MARLINS STORY & COMMUNITY IMPACT

THE MARLINS STORY

The Miami Marlins are emblematic of South Florida, a community that exudes culture, passion, and style. The team sports a fresh and exciting energy heading into the 2025 season, with new Manager Clayton McCullough, who joins the club after a World Series Championship in 2024 with the Los Angeles Dodgers, and the return of the unanimous 2022 National League Cy Young Award winner Sandy Alcantara.

Combine the excitement of South Florida with the tradition of America's pastime, and you get one of the most entertaining brands of sport: Miami Marlins Baseball. Our community not only has a rich diversity and upbeat energy, but also a deep-rooted love for the game of baseball. Pair the ambiance of the city with the refreshed approach of the Miami Marlins organization and you get an exciting combination of past, present and future.

As the Marlins enter the franchise's 33rd season, a milestone in the club's brief tenure that includes two World Series championships (1997

and 2003) and four National League playoff berths ('97, '03, '20, '23). The two-time World Series Champion Marlins are dedicated to building sustained success on and off the field as a world-class entertainment venture, while making a positive impact in our community. The Marlins have also made significant investments in player development and international operations, with the opening of the new academy in the Dominican Republic in 2022. The club's new player development complex is a state-of-the facility and one of, if not the, best in the Dominican Republic. The investments continued in 2024 with the start of a multi-year renovation project at the Marlins Player Development Complex in Jupiter, with the initial improvements being done to Roger Dean Chevrolet Stadium. Ahead of the 2025 season, the Marlins expanded and enhanced the home clubhouse at loanDepot park to feature world-class strength and conditioning, training, and recovery spaces focused on player development.

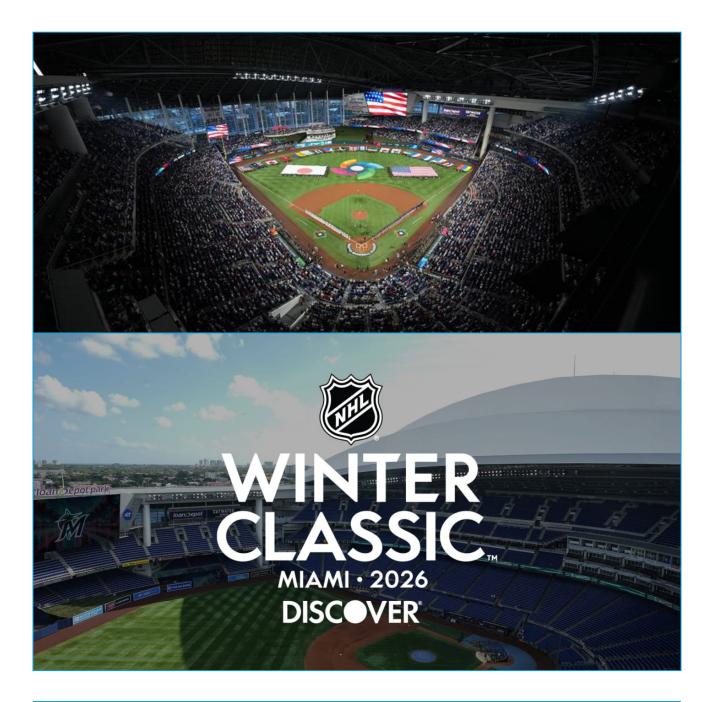

LOANDEPOT PARK

The Miami Marlins and IoanDepot, the nation's second-largest nonbank retail lender, announced on March 31, 2021 that IoanDepot will be the exclusive naming rights partner for IoanDepot park, the home of the Miami Marlins and world-class special events, becoming the first naming rights partner in the venue's history. The multi-year partnership began on March 31, 2021 and unites two young, innovative organizations on the rise, with the common vision of providing first-class experience for consumers and positively impacting their community.

Both the Marlins and loanDepot know that "home means everything" as they joined together to continue a commitment to further grow loanDepot park as a jewel sports and entertainment venue. As one

of the most versatile venues in sports, loanDepot park is home to much more than just baseball, also playing host to a variety of diverse public and private events. In addition to Major League Baseball, loanDepot park is equipped to host jewel events such as the MLB All-Star Game, World Baseball Classic, Caribbean Series, NHL Winter Classic, Super Bowl Opening Night, Monster Jam, as well as concerts, community events, graduations, and much more. The uniqueness and attractiveness of the venue make it ideal for world-class entertainment and business events.

The Miami Marlins Foundation is the official charity of the Miami Marlins.

EXECUTIVE LEADERSHIP TEAM

BRUCE SHERMAN

CHAIRMAN & PRINCIPAL OWNER

Bruce Sherman enters his eighth season as Principal Owner of the Miami Marlins. Mr. Sherman serves as Chairman of the Board, representing the fourth ownership in Club history after receiving unanimous approval from Major League Baseball Owners to acquire the team effective October 2, 2017. Mr. Sherman currently serves on Major League Baseball's Executive Council, Strategic Planning Committee, and International Committee.

Over his seven years as Chairman and Principal Owner, the Marlins have made significant investments across different facets of the organization, including staffing, technology, and infrastructure. The Marlins made major enhancements to loanDepot park in 2019, transforming the ballpark into the go-to destination for a first-class fan experience, highlighted by PNC Club, the redesigned premium space behind home plate, and new social spaces. In 2021, the Marlins opened a new state-of-the-art academy in the Dominican Republic. The improvements continued at the Marlins Spring Training site in Jupiter, with renovations to the ballfield taking place in 2024, and important changes to the complex to be completed ahead of Spring Training 2026. With player development, recovery, and comfort a priority, the Marlins underwent a two-year renovation at loanDepot park to expand the Marlins clubhouse with top of the line strength and conditioning, training, and recovery spaces, as well as create a new family room that bring the best care and menities to players' families. Additionally, loanDepot park has become a home for numerous marquee events through major upgrades, with the latest set for 2026 as the Marlins have partnered with industry leader The Cordish Companies to bring Miami Live!, a transformational entertainment development, to the ballpark campus.

Under the leadership of Mr. Sherman, the Marlins have reached the Postseason on two occasions. First in the shortened 2020 season, during which the club swept the Chicago Cubs in the National League Wild Card Series, prior to falling short in the NL Division Series against the Atlanta Braves. The Marlins then reached the Postseason again in 2023, marking the first such time in a full season since 2003. In his tenure, the Marlins have had two managers win Manager of the Year (2020 and 2023), and players win the Cy Young (2022) and Batting Champion (2023) Awards.

Mr. Sherman is currently Chairman and Chief Executive Officer of M4 Capital, having retired from his position as Chief Executive Officer of Private Capital Management ("PCM") in 2009. He launched PCM in 1986 and built it into the largest independent asset manager in the Southeastern United States prior to selling the firm to Legg Mason in 2001. Following the sale, he retained autonomy over PCM's portfolio management and investment research and led the company to a prestigious #1 ranking in the country as measured by Nelson's "World's Best Money Managers" for 10 years.

In February 2024, Mr. Sherman was named a recipient of the Horatio Alger Award. Mr. Sherman joined 10 other exceptional business, civic and cultural leaders from across North America in receiving 2024 honors by the Horatio Alger Association of Distinguished Americans, Inc., a nonprofit educational organization honoring the achievements of outstanding individuals and encouraging youth to pursue their dreams through higher education.

Mr. Sherman has invested professionally and personally in the South Florida community. He has two daughters and four grandchildren, and is married to Cynthia Sherman, a retired partner of international law firm Rogers & Wells. He and his wife are Lifetime Trustees for the Naples Children & Education Foundation supporting underprivileged and at-risk children in Collier County for more than 20 years. Mr. Sherman also formerly served on the Board of Directors of Artis-Naples, the premier center for the performing and visual arts in Southwest Florida.

Mr. and Mrs. Sherman founded the Bruce and Cynthia Sherman Charitable Foundation, which supports a variety of medical institutions and health initiatives and administers the Sherman Prize, which recognizes and rewards leading individuals who go above and beyond to make exceptional, pioneering contributions and inspire tomorrow's innovators in the fight to overcome Crohn's disease and ulcerative colitis.

