MARK ATTANASIO
CHAIRMAN AND PRINCIPAL OWNER

Mark Attanasio enters his 21st season as chairman and principal owner of the Milwaukee Brewers.

Over the course of Attanasio's leadership, the Brewers have been one of the National League's most competitive teams, holding the fourth-highest winning percentage in the NL since the 2005 season (1628-1511, .519). The Brewers also have the eighth-most wins in Major League Baseball since Attanasio became principal owner. Over the past eight seasons, the Brewers have reached the postseason six times, missing out in 2017 and 2022 by just a single game. The team holds the third-highest winning percentage in the National League since 2017 (666-529, .557), trailing the Dodgers and Braves. Milwaukee is one of three teams to win at least 86 games in each of the past seven full seasons (not including 2020), joining the Astros and Dodgers.

Over the past 21 years, Attanasio has been committed to the Brewers fan experience, and through significant investments, American Family Field has been and continues to be consistently rated as one of the best venues in all of sports. His dedication to the ballpark led to a monumental bi-partisan legislative agreement in 2023 to keep the Brewers in Milwaukee through at least 2050, which included a $150 million commitment from the organization.

Further, Attanasio has prioritized efforts to have a broad, positive impact on the Milwaukee-area community and throughout Wisconsin. Through the establishment of Brewers Community Foundation (BCF), the team's charitable arm, and through community relations efforts year-round, the Brewers are an integral part of the fabric of the community. As a result of Attanasio's steadfast dedication to invest in these efforts, BCF has generated more than $60 million over the past decade to support local non-profits in the areas of health, education, recreation and basic needs. Approximately 200 non-profit organizations receive funding annually through Brewers Community Foundation's grant process.

Attanasio remains focused on his longstanding objective to establish the organization as a champion both on and off the field, and he continues to work diligently to uphold the four cornerstone pledges he made to the Brewers and to the community when the team was purchased in 2005:

1. FIELDING A PERENNIALLY COMPETITIVE TEAM

Attanasio works closely with Matt Arnold, the baseball operations staff and Pat Murphy in their efforts to build a sustainable pipeline of young talent that fans can count on for years to come, supplementing the team's veteran players to field a perennially competitive roster.

The organization was well-represented in the league's end-of-season awards in 2024, including Arnold earning MLB Executive of the Year and Murphy being named National League Manager of the Year. For the second time in franchise history, the Brewers had a pair of Rawlings Gold Glove Award winners in the same season with Sal Frelick (right field) and Brice Turang (second base) earning the honor for the first time in their careers. Turang was also awarded a Platinum Glove as the top overall defender in the National League. At the plate, William Contreras earned his second straight Silver Slugger Award as the best offensive catcher in the National League.

Last offseason, Milwaukee signed outfielder Jackson Chourio to an eight-year contract through 2031 with club options for 2032 and 2033, an industry-record commitment for a player without any Major League experience. Chourio made his Major League debut in 2024 and became the youngest player in Major League history to produce a season with at least 20 home runs and 20 stolen bases when he hit his 20th homer on September 12 at San Francisco (20 years, 185 days).

The Brewers have been prolific in developing talent through their farm system. The team funded and opened a new academy in the Dominican Republic in 2024, a key hub in the organization's player development facilities. The academy joins recent club investments such as rebuilding American Family Fields of Phoenix in 2019 as well as the acquisition of the Carolina Mudcats in 2017 with a new state-of-the-art stadium on the horizon for that affiliate for the 2026 season in Wilson, NC and a relaunch as the Wilson Warbirds.

2. DELIVERING THE BEST FAN EXPERIENCE POSSIBLE

Attanasio greatly values and appreciates the unwavering support of Brewers fans. Since 2008, the team has ranked in the top 10 in total season attendance eight times, exemplifying the power and passion of the Brewers fan base.

Attanasio's commitment to the fan experience has included funding numerous enhancements at American Family Field over the years. Most recent upgrades include new scoreboards with an eight-millimeter LED digital display overlooking center field and measuring 12,077 square feet as well as LED digital displays behind home plate and along the baselines. Following last season's success of the 3rd Street Market Hall Annex on the right field Loge Level, this year, the Brewers have added The Alley, Food Truck Park on the left field Loge Level, partnering with local owners to feature fare unique to Milwaukee.

Further, continued improvements have been made to ease fans entrance and departure from the ballpark. This season, fans will be able to utilize MLB Go-Ahead Entry and Express Lanes.

3. REMAINING A LEADER IN THE COMMUNITY

Throughout Attanasio's tenure with the Brewers, he has remained personally dedicated to and involved with Brewers Community Foundation (BCF).

