roberson offense ignites gator success

• Anthony Roberson completed his best SEC season in a Gator uniform, a huge compliment to a player that has earned SEC Freshman of the Year and First Team All-SEC honors each of the last two years...He led the SEC in scoring in league play at 20.8 ppg and was the only player in the league to average 20+ points in SEC action...He's been criticized at times for taking too many shots but what's lost at times is that he's doing exactly what head coach Billy Donovan is asking of him... There is a direct correlation between Roberson's offensive output and the Gators' success - over his career when he hits 4+ three-pointers, the Gators are an astounding 27-5...He has 31 20-point games in his career and the Gators are 23-8 in those games...Also critical is his ability to get to the line...A career 86.4 percent free throw shooter (best in school history), his ability to get to the basket and draw contact is vital - the Gators are 14-4 in his career when he gets to the line 5+ times.

roberson comes up big again

• With 34 points against Auburn on Jan. 12 and 30 points against Vanderbilt on Jan. 15, Anthony Roberson recorded the second and third 30-point games of his career...His 34 points against Auburn were the most points by a Gator on an opposing team's court since 1986...He became the first Gator to record back-to-back 30-point games since Andrew Moten in 1986 and the first to do so on the road since Andy Owens in 1970...Roberson has eight games of 25+ points for his career including three this season...Roberson had four games of 25+ points last season and had a 26-point game against Coastal Carolina his freshman year....Three of his eight games of 25+ have come against Vanderbilt, as he is averaging 28.3 ppg in his last four meetings with the Commodores.

gators getting it done on both ends

• It's not surprising that Florida led the SEC in scoring at 76.2 points per game, there has never been a shortage of offense in

Billy Donovan's nine years at UF...They were vastly improved on the defensive end, however, and finished third in the SEC in points per game allowed at 63.1 per contest - a vast improvement over a 2003-04 when they finished 11th in the SEC in scoring defense...The Gators held 12 of 32 opponents under 60 points, including holding Georgia to just 38 points on March 2 and 47 points on Jan. 25, holding the Bulldogs to just 12 field goals in the March 2 meeting... donovan the "dean" of sec coaches

• As a player he was known as Billy the Kid...No kid anymore, Donovan is in his ninth season at Florida and has the longest tenure at his current school of anyone in the SEC...There have been 15 head coaching changes in the league since Donovan's arrival prior to the 1996-97 season...His nine seasons at UF matches the longest consecutive tenure in school history (Norm Sloan, 1981-89).

State of the art Daktronics scoreboards and a brand new \$80,000 hardwood floor were also added at the end of October 2000.

billy donovan

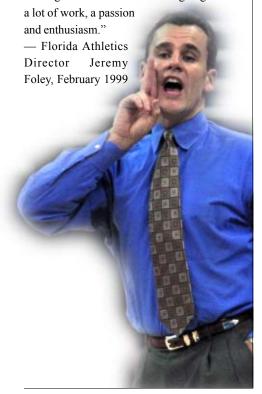

"What UK's basketball bluebloods need to understand is this: Billy Donovan doesn't need to go to Kentucky if he wants to coach a powerhouse program. He's built one at Florida."

— Mike Bianchi of the *Orlando Sentinel's* on March 9, 2001

"Billy Donovan, a former altar boy, has always had faith. But in a season where the faith of many would have been tested, Donovan has grown more firm with each challenge...Donovan talks of God frequently. He talks about being blessed. He speaks of having faith. He talks about all of those things with his players. He believes that faith has helped this team overcome one injury after another. He believes it helped hold the team together when its SEC record was 1-3 and postseason outlook looked bleak."

— Mic Huber of the *Sarasota Herald* on March 8, 2001

"Instead of following the pattern we'd always followed, hire a coach with a proven track record, we wanted to find an up-and-comer. In my 23 years at Florida, everybody told me it'd never be a basketball school. I'd heard that statement a 1,000 times. I wanted someone looking to make his mark. It was going to take

For those who have followed Billy Donovan's career it should come as no surprise that he has made Florida basketball a winner.