Mr. Sherman was born in Auburn, New York, and grew up in Queens. He graduated from the University of Rhode Island in 1969 and earned his MBA from Bernard Baruch College in 1973. He and his wife, Cynthia, reside in Boca Raton, Fla.

PETER BENDIX

PRESIDENT OF BASEBALL OPERATIONS

Peter Bendix was named President of Baseball Operations in November of 2023, becoming the third person to hold the position in franchise history. In his role, Bendix oversees the entirety of baseball operations and works closely with leaders of each department to set the vision and promote an innovative, people-first culture.

Prior to joining the Marlins organization, Bendix spent 15 years with the Tampa Bay Rays (2009-23). During his time with the Rays, they won three American League East Division titles and had eight playoff appearances, including five straight playoff appearances from 2019-23, and a World Series appearance in 2020.

Most recently, he served as the Rays Senior Vice President of Baseball Operations and General Manager for two seasons. In his recent position with the Rays, Bendix assisted Tampa Bay's President of Baseball Operations in overseeing the Baseball Operations department, with a primary focus on the Major League level, including player evaluation and acquisition, roster management and daily functions of the club. Before his promotion to that role, he spent six seasons leading the baseball development department and served as vice president of baseball development from 2020-21.

Bendix earned a bachelor's degree in American studies from Tufts University, where he also founded Baseball Analysis at Tufts (BAT), the university's firstever baseball club. He grew up in Cleveland Heights, Ohio as an avid baseball fan. He enjoys traveling and dining, and is an excellent ping pong player. He and his wife, Lauren, live in Miami.

EXECUTIVE LEADERSHIP TEAM

CAROLINE O'CONNOR

PRESIDENT OF BUSINESS

Caroline O'Connor was appointed as President of Business in 2022, becoming the second current woman in Major League Baseball to ascend to the level. Now in her eighth year with the Marlins, she originally joined the organization in October of 2017 as Senior Vice President and Chief of Staff before serving three years as Chief Operating Officer.

Ms. O'Connor oversees all the club's business operations, including Analytics and Strategy, Sales, Partnerships, Marketing, Human Resources, Finance, Legal, Communications, Community Outreach, Technology, Security, Ballpark Facilities, and Special Projects. She guides the Marlins' leadership team to execute organizational objectives and goals, focusing on innovative means to grow lines of business and create a model of sustained success.

Under Ms. O'Connor's leadership, the Marlins have developed strategic initiatives to increase revenue streams and exposure to Marlins baseball and the loanDepot park experience. Attendance at loanDepot park continues to increase year over year, through a combination of member base growth (season-ticket holders) and innovative single-game ticket offers. With continuous efforts focused on the fan experience, the Marlins announced Miami Live! coming in early 2026. Done in partnership with The Cordish Companies, the market leader in sports-anchored, mixed-use developments, Miami Live! will create a vibrant year-round destination and elevated fan experience aimed at fostering community gathering.

With a focus on establishing loanDepot park as a year-round destination, Ms. O'Connor has ventured to bring major music acts and entertainment to the ballpark. In 2023, World Baseball Classic returned to loanDepot park, becoming the first-ever venue to host all three rounds, including the championship game. As the "Home of Béisbol," loanDepot park became the first Major League Baseball venue to host the Caribbean Series (Serie del Caribe) in February 2024, which saw nearly 350,000 fans attend, marking a new tournament record. In 2026, loanDepot park will host the NHL Winter Classic and World Baseball Classic.

Ms. O'Connor has played a significant role in guiding initiatives to continue the organization's investment in improving the Marlins' baseball facilities in South Florida and the organization's new academy in the Dominican Republic. Another key focus area of hers has been investment in technology infrastructure and advancements for both the front office and the fan experience. Additionally, she has placed a focus on providing impact with the youth and future leaders in our community through outreach initiatives, including the Marlins' Marlins Youth Academy programming headquarters at Babcock Park, which launched in 2023, and the club's signature Tee Ball initiative, which has more than doubled in size since it was established in 2019.

Ms. O'Connor sits on the Board of Directors of the Florida Council of 100, Florida Sports Foundation, Greater Miami Convention and Visitors Bureau, Greater Miami Chamber of Commerce, Miami-Dade College Foundation, Jackson Health Foundation, Orange Bowl Committee, Parks Foundation of Miami-Dade County and United Way of Miami-Dade. She was recognized in 2021 as an Influential Businesswoman by the South Florida Business Journal. Prior to joining the Marlins, Ms. O'Connor spent five years as Managing Director at Morgan Stanley and six years as Director at UBS Investment Bank. She graduated from Rutgers University and received her Master of Business Administration in Finance from New York University Stern School of Business.

PLAYER DEVELOPMENT

204

2023 SEASON (CONT.)

- Snelling is the second-ever Baseball America Minor League Pitcher of the Year (also: Andrew Painter in '22) of the 20 Baseball America Minor League Players of the Year from 2001-21, just four were pitchers: Josh Beckett (2001), Jeff Francis (2004), Jeremy Hellickson (2010) and Blake Snell (2015). The volume and games played advantage offered by a top position player was the main reason why Baseball America introduced a Minor League Pitcher of the Year award in '22, to acknowledge the best season by a pitching prospect.
- Since 2000, just seven teenage minor league pitchers have recorded a sub-2.00 ERA in 100 innings-or-more...Snelling is joined on the list by Cole Hamels (2003), Will Inman (2006), Madison Bumgarner (2008), Michael Piñeda (2008), Jose Fernandez (2012) and Andrew Painter (2022)...among that group, Painter and Snelling were the only 2 to reach Double-A.
- Following the season, Snelling also garnered the Padres internal Minor League Pitcher of the Year accolade.

PERSONAL/MISCELLANEOUS

- Snelling was a four-star football recruit as a linebacker that led Robert McQueen High School in Reno, Nevada to the state championship game as a senior. Named Region Player of the Year following the season. His father, Jim, has been the head football coach at McQueen since 2009.
- Snelling originally committed to play college baseball for the Stanford Cardinal at the end of his freshman year of high school, but decommitted during his junior year after he began also getting recruited for football. Received 15 full-ride football scholarship offers from the likes of Notre Dame, Oregon, UCLA, Nebraska, Virginia and Ole Miss... he then committed to play both baseball and football for the Arizona Wildcats, but decommitted when baseball coach Jay Johnson left to coach the LSU Tigers, where he then committed to LSU to play baseball.
- Earned Gatorade Nevada Baseball Player of the Year honors as a senior in 2022, going 8-0 with a 0.56 ERA and a state-record 145 strikeouts against six walks, while also batting .362 with six home runs. He broke the state record for strikeouts in a game with 20 in a 7-inning game. Following the season's end, he traveled to San Diego where he participated in the Draft Combine.

- During the summer of 2021, he participated in the High School All-American Game as well as in the All-Star High School Home Run Derby at Coors Field where he hit 21 home runs, ranking 4th among the 8 competitors.
- After being drafted 39th overall in 2022, he focused solely on baseball for his first time since his youth at extended Spring Training and the fall instructional league in Arizona, working on training and nutritional changes to help shave some 10 pounds that he had built as a blue-chip football recruit.
- Worked closely with Lake Elsinore's pitching coach Thomas Eshelman, a 2015 second-round pick, at his first stop in 2023.
 Snelling credits Eshelman with instruction and guidance that set the tone for his breakout season: "I think Lake Elsinore was a great spot for me," Snelling told Baseball America, "Because at that point, I will admit, I didn't really have any general idea how to be a pitcher. I'd go out and throw the ball, but the knowledge behind how to truly understand hitters, how to break down hitters and approach, it wasn't completely there yet. Tom helped me get there."

2024 MIAMI MARLINS

The Miami Marlins completed last campaign with a 62-100 (.383) record, tied for the third-most losses in a season in franchise history. Only the 1998 team (54-108) and 2019 team (57-105) had more losses in a single season.

