SEASON OUTLOOK

Grand Canyon College Basketball brings into the '82-'83 season an overall record of 483 wins against 298 losses with national championships in 1975 and 1978 under Ben Lindsey. Head Coach Jay Arnote in his second year looks to continue this winning tradition.

Coming off a 17-11 record in '81-'82, which included wins over NCAA teams California State Dominguez Hills (54-22) and the University of California at Riverside (72-70), the 'Lopes work towards another successful season.

The 'Lopes face an even tougher schedule in '82-'83 playing NCAA schools such as the University of New Mexico, Northern Arizona University, California State Dominguez Hills, along with NAIA schools Mesa State, Southern Utah State and Western New Mexico who last year defeated Canyon in the District 7 playoffs 48 to 45.

A strong nucleus of seven players return: Starters Jim Pyers (Guard, 6'0", 160 lbs.) last year's leading scorer with a 11.57 points per game; and Anthony McKinney (Forward, 6'7", 200 lbs.) averaging 8.32 points and 3.3 rebounds per game. These two will give the 'Lopes maturity and experience. Guard Carter Pittman (6'3", 195 lbs.) and Guard/Forward Carl Powell (6'4½", 180 lbs.) look to have good years and will add experience and fine ability. Forward Mike Boatwright (6'8", 200 lbs.) will be a valuable asset and will be counted on heavily being one of the top returnees. Centers Toby Harrison (6'5", 218 lbs.) and Ray Jackson (6'9", 240 lbs.) return and will add strength and durability in the middle.

New players Ray Fearen (6'6", 185 lbs., Forward) is a fine athlete and will see much playing time and Guard/Forward Randy Mead (6'4", 190 lbs.) will add size and strength to his position. Center/Forward Brian Gillis (6'8", 200 lbs.) and Guard Elliot Jones (6'3", 176 lbs.) both played for strong junior college teams at Mesa Junior College under Tom Bennette. Forward Bob Kulovitz (6'8", 200 lbs.) also played MCC for Tom Bennett and then attended the University of San Diego before transferring to Grand Canyon. Guards Larry Craig (5'11", 173 lbs.), Billy Carter (6'3", 175 lbs.) and Forward Cornell Staples (6'5", 205 lbs.) are also junior college transfers and round-out the '82-'83 squad.

MIKE BOATWRIGHT
Forward
6'8" Junior

Mike appears to be ready for his finest year as a 'Lope. Mike has lettered for two years and is one of the top returnees from the '81-'82 squad. Improved strength and quickness to go along with an accurate jump shot (55%), and excellent court awareness make Mike a valuable player for the 'Lopes.

BILLY CARTER
Guard
6'3" Junior

Billy, a Pratt Community College transfer gives both height and ball handling to the back court of the 'Lopes. His shooting and hard work should add to the 'Lopes' effort this season.

RAY FEAREN
Forward
6'6" Junior

Ray is one of the better athletes on the '82-'83 squad. A transfer from Cochise College, Ray is a great leaper and shoots the ball very well with range. Canyon will be counting on rebounding and scoring production from Ray.

TOBY HARRISON
Center
6'5" Senior

Toby is rugged and strong. One of the best liked 'Lopes, Toby's rebounding abilities and year of experience could put him in a position to booster Canyon's rebounding capabilities.

RAY JACKSON
Center
6'9" Junior

Ray is preparing to play his third year of Varsity competition at Canyon after a two year lay off. At 6'10", 240 pounds, Ray creates match up problems for most of the 'lopes opponents. Ray has a fine shooting touch to go along with his size.

ELLIOT JONES
Guard
6'3" Senior

Elliot is a fine all-around player. He can run, jump, pass and shoot. "Dinky's" scoring and his great passing abilities will add to the 'Lopes' offensive production. Elliot has quick feet and is a fine defensive player also.

BOB KULOVITZ
FORWARD
6'8" Junior

Bob is a transfer from the University of San Diego and gives the 'Lopes a big man that can play both inside and out effectively. Bob's strong rebounding and effective shooting are important ingredients for Canyon's success this season.

ANTHONY MCKINNEY
Forward
6'7" Senior

Anthony, a returning starter from '81-'82 team should be all set for an excellent year. Knee surgery in September kept him out of early season practice. However, the stronger knee should add to the effectiveness of his play. The 'Lopes will be counting on Anthony's rebounding and shooting talents.

Carl was likely one of the most improved players on the '81-'82 squad. After a slow start, he made senior contributions later in the season when the 'Lopes were playing their best ball. A swing player last year, Carl will continue playing both spots. However, most of his time will be spent at guard.

JIM PYERS
Guard