Under Donovan, Florida has set a school record with eight straight post-season appearances, including seven straight NCAA Tournament bids. UF made the school's first-ever appearance in the National Championship game in 2000 and also made back-to-back Sweet 16 appearances for the first time in school history in 1999 and 2000. Donovan is already the winningest NCAA Tournament coach in UF history and his 10 NCAA Tournament wins surpasses the total of seven in school history before his arrival.

After the school had just one Southeastern Conference Championship in 77 seasons prior to his arrival, Donovan has tallied two SEC titles (2000 and 2001). Florida and Kentucky are the only two SEC schools to capture consecutive league crowns in the past 28 years. He led the Gators to their first SEC Tournament title in 2004-05.

Florida's 144 wins during the past five-plus years is the best such stretch in school history. After only being ranked in the national polls 42 times prior to Donovan's arrival, UF had been ranked a school-record 94 consecutive weeks in the Associated Press poll and 99 weeks by the ESPN/USA Today poll before falling out on Feb. 16 of last year. The Gators were in both preseason polls this season and had been ranked until Dec. 6 this season before returning to the Coaches poll for a week on Feb. 14 and then re-entering on March 7.

His winning percentage at UF (.677) is the best among all Gator coaches who spent more than one season at UF and he reached the 100-victory mark at UF quicker than any coach in school history, needing just 154 games to reach the century plateau. His current total of 193 wins in his first eight-plus seasons is already good enough for second on the UF all-time coaching victory list, while he reached 200 career wins on Feb. 25, 2004 vs. South Carolina.

Donovan's teams have knocked off 32 ranked opponents during his tenure. UF has won 23 of its last 39 meetings with ranked teams.

Donovan's squads have led the SEC in a statistical category 23 times, including 20 offensive categories. Twelve of his players have captured All-League honors and nine of his freshmen have been recognized. Three of Donovan's players have been first round draft picks in the NBA Draft, after the school boasted only two before his arrival, and he has inked nine McDonald's All-Americans after UF had just three prior to his arrival. The fans are taking notice, attendance is up nearly 5,000 since Donovan's arrival.

PRONUNCIATION GUIDE

JO-kim Noah

Anthony RO-Ber-son

what they are saying about florida players

corey brewer

"Corey is an extremely athletic small forward, a guy that we feel is as good at his position as anyone coming in from the high school level. What is so underrated about Corey is his defensive ability and he can really be a stopper for us out on the perimeter."

Florida Head Coach Billy Donovan

taurean green

"Taurean is someone who has a tremendous feel for the game," said Donovan. "He is someone who can break down, penetrate and get other guys involved. We really think he's a special point guard."

Florida Head Coach Billy Donovan

lee humphrey

"He'll play wherever you want. If you want him to score, he'll score. If you tell him just to distribute the ball and not take a single shot, he won't. He's extremely coachable."

Maryville High School Coach Rodney Nelson

david lee

"He's the best rebounder I've coached since I've been here." Florida Head Coach Billy Donovan

adrian moss

"Adrian has done a great job. He really has made some great strides. He has gotten physically stronger. Adrian is really in a position that he is able to come in here and help our basketball team just with his emotion and his energy. I think last year was good for him and I don't think that there is any question that he will be a guy that will contribute to our basketball team"

Florida Head Coach Billy Donovan

joakim noah

"The first thing that sticks out with Joakim is his tremendous potential," said Donovan. "I think he's extremely athletic and has surprisingly soft touch on his shot and can really develop into a tremendous player."

Florida Head Coach Billy Donovan

chris richard

"Florida's the only place I ever wanted to go. I got recruited by a lot of schools, but Florida is where I always knew I wanted to be."

Chris Richard

anthony roberson

"I love Anthony Roberson. He's a guy I first saw playing in the eighth grade. I'm glad to see he's starting a terrific career here at Florida. He's such a threat to score any time he's on the floor, and he's a very good passer and defender, too. I think he's the most versatile player on that team."

Arkansas Head Coach Stan Heath

"He's a nasty player, but from the standpoint that he's the kind of guard that will take it to the hole and go and grab rebounds against big men. He really brings a lot of toughness."

Florida Head Coach Billy Donovan

matt walsh

"He's a competitive player. What impresses me is his desire to win and his fearlessness."

"What makes him so good is his high level of toughness. He's a great competitor and he knows how to win."
