OFF THE FIELD

Established on September 8, 2019, the Eagles Autism Foundation was formed to centralize the team's autism activities into one organization, while strengthening its charitable mission to assist individuals and families affected by autism. Led by Chairman and CEO Jeffrey Lurie, the team's commitment to raising funds for cutting-edge autism research and care programs has grown exponentially, raising more than \$30 million since launching the Eagles Autism Challenge in May 2018.

The Centers for Disease Control and Prevention estimates that one in 36 people living in the United States are on the autism spectrum. Autism is a complex neurological and developmental condition that expresses itself differently in each individual. While it has become one of the fastest-growing developmental disorders in the country, autism has historically been underfunded, misunderstood, and under-researched.

By delivering the necessary resources to leading institutions, and through year-round fundraising efforts that inspire and engage the community, the Eagles Autism Foundation is turning awareness into action.

\$30 Million+ Raised Since 2018

The Eagles Autism Challenge presented by Lincoln Financial is a one-day bike ride and family-friendly 5K run/walk that donates 100% of participant-raised funds to institutions conducting innovative autism research and care.

The event features three cycling routes – Wawa Classic 30-Mile Ride, Wawa Shorti 10-Mile Ride, Wawa Junior 10-Mile Youth Ride – the FreedomPay 5K Run/Walk and the West Sensory Walk, which offers families and participants a shorter course around the outside perimeter of Lincoln Financial Field.

Due in large part to proceeds raised by the team's signature event, the Eagles Autism Foundation has funded more than 125 research projects and community grants that specialize in treating and caring for those in the autism community.

EAGLES SENSORY ROOM

On August 4, 2019, the Eagles became one of the first sports franchises to build a state-of-the-art sensory room in its home venue. Now certified by KultureCity as a sensory-inclusive stadium, Lincoln Financial Field's Eagles Sensory Room presented by Children's Hospital of Philadelphia (CHOP) promotes an accommodating and positive experience for all guests and fans with sensory challenges.

The 500-square-foot, state-of-the-art sensory room, carefully designed by top medical professionals to ensure a quieter and more secure environment, received a complete refresh in 2023. The certification process included the training of every Eagles employee and stadium staff member.

SUPPORTING NEURODIVERSITY

To address the unemployment rate in the neurodiverse community, the Eagles Autism Foundation joined Wawa and Nouryon in funding a new Center City production facility for Popcorn for the People.

A nonprofit headquartered in Piscataway, NJ, Popcorn for the People works to create meaningful employment for neurodiverse individuals.

In collaboration with the involved partners, Wawa transformed its former 9th & South Street store into a new facility to expand the nonprofit's footprint in Philadelphia.

The organization hires and trains adults with autism and developmental disabilities to cook, prepare, and package popcorn in the new facility, with \$1 from every bag sold going towards the Eagles Autism Foundation to help fund future community grants.

Hand-crafted to perfection, Popcorn for the People is sold at Lincoln Financial Field and in Wawa's across the Greater Philadelphia region.

The Eagles Radiothon presented by Firsttrust Bank and the Green Family Foundation is a multi-day auction held on SportsRadio 94WIP that offers fans the opportunity to bid on exclusive sports and entertainment experiences involving their favorite Eagles players and 94WIP radio personalities.

Designed specifically for guests with autism and developmental disabilities, Eagles Huddle Up for Autism has raised more than \$1 million for CHOP's Center for Autism Research since 2009. The family-friendly event is held annually at Lincoln Financial Field.

Through the Eagles Autism Foundation 50/50 Raffle presented by DraftKings, one lucky fan at every Eagles home game walks away a winner. Fans can purchase tickets for a 50/50 drawing at Lincoln Financial Field for a chance to win half the jackpot. The other half supports the Eagles Autism Foundation.

EAGLES AUTISM FOUNDATION PRACTICE JERSEYS

The Eagles dedicate a training camp practice each season to the Eagles Autism Foundation by wearing specially designed jerseys to elevate the Foundation's platform and showcase the team's commitment of turning autism awareness into action.

The exclusive, one-of-a-kind jerseys feature Energy Green numbers and nameplates, along with the Eagles Autism Foundation logo prominently displayed on the front side and shoulder.

Each jersey is signed by the player who wore it and is then auctioned through the annual Eagles Radiothon.

My Cause My Cleats is an NFL initiative that empowers players to showcase their commitment to the causes they support through creative artwork and custom designs on their game cleats.

TRAINING CAMP PRACTICES

Training camp practices at Lincoln Financial Field serve as a vehicle to drive critical funds for autism research and care. All ticket proceeds from the public practices benefit the Eagles Autism Foundation.

TEAM 62 CELEBRITY BARTENDING EVENT

To help raise funds for Team 62 and the Eagles Autism Foundation, Eagles Legend Jason Kelce hosts an annual celebrity bartending event at the Ocean Drive in Sea Isle City, NJ. Through its first four years, the event has raised more than \$1.6 million for autism research and care programs.

NEURODIVERSE GAMEDAY STAFF

To further the team's ongoing commitment to creating employment opportunities for the autism community, the Eagles Autism Foundation matches skills and abilities with the most appropriate gameday roles. Resources, such as a Board Certified Behavior Analyst, are provided to the more than 20 individuals involved in the employment program.

ALL ABILITIES CLINICS

The All Abilities Series consists of traditional football, cheer, drumline, STEM, and fitness clinics that offer accessible elements to support members of the autism community. Individuals across the lifespan enjoy an inclusive environment that offers an experience for those with special needs to participate alongside their peers. This includes trained volunteers, smaller group sizes, a visual schedule for step-by-step guidance on how to prepare, as well as a quiet space.

