DEFENDING NATIONAL CHAMPS

Dr. Bill Estes

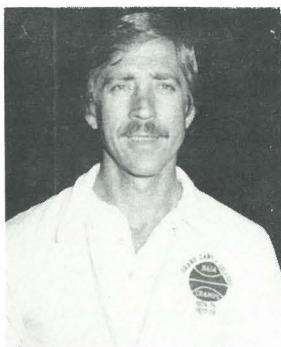

ATHLETIC
ADMINISTRATOR

Dr. Bill Estes is the new Athletic Administrator and Assistant to the President at Grand Canyon College. Among the Athletic Administrator's work is the area of long range planning and development of the Athletic program.

Dr. Estes, a native of Denton, Texas, came to Grand Canyon from Belmont College in Nashville, Tennessee where he was an Assistant Professor of Psychology and the Assistant Baseball Coach.

Dr. Estes received his BS and MS Degrees from North Texas State University in Denton, Texas and his Doctor of Education from George Peabody College in Nashville.

Coach Ben Lindsey

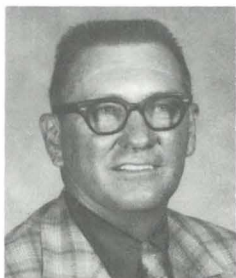

GRAND
CANYON
COLLEGE
ANTELOPES

Coach Lindsey's teams have been characterized by solid team defense and a well-drilled offense. The Lopes, in recent years, have been among the nation's top defensive teams. Their consistently tough schedule has contributed to frequent high national rankings by Associated Press and U.P.I. and the Lopes have also been featured in Sports Illustrated, Sporting News, and other national publications on numerous occasions.

Coach is a native Arizonan, born in Glendale, Arizona, and is an alumnus of Grand Canyon's class of '62. During this time "Big Ben", a sharpshooting forward, broke five school scoring records, three of which still stand. His most points in one season, 510, and most points per game, 23.2, were broken in 1966-67 by Wayne Bateman. His most points in a single game, 44, most points in a three year career, 1235, and most field goals in one game, 18, still remain on the books.

Since receiving a bachelors degree at Grand Canyon, Coach has earned a masters degree plus doing additional work at Arizona State University.

Coach's wife, Jerri, is also an alumnus of Grand Canyon and a school teacher. She specializes in Learning Disabilities and has earned a masters degree from ASU. They have two sons, Yancy and Randall and a daughter, Mandy.

Dr. Dave Brazell

**ATHLETIC
DIRECTOR**

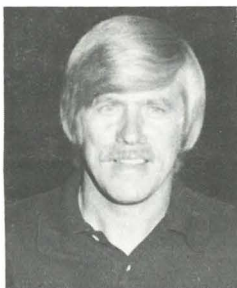

Coach Dave Brazell is in his 28th season at Grand Canyon College. A native of Arkansas, Coach is a graduate of the University of Central Arkansas and the University of Arkansas. His doctoral work was completed at Arizona State University.

For 14 years Dr. Brazell coached the basketball team in addition to his job of Athletic Director and Baseball Coach. During this time, the Antelopes won 151 games while losing 134, including a 20-0 season in 1958-59.

Last year's baseball team again excelled against some of the toughest teams in the country. This next season promises to be another exciting one with the locals playing close to a 60 game schedule with about 50 of these on the home diamond.

Dr. Brazell is active in numerous professional organizations. He is past Chairman for the Men's Athletic Division of the Southwest District of the American Alliance for Health, Physical Education, and Recreation. He is presently Chairman of the NAIA Baseball Rules Committee and Secretary of the NAIA Baseball Coaches Assoc. Along with these duties, Dr. Brazell serves on the Committee responsible for conducting the National Baseball Tournament.

Five years ago the Arizona Coaches Association dedicated the State High School All-Star game to Dr. Brazell. After that he traveled to St. Joe, Missouri, where he was inducted into the NAIA Baseball Coaches Hall of Fame. He has also been presented with a beautiful plaque from the American Association of College Baseball Coaches for twenty-five years of coaching.