THE SKIPPER

Skip Schumaker completed his tenure as Marlins manager, finishing two seasons at the helm with a 146-178 (.451) record in 324 games from 2023-24 (includes two games managed by Luis Urueta on Sept. 28-29, 2024 at TOR). With the team's win in game 162, Schumaker tied 2024 Hall of Fame inductee Jim Leyland (also 146-178) for the seventh-most wins among Marlins managers, while also tying Leyland for the eighth-most games.

ENDING ON A STRONG NOTE

The Marlins concluded their final road trip of the season going 5-1, winning two of three games at MIN and sweeping a three-game set at TOR for the second sweep of the season (marked only road sweep of season).

- From Sept. 24-28, Miami recorded at least 10 hits in five-straight games for the first time in 2024, seeing the streak snap in game 162 as the club collected nine hits. It was the 22nd such occurrence in club history and the longest such streak since a six-game stretch from May 21-26, 2023.
- In 26 Sept. games, MIA's offense combined to hit .263 (239x910), marking the third-best AVG in the NL (5th-best in MLB). They notched eight-or-more hits in 11 of the team's last 12 games, with their 126 hits and .286 AVG in that span ranking second in the NL behind only LAD.
- Over the final eight games (dating back to Sept. 21), Miami's starting pitchers allowed a combined total of 12 ER, and held the opponent to two earned runs-or-less in seven of the eight outings. The staff's 2.63 ERA ranked third in the NL and sixth in the Majors.

DEBUT DANDIES

On Sept. 13 at WSH, Miami set a Major League record for players used in a season as **Michael Petersen** became the 70th different player (41 pitchers, 29 position players) to suit up for the Fish. It surpassed the previous record of 69 set by CHC in 2021. Miami finished 2024 one pitcher shy of tying the record for most pitchers utilized in a season (SEA used 42 in 2019).

SUNDAY FUNDAY

The Marlins this season went 16-11 on Sundays, tied with LAD for the second-most wins in the NL (tied for fifth in MLB), trailing only ARI (19). Miami's 147 runs in these 25 games ranked third in MLB (ARI, 190 and NYY, 155), while the 81 runs in 14 home games were second in MLB (ARI, 105 in 13 games). MIA also ranked second in the NL with 245 hits (fourth in MLB) and a collective .264 AVG (fifth in MLB).

KEEP IT WALKING

Miami's 10 walk-off wins were tied for the third-most in the Majors with TEX, SEA, SD, and PHI (SF and NYM both had 11). It is also tied for the fourth-most walk-off wins in a season in club history and the most since the 2014 Marlins had 11 walk-off wins. The 1997 team holds the record with 16.

- With two walk-off wins vs. COL on April 30 and May 2, it marked the first time that the Marlins won multiple games in walk-off fashion in the same series since 2022 (July 13-14 vs. PIT).
- The Marlins were walk-off winners in 3-straight games from June 18-21 (June 18-19 vs. STL, and June 21 vs. SEA) marking just the second time in club history they won 3-straight via walk-offs (last accomplished from Aug. 9-11, 1999 vs. SF).

AND THE AWARD GOES TO...

The South Florida chapter of the Baseball Writer's of America Association (BBWAA) honored four players this season:

- Most Valuable Player: Jake Burger
- Rookie of the Year: **Declan Cronin**
- Charlie Hough "Good Guy" Award: Jesús Sánchez
- Jeff Conine Heart and Professionalism Award: Xavier Edwards

TWICE THE FUN

The 2024 Marlins smashed seven sets of back-to-back home runs (thirdmost in club history) as they trailed just the 2002 and 2019 teams (eight each).

- In a two-game, three-day stretch from June 19 vs. STL (B. De La Cruz/J. Sánchez) to June 21 vs. STL (B. De La Cruz/J. Bell), the Marlins recorded back-to-back home runs in consecutive games for the first time since June 21-22, 2022 vs. COL.
- The back-to-back homers by Bryan De La Cruz and Jesús Sánchez on June 19 vs. STL marked the second time in club history that a pair of Marlins hitters led off a game in such fashion. The only other occurrence was on Aug. 27, 2010 at ATL by C. Maybin and L. Morrison (per Elias Sports Bureau).
- On July 13 at STL, Jake Burger and Josh Bell hit Miami's fifth pair of back-to-back home runs, with each homer coming on a 3-0 count. Per Elias, Burger and Bell are the first pair of teammates to hit back-to-back home runs with both homers coming on 3-0 counts over the last 20 years.

FIGHTIN' FISH

The Fish scored five runs in the ninth inning of games vs. COL twice this season (Aug. 27 at COL and April 30 vs. COL) to overcome deficits of at least four runs, making Miami the second MLB team in the Modern Era (since 1901) to trail by four-plus runs in the ninth inning and come back to win twice against the same team in the same season (also NYY in 1926 vs. DET).

• Per Opta, this year's Marlins were the second team in the Modern Era to trail by four-or-more runs in the ninth inning and come back to win three times in the same season (also CLE in 1979, who did it four times). The other time Miami did so was on May 18 vs. NYM.

THE GREAT RUN FAMINE

With shutout wins on May 14-15 at DET, the Marlins recorded consecutive shutouts for the first time since 2020, when the club accomplished the feat twice. The last time Miami recorded two consecutive shutouts of 9.0-or-more innings was May 18-19, 2019 vs. NYM. After a day off on May 16, the Marlins returned to loanDepot park where they defeated the Mets, 8-0, marking the third time in franchise history they shut out their opponents in three-consecutive games, and the first time since Aug. 17-19, 2005. The only other occurrence came from April 13-15, 2004.

- From May 15-17, Marlins pitchers tossed 28.0 consecutive scoreless innings to tie the second-longest consecutive scoreless innings streak in club history, trailing only a 31.0 scoreless innings stretch from April 11-16, 2004.
- The team walked just four batters during the three game span, becoming the first team since Cleveland in 2017 to not allow a run and walk four-or-fewer batters in any three-game span in a single season.

SEASON IN REVIEW

CLUB HISTORY

GONE CYCLING

On July 28 at MIL, **Xavier Edwards** recorded the second cycle in franchise history, joining Luis Arraez on April 11, 2023 at PHI. He went 4x4 with a first-pitch lead-off home run in the first inning (first career homer), a double in the fifth inning, a triple in the seventh inning (first career triple), and an infield single in the ninth inning (also drawing a walk in the third inning).

- Per Elias, Edwards became the eighth player in MLB history to hit for the cycle in the same game in which he hit his first career homer, and the second player in Marlins history whose first career home run was a leadoff homer (also Hanley Ramírez on April 18, 2006 at CIN).
- There have been nine cycles since the beginning of the 2023 season, with three teams notching two in this span: HOU, MIA, and PHI. Miami waited until the franchise's 4,700th game before the first cycle in April 2023.

PUT IT IN THE BOOKS

Before allowing a solo HR on Sept. 15 vs. WSH, **Declan Cronin** recorded 65.0-straight innings without allowing a HR to begin the season, marking the longest streak in club history and the longest by a Marlins reliever at any point in a season (Elias). Cronin's streak was the longest by a reliever in MLB to begin a season since 2014, when Wade Davis (72.0 IP), Kelvin Herrera (70.0 IP), and Jake McGee (67.0 IP) each achieved the feat (Elias).

 Calvin Faucher finished his campaign without allowing a home run in 53 appearances (53.2 IP) before being placed on the 15-day Injured List on Sept. 5. He completed the season as the only pitcher in the National League to not surrender a HR in at least 53.2 innings, as his consecutive homerless streak to begin the season also ranks second-longest in club history (behind Cronin's 65.0 IP). The previous record was held by Jay Powell (49.1 IP) from April 2-July 28, 1997 (Elias).

BURGER KING

Jake Burger led the Marlins offense with 29 home runs, five homers shy of his career-high 34 in 2023 (25 w/ CWS, 9 w/ MIA) and a career-high 134 hits (surpassed his previous best of 123 in '23). His 19 HR after July 19 ranked tied for third in the NL and tied for fifth in MLB.