As proud Philadelphians who take their responsibility to the community seriously, the Eagles believe there is no offseason to good citizenship.

Since Jeffrey Lurie became Chairman and CEO in 1994, the Eagles have been a constant presence in the community. Their commitment to supporting the Greater Philadelphia region, and Eagles fans everywhere, authentically presents itself in everything the team does off the field. Under Lurie's leadership, and by leveraging their platform as a professional sports team, the Eagles set out to inspire, motivate, and effect change.

By leveling the playing field for children of all ages and backgrounds, forming collaborative partnerships with area-based nonprofits, providing grants to social justice organizations, and more, the Eagles are giving back in tangible ways that have the power to positively impact the lives of individuals everywhere.

The team takes great pride in serving its fans, local nonprofits, and the region at large, because to the Eagles, making the community proud is just as important off the field as it is on it.

COMMUNITY TUESDAYS

During the NFL season, Tuesdays are typically reserved as non-practice days for the team.

Many Eagles players use this opportunity to give back to residents in the Greater Philadelphia region through the Eagles Care Community Tuesday initiative.

Eagles players visit Children's Hospital of Philadelphia, elementary schools, food pantries, retirement facilities, Eagles Care partners, and more.

EAGLES CARE

The Eagles Care initiative, built off the belief that strong nonprofits build strong communities, connects the team with local organizations and works to strengthen each partner's impact on the community.

Through these partnerships, the Eagles devote their attention, support, and resources to ensure that each nonprofit's work is being amplified. Since 2013, the team has welcomed 30 nonprofits to the Eagles Care family.

EAGLES EYE MOBILE

The Eagles Eye Mobile powered by Vision To Learn travels to communities throughout the School District of Philadelphia, offering comprehensive eye exams and, if needed, prescription eyeglasses and follow-up care at no cost to families.

The Eagles Eye Mobile, which was founded by former Eagles Pro Bowl guard Jermaine Mayberry, has impacted more than one million children in the Greater Philadelphia area since 1996.

EAGLES SOCIAL JUSTICE FUND OF THE PHILADELPHIA FOUNDATION

Established in 2018, the Eagles Social Justice Fund was formed to provide grants to organizations that work to reduce barriers to equal opportunity, with a specific focus on education, community and police relations, improving the criminal justice system, and other initiatives targeting poverty, racial equality, and workforce development in the Greater Philadelphia area.

The Eagles Social Justice Leadership Council is led by a panel of players and club executives who work to identify potential grant recipients and secure contributions to the Fund, which is built through one-to-one matching donations by players and the club.

Through the first six years, the program has provided area-based organizations with more than \$2.3 million in funding.

The Eagles' anti-gun violence campaign is aimed at combating the violence that thousands of Philadelphia residents face in their neighborhoods. In conjunction with local nonprofits and the City, the team created a resource website, EndPhillyGunViolence.com, which has been designed to aggregate information and steer young people to proven and effective help.

YOUTH FOOTBALL

The Eagles are dedicated to inspiring the next generation of Eagles fans by increasing participation in youth football across the Greater Philadelphia area.

The team accomplishes this through program development, equipment donations, and financial support. League platforms (NFL PLAY 60, NFL FLAG, Eagles Football Academy, 7v7 Tournaments) and grassroots partnerships (Leveling the Playing Field, Every Kid Sports, Positive Coaching Alliance) ensure that the game is being taught properly and setting the next generation up for success on the field.

"FLYING FORWARD" WITH INNOVATION

To help address the disparities in sports equipment for young female athletes, the Eagles launched a new sports bra line, FLY:FWD, in partnership with Operation Warm. The product has been conceptualized, engineered, and manufactured specifically for young girls and women competing in sport. The Eagles are the first NFL team to support female athletes through the donation of sports bras.

The first official set of FLY:FWD sports bras were distributed to female athletes at Northeast High School in August 2023. The event, supported by the Women's Sports Foundation (WSF), featured Eagles quarterback Jalen Hurts, International Boxing Hall of Fame World Champion and WSF Past President Laila Ali, two-time World Cup Champion and two-time Olympic

Gold Medalist Carli Lloyd, and Women's Professional Tackle Football Pioneer and Philanthropist Qiana "Star" Wright.

In the program's first year, FLY:FWD sports bras were distributed to 30,000 girls in need throughout the Greater Philadelphia area.

The Eagles and Operation Warm announced this long-term, strategic partnership in February 2023, expanding on the team's unprecedented \$100,000 equipment donation the year prior.

Recognizing the lack of access to female-specific sports equipment, the Eagles purchased approximately 6,000 sports bras in January 2022, which were then donated to Leveling the Playing Field to ensure every girl in need in the School District was equipped with a sports bra for competition.

EAGLES GIRLS FLAG INITIATIVE

To support and promote female participation in sport, the Eagles launched the state’s first girls high school flag football league in 2022, featuring schools from the Philadelphia Public and Catholic Leagues. Within the first three seasons, the program expanded from 16 teams to 65 with the sport’s popularity also growing on the western side of the state.

In July 2023, the PIAA designated girls flag football as an emerging sport in Pennsylvania. Less than a year later, in May 2024, the PIAA Board of Directors voted unanimously to take the first step in sanctioning girls flag football in the state.

The Eagles’ support for girls flag football also includes the facilitation of learn-to-play, coaching, and officiating clinics, a girls flag sports performance combine, girls flag jamborees, and the girls flag championships, which have been hosted at the NovaCare Complex and Lincoln Financial Field.