In 2024, BCF provided more than $4.5 million in grants and scholarships to approximately 200 local non-profits supporting healthcare, education, recreation and basic needs and 32 Wisconsin-based students. As part of Brewers Buddies Tickets, more than 91,000 game tickets were donated to 218 different organizations in 2024. Last season, the Foundation held four Drive for Charity events with fans donating pet supplies, peanut butter, socks, hats and mittens and scarves.

Along with Brewers alumni Larry Hisle and CBS 58, BCF collected 558 turkeys, 22,000 pounds of food and more than $3,900 in cash donations for Hunger Task Force as part of the 13th annual Drive Thru Food Drive at Thanksgiving.

In addition to the fan support of the Foundation, all players, their families, team executives and front office staff contributed their time and/or financial resources in 2024.

4. BEING AN ORGANIZATION WHERE PEOPLE WANT TO WORK, WHETHER ON THE FIELD OR BEHIND THE SCENES

Attanasio has continued to deliver on his commitment to ensure the Brewers are one of the best places to work, not only in Greater Milwaukee, but in all of sports. Throughout his tenure as principal owner, the organization has grown as a desirable destination for some of Major League Baseball's top players, front office personnel and business executives.

Under Attanasio's leadership, the organization has created a culture focused on best practices and achieving excellence across all areas and departments. This includes providing all employees, including game-day staff, training and leadership development with an emphasis on embracing diversity, innovation and service to the community.

BEYOND THE BREWERS

Attanasio has been an accomplished investment management executive for more than 35 years. In addition to his role as chairman and principal owner of the Brewers, he is a managing partner of Crescent Capital Group, LP, a Los Angeles-based alternative asset management firm that he co-founded in 1991.

RICK SCHLESINGER

PRESIDENT - BUSINESS OPERATIONS

Rick Schlesinger enters his 23rd season with the Brewers and seventh in his current position after being promoted on January 23, 2019. He has previously held roles with the organization as executive vice president of business operations (2003-10) and chief operating officer (2011-18).

Schlesinger oversees the organization's business operations, including finance, human resources, information technology, legal, sponsorships, marketing, ticketing, business analytics, broadcasting, communications, stadium operations and non-baseball special events.

In addition, he oversees American Family Fields of Phoenix (the team's Spring Training complex) and the business operations of the Carolina Mudcats, the organization's Low-A affiliate. Schlesinger is a member of Major League Baseball's Youth Baseball and Labor Policy Committees.

Schlesinger serves on the board of directors of the Metropolitan Milwaukee Association of Commerce, the board of trustees at Barton College (NC) and on the board of visitors of the University of Wisconsin-Madison History Department.

The Brewers have established records in nearly every aspect of the business during Schlesinger's tenure. More than 2.5 million fans have passed through the gates of American Family Field in 14 of the past 16 seasons (excluding the 2020 and 2021 restricted capacity seasons). In that time, the organization has built a focus on the fan experience, developed new and enhanced partnerships and completed several major development projects that benefit various stakeholders. Recent major investments in the fan experience at American Family Field include a new main scoreboard and a second digital board in right field (2024), the J. Leinenkugel's Barrel Yard (2023) and X-Golf (2022). After the success of the 3rd Street Market Hall Annex on the right field Loge Level, the Brewers have added The Alley, Food Truck Park on the left field Loge Level for 2025, partnering with local owners to feature unique Milwaukee fare. Additionally, continued improvements have been made to ease entrance and departure from the ballpark, as MLB Go-Ahead Entry and Express Lanes will be in effect for the 2025 season.

Recently, Schlesinger joined elected officials in leading a successful effort to secure a generational lease extension for the Brewers at American Family Field. The new lease and associated funding to maintain and improve the ballpark ensures that American Family Field will be home to the Brewers through at least 2050.

Prior to joining the organization, Schlesinger spent five seasons (1998-2002) as vice president of business and legal affairs/assistant general manager for the Anaheim Angels. He previously worked for Walt Disney Pictures and Television in motion picture development and production (1993-1998) and at the Los Angeles law firm of Latham and Watkins (1986-1993).

A Phi Beta Kappa graduate from the University of Wisconsin-Madison in 1983, Schlesinger received his Juris Doctor from Harvard Law School (cum laude) in 1986. A native of Bayside, Wisconsin, he currently resides in Hartland, Wisconsin, with his wife, Kate. They have five children, Bradley, Sam, Caitlin, Molly and Mathieu.

BREWERS COMMUNITY FOUNDATION, INC.

Brewers Community Foundation, Inc. is the official charitable arm of the Milwaukee Brewers Baseball Club. We are proud to give back to our community in many ways. Brewers Community Foundation harnesses the pride, passion and commitment of Brewers fans, players and other supporters to positively impact the lives of children and families in Greater Milwaukee and Wisconsin. The Foundation seeks to be thoughtful and dependable philanthropic leaders actively engaged in providing needed financial support consistent with our mission.