- Burger came out of the All-Star Break with 14 home runs in his first 26 games (July 19-Aug. 16), leading the Majors in homers while also slashing .333/.407/.798 (33x99) in this span. The stretch included a six-game span with six home runs from Aug. 7-13, tying a club record. He joined G. Stanton (2017), D. Uggla (2010), J. Cantú (2008), and C. Floyd (2001) as the only five Marlins to accomplish the feat, per MLB's Sarah Langs.
- He also homered in four-straight games from Aug. 9-13, marking the longest streak of his career and the 13th instance of a player hitting a homer in four-straight games in club history (last J. Bell, July 26-29, 2024).

WELCOME TO THE MADDUX CLUB

With his first career complete game shutout on May 24 at ARI, **Braxton Garrett** became the fifth-different pitcher (seventh instance) in Marlins history to toss a "Maddux" (Elias). A "Maddux" is used to describe any pitcher that hurls a complete game shutout in less than 100 pitches. He is the first Marlin to do so since Sandy Alcantara did so on 5/19/19 vs. NYM. Garrett also became the first left-handed pitcher (second ever) to achieve the feat since Dontrelle Willis on 4/8/05 at WSH.

X GON' GIVE IT TO YA

Xavier Edwards's 31 SB were the second-most by a Marlin in a player's first 70 games to start a season in club history, w/ all 31 of his steals coming on or after July 11. His SB were the second-most in MLB in this span (LAD's S. Ohtani had 36), while his .332 AVG (75x226) led all NL qualifiers and ranked fourth in the Majors, behind TOR's V. Guerrero Jr. (.368 AVG), NYY's A. Judge (.344 AVG), and KC's Bobby Witt Jr. (.341 AVG).

 Edwards' 13 steals in Aug. tied Hanley Ramírez in 2006 and Quilvio Veras in 1995 for the third-most in the month in club history. Only Luis Castillo (16, 1999) and Hanley Ramírez (14, 2007) had more stolen bases in the month. He also recorded the first-ever three triple game in Marlins history on Sept. 27 at TOR, becoming the 31st MLB player to accomplish the feat and the first since LAD's Y. Puig on July 25, 2014 at SF.

A DIFFERENT NORBIT

Connor Norby, who was acquired by Miami from Baltimore on Aug. 1 with Kyle Stowers (in exchange for Trevor Rogers), was recalled from Triple-A Jacksonville on Aug. 19, being ranked Miami's No. 5 prospect, per MLB Pipeline. He debuted with the Fish that night, opening his Marlins career with a 10-game hitting streak to become the third player in club history to do so. Through his first six games with Miami, Norby recorded a club record six extra-base hits (four doubles, two home runs). His dominant start continued as he finished the season scoring 29 runs in his first 36 games with Miami, the second-most in club history behind only Hanley Ramírez (34 runs from April 3-May 15, 2006).

THE POWER OR JESÚS

Jesús Sánchez recorded his first career five-hit game on Sept. 17 vs. ATL, marking the first five-hit game by a Marlin since Luis Arraez on June 19, 2023 vs. TOR. It marked the 23rd occurrence of a five-hit effort by a Marlin in club history, tying a club record and making him the 19th different player to accomplish the feat. Per Baseball Savant, Sánchez ranked third in the Majors with a 419 ft. AVG HR distance in 2024, and in the 95th percentile with a 51.3 hard hit pct. Sánchez set career highs in every offensive category after playing a career-most 149 games in 2024; most notably, he set career highs in hits (123), doubles (25), home runs (18), and RBI (64).

OTTO-MATIC

Otto Lopez, who was claimed off waivers by Miami from San Francisco on April 4, led all National League second baseman with 17 outs above average (ranked third in the Majors behind CLE's A. Giménez and TEX's M. Semien, who each had 19). From Aug. 16 through the end of the season, Lopez slashed .340/.396/.507 (51x150) with 14 doubles, one triple, three homers, 16 RBI, and a .903 OPS in 40 games, with his 2.1 fWAR ranking tied for third in the NL in that span (behind LAD's S. Ohtani, 3.3 and NYM's Francisco Lindor, 2.3). He also ranked tied for second in the NL in doubles, third in BABIP (.407), and fourth in AVG in the 40 games.

TALE OF TWO HALVES

Edward Cabrera went 3-5 w/ a 3.57 ERA (27 ER/68.0 IP) and a .211 opp. AVG (52x247) in 13 starts after the All-Star Break, compared to 1-3, 8.26, and .263 marks in seven first-half starts. Of his 13 second-half starts, he had gone 5.0-plus innings in 10 outings, while only doing so in 2 of his 7 starts prior to the Break.

 Cabrera tossed 7.0 scoreless innings on Sept. 8 vs. PHI, matching a season high (also Aug. 9 vs. SD). It marked his 2nd outing of at least 7.0 IP and 0 ER allowed in 2024, and the 6th by a MIA starter. There were only three-such appearances by a Marlin during the 2023 season.

EDINSON VOLQUEZ - JUNE 3, 2017 LOANDEPOT PARK

Arizona	000	000	000	 0	0	1
Miami	000	100	02x	 3	9	0

Edinson Volguez (2 bb, 10 so, 98 pitches) threw the 29th no-hitter since 1913 in which the pitcher faced the minimum 27 batters, and just the ninth that was not a perfect game.

A.J. BURNETT - MAY 12, 2001 QUALCOMM STADIUM

Florida 002 010 000 -- 3 7 0 San Diego 000 000 000 -- 0 0 3 A.J. Burnett walked nine and struck out seven in his

HISTORY OF SUN LIFE STADIUM

Sun Life Stadium, originally known as Joe Robbie Stadium, was the first of its kind to be constructed entirely with private funds. The late Joe Robbie led the financing campaign to build "Joe Robbie Stadium" (JRS) for the Miami Dolphins of the National Football League (NFL). JRS revolutionized the economics of professional sports when it opened in 1987. Inclusion of a Club Level, along with Executive Suites, helped to finance the construction of the stadium. The original multi-purpose facility had more than 1.5 million square feet, over 24,000 parking spaces, 75,000 seats and a playing field that meets standards for the NFL and World Cup Soccer.

On March 7, 1990, H. Wayne Huizenga, then Chairman of the Board and Chief Executive Officer of Blockbuster Video and Huizenga Holdings Inc., agreed to purchase 50 percent of Joe Robbie Stadium and became the point man in the drive to bring Major League Baseball to South Florida. That effort was rewarded in July of 1991, when South Florida was awarded a National League expansion franchise. To accommodate MLB baseball and the Florida Marlins, the stadium was retrofitted in 1992 to include retractable seating, a baseball press box, baseball dugouts, new lights and a hydraulic disappearing pitcher's mound. On January 24, 1994, Mr. Huizenga acquired the remaining 50 percent of the stadium to give him complete ownership.

In February 2008, Mr. Huizenga sold 50 percent of the Miami Dolphins, stadium and surrounding developable land to Stephen M. Ross of New York and Palm Beach. Mr. Ross, Chairman of the Related Companies, an international real estate development company, became an active partner. In January 2009, Mr. Ross closed on the purchase of an additional 45 percent of the team and stadium.

1997 POSTSEASON NOTES

POSTSEASON FIRSTS

The Florida Marlins played their first franchise Postseason game on September 30, 1997, a 2-1 win over the San Francisco Giants in Miami. Kevin Brown threw the first playoff pitch in franchise history to Darryl Hamilton. Brown collected the first Florida Postseason strikeout, fanning J.T. Snow to lead off the second inning. Brown retired the first 14 Giants he faced before allowing the first hit to an opponent, a single to Stan Javier with two outs in the fifth inning. Florida's first Postseason batter was Devon White, who faced Kirk Rueter and popped out to second baseman Jeff Kent. The first Marlin to reach base was Gary Sheffield on a two-out first-inning walk. The first Florida hit came off the bat of Bobby Bonilla, following the Sheffield walk. The first run allowed by Florida came in the top of the seventh when Bill Mueller hit a leadoff homer. The Marlins scored their first run in the bottom of the inning, on a Charles Johnson leadoff homer.