J.C. Helton

**ASSISTANT
COACH**

Coach J.C. Helton is a former Antelope himself having played for the Canyon in 1965-68. Since that time Coach Helton has been teaching and coaching at Issac Junior High School in Phoenix, where he has built powerhouses in all sports. His basketball teams have won over eighty percent of there games including the State Junior High School Championship and numerous other tournaments.

Mr. Helton will be assisting Coach Lindsey on a part-time basis while continuing his duties at Issac Junior High. He formerly helped in 1968-69 when he led the Lope freshman team to a 14-4 record.

His wife Elaine is employed by Westcor Inc. They have a daughter Sabrina and a son John.

Seasons Outlook

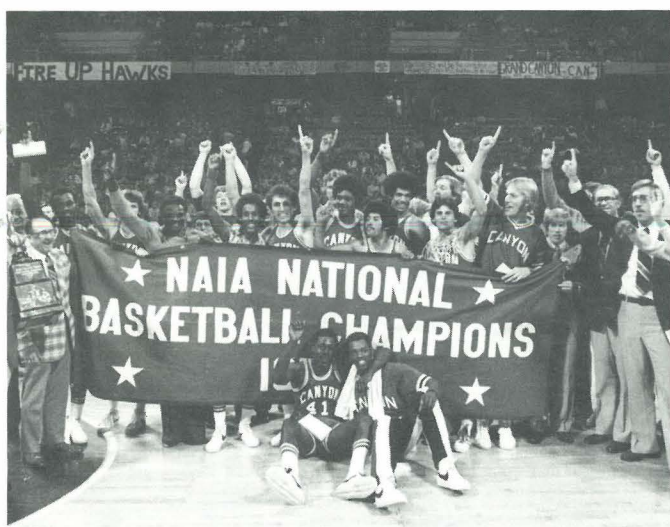

The old cliché, "So what do you do for an encore?", is never more applicable than after you win the NATIONAL CHAMPIONSHIP! The Antelopes for the second time in their history will be facing this ominous task. Last year's Antelope basketball team surprised everybody and walked away with a 30-3 record and their second NAIA NATIONAL BASKETBALL CHAMPIONSHIP. The Lopes were also champs in 1975. For this year's team to do the same would be a feat far beyond the imagination of most mathematicians and oddsmakers. And yet, this is exactly what the 78-79 Antelope basketball team will be attempting to do.

Gone from last year's team are the two big inside guns of George Hall and Nate Stokes. It will be difficult to replace these two top scorers and rebounders, however, junior college transfers Gerard Ross 6'9", Hap Smith 6'5", and Charlie Farrell 6'3" appear to have the talent to take up the slack. They will be helped by inside returnees of 6'6" Jeff Churchill, 6'9" Ray Jackson, 6'5" Hank Herrington, and 6'6" returning starter Bill Price. 6'6" forward Matt Barney, who becomes eligible second semester, should also help. This year's team strength should lie in the backcourt, however, as the Lopes return their two starting guards in 6'6" Willie Polk and 6'4" Ray Arvizu. Arvizu was the Lope's third leading scorer last year with 13.0 PPG and Polk scorched the nets in Kansas City for 15.0 PPG in five games and was runner-up for MVP honors. Also returning in the backcourt will be Rich Bacon and Jim Pappas, two outstanding seniors who played important roles in last year's campaign.

Even though the Lopes have lost two key starters from last year's championship team, Head Coach Ben Lindsey feels that the obvious strength in the backcourt, continued improvement of returning starter Bill Price and reserve for-

ward Jeff Churchill, and additional help from new recruits will again make the Lopes a national contender.

The Lopes will be facing a schedule of outstanding opponents headed by the University of Arizona, Southwest Missouri State, Drury, University of Wisconsin, Stevens Pt., St. Thomas MINN, Biola, California Baptist, and the traditionally strong NAIA district 7 schools. The Lopes have a tradition of their own to live up to as they have now won five out of the last six District Championships including two NATIONAL TITLES.

