Richard L. Monfort

Owner/Chairman & Chief Executive Officer

Dick Monfort enters his 28th season with the Rockies franchise in 2025 and continues in his role as Owner/Chairman and Chief Executive Officer for the Club. A Colorado native, Monfort and the Colorado Rockies Ownership Group have established the Colorado Rockies Baseball Club as a leading enterprise in the Rocky Mountain Region in both sports and business. This organization's impact can be seen in its many contributions to the community, whether through benevolent outreach in the areas of youth sports and health, or in the development of young sports-minded professionals.

Brothers Dick and Charlie Monfort have done extensive community outreach through their family directed Monfort Family Foundation. In September 2004, the Monfort oncology floor of the new hospital is named in memory of Rick Wilson, a cousin of the Monfort family. The foundation is a longtime provider of funding and endorsement for the Boys & Girls Clubs in Metro Denver and Weld County. Also active in higher education, the Monfort family supports the Monfort School of Business at the University of Northern Colorado and the Monfort Excellence Fund at Colorado State University; both impact students, faculty and the Northern Colorado community through scholarships for exceptional students and support of outstanding faculty. Other organizations that have benefited from the Monfort family's years of philanthropic work include CU Cancer Center, Craig Hospital, United Way, the Denver Art Museum and Habitat for Humanity.

Individually, Monfort was the 2008 recipient of the United Way of Weld County Humanitarian of the Year Award—an award his father, Kenny Monfort, received twenty years earlier. Monfort is currently the Chairman of the University of Northern Colorado Board of Trustees and the Chairman of the Board of Directors of University of Colorado Health.

Monfort spent 25 years in the cattle business, primarily with his family's company. In 1987, he was named president of Monfort of Colorado, Inc., a subsidiary of ConAgra, and in 1991 became president and CEO of ConAgra Red Meats.

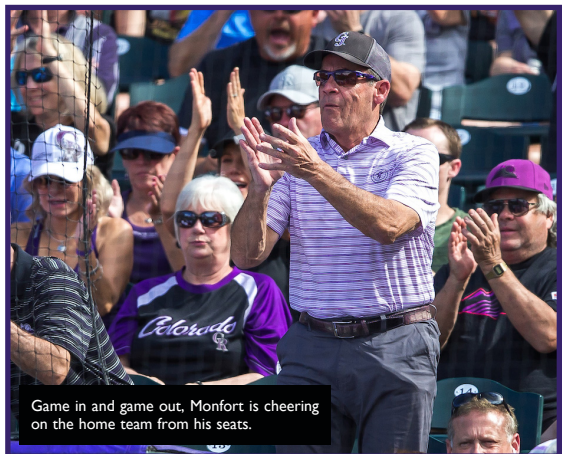

More recent ventures include McGregor Square, 655,000 square feet of residential and commercial space located adjacent to Coors Field in historic lower downtown Denver (LoDo). McGregor Square connects the ballpark to a neighborhood that has developed dramatically over the past 25 years with direct access to Union Station and RiNo District and is a vibrant year-round complement to Coors Field. The new Colorado Rockies Hall of Fame experience and public gathering spaces combined with retail and restaurants, food hall, multi-family residential development, hotel, and office spaces creates a robust environment. But beyond baseball, it will serve as a new and fresh year-round destination that can host neighborhood concerts, festivals, and other public activities for both visitors and the LoDo community alike.

A 1976 graduate of the University of Northern Colorado, Monfort has a bachelor's degree in business management. In May 2012, Colorado State University President Tony Frank awarded the honorary degree of Doctor of Humane Letters to Monfort in recognition of his significant contributions to Colorado industry and higher education. Additionally, he has been awarded an honorary Doctor of Business Administration in Entrepreneurship by Johnson & Wales University in May 2014 and Honorary Doctor of Humane Letters in December 2021 from University of Colorado Anschutz Medical Campus.

Monfort has three children: daughter Dr. Lyndsey Grae M.D., eldest son Walker (wife Lauren, daughter Maren Lee) a VP, Corporate Partnerships and son Sterling is Director, Pro Scouts. Dick currently resides in McGregor Square Residence with his wife Karen.

Monfort congratulates Rockies employees receiving commendations in a pregame on-field ceremony.

Game in and game out, Monfort is cheering on the home team from his seats.

Charles K. Monfort

Owner/General Partner

Charlie Monfort, Owner/General Partner, is a club founder and has been one of the Rockies' managing general partners since 1992.