A FIRST FOR EVERYTHING

The Marlins became the first team to qualify for the Postseason and win the World Series as a Wild Card. At the time, Florida was the fastest expansion team to win the World Series, done in their fifth season. The Arizona Diamondbacks surpassed Florida's mark, winning their World Series title in 2001, their fourth season.

RECORD WINNING STREAKS

The Marlins were the third team in Postseason history to sweep their first playoff series in team history, joining the 1914 Braves, who swept the Philadelphia A's, and the 1969 New York Mets, who swept Atlanta. Florida began its Postseason run with four straight wins, only the second team in baseball history to have a franchise-opening playoff win streak of four or more games. The Braves won five straight games to open their Postseason history, a four-game sweep in the 1914 World Series, and a win over Cleveland in the 1948 Postseason.

NATIONAL LEAGUE DIVISION SERIES NOTES

SWEEPING SUCCESS

With their 3-0 sweep over the Giants, the Marlins became the fastest expansion team to win a Postseason series (surpassed by Arizona in 2001). Prior to the Marlins, the fastest NL team to win a playoff series was the New York Mets, in their eighth season. The Marlins won each of the three games over the Giants in comeback fashion, including games one and two in their final at-bats. The 1997 Marlins led the Majors with 24 last at-bat victories in the regular season.

NATIONAL LEAGUE CHAMPIONSHIP SERIES NOTES

LIVÁN MOST VALUABLE, PART 1

Liván Hernández went 2-0 with a 0.84 ERA in two appearances (one start) in the NLCS vs. Atlanta. He became the first pitcher in LCS history to record a win as both a starter (Game 5) and as a reliever (Game 3) in the same series. In Game 5, Hernández established an NLCS record and tied an LCS record with 15 strikeouts, the second-highest strikeout game in Postseason history. His 2-1, three-hit win in Game 5 was his first Major League complete game.

NUMBERS DON'T ALWAYS MATCH UP

The 1997 Marlins became the second team to advance to the World Series, despite posting a lower batting average and higher ERA than their LCS opponent. The Braves outhit the Marlins .253 to .199 and had a 2.60 ERA, compared to Florida's 3.57. The first time it happened was in 1992 when the Braves topped the Pittsburgh Pirates in a series managed by Bobby Cox and Jim Leyland.

WORLD SERIES NOTES

LIVÁN MOST VALUABLE, PART 2

Liván Hernández (2-0, 5.27 ERA) became the second rookie in MLB history to win the World Series MVP award, joining Larry Sherry of Los Angeles-NL, who claimed the honor in 1959. Hernández also became the first rookie pitcher in 50 years to win two World Series starts. The last rookie to do it was the Yankees' Spec Shea in 1947. Hernández became the youngest pitcher to win a World Series opener at the age of 22 years, 7 months, and 28 days. He was the first rookie to win a World Series game since Atlanta's Mike Stanton on October 23, 1991 (G4 vs. MIN), and the first rookie starter to win since Baltimore's Storm Davis on October 15, 1983 (G4 at PHI). Prior to Hernández, the last rookie starter to win a World Series opener was Philadelphia's Bob Walk (October 14, 1980 vs. KC).

JIM LEYLAND

Marlins manager Jim Leyland became the first World Series manager not to have played in a Major League game since Boston's John McNamara in 1986. The last National League skipper without Major League playing experience was Philadelphia's Paul Owens in 1983. Leyland became the first manager to win his World Series debut since Cincinnati's Lou Piniella on October 16, 1990, vs. Oakland.

BRRRR

In Game 3 of the World Series on October 21, the Marlins and Indians played in 15-degree wind chill temperatures, the coldest World Series game ever played, according to records kept.

PLAYING EXTRAS

Game 7 of the World Series, won by Florida, 3-2, on an Edgar Rentería single off Charles Nagy in the bottom of the 11^{th} inning, was the third Game Seven in World Series history to go to extra innings. The others were played in 1924 and 1991.

NOTABLE ACCOMPLISHMENTS

Jeff Conine became the first player to go from the Expansion Draft to the World Series with the same team. Conine was selected from Kansas City with the 22nd pick in the 1992 Expansion Draft. Conine and Alex Arias are the first players to play for a team in its inaugural season and reach the Fall Classic since the Mets' Ed Kranepool in 1969.

A WINNING DEBUT

The Marlins won their first-ever World Series game on October 18, 7-4, over Cleveland at home. The prior team to win their first-ever World Series game was Toronto in 1992.

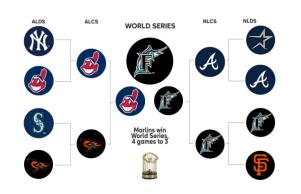

ALTERNATING WINS

The Marlins won World Series games 1, 3, 5, and 7, while the Indians took games 2, 4, and 6. It marked the third time in World Series history that teams alternated victories in all seven games, joining the 1909 Fall Classic between the Pirates and Tigers, and the Yankees and Giants in 1962.

A HEART-STOPPER

Game Seven of the World Series marked the fourth time in World Series history that a winnertake-all game in the Fall Classic went into extra innings, along with the 1991 Series (MIN vs. ATL), the 1924 Series (WAS vs. NYG), and the 1912 Series (BOS vs. NYG). Overall, it marked the seventh time that a deciding World Series game went to extra innings, along with the 1933, 1939, and 1996 games. The 1997 Series was the 10th time a Fall Classic was won by the home team in the bottom of the ninth inning or later (with 1912, 1924, 1927, 1929, 1935, 1953, 1960, 1991, and 1993) and the fifth time in a winner-take-all situation.

2003 POSTSEASON NOTES

FAMILIAR WATERS

The Marlins entered the 2003 Postseason as the National League's Wild Card entry, the fourth team in Major League Baseball history to enter the playoffs as the Wild Card multiple times. The Marlins (also Wild Card in 1997), joined the New York Mets (1999 and 2000), the New York Yankees (1995 and 1997), and the Boston Red Sox (1998, 1999 and 2003). Floridai is one of three Major League Baseball expansion teams to make the Postseason at least twice in their first 11 seasons. Kansas City came into play in 1969 and made the Postseason in 1976, 1977, and 1978. Arizona began play in 1998 and saw Postseason action in 1999, 2001, and 2002. The Marlins are one of six teams to advance to the World Series as a Wild Card team and one of four (with the Angels, Red Sox, and Giants) to win it.

SIX STRAIGHT

The Marlins concluded the World Series with wins in each of their six playoff series to open the Club's franchise history. The six straight playoff series wins surpass the mark of consecutive Postseason series wins to begin a team's playoff history, done by the Boston Red Sox from 1903-1918.

A WILD POSTSEASON

During the 2003 Postseason, the Marlins posted three extra-inning victories, notched three wins when trailing by three or more runs, and collected four wins in their final at-bats. According to Jayson Stark on ESPN.com, the Marlins became the fourth team in Postseason history with three extra-inning wins and the fourth team to win three games when trailing by three or more runs. Additionally, no Postseason team had ever won more than four games in their last at-bat.

RECORD-SETTING CROWDS

The NLCS Game 4 crowd of 65,829 against the Cubs on October 12 set a new LCS attendance record, surpassing the previous mark of 65,476 (HOU @ PHI on 10/8/80). The Marlins also set a DS attendance record, drawing 65,464 in Game 4 vs. San Francisco (October 4). The October 23 World Series crowd of 65,975 was the largest World Series crowd since Game 7 of the 1997 Series when the Marlins drew 67,204 to see Florida host the Cleveland Indians.