Ray Arvizu

CO-CAPTAIN

GUARD
6'4"
SENIOR

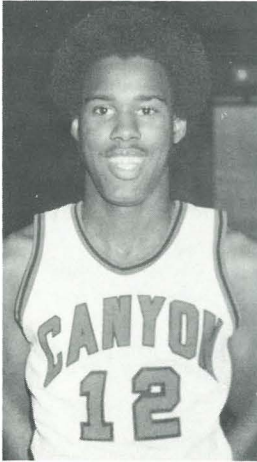

Ray was originally a transfer from Glendale Community College where he earned all-conference and all-district honors. He was a starting guard on last year's team and was the Lope's third leading scorer with 13.0 PPG. Ray is a very intelligent player whose main weapon is his deadly outside shooting. A prime candidate for All-District and All-American honors, Ray is definitely one of small college's premier guards.

David Babcock

GUARD
6'4"
JUNIOR

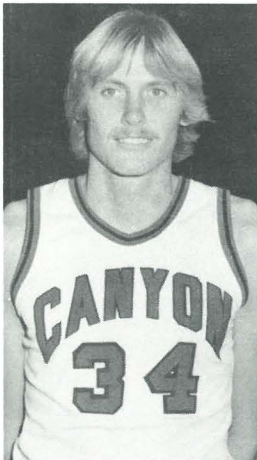

David comes to the Lopes via Scottsdale Community College where he played primarily as a reserve guard. David was outstanding high school player and has followed in the footsteps of his two older brothers, one of which played for the Lopes in 70-74. Dave has good height for a guard and thinks well on the floor. Could play a key roll as a backup guard.

Richard Bacon

GUARD
6'0"
SENIOR

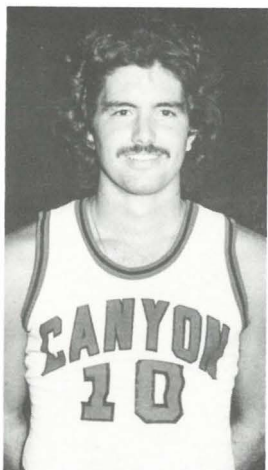

This will be Rich's fourth year with the Antelopes and it is sure to be a good one. Rich has lettered every year and has done an outstanding job in helping the Lopes to be a winner. Exceptionally quick, Rich can play defense and make things happen. Could start for most teams in NAIA, but may have to share this privilege at the Canyon. A good shooter, Rich will definitely be a player to watch.

Matt Barney

Forward
6'6"
JUNIOR

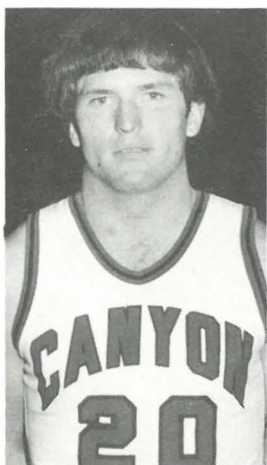

Matt comes to the Lopes via Arizona State University and Hancock J.C. Because of transfer rules Matt will not be eligible until after Christmas. Matt was an outstanding prep player and was selected Arizona's player of the year in 1976. He averaged 17.0 PPG for Hancock J.C. A seven foot high jumper, Matt possesses all the tools to have a great career with the Lopes.

Pete Bartzis

GUARD
6'1"
FRESHMAN

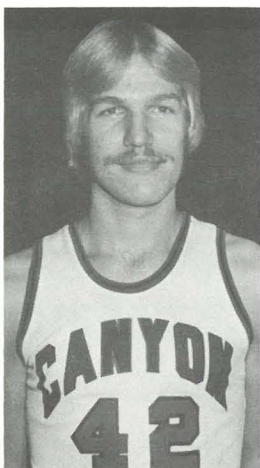

Pete comes to Canyon from Chicago, Illinois where he was an outstanding prep player at St. Patrick's High School. An all-conference pick, Pete averaged 14.0 PPG in leading his team to a winning season in the city's top league. An excellent ballhandler and passer, Pete can also score when not hitting the open man. Should be headed for fine career with the Antelopes.