Brothers Dick and Charlie Monfort have done extensive community outreach through their family directed Monfort Family Foundation. In September 2004, the Monfort Family Foundation gifted \$10 million to Children's Hospital Colorado for the construction of a new medical facility in Aurora, Colo. The oncology floor of the new hospital is named in memory of Rick Wilson, a cousin of the Monfort family. In addition, the family funded a display of artwork, photography and Rockies memorabilia to enhance the seventh floor of the hospital. The foundation is a longtime provider of funding and endorsement for the Boys & Girls Clubs in Metro Denver and Weld County. In 2012,

they matched dollar for dollar on fans' collected contributions for Coloradoans devastated by summer wildfires. Also active in higher education, the Monfort family supports the Monfort School of Business at the University of Northern Colorado and the Monfort Excellence Fund at Colorado State University; both impact students, faculty and the Northern Colorado community through scholarships for exceptional students and support of outstanding faculty. Other organizations that have benefited from the Monfort family's years of philanthropic work include CU Cancer Center, Craig Hospital, United Way, the Denver Art Museum and Habitat for Humanity.

Charlie was named president of Monfort International Sales Corporation in 1988, and under his guidance, it became one of the largest beef exporters in the world and the leading exporter of beef products to Asia. In 1990, Monfort became president of ConAgra Refrigerated Foods International, Inc., which consolidated Monfort International Sales Corporation with all of ConAgra's international refrigerated foods companies. Charlie resigned from ConAgra in late 1997 in order to concentrate on his leadership role with the Rockies.

Monfort has a bachelor's degree in marketing & business management from the University of Utah (1982) and served as president of Kappa Sigma Fraternity. He currently serves on the Special Olympics Board of Directors, is a member of the Advisory Board for the University of Utah and is an active supporter of the Denver Dream program.

Monfort has four children: son Kenny, daughter Ciara and twins, son Lucas and daughter Danica. He continues to make his primary residence in Greeley, Colo. with his wife Charlotte.

Monfort greets Rockies fans as they enter the ballpark on Opening Day.

UBALDO'S NO-NO

On April 17, 2010 at Turner Field, Ubaldo Jiménez pitched the first no-hitter in Rockies history.

- Jiménez's line: 9.0 IP, 0 H, 0 ER, 6 BB, 7 SO, 31 batters faced.
- Jiménez threw the first no-hitter in Colorado's 2,703rd game.
- Entering the game, four existing teams in MLB had not thrown a no-hitter: Colorado (est. 1993), Tampa Bay (est. 1998), San Diego (est. 1969) and New York-NL (est. 1962).
- Prior to this no-hitter, the deepest a Colorado pitcher had gone into a potential no-hitter was Jason Jennings, who went 6.2 innings without giving up a hit on Aug. 1, 2002 at Pittsburgh.
- Jiménez threw a career-high 128 pitches, one more than his previous high (127 pitches, June 12, 2009 vs. Seattle); he threw 72 strikes and his fastball averaged 96.8 mph.
- Jiménez faced 31 consecutive batters without allowing a hit.
- When he reached 83 pitches, Jiménez had thrown 42 balls and 41 strikes, but he did not walk any batters after the fifth inning.
- Jiménez was the fourth Dominican player to throw a no-hitter—entering the 2021 season, seven Dominican-born players have thrown no-hitters, the most of any nationality other than from the U.S.A.

GAME 163, 2007

On Oct. 1, 2007, the Rockies vs. San Diego Padres matchup at Coors Field marked the seventh one-game playoff in Major League history. In the tiebreaker, Colorado took its first lead of the game into the sixth inning, battling back from a 5-3 deficit heading into the third inning. With the Rockies leading 6-5 with two outs in the eighth inning, Matt Holliday's miscue in left field allowed the Padres to score the tying run, pushing the game into extra innings. It stayed knotted at six until San Diego broke the tie with a Scott Hairston two-run home run off Jorge Julio in the 13th inning. With an 8-6 lead, the Padres called on Trevor Hoffman to try and seal a victory for San Diego. With their backs against the wall and the Rockies' season on the line, Kazuo Matsui led off the bottom half of the frame with a double and then scored on Troy Tulowitzki's double to bring the Rockies within a run. Holliday followed with a first-pitch triple, scoring Tulowitzki to tie the game at eight. The Padres chose to intentionally walk Todd Helton in order to face Jamey Carroll with Holliday and the winning run on third. Carroll hit the first pitch he saw from Hoffman to right field, where Brian Giles caught the ball and threw home to try and cut down Holliday. Holliday tagged from third and, diving head first into home plate, decisively beat Giles' throw to win the game, 9-8 in 13 innings, sending them to the postseason.