NATIONAL LEAGUE DIVISION SERIES

A SERIES FOR THE AGES

The NL Division Series between the Marlins and Giants featured 72-year-old Jack McKeon and 68-year-old Felipe Alou. McKeon was the oldest manager to participate in Postseason play in Major League Baseball history, while Felipe Alou was the fourth-oldest. Below is a look at the list:

JACK McKEON	2003 FLORIDA	72 YEARS OLD
Casey Stengel	1960 New York (AL)	70 years old
Davey Johnson	2012 Washington	69 years old
Connie Mack	1937 Philadelphia (AL)	68 years old
Tommy Lasorda	1995 Los Angeles (NL)	68 years old
Felipe Alou	2003 San Francisco	68 years old
Jim Leyland	2013 Detroit	68 years old

The two opposing skippers in this NLDS, McKeon and Alou, had a combined age of 140 years, the highest combined age of any two managers facing each other in Postseason history. Below is a look:

COMB. AGE	YEAR	TEAMS	MANAGER
140	2003	FLA-SF (DS)	McKeon / Alou
128	1958	NYY-ATL (WS)	Stengel / Haney
126	1957	ATL-NYY (WS)	Haney / Stengel
123	1949	BRO-NYY (WS)	Shotton / Stengel
119	2013	DET-BOS (CS)	Leyland / Farrell
118	1953	BRO-NYY (WS)	Dressen / Stengel

OH THOSE LEFT ON BASE

The Marlins and Giants combined to leave 30 men on base on October 3, setting a new NLDS record. The previous mark was 26, done by the Giants (16) and Mets (10) in a 13-inning contest on October 7, 2000.

WHAT WAYS TO WIN IT

The Marlins closed out their series with the Giants in rather historic ways. On Friday, October 3, the Marlins downed the Giants, 4-3 in 11 innings. The Giants scored an unearned run in the top of the 11th and the Marlins countered with two unearned tallies in the bottom. It marked the first time since Game 8 of the 1912 World Series that a team came from behind to win a Postseason game with two unearned runs in the bottom of an extra inning, according to the *Elias Sports Bureau*.

The Marlins followed that classic ending with more excitement on Saturday afternoon, October 4, when the Fish ended the NLDS with a 7-6 win over the Giants. The game ended as Jeff Conine threw out J.T. Snow at home plate on a Jeffrey Hammonds single to left. According to the *Elias Sports Bureau*, the event marked the first time in Major League Baseball Postseason history that a series ended with the tying run being thrown out at home plate.

CABRERA MATCHES POSTSEASON MARK

Miguel Cabrera went 4x5 in Game 4 of the NLDS vs. San Francisco. The four hits tied a Major League Postseason record for hits by a rookie, joining NYY's Derek Jeter (1996 ALCS GI), LAD's Chad Fonville (1995 NLDS G2), NYG's Freddie Lindstrom (1924 WS G5) and STL Browns' Joe Garagiola (1946 WS G4).

Cabrera had four home runs and 12 RBI in the 2003 Postseason, the best single-season rookie home run and RBI marks in MLB playoff history. Entering this Postseason, Willie McGee (1982 STL) held the rookie RBI mark at 10. Hideki Matsui had 11 RBI in the 2003 playoffs, one behind Cabrera.

NATIONAL LEAGUE CHAMPIONSHIP SERIES

PINCH ME

Mike Lowell became the sixth player in MLB post-season history to hit a pinch-hit home run in extra innings when he homered in the top of the 11^{th} inning on October 7 at Chicago. Below is a look at the all-time Postseason extra-inning PH homer list:

MIKE LOWELL (FLA)	G1 2003 NLCS at CHC
Trot Nixon (BOS)	G3 2003 ALDS vs. Oak
Mike Pagliarulo (MIN)	G3 1991 ALCS at TOR
George Vukovich (PHI)	G4 1981 NLDS vs. MON
John Lowenstein (BAL)	G1 1979 ALCS vs. CAL
Dusty Rhodes (SF)	

HOMERS SHALL FLY

The Marlins hit a team Postseason-high four home runs on October 7 at Chicago. Three of the homers (by Rodriguez, Encarnacion, and Cabrera) came in the third inning, marking the first time in NLCS history that a team homered three times in an inning. Cabrera's and Encarnación's homers were back-to-back, the seventh time in NLCS history that a team had players hit back-to-back homers.

A RECORD-SETTING NIGHT

The 17 extra-base hits by the Marlins and Cubs on October 7 set a new LCS record, surpassing the previous mark of 12, done on October 5, 1975 (OAK and BOS) and October 9, 1993 (PHI and ATL). The seven HRs by both teams also set a new LCS record.

CABRERA AMONG THE YOUNGEST

On October 7 at Chicago, Miguel Cabrera became the second-youngest player to homer in the Postseason, at 20 years, 182 days. The youngest player to go deep in the playoffs was Atlanta's Andruw Jones (19.178) on 10/17/96 vs. STL.

BECKETT'S BEST

The Marlins forced a Game 6 in the NLCS as RHP Josh Beckett threw the first complete game of his career (regular and Postseason) on October 12. The two-hit shutout by Beckett tied the NLCS record for fewest hits allowed in a complete game, joining CIN's Ross Grimley (10/10/72), NY's Jon Matlack (10/7/73), and SF's Dave Dravecky (10/7/87). Beckett's effort was the 15th complete game shutout in NLCS history. Beckett became the first pitcher to shut out the Cubs in a Postseason game since Boston's Babe Ruth, who blanked the Cubs in Game 1 of the 1918 World Series.

OPPONENTS

2003 POSTSEASON NOTES

DONTRELLE WITH THE BAT

Dontrelle Willis became the first Marlins pitcher to collect a multi-hit game in Postseason play as he went 3x3 on October 4 vs. SF. Willis' three hits set a Postseason rookie pitcher record. He was the first pitcher to post a three-hit Postseason game since LA's Orel Hershiser did it in Game 2 of the 1988 World Series vs. Oakland.

IN SELECT COMPANY

According to research by ESPN, Josh Beckett became the third pitcher in Postseason history to throw a complete game shutout, allowing two hits or less and fanning 10 or more. Beckett joins Roger Clemens (2000 ALCS vs. SEA, 15 K) and Big Ed Walsh (1906 WS vs. CHC, 12 K) on that list.

IN AN ELIMINATION GAME

According to Jayson Stark of ESPN.com, Beckett became the fourth pitcher in the last 40 years to pitch a CG SHO with his team facing elimination (excluding G7's in LCS or WS or G5's in DS). Beckett joined the list with Curt Schilling (1993 WS), Danny Jackson (1985 ALCS), and Joe Coleman (1972 ALCS).

BIG INNING

The Marlins scored all eight of their runs in the eighth inning on October 14 at Chicago in an 8-3 win. The eight-run inning established a Marlins playoff record, surpassing their previous best of seven, done in the ninth inning of Game 3 of the 1997 World Series (October 21). The eight-run inning also tied an overall Marlins record for runs scored in an inning, done for the ninth time overall and the first time since July 25, 2003 vs. PHI. The Fish were one run from tying the all-time NLCS record (nine), done by St. Louis in the second inning on October 13, 1985 vs. LA.

According to ESPN, the Marlins became the fifth team in LCS history to come back from a three-run or greater deficit in Postseason play to win when facing elimination, and the first since Game 5 of the 1986 ALCS (Game 5 - Boston at California).

BACK FROM 3-1

The Marlins became the fourth team in LCS history (since 1985) to overcome a 3-1 deficit to capture the pennant. Prior to Florida's accomplishment, only one NL team had done it, the 1996 Atlanta Braves, who won three straight over St. Louis to advance to the World Series. Below is a look at the list of 3-1 LCS comebacks:

YEAR	LCS COMEBACKS	WORLD SERIES RESULT
1985	KC over Toronto	KC over STL (4-3)
1986	Boston over California	NYM over BOS (4-3)
1996	Atlanta over St. Louis	NYY over ATL (4-2)
2003	Florida over Chicago	FLA over NYY (4-2)
2007	Boston over Cleveland	BOS over COL (4-0)

AN MVP PERFORMANCE

Marlins catcher Pudge Rodríguez was named the NLCS Most Valuable Player, as he hit .321 (9x28) with two home runs and 10 RBI. The 10 RBI set a new NLCS record, surpassing the previous mark of nine, done by San Francisco's Matt Williams in 1989. Rodríguez became the fifth catcher in NLCS history to win MVP honors. Pudge joined STL's Darrell Porter (1982), ATL's Javy Lopez (1996), ATL's Eddie Pérez (1999) and SF's Benito Santiago (2002).

