

Super Bowl LIX Satellite News Service

NEW ORLEANS — Feb. 1, 2025 — A Super Bowl LIX Satellite News Service for domestic and international use will be available free-of-charge to TV sports directors for use during regularly scheduled newscasts.

The service will provide footage from the AFC and NFC champion practice sessions (Wednesday through Saturday) as well as daily team and league press conferences and events in preparation for Super Bowl LIX.

On Super Bowl Sunday, Feb. 9, game highlights and postgame player and coach interviews will be available. The use of game highlight footage must comply with the NFL News License.

Super Bowl LIX Satellite News Service will post content from Tuesday, Feb. 4, through Saturday, Feb. 8.

NFL SNS Media will be posted daily on the NFL Internet Content Exchange (ICE) site. Content will be available throughout each day. To access material this way:
