team, Rich is sure to be a key player in this year's attack. Rich lettered in both his freshman and sophomore years and has continued to make steady improvement. His main strengths are his quickness and ability to penetrate to the hoop. Rich is also a fine outside shooter and can play the defense. He is sure to be one of the top players to watch.

## **Hank Herrington**

**FORWARD  
6' 5"  
JUNIOR**

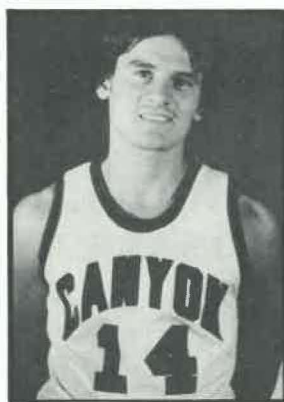

Hank has come to Grand Canyon from Phoenix College where he averaged 16.7 PPG and garnered second team all-conference honors, last season. Hank's assets are his excellent outside shooting touch and his ability to think on the floor. If his defense and rebounding come around he could be seeing lots of action. A very likable individual, Hank is a leader in enthusiasm and team spirit.

## **Abidemi Lawal**

**FORWARD  
6' 3"  
JUNIOR**

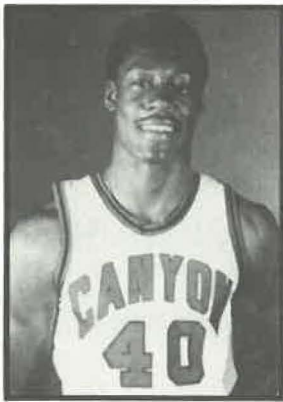

Abidemi's home is in Ibadan, Nigeria. He has been a student at Grand Canyon for the last two years and has finally decided to give basketball a try. Since he has very little background in basketball Abidemi has had to work extra hard at mastering the necessary skills, however, considering the short time which he has been exposed to the game he is a surprisingly good player. He should be a fine addition to the team.

## **James Pappas**

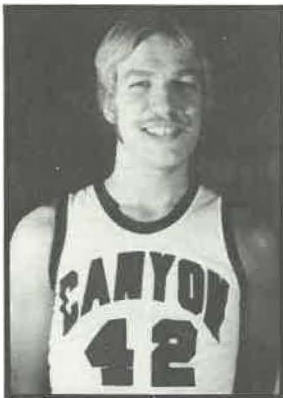

**GUARD  
5' 10"  
JUNIOR**

Jim is the younger brother of Steve Pappas who played with the Antelopes in 74-75 and 75-76. Jim transferred to the Canyon from Oakton J.C. in Morton Grove, Illinois. Jim has added his playmaking ability and hustling defense to the team and is steadily making progress toward becoming an outstanding player. His personality and style of play make him a popular player among his teammates.

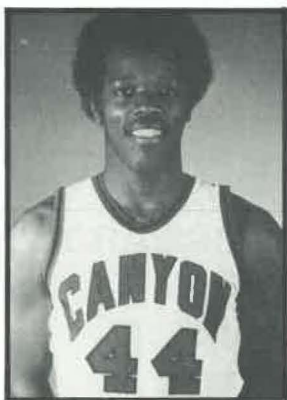

**Willie Polk**  
**FORWARD**  
**6' 5"**  
**JUNIOR**

Willie is the first J.C. transfer from Yavapai College to attend Grand Canyon. His last year at the Prescott, Arizona School Willie helped lead his team to a winning season scoring 15.0 PPG and earning second team all-conference honors. Willie can play inside or out and with his height and quickness he is a valuable man to have. One of the best defensive players on the team, Willie can also score with a fine outside shot.

**Jeff Churchill**  
**CENTER**  
**6' 6"**  
**SOPHOMORE**

Jeff will be entering his sophomore year with the Antelopes after being recruited from Big Bear, California where he led his team to a two year record of 55-4 and a runnerup spot in the C.I.F. Championships. Jeff did not see much action his freshman year, however, he appears to be headed for a much more important role in this year's production. A very aggressive and rugged player, Jeff also has a fine shooting touch.

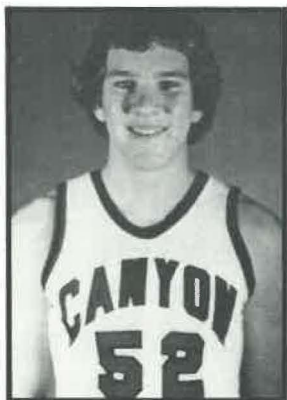

## **Bill Price**

**FORWARD**

**6' 6"**

**SOPHOMORE**

Playing mostly as sixth man last year, Bill had an outstanding year for a freshman and was a big factor in the Lope's 20-9 season. Bill played his prep ball at Martinsville, Virginia where he helped lead his team to the State "AA" Championship. A good leaper, Bill is one of the strongest rebounders on the team and has also shown the ability to score inside or out. A leading candidate to fill the forward spot vacated by graduated George Holm.

## **Ray Jackson**

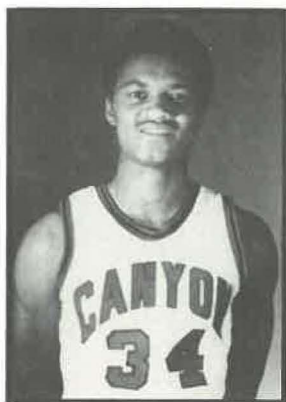

**CENTER**

**6' 9"**

**FRESHMAN**

Bothered by knee problems in high school which required surgery, Ray played very little prep ball before attending Phoenix College first semester last year. From there he transferred to Grace College IND. and now has joined the Lopes. Ray has the ability to be an exceptional player for the Lopes and if his knees continue to improve he should be headed for an outstanding career. Ray will not be eligible until Jan. 8.

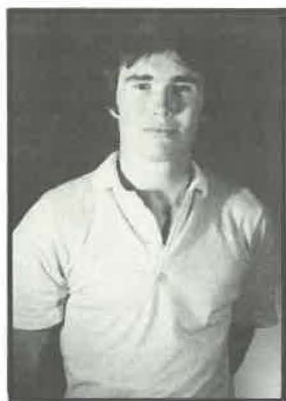

## **George Slade**

**FORWARD**

**6' 5"**

**FRESHMAN**

George was an outstanding prep player last year in Rochester, New York and was referred to Grand Canyon by former Antelope all-American David Everett. "Apple", as his teammates call him, has the ability to become one of the Antelope's all-time best players. George is very agile and quick for his size and his offensive moves are tough to stop. With hard work and dedication, George is destined for an outstanding career with the Antelopes.

## **Bill Phillips**

**TEAM**

**MANAGER**

Bill graduated from Washington High School in Phoenix and is in his sophomore year at Grand Canyon College. This will be the second year of managing for Bill as he performs the duties of equipment manager, trainer, and general helper. Very dependable and conscientious, Bill will be a big help to Coach Lindsey and the team.

## Leading Antelope Scorers

1949-50	Denford Pitts	81
1950-51	Clarence Robinett	192
1951-52	Dan Forrest	319