LOW-RUN GAMES AT COORS FIELD

After no I-0 games over the park's first 10 years, there have now been 12 I-0 contests at Coors Field since 2005. The first came on July 9, 2005, when the Rockies beat the Padres 1-0. It happened in the 847th regular season game in the facility's history; according to the Elias Sports Bureau, the 846 total contests without a I-0 game is the longest span of any park in Major League history. The previous record was 635 games, held by the Philadelphia Athletics of the American Association from 1882 to 1891. On Sept. 14, 2008 vs. Los Angeles, the Rockies defeated the Dodgers 1-0 in 10 innings; this game was scoreless through nine innings—a first in Coors Field history. According to the Elias Sports Bureau, that game was the first game ever played at either Mile High Stadium or Coors Field that was scoreless at the end of the ninth inning (previously at Coors Field: 0-0 after eight innings on June 11 vs. San Francisco). The Rockies played 1,257 previous games in Colorado in their history, the longest streak of home games without a 0-0 score through nine innings for any team since the Athletics played 1,615 straight home games in which at least one team scored before extra frames; the A's streak lasted more than 20 years (June 22, 1947 through Sept. 3, 1967), spanning the club's relocation from Philadelphia to Kansas City. Coincidentally, the Rockies lost 1-0 to the Texas Rangers in the inaugural game at Globe Life Field on July 24, 2020.

History of Baseball in Denver

Although Major League Baseball did not arrive until 1993, professional baseball in the Rocky Mountain Region can be traced back to 1886 with the advent of the Western League. The Denver Bears were crowned the first league champions and baseball in the Mile High City would go on to become an off-and-on occurrence over the next 60 years, with the game becoming a permanent fixture in 1948.

Built in 1948, Mile High Stadium was known as Bears Stadium until 1969. Denver finally became a Triple-A city in 1955, when the American League's Philadelphia A's moved to Kansas City, thus allowing the Bears' owners, the Howsam family, the opportunity to purchase the then-homeless New York Yankees' Minor League affiliate for \$90,000. The Yankees tabbed an untried Ralph Houk to manage the Triple-A club and were led by the likes of Bobby Richardson, Tony Kubek and Ralph Terry. The first Triple-A champions in Denver history were the 1960 Bears, piloted by Charlie Metro.

When the Broncos became a charter member of the American Football League in 1959, the south stands (8,100 seats) and portable east stands (9,616 seats) were added to give a capacity of 34,657 for football. The Broncos began play in 1960.

From 1963-68, the Bears were a member of the Pacific Coast League. The 1968 entry was the affiliate of the Minnesota Twins, managed by the fiery Billy Martin and led by Graig Nettles and Bob Oliver.

After Denver voters turned down a stadium bond issue to build an all-purpose metropolitan stadium in 1967, a non-profit group began a fund-raising drive with the goal of purchasing the stadium for the city. In February 1968, the group bought the stadium from Rocky Mountain Empire Sports for \$1.8 million and presented it to the city. A 16,000-seat upper deck was immediately constructed over the west stands, raising the capacity to over 50,000. In December 1968, the stadium was renamed Denver Mile High Stadium. Further expansion of Mile High began in 1975 and was completed in 1977. Voters passed a \$25 million bond issue in 1974 to expand the stadium from its capacity of 51,706 to 75,100. The construction of 60 penthouse suites atop the west stands brought the stadium to its final capacity of 76,098 in 1986.

The Bears moved to the American Association in 1969, which would stand as the home of all of the remaining Denver franchises until 1992. From 1970-83, the Bears established themselves as a championship franchise, winning five league crowns and three division titles. Graced by future big league stars such as Tim Wallach and Tim Lincecum, the Bears drew record crowds night after night, including a 1982 fireworks night crowd of 65,666, which established a Minor League record.

Under new ownership, the Zephyrs came to Denver in 1985, as an affiliate of the Cincinnati Reds. The likes of Eric Davis, Paul O'Neill and Barry Larkin displayed their talents in Denver before moving on to prominent Major League careers.

The Z's joined the Milwaukee Brewers system in 1987 and remained a Brewers affiliate until 1992. One of the

Mile High Stadium on Opening Day, April 9, 1993

most memorable moments in the Zephyrs' tenure at Mile High was a 582' home run by Joey Meyer into the upper deck of the east stands. One seat in the all-blue section was painted orange to signify the landing location of Meyer's home run. John Jaha later sent one near Meyer's homer, just a few feet to the left. Gary Sheffield and Greg Vaughn were some of the other fan favorites of the later Zephyr clubs.

When Major League owners unanimously approved Denver and South Florida as baseball's two newest franchises on July 5, 1991, not only did that date mark the conception of the Rockies but also the end of over 100 years of Minor League baseball in Denver.

