## THE BILLY DONOVAN LEGACY AT FLORIDA

There was a time when people said the University of Florida would never have extended success in men's basketball. The pockets of success would be there but the program would never win on a consistent basis. One man changed that culture.

### BUILDING A CHAMPIONSHIP TRADITION

University of Florida head coach Billy Donovan has made history at the University of Florida in just 15 years. His first decade at UF was filled with a host of firsts, culminating on April 3, 2006 when he guided UF to its first national championship in men's basketball. The start of his second decade at UF began with the school's second straight national title and a school-record 35 wins in 2006-07. He is one of only five active coaches and 13 all-time to have led his team to multiple national titles and became the third youngest coach in NCAA history to do so. Donovan has written and rewritten history at Florida, and at just 46 years of age, has joined the ranks of the greatest coaches of all time.

There was a time when any of these goals seemed unattainable for the University of Florida basketball program. Until March 27, 1996, when Florida athletic director Jeremy Foley hired the up-and-coming Donovan who has turned the Gators into a perennial national power.

Under Donovan, the once unattainable goals of the program have become a reality, as he has taken the University of

### DID YOU KNOW?

Billy Donovan and Dick Harp are the only two men who have played in a Final Four, served as an assistant coach on a Final Four team and was a head coach of a Final Four team? Donovan served as an assistant on the 1993 Kentucky team that advanced to the Final Four, while Harp served as an assistant on the 1952 and 1953 Kansas teams that advanced to the Final Four.

Florida and established it among a very short list of elite programs in the nation. He has joined the greats in his profession and elevated the University of Florida to be mentioned among the great programs in college basketball. In 2007, his Gators became just the seventh team in NCAA history and the first in 15 years to win back-to-back titles. He joined Adolph Rupp as only the second coach in SEC history to guide his team to multiple national titles. In April of 2010, he received the Wooden Award's "Legends of Coaching" honor, the youngest recipient ever.

For those who have followed Donovan's career it should come as no surprise that he has made Florida basketball a winner.

He was a winner at Providence College, where he led the Friars to their best season in school history and a trip to the Final Four in 1987. He was a winner when he laced it up as a New York Knick with the elite athletes in the NBA. He was a winner in five years as an assistant at Kentucky and was part of the Wildcats' Final Four run in 1993. He was a winner as a head coach when he inherited a struggling Marshall program and in two short years won more than 60 percent of his games and put fans back in the seats. And now he has created hoop hysteria in Gainesville. Donovan is one of only two people in the history of Division I college basketball who have played in a Final Four, served as an assistant coach on a Final Four team and participated in the Final Four as a head coach.

Under Donovan, Florida has set a school record with 14 straight post-season appearances, including NCAA Tournament appearances 11 of the last 13 seasons, and put together 13 consecutive 20-win seasons for the first time in school history.

### DID YOU KNOW?

Billy Donovan's 25 NCAA Tournament wins more than triples the number of NCAA Tournament games UF had won in school history prior to his arrival.

UF made the school's first-ever appearance in the National Championship game in 2000 before winning the title in both 2006 and 2007. Donovan has won 25 NCAA Tournament games, more than triple all previous UF coaches combined, and on Dec. 20, 2006, became the school's all-time leader in career wins, posting his 236th at UF, a total he has since risen to 360, third in SEC history.

After the school had just one Southeastern Conference Championship in 77 seasons prior to his arrival, Donovan has tallied four SEC titles (2000, 2001, 2007 and 2011). Florida and Kentucky are the only two SEC schools to capture consecutive league crowns in the past 34 years. Florida has captured five SEC East titles under Donovan and won three straight SEC Tournament titles from 2005-07, the only three in school history. In leading the Gators to the SEC crown for the fourth time in 2011, Donovan picked up the first SEC Coach of the Year honor of his career.

Florida won 261 games in the first decade of this century, the fifth-highest total in the nation and the highest total in the SEC in that time, and nearly 100 wins better than any other decade in UF history.

His winning percentage at UF (.710) is the best among all Gator coaches who spent more than one season in Gainesville and he reached the 100-victory mark at UF quicker than any coach in school history, needing just 154 games to reach the century plateau. He won his 200th game at UF on Dec. 3, 2005 and broke the school record for wins on Dec. 20, 2006, doing so in 92 games fewer than previous

record-holder Norm Sloan. In 2008-09 he became the first UF coach to win 300 games and owns a mark of 360-147 in 15 seasons at Florida and is 395-167 in 17 seasons overall as a head coach.

Donovan's teams have knocked off 57 ranked opponents during his tenure, including a 14-2 mark during the Gators' two-year run as NCAA champions. UF has won 45 of its last 76 meetings with ranked teams.

Donovan's squads have led the SEC in a statistical category 50 times, including 38 offensive categories. A total of 34 of his players have earned All-SEC honors, including Chandler Parsons, who became the first Gator in the 79-year history of the SEC to be named the SEC Player of the Year after the 2010-11 season. Fifteen of his freshmen have been recognized as among the best in the league, including in 2007-08 when Nick Calathes was selected SEC Newcomer of the Year and co-SEC Freshman of the Year.

Eight of Donovan's players have been first-round draft picks in the NBA Draft, after the school boasted only two before his arrival and he has inked 14 McDonald's All-Americans after UF had just three prior to his arrival. In 2007, the University of Florida became the first school to have three players taken in the top 10 picks of the NBA Draft, as Al Horford went third overall, Corey Brewer seventh and Joakim Noah ninth. UF had five players taken in the 2007 NBA Draft and with Marreese Speights being taken in the first round in 2008, UF has had five first-round picks since 2005. The fans have taken notice, attendance is up by

over 5,000 spectators a year since Donovan's arrival and UF shattered the school record for average attendance in 2006-07 with 11,826 per game, including a school record 12,621 in the Gators' thrashing of Ohio State on Dec. 23, 2006. A record 226,815 fans passed through the turnstiles of the O'Dome in 2007-08.

Off the court, Donovan's players have excelled in the classroom. A league-best 57 Gators have been named to the SEC Academic Honor Roll under Donovan, including a league record six in 1997 and 1998. In 2002-03, Matt Bonner earned his second consecutive Academic All-American of the Year award while earning First Team Academic All-America honors for the third straight year. Carrying a 3.98 GPA, Bonner is also the only player in school history to be named to the Academic All-American team three times. Lee Humphrey added to that list in 2005-06, earning Second Team Academic All-America honors, while earning First Team honors in 2006-07. Humphrey was the two-time winner of the SEC Scholar Athlete of the Year Award. Twenty-three of the 27 seniors who have suited up to play for Donovan have graduated from the University of Florida.

### DID YOU KNOW?

Florida had just two first-round draft picks prior to Donovan's arrival. UF has had eight first-round selections under Donovan.

## COACHING STAFF

The 46-year-old Donovan, who was officially hired as Florida's 17th head coach on March 27, 1996, has certainly lived up to his national reputation as one of the nation's top young coaches who preaches an up-tempo, full-court, pressing style of play built around a tremendous work ethic.

The work ethic at Florida started in the recruiting trenches. Just eight months into the job in Gainesville, Donovan landed two of the premier prep players in the state (4A Player of the Year Major Parker and 6A Player of the Year Brent Wright). With a full year under his belt, Donovan and his staff pushed themselves even harder and the results showed. Once again, the focus of the recruiting efforts remained in Florida and the Gators got early commitments from four of Florida's best – Teddy Dupay, LaDarius Halton, Udonis Haslem and Sylbrin Robinson. Those early commitments allowed Donovan and his staff to pursue one of the nation's most coveted high school stars, South Dakota

standout Mike Miller. Miller, who joined Dupay on the prestigious McDonald's All-American team, chose Florida over Kansas and Kentucky to give the Gators a consensus top-five recruiting class. Proving that class was no fluke, Donovan put together another consensus top-five recruiting class in 1999. This one landed another pair of McDonald All-Americans (Brett Nelson and Donnell Harvey joined Matt Bonner and Justin Hamilton as freshmen in 1999-2000). Florida was the only school in the nation to have multiple selections in the 1998 and 1999 McDonald's All-American games. The 2000 class included a Parade All-American, Orien Greene. The 2001 class featured a nation's best three McDonald's All-Americans - Kwame Brown, David Lee and James White, although Brown declared for the NBA Draft. Donovan's five-man recruiting class in 2002 - highlighted by another McDonald's All-American Anthony Roberson and Matt Walsh again ranked among the nation's best. Corey Brewer was the ninth McDonald's All-American

Florida has led the SEC in an offensive team statistic 35 times under Billy Donovan. UF had led the conference in an offensive team statistic just three times prior to his arrival.

recruited by this current coaching staff, while Jai Lucas and Nick Calathes became the 10th and 11th McDonald's All-Americans signed by Donovan. Current Gators Kenny Boynton, Patric Young and Bradley Beal are the 12th, 13th and 14th McDonald's All-Americans signed by Donovan, while Mike Rosario, a former McDonald's All-American, transferred to UF after his sophomore season at Rutgers, giving UF four McDonald's All-Americans on its current roster.

The recruiting efforts have paid dividends on the floor. After inheriting a squad that scored 66.8 points a game, shot .429 from the field and won just 12 games the year before his arrival, Donovan's squads have ranked among the nation's best, averaging 26.1 wins per season the past decade while scoring nearly 80 points per game.

The 2010-11 Gators had one of the most impressive seasons in school history as UF finished the season with a 29-8 record, the 29 wins tying with the 1994 and 2000 Final Four teams for third-most wins in school history behind the national title teams of 2006 (33 wins) and 2007 (35 wins). Along the way, Florida won 13 of 16 SEC games, claiming just the third outright conference title in school history, Donovan was named SEC Coach of the Year for the first time in his career and Parsons became the first Gator to be honored as SEC Player of the Year. The Gators made the SEC Tournament championship game before losing to Kentucky, and then bounced back with NCAA Tournament wins against UC-Santa Barbara, UCLA and BYU prior to

falling to eventual national finalist Butler in the Elite Eight.

In 2009-10, the Gators made their 10th NCAA Tournament appearance in the last 12 years, posting wins over No. 2 and returning NCAA runner-up Michigan State along the way. Erving Walker earned Second Team All-SEC honors, while Kenny Boynton earned SEC All-Freshman honors. A relentless team, the Gators rallied from halftime deficits five times on the year.