BREWERS COMMUNITY FOUNDATION 50/50 RAFFLE

Tickets for the 50/50 Raffle are sold throughout American Family Field from the time parking lots open through the end of the fourth inning of every home game. One lucky fan will take home half of the net proceeds from the game's raffle ticket sales with the other half benefiting Brewers Community Foundation. The winning ticket will be announced in the middle of the sixth inning, before the Johnsonville® Famous Sausage Race, and the winner will have until the middle of the seventh inning to claim his or her prize at the 50/50 information table. If the prize goes unclaimed, another ticket will be drawn and announced. Last year, the Foundation helped more than 200 local nonprofit organizations provide quality programming in the areas of health, education, recreation and basic needs. For the winning raffle number and amount, call the 50/50 Raffle hotline at (414) 902-4334.

BREWERS COMMUNITY FOUNDATION DRIVE FOR CHARITY

During select homestands throughout the season, Brewers Community Foundation invites fans to drop off items or make a donation of $10 to help those in need. As a thank you for contributing, fans receive a collectible Brewers pin. The donated items are distributed to nonprofit organizations in Greater Milwaukee. This year, the dates include:

- April 4-6: peanut butter
- May 15-18: pet supplies
- June 27-29: new socks
- August 8-10: school supplies
- September 26-28: new winter hats, mittens and scarves

The presenting sponsors of the Drive for Charity events are the Brewers Community Foundation Leadership Council. To learn more, visit brewers.com/BCF.

BREWERS COMMUNITY FOUNDATION WEEKENDS

BCF Weekends will be held during home games scheduled for June 12-15 and September 12-14 in the right-field corner on the Field Level concourse. SCHOLARSHIP PROGRAMS

Brewers Community Foundation is proud to offer three scholarship programs to Wisconsin students. Applications may be submitted online from January through March. For more information and the online application, visit brewers.com/BCF. In 2024, 32 Wisconsin students received scholarships toward their college education through Brewers Community Foundation.

The Allan H. Selig Scholarship Program was created in the name of former Brewers President and Commissioner of Baseball Allan H. (Bud) Selig. Funding for the scholarships is the result of proceeds donated by Major League Baseball from the All-Star Workout Day, part of the 2002 All-Star festivities held at then-Miller Park. Selected candidates will receive $2,500 annually, renewable each year for a total of $10,000 over four years.

The Players/Coaches Scholarship Program is made possible thanks to Milwaukee Brewers players' and coaches' commitment to educational opportunities for youth. This scholarship is a one-year award that varies in amounts from season to season for students who plan to attend or are currently attending a college or university in Wisconsin.

The Community Scholarship Program provided its first award in 2013. Eligible applicants must be a minority or female student residing in either Milwaukee, Waukesha, Ozaukee, Washington or Racine County. Applicants must also be students pursuing studies in a design or construction-related field at a technical college or a college or university in the state of Wisconsin. Scholarship awards will be of varying amounts based on need.

COMMUNITY RELATIONS

The Community Relations Department of the Milwaukee Brewers Baseball Club is dedicated to making a meaningful impact across Wisconsin by supporting a wide range of worthy events and initiatives. Through partnerships with charities, educational programs, youth organizations and nonprofits, we raise hundreds of thousands of dollars annually with the support of players, coaches and staff. By championing these causes, we reaffirm our commitment to being an active and engaged member of our community, striving to enhance the lives and well-being of individuals in Greater Milwaukee and Wisconsin.

AUTOGRAPH SUNDAYS

Every Sunday home game from April through August, kids ages 14 and under are invited to the seats by the warning track to receive an autograph from a Brewers player, alumni and/or other Brewers personalities from 11:50 a.m. to 12:15 p.m. Locations of the autograph signings and the list of players signing will be posted on the scoreboard at the time the gates open. The lineup of players and signing times are subject to change. Autographs are limited to one per child and full-size bats are not allowed. Children needing assistance in accessing the autograph signings should visit the Guest Relations kiosk on the Field Level near Section 116 with their parent/guardian. A guest relations staff member will assist children in accessing the field.

BEYOND THE DIAMOND

Beyond the Diamond is a series of community outreach events that take place throughout the season. The program is built around a partnership among Brewers players, coaches, alumni, Brewers Families and front office staff working hands-on in the community.

BREWERS FAMILIES

Brewers Families play an important role in our community outreach efforts with their commitment to several important causes. Each summer, the Brewers Families team up with Brewers Community Foundation to raise funds through a couple of fundraisers with proceeds earmarked for various organizations in Greater Milwaukee. Several of the players and their significant others support various non-profits with game tickets, food vouchers and Brewers memorabilia.

BREWERS ALUMNI ASSOCIATION

The Brewers Alumni Association consists of over 1,000 players who were members of the Milwaukee Brewers or the Club's forefathers, the Seattle Pilots, during their Major League career. The Association aims to provide an opportunity for the Club's alumni to maintain relationships with former teammates, the organization and Brewers fans.