A Major League record crowd of 80,227 packed Mile High for the first home game in Rockies franchise history, April 9, 1993 vs. Montreal. Eric Young Sr. hit a home run to lead off the bottom of the first inning as the Rockies cruised to an 11-4 victory, signifying the beginning of big league baseball in the Rocky Mountain region.

After drawing 4,483,350 fans in the 1993 inaugural season, the Rockies were on pace to shatter that mark in 1994, averaging 58,598 through 56 home dates, which would have put the season ending mark at 4,687,840, if it were not for the strike that ended the 1994 season in August. In those first two seasons at Mile High, the Rockies had 52 occasions when better than 60,000 paid to watch baseball; 21 times the crowd eclipsed 70,000.

The Rockies moved into Coors Field in 1995 after shattering nearly every attendance mark in the books. In 135 dates at Mile High, the Rockies drew 7,701,861 fans, an average of 57,051 per game.

Demolition of Mile High was completed in March 2002. On Aug. 29, 2006, the Rockies and the Rocky Mountain Chapter of SABR unveiled a plaque commemorating Bears/Mile High Stadium, and a home plate made of steel was placed on the exact location of home plate at Mile High, which is currently in a parking lot adjacent to the Broncos' current home stadium.

2007: 21 WINS IN 22 GAMES

The 2007 season was a historical one for the Colorado Rockies, as the team won its first National League Championship and advanced to the World Series for the first time in franchise history.

The Rockies captivated fans throughout baseball with an unprecedented run at the end of the season, winning 14 of their final 15 regular season games (including a one-game play-off for the Wild Card), sweeping the National League Division Series vs. the Phillies and the Championship Series vs. the Diamondbacks. All told, the club won 21 of 22 games heading into the 2007 World Series before being swept in four games by the Boston Red Sox.

Resiliency might be the best word to describe the 2007 Colorado Rockies. The club overcame an 18-27 start to the season, a 1-9 road trip at the end of June and the loss of three starting pitchers. The Rockies went from last place in the National League West to posting the league's best record after May 22 with a mark of 72-46 (.610), including a franchise-record 20 victories in September. The team finished at 17 games above .500, easily a franchise-best for any point in any season. The club's 90 wins matched Arizona for the most victories of any National League team in '07. 2007 became the first 90-win season in Rockies franchise history.

The sensational 21-of-22 run began on Sept. 16. Entering that day's game, the Rockies found themselves four-and-a-half games behind Wild Card leader San Diego, and they trailed both Philadelphia and Los Angeles by 3.0 games each. Colorado was also in the midst of a three-game losing streak, but the Rockies avoided a sweep, hitting four home runs (one of which was Todd Helton's 300th career home run) and collecting 20 hits to defeat the Marlins 13-0.

Following an off day, the Rockies hosted the Dodgers for four games, beginning with a doubleheader on Sept. 18. Colorado won game one by a 3-1 count as Jeff Francis struck out a career-best 10 batters, the most by a Rockies pitcher since 2003. In the nightcap, Helton hit one of the most memorable home runs in franchise history: a 418-foot two-run walk-off home run off Takashi Saito to give the Rockies a 9-8 victory and completing the doubleheader sweep. The win pushed Colorado to seven games above .500 for just the second time in '07. The Rockies defeated the Dodgers 6-5 in the third game of the set, as Brad Hawpe hit a two-run home run in the eighth inning, and the following day, Matt Holliday highlighted a six-run second inning with his 11th home run in 12 games in the Rockies' 9-4 win.

The club then traveled to Southern California for a six-game trip against San Diego and Los Angeles. In the first game of a three-game series with the Padres, the Rockies led 1-0 entering the ninth inning, but that lead vanished as Manny Corpas allowed a solo home run to Adrian González to lead off the frame. However, Brad Hawpe's home run in the 14th inning gave the Rockies a 2-1 victory, securing the club's first winning season since 2000. The Rockies went on to sweep San Diego, highlighted by a franchise-best 17th win of the season for starter Jeff Francis. The sweep notched the Rockies' 84th win of the year, setting the single-season team record.

The Rockies then traveled up the coast to play the Dodgers in three night games. In the opener, on Sept. 25, Troy Tulowitzki homered in the sixth inning to drive in the tying and go-ahead runs while Helton recorded a pair of run-scoring singles to give the Rockies their ninth consecutive victory, tying a franchise record. The following night, Josh Fogg held the Dodgers scoreless, allowing just five hits over 6.2 innings and the Rockies scored two runs in the third inning in their 2-0 shutout victory against Los Angeles. In the final road game of the season, Colorado extended its winning streak to 11 games with a 10-4 win in L.A. on Sept. 27. The club had reeled off a perfect 6-0 road trip, the first unbeaten, multi-city trip in franchise history.