The 2006-07 squad will go down as one of the great teams in college basketball history, closing out with a 35-5 mark, starting the year as No. 1 in the nation, and finishing the year in the same spot after another convincing NCAA Tournament run. With the pressures of college basketball's first possible repeat champion in 15 years, Donovan pushed all the right buttons, managing the complex personalities of one of the most talented lineups in the history of college basketball.

Florida dominated the Southeastern Conference, going 13-3 and winning the school's fourth SEC title and only its second outright title. The Gators demolished the field at the SEC Tournament to win the school's third straight title in the event.

Each of Florida's top six players were honored by the league, as Joakim Noah, Al Horford and Corey Brewer earned First Team All-SEC honors, Taurean Green earned Second Team honors, Lee Humphrey was the SEC Scholar Athlete of the Year and Chris Richard the Sixth Man of the Year. Noah (Second Team) and Horford (Third Team) earned AP All-America honors for their tremendous efforts.

The Gators went 8-1 against ranked opponents, including 3-0 against top-five teams. The Gators won their first six games of the season before dropping two out of three with a depleted roster. Donovan then led the team to its third 17-game winning streak in the last two years, as the Gators held the No. 1 spot from Jan. 15 until Feb. 19, the longest continuous run in school history.

After winning the SEC regular season title, the Gators shifted into another gear as the postseason approached. Florida won each of its three SEC Tournament games by 17+ points, waltzing to a third straight title behind an MVP performance from Horford.

After dismantling Jackson State in the NCAA Tournament opener, the Gators rallied from a two-point halftime deficit against Purdue to advance to the school's fourth Sweet 16 in the last nine years. Donovan guided the Gators to wins over Butler and Oregon to advance to the Final Four for the third time in his tenure and the second straight year behind a regional MVP performance from Green.

At the Final Four, the Gators proved to once again be the dominant team in college basketball, easily defeating UCLA in the national semifinal, then completing a dream season with a nine-point victory over Ohio State in the national title game, as Brewer earned MVP honors.

The 2006-07 Gator squad led the nation in field goal percentage (.526) and margin of victory (+17.2), while leading the SEC in seven major categories.

The 2005-06 team was one of the truly special teams in recent basketball history, tearing through the NCAA

Tournament field to the Gators' first NCAA title. Donovan led the Gators to a then-school record 33 wins, including a record 17 straight to start the season. Florida served notice early in the season starting the year unranked and marching to the title of the Coaches vs. Cancer Classic at Madison Square Garden, beating ranked and much more experienced opponents, Wake Forest and Syracuse in the process.

Florida reached New Year's undefeated for the first time in school history and finished regular season non-conference play a perfect 14-0. After finishing second in the SEC East, Florida turned it up a notch once the calendar turned to March. Florida defeated Kentucky at Rupp Arena for the first time since 1998, taking a 15-point decision on Senior Day. The Gators then stormed Nashville and took home their second straight SEC Tournament title, defeating Arkansas, LSU and South Carolina to claim the crown.

Florida then raced through the NCAA Tournament, demolishing its opponents by an average of 16.0 points per game in its six victories. The Gators opened with 26- and 22-point wins, respectively, over South Alabama and Wisconsin-Milwaukee and then swept Big East opponents Georgetown and Villanova in the Minneapolis Region to advance to the Final Four. Once in Indianapolis at the Final

Four, Florida left no doubt about the most dominant team in the 2006 tourney, beating George Mason by 15 in the national semifinal, then UCLA by 16 in the national title game. Florida became the first school since UCLA in 1968 under legendary coach John Wooden, to win both the national semifinal and the final by 15+ points.

Joakim Noah earned Final Four MVP and Minneapolis Region MVP honors and was tremendous during the NCAA Tournament. The 6-11 forward averaged 16.2 points, 9.5 rebounds and swatted an NCAA Tournament record 29 shots over the six games.

Noah earned First Team All-SEC honors while Donovan's ideal plan of balance was executed to its fullest potential in 2005-06. All five starters averaged in double-figures. All five were honored by the SEC. Florida finished second in the nation in field goal percentage and was among the national leaders in assists, as the group took Donovan's lead, made the extra pass and played the game unselfishly.

During the Gators' two-year run as national champions, Donovan led the squad to 18 straight postseason wins, the longest by any program since the great UCLA teams of John Wooden won 28 straight games. Donovan's teams have broken 64 school (individual and team), SEC and

NCAA Tournament records over the two years.

The 2004-05 season did nothing but solidify Donovan's place among the coaching elite, as he guided the Gators to a 24-8 mark and the school's first SEC Tournament title. Donovan blended a team with returning upperclassmen David Lee, Anthony Roberson, Matt Walsh and Adrian Moss with a group of talented freshmen and sophomores.

The Gators won 12 games in SEC play for the fourth time under Donovan and led the league in scoring and scoring margin. Most notably, however, the Gators finished third in the league in points per game surrendered, a vast improvement after finishing 11th the year before.

Anthony Roberson was runner-up for SEC Player of the Year, earned Honorable Mention All-America from the Associated Press and First Team All-SEC from both the league coaches and AP. David Lee became the first Gator in 15 years to average a double-double in SEC play and earned Second Team honors across the board while Matt Walsh was a Second Team choice by the league coaches.

The Gators were brilliant down the stretch, winning six of their final seven regular season games, capped with a 53-52 victory over Kentucky on Senior Day before a then-school record crowd of 12,602 fans. The Gators then stormed through Atlanta, taking the toughest route possible, defeating Mississippi State, a team it had lost to earlier in the year, defeating SEC West champion Alabama, then picking up a 17-point win over Kentucky in the title game. The win over Kentucky gave Florida two wins over the Wildcats in the span of a week, the first team to beat them twice within a 10-day stretch since 1920.

Florida reached the NCAA Tournament and held off a solid Ohio team in the opening round before running into one of the hottest teams in the nation in Villanova in the second round. When it was all said and done the Gators had won 20 games for the seventh straight year, reached the NCAA Tournament for the seventh straight year, made history in the SEC Tournament and had finished with the fourth most wins in school history.

In 2003-04, Donovan came up with, arguably, one of his finest coaching efforts, molding the third youngest team in the nation into a squad that reached the SEC Tournament Championship game for the first time in a decade.

Eight of the 10 scholarship players at the season's end were in either their freshmen or sophomore years, as Donovan used a combination of seven different starting lineups throughout the year. Starting at 14-8 on Feb. 18, Donovan inspired his team to six wins in their final eight games heading into the NCAA Tournament, as the Gators won 20 games for the sixth straight season and reached the Dance for the sixth straight year.

Anthony Roberson earned Honorable Mention All-American honors and First Team All-SEC honors from both the coaches and Associated Press, while Matt Walsh earned Second Team honors from each and David Lee earned Second Team honors from the league coaches and Third Team honors from the AP. Roberson averaged 17.9 points per game, the highest ever by a Donovan-coached player at UF, while Walsh's 15.8 points per game were the fifth best single season average by one of his players at the time.

The season was filled with thrilling finishes, as the Gators defeated third-ranked Arizona at the Tip-Off Classic in Springfield, Mass., when Bonell Colas cut to the basket and finished a lay-up in the closing seconds, a victory that helped the Gators reach No. 1 in the nation on Dec. 8.

Against Alabama in the SEC Tournament, Lee Humphrey hit a 17-foot jumper at the buzzer to give the Gators a thrilling

75-73 overtime victory, while Roberson followed the next day with a 35-point outburst against Vanderbilt, the most points by a Gator in over 20 years.

The 2002-03 team reached uncharted territories in one of the most successful seasons in school history. The Gators set a school record with 24 regular season wins, while reaching No. 1 in the nation for the first time in school history on Feb. 3, 2003. The Gators earned a No. 2 seed in the NCAA Tournament, their highest positioning ever in the postseason, while their 25 wins overall were the third most in school history.

A year after finishing just 2-7 in games decided by five points or less, Donovan's squad became a gritty bunch that found a way to win the close ones, claiming seven games decided by five points or less in 2002-03. The Gators tied the school record with a 14-game winning streak, while setting a new O'Connell Center record with a 19-game home winning streak that extended over the final four games of the 2001-02 season until the 2002-03 home finale. Florida was ranked wire-to-wire for the fourth straight year, while matching the school record for SEC wins in a 16-game season with 12.

Anthony Roberson earned SEC Freshman of the Year honors, the first Gator to do so in nearly two decades, while Matt Bonner earned First Team All-SEC honors, Honorable Mention All-America honors, was the Verizon Academic All-American of the Year for the second straight year and was honored as the Men's College Basketball Student Athlete of the Year.

The 2001-02 squad set school records with its fourth consecutive NCAA appearance and a fourth consecutive 20-win season while Donovan led the Gators to a share of their third straight SEC Eastern Division Championship. Florida put together a school-record 14-game winning streak and climbed to a then program-best number two ranking in both polls in the January 14th rankings. Florida posted a final record of 22-9, with the nine losses coming by just an average of 5.0 points per game - the lowest margin of defeat in school history. Florida trailed by more than 10 points just twice all year and seven games came down to the final possession. Florida boasted a league-high five SEC Academic Honor Roll selections and the squad featured the National Academic All-American of the Year (Matt Bonner). In all, the Gator squad set 12 team records, including a then-school-best attendance average of 10,805.

The 2000-01 squad tied a school record with a third straight 20-win season and a third consecutive bid to the NCAA Tournament. At the NCAA Tournament, UF won its opening round game for the third straight year for the first time in school history. The final tally showed 24 wins and a share of the Southeastern Conference Championship for the second consecutive year. UF was ranked No. 8 in the final Associated Press Poll, the highest finish in school history. Reaching those milestones wasn't easy. Florida players missed a combined 33 games because of injuries during the season and UF players had four surgeries during the SEC schedule. UF played at full strength for just nine games and none after December 28th. Florida played one game with seven scholarship players, 11 games with eight scholarship players and 10 games with nine scholarship players. Three of Florida's starters went down with injuries in a week's span of the SEC schedule, and after a 1-3 start to the SEC slate, the outlook was not good. UF's character and will prevailed, as the Gators won 11 of its final 12 league games, with the only loss a buzzer beater at Kentucky.

The 1999-2000 squad will go down as one of the greatest in school history. With preseason expectations higher

than ever, the squad became the first in school history to be ranked in the national polls wire-to-wire. The season began with a sold out crowd of 12,487 to witness Florida's 35-point win over Florida State in the O'Connell Center. The season ended with 43,116 fans on hand at the RCA Dome in Indianapolis to watch the school's first-ever appearance in the National Championship game.

