## 2019-20 Men's Basketball

- The Braves led Tulane 50-48 at the 7:37 media timeout in the second half. The Green Wave answered with a 13-1 run to take control late, but the game was highly competitive and featured five ties and nine lead changes.

- Alcorn dropped a tough 73-72 overtime defeat at UL-Monroe. The Braves led 72-70 with 1:02 left in overtime. Crosby neared a double-double with 17 points and nine rebounds.

- The Braves opened the season with a 72-54 loss at DePaul. Alcorn outscored the Blue Demons 28-27 in the second half. Andrews registered a team-high 12 points, and Wilson pulled down 10 rebounds.

- The Braves were picked to finish ninth in the SWAC Preseason Poll. They ended in eighth last year and brought back four starters and seven letterwinners.

- The Braves reloaded with 10 newcomers this year, including seven transfers. Tillery is a graduate transfer from Tennessee Tech where he averaged 8.1 points per game last season.

- Robinson inherited a squad that went 6-26, 4-14 SWAC in 2014-15 and more-than tripled the team's win total in his first year. Robinson was a finalist for both the Ben Jobe National Coach of the Year and Joe B. Hall National Coach of the Year awards in back-to-back seasons.

- Robinson coached Alcorn to back-to-back second-place finishes with 13-5 records in conference in 2015-16 and 2016-17. It was the first back-to-back winning seasons at Alcorn in 15 years.

- Robinson's coaching staff includes Derek Thompson who has over 10 years of collegiate coaching experience, Evans Davis who most recently was the head coach at Armstrong State and Tamarcio Wilson who played at Alcorn from 2014-16.

- Not only did Robinson have to restore the team on the court, but he also erased NCAA sanctions which included a postseason ban for low Academic Progress Rate (APR) scores. The Braves are eligible for a postseason berth for the first time since Robinson's arrival as he wiped away penalties that he inherited. Last season, Alcorn had four student-athletes who earned All-SWAC Academic honors.

- The legendary Larry Smith became the first Alcorn basketball player to ever be inducted into the Mississippi Sports Hall of Fame in July 2016. In four years at Alcorn, Smith averaged a double-double with 16.7 points and 11 rebounds per game, totaling 1,852 career points and 1,234 rebounds. As a senior, the 6-8 forward/center scored 20.1 points per outing and led NCAA Division I with 15.1 rebounds per contest.

# MONTEZ ROBINSON

**2016-17 SWAC Coach of the Year • 69-86 Overall, 50-40 SWAC (Fifth Season)**

A ferocious recruiter, Robinson inherited a squad that went 6-26 overall and 4-14 in conference play the year prior to his arrival. In just two seasons, he coached the Braves to back-to-back 13-5 campaigns in conference with a pair of second-place finishes. It was the first time Alcorn recorded consecutive winning seasons in 15 years.

Robinson's academic resurgence paid off as the NCAA saw noticeable improvement. If all stays the same by the end of the 2016-17 school year, Alcorn will have all of its sanctions removed moving forward.

Prior to Alcorn, Robinson served as assistant coach for the Bethune-Cookman University men's basketball program for four seasons. In his time at B-CU, the Wildcats advanced to the Mid-Eastern Athletic Conference (MEAC) Tournament quarterfinals twice – with a trip to the championship game in 2012.

At B-CU, his primary duties included assisting in recruiting, scouting of opponents, as well as the day-to-day operations of the B-CU Basketball Office. He also served as the camp director for the Bethune-Cookman Men's Basketball Fundamental Camp, Elite Camp and Team Camp for the past two years. He was also the lead coach for working directly with post players, including All-MEAC Tournament selection Anthony Breeze.

Prior to his time at B-CU, Robinson spent six seasons at Kennesaw State University (KSU) in Kennesaw, Georgia.

While at KSU, Robinson helped the Team to transition from Division II to the Division I level of athletics and establish the Owls as one of the fastest-growing Division I Men's Basketball programs in the country. In just their first year of reclassification, the Owls reached the Atlantic Sun Conference Tournament semifinals, and won more games than any other in NCAA history for a team in reclassification in a four-year period. They would go on to rank amongst the Top 5 in the mid-major polls.

Just before his arrival at Kennesaw State University, Robinson was the Associate Head Coach for the men's basketball program at Truett-McConnell College in Cleveland, Georgia. He worked for three years with the program.

At Truett-McConnell College, he served as recruiting coordinator and distributed scholarships amongst the team members. He also exercised his academic prowess with monitoring the team's academic progress through mandatory study hall sessions. He would go on to manage the housing for student-athletes on the men's basketball squad, and act as operational officer, overseeing the entirety of travel for the team.