PLAY BALL

The PLAY BALL initiative is baseball's collective effort to encourage young people and communities to engage in baseball-or-softball-related activities, including formal leagues, special events and casual forms of play. PLAY BALL events have become MLB's signature youth engagement activity during the professional and amateur baseball and softball calendar, especially on key dates throughout MLB's championship season and through the postseason and World Series. PLAY BALL events demonstrate the positive way the game can serve as an outlet for physical activity, fun with friends and learning how to play the sport at its most basic levels. To learn more about the PLAY BALL program, please visit playball.org.

LOGO HISTORY

PRIMARY LOGO

1969

The Seattle Pilots used this logo for one season before moving to Milwaukee and becoming the Brewers.

1970-1977

The Barrelman logo was the first identity used by the Brewers. It was first used by the original American Association Brewers in the 1940s.

1978-1993

The ball-in-glove logo was introduced in 1978 after a contest open to the public drew more than 2,000 entries. An art history student at UW-Eau Claire, Tom Meindel, designed the logo that went on to be the winner. The design of the logo was meant to be recognizable on items as small as a button and as large as a billboard.

1994-1999

As the Brewers celebrated their 25th anniversary in Milwaukee, they introduced a new look. Green was incorporated as a color for the first time in franchise history. The logo resembled an industrial stamp, paying homage to Milwaukee's industrial history, and gave the team a modern yet old-fashioned look.

2000-2017

This logo was introduced during the final season at County Stadium, giving the team a fresh look heading into Miller Park. The classic yet contemporary look was created by McDill Design of Milwaukee along with Major League Baseball Creative Services. The barley in the logo speaks to the heritage of the "Brewers" name that has been in Milwaukee baseball since 1901.

2018-2019

In 2018, the team officially began using the "M" logo as its primary mark. The logo was first introduced in 2000 as part of the complete redesign of the team's artwork. Like the team's previous primary logo, the barley in the logo speaks to the heritage of the "Brewers" name that has been in Milwaukee baseball since 1901.

2020-PRESENT

At the onset of the Brewers' 50th anniversary, the team introduced new uniforms and a contemporary take on the ball-in-glove icon. The new logo connects the past with the present; it includes elements of historical marks - a yellow border and circular text from the original Barrelman logo - with the modernized ball-in-glove logo and Brewers Industrial typeface.

The Braves would go on to beat the Dodgers in six games in the NLCS and advance to their first World Series since 1999, beating the Astros in six games.

2024 NATIONAL LEAGUE WILD CARD SERIES

MILWAUKEE vs. NEW YORK - METS WIN, 2-1

The Brewers and Mets squared off in the postseason for the first time ever. The Mets won the series, two games to one. After being two outs away from elimination in Game 3, Pete Alonso hit a 3-run homer off Devin Williams in the ninth inning to turn a 2-0 deficit into a 3-2 lead and ultimately a 4-2 win. The Mets would go on to beat the Phillies in the NLDS before losing to the Dodgers in the NLCS. This ended the history in which every team that defeated the Brewers in the postseason at least advanced to the World Series.

IN REMEMBRANCE OF BOB UECKER

Bob Uecker completed his 54th season as a broadcaster for his hometown team in 2024, calling games on Newsradio 620 WTMJ and the Brewers Radio Network, marking his 69th year in baseball.

Known across the country as "Mr. Baseball," Uecker was highly respected throughout the industry. He will forever be recognized in the National Baseball Hall of Fame in Cooperstown, New York after earning the prestigious Ford C. Frick Award in 2003, which is presented annually to a broadcaster for major contributions to the game. On July 27 that summer, he made one of the most memorable speeches in Hall of Fame history, leaving his audience, including former President George H.W. Bush, in tears from laughter.

In 2001, Uecker was inducted into the Radio Hall of Fame, where he joined baseball broadcasting luminaries Vin Scully, Mel Allen, Red Barber, Ernie Harwell and Jack Brickhouse, as well as other American icons, including Bob Hope, Jack Benny, Edward R. Murrow and Orson Welles. He was later inducted into the National Sportscasters and Sportswriters Association Hall of Fame in 2011 and the National Association of Broadcasters Broadcasting Hall of Fame in 2012.

In honor of Uecker's tenure as a broadcaster for the Brewers — which is the fourth-longest tenure of any broadcaster with one team in the history of Major League Baseball — he is recognized throughout the American Family Field grounds. In 2003, Uecker became a member of the Brewers Walk of Fame, which is located near home plate on the plaza outside American Family Field.

On August 31, 2012, a statue bearing his likeness was dedicated in his honor outside American Family Field, joining those previously dedicated to fellow Hall of Famers Hank Aaron, Robin Yount and Commissioner Emeritus Allan H. "Bud" Selig. The ceremony was attended by celebrities and current and former players as well as Uecker's family and friends.