In between, there were a lot of other firsts for the Gator hoop program. For the first time in school history season tickets were sold out before November. The Gators went 12-4 in Southeastern Conference action to share the league championship with Kentucky, Tennessee and LSU - only the second SEC crown in the 81-year history of the program. Florida averaged 9,783 fans and averaged a school record 11,593 fans for SEC home games. The fan support, coupled with UF's average margin of victory of 31.3 points per game, supported one national magazine's preseason claim that the O'Dome is the "Scariest Place to Play" in the nation. Florida made a school-record 31 appearances on television, including eight on CBS and six on the ESPN Networks. UF faced a school-record 11 ranked opponents during the year and knocked off the nation's top-ranked team (Duke in the NCAA East Regional Semifinal) for the first time in school history. A day later UF topped Oklahoma State to advance to the Final Four for the second time in school history and made Donovan just the sixth coach to both play and coach in the Final Four. He then became the fifth of those coaches to appear in the national title game after Florida defeated North Carolina in the National Semifinals.

When the storybook season ended with UF's highest final ranking in school history (second in the ESPN/Coaches' Poll), a total of 34 school records were set. Living up to his offensive trademark of running and pressing, UF led the SEC in scoring, scoring margin and assists.

Donovan's third squad won 22 games (the fourth most in school history at the time), advanced to the Sweet 16 for the third time in school history and averaged 80.3 points per game. UF's 1998-99 regular-season winning percentage of .731 was the third best in school history and its 10 conference wins were the second most at UF since the league went to a 16-game league format in 1992. En route to setting or tying 30 school records, the 1998-99 Gators became only the second squad in school history to be ranked in the Final Polls (17th in ESPN and 23rd in Associated Press). UF led the SEC in three point field goal percentage, three pointers per game and steals. For the second consecutive year, Florida led the league with five selections to the SEC Academic Honor Roll.

Donovan's 1997-98 Florida squad made the school's first postseason appearance in three years and won more games and league contests than the year before despite playing a school-record tying eight ranked opponents. The Gators led the nation in an offensive team category for the first time in school history after posting an NCAA best 9.83 three pointers per game and they also led the Southeastern Conference in three point field goal percentage accuracy. All told, the 1997-98 team set six single-season records and four game records, while a league-record six student-athletes were named to the SEC Academic Honor Roll. The Gators defeated No. 7 Kentucky at Rupp Arena to mark the first time in 10 years Florida had defeated a ranked SEC team on the road and ended a 10-game slide to the Wildcats. The win also marked the first time the Gators would defeat the eventual national champion in the regular season.

The first order of business on the court in season number one for Donovan was conditioning. The Gators lost a

combined 61 pounds and decreased their body fat by a combined 27.7 percent before he ever coached a game at UF. Despite replacing three starters and more than 50 percent of the scoring from a club that won 12 games the year before and playing with just six scholarship players for over half of the SEC schedule, Donovan's first Florida squad broke nine school records during the 1996-97 season and won more games than the year before. The Gators ranked 10th nationally and went from worst to first in the league in three point shooting percentage as UF led the league in an offensive category for the first time since 1988-89. Every player who scored during the season set or tied career highs in single-game scoring, while seven of the eight players scored more points in 1996-97 than they did in their entire career entering the season.

Donovan's work ethic also gave Marshall University, home of Donovan's first head coaching job in March of 1994, a basketball facelift. Donovan inherited a program that went 9-18 the year before his arrival and turned a nine-man squad into believers. The result was an 18-9 record and a North Division Championship in the Southern Conference. Marshall averaged just 13 victories a season in the six years before Donovan arrived and finished the 1993-94 season as one of the 10 most improved teams in the nation. Along the way, six school records fell as smooth as three-pointers swishing in the net in Donovan's fast-paced offense. The Thundering Herd set school records for three pointers in a game (17), three-point attempts in a game (35), three-point attempts in a season (693) and three-pointers made in a season (253). Marshall led the Southern Conference in scoring (84.4), scoring margin (+6.8),

free throw percentage (74.2), blocked shots (4.1), steals (11.2), turnover margin (plus-123) and attendance (6,574). Donovan was named the National Rookie Coach-of-the-Year by Basketball Times and added Southern Conference Coach-of-the-Year and West Virginia College Coach-of-the-Year (by West Virginia Sportswriters Association) honors.

It was more of the same in Donovan's second season in 1994-95. Marshall went 17-11, set five school records and led the league in scoring (91.4), field goal percentage (.495) and three-pointers per game (10.1). Nationally, the Thundering Herd offense ranked third, while its field goal percentage and three-pointers a game ranked sixth and second, respectively.

In two short years, his Marshall teams posted an overall mark of 35-20 (.636) and captured a league championship. In 55 games at the helm of the Thundering Herd his teams averaged 88.8 points a game, shot .472 from the field, .382 from three-point range and .717 from the line. On the average, his squads attempted 25 three-pointers a game and connected on 9.8 per game. Eleven times his squads had 100-plus points in a game and there was a 2,000-fan increase at the turnstiles in his two-year tenure.

Prior to his coaching job at Marshall, Donovan spent five years on Rick Pitino's staff at Kentucky. Donovan joined the Kentucky staff as a graduate assistant coach in 1989. Prior to the 1990-91 season he was promoted to assistant coach and then to associate coach before the 1993-94 season. During his five-year stay at Kentucky, the Wildcats posted a 122-38 (.762) record and advanced to the Final Four in 1993. In addition to his duties with on-floor coaching, Donovan also had a hand in recruiting all of the upperclassmen on the 1996 National Championship team.

As much as any assistant has digested and learned from the up-tempo, full-court, pressing philosophy adapted by Pitino, Donovan may have as good a grasp as any. Not only did he spend five years under Pitino at Kentucky, he also played the style under him at Providence and later, with the New York Knicks in the NBA.

A native of Rockville Centre, N.Y., Donovan was a part-time player for the Friars in his first two seasons, averaging just over two points as a freshman and three points as a sophomore. Enter Pitino as head coach at Providence in 1985, and "Billy the Kid" was born. Once considered undersized and underdeveloped, Donovan thrived under the new system and finished his career as one of the premier players in Providence history. As a junior he averaged 15.1 points a game and shot better than 50 percent from the field at the guard spot. Donovan then averaged 20.6 points a game and earned honorable mention All-America honors (UPI) as a senior, capping off a magical ride to the 1987 Final Four by being named the Southeast Regional Most Outstanding Player. Donovan still holds three Providence school records (single season three pointers - 97; three-point attempts in a season - 237; minutes played in a season - 1234). Donovan was inducted into the Providence College Hall of Fame in June of 1999 and was named to the 10-man All-Time Providence Civic Center Team in January of 1999.

In the 1987 NBA Draft, Donovan was drafted in the third round (68th overall) by the Utah Jazz, where he played in the preseason before being waived. After a brief stint in the CBA with Wyoming, Donovan rejoined Pitino after signing a one-year contract as a free agent with the Knicks. Donovan played in 44 games, averaging 2.4 points and 2.0 assists per game.

After his one-year stint in the NBA, Donovan worked with an investment banking firm on Wall Street for a year before joining Pitino at UK.

## COACHING STAFF

Donovan's work ethic and never-say-die attitude was instilled at a young age when he played at St. Agnes High School in Long Island, New York. Never having enough time at the gym, Donovan was known to have propped open the door to the gym before leaving practice so he could return on his own to shoot. On at least one occasion, his worried mother, Joan, found his bed empty at 2 a.m. No worry, said his father, William, who was a standout guard at Boston College and graduated in 1962 as the third leading scorer in school history. Check the gym, and you will find him. Eventually, the school custodian gave Billy a key to the gym, and later his father built a lighted court in the back yard. The results paid off as Donovan earned first-team All-Long Island honors his last two seasons and led St. Agnes to the Long Island Catholic High School Championship his senior year.

Donovan and his wife, Christine, have four children, William (19), Hasbrouck (17) and Bryan (14) and Connor (9). The eldest plays basketball at Catholic University in Washington, D.C.

## COACHING STAFF

## MATT McCALL

### ASSISTANT COACH

Matt McCall returns to the Gators after being involved with the men's basketball program while earning his undergraduate and graduate degrees at the University of Florida. He comes back to UF after three seasons as an assistant coach at Florida Atlantic where he served under Mike Jarvis. Florida head coach Billy Donovan announced McCall's hiring on April 25, 2011.

"Matt is someone that worked for our program for seven years, he knows the University of Florida and he knows me," Donovan said. "I felt, in losing three assistant coaches, that it was really important to have a level of familiarity on my staff."

"He is a hard worker, he was a part of us winning two national championships here and he helped FAU win its league title this year. He has great ties in the state of Florida, will be a great fit to our staff and I'm thrilled to have Matt come back to the University of Florida."

In each of the Ocala native's three seasons at FAU, the Owls improved dramatically. After a 6-26 record in 2009, FAU jumped to a 14-16 mark in 2009-10, but posted a 10-8 finish in the Sun Belt Conference. Finally, in 2010-11, the Owls posted the school's highest win total at the Division I level, finishing with a 21-11 mark, a Sun Belt championship and an appearance in the NIT, which marked just the second postseason berth in program history. FAU posted a mid-season eight-game win streak, which is a school-best since competing in Division I.

While with the Owls, McCall developed a reputation as an energetic recruiter, helping the Owls bring in several recruits, including Greg Gant and Dennis Mavin from the Gainesville area and Raymond Taylor from Miami. Gant was among conference and national scoring leaders and three-point shooters as he helped the Owls make the jump from six to 14 wins in 2009-10. In addition to his recruiting prowess, McCall focused on the backcourt and in-game

adjustments, as well as helping coordinate coaches' and players' camps throughout the year.

McCall originally joined the UF program as a student manager in the 2002-03 season and became the head manager the following year. After earning his degree in exercise and sports science in 2004, McCall continued with the program while earning his master's in secondary education in May 2006, McCall accepted a position as Florida's director of basketball operations, which he held for two seasons from 2006-08, including UF's second national title run in the 2006-07 season.

In total, the Gators earned two national championships, three straight SEC Tournament titles and an SEC championship during McCall's first stint with the program. The Basketball Times has featured McCall as one of the nation's up-and-coming young coaches.

McCall is the son of Beth and Wayne McCall. Wayne, a prominent Ocala attorney, was a linebacker and three-year letterwinner on the Gator football team from 1965-67.

