## NOTES FOR CLUB ROSTER PROFILES

\* - Indicates player is currently unavailable, and club may receive roster/international spot relief, but not Salary Budget relief unless otherwise determined pursuant to the loan agreement.

^ - Indicates player can not be converted from a Designated Player to a non-Designated Player by using Targeted Allocation Money.

+ - In addition to the International Roster Slots, each Canadian Club is permitted to designate up to three International Players who have been under contract with MLS and registered with one or more Canadian clubs for at least one year who will not count toward the club's International Roster Slots.

**Homegrown Player Designation:** Homegrown Player designations are only noted for Supplemental Roster, Supplemental Slot 31 or Off-Roster Homegrowns.

**TAM Player Designation:** A TAM Player is a player whose Salary Budget charge is above the Maximum Salary Budget Charge (\$743,750) and at or below the Maximum Target Allocation Money Amount (\$1,743,750).

**PT (Permanent Transfer Option)** - Indicates club has the opportunity to execute a permanent transfer option for a player that is on loan through the designated year. The following years in the cell reflect the additional contract option years.

**Off-roster Homegrowns** - Off-roster Homegrown players can appear in MLS matches via a Short-Term Agreement.