On April 25, 2014, a second statue was dedicated in Uecker's honor, this one in the last row of the "Uecker Seats" on the Terrace Level at American Family Field. The statue commemorates the Miller Lite commercials in which he famously delivered the often-repeated line, "I must be in the front row!" That year, he was also inducted into the inaugural class of the Brewers Wall of Honor, which is located along the third-base side outside American Family Field.

Uecker has also been recognized locally throughout his career with the Brewers, including earning Wisconsin Sportscaster of the Year honors five times. He was inducted into the Wisconsin Performing Artists Hall of Fame in 1993, the Wisconsin Broadcasters Association Hall of Fame in 1994 and the Wisconsin Sports Hall of Fame in 1998. In January 1995, he earned the Big B.A.T. Award from the Baseball Assistance Team at a dinner in New York City in recognition of his continued support of former Major League players who are in need of assistance.

Prior to becoming the voice of the Brewers in 1971, Uecker spent 1969 and 1970 broadcasting Atlanta Braves games alongside fellow Ford C. Frick Award winner Milo Hamilton and Ernie Johnson, Sr.

Uecker's big break can be traced to a 1969 visit with Al Hirt, a renowned jazz trumpeter from New Orleans. Hirt asked him to come on stage at a small nightclub he opened in Atlanta. Hirt was so impressed with Uecker that he arranged an appearance for him on *The Tonight Show, starring Johnny Carson*. Uecker became one of Carson's favorite guests, making more than 100 appearances before Carson retired in 1992. He also made appearances on *The Mike Douglas Show*, *The Merv Griffin Show* and *Late Night with David Letterman*, and served as a guest host on *Saturday Night Live*. Uecker became a national celebrity, and the ABC Network capitalized on his popularity. He went on to make appearances on *The Superstars*, *Friday Night Videos* and *The Midnight Special*, which opened the door for additional high-profile appearances.

A versatile talent, Uecker's credits go far beyond guest appearances and play-by-play. In 1985, he launched a television acting career as one of the stars of ABC's sitcom *Mr. Belvedere*, which aired 122 episodes. He also hosted two syndicated television shows, *Bob Uecker's Wacky World of Sports* and *Bob Uecker's War of the Stars*.

Additionally, Uecker was one of the Miller Lite All-Stars in commercials for the beverage during the 1980s and was cast as a radio announcer in the movies *Major League*, which was filmed at County Stadium in Milwaukee, and *Major League II*. He has even made appearances on the pro wrestling circuit, hosting *WrestleMania III* and *WrestleMania IV*, which earned him a spot in the WWE Hall of Fame in 2010.

Uecker's national recognition gained broadcasting Brewers games both on radio and television also led to his role as color commentator for ABC Sports coverage of *Monday Night Baseball*, the League Championship Series and World Series as well as NBC's *Friday Night Baseball*.

Uecker's accomplishments are not limited to the electronic medium as he authored a book entitled *Catcher in the Wry*, a humorous look back on his six years spent as a catcher with the Milwaukee/Atlanta Braves, St. Louis Cardinals and Philadelphia Phillies. One of the highlights of his career was being a member of the 1964 world champion Cardinals.

Despite his national attention and success, Uecker never forgot his roots. In 2015, he was honored with the Lombardi Foundation's Award of Excellence for his role in helping raise funds and awareness for cancer research. His philanthropic efforts have benefited several local organizations, including the United Performing Arts Fund, the Midwest Athletes Against Childhood Cancer Fund, the Milwaukee Symphony, the Boys & Girls Clubs of Greater Milwaukee, Big Brothers/Big Sisters and Wounded Warriors.

In addition, Uecker was an advocate for organizations that battle cystic fibrosis and heart disease and was involved with the Wisconsin Department of Tourism, the Make-A-Wish Foundation and the ALS Association.

The Milwaukee Brewers take pride in offering the best overall experience for every fan who attends a game. Central to the quality of the fan experience is the team's jewel of a ballpark, American Family Field.

More than 2.5 million fans have attended games at the ballpark in 14 of the past 16 seasons in which full capacity was permitted. Since 2008, the Brewers have ranked in the top 10 in total season attendance eight times. American Family Field has drawn more than 58 million visitors to baseball games in 23 seasons fans have been allowed entrance, highlighted by 3,071,373 in 2011, which established an all-time Milwaukee baseball attendance record.

One of the keys to American Family Field's popularity is the dynamic nature of the facility that has allowed the ballpark to adapt to changing fan tastes over the years. In 2024, new scoreboards and LED digital displays behind home plate and along the baselines were installed. The centerpiece of the installation was an 8 millimeter LED digital display overlooking center field, measuring 12,077 square feet. The main display is among the largest scoreboards in Major League Baseball, boasting full-screen edge-to-edge coverage, and is more than twice the size of the previous display at 5,940 square feet.