McCall is engaged to Allison Rios.

# JOHN PELPHREY

## ASSISTANT COACH

John Pelphrey, who spent the past nine seasons as a head coach, returns to Gainesville where he served as an assistant for six seasons from 1996-2002 and helped the Gators to a 124-65 record with a then-school record four straight appearances in the NCAA Tournament. Pelphrey was instrumental in the Gators advancing to their first-ever national championship game in 2000, following a Sweet Sixteen appearance in 1999.

"Having John back will be a great addition to our program," said Florida head coach Billy Donovan when Pelphrey was hired on April 12, 2011. "Obviously, he has a level of familiarity with me and with the University of Florida, which makes this a great fit. John's a great coach, he's a great friend and has a love for Florida, and we're excited to bring him back."

Following his time at Florida, the Paintsville, Ky., native went on to serve as head coach at South Alabama for five seasons from 2002-2007 and Arkansas for four seasons from 2007-11, earning two trips to the NCAA Tournament. Pelphrey holds a career 149-122 record (.550) as head coach, including an 80-63 mark (.559) at South Alabama and a record of 69-59 (.539) at Arkansas.

In 2005-06, Pelphrey guided the South Alabama Jaguars to a Sun Belt championship and the conference tournament title, leading to a spot in the NCAA Tournament, where South Alabama fell to Florida on the way to the Gators' first national championship. Pelphrey earned Sun Belt Conference Coach of the Year honors that season as his team led the league in scoring margin and three-point defense and finished second in steals and scoring defense. South Alabama also improved its offensive output by 11 points over the previous season and finished 24-7.

In his final season at South Alabama, Pelphrey guided the Jaguars to a 20-12 mark (13-5 Sun Belt) and an appearance in the NIT, where the team fell at Syracuse in the opening round.

In 2007, Pelphrey was tabbed to lead the Arkansas program and responded by leading the team to 23 wins in 2007-08, the best total by a first-year coach in the school's history, while advancing to the SEC Tournament final and into the second round of the NCAA Tournament. The Razorbacks' win against No. 24 Indiana in the big dance was their first since 1999. That squad finished with a 23-12

record and reached as high as No. 18 in the national polls and posted a 6-2 record against ranked opponents. Those 23 wins were the most at Arkansas since 1999.

Though Pelphrey will not be on the Arkansas bench this season, he was instrumental in assembling the Razorbacks' 2011 recruiting class that rates in the top five nationally.

Prior to Pelphrey's first stint as a Florida assistant, he spent two seasons on Donovan's staff at Marshall, where the Thundering Herd went 18-9 in 1995 and 17-11 in 1996 after going 9-18 the year before they arrived. Prior to that,

Pelphrey coached under Eddie Sutton at Oklahoma State in 1994, where the Cowboys went 24-10 and reached the second round of the NCAA Tournament.

Pelphrey began his coaching career following one season playing professionally in France and Spain.

He played two years under Sutton and three under Rick Pitino at Kentucky. Inducted into the Kentucky Hall of Fame in 2005 and named the Wildcats' Student-Athlete of the Year in 1989, his jersey number (No. 34) was retired in 1992. During his Kentucky career, he started 90 of 114 games and finished with a career scoring average of 11.0 points.

Named Mr. Basketball in the state of Kentucky as a senior at Paintsville High School in 1987, he scored 2,477 points and grabbed 1,316 rebounds for his career.

Pelphrey is married to the former Tracy Lyon and they have a son, Jaxson Hamilton and a daughter, Grace Donovan.

# NORM ROBERTS

## ASSISTANT COACH

Norm Roberts joined the Gators on April 12, 2011, after most recently spending six seasons as the head coach at St. John's in New York, where in 2004 the Queens, N.Y., native took over the Red Storm.

"Being from New York, I've known Norm for a long time," Donovan said of Roberts' hiring. "He's an outstanding coach, he's a great recruiter, has high character and integrity and I'm thrilled to have him on our staff here at Florida."

In his first season, the Red Storm showed that despite coming off several losing seasons they could compete at a high level with a pair of top-25 victories over No. 17 North Carolina State and No. 21 Pittsburgh while claiming the championship at the 2004 Holiday Festival at Madison Square Garden. St. John's also defeated long-time rival Georgetown that year.

In Roberts' second season in 2005-06, St. John's improved its overall and conference record and claimed the Holiday Festival championship for a second consecutive year. The team also scored its first top-10 win under Roberts, defeating No. 9 Pittsburgh, 55-50, on Jan. 21 just four days after another top-25 win against No. 17/15 Louisville, 68-56.

In 2008-09, St. John's scored its biggest victory of Roberts' tenure, knocking off No. 7 Notre Dame, and added a pair of wins over Georgetown, including a first-round matchup in the Big East Tournament. In his final season with the program, Roberts led St. John's past UConn in the Big East Tournament and earned a postseason berth in the NIT.

Roberts came to St. John's after serving as an assistant under Bill Self at four different institutions. As the associate head coach at Kansas in 2003-04, he helped the Jayhawks to a 24-9 record and an appearance in the Elite

Eight at the NCAA Tournament.

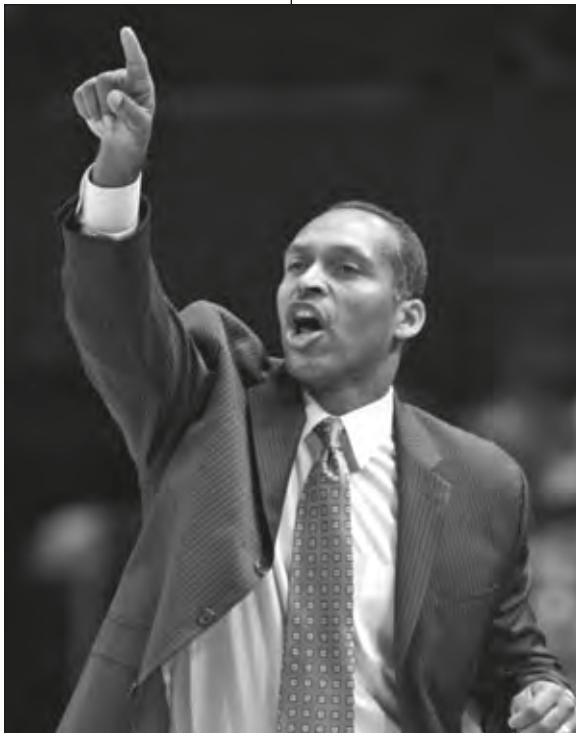

Prior to that, he spent three seasons at Illinois (2000-03), including serving as associate head coach in 2002-03, three seasons at Tulsa (1997-2000) and two seasons at Oral Roberts (1995-97). Overall, Roberts-assisted teams at the Division I level have compiled an overall record of 215-76 (.739).

A 1987 graduate of Queens College with a bachelor's degree in health and physical education, Roberts is the local school's third all-time leading scorer with 1,719 points. He also is the career leader in steals (253) and is second in assists (460), and had his number (15) retired by his alma mater in 1993.

Roberts' first job out of college was under legendary high school coach Jack Curran at Archbishop Molloy High School in Queens, where he spent three years as the head freshman coach and an assistant on the varsity squad.

While at Archbishop Molloy, he had the opportunity to coach many noted New York players, including all-time New Jersey Nets assist leader Kenny Anderson.

He and his wife Pascale have two sons, Nicholas and Justin.

### DAVE "DUKE" WERNER

ATHLETIC TRAINER

Dave "Duke" Werner enters his eighth year as the University of Florida's men's basketball trainer, although he is no stranger to Gator athletics, having spent the previous 10 years working with the baseball program. Werner is responsible for the daily care, as well as prevention and rehabilitation of student-athlete's injuries in the basketball program. He joined the Florida training staff in June 1994.

In his first four years with the Gator basketball program, he has made a tremendous impact. Only one game was missed in 2005-06 due to injury, despite significant injuries to both Lee Humphrey and Corey Brewer, due to Werner's relentless rehabilitation. In 2006-07 Werner played an instrumental role in rehabbing Al Horford who sprained his ankle on Dec. 10 and returned just over two weeks later in time for a showdown with Ohio State. In 2007-08, the Gators had the same starting lineup for 35 of 36 games.

Werner brought to Florida an extensive background in professional sports after spending time in both the National Football League and minor league baseball. Prior to joining the Gator staff, he held a six-month assistant trainer position for the NFL's Tampa Bay Buccaneers during the 1993 NFL season and served a four-year stint in the Baltimore Orioles minor league organization from 1988-91. As the head trainer for the Orioles entries in the Gulf Coast League, Appalachian League and New York-Penn League during the span, Werner's baseball background translates into top-notch, experienced treatment and care for the Gator players.

As the Florida baseball team trainer Werner was responsible for the training duties over 40 future professional players. Werner also watched and helped 11 former Gators make their way through minor league baseball into Major League uniforms.

A graduate of Eastern Kentucky ('91), he earned a degree in athletic training, as well as a teaching certificate for grades 7 through 12 in physical education and health. Werner continued his education at the University of Louisville, earning a master's degree in sports administration in 1993. While at Louisville, he served as a graduate assistant trainer for the Louisville athletic program and worked specifically with the Cardinal basketball, swimming and soccer programs.

The 42-year-old Werner is a member of the National Athletic Trainers Association, the Southeast Athletic Trainers Association and the Athletic Trainers Association of Florida. A graduate of South Ripley High School and a native of Versailles, Ind., Werner enjoys fishing, hunting and NASCAR racing.

He is married to the former Gwen Strayhorn and they reside in Hawthorne. The couple are the parents of two daughters, Makayla Teal, born May 17, 2005 and Catherine Grace, born Dec. 9, 2006, and one son, Colton Herman, born June 24, 2010.

### PRESTON GREENE

STRENGTH AND CONDITIONING COORDINATOR

Florida hired Preston Greene as strength and conditioning coordinator on August 23, 2011. Greene came to the Gators after a two-year stint from 2009-11 as an assistant strength and conditioning coach with Clemson men's basketball.

"We're excited about the addition of Preston to our staff," Donovan said. "He brings a wealth of knowledge and experience, and we're looking forward to having him work with our team."

Clemson posted a combined record of 43-23 and advanced to a pair of NCAA Tournaments with Greene on the staff. Clemson earned its first NCAA Tournament win in 14 years in 2011 when the Tigers knocked off UAB in the first round.

