First Round Jitters

◆ Despite winning three consecutive first-round NCAA Tournament games, it hasn't been exactly easy for the Gators...UF trailed Penn by 11 at the half in Donovan's NCAA coaching debut on March 11, 1999 in Seattle and trailed by as many as 13, but rallied for a 75-61 win...In 2000, Florida was trailing Butler, 56-49 with 4:17 remaining, but Udonis Haslem's two free throws with 15.7 seconds remaining capped an 11-4 run and forced an extra period...UF again trailed in the overtime before Kenyan Weaks hit a driving layup with 10 seconds left to cut the Butler lead to 68-67...The Bulldogs' LaVall Jordan missed two free throws with 8.1 ticks left to set up Mike Miller's heroic game-winner...Last year vs. Western Kentucky, Florida rallied from an early 11-point deficit, the second largest comeback for the Gators in NCAA Tournament action...UF used a 14-0 run in the second half to take control of the game.

◆ After winning the one-point game against Butler in 2000, UF's average margin of victory in the NCAA Tournament was 12.5 ppg, defeating No. 21 Illinois by 17, No. 1 Duke by nine, No. 13 Oklahoma State by 12 and North Carolina by 12.

◆ Five of Florida's 15 NCAA Tournament wins have come when trailing or tied at the half...A look at those comebacks:

Date	Game	Deficit	Final
3/16/01	Western KY	tied	69-56
3/13/99	Weber St.	5	82-74 (OT)
3/11/99	Penn	11	75-61
3/25/94	UConn	6	69-60 (OT)
3/17/94	James Madison	4	64-62

Last Time Out

◆ Mississippi State edged out UF, 62-52 in the quarterfinals of the SEC Tournament...Justin Hamilton led the Gators with 13 points and canned a team-high three treys...Brett Nelson was the other Gator in double figure scoring with 10 points...Matt Bonner grabbed 12 rebounds...The SEC's top two shooting teams struggled from the field with Mississippi shooting 37 percent and Florida shooting 32 percent...The game got off to a slow start as both teams combined 0-for-9 from the field in the first three minutes...Justin Hamilton canned a three-pointer at the 15-minute mark to tie the game, 5-5...Haslem sat on the bench with two fouls for most of the first half...Florida shot 32 percent (10-of-31) from the field and held Mississippi State to 29 percent (8-of-28)...Florida was up by three, 25-22, at halftime...Mississippi State went on a 14-4 run to begin the second half...Florida got as close as 40-38 with two free throws by Haslem with 9:30 remaining, but the Gators couldn't regain the lead. Mississippi State went to the free throw line 22 times,

The Terrific Trio

◆ The trio of Matt Bonner, Udonis Haslem and Brett Nelson is developing into one of the top scoring trio threats in the nation and has a chance to become the top scoring trio in school history...No team in Florida history has had three players average 15-plus points per game...The 1963 team had three players average 14-plus points a game (Tom Baxley, 16.2; Tom Barbee, 15.0; Brooks Henderson, 14.2)...The trio of Bonner, Haslem and Nelson have combined for 4,028 career points the most among active players in the Southeastern Conference...The trio of Rod Grizzard, Erwin Dudley and Terrance Meade at Alabama has accounted for 3,464 career points (as of March 8).

Campus Man

◆ Florida head coach Billy Donovan's interaction with the student body in Gainesville is his way of saying thanks to the "Rowdy Reptiles" for supporting Gator hoops....Donovan and his staff participate in an annual "Billy D 3-on-3 Challenge" with the students, he conducts his weekly radio shows from campus dorms, fraternities and sororities, and brings students food when they camp out for student tickets....Donovan and his coaching staff won five straight Billy D 3-on-3 Challenges before losing this year's challenge on Oct. 30th...Donovan and assistant coaches John Pelphrey and Donnie Jones, along with women's assistant coach Matthew Mitchell dropped the best two out of three championship to a group calling themselves "The Firemen." The squad of Brian McPherson, Nick Ferance, Mike McFarland, Zach Hilferding and Christopher Morris defeated the UF staff 10-12, 11-2 and 12-10 to earn a right to travel on a road trip with the Gator basketball team...McFarland was a member of the Gator basketball team (1996-98) and played two years for Donovan before a knee injury ended his collegiate career...He is currently enrolled in his second year of medical school.