Joe Campbell

GUARD
6'2"
JUNIOR

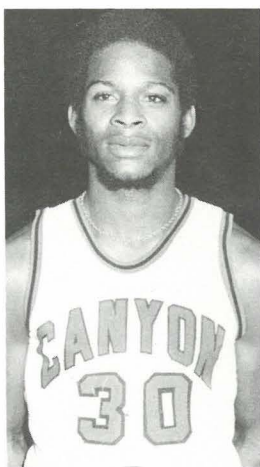

Joe was one of the top players to play small high school ball in the State of Arizona. Numerous records were set by Joe during his playing days at Seligman High School. A transfer from Yavapai J.C. Joe will be entering his third year of college basketball. His main strengths are a deadly shooting eye and consistent floor play. Could be a key player off the bench and is sure to be a helpful addition.

Jeff Churchill

FORWARD
6'6"
JUNIOR

Jeff will be entering his junior year with the Antelopes after being recruited from Big Bear, California where he led his team to a two year record of 55-4 and a runnerup spot in the C.I.F. Championships. Jeff played a valuable role as a backup center and forward on last year's team and is sure to see more action this year. Jeff's strong points are rebounding and an excellent outside shooting touch.

Charlie Farrell

FORWARD
6'3"
JUNIOR

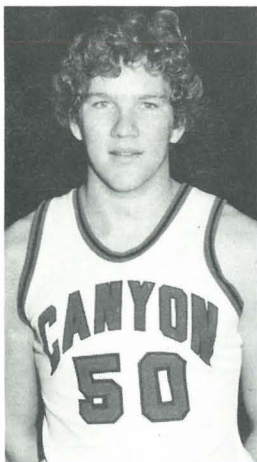

Charlie is a transfer from Mesa Community College where he helped lead his team to the Regional Championship and a berth in the NJCAA National Tournament. An all-conference player, Charlie averaged 14.0 PPG and 8.0 RPG for Mesa while playing outstanding defense. Excellent jumping ability and quickness, should be a strong candidate to start at one of the forward spots.

Hank Herrington

FORWARD
6'5"
SENIOR

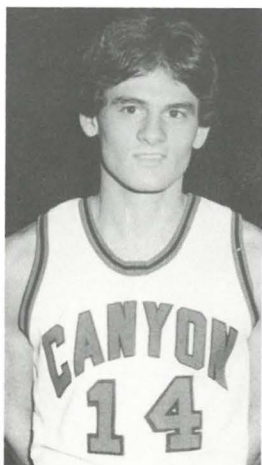

Hank came to Grand Canyon last year from Phoenix College where he averaged 16.7 PPG and garnered second team all-conference. Hank was primarily used as a backup forward last season. His assets are his excellent shooting touch and his ability to think on the floor. An outstanding leader and team motivator, Hank was last year's winner of the "Eric Bridges Team Spirit Award".

Ray Jackson

CENTER
6'9"
SOPHOMORE

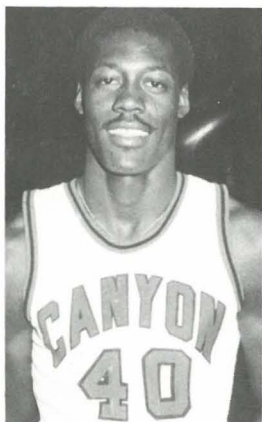

Ray saw only limited action last year after becoming eligible in the middle of the season due to transfer requirements. He has worked hard on his game and this year should be a year of development Ray will be playing the post for the Lopes and if everything goes as planned, he will be seeing lots of action. Determination and desire could make Ray into an exceptional player for the Canyon.