Now it came down to the final weekend of the regular

season as Colorado hosted first-place Arizona for three games at Coors Field. The Rockies and NL East co-leaders Philadelphia and New York all sat 1.0 game behind NL Wild Card leader San Diego (Colorado also trailed Arizona by 2.0 games in the division).

In front of 48,190 fans, the Rockies' 11-game winning streak was quickly snapped by Arizona as staff ace Brandon Webb held the Rockies to just two runs in seven innings and dealt the Rockies' and Jeff Francis a 4-2 Rockies loss. The Rockies now had to win its two remaining games and hope for the Padres to lose against the Brewers in their last two games to have a shot at the postseason by guaranteeing a tiebreaker game between the clubs to be held at Coors Field.

With their playoff hopes hanging in the balance, the Rockies' resiliency came into play. First, on Sept. 29, Tulowitzki hit his first career grand slam, Holliday drove in two runs with a double, and Garrett Atkins plated two runs as the Rockies defeated the D-backs 11-1. Meanwhile, in Milwaukee, the Padres were one strike away from a victory that would have ended Colorado's season, but closer Trevor Hoffman allowed a game-tying triple to Tony Gwynn Jr., and the Padres fell to the Brewers in extra innings. Colorado's playoffs hopes were still alive. The Rockies headed into the final day of the season needing a win and a Padres loss to force a tie in the NL Wild Card standings.

On the season's final day, the Rockies scored three times against NL West Champion Arizona in the eighth inning, snapping a 1-1 tie, just as the Padres' final score was posted on the Coors Field out-of-town scoreboard to the roaring applause of 46,375 Rockies fans. Ahead 4-1 going into the ninth inning, the Rockies' Corpas entered the game with a chance to close out the victory and extend the Rockies' season. Corpas gave up a couple hits, a Conor Jackson sacrifice fly and a two-out RBI single from Alberto Callaspo, before fielding Stephen Drew's infield grounder and firing it to first, where Todd Helton caught it and erupted in jubilation.

The Rockies had won 13 of their last 14 games to force the Wild Card tiebreaker on Oct. 1: Rockies vs. Padres at Coors Field. It marked the seventh one-game playoff in Major League history.

In the tiebreaker, Colorado took its first lead of the game in the sixth inning, battling back from a 5-3 deficit heading into the third inning. With the Rockies leading 6-5 with two outs in the eighth inning, Holliday's miscue in left field allowed the Padres to score the tying run, pushing the game into extra innings. It stayed knotted at six until San Diego broke the tie with a Scott Hairston two-run home run off Jorge Julio in the 13th inning. With an 8-6 lead, the Padres called on Trevor Hoffman to try and seal a victory for San Diego.

Backs against the wall and their season on the line, Kazuo Matsui led off the bottom half of the frame with a double and immediately scored on Tulowitzki's two-bagger to bring the Rockies within a run. Holliday followed with a first-pitch triple, scoring Tulowitzki to tie the game at eight. The Padres chose to intentionally walk Helton in order to face Jamey Carroll with Holliday and the winning run on third. Carroll hit the first pitch he saw from Hoffman to right field, where Giles caught the ball and threw home to try and cut down Holliday. Holliday tagged from third and, diving head first into home plate, narrowly beat Giles' throw to win the game, 9-8 in 13 innings.

The Rockies were going to the postseason in dramatic fashion, and for just the second time in franchise history.

The Rockies would go on to sweep the Philadelphia Phillies in the NL Division Series in three games, and then sweep the Arizona Diamondbacks in the NLCS in four games, capping the 21-of-22 run and becoming National League Champions. Despite losing the World Series title to the Boston Red Sox, this 2007 Rockies season was certainly a magical run for the ages.

CLUBHOUSE ACCESS

Members of the media must have a specific working purpose to gain admittance to the clubhouse. Per Major League Baseball Regular Season Club/Media Regulations, "visitors in the clubhouse, including accredited media members, should conduct themselves in a professional manner. Clubhouses are work places. Clubhouse business should be conducted as expeditiously as possible with a minimum of disruption of regular game routines. Members of the media should not excessively linger in the clubhouse when not interviewing players."

Should any media member need access to a specific player or staff member, please contact a member of the Rockies Communications Department. There shall be no seeking of autographs and no touching or removing of equipment or personal items from lockers. Media should not sit on clubhouse furniture, read newspapers or magazines or sample food spreads.

PREGAME SCHEDULE

The Rockies clubhouse opens a minimum of 3 1/2 hours prior to the game, pending first pitch time, and closes at the beginning of batting practice. The clubhouse will reopen approximately 10 minutes after the game. Clubhouse times can be found on X (Twitter) at @rockiesmedia.