"I came to Florida to win and to contribute to the excellence that this program has had under Coach Donovan," Greene said.

Greene is one of only seven internationally certified Level 5 coaches through the Poliquin International Certification Program (PICP) and is a BioSignature Modulation Practitioner.

This past season, Greene's work in the weight room with Jerai Grant was one of the reasons the Tiger center was among the most improved players in the ACC. When Grant first enrolled at Clemson, he weighed just over 210 pounds and played only 8.3 minutes per game. In 2010-11, he played all season at 230 pounds and was the team's second-leading scorer at 12.4 points per game. In his first season at Clemson, he had a positive impact on the play of first-team All-ACC forward Trevor Booker, who was selected No. 23 overall in the first round of the 2010 NBA Draft by the Washington Wizards.

Greene, a 1999 Clemson graduate, returned to his alma mater after multiple stops, including a one-year stint (2008-09) as the strength & conditioning coach for Stanford under head coach Johnny Dawkins. He designed and implemented all aspects of the Cardinal players' strength and speed development programs and oversaw the team's nutritional needs. Stanford posted a 20-14 record and advanced to the College Basketball Invitational.

Prior to his lone season in Palo Alto, Greene served as the director of strength & conditioning for Charlotte from 2003-08. He worked primarily with the men's basketball team under coach Bobby Lutz and also worked closely with the men's golf team.

Greene was an assistant strength, speed & conditioning coach at the University of Arizona for two years prior to his time with the 49ers program. At Arizona, he assisted with the implementation of strength, speed & conditioning for the football team, while serving as the head strength coach for the women's basketball and women's soccer programs. He also directed the department's nutrition and supplementation program.

The Peachtree City, Ga., native worked as a student and graduate assistant under Joey Batson from 1995-99. He was in charge of strength & conditioning for golf, women's soccer, men's tennis, and volleyball. He also assisted with football during his time at Clemson. He is one of several former student or graduate assistants under Batson to have been named director of strength & conditioning at another institution.

Several of Greene's assistant strength coaches have earned top positions with various Division I athletic programs. Jim Krumpos, who worked for Greene at Charlotte, is now the men's basketball strength coach at Miami. Bradford Scott, a graduate assistant under Greene at Arizona, is the director of athletic performance at Portland. Stephen DiLustro, who also worked alongside Greene at Arizona, is a sports performance coach for several teams at Stanford.

Greene earned a bachelor's degree in health science from Clemson in 1999, with a minor in sport management. He received a master's degree in 2000 from the University of Minnesota in applied kinesiology and sports management. Greene holds numerous certifications and memberships, including the National Strength & Conditioning Association (NSCA). He also recently earned certification as a performance enhancement specialist by the National Association of Sports Medicine (NASM).

He is the co-founder of the Eleiko Strength Summit, first held on May 8, 2010, at the Poliquin Strength Institute in Greenwich, R.I. The Eleiko Strength Summit is an invite-only event that attracts the elite level strength & conditioning coaches in the United States.

Greene is married to the former Jennifer Lynn Deyo. The couple has a son, Charles Preston (1).

## BY THE NUMBERS

**24** ..... Erving Walker ranks 24th on Florida's all-time scoring list with 1,330 points heading into his senior season.

**47** ..... Erving Walker became the 47th Gator to score 1,000 career points when he scored a game-high 20 points against Ole Miss on Jan. 8 in UF's SEC opener.

**48** ..... Kenny Boynton joined Walker in the 1,000 point club with his 17 points in the Elite Eight against Butler. It marked the fourth time in the last five years that multiple Gators joined the 1,000 point club (2007 – Brewer, Green, Horford, Humphrey, Noah; 2009 – Calathes, Hodge; 2010 – Parsons, Tyus).

**377** ..... Erving Walker's 377 assists rank him ninth in the UF record book.

**5** ..... Billy Donovan only needs five victories to reach the 400 win mark for his career.

**13** ..... Florida has reached the 20 victory mark in each of the past 13 seasons, one of only five teams to do so.

**.710** ..... Through his first 500 games at Florida, Billy Donovan owned a .710 winning percentage, good for second all-time through 500 games at an SEC school. Only Kentucky's Adolph Rupp (.842) owns a better winning percentage over the span of his first 500 games in the SEC.

**233** ..... The Gators hit 233 three-pointers in 2010-11, becoming the only SEC school to have hit 200-plus three-pointers each of the past 15 years (every year of the Billy Donovan era).

**6** ..... Florida played in a school-record six overtime games in 2010-11. The Gators won four of those games, also a program-best.

**12.21** ..... Florida turned the ball over a mere 12.21 times per game last season. The total ranked fourth in school history for fewest turnovers committed per game.

**25.9** ..... Florida has averaged nearly 26 wins per season since 2000, the highest total in the SEC.

**14** ..... With the addition of Bradley Beal, Florida has now signed 14 McDonald's All-Americans since Billy Donovan's arrival. The current UF roster has four McDonald's All-Americans (Beal, Boynton, Rosario, Young).

**.750** ..... The Gators went 15-5 in games played outside of Gainesville last season. The .750 winning percentage was third-best in the nation.

**1st** ..... Billy Donovan won his first SEC Coach of the Year award last season, while senior forward Chandler Parsons became the first Gator in the 79-year history of the SEC to be named the SEC Player of the Year.

## 2006 & 2007 NATIONAL CHAMPIONS

"Winning a national championship with no expectations – well maybe people can say, 'They got lucky, they got hot at the right time.' Then to win one with all of the expectations on you – I think they have to go down, in the word 'team,' as one of the greatest teams of all-time."

-Billy Donovan

With the expectations of a nation awaiting, the University of Florida took its place in history with its second consecutive national title in 2007. A year earlier, the Gators had taken the nation by storm with no expectations at all. A year later, they took everyone's best shot and were still the last team standing at the Georgia Dome. When it was all said and done, the Gators became the first team in 15 years to repeat and joined the great teams in college basketball history in the process. Champions Forever.

### THE "HISTORY BOYS"

After winning a second straight national title, Grant Wahl of Sports Illustrated dubbed these Gators as, "the History Boys, a once in a generation collective that achieved one of the rarest feats in modern American team sports." It was as much a tribute to the accomplishment as the path they paved to get there. The Gators were the epitome of unselfish. Its entire starting five averaged within 3.0 points of one another, but just as importantly, within 2.4 shots per game of one another, with none getting as many as 10.0 per game. The Gators posted 68 wins over the two years, tied for the fifth-highest two-year total in NCAA history. And in its two national titles, the Gators were dominant, outscoring opponents by 15.9 points per game over two years. A once in a generation collective indeed.

### 18 IN A ROW

In 2006 and 2007 the University of Florida was at its best when the stakes were the highest – in postseason. During that time the Gators pieced together 18 consecutive postseason wins, the longest stretch since the great championship UCLA teams of John Wooden in the 1960s and '70s won 28 in a row (under a four-game NCAA Tournament format). Florida went 12-0 in the NCAA Tournament, winning eight of 12 by double-digits, and went 6-0 in the SEC Tournament with a pair of titles (to reach three in a row overall) in that time.

### DONOVAN JOINS ELITE COMPANY

Billy Donovan became just the 12th coach to win multiple NCAA titles and one of only four active coaches to do so (Mike Krzyzewski 4, Jim Calhoun 3, Roy Williams 2). Furthermore, at 41 years of age (now 46), he became the third youngest coach all-time to win multiple NCAA titles (Bobby Knight, Indiana – 35, 40; Phil Woolpert, San Francisco – 39, 40). He joined legendary Kentucky coach Adolph Rupp as the only coach in SEC history to boast multiple national titles.

"We enjoyed the entire process, not just the end result. We enjoyed being around each other, playing ball with each other, we were a family, and I wouldn't trade this experience for anything in the world."

-Al Horford

"People can say what they want, but in the end, they do have to say, 'Yeah, they did win back-to-back titles.'"

-Joakim Noah

"They really enjoyed every step of this journey. I think they had a different perspective and appreciation the second time around for how hard it was and what they truly accomplished."

-Billy Donovan

## 2006 & 2007 NATIONAL CHAMPIONS

"Just the opportunity to play with this group made the game of basketball so enjoyable. We played the game the right way, we trusted and loved each other like family, and we accomplished things none of us ever dreamed of because of it."

-Lee Humphrey

"We were the ultimate team. We were unselfish, we passed the ball, everyone made plays and everyone had a part in winning."

-Corey Brewer

## PLAYER DEVELOPMENT

Florida has 311 wins since the 1999-2000 season, tops in the Southeastern Conference and fifth in the nation during that stretch. The Gators won the 2006 and 2007 national titles, the only program in the nation to win back-to-back national titles since Duke's 1991 and 1992 teams, and UF's three national title game appearances are tops in the nation since 2000. During that span, no other SEC school has reached the national championship game.

### THE DONOVAN PHILOSOPHY

"I look for guys who love the game. Guys who have to be committed to that time. You only have 20 hours in a week, and they have to be spent with no wasted motion or energy. You have to have guys who love to play, guys who love to play on the edge. I'd much rather have a guy a little less talented who loved to play than to have a guy with great talent who doesn't give it his all."

"Getting the right personnel is always important, but what you do with it is more important. With young kids, their self esteem needs to be lifted, they need to feel good about themselves. A huge part of building a program is the relationship you establish with the kids. If the kids respect you and like you, they will play hard for you."

"You try to get them to play beyond their wildest expectations. Try to get them to play harder than they ever imagined playing. Some may call it selling a dream, but I believe in reaching for the stars and not settling."

### GROWTH THROUGH THE SYSTEM

Udonis Haslem, Matt Bonner and David Lee are not only players who have made the transition from the University of Florida to the NBA, but they're players who grew through Billy Donovan's system over a four-year period. All three have gone on to sign multi-million dollar NBA contracts, including Lee's six-year, \$80 million contract signed with the Golden State Warriors in the summer of 2010.

## FACILITIES

"Facilities are a statement for commitment and we think this makes a big one for Florida basketball. Billy showed the commitment on the court and the administrators here felt we had to do our part. One of the things we do with our coaches is to make sure if other schools come calling they won't go. We've got the resources in place. We can keep people here longer with quality programs."