Jim Pappas

Guard
5'10"
SENIOR

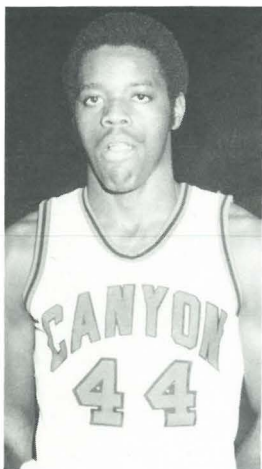

Jim is the younger brother of Steve Pappas who played on the Lope's championship team in 74-75. Jim played a key backup role in the backcourt last year and was a big help in the Lope's drive to the Title. His playmaking ability and hustling defense have made him a valuable asset to the team and this year should be no exception as the Lopes are sure to make good use of his talents.

Willie Polk CO-CAPTAIN

GUARD
6'6"
SENIOR

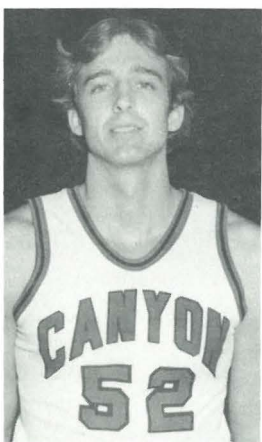

Willie transferred to Grand Canyon last year from Yavapai Community College and wasted no time in making a name for himself. Using his exceptional height for a guard, Willie has become one of the outstanding defensive guards in the nation. His play in the National Tournament last year almost won him MVP honors as he averaged 15.0 PPG, broke the tournament free throw record, and played outstanding defense. Definitely a candidate for all-district and All-American.

Bill Price

**FORWARD
6'6"
JUNIOR**

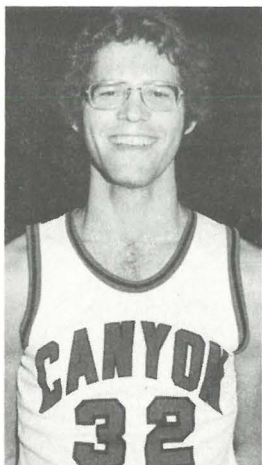

This will be Bill's third year with the Antelopes and the high flying forward has shown steady improvement each year as was evidenced by his winning last year's "Most Improved Player Award". The team's leading rebounder last year and a starting forward, Bill has also shown the ability to score inside and out. He played his prep ball at Martinsville, Virginia where he helped lead his team to the "AA" State Championship.

Gerard Ross

**CENTER
6'9"
JUNIOR**

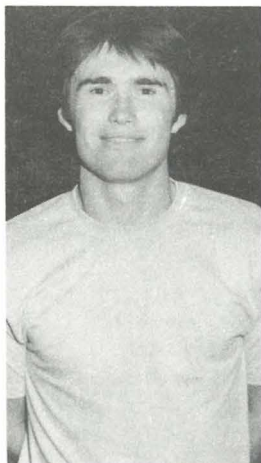

Gerard is the leading candidate to take over the center spot vacated by graduated George Hall. The Lopes have been blessed with good centers in recent years and Gerard appears to be no exception. The 6'9" junior is a transfer from Glendale Community College where he averaged 14.0 PPG and 8.0 RPG. He is adjusting well to the Lope's total team concept and appears to be headed for an outstanding year of college basketball.

Hap Smith

FORWARD
6'5"
JUNIOR

Hap is another transfer from Glendale Community College where he averaged 12.0 PPG and 7.0 RPG. Reasonably strong in every aspect of the game, Hap is sure to play a lot of basketball at the forward position. Hap played his prep ball for Royce Youree at East Phoenix High School where he developed a championship attitude. Good jumping ability and a soft shooting touch should make him a pleasant addition to the Lopes.

Bill Phillips

TEAM
MANAGER

Bill graduated from Washington High School in Phoenix and is in his junior year at the Canyon. This will be the third year of managing for Bill as he performs the duties of equipment manager, trainer, and general all-around helper. Very dependable and conscientious, Bill is a valuable assistant to Coach Lindsey and the team.
