

2025 Free Agency Signing Period Begins

NEW YORK — March 12, 2025 — The National Football League today announced which players are free agents who can negotiate with all 32 clubs.

Players are either “restricted” or “unrestricted” free agents. Within the categories are also “franchise” and “transition” players. This year, no player was designated as a transition player.

The time period for free agency signings in 2025:

- **Restricted Free Agents** – March 12 to April 18.
- **Unrestricted Free Agents** (who have received the April 28 tender from prior club) – March 12 to July 22 (or the first scheduled day of the first NFL training camp, whichever is later).
- **Franchise Players** – March 12 to the Tuesday following Week 10 of the regular season.

A list of free agents by club in various categories:

Restricted free agents who received qualifying offers from their prior clubs and are subject to the first refusal/draft choice compensation system of the NFL Collective Bargaining Agreement:

<u>Club</u>	<u>Player</u>	<u>Pos.</u>	<u>College</u>	<u>First Refusal/ Compensation</u>
Arizona	Dortch, Greg	WR	Wake Forest	ROFR
Atlanta	Neuzil, Ryan	C	Appalachian State	ROFR

New England	Elliss, Christian	LB	Idaho	ROFR
NY Jets	Adams, Tony	DB	Illinois	ROFR

San Francisco	Mason, Jordan	RB	Georgia Tech	2 nd

If a player in this category receives an offer from a new club to sign a player contract for the 2025 season or for 2025 and future seasons, which offer the player desires to accept, the offer must be set forth in an offer sheet, signed by both the new club and the player, and must be substantially in the form of Appendix B of the NFL Collective Bargaining Agreement. The new club and the player must specifically identify in the offer sheet those provisions they believe are principal terms that

must be matched by the prior club for purposes of exercising a right of first refusal. The new club then must immediately hand deliver the offer sheet, or send it by overnight mail, or by electronic mail in .pdf form (in each case a confirmation copy shall also be sent by first class mail) to the prior club, to the attention of the club's president or general manager.

The new club must send copies of the offer sheet to the National Football League Players Association and to the National Football League using the above described delivery procedures. If the offer sheet is hand delivered, the new club should obtain an acknowledgement of receipt. In addition, the new club shall notify the League office via the transaction system of the terms of an offer sheet immediately upon delivery to a prior club.

The prior club has a right of first refusal to all players listed in the category above. Draft choice compensation is as listed in the column on the right. If the prior club has only a right of first refusal and is therefore not entitled to compensation, the designation "ROFR" appears in that column. In order to submit an offer sheet, a new club must have available the required selection choice, defined as its own or better choice in the applicable rounds, in the 2025 NFL Draft.

Offer sheets may be submitted to a prior club until 11:59:59 p.m., New York time, on Friday, April 18. An offer sheet shall be deemed given only when received by the prior club. A first refusal exercise notice, which must be substantially in the form of Appendix C to the CBA, shall be deemed given when sent by the prior club.

Players with three or more accrued seasons who have been designated as Non-Exclusive Franchise Players:

<u>Club</u>	<u>Player</u>	<u>Pos.</u>	<u>College</u>
Cincinnati	Higgins, Tee	WR	Clemson

The prior club has a right of first refusal to the players listed above and compensation of two No. 1 draft choices. In order to submit an offer sheet, a new club must have available the required choices, defined as its own or better choices in the first round in the 2025 and 2026 NFL Drafts. Offer sheets must be submitted to a prior club prior to 4:00 p.m., New York time, on the Tuesday following the 10th regular season weekend. Offer sheets to franchise players are subject to the rules governing offer sheets to restricted free agents, as set forth in the category above, except that the prior club will be entitled to two No. 1 draft choices if the club declines to exercise its right of first refusal.

Unrestricted free agents with four or more accrued seasons:

In the event that a player in this category has not signed a player contract with a club by Tuesday, July 22, 2025 or the first scheduled day of the first 2025 NFL training camp, he may negotiate or sign a player contract from July 22 until the Tuesday following the 10th week of the regular season, at 4:00 p.m., New York time, only with his prior club, provided that by April 28 the prior club has extended such player an unrestricted free agent tender under Article 9, Section 1(b)(i) (the unrestricted free agent tender) of the CBA, as amended.

In the event the player has not signed a player contract with a club by Monday, April 28, 2025, and if his prior club has not extended the player unrestricted free agent tender or has withdrawn the tender, the player shall be completely free to negotiate and sign a player contract with any club without any penalty or restriction, including, but not limited to, draft choice compensation between clubs or first refusal rights of any kind, or any signing period.

- Player is a non-compensable unrestricted free agent.