-University of Florida Athletics Director Jeremy Foley

Florida's \$10 million state-of-the-art private basketball practice facility, which opened in October of 2001, is the nation's premier practice complex. The two-story 47,505 square foot facility includes multiple practice gyms, a training room, a 1,900-square foot weight room, locker rooms, coaches' offices, conference rooms, equipment room, team lounge area and film/video rooms with theater style seating to give the Gators the only basketball-exclusive practice facility in the Southeastern Conference. The design team of RDG Sports in Des Moines, Iowa, began the project in September of 1999 and construction began in July of 2000.

In September of 2007, a \$1.8 million project was completed in the facility to celebrate the history of the Florida basketball program, while adding state-of-the-art technology. One Up, a joint venture between Florida-based XOS Technologies and Downstream, an Oregon design firm, completed the extensive project for the University of Florida men's and women's basketball programs.

One Up redesigned many areas of the facility, including the atrium, which welcomes visitors with a 20-foot chandelier comprised of inspirational images and words. Below, trophy cases celebrating the Florida men's team's championships also feature monitors relaying highlights of the seasons. On the second floor, a dynamic Gallery Media Display showcases more trophies and team memorabilia. Visitors can also engage interactive screens to review highlight clips of Gator Greats who have gone on to play in the NBA and WNBA. The most surprising twist is meant to inspire players in the practice gym. Here, pieces of hallowed hardwood hang from above, as suspended from the ceiling with the logos from each of Florida's four Final Four appearances. Another key coaching advantage is revealed when opening the padded doors to display the Coaching Command center that is housed on both the men's and women's courts. This Command Center has a Large LCD monitor and a VCR/DVD used to view film during practice.

## GAME DAY EXPERIENCE

"The scariest place to play this season? If you said Cameron or The Pit, take a seat. Florida's O'Connell Center gets our vote. Billy Donovan and his run-and-gun Gators have turned the O'Dome into the stickiest lair this side of The Swamp."

-ESPN The Magazine

"I had always heard that Florida was a great college basketball atmosphere. Now that I've experienced it, I would have to say it's everything it was built up to be."

-Jay Bilas, ESPN Gameday

"Shrink Ben Hill Griffin Stadium, put it under the dome, and cull the quiet ones at the gate. The 12,048 fans at the O'Connell Center on Tuesday night sounded louder than the 20,000 fans at Thompson-Boling Arena."

-Knoxville News Sentinel Columnist John Adams

"Last year it was by far the loudest arena we played in. We couldn't hear Coach in the huddle before the game. All you saw was his lips moving."

-Former Kentucky guard J.P. Blevins

"Their crowd helps them play great defense. It's the true definition of the sixth man. I don't see why anybody wouldn't want to play here."

-Former Georgia guard D.A. Layne

# THE SOUTHEASTERN CONFERENCE

## THE NATIONAL'S PREMIER ATHLETIC CONFERENCE

Throughout its history in men's college basketball, the Southeastern Conference has captured 10 NCAA Championships and four NIT titles, placing the league among the premier conferences in college basketball. More than half of the member institutions advanced to postseason play in 2010-11 for the 33rd straight year.

### SEC HIGHLIGHTS

- Every team in the SEC has made at least one NCAA Tournament appearance in the last decade, with eight teams appearing in five or more in that time.
- The SEC is the one of just two conferences in the nation, along with the ACC, to have all of its teams ranked at least one week in the Associated Press top 25 (excluding preseason polls) since 1999-2000. Simply stated, every SEC team has been a top-25 team nationally at one point in the last 11 seasons.
- The SEC was the only conference to have multiple teams (Florida, Kentucky) in the Elite Eight at the 2011 NCAA Tournament.
- During the 2010-11 NBA season, 40 players on opening-day rosters came from the SEC schools, and 20 of the league's 30 teams had SEC representation on its roster, including nine Gators on eight different teams.

### BIG ATTENDANCE NUMBERS, AGAIN

More than 2.5 million fans have witnessed SEC basketball in each of the last four seasons. The SEC posted the fourth-largest season attendance in league history, totaling 2,518,749 fans for games featuring SEC teams in 2009-10. A record 2,638,852 fans saw SEC basketball in 2008-09 while 2,562,073 were in attendance in 2006-07 and 2,561,545 for the 2007-08 season.

### HOW SWEET IT IS

The Southeastern Conference has had at least one team advance to the Sweet 16 in 21 of the last 22 years. The SEC record for most teams advancing to the Sweet 16 is four which was accomplished in 1986 (Alabama, Auburn, Kentucky, LSU) and in 1996 (Arkansas, Georgia, Kentucky, Mississippi State). Eleven of the SEC's 12 members have advanced to the Sweet 16 since 1996.

### SEC AMONG FINAL FOUR LEADERS

In the last 19 NCAA Tournaments (1993-2011), the SEC's 13 Final Four appearances are the second-most by any conference. The SEC has had a total of five different teams to make the national semifinals, behind only the Big Ten and Big East's seven over the 19-year span. SEC teams have made a total of 23 all-time appearances in the Final Four (28 including five appearances by Arkansas prior to joining the SEC).

### SECOND TO NONE

During the 2006-07 academic year the Southeastern Conference became the first conference to win the Division I National Championship in Football (Florida), Men's Basketball (Florida) and Women's Basketball (Tennessee) in the same school year. Only the SEC and the Big East have ever won both the men's and women's basketball titles in one season. SEC won both three times in 1996, 1998 and 2007. The Big East has won both twice in 2003 and 2004.

### SPREADING THE WEALTH

Since the 1980-81 season, each of the 12 SEC schools has captured either an SEC divisional, overall or tournament title and 11 different schools have won or shared the SEC Championship since the league's inception in 1933.

### LEADERSHIP

Michael L. Slive, Commissioner of Conference USA, was named the seventh commissioner of the Southeastern Conference on July 2, 2002. Slive was the first Commissioner of Conference USA when the league was formed on April 24, 1995. He was also Commissioner of the Great Midwest Conference when that league was formed in 1991.

Slive was selected by the chief executive officers of the 12 Southeastern Conference institutions.

### HISTORY OF THE SEC: A TIMELINE

**1932** – The 13 members of the Southern Conference west and south of the Appalachian Mountains reorganize to form the Southeastern Conference. In 1940, Martin S. Conner, former Mississippi Governor, is named first SEC commissioner.

**1933** – The first SEC champions were crowned in four sports (baseball, men's basketball, football and men's outdoor track). The league's inaugural championship was a basketball tournament.

**1948** – Bernie Moore becomes the SEC's second full-time commissioner and moves the league offices to Birmingham, Ala.

**1966** – A.M. "Tonto" Coleman becomes the SEC's third commissioner. Under Coleman, the SEC admits its first black athlete, Kentucky football player Nat Northington.

**1972** – As the SEC's fourth commissioner, Dr. H. Boyd McWhorter makes a formal agreement to send its football champion to the Sugar Bowl. Also, under his leadership, the SEC Men's Basketball Tournament is reborn in 1979 after being discontinued in 1952.

**1979** – The Southeastern Conference sponsors its first women's championships in basketball, tennis and volleyball.

**1986** – Dr. Harvey Schiller, as the league's fifth commissioner, establishes the SEC as a leader in the areas of athletic scholarship and marketing.

**1990** – Under the league's sixth commissioner, Roy Kramer, the SEC welcomes the University of Arkansas and the University of South Carolina as its newest members.

**2000** – The SEC reaches multi-year extensions with its television partners – CBS Sports, ESPN and Jefferson-Pilot – to televise SEC sports throughout the 2008-2009 academic year.

**2002** – Mike Slive is selected as the seventh commissioner in the league's storied history.

**2009** – The SEC begins 15-year television partnerships with ESPN and CBS.

## GAME 33 - KENTUCKY 70, FLORIDA 54

### SEC TOURNAMENT - GEORGIA DOME - ATLANTA, GA.

With Kenny Boynton the only Gator scoring in double digits, Florida was not able to hold off the hard-charging Wildcats who took the win, 70-54, in the SEC Tournament final. Senior Chandler Parsons pulled down a game-high 10 rebounds in addition to his nine points and Boynton dished out a team-high five assists. Florida only led twice and didn't have an answer for Kentucky's freshman duo of Brandon Knight and Terrence Jones who scored 17 and 16 points, respectively.

## GAME 34 - FLORIDA 79, UC SANTA BARBARA 51

### NCAA TOURNAMENT - SECOND ROUND - TAMPA, FLA.

The No. 2-seed Gators had no problem, rolling past No. 15-seed UC-Santa Barbara 79-51 on Thursday night at the St. Pete Times Forum. It was Florida's first March Madness victory since defeating Ohio State in the 2007 national championship game. The Gators (27-7) were very business-like as the final seconds ticked off, walking over to shake hands with the Gauchos (18-14) and quickly moving on.

## GAME 37 - BUTLER 74, FLORIDA 71 (OT)

### NCAA TOURNAMENT - ELITE EIGHT - NEW ORLEANS, LA.

Florida's quest to reach its fifth Final Four in school history ended with a 74-71 overtime loss to Butler in the Elite Eight. A second-half comeback by a scrappy Butler team that wouldn't go down when it appeared the Gators were about to deliver a knockout blow with less than 10 minutes left in the game sent the Gators home. Florida led by as many as 11 in the second half, taking a 51-40 lead on a jumper by Alex Tyus with 9:26 remaining. The Bulldogs then started a 17-6 run at that point to tie the game at 57 on Shelvin Mack's lay-up with 3:03 left in regulation. Despite Butler's comeback, the Gators had a chance to win in regulation. With the score tied 60-all, Florida had possession for the final 30 seconds but Erving Walker's three-pointer bounced out.

## FLORIDA 93, ILLINOIS 76

**MARCH 19, 2000 • LJVM COLISEUM, WINSTON-SALEM, N.C.**

Florida went on a 19-6 run and held Illinois without a field goal in the final 6:50 of the first half to take control of the game. The Gators edged UI by six points at the half and maintained the lead through the entire second half. The win marks the first time in UF history that the Gators have advanced to the Sweet Sixteen in back-to-back seasons. UF had four players in double figures led by Mike Miller's 19 points. Florida defeated former Gator head coach Lon Kruger, who coached at UF from 1990-96. Nelson's 16 points was the best offensive performance for a Gator off the bench in the NCAA Tournament since Dwayne Davis scored 21 points against Michigan in 1988.

MARCH 18, 2010 • FORD CENTER, OKLAHOMA CITY, OKLA.