After last season's success of the 3rd Street Market Hall Annex on the right field Loge Level, American Family Field will add The Alley, Food Truck Park on the left field Loge Level in 2025, partnering with local owners to feature fare unique to Milwaukee.

American Family Field and the Brewers have made continued improvements to ease fans entrance and departure from the ballpark. New in 2025, fans will be able to utilize MLB Go-Ahead Entry, a facial authentication-based ticket validation system developed by Major League Baseball as part of a continual effort to improve the fan experience of attending games. Further, Express Lanes will be offered at all gates to allow guests who do not have a bag, or whose bag is 9"x 5" x 2" or smaller, to enter more quickly.

Luke Combs performed a pair of sold-out shows at American Family Field on April 12-13, 2024. The ballpark also hosted sold-out concerts from Kenny Chesney on June 22 and Green Day on August 24.

HELFAER FIELD

The Milwaukee Brewers joined the Southeast Wisconsin Professional Baseball Park District Board and the Evan and Marion Helfaer Foundation to build Helfaer Field, Wisconsin's finest youth baseball facility. Designed by Eppstein-Uhen Architects of Milwaukee, the facility was built on the site of County Stadium by Hunzinger Construction, the company that built the original County Stadium and part of the team that built American Family Field. The foul poles of County Stadium have been used at Helfaer Field, and the area where home plate existed in the old ballpark has been memorialized on the third-base concourse.

The $3.1-million facility was built with the help of a $2 million charitable grant from the Helfaer Foundation as well as $1.1 million from the American Family Field infrastructure budget. Featuring 502 bleacher seats and additional concourse seating of 220, this is the premier location for youth baseball and softball leagues to host their games and tournaments, and is perfect for kickball, employee outings, corporate events, birthday parties and much more.

The fences reach 200 feet with six-foot high walls, with the exception of left field, where the wall is nine feet. The playing surface of Helfaer Field was replaced in October 2008, giving Little Leaguers the same playing surface that big leaguers play on inside American Family Field. For more information about the facility or to reserve your event today, please visit brewers.com or call (414) 902-4332.

ROOF OPEN/CLOSED

The decision as to whether a game begins with the roof open or closed (fully or partially) rests solely with the Milwaukee Brewers.

If the game begins with the roof open:
- It shall be closed only in the event of impending rain or other adverse weather conditions. The decision to close the roof shall be made by the home club after consultation with the umpire crew chief.
- The umpire crew chief shall notify the visiting club that the roof will be closed due to impending rain or other adverse weather conditions.
- The roof may be re-opened by following the procedures for opening the roof as detailed below.

If the game begins with the roof fully or partially closed:
- It may be opened when, in the opinion of the home club, the climatic environment has reached a level where fan comfort and enjoyment will be best served by opening the roof to the natural atmospheric conditions after consultation with the umpire crew chief and/or Commissioner's designee.
- Notwithstanding the foregoing, the following guidelines should be applied when opening the roof during a game:
  - The roof may be opened only once during the game
  - The umpire crew chief will be notified at the commencement of the inning that the roof will begin opening at the respective inning's conclusion.
  - The umpire crew chief shall notify the visiting club, which may challenge the opening of the roof if it feels that a competitive imbalance will arise. In such an event, the crew chief shall make a final decision based on the merits of the challenge.
  - The roof opening should begin between innings.

AMERICAN FAMILY FIELD STATUES

There are five statues located on the plaza outside of American Family Field, one of former Brewers owner and Commissioner Emeritus Allan H. (Bud) Selig, radio broadcaster Bob Uecker and Hall of Famers Hank Aaron and Robin Yount. The last features three ironworkers in honor of the three individuals who died when a crane collapsed during the construction of the ballpark on July 14, 1999. In addition, there is a statue of Uecker inside American Family Field located behind section 422 on the Terrace Level.

THE SELIG EXPERIENCE

Updated in 2022, The Selig Experience arrived at American Family Field in 2015 as a state-of-the-art attraction honoring former Brewers owner and Commissioner Emeritus Allan H. "Bud" Selig, who was inducted into the National Baseball Hall of Fame in 2017.

American Family Field is already known as a premier destination for baseball fans, and The Selig Experience takes that to the next level. The exhibition space totals approximately 1,400 square feet and includes authentic artifacts from Selig's tenure as Brewers owner. It celebrates the fans' love of the game as told through the story of the team's founder.

The exhibit is located in the left-field corner on American Family Field's Loge Level. The attraction is highlighted by a multimedia presentation that tells the story of Selig's role in bringing Major League Baseball back to Milwaukee and his tireless efforts to promote and grow the game in his hometown. The show builds to a surprising three-dimensional encounter with the Commissioner himself, using technology found in only a handful of exhibits around the world, inside an authentic reproduction of his County Stadium office. After the show, fans are able to take a sneak peek into Selig's office.