(Media Information, continued)

MANAGER BUD BLACK AVAILABILITY

Rockies Manager Bud Black will be available to the media before and after each game, in addition to special requests. His pregame briefing is held in the dugout at the start of stretch, prior to batting practice, both on the road and at home. At home, Black's postgame press conference is held approximately 10 minutes after the game in the interview room (Rox Room), located on the Lower Level, down the first-base line from the Rockies' home clubhouse entrance. On the road, Black is available in the visiting manager's office inside the visiting clubhouse.

ROVING CAMERAS

Any camera light in the seating area of the ballpark is strictly prohibited. If a photo light comes on during the game, umpires will stop play. Still photographers must shoot from one of the photo bays (first and third base lines). With prior approval from the Rockies Communications Department, still photographers may shoot from the TV camera wells located in the outfield along the baselines and along the upper deck, space permitting.

IN-GAME INTERVIEWS

Interviews are not permitted in the ballpark during the game unless approved by the Rockies Communications Department. If approved, interviews may only be conducted on the concourse between innings (not in the stands) while the game is in progress.

WORKING PRESS BOX

Seating in the lower press box (located behind home plate on the LP level) is prioritized for daily print media, visiting media relations departments, visiting beat writers, and radio and television representatives not on the air during games. Media without a seat in the press box may sit in the media dining area located directly behind lower press.

The upper press box (located behind home plate on the Club Level) consists of two television booths and four radio booths for live broadcasts. Keeping with MLB and club policy, no person under 18 is permitted into either press box area on game days. Alcoholic beverages are prohibited from the working press boxes (upper and lower) prior to and during the game.

MEDIA DINING

A media dining room is located adjacent to the working press box on the Lower Press level of Coors Field, and is available to credentialed members of the media who have access to the working press box.

RADIO INTERVIEWS

The use of cellular phones for radio interviews while on the field and in the clubhouse is strictly prohibited without being prearranged with the Rockies Communications Department.

FIELD ACCESS

All members of the media with credentials allowing them access onto the field may conduct interviews at specific times prior to the start of the game. There is no field access from behind home plate. Members of the media with home clubhouse access may reach the dugout and field via the steps leading to the home dugout when the clubhouse is open. However, when the Rockies clubhouse is closed, all media should enter and exit the field via the tunnel adjacent to the visiting dugout. The field must be cleared 50 minutes before the beginning of the game. At no time are media permitted in fair territory or anywhere down the line from the first

or third base bags. Alcoholic beverages are prohibited from the field at all times. Members of the media are prohibited from standing, photographing or conducting interviews from the circle of dirt surrounding the cage while batting practice is in progress.

LIVE TRANSMISSIONS

Affiliations not licensed by MLB, and non-rights holders of the Colorado Rockies and MLB (television, radio and Internet/online sites) are prohibited from providing live telecasts or broadcasts, game simulations, pitch-by-pitch accounts, as well as from using live or taped material originating from inside the ballpark of any information about the game, including (but not limited to) any account, description, picture, video, audio, reproduction or other information concerning any MLB game (including from a camera feed already positioned within the ballpark). Such use without a license from Major League Baseball Enterprises is a violation of the policies of MLB and the Colorado Rockies and any breach will result in revocation of credentials, and may be subject to litigation. Additionally, non-licensed live transmissions are prohibited from providing live telecasts or broadcasts within the following window: the period commencing with Rockies TV going on the air pregame and ending with the conclusion of the club's television and radio rights holders' (both Rockies TV and 850 KOA) postgame programming.

LIVE IN-GAME RADIO REPORTS

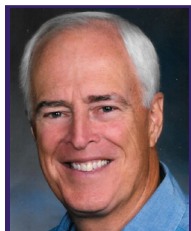

When a game is not being broadcast by ESPN Radio, MLB's national rights holder, radio stations and assigned correspondents for out-of-town reports are permitted to give inning or half-inning score updates; however, at no time can they file reports while play is in progress. When a game is being broadcast by ESPN Radio, no radio entity is allowed to file live in-game reports from the ballpark hosting that game. The ESPN Radio window of exclusivity begins 15 minutes prior to first pitch and concludes 15 minutes after the game, or when ESPN Radio completes its broadcast, whichever comes first. In addition, in order to protect the club's local rights holders, the following guidelines are recommended for all non-ESPN Radio games:

- Reports are defined as non play-by-play reporting of scores and game highlights, including scene setters, game-in-progress updates and postgame summaries. No entity other than club and national rights holders are permitted to broadcast play-by-play at any time.
- Reports must be limited to segments of 30-60 seconds each and must be confined to between innings only.
- Reports will be limited to six per game. Radio stringers must notify clubs of their plans to do live reports from the ballpark and confirm an approved location.
- The suggested sequence per media outlet is as follows: Scene Set / 2nd Inning / 4th Inning / 6th Inning / 8th Inning / Postgame summary.