Freshman Kenny Boynton scored 27 points and helped Florida rally from a 13-point second-half deficit, but the Gators fell 99-92 to BYU in double overtime in the first round of the NCAA tournament in Oklahoma City. Boynton rallied the 10th-seeded Gators out of a 13-point hole in the second half and hit a 3-pointer from the right wing to put Florida ahead 71-68 with 2:36 left in regulation -- their first lead of the second half. Junior Chandler Parsons followed with a 3 of his own, but Jackson Emery was able to answer for BYU as the Cougars closed a four-point deficit down the stretch. Parsons finished with 20 points and 10 rebounds for Florida, redshirt junior Vernon Macklin scored 16 and sophomore Erving Walker added 12 points.

## FLORIDA 83, BYU 74 (OT)

MARCH 24, 2011 • NEW ORLEANS ARENA, NEW ORLEANS, LA.

Alex Tyus scored 19 points and grabbed a career-high 17 rebounds – matching Horford's school record for a postseason game – in perhaps the best game of his career. He also became just the 11th player since 2000 to record at least 19 points and 17 rebounds in an NCAA Tournament game, a list that features former Oklahoma star Blake Griffin and North Carolina's Sean May. Florida gained the victory in the teams' NCAA Tournament rematch thanks in part to limiting Jimmer Fredette to 3-15 from three-point range. The Cougars were 0-4 from long range in the overtime period while UF shot 5-7 from the field and 2-3 from behind the arc.

## BUTLER 74, FLORIDA 71 (OT)

MARCH 26, 2011 • NEW ORLEANS ARENA, NEW ORLEANS, LA.

Florida's quest to reach its fifth Final Four in school history ended with a 74-71 overtime loss to Butler in the Elite Eight. A second-half comeback by a scrappy Butler Team that wouldn't go down when it appeared the Gators were about to deliver a knockout blow with less than 10 minutes left in the game sent the Gators home. Florida led by as many as 11 in the second half, taking a 51-40 lead on a jumper by Alex Tyus with 9:26 remaining. The Bulldogs then started a 17-6 run at that point to tie the game at 57 on Shelvin Mack's lay-up with 3:03 left in regulation. Despite Butler's comeback, the Gators had a chance to win in regulation. With the score tied 60-all, Florida had possession for the final 30 seconds but Erving Walker's three-pointer bounced out.

## GATORS IN THE NBA FINALS

Udonis Haslem and Jason Williams were 40 percent of the Miami Heat's starting lineup, helping guide their team to the 2006 NBA title. The tandem became the first former Gators to win an NBA title since Vernon Maxwell was a member of the Houston Rockets' 1994 and 1995 NBA champion squads. Matt Bonner added to that distinguished list in 2007 as a member of the San Antonio Spurs, and Corey Brewer added his name as part of the 2011 Dallas Mavericks.

Chandler Parsons became the first man in UF history with two true buzzer-beaters, making a pair of last-second game-winners during the 2009-10 season. He hit a 70-foot prayer, his only field goal of the game, at North Carolina State on Jan. 3 to lift Florida to a 62-61 win. He then drained a three at the buzzer against South Carolina on Jan. 23, the first buzzer-beater at the O'Dome since 2003, helping the Gators to a 58-56 victory.

# STEPHEN C. O'CONNELL CENTER – HOME OF THE GATORS

Florida's Stephen C. O'Connell Center has a reputation around the country – enthusiastic and friendly if you're a Gator...noisy, deafening and menacing if you're the opposition. Florida's student section, dubbed the "Rowdy Reptiles", has made the O'Connell Center one of the toughest places to play in the nation. In recent years, ESPN The Magazine dubbed it the "Scariest Place to Play in the Country" in its college basketball preseason issue. ESPN Gameday raved about its atmosphere, placing it with the great venues in sports.

In recent years, a trip to the O'Connell Center hasn't meant a pleasant and fun-filled stay in sunny Florida for visiting clubs. UF is 190-29 (.868) in the O'Connell Center during the last 12 seasons. Florida's 96 home wins the last six season ranks tied for seventh in the nation. Billy Donovan is 209-39 (.843) in the building during his 15 years in Gainesville and UF is 114-11 against nonconference opponents in the O'Dome including a 40-game non-conference winning streak that lasted from 1998-2003. From March 1, 2006 to Nov. 20, 2007 the Gators rolled off a school-record 24 consecutive home wins, one of four streaks of 15+ consecutive home wins in the Donovan era. Under Donovan, UF has put together winning streaks of 24, 20, 19, 17, 15, 13, 12 and 11 in the O'Connell Center.

Built at a cost of \$14 million, the O'Connell Center – named for former UF President Stephen C. O'Connell (1967-73) – has become the showplace for college basketball in the state of Florida. In 2007-08 Florida shattered its attendance record as 226,815 fans flocked through the gates, while UF averaged a school-record 11,826 fans per game in 2006-07 and had over 10,500 fans at every game for

the first time ever. A school-record 12,621 fans turned out to see the Gators defeat Ohio State on Dec. 23, 2006 in what would be a preview of the national title game.

The O'Connell Center had a \$10 million facelift in the summer of 1998 to replace the teflon coated roof with a permanent structure. The project also upgraded the sound and lighting system to give the Gators a state-of-the art capability for pregame and in-game activities. Another \$2.5 million project upgraded concessions, restrooms and entrance ways in the summer of 1999, while a pair of

Georgia beat Florida, 37-35, on Jan. 5, 1928 to inaugurate the "New Gym." It was the best facility in the SEC when constructed and housed the College of Physical Education and Health.

Daktronics Scoreboards were installed in the fall of 1999. Daktronics then installed four 12' x 16', video boards (10 mm resolution) in the O'Connell Center in time for the 2006-07 basketball season, at a cost of \$2.5 million.

While the O'Connell Center has a reputation as an imposing basketball arena for visiting opponents with its 12,000 seats, the Center is also part of a centrally-located athletic complex. The facilities surrounding the O'Dome include Ben Hill Griffin Stadium at Florida Field, McKethan Stadium

Florida's first official gym

Florida Gym (also known as Alligator Alley) was constructed in 1949 at a cost of \$1.65 million.

at Perry Field, the Percy Beard Track at James G. Pressly Stadium, the Scott Linder Stadium at Ring Tennis Complex and the University Golf Course with the Bostick Clubhouse.

Inside the O'Connell Center is the main arena, an indoor track and field facility, one of the fastest swimming pools in the world, a gymnastics area, dance studio, martial arts room, basketball practice courts and strength and conditioning facilities.

# STEPHEN C. O'CONNELL CENTER – HOME OF THE GATORS

The Gator basketball game day locker room features a video area with a wide screen TV and recording and satellite equipment, a locker room featuring private dressing areas for each player, a training room complete with the latest equipment and player meeting areas.

The O'Connell Center also is the site of more than just Gator basketball games. It brings people together for many other sporting, entertainment, academic and business activities. Over the years, the facility has housed concerts, Disney shows, conventions, business exhibits, conferences, banquets, university and high school commencements, SEC and NCAA championship events and has served as a first, second, and third round site for the National Invitation Tournament in 2008 and 2009, as a first and second round site in 1986 and as a first round NIT site in 1992 and 1998.

## STEPHEN C. O'CONNELL (1916-2001)

Stephen C. O'Connell lived a life of service. The University of Florida's sixth president, who served from 1967 to 1973, was also a student body president, a World War II veteran and chief justice of the Florida Supreme Court.

Born in West Palm Beach on Jan. 22, 1916, O'Connell entered UF as a freshman in 1934. He earned a business degree and later graduated from the law school. He was elected student body president in 1938, was the president of the Florida Blue Key and also served as president of his Alpha Tau Omega fraternity his senior year. O'Connell was also captain of the boxing team. He went undefeated in 1938, winning the middleweight division Southeastern Conference Championship.

O'Connell served in Australia during World War II and ended his military career as a major. After the war, O'Connell returned to Florida and practiced law, eventually becoming chief counsel for the Florida State Road Department.

In 1955, he was appointed to the state Supreme Court and 12 years later he was elected its chief justice. He spent just four months as the head of the court before being announced in September of 1967 as the UF president. He took office in October of that year and was a calming force during a tumultuous era of racial tension and anti-war movements.

During his six-year tenure, he focused on increasing enrollment and racial diversity, while also reorganizing the Alumni Association. He also created an Office of Development staff by professional fund raisers while watching academic standards and achievements grow.

O'Connell retired as president in 1973 and returned to practice law in Tallahassee, where he lived until April of 2001 when he lost his battle with lung cancer. His memory will forever live on campus through the Stephen C. O'Connell Center, which was dedicated to him in 1980.

## OVERALL ATHLETIC SUCCESS

- UF has added three women's athletic programs since 1995 (soccer, softball, lacrosse) and all three advanced to the NCAA Tournament in just their second season of play. The lacrosse team earned the No. 4 national seed in 2011 in just the program's second season.

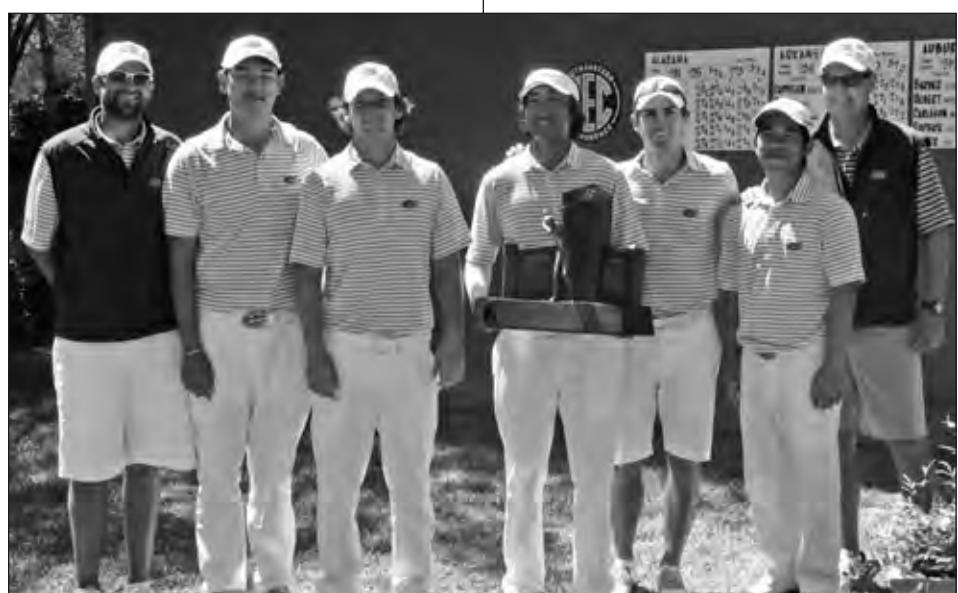

- Seven teams had a 100 percent Graduation Success Rate (GSR) as reported by the NCAA in October of 2010 and had an overall GSR of 82 percent, ranking second in the SEC behind Vanderbilt.