The design and production of The Selig Experience was led by BRC Imagination Arts, an experience design firm that turns brands into destinations. For more than three decades, its masterful storytellers have been chosen by iconic brands and cultural attractions all over the world to inspire and engage their audiences. Uihlein-Wilson Architects contributed to the initial design of the space for The Selig Experience.

WALK OF FAME

The Walk of Fame commemorates some of the greatest names in Milwaukee baseball history. It is located on the plaza area outside American Family Field. Each Walk of Fame inductee is honored with a granite-shaped home plate set in the ground.

Started in American Family Field's inaugural season of 2001, the Walk of Fame has welcomed 23 inductees. The first class in 2001 included Hank Aaron, Rollie Fingers, Paul Molitor and Robin Yount. In 2007, former Milwaukee Braves players were added to the ballot in an effort to honor the strong baseball tradition of the city.

MILWAUKEE BREWERS WALL OF HONOR

The Brewers Wall of Honor commemorates Milwaukee Brewers players, coaches and executives who meet a set criteria based on service to the organization and/or career accomplishments. The Wall of Honor is a permanent exhibit on an exterior American Family Field wall adjacent to the Hot Corner entrance in left field. Honorees are recognized with a bronze plaque affixed to the wall along with their image and a brief synopsis of their Brewers career etched onto the marker. The plaques are created by Matthews International, designers of the plaques for the National Baseball Hall of Fame in Cooperstown.

The inaugural Wall of Honor class of 58 inductees was recognized during a ceremony at Miller Park on June 13, 2014. Honorees and their guests (as well as representatives of those who were deceased) were invited to attend the unveiling ceremonies and be recognized during a program on the field prior to the game.

Beginning in 2015, a player who appeared in at least one game with the Brewers and served as a primary broadcaster for 20 or more seasons with the team was eligible for induction. Added to the criteria in 2018, a Brewers executive who spent at least 10 seasons as general manager with a postseason appearance was eligible for induction. Additionally, any inductee into the National Baseball Hall of Fame who played for or managed the Brewers is eligible.

In 2025, John Axford will become the 72nd inductee on the Wall of Honor.

BERNIE BREWER™

𝕏 @Bernie_Brewer

Perhaps as much a part of Milwaukee's baseball history as the players, Bernie Brewer, the official team mascot, has become a symbol of what is special about being a fan of the Brewers. The concept of a team mascot first emerged back in 1970, when the expansion team needed to draw more fans to the ballpark. That year, the original "Bernie Brewer," 69-year-old Milt Mason, camped out in a trailer atop the scoreboard in late June, vowing not to come down until a crowd of at least 40,000 attended a game. A bat-day crowd of 44,387 showed up to bring their adopted hero down from his perch on August 16.

The demand for Bernie Brewer grew, and by 1973, he emerged as a character who cheered on the team from a beer-barreled chalet, sliding down into a beer stein following each Brewers home run and victory. Bernie Brewer became a fixture at home games, especially for teams known as "Bambi's Bombers" and "Harvey's Wallbangers," when homers came with regularity.

In 1984, the Brewers rebuilt the bleachers, replacing Bernie's Chalet with a sound tower, sending the mascot into temporary retirement. But, by popular demand in 1993, Bernie returned and has been a fixture at every home game since. In 2021, thanks to American Family Insurance, Bernie received a brand-new chalet with a vintage look similar to his original chalet at County Stadium.

FAMOUS RACING SAUSAGES

Legend has it that the Famous Racing Sausages started to take shape in the early 1990s. In their formative years, they were little more than a cartoon running a virtual race every home game on the giant scoreboard in center field at County Stadium. As the movement began to take shape and a buzz developed about the characters, eventually the Bratwurst (#1), Polish (#2) and Italian (#3) made their debuts out of the left-field corner of County Stadium on select Sundays throughout the season. What started as a fun way to entertain many of the children attending afternoon games became an instant hit. The three sausages added a fourth when Hot Dog (#4) came on board in the middle of the 1990s.

The race grew in popularity among young and old alike. During the 2000 season — the final year of County Stadium — the virtual race was thrown out and mascots began to race every game. Running with the Sausages took on a life of its own as having an 'in' with the team might mean the chance to dive into the costume and scurry along the warning track prior to the seventh inning. Hideo Nomo, Pat Meares and Geoff Jenkins are just three of the lucky players to boast "Racing Sausage" among their personal accolades. In 2007, Chorizo (#5) permanently joined the team after a one-game debut in 2006.