A TOUGH TRICK TURNED

The Marlins advanced to the World Series by winning consecutive road games trailing three games to one, a feat done for the fifth time in Postseason history: 1958 (NYY over MIL Braves in WS), 1968 (DET over STL in WS), 1979 (PIT over BAL in WS), 1985 (KC over TOR in ALCS) and 2003 (FLA over CHC in NLCS).

WORLD SERIES

The Marlins became the first team in MLB history to reach the World Series as a Wild Card entry twice.

OF HISTORIC SIGNIFICANCE

The Marlins became the third expansion team to win multiple World Series, joining the New York Mets and Toronto Blue Jays. The Jays won their two World Championships in their first 17 seasons, while the Mets did it in their first 25 campaigns. The Marlins won two World Championships in their first 11 Major League seasons. The Marlins became the first team in the post-expansion era to accomplish the feat.

JACK MCKEON

Marlins' manager Jack McKeon became the second manager in Major League Baseball history to lead his team to a World Series championship after taking over his club during the season. The first manager to accomplish the feat was the Yankees' Bob Lemon in 1978 when he replaced Billy Martin.

EXPANSION NOTABLES

The Marlins were one of five expansion teams to reach the World Series multiple times. The New York Mets lead the list with five Fall Classic entries (win in 1969, loss in 1973, win in 1986, loss in 2000, and loss in 2015). The Kansas City Royals have the second-most with four (loss in 1980, win in 1985, loss in 2014, and win in 2015), while the Marlins, San Diego Padres (loss in 1984 and loss in 1998), and Toronto Blue Jays (win in 1992, win in 1993) have each made two World Series appearances.

AGE IS A STATE OF MIND

Marlins' manager Jack McKeon became the oldest skipper to lead his team to the World Series, as the Series opened with McKeon 72 years and 329 days old. McKeon is ahead of Casey Stengel (70.067 in 1960 with NYY), Connie Mack (68.283 in 1931 with PHA), Stengel (68.063 in 1958 with NYY), Mack (67.283 in 1930 with PHA) and Stengel (67.064 in 1957 with NYY). McKeon was the first manager since Philadelphia's Paul Owens (in 1983) to lead his team to the World Series after not beginning the season as that club's skipper.

HOW DO YOU DO, MR. GONZÁLEZ

Alex González hit a walk-off homer off the Yankees' Jeff Weaver in the bottom of the 12th inning on October 22. It marked the first walk-off homer in Marlins Postseason history and holds significance in baseball history. It marked the 13th time that a World Series game ended on a home run and the first time since October 31, 2001 (G4 vs. ARI), when Derek Jeter homered in the bottom of the 10th inning.

According to research done by ESPN, González was the third player in baseball history to have his first career Postseason homer come as a World Series walk off, joining Dusty Rhodes (1954 NYG vs. CLE) and Eddie Mathews (1957 MIL Braves vs. NYY). ESPN also noted that González was the third player to hit a walk-off homer against the Yankees in World Series play, joining Bill Mazeroski (1960 G7, with PIT) and Mathews (1957 G4, with MIL).

A PENNY FOR YOUR THOUGHTS

RHP Brad Penny went 2-0 with a 2.19 ERA in two World Series starts against the Yankees. Penny became the 13th pitcher to beat the Yankees twice in the same World Series, joining Sandy Koufax, Bob Gibson, and Randy Johnson as the only four to do so in the last 40 years.

BECKETT NAMED WORLD SERIES MVP

Josh Beckett (1-1, 1.10 ERA in WS) became the youngest World Series MVP since 22-year-old Liván Hernández claimed the honor for the wMarlins in 1997. Beckett became the first pitcher since Minnesota's Jack Morris in 1991 to pitch a complete-game shutout in a deciding World Series game, the 19th overall in baseball history. It was the first complete-game shutout in a World Series game since Arizona's Randy Johnson on October 28, 2001 at New York. Beckett's five hits were the fewest hits in a deciding complete game shutout since Baltimore's Scott McGregor (5) in 1983. He became the youngest pitcher to win a deciding World Series game (23 years, 5 months, 10 days) since Kansas City's Bret Saberhagen (21.616) in 1985. Beckett fanned 47 batters in the 2003 Postseason, tying Randy Johnson (2001) for second-most strikeouts in a single Postseason behind Arizona's Curt Schilling in 2001 (S6).

BOTTOM FEEDERS

The Marlins entered the COVID-delayed 2020 season coming off a 57-105 record in 2019, beating the Philadelphia Phillies on Opening Day in July and becoming the first team to win at least seven of its first eight games after losing 105 or more the previous year since the St. Louis Perfectos, a team that featured Cy Young, began 7-1 in 1899 (*Stats, Inc.*). The Perfectos would finish the season 84-67, good for fifth in the National League. According to *Elias Sports Bureau*, Miami became just the third team in MLB history to win seven of its first eight games, joining the Perfectos (7-1 after 39-111) and the 2003 Kansas City Royals (8-0 after 62-100).

On Sept. 25, 2020, the Miami Marlins (31-29) became the second team in MLB history to make the Postseason in the year following a 100-loss season.

UNPRECEDENTED CIRCUMSTANCES

The Marlins left Miami on July 21 for what was supposed to be a six-day road trip with two exhibition games in Atlanta and the season-opening series in Philadelphia before returning home to loanDepot park on July 27. After the completion of the Phillies series on Sunday, July 26, the team was quarantined in their Philadelphia hotel for eight days, the team resumed play on the road for what would end up being 23-day road trip. Miami made 60 roster moves on the trip and went 9-4 in 13 games.

NATIONAL LEAGUE WILD CARD SERIES

WILD CARD HOPEFULS

The Marlins returned to a familiar spot, fighting for a spot in the National League Division Series after landing their third Wild Card berth in as many playoff appearances. The 1997 Marlins were the first team in the Wild-Card Era (began in 1995) to win a World Series as a Wild Card team, and the 2003 Marlins became the third team to do so (following the 2002 Anaheim Angels). Since then, it has been done by the 2004 Boston Red Sox, 2011 San Francisco Giants, 2019 Washington Nationals, and 2023 Texas Rangers.

ENTER SANDMAN

In Game 1 of the National League Wild Card Series against the Chicago Cubs at Wrigley Field, RHP Sandy Alcantara surrendered just one run (solo home run) over 6.2 innings before OF Corey Dickerson hit a go-ahead three-run homer in the seventh inning to put the Marlins up for good. Dickerson, who had seven home runs during the regular season, only had one go-ahead home run in 2020 prior to his Postseason shot.

The Miami Marlins celebrate their first Postseason berth since 2003 on Sept. 26, 2020 at Yankee Stadium.

SIXTO SENSATION

Another low-scoring affair in Game 2 was due to the credit of 22-year-old Dominican-born rookie Sixto Sánchez, who tossed 5.0 scoreless innings with 6 strikeouts, allowing only four hits. Sanchez, ranked by *MLB Pipeline* as the Marlins' No. 1 prospect ahead of the 2020 season, made his Major League debut on Aug. 22, 2020 at Washington. He went on to post a 3.46 ERA (39.0 IP/15 ER) in seven starts through the end of the 2020 Regular Season with 11 walks, 33 strikeouts, and a 3-2 record. Included in that record was a seven-inning complete game victory on Sept. 13 vs. Philadelphia in which he held the Phillies to one run on three hits.

CLUTCH COOP

In a stalemate between starting pitchers (RHP Sixto Sanchez and RHP Yu Darvish, who finished 2nd in NL Cy Young voting in 2020), Miami broke through with two outs in the seventh inning thanks to INF Garrett Cooper's first career Postseason home run. The solo shot opened the gates for the Marlins offense, who tacked on one more run in the inning on OF Magneuris Sierra's RBI-single to score pinchrunner Lewis Brinson.