Robinson earned his Bachelor of Science Degree in Criminal Justice from North Georgia College & State University. He played for two years at the school, serving as co-captain of the men's basketball team both seasons. Prior to that, he played two seasons at Kemper Military Junior College in Missouri, earning his Associate Degree in Liberal Arts.

He would go on to earn his Master of Science in Transformative Leadership from Bethune-Cookman University in 2014.

Robinson is married to the former Ms. Leah Hornbuckle. The couple have a daughter, Tezlyn, and a son, Montez, Jr.

As a result, Robinson was named the 2016-17 SWAC Coach of the Year. He was the first Alcorn coach to win that award since the great Davey L. Whitney in 2001-02. Robinson was also named NABC All-District Co-Coach of the Year.

Under Robinson's guidance, the Braves made a run to the finals of the SWAC Championships. It came after Alcorn placed two student-athletes on the All-Conference teams for the first time since 1998-99. The Braves ended 18-14 overall and went a perfect 7-0 in February.

Alcorn's enormous turnaround garnered national attention as Robinson was a finalist for Ben Jobe National Coach of the Year awards twice after the 2016 and 2017 seasons, and the 2016 Joe B. Hall National Coach of the Year honor.

Though, improving Alcorn athletically was only half the battle.

If the Braves were going to go any further they first had to take care of issues off the court. Robinson took over for a program that was under NCAA sanctions for low Academic Progress Rate (APR) scores. The sanctions included a postseason ban.

Robinson took matters into his own hands by recruiting better students first-and-foremost. His recruiting classes average a 2.97 grade point average.

### ABOUT ALCORN STATE UNIVERSITY

Alcorn is the oldest public historically black land-grant institution in the United States and the second-oldest state-supported institution of higher learning in Mississippi. Alcorn University was founded in 1871 as a result of the people of Mississippi's efforts to educate the descendants of formerly enslaved Africans. It was named in honor of the sitting governor of Mississippi, James L. Alcorn.

Alcorn is situated in Claiborne County, seven miles west of Lorman, 80 miles south of the capital city of Jackson, 45 miles south of Vicksburg, and 40 miles north of Natchez. The site was originally occupied by Oakland College, a school established by Presbyterians in 1828; the state of Mississippi purchased the Oakland campus for \$40,000 and named it Alcorn University. Hiram R. Revels resigned his seat as a United States senator to become the University's first president. The state legislature provided \$50,000 cash annually for the University's first 10 years to support its establishment and overall operation. Additionally, 30 acres of land were sold for \$188,928; Alcorn received three-fifths of the proceeds, or \$113,400. This funding was used for Alcorn's agricultural and mechanical components.

Initially, the institution's three major study components were the four-year college track, the two-year college track, and the three-year graded track. Students spent the morning, from seven o'clock until noon, in classes. In the afternoon, they worked in various University shops for eight cents per hour. Room and board, including laundry, cost about \$5 a month.

In 1878, Alcorn University became Alcorn Agricultural and Mechanical College. The college was exclusively for males at first, but eventually women were admitted. A dormitory for women was built in 1902. Over time, facilities increased from three historic buildings to more than 80 structures. The original purchase of 225 acres of land grew to a campus of more than 1,700 acres.

In 1974, Alcorn Agricultural and Mechanical College became Alcorn State University. Governor William L. Waller signed House Bill 298, granting this status. Alcorn has thrived by continuously accomplishing dynamic goals and objectives despite limited resource allocations from the state. By the early 1990s, Alcorn's

physical plant and academic programs evolved into a more diversified University. The student population is now representative of more than 65 counties, more than 30 states, and at least 18 foreign countries. The University provides an undergraduate education that enables students to successfully pursue work in graduate and professional schools, engage in teaching, and enter other professions.

As Mississippi recognized the importance of educating all citizens, Alcorn has gained status and importance. From the original eight faculty members in 1871, the University has grown to more than 800 faculty and staff. The student body has increased from 179 students to more than 4,000 students with varied ethnic backgrounds. Although early graduates of Alcorn had limited horizons, today's graduates are successful in their chosen professions, and many are outstanding entrepreneurs. Throughout Alcorn's history, the leadership and faculty remained committed to enhancing the institution's image and to attracting young people whose interest is the pursuit and receipt of a quality education. Over the decades, "the college that excelled against great odds" has become one of the leading universities in the nation. Alcorn State University operates divisions with degree programs in more than 50 areas, including the bachelor's, master's, and educational specialist degrees.

The collaborative strength and contributions of Alcorn's past 19 presidents during its more than 140 years of existence have enabled the institution to excel. Beginning in the 2019-20 school year, the Mississippi Board of Trustees of State Institutions of Higher Learning voted unanimously to appoint Dr. Felecia M. Nave as Alcorn State University's 20th president. President Nave's background and vision are strategically aligned with Alcorn's history and tradition. She is poised to expeditiously move Alcorn State University to the next level of excellence.