HANK "THE BALLPARK PUP"

The morning of February 17, 2014, dawned sunny and warm in Phoenix, not unlike most days that the Milwaukee Brewers see at their Phoenix Spring Training headquarters. But what first seemed like an ordinary day soon became much more, all because of a visit from a four-legged friend.

Many major metro areas are overwhelmed with a problem of stray animals, and Phoenix is no different. Small dogs are occasionally seen wandering the outskirts of the Brewers' training fields, but they are typically too scared to interact with anyone on site. That day, though, a scruffy, dirty, and slightly injured little dog wandered up to staff at Spring Training camp and made himself at home. This pup was fearless, and he knew a good thing when he saw it. Not long after, the little guy was named Hank (after the great Hank Aaron), and his story was just starting.

Hank was cared for by staff on site, and soon Brewers coach Ed Sedar became his unofficial guardian. Sedar would feed Hank from the clubhouse buffet each day, and he quickly became friendly with various players and staff. It was clear, though, that the priority was to find Hank's home, and the Brewers set out to do just that.

By using social and traditional media channels, the Brewers posted regular updates on Hank's exploits. Every day, Hank would interact with players and coaches in the team's clubhouse, go from station to station as players participated in drills, ran occasionally with the Famous Racing Sausages and hosted meet-and-greets with visiting players, celebrities and fans. Outfitted in a Brewers jersey, updates of Hank's activities were posted every day by the Brewers, and it wasn't long before national media picked up on the story.

Locally, nationally and internationally, Hank's story appeared everywhere — *ABC World News Tonight*, *The Today Show*, *People Magazine*, *The Tonight Show* and countless others all featured Hank's heart-warming tale, and the Milwaukee Journal Sentinel ran photos and stories about Hank virtually every day for over a month. What didn't happen, though, was just as surprising. Despite the team's best efforts, nobody came forward to claim Hank as their lost pet. Working with the Wisconsin Humane Society, the Brewers arranged to have Hank adopted by a team executive, and Hank's forever home shifted north.

Hank's popularity in Milwaukee preceded his arrival to the city, and the Brewers rolled out a line of merchandise to celebrate this popularity. In addition, the team partnered with the Wisconsin Humane Society to donate 20 percent of the retail sales from all Hank items to the "Hank Fund." By September, the fund had reached a level of $150,000 through this contribution.

Hank's story included an Opening Day introduction on the field, a sold-out bobblehead night, meet-and-greets with fans at games and a Hank House (dog house) built for Hank's visits. After his newly-found fame became too much for one dog to handle, the Hank mascot was introduced on Wisconsin Humane Society Day at then-Miller Park on September 13, 2014.

In January 2015, Hank was named "Dog of the Year" at the *CW Network's* World Dog Awards in Los Angeles, an award which was presented to the canine who made the biggest impact on pop culture in 2014. What makes Hank unique is how he came to be a part of the organization. The Brewers didn't find Hank; Hank found the Brewers.

In 2024, Hank the Dog passed away peacefully in his home with the Wronski family and is remembered for his time with the Milwaukee Brewers and bringing joy to the fans of Milwaukee.

BARRELMAN

The Barrelman mascot was originally used by the American Association Brewers in the 1940s prior to serving as the Brewers primary logo from 1970-77. Barrelman was reintroduced in 2015 and has been entertaining fans at American Family Field ever since. You can find Barrelman causing mischief around the ballpark and dancing on the dugout during "Roll Out the Barrel" in the middle of the 7th inning.

The Brewers will play their 28th season of Spring Training baseball in Phoenix in 2025. Following the 2018 regular season, the team's Spring Training complex underwent a complete transformation that turned the grounds into a state-of-the-art facility. On November 25, 2017, the Phoenix City Council voted in favor of a renovation of the site. Construction began March 20, 2018, and Maryvale Baseball Park soon became American Family Fields of Phoenix.

American Family Fields of Phoenix officially opened February 12, 2019, featuring a 106,000-square foot clubhouse and office building that houses locker rooms, training spaces and support functions for both Major League and Minor League players as well as the Brewers Retail Store and the team's primary ticket office. The investment included updated facilities for sports science and psychological services, an eight-lane batting tunnel, an agility field, new pitching and catching mounds, a practice field matching American Family Field's dimensions and improvements to each of the seven playing fields. Renovations also featured a new entry plaza, scoreboard, concession stands and restrooms on a widened first-base concourse. Additionally, the Brewers partnered with Grand Canyon University to create an on-site "Learning Lounge" through which local students are able to access free tutoring. The project was named *Ballpark Digest*'s Renovation of the Year and Best Spring Training Experience by the *Phoenix New Times*, while the "Learning Lounge" earned a Governor's Tourism Award.

John F. Long, a longtime Valley developer, donated 56 acres of land to make the Brewers' Spring Training complex a reality in 1998. The team oversees operations of the facility, which was designed by HKS Design and built by Mortenson Construction.