AUTOGRAPHS

Credentialed members of the media are strictly prohibited from requesting autographs or equipment from any area of the ballpark. Officials will revoke credentials from violators immediately, with no exceptions.

Jack Corrigan

Radio Announcer - KOA

With more than 3,500 Rockies broadcasts, Jack Corrigan returns for his 23rd season in Denver and his 40th in Major League Baseball. Corrigan came to Colorado after 17 years in the Cleveland Indians television booth. In addition to his work in baseball, Corrigan has been involved with play-by-play and color commentary for the Cleveland Cavaliers telecasts in the NBA and spent more than fifteen years as the lead announcer for college football and basketball games for the Atlantic Coast Conference, Ivy League, Mid-American Conference and Patriot League, among others. In 2021, he was named by the Sports Broadcast Journal as one of the top 100 local sports broadcasters in the 100-year history of sports broadcasting.

A native Clevelander, Jack is a graduate of St. Ignatius High School and Cornell University, where he played football for four seasons while earning a B.A. in History. He received a master's degree in communications from Kent State University, and his thesis—on NFL Films—is in the archives at the Pro Football Hall of Fame in Canton, Ohio. He is involved with his own video company that has produced more than 100 projects for sports entities and other commercial and non-profit organizations.

Jack has written two novels, *Warning Track*, a book about an aging baseball player dealing with the lure and repercussions of supplement use, and *Night of Destiny: 24 December 1*, a fictionalized account of an incident in World War II that involved his late father, Judge John V. Corrigan. His third novel, *It's All in the Cards*, about a 14-year-old girl who dreams of playing Major League Baseball, is currently awaiting publication. With two partners, he also has a screenplay under consideration as a movie or television series.

Jack and his wife, Lisa, have been married 48 years and they have two children. Megan, a graduate of Mercyhurst University, and her husband John live in Colorado with their sons, James and Daniel. Michael, a Loyola Marymount University graduate, and his husband Eric work in Chicago, where he has his own public relations company, MCPR. Jack, a prostate cancer survivor, is active with the Prostate Cancer Foundation and other local groups in increasing awareness and raising funds for research. He has been actively involved with Boys Hope/Girls Hope, a non-profit that helps academically motivated students rise above disadvantaged backgrounds. Jack is also a volunteer assistant football coach at Regis Jesuit High School in Denver. In his free time, he dabbles in oil paintings, specializing of course in baseball scenes and portraits. His sportscasting career spans nearly 30 years and includes radio and television play-by-play of several professional and college sports. He also spent one year as the deputy commissioner and legal counsel for the Continental Basketball Association.

A documentary about the effort, called *Godspeed*, was released in the fall of 2016. In September, 2017, Schemmel set the age group record in the solo Race Across Colorado, a 468 mile bicycle ride from the Utah border to the Kansas border. He is also part of four other Colorado team relay ultra cycling records.

Schemmel is a survivor of the crash of United Flight 232 in Sioux City, Iowa on July 19, 1989. The crash killed 112 of the 296 on board. He is the author of the book *Chosen To Live*, which chronicles the crash of flight 232 and its subsequent effects on his life.

Rockies in the Community

The Colorado Rockies Baseball Club Foundation

Since the organization's inception in 1993, the Colorado Rockies have demonstrated a passionate commitment to their philanthropic mission of positively impacting the community through corporate investment and active outreach. The Colorado Rockies Baseball Club Foundation is the charitable arm of the organization tasked with the mission to support underprivileged and at-risk youth through programs for youth baseball and softball, education, literacy, drug and alcohol-abuse awareness and prevention.

Since 1993, the CRBC Foundation has granted over \$35 million to agencies, organizations and programs that support the foundation's mission. In addition, the Rockies take pride in hosting members of the community at Coors Field, having donated close to two million tickets to numerous non-profit organizations throughout the region.

50/50 Raffle

The Colorado Rockies Baseball Club Foundation has hosted the Metropolitan State University of Denver's Alumni Association in their 50/50 Raffle for the past seven seasons, and the program will continue for 2025. This season, fans will be able to purchase tickets during every home game in-person from our volunteer sellers with touchless payment options, or online at [ROCKIES5050.com](https://rockies5050.com) anywhere in the State of Colorado. Tickets can be purchased exclusively online at [ROCKIES5050.COM](https://rockies5050.com). Fans who purchase prior to the first pitch of the first home game of a homestand will be eligible to win bonus prizes such as authenticated autographed items, while remaining eligible for the jackpot.