- 68 Gator student-athletes graduated during the 2010-11 school year and 49 (72%) of them were part of a national and/or Southeastern Conference championship team during their Gator careers. Forty of those graduates earned Academic All-SEC honors during their time at UF.

- Florida became the first school to have its baseball and softball teams advance to their respective World Series' Championship Series in the same year.

- The Florida athletic program swept the SEC All-Sports standings for the third year in a row and the 11th time overall in 2010-11.
- The men's golf team captured Florida's 200th SEC title in April and UF now has 201 team titles all time, the most of any conference school.
- Florida won nine conference titles in 2010-11; UF had a league-high eight SEC crowns and the lacrosse team won the regular season title in the American Lacrosse Conference in just its second year of competition.
- The Gators picked up an astounding 12 conference Athlete of the Year awards (11 SEC, 1 ALC) during the 2010-11 school year and 10 Coach of the Year awards (9 SEC, 1 ALC).

## UNIVERSITY OF FLORIDA PRESIDENT

# J. BERNARD "BERNIE" MACHEN

Bernie Machen has led the University of Florida since he took office as the 11th president in January 2004.

During his tenure, Dr. Machen has expanded the university's research and scholarship endeavors, elevated its educational programs and increased access to students from a diversity of economic backgrounds – all while shepherding the university through an era of growing financial challenges.

Under President Machen's leadership, UF's annual research funding has soared to \$678 million, including a \$64 million grant for research on aging that is the largest in UF's history. He has presided over a major expansion of research facilities, including the 280,000-square-foot Cancer and Genetics Research Complex, the university's largest research building. Dr. Machen has also nurtured UF's technology commercialization enterprise, spearheading the development of a 25-acre innovation community within walking distance of UF's main campus.

He has hired more than 60 new professors through the "Jumpstart" initiative recruiting prominent scientists and promising junior faculty members during a period when most universities are thinning their faculty ranks. To support UF's nearly 5,000 full-time faculty members, he instituted the UF's Faculty Challenge and Faculty Now campaigns, raising \$393 million for research and instructional assistance for faculty and graduate students.

Leadership in development is a hallmark of President Machen's administration. He has presided over UF's Florida Tomorrow capital campaign, a five-year effort that has raised \$1.31 billion toward a goal of \$1.5 billion by 2012.

A longtime advocate for giving students from all walks of life the chance to attend college, Dr. Machen in 2005 pioneered the Florida Opportunity Scholars program, which pays tuition and room and board for students from families earning less than \$40,000 annually and who are the first in their families to attend college. As of spring 2011, nearly 2,000 students – more than three quarters from minority populations – had attended UF as recipients of the scholarship. Dr. Machen also spearheaded a new alternative spring-summer academic schedule to begin in 2012 that will eventually open UF's doors to an additional 2,000 students.

Like other universities nationwide, UF has faced several years of declining state support. Dr. Machen has led Florida's 11 public universities' response to these declines, successfully advocating lawmakers to step up statewide tuition increases while allowing universities greater flexibility in setting their own tuition. Lawmakers have also funded a major UF research facility near Orlando, and in 2011 they relocated the Institute for the Commercialization of Public Research to UF's Florida Innovation Hub.

President Machen's administration has been marked by a strong commitment to environmental causes, including launching a university-wide sustainability campaign that is considered a model in public higher education. The UF Water Institute also was created during his time at UF, and a UF-owned and managed nature preserve was designated as a National Science Foundation-sponsored National Ecological Observatory Network, or NEON, site.

Prior to his arrival at UF, Dr. Machen served for six years as president of the University of Utah, where he is credited with expanding the health sciences program, stabilizing the university's finances and bolstering diversity.

From 1995 to 1997, he was provost and executive vice president for academic affairs at the University of Michigan, and from 1989 until 1995, he served as dean of Michigan's School of Dentistry. From 1983 to 1989, he was professor and associate dean at the University of North Carolina Chapel Hill's School of Dentistry.

President Machen has held several prominent positions in national higher education leadership. Since 2005, he has served as a member of the National Security Higher Education Advisory Board. He chaired the Board of Directors of the National Campus Compact from 2002-2004 and served as a member of the board beginning in 1998. Additionally, beginning in 2010, he served as President of the Executive Committee of the Southeastern Conference and Chair of the Southeastern Conference Academic Consortium.

In 1987, Dr. Machen was president of the American Association of Dental Schools. From 1992 to 1995, he was a member of the National Academy of Science's Institute of Medicine Committee on Educating Dentists for the Future. He has a past appointment as chief of the Department of Extension Service at the U.S. Army Institute of Dental Research.

A native of Greenwood, Mississippi, Dr. Machen grew up in St. Louis. After attending Vanderbilt University for his undergraduate studies, he earned his doctor of dental surgery degree from St. Louis University and his master of science degree in pediatric dentistry and doctorate in educational psychology from the University of Iowa.

President Machen and his wife, Chris, a

former neonatal intensive care nurse, live in Gainesville. They have two sons: Lee, an engineer at Intel in Portland; Michael, an attorney in Chicago; a daughter, Maggie, a veterinarian and resident in small animal cardiology at the University of Pennsylvania, and four grandchildren.

## UNIVERSITY OF FLORIDA DIRECTOR OF ATHLETICS

## JEREMY N. FOLEY

Jeremy N. Foley, who has handled virtually every aspect of the University of Florida's \$96 million athletic program during his athletic administrative career – which began with an internship in the Gator Ticket Office in 1976 – was named UF's Director of Athletics in March of 1992. He is the fourth longest tenured athletic director among Bowl Championship Series Conference schools.

A man with great vision and experience, Foley, 58, brings a passionate top-to-bottom team approach to the top athletic post at the University of Florida. Foley's philosophy involves the continued building of a comprehensive athletic program, with the goal of having the overall UF program ranked as the top athletic program in the nation.

As chief financial officer for the University Athletic Association (UAA), Foley has spearheaded a number of capital improvement projects in the athletic department. The project list includes two major expansions of the football stadium, a multipurpose athletic field house, new facilities for tennis, track & field, soccer, baseball, golf, softball, swimming and lacrosse. Foley also played a role in the academic advising center on the University of Florida campus, which serves UF students and Gator student-athletes and assisted in funding the renovation of the Stephen C. O'Connell Center. The James W. "Bill" Heavener Football Complex, a project that enhanced the football experience for Gator student-athletes, staff and visitors, was completed in July of 2008 and received platinum certification from the Leadership in Energy and Environmental Design (LEED) Green Building Rating System, the highest ranking available. It was the first building in Florida and the first athletic facility in the nation to achieve platinum status. Foley's most recent project was the lacrosse facility – 1,500-seat stadium offering fans a great view of this fast-paced sport – completed prior to the inaugural season in the spring of 2010.

Foley's commitment to the overall athletic program includes a plan of increased opportunities for women, as three women's sports have been added under his tenure – soccer, softball and lacrosse.

Also, in an era when the NCAA estimates 90 percent of Division I schools are losing money on intercollegiate athletics, the University of Florida Athletic Association has contributed more than \$61 million in the last 21 years to help fund University of Florida academic endeavors.

Florida has been equally successful on the field of play and in the classroom during Foley's administrative tenure. The Florida athletic program has ranked among the nation's top 10 for 28-straight years (1983-84 – 2010-11) and among the top five 14 times in the last 21 years, according to national all-sport rankings.

UF became the first program in collegiate history to own both the men's basketball and football national titles in

the same calendar year, after capturing crowns in 2006. The men's basketball team then became the first repeat champions in their sport in 15 years after cutting the nets down again in 2007.

Foley is the only athletic director in Division I history to supervise a program that has won multiple national titles in football (1996, 2006, 2008) and men's basketball (2006, 2007) and overall 16 Gator teams have been crowned national champions under his watch.

The 2010-11 athletic year was another banner year in Gainesville. The men's indoor track and field team won the national championship and seven teams (volleyball, gymnastics, softball, baseball, women's tennis, men's indoor track and field, men's outdoor track and field) were ranked No. 1 in their respective sports at one point during the season.

In Southeastern Conference action, Florida picked up a league-record eight league crowns in 2010-11 action (Volleyball, Soccer, Women's Cross Country, Men's Basketball, Men's Indoor Track and Field, Women's Tennis, Men's Golf and Baseball). UF has now has a total of 201 SEC titles since the league began in 1932 and 101 of those SEC titles have come under Foley's watch. In addition, the lacrosse team won the American Lacrosse Conference regular season title in just the program's second year. Florida swept the New York Times Regional Newspaper Group Southeastern Conference All-Sports Titles for the 11th time.

UF's commitment in the classroom is equally impressive. Under Foley, UF student-athletes have been honored 82 times as Academic All-Americans. The University of Florida has more than 2,500 SEC Academic Honor Roll honorees since 1992-93.

The Gator athletic coaching family, which Foley had a large part in assembling, has collected 69 conference Coach of-the-Year awards during the last 19 years. The Gators had an amazing 10 coaches earn the league coach of the year honors during the 2010-11 year. Equally impressive is that 10 UF student athletes won their respective conference player of the year in 2010-11.

Gator student athletes, coaches and administrators have also been a fixture in the community, taking part in a variety of community related endeavors.

Florida student athletes remained involved in the community and beyond. A total of 434 UF student athletes have participated in 4,588 hours of community service in 2010-11, partnering with 22 schools, 10 civic organizations and 27 non-profit organizations. Florida was honored with a White House commendation for volunteerism in 1994.

Foley was named the Street & Smith's SportsBusiness Journal National Athletic Director of the Year in June of

Four Gators have won an NBA championship since 2006, including Udonis Haslem and Jason Williams (2006, Miami), Matt Bonner (2007, San Antonio) and Corey Brewer (2011, Dallas). The 2007 draft was memorable for the Gators, as five players were selected, including Al Horford, Brewer and Joakim Noah all in the first nine picks of the draft. Mike Miller won 2001 NBA Rookie of the Year honors, and Horford was runner-up for the award in 2008.
