## **MISSION:**

The LAFC Foundation furthers our Club's mission of uniting the world's city through the world's game, bringing joy to people, and being a force for good in our community by supporting critical programs and bringing the indomitable Black & Gold spirit wherever we go.

## **WORK IN ACTION:**

The LAFC Foundation, a 501(c)(3) organization, is the social impact arm of the Los Angeles Football Club. Established in 2018, we're dedicated to supporting local organizations, partners, and infrastructure that not only bring the world's game to more young people, but also brings them the life skills and resources they need to be successful off the pitch. Our superpower is our ability to leverage our LAFC brand and our passionate community of fans and stakeholders. Bringing the indomitable Black & Gold spirit wherever we go helps make our good work even better.

### ***We do this in many ways.***

#### **•Safe Places for Play**

In partnership with MLS and local public schools, we're honored to have installed 36 futsal courts at schools in underserved communities across the greater-LA area over the last 4 years. Foundation staff visit principals, physical education teachers, and after school staff at each site, and are always inspired to see how these courts are universally utilized as a space for learning, play, and wellness.

#### **•Sports Programming & Success off the Field**

While we continue to grow our portfolio of courts, we also focus on making sure the courts are being utilized. We work with our partners to develop high quality, complementary programming for the students and neighborhoods at each court. Finally, using our futsal sites as launching pads, we're also bringing additional programs to improve health and wellness outcomes, and provide social emotional development tools that will serve our participants for years to come.

By supporting the programming and infrastructure that allow young people to access our favorite game, we provide more than fun and physical exercise – it's a pathway to success beyond the pitch, building fundamental life skills and friendships along the way.

In addition, we're proud to be members of the Alliance, a joint Diversity Equity and Inclusion initiative led by LA84 in partnership with all 12 LA professional sports franchises. Together we look to address racial injustice and issues uniquely facing communities of color.

To date, we've had the privilege to positively impact over 30,000 youth in the Los Angeles area. We are excited to watch this number grow exponentially in the years to come – and couldn't do any of it without you.

# 2023 SEASON

LOS ANGELES FOOTBALL CLUB

## A LOOK BACK AT A HISTORICAL 2023

Following a historic 2022 MLS Cup-winning season, the opening script of the 2023 season began with the groundbreaking announcement of Gareth Bale's retirement from professional football.

Ten new players would join the Black & Gold in 2023, including the addition of 2018 MLS Defender of the Year - Aaron Long.

Opening the season at home against Portland in the newly re-named BMO Stadium, LAFC kickstarted a 13-2 record across all competitions, where the 15-match stretch included six matches in the CONCACAF Champions League. Posting a +20 goal differential (31-11) in the same run secured by 2022 MLS Cup MVP John McCarthy, a new MLS star was emerging on the pitch finding the back of the net 14 times over the same stretch - Denis Bouanga. Within the 14-goal hot streak where Bouanga posted two hat tricks and two braces, headlines were made when he represented Gabon for 90 minutes in an African Nations Qualifying match and immediately after the match, took a 13-hour journey that ended with him running on the BMO Stadium pitch to nail a game-winning goal in the 84th minute over FC Dallas.

Behind CCL Top Scorer Bouanga (7 goals), LAFC defeated Alajuelense, the Vancouver Whitecaps, and Philadelphia Union along each stage of the CONCACAF Champions League to boost LAFC into the CCL Final against León. With the

appearance, LAFC became one of only five MLS clubs to reach the CCL Final in its current iteration, and the only team to make the final twice. 17 players in the Black & Gold represented the 2023 CCL Best XI across each round of the tournament. John McCarthy was also named Best CCL Goalkeeper.

Across MLS play, LAFC became the fastest Club to reach 350 goals scored in MLS history, marking the feat on July 12 in only 180 games played in franchise history.

Setting a new MLS record for most matches played by a Club at the All-Star break (33), LAFC traveled over 33,000 miles to cover all competitions with an overall 14-9-8 record where Bouanga and Ryan Hollingshead represented the Black & Gold in the MLS All-Star match against Arsenal. In Skills Competition, Bouanga would yet again set a new MLS record for most points (95) in the category.

Following the All-Star Break, MLS & Liga MX joined in the inaugural Leagues Cup where LAFC squared off with early wins against FC Juarez and Real Salt Lake, but would fall 3-2 to Monterrey in the Quarterfinal to end their campaign. In the victory against FC Juarez, LAFC scored a record seven goals to post the most goals in a single match in Club history.