SAVING THE DAY

RHP Brandon Kintzler converted 12 of his 14 save opportunities during the regular season and closed each of the two games Miami took from the Cubs in the NLWCS. Kintzler, who entered in the ninth with the Marlins up 5-1 in Game 1, surrendered a leadoff double to Wilson Contreras before retiring the next three batters to secure Miami's first Postseason win since 2003. In Game 2, two days later, Kintzler again allowed a leadoff double. The veteran right-hander struck out the next three batters to record his first career Postseason save and send the Marlins to the NLDS.

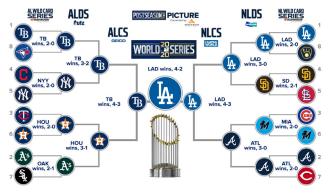

AGAINST ALL ODDS

Miami solidified its sweep over Chicago-NL, becoming one of three NL teams to sweep the three-game set in the restructured Postseason bracket and the first team in MLB history to win a Postseason series after having a 100-loss season. The franchise advanced to 7-0 in a Postseason series dating back to 1997.

NATIONAL LEAGUE DIVISION SERIES

EXCEEDED EXPECTATIONS

Miami fell to Atlanta in the NLDS, losing the first three games and scoring a total of five runs, all of which came in Game 1. It marked the first time the Marlins dropped a Postseason series, as the club won World Series titles the only other times they reached in 1997 and 2003. The Marlins were measured to have just a 0.2% chance to make the Postseason prior to 2020 Opening Day.

2023 POSTSEASON NOTES

GET WILD MIAMI

The Marlins clinched a National League Wild Card spot, marking the fourth Postseason appearance in club history and first since 2020. The last time the Marlins reached the Postseason in a full season was 2003, when the club won the World Series as a Wild Card.

In securing the second National League Wild Card position this season, the Marlins returned to a familiar position, as it marked the fourth time (of four total Postseason appearances) that the club made its way into the Postseason as a Wild Card seed. In 1997, the Marlins became the first team in MLB history to win the World Series as a Wild Card team (Wild Card Era began in 1995). Then, in 2003, the Marlins became the only team in MLB to win the World Series two times as a Wild Card team, and still hold that title.

Miami earned the second Wild Card spot in the National League, finishing the regular season tied with Arizona who they went 4-2 against in 2023 to win the first tiebreaker.

IN SKIP WE TRUST

Rookie manager Skip Schumaker guided the Marlins to a 84-78 record and .522 winning percentage this past season. He became the third Marlins manager to secure a winning record in their first full season managing the team, joining Jim Leyland (92-70; 1997) and Jack McKeon (83-79; 2004), with the 84 wins marking the second-most wins for a manager in their first full season. Both Leyland and McKeon had previous managing experience prior to becoming the Marlins manager.

DO YOU REMEMBER?

On the 30th night of September, the Marlins faced off against the Pirates in Pittsburgh, Pa. with their magic number at one. In a bullpen game for Miami, RHP JT Chargois started the night as the first of eight pitchers used in the game before closer LHP Tanner Scott entered in the ninth with a 7-3 lead. Scott, who was later named the National League Reliever of the Month for September, struck out PIT's Endy Rodriguez as the final out to earn his 11th save of the season and send Miami to the Postseason.

The Marlins offense in the clinching effort was led by veteran 1B Josh Bell, who Miami acquired at the August trade deadline from Cleveland and CF Jazz Chisholm Jr., with each player driving in multiple runs. 2B Jon Berti and DH Jorge Soler also recorded multi-hit efforts.

The Miami Marlins on Sept. 30, 2023 celebrate their first Postseason berth during a full 162game season in 20 years, clinching at PNC Park in Pittsburgh, Pennsylvania.

NATIONAL LEAGUE WILD CARD SERIES

SO WE MEET AGAIN

The 84-78 Marlins, who went 17-9 in September and won their final series of the regular season at Pittsburgh, solidified the No. 2 Wild Card Seed to line up with the No. 1 Wild Card Seed Philadelphia Phillies in the National League Wild Card Series at Citizens Bank Park in Philadelphia, Pa. It marked the club's first-ever Postseason series against the NL East rival Phillies and their seventh series matchup in 2023, with the Marlins faring 7-6 in the first 13 games.

305 TO MY CITY

South Florida-native LHP Jesús Luzardo got the nod as Miami's Game 1 starter on Oct. 3 at Philadelphia. The southpaw, who had recently celebrated his 26th birthday, was coming off a 208-strikeout season for Miami, the third-most by a Marlin in franchise history as he set a new record for a Marlins lefty. Luzardo was taxed for three runs on eight hits over 4.0 innings with five strikeouts and no walks.

RING THE BELL

The hottest Marlins hitter in Philadelphia was 1B Josh Bell, as he went 4x8 with two doubles and one RBI in the series. This included a three-hit effort in Game 1 with two doubles to become the first player in Marlins history to knock two doubles in his Postseason debut with the club, and had extended his streak of four doubles in four games dating back to Sept. 29 at Pittsburgh.

Bell joined Dontrelle Willis on Oct. 24, 2003 as the only Marlins with three hits in their Postseason debut with the club. He also joined Juan Pierre, Gary Sheffield, and Bobby Bonilla as the only players in club history to record four hits in their first two Postseason games with the Marlins.

LOUD IS AN UNDERSTATEMENT

LHP Braxton Garrett, who started Game 2, tossed just 3.0 innings and allowed two runs on three hits with one walk (56 pitches) before the Marlins bullpen surrendered five more runs. Miami ultimately dropped the series to Philadelphia, 0-2, scoring a combined two runs in the two games and going 3x10 with runners in scoring position.

Prior to the regular season, the Marlins had only a 23.6 percent chance to make the Postseason.

6:10-6:20	Marlins Infield			
	Marlins Infield Visiting Infield			

The Miami Marlins enter their 23rd Spring Training at Jupiter's Roger Dean Chevrolet Stadium, approximately one and a half hours north of the Club's regular season home of loanDepot park. The complex is located on approximately 110 acres within the Abacoa Community. Abacoa is located on Donald Ross Road, approximately 1/4 mile east of Interstate 95. The Marlins share the Palm Beach County facility with the St. Louis Cardinals, one of only two multiple-team Spring Training sites in the Grapefruit League.

Roger Dean Chevrolet Stadium was named the Professional Baseball Field of the Year by the Sports Turf Managers Association in 2011.

In 2003, Baseball America recognized Roger Dean Chevrolet Stadium as baseball's fifth-best spring training facility.

The Marlins begin their 33rd Spring Training on Saturday, February 22, when they open their Grapefruit League slate as the home team versus the St. Louis Cardinals.

The Marlins spent their inaugural Spring Training at the Cocoa Expo Center in Cocoa Beach and played nine years (1994-2002) at Space Coast Stadium in Viera (Melbourne).

The 28 million dollar complex opened on February 28, 1998 and accommodates 6,839 fans with luxury suite seats, reserved box seats, bleachers, and bullpen seating area in right field.

The facility has undergone a series of upgrades in recent seasons, beginning with a new high-definition video board in 2012, reconfigured seats and new sound system in 2015, the addition of the Bullpen Club in 2016, and shade panels installed prior to the 2017 Spring season. Fans will have the opportunity to sit in the Bullpen Club, a 135-seat area that includes table-top seating for a community feel next to the visitor's bullpen. The six air-conditioned luxury suites provide 320 square feet of interior entertainment, including a wet bar, refrigerator, sink, ice maker, color television with DVD, sofa, bar stools, and additional seats. Each suite has seating for 12 (outdoors) and is available with a private entrance and elevator access. Prior to the 2018 Spring Training season, all suites at Roger Dean Chevrolet Stadium underwent a modernization by local design company V-Starr.

Following Spring Training, the complex is the home of the Single-A Jupiter Hammerheads (Miami affiliate) and the Palm Beach Cardinals (St. Louis affiliate) of the Florida State League.

Offices for the Marlins Communications Department and the media workroom are located in the Marlins executive offices, beyond the left field wall at Roger Dean Chevrolet Stadium. The Press Dining area is located in the main press box area. Admission to all Marlins Spring Training games requires either a Major League Baseball Spring Training credential, a BBWAA card, or a Marlins season or daily Spring Training credential.