On The Tube

◆ For only the second time in school history, every Florida basketball game will be televised....UF also had every game of the 1994-95 season

televised following the team's appearance in the 1994 Final Four...UF will make a school-record four national appearances on CBS during the regular season and eight appearances on the ESPN networks.

Gators Move Into New Home

◆ Florida's \$10 million practice facility opened this October...The two-story 47,505 square foot state-of-the-art facility features practice gyms, a training room, weight room, locker room, coaches' offices, conference rooms, equipment room, team lounge area and film/video rooms with theatre style seating to give the Gators the only basketball exclusive practice facility in the Southeastern Conference and one of the finest in the nation.

Another Top Recruiting Class

◆ Florida has received National Letter of Intents from prep standouts Anthony Roberson (6-2, 175, G, Saginaw Michigan, Saginaw High School), Rashid Al-Kaleem (6-4, 180, G, Dorchester, Mass., Charlestown High School), Mario Boggan (C, 6-7, 290, Durham, N.C., Hargrave Military Academy) and Matt Walsh (6-6, 190, F, Holland Pa., Germantown Academy).

Rowdy Reptiles

The Stephen C. O'Connell Center, Home of the Gators and The House of Horrors...

◆ UF is 55-6 (.901) in the O'Connell Center during the last three-plus years and 66-10 (.868) during the last four-plus seasons...Overall, Donovan is 74-16 (.822) in the O'Dome...Florida has put together win streaks of 15, 13, 12, 12 and 11 in the O'Dome under Donovan.

◆ UF's average margin of victory at home last year was 31.3 points per game (470 points/15 wins) and it has won its last 55 games at home by an average of 26.9 ppg (1482)...UF has won its last 26 SEC home games by an average of 18.6 ppg (484 points).

◆ UF averaged a school-record 10,805 fans per home game this year and 12,038 for SEC games only

◆ Florida attendance is up 4,404 since Donovan's first year.

◆ Florida is 35-1 vs. non-conference opponents in the O'Dome over the last three seasons and has won a school-record 29 straight non-conference games at home.

◆ For the third consecutive season, UF has

sold out of season tickets before the first game. This year, 11,400 season tickets were sold before the home season opener on November 16th.

◆ To follow up the \$8.1 million face lift the O'Dome received in the summer of 1998, another \$2.5 construction

project was completed this fall. All four gates and lobby areas were renovated and the third level seating areas added concession stands and restrooms. State of the art Daktronics scoreboards and a brand new \$80,000 hardwood floor were also added at the end of October of 2000.

◆ A \$10 million state-of-the-art private basketball practice facility opened in

October 2001. The two-story 47,505 square foot facility includes multiple practice gyms, a training room, weight room, locker room, coaches' offices, conference rooms, equipment room, team lounge area and film/video rooms with theatre style seating.

"It's the last place any team in its right mind would choose to play, except for Florida and its crazed fans, the Rowdy Reptiles. A virtual noise machine--a solid cap that locks in sound was installed three years ago--the 12,000-seat O'Dome represents the latest in techo-homecourt advantage."

What They Are Saying About *Billy Donovan*

“Donovan is what young people call real. As in the opposite of phony. He says only what he believes; he believes everything he says. And his actions back it up.”

— Joanne Korth of the *St. Petersburg Times* on March 15, 2001

“What UK’s basketball bluebloods need to understand is this: Billy Donovan doesn’t need to go to Kentucky if he wants to coach a powerhouse program. He’s built one at Florida.”