Over the remaining 11-game stretch of MLS play in 2023, LAFC would go unbeaten in seven matches to secure a third-place finish in the Western Conference (52 points), that included a celebrity-studded event on Labor Day hosting global sport's icon Lionel Messi, who joined Inter Miami in the summer transfer window.

Among the headlines, goalkeeper Maxime Crépeau made his return to MLS action on Sept. 16, following his recovery from a broken leg suffered in the 2022 MLS Cup Final. In his return to MLS, Crépeau held opponents scoreless for 283 minutes across his first four appearances back in the Black & Gold to mark the third-longest shutout streak in Club history.

Reaching the postseason five times since 2018, a newly instituted playoff format saw LAFC open postseason play with a best-of-3 series against the Vancouver Whitecaps. With a quick victory in two matches, the Black & Gold traveled north to Seattle where LAFC snapped the Sounders 19-consecutive home winning streak in the playoffs with a goal off the foot of newly minted MLS Golden Boot Winner Denis Bouanga.

With the win, LAFC moved on to the Western Conference Final where they would host Houston Dynamo with chance on the line to make back-to-back appearances in MLS Cup. All-Star Ryan Hollingshead would find the back of the net in the 44', where the game-winning goal pushed LAFC to make their second-consecutive MLS Cup Final appearance.

Despite falling 3-1 to Columbus Crew in the MLS Cup Final, LAFC still made history, with Head Coach Steve Cherundolo becoming one of just three coaches in MLS history to reach the MLS Cup Final in the first two seasons of a coaching career and at 39 years old, Giorgio Chiellini became the oldest player in MLS history to appear in any MLS match, among the oldest player to record an assist in MLS play.

LAFC appeared 32 times on the MLS Team of the Matchday selections including seven Team of the Week selections along with two Player of the Matchday (Matchday 7 & 36) recognitions and October Player of the Month and MLS Best XI honors for the Golden Boot winner Denis Bouanga.

For the first time in his MLS career, Carlos Vela appeared in all 34 MLS regular-season matches, logging 47 total appearances across all competitions in 2023. Named Player of the Matchday (Matchday 8), Vela also appeared on the MLS Team of the Matchday four times in 2023.

2023 saw LAFC play a MLS record 53 matches across all competitions in a single season, traveling over 62,500 miles, claim to the best regular-season record of any MLS team that made CCL Final since 2018, a third MLS Golden Boot Winner in Club history and back-to-back appearances in the MLS Cup Final.

### ROUND OF 16

July 27, 2020

#### Los Angeles Football Club 4 – Seattle Sounders 1

LAFC controlled much of Monday night's Round of 16 match against the Seattle Sounders, securing a 4-1 win behind Diego Rossi's brace as the Uruguayan extended his place atop the race for the Golden Boot presented by Audi.

Rossi got the scoring underway in the 14th minute, giving LAFC a 1-0 lead from the penalty spot. LAFC then doubled their advantage in the 39th minute through Latif Blessing, when the Ghanaian midfielder's curling shot deflected off Shane O'Neill's arm.

The Sounders clawed one back in the 75th minute via Will Bruin, but LAFC started to pull away in the 82nd minute, as Rossi capitalized on an Arreaga turnover to easily make it 3-1. Brian Rodriguez then added a fourth in the 89th minute, cutting onto his left foot and finishing back across goal.

## QUARTERFINALS

July 31, 2020

### Orlando City 1 (5) – Los Angeles Football Club 1 (4)

The Black & Gold were held without a shot on goal through 60 minutes, and then scored on their first shot of the game for the 1-0 lead.

The breakthrough arrived three minutes after Orlando had a golden opportunity of their own, when goalkeeper Kenneth Vermeer saved Nani's penalty kick in the 57th minute. The chance was granted when LAFC left back Diego Palacios tripped up Orlando right back Ruan on a slide tackle.

Looking set for a tournament exit, Orlando finally found their equalizer in the 90th minute through former-LAFC left back Joao Moutinho. He rose highest on a Nani corner kick, heading home at the back post to make it 1-1.

Orlando City made all five of their penalty kicks in the shootout while. Jordan Harvey rattled his attempt off the crossbar and Nani scored the clincher, deciding matters after a 1-1 draw in regulation time.