All rules, details and FAQs can be found at [Rockies.com/5050](https://rockies.com/5050).

Rockies Youth Baseball Initiatives

The Colorado Rockies Youth Baseball Initiative encompasses a wide range of programs designed to inspire and cultivate a love of baseball and softball among local youth. These programs place an emphasis on health and activity through baseball and softball, and give opportunities for children to work with and learn from professional Rockies coaches and players. Programs that are under the initiative cater to a wide range of ages, socio-economic circumstances and physical abilities. Some of these programs have sprung from long-standing local relationships.

In 2007, the Rockies adopted the **Boys & Girls Clubs Owen Branch**, located in West Denver, and have since played host to club members at annual baseball/softball skills clinics and other events. Over the past year, the Rockies also hosted baseball/softball events with: Big Brothers Big Sisters of Colorado, National Sports Center for the Disabled, Girls Inc. of Metro Denver, Buckley Air Force Base and Fantasy Camp for Kids. The Rockies also host the **Youth Baseball Camp** and **Youth Softball Camp** at Coors Field annually, which helps raise money for the Rockies Foundation while providing a fun and unique camp experience.

And since 2001, the Rockies have hosted **High School Baseball Games** at Coors Field in March and April. For participating schools throughout the state of Colorado, these games provide a lucrative fundraising opportunity through ticket sales that has averaged \$25,000-\$35,000, which has been used to benefit their school's athletic program, facilities, equipment or whatever they choose.

(Rockies in the Community, cont.)

RBI Program

The Rockies are proud participants in **Major League Baseball's RBI (Reviving Baseball in Inner Cities) Program**. Established in 1989, RBI's mission is to assist financially disadvantaged families and communities in engaging youth in physical and mental activity by offering them an opportunity to play in summer baseball and softball leagues at no cost to their families.

The Rockies run a total of 30 teams within three divisions: seniors baseball (ages 16-18), juniors baseball (ages 13-15) and softball (18 and under). In 2024, 22 area schools in Aurora, Commerce City, Denver, Lakewood, Arvada and Thornton participated in the program. The season runs from late May through mid-July and culminates with a final tournament. The Greater Denver RBI Program has had over 700 participants each year.

Colorado Rockies "Make an Impact" Program

"Make an Impact" is a character education initiative that complements preexisting PBS (Positive Behavior Support) programs with an on-site "Rockies School Rally." This school-wide assembly is designed to entertain students while teaching them the importance of maintaining a healthy body, mind, and relationships. Students learn how to create healthy lifestyles that can impact their communities. The 50-minute interactive program is designed for grades K-6 and features recorded player messages as well as a visit from Rockies mascot Dinger. Since 2005, the Make an Impact assembly program has been presented at over 370 schools and has reached close to 160,000 students.

Rockies Wives

Each season, wives and girlfriends of Rockies players and coaches give back to the Colorado community by participating in various fundraising and awareness programs, as proud representatives of the Rockies organization.

The Care & Share Program

The Care & Share Program is an initiative that gives children living with serious illnesses the opportunity to be special guests at Coors Field prior to and during a Rockies home game. Participants in the program are invited to spend time on the field during batting practice, where they are able to meet and receive autographs from Rockies players. Participants are selected through a collaboration with the Make-A-Wish Foundation and Children's Hospital Colorado.

CRBC Foundation at Spring Training

The Colorado Rockies Baseball Club Foundation is committed to community outreach throughout the year in the Rocky Mountain Region, and that commitment extends to their home away from home during the spring. With the move to the spectacular Salt River Fields at Talking Stick complex in 2011, the Rockies have the unique opportunity to collaborate with the Salt River Pima-Maricopa Indian Community (SRPMIC) on several projects with organizations that directly contribute to the quality of life for all people in the community.

Of particular interest to the Rockies are projects that allow baseball to positively impact the lives of children who are at risk. Efforts to prevent substance abuse, increase literacy and educational achievement and promote good citizenship among community youth are crucial to the Rockies' charitable mission. With that interest as a guide, the Rockies have hosted and participated in several SRPMIC events. Each year since they relocated to Scottsdale, the Rockies have been involved with the youth of the SRPMIC by hosting baseball/softball clinics, "Make an Impact" school visits, equipment drives and physical fitness events.

The Colorado Rockies are proud to share in the cultural diversity, rich history and artistic values of the Pima and Maricopa tribes. The organization looks forward to many years of shared experiences and events that can make a difference in the Salt River Pima-Maricopa Indian Community.