— Mike Bianchi of the *Orlando Sentinel’s* on March 9, 2001

“Billy Donovan, a former altar boy, has always had faith. But in a season where the faith of many would have been tested, Donovan has grown more firm with each challenge...Donovan talks of God frequently. He talks about being blessed. He speaks of having faith. He talks about all of those things with his players. He believes that faith has helped this team overcome one injury after another. He believes it helped hold the team together when its SEC record was 1-3 and postseason outlook looked bleak.”

— Mic Huber of the *Sarasota Herald* on March 8, 2001

“Instead of following the pattern we’d always followed, hire a coach with a proven track record, we wanted to find an up-and-comer. In my 23 years at Florida, everybody told me it’d never be a basketball school. I’d heard that statement 1,000 times. I wanted someone looking to make his mark. It was going to take a lot of work, a passion and enthusiasm.”

— Florida Athletics Director Jeremy Foley, February 1999

Billy Donovan

For those who have followed Billy Donovan’s career it should come as no surprise that he has made Florida basketball a winner.

He was a winner at Providence College, where he led the Friars to their best season in school history and a trip to the Final Four in 1987. He was a winner when he laced it up as a New York Knick with the elite athletes in the NBA. He was a winner in five years as an assistant at Kentucky and was part of the Wildcats’ Final Four run in 1993. He was a winner as a head coach when he inherited a struggling Marshall program and in two short years won more than 60 percent of his games and put fans back in the seats. And now he has created Hoop Hysteria in Gainesville. Donovan is one of only two people in the history of Division I college basketball who have played in a Final Four, served as an assistant coach on a Final Four team and was a head coach of a Final Four team.

Under Donovan, Florida has set a school record with five straight post-season appearances, including four straight NCAA Tournament bids. UF made the school’s first-ever appearance in the National Championship game in 2000 and also made back-to-back Sweet 16 appearances for the first time in school history in 1999 and 2000. Donovan is already the winningest NCAA Tournament coach in UF history and his eight NCAA Tournament wins surpasses the total of seven in school history before his arrival. Donovan’s .727 NCAA Tournament winning percentage (8-3) is fifth best among all active coaches.

After the school had just one Southeastern Conference Championship in 77 seasons prior to his arrival, Donovan has tallied two SEC titles in five seasons (2000 and 2001). Florida and Kentucky are the only two SEC schools to capture consecutive league crowns in the past 25 years.

Florida’s 75 wins during the past three years is the best three-year total in school history and only three teams in the nation have won more games

during that same time frame. After only being ranked in the national polls 42 times prior to Donovan’s arrival, UF has been ranked a school-record 61 consecutive weeks, the third longest streak in the nation.

His winning percentage at UF (.654) is the best among all Gator coaches who spent more than one season in Gainesville and he reached the 100-victory mark at UF quicker than any coach in school history, needing just 154 games to reach the century plateau. His current total of 124 wins in his sixth season is already good enough for second on the UF all-time coaching victory list.

Donovan’s teams have knocked off 18 ranked opponents during his tenure, including a school-record six consecutive ranked foes during the 2000-01 season. UF has won 12 of its last 17 meetings with ranked teams.

Donovan’s squads have led the SEC in a statistical category 16 times, including 14 offensive categories. Eleven of his players have captured All-League honors and seven of his freshmen have been recognized. Three of Donovan’s players have been first round draft picks in the NBA Draft, after the school boasted only two before his arrival, and he has inked seven McDonald’s All-Americans after UF had just three prior to his arrival. The fans are taking notice; attendance is up 4,404 since Donovan’s arrival. UF averaged a school-record 10,085 fans this year and 12,038 for SEC games only.

The 36-year-old Donovan, who was officially hired as Florida’s 17th head coach on March 27, 1996, has certainly lived up to his national reputation as one of the nation’s top young coaches who preaches an up-tempo, full-court, pressing style of play built around a tremendous work ethic.
